### The Fraternity and Scholarship

HIS is indeed an old subject, but its age does not affect its vital importance in the least. Many articles have been written dealing with this topic, some advocating that fraternities aid scholarship and some advocating that scholarship is hindered by fraternity life.

After all, what is the real object of a college education? We see boys and young men being sent off to college for several years, and thousands of dollars spent every year to keep them there. We say that they are sent in order that they may be educated. Education consists of development mentally, spiritually, physically, and socially.

The Academic Department of the college takes care of the student's mental development, and to some extent, in some colleges, his spiritual development. In most cases, however, this latter development depends, to a great extent, upon the man himself, how he looks upon life, and his ideals. Of course, influence plays a strong part in this development.

The third development is taken care of by the Athletic Association. Next, and last, is the social side of a young man's development. Does the college offer sufficient instruction, entertainments, and so forth, for the full development of man's social side? It is to be regretted that we must answer "no," in a large

number of instances. Man undoubtedly craves association and entertainment. The fraternity supplies this much better than anything that is at present advanced by the college.

We have seen cases where students were developed mentally to almost 100 per cent, but lacked social development and good "common horse sense." I should say that the best citizen is one who is well educated in all the branches indicated above. If he has such a well-rounded education he can do more good to others and to society as a whole than if he is developed merely in only one or two of the four-named requirements of development.

We now come to our question. Can the fraternity give social development without injuring scholarship? It can, and for the best development of fraternity life it must. "*The fraternity that is not now interested in the improvements of its scholarship is dead to progress.*" Too often a man's social standing is alone considered for initiation into a fraternity. Too often the ability to dress well and to spend money lavishly are considered. Once a man is in the fraternity he frequently forgets his main purpose in coming to college, and dwells entirely on social affairs. Frequently Freshmen, who have just left home for the first time, away from influences formerly exerted, swing, as a pendulum, from the former industrious attitude to the relaxation of work, and centering of interest in a good time. For this reason I would advocate that the colleges allow no Freshmen to be pledged or initiated, thus starting with Sophomores only. "If the fraternity has no desire to make scholars, it has little hope of winning the approval of the general public which it desires. More attention should be paid to scholarship before a man comes into a fraternity than to improvement after he gets in."

Life in the fraternity house may sometimes take interest from studies. The older men go out and to town, and the Juniors who are left behind get lonesome and soon lay aside their duties, and are off to enjoy themselves. In other words, they are influenced by the actions of others although unconscious of this influence. But after all is said and done, a man can not be made or unmade in a short time. "The young fellow going into a fraternity carries with him his own ideals and personality, and

these do not materially change simply because he changes his lodging place. The fraternity man may develop, but the fraternity seldom makes over entirely its men. *The greatest influence will come through the traditions of the chapter, and through the example of the upper-classmen.*" So it behooves us who are upper-classmen to see that our examples are deserving of the highest respect and consideration.

GARNER M. LESTER, *Alpha-Iota.*

## War and the Fraternities

FRATERNITIES as a whole, during the time before the entrance of the United States in the great World-War, regarded the conflict across the seas as a very small item in their daily life. It is true some men had already gone across with the Canadian forces or as Y. M. C. A. workers, but this number was comparatively small.

But when the United States was thrown into the struggle many training camps were opened, to which the men who had had military training in the universities and colleges of the land hastened immediately. These men were at once trained to be officers. Many of these men received their commissions at once, so they could start to train the men who were coming in day by day. Besides these were the men who immediately signed for overseas duty, consequently they were sent to the eastern camps to prepare for their trip to "No Man's Land."

By the time the colleges and universities opened in the fall of the year 1918, all of the younger men were anxious to see service in France, for all of their brothers were in the ranks, or engaged in war work.

The United States saw their opportunity to gain material for their training schools, so started organizing the S. A. T. C. in the different institutions of higher learning over the land. All of the younger men were at once taken into the organization. These boys did what they could to keep up the old fraternity spirit, but at first restrictions were placed around fraternity activities; so little could be done in fraternity work. The work accomplished in other ways offset this by a large margin, so nothing was lost, but all gained. These boys learned to know the younger men around them, so were able to pick good material for the fraternities after the war came to an end.

Now, since this great war has ended, the fraternity resumes its former position in college life. The men from over there and from the training camps return with new ideals in regard to fellowship and comradeship.

*Fellowship and comradeship are two vital things which the fraternity man has learned in the past few years.* In a sense he has never known the meaning of the words. But now he knows what it is to suffer with, and exist with men he never knew of before. These men, with their new regard for the fellowship of man, can readily teach the man who is entering the fraternity what fellowship really is. May these men all over the land unite with each other in teaching the chapter brothers their duties to brothers and to mankind.

THEO. BYARS, *Beta-Beta*.

CAPT. BURTON BARRS—Alpha-Eta  
District Princeps of District No. 4  
Jacksonville, Fla.

## Burton Barrs, Alpha-Eta, District Princeps of District No. 4

IF we were introducing him at a large gathering instead of through the concrete medium of *The Little Gator*, we would rise and orate something like this: "'Tis with rare pleasure of the profoundest that we are permitted here to-night to introduce councilman of the tenth ward, president of the Alpha-Alpha Alumnus, barrister-at-law, loyal son of Alpha-Eta, Capt. Burton Barrs, our new District Princeps," while Burton himself would probably remark, unfolding his six-foot-something of length, "Unaccustomed as I am to public speaking!"

As far back as I can remember, Burton always pulled that to start things—he says he got it from Brother Smythe. It's regulation with him, like Munson shoes in the army, and his amiable, sunny disposition. They are a matter of destiny with him, as are his addiction to No. 11 gunboats and his unswerving loyalty to Pi Kappa Alpha. In testifying to his own biography, besides admitting the usual features of having performed his nativity unadorned, without a cent to his name, and practically helpless, Burton says he isn't sure which is the more difficult to accomplish: Become a (self-supporting) lawyer, or to obtain a quorum at a meeting of the Alumnus Chapter. We must remark that he has a hard lot when it comes to dealing with wayward brethren, but he's got the knack of accomplishment. His record will suffice as proof:

Born in Jacksonville, as we said, without even a fourth-hand shirt in his own name, on August 15, 1889, he immediately took steps toward becoming a Pike and a lawyer. In fact, before he was two months old his parents discovered a peculiar habit of rolling his eyes to the accompaniment of mysterious vocal sounds. Without any doubt he was then probably devising some

horrible new addition to our "First Degree." After mastering the elementary branches his appetite for learning was evinced, and he graduated from Duval High at the tender age of fifteen. He was just sixteen when he entered the old U. of F. over at Lake City in September, 1905, but he was true Pike material, and the returning members of the Charter Chapter of 1904 gave him into the bonds of Pi Kappa Alpha that October. It was a happy day in his life, and a happy event in our chapter's history. That Burton surpassed all the expectations of his initiators, is given due proof by his record thus far.

He received his A. B. from Adelphi College, Brooklyn, N. Y., in 1911, leaving Florida shortly after the university was moved to Gainesville. The fact that he attended Stetson University for a few months, we only remark. No doubt he will answer for that at the Final Judgment. Old Florida students will understand. . . . He redeemed himself, partly, by taking his LL. B. at Vanderbilt (that was before Florida's Law School became famous) in 1914. While at Adelphi, Burton showed true Pike form in copping off the managership of the year book and basketball team, with a place on the latter for three years. He was also president of the Men's Self-Government Association, and had a hand in everything. At Vandy he horned in on the *Hustler* staff, and, among other things, was once chief justice of the John Marshall, leading man in the Dramatic Club, and vice-president of his class.

Upon completing his apprenticeship as a shyster, he was admitted to the Florida bar, and practiced in Jacksonville until August, 1917. His sturdy loyalty to duty resulted in his election as vice-president of Florida alumni in Jacksonville, and president of Alpha-Alfa Alumnus Chapter of Pi Kappa Alpha. Besides, his Vanderbilt pals made him secretary of their Jacksonville alumni, and he also became secretary-treasurer of the Taxpayers' Association of Duval County.

When the war broke out, Burton was feeling particularly "wrong." He joined the Second O. T. C., in August, 1917, and was commissioned captain on the "A" list. His career as an army officer did not result in overseas service, but we know he'd

have been as good a combat officer as he was a training-school instructor. Burton married Miss Gladys K. Bland, of Jacksonville, at a real Pike wedding, in May, 1918. On his discharge from the service he resumed his practice of law, and by dint of his fearless and relentless attacks on politician control of his fair city, he was elected to the City Council from the tenth ward in May, 1919, having defeated his opponent in the Democratic primary, 274 to 106.

Ever loyal to his ideals, to his friends, and to his Fraternity, Burton Barrs is to-day one of our predominant examples of Alpha-Eta's mould—"A shining mark in Eternity's broadest hall," as Marcus Brown would say in one of his particularly lucid moments. Linked with our efforts, for the furtherance of Alpha-Eta, Pi Kappa Alpha, and our treasured ideals, is the shielding figure of Brother Burton Barrs, new District Princeps, a son of Alpha-Eta, and through and through a Pike. Such are Pikes!

—L. Y. DYRENFORTH, in *The Little Gator*, of Alpha-Eta,  
August 15, 1919.

## The New Meaning of "The Shield and Diamond"

WITH the ending of the war, THE SHIELD AND DIAMOND assumed a new importance in the eyes of those  $\Pi$ 's who have been in the service. It has been a means of discovering what new triumphs the different chapters were achieving. We were interested in learning about these unknown brothers of ours with whom we were affiliated, and in looking over new chapters. But now it will be with an entirely different eagerness that we will clamor for our first glimpse of the new issue. We will search its contents for news of the doings of the friends made in the training camps and service—those pals of ours with whom we became wonderfully intimate. Thus our magazine will have a more binding appeal to  $\Pi$ 's who have worn the uniform. Surely there are none who have not come in contact with brothers from other colleges.

Indeed, most of us have had the opportunity to travel extensively, chum with many of our brethren, and even visit the homes of chapters near the training camps. This intermingling with others of our organization was an experience out of which a stronger feeling of brotherhood has come. It made all of us proud to know that our men were not only standard, but above the average. To any who might have chanced to be skeptical it must have been a revelation. Sans doubt, these sudden flashes of acquaintanceship will ever prove a source of increased strength. We have returned to our respective colleges with the resolve to strive doubly hard to make Pi Kappa Alpha supreme. In this era of constructive growth we wish to do our full share.

Success to the future issues of THE SHIELD AND DIAMOND! Let us all help it to readjust itself to the new needs of the day, and maintain its excellent standard of the past.

COLEMAN W. McCAMPBELL, *Alpha-Omega*.

## Judge A. C. Jones

### ALPHA

IN every community there are men who are leaders in their sphere of life. Among the most promising lawyers of Gaston County is Arthur Cummings Jones, of the Gastonia bar. Judge Jones, as he is known by his associates, was born in Abingdon, Va., in the valley of the beautiful Great Holston River.

His parentage was of Scotch-Irish, English, and Welch. His father, the late David A. Jones, was a major in the Confederate Army of America, and was one of the 600 prisoners held by the Confederate Government for several months after the surrender. His mother, Mrs. Nannie Montgomery Jones, is a woman of education, culture, and refinement, and is one of the last leaves upon the tree of a civilization that has passed away forever.

Judge Jones was educated at Abingdon Male Academy, Randolph-Macon Academy, and the University of Virginia. Before studying law at the university, he read law in the offices of Fulkerson, Page and Hurt, the foremost lawyers of Southwestern Virginia. In 1901 he received his degree of B. L. from the University of Virginia, and was admitted to practice in that State in the same year. After being admitted to the bar he became a member of the editorial staff of Michie Publishing Company, Charlottesville, Va., and later edited Pepper and Lewis' Encyclopedic Digest, 2 Pennsylvania at Philadelphia till 1907, when he came to Gastonia to practice.

Judge Jones is a Democrat in politics, and a Presbyterian in religion, being a deacon in Sinking Presbyterian Church, Virginia, from early manhood, and an elder since 1909 in the First Presbyterian Church, of Gastonia, N. C.

As a lawyer he is quiet and unassuming, dignified and graceful—an able and forceful speaker, a very diligent and energetic

ARTHUR CUMMINGS JONES—Alpha  
Grand Historiographer, 1903-05; Grand Princeps, 1905-06

worker. He is the kind of man that always takes the right kind of stand. You can always find him on the side of law and order. Since coming to Gastonia he has enjoyed the confidence of the business world, and has had an ever-increasing clientele.

In 1911 he was elected city attorney, and served in that capacity till 1913, when he was elected Municipal Judge, which office he holds to-day. As a judge he is extremely fair and broad-minded. He is deeply interested in the youth of the country, and always gives the boy or the man, who is down and out, a chance to make good.

When war was declared, being over the age for active service, he associated himself with the Legal Advisory Committee, and was actively engaged in that work until he became chief clerk to the Local Exemption Board, and later a member of that board, at great financial loss. The work of getting Gaston's quota of men to the army under the selective draft fell largely on his shoulders, and the business was dispatched with skill and fairness to all.

He is a firm believer in fraternities, being Past Worshipful Master of Gastonia Lodge No. 369, A. F. & A. M. Also a member of Phi Delta Phi, national legal fraternity, and Pi Kappa Alpha.

In September, 1911, he married Miss Annie Latimer, of Fredericksburg, Va., a daughter of Rev. James F. Latimer, D. D., a Presbyterian minister, and professor in Union Theological Seminary. This union has been blessed with three children.

Judge Jones' success at the bar has been phenomenal. That he is an extraordinary man is a fact that will pass unquestioned. As the viewpoints of those who know him differ, so will their opinions differ as to the extent of his ability and the fineness of his character. Like all remarkable men, he has followed no guide and walked no beaten road. His success has mocked all precedents and defied all rules. A splendid education, a fine judge of human nature, an alert and resourceful mind, and hard work have been his passports to success.

—*Gastonia Gazette.*

## A Chapter Birthday—What Does It Mean?

IX years ago, on October 11, 1913, our chapter of the Grand Fraternity of Pi Kappa Alpha was installed amid various ceremonies, followed by a quiet social celebration.

To many, this fact means nothing, but to those who had worked to bring this about it meant a great deal. So it was that several weeks ago one of these aforementioned brothers suggested that we, in honor of the men who had made our chapter possible, celebrate the birthday of our chapter in some fitting way.

We decided to hold a banquet on the eve of that day, and after this meal each member of the chapter present was to present to the chapter a small gift that he thought would be useful to the house in the times to come. Many suggestions were made as to the kind of gifts that would be appropriate. For the most part, some article of house furnishings or house decorations were thought best.

In our celebration we did not forget that perhaps some of our alumni might wish to join us, so they were invited to share the pleasure—if not in their presence—simply by some small gift.

Thus much interest was aroused among the members, each trying to vie with the other in getting the most appropriate gift, within a nominal sum, of course. We started the evening with much feasting and hilarity, followed by the presentation of the history of the chapter by one of the brothers, who was present at the time of our installation. He related how our chapter had started as an agriculture club, how it was later constituted in a local fraternity, and then gained the final distinction of being a national fraternity, and, best of all, a chapter of Pi Kappa Alpha.

The gifts were then presented by the brothers and groups of brothers. They all promise to be ultra useful, all were different, and all aided a great deal in the appearance of our chapter home. Following this there ensued an evening of pleasure about the house for all the brothers.

Thus was started what we hope to be a permanent institution in our chapter. We beg to present this as a suggestion to sister chapters, in the hope that they will consider it of value and follow our lead. It proved a success to us, and we feel sure it would be a success wherever tried.

CHARLES P. SPAETH, *Beta-Alpha*.

ROBERT M. MCFARLAND, JR.—Alpha-Delta  
Assistant Grand Treasurer, Pi Kappa Alpha Fraternity

## Robert Montford McFarland, Jr.

ASSISTANT GRAND TREASURER OF THE  
PI KAPPA ALPHA FRATERNITY

ON October 15, 1914, a young lad answered an advertisement in the Atlanta, Ga., papers for an office boy, and obtained this position in the office of Robert A. Smythe & Co., cotton merchants.

He very soon showed that he was capable of filling a better position, and was encouraged by his employers to take a course in shorthand writing, in which he progressed rapidly and proved very efficient, and became chief stenographer in that office.

This young lad was Robert Montford McFarland, Jr.

For the last three years he has given almost his entire time to the work of the General Office of the Pi Kappa Alpha Fraternity, being secretary to the Grand Treasurer.

From the very first, he took a deep interest in the Fraternity work and has been untiring in his efforts to help handle the mail, and work of the General Office, promptly each day. During the last year he has also assisted ably in getting out *THE SHIELD AND DIAMOND*, to carry on which additional work it was necessary for the General Office to keep late night hours, and even work some on Sundays.

Robert Montford McFarland, Jr., was born in Henderson, Ky., April 5, 1901, but in 1911 his father moved to Atlanta, Ga., to go into business in that city.

On May 24, 1919, he was initiated into Alpha-Delta Chapter, at the Georgia School of Technology, where, being very ambitious, he was taking a night course in commerce.

Having had several years' training in the Fraternity work in the General Office, he is thoroughly fitted for the position of

Assistant Grand Treasurer, to which he was appointed July 19, 1919. In this office he will be able to relieve Brother Smythe of much of the details in the work, which has increased so enormously in the General Office in recent years.

During Brother Smythe's absence in Europe this summer, he kept the work of the office well up to the mark, and handled in a very efficient manner, as all the chapters know, such of the correspondence as did not require Brother Smythe's personal attention.

He has a very pleasing personality, and we know that all the  $\Pi$ 's will enjoy knowing this enthusiastic assistant of Brother Smythe at the convention in New Orleans next Spring.

## Annual Banquet, Alpha-Delta Chapter, Friday, June 13, 1919

HIS was the first gathering of the Atlanta II's since "before the war," and, notwithstanding the double "hoodoo" of both Friday and the 13th, it was a notable occasion.

An attractive menu card of old gold was at each place, bound together with the symbolic garnet and old gold ribbons.

The first page announced the date and place, and the second page read as follows:

We have with us this evening

After its "full" enjoyment, the toastmaster called the assembly to its feet and paid a glowing tribute to the  $\Pi$ 's who had "paid the supreme sacrifice" over there.

Then the toast was given to the boys of Pi Kappa Alpha who had fought for The Right, and who had not yet come home.

No regular toast list had been prepared, but delightful speeches were made by all alumni present.

The announcement by District Princeps Robertson that he would move to New York, July 1st, to live, caused a feeling of great sadness and regret. Mac Robertson, by his lovable nature and attractive personality, and his wonderful  $\Pi$  spirit, has endeared himself to all  $\Pi$ 's who have been fortunate enough to meet him. He has done a great work for Pi Kappa Alpha, and District No. 4 regrets to give him up. Brother Robertson's going to New York is a fine tribute to his business ability, as the Automatic Sprinkler Company calls him from the management of a district to the head office, in charge of the whole field.

Resolutions of commendation to Brother Robertson for his splendid work in this District and for Pi Kappa Alpha generally; of congratulations on his well-merited promotion; and of heartfelt regret at his leaving us were adopted by rising votes.

J. M. Robinson, to whose untiring efforts the success of the banquet was largely due, was loudly called for, and responded with a red-hot  $\Pi$  speech that was frequently interrupted by applause. He announced Alpha-Delta's determination either to buy or build a chapter house, and that another banquet would be held this fall at which the project would be formally launched.

Information and advice was given the chapter on this subject by Brothers Harry Houser and L. D. T. Quinby, who are active real-estate dealers, and by E. D. Willingham, prominent in the lumber business.

We missed very much Rev. Dr. Wilmer, of Gamma, and Rev. Dr. Flinn, of Theta, who always attended these banquets, and added so much to their enjoyment through their splendid speeches. They were both in France in Y. M. C. A. work. Many other regular attendants were away in army work and otherwise.

Besides the active chapter men, the following were noted at the banquet:

Robert A. Smythe, Lambda.  
Harry Houser, Alpha-Delta.

## Welcome to Miss Atkinson

Cards announce the arrival of Miss Margaret Esther Atkinson, October 10, 1919, at Staunton, Va., at the home of her grandparents, Dr. and Mrs. George H. Thomas.

All  $\Pi$ 's will join in the chorus of congratulations and good wishes to our beloved P. Tulane Atkinson, and to his charming wife.

We hope to see both Mrs. Atkinson and Miss Atkinson in New Orleans next spring at the Convention.

## In Memoriam

**Sidney Mathias Baxter Coulling, Jr.**

PI

Sidney Mathias Baxter Coulling, Jr., was born at Tazewell, Va., July 18, 1890. He graduated from Tazewell High School at the age of fifteen years. In 1912 he graduated from Hampden-Sidney College, taking the debater's medal and orator's medal, one in the Junior and one in the Senior year. In 1916 he graduated from Washington and Lee University, taking the first law prize.

When our Government entered the war, Brother Coulling began his efforts to enter the military service, but was repeatedly rejected because physically disqualified. With a view to making himself physically fit he underwent an operation, and, though still unfit for general military service, he entered the limited service at Fort Slocum, New York, where he had been only two weeks when he was seized with that terrible malady—the flu—and on the 4th day of October, 1918, died as a result thereof.

It was not the fate of this  $\Pi$  that he should fall in battle, but that will not diminish the honor that will forever attach to his name; it will but tend to hallow his memory in the hearts of every Pi Kappa Alpha.

In the loss of this splendid young man, Pi Chapter and the Fraternity at large have lost a zealous member; the State has lost a lawyer of exceptional ability and of sterling character; the church has lost a devout Christian.

## Lieutenant Clovis Moomaw, Pi, Killed by Shell in France, October 5, 1918

First Lieutenant Clovis Moomaw, of Roanoke, was killed by a shell in Bois de Tayes, France, on October 5, 1918, according to

CLOVIS MOOMAW—Pi

a letter received from Dr. B. C. Moomaw, a brother of the officer, who recently went to Europe to investigate the circumstances surrounding the disappearance of his brother. Lieutenant Moomaw was reported officially as "missing in action," and later

as "killed in action." Neither report was confirmed by the War Department to the satisfaction of relatives here, and Dr. Moomaw went overseas to make further inquiry.

The remains of Lieutenant Moomaw, says the letter, were found about noon on May 5th, exactly six months from the date of the casualty. They were lying beside a path in some brush, and apparently had not been touched, the letter continues. Only a gold filling in a right upper front tooth, the color of the hair, the shape of the head, and a wrist watch, bearing the initials of a friend, enabled Dr. Moomaw to identify the remains as those of his lost brother.

Captain Irl Brent, of Roanoke, who is with Company E, 305th Engineers, now in France, joined Dr. Moomaw in the search for the missing officer.

The remains were interred at Romagne, where the United States Government has established a cemetery. Chaplain J. T. Wilcox, of Nashville, conducted the services.

Lieutenant Moomaw spent the greater part of his life in Roanoke. He graduated from the Roanoke High School, and later attended the University of Virginia, from which he was graduated. He also received a degree from Washington and Lee University, and succeeded the late Judge A. P. Staples in the chair of law at the Lexington institution. He was widely known in educational circles. He was a member of the well-known Moomaw family, of Roanoke County, and was decidedly popular. While in the army he was with Company D, 318th Infantry, 80th Division. He had been with the American forces in France since May 1, 1918.

Dr. Moomaw went to France in connection with the Red Cross work. He volunteered his services for a period of six months to this organization on the provision that he be permitted to devote one week of it to the search for his brother.

## Alpha-Eta Heroes

We shudder even as we think of the bloody war in which Capt. A. E. Hamm and First Lieut. J. W. Hatton offered up their lives as willing sacrifices upon the altar of an enduring peace. As they made their supreme sacrifice, so Alpha-Eta of Pi Kappa Alpha Fraternity made her sacrifice; and in her

LIEUT. J. W. HATTON—Alpha-Eta

loss she finds comfort, as their bereaved relatives and friends must find comfort and solace, in the thought that the cause for which they gave and received death—the unity of the world, the freedom from war, “God’s most dreaded instrument,” of the whole race of mankind—was as great and noble as that, when at Lexington the embattled farmers fired the shot which was heard round the world.

CAPT. ARTHUR ELLIS HAMM—Alpha-Eta  
Killed in Action, September 14, 1918  
(Article and Resolutions of In Memoriam in October, 1918,  
issue of THE SHIELD AND DIAMOND)

Alpha-Eta honors these men; no mere words could honor them as the silent, but eloquent story of their tragic deaths. When the fighting was hottest, and the danger greatest, these two departed heroes led their men into the thick of the fray with a valor of the type which have formed and made famous the traditions of the American Army.

Impassioned phrases filled with the emotion and feeling of the most inspired moments of the world's greatest poets can not express the nobleness of the death of these two young men, who went to meet their Maker while life's shadows were yet falling toward the west, as can these few words: "When death comes, what nobler epitaph can any man have than this—that having served his generation, by the will of God he fell to sleep?" and so we speak of these young men; having served their generation, by the will of God they fell to sleep.

They are honored simply as men.

## Frank Herbert Van Saun

### ALPHA-UPSILON

Frank Herbert Van Saun was born in Wincanton, London, England, on the 24th day of June, 1892, of American parentage.

He spent two years at Stevens Institute of Technology, and two years at New York University, where he stood high in scholarship, graduating with the degree of B. S. in C. E., on June, 1916, and the following year received his C. E. degree.

On July 8, 1917, he was united in marriage with Miss Vi McClintic, of Jersey City.

His first war work was with the Turner Construction Company as assistant superintendent of construction at Fort Hancock, building army cantonments; from there he went to Washington for the construction of the Navy and War Departments' office buildings, the largest in the world.

He tried repeatedly to enlist for service, but was refused on account of his important war work, and previous to that on account of poor eyesight. However, in the latter part of October, 1918, he was accepted for Officers' Training School of the Motor Transport Corps, and was to report to Camp Johnston, Jacksonville, Fla. The armistice was signed before he received his call to entrain for camp.

He then was connected with the Traffic Department of the Army Railway Service until his death.

He always enjoyed robust health, and his sudden death was caused by influenza and double pneumonia. He died on January 25, 1919, at Jersey City, N. J., and is survived by his wife.

"Van" stood high in the estimation of his fellow-men, and was of an even temperament.

## EDITORIAL

Our hearts throb with pride as we read the splendid chapter letters in this issue, announcing the brilliant opening of the 1919-20 session in Pi Kappa Alpha's strongholds.

### **The Brilliant Opening of the Session.**

It is indeed a joy to learn of "the largest attendance ever known" at all the colleges; of the fine character of the Freshman Class; of the successes of our chapters in obtaining a full quota of initiates; of the overflowing chapter houses. What a contrast this October and last October!

The letters are brimful of interest, and if you want a good, old-time  $\Pi$  thrill—read them.

---

Stirring news comes from New Orleans of activities, during the months since its selection for our 1920 Convention, in preparation for this great event.

### **New Orleans in 1920.**

Committees have been hard at work, and the plans being worked out promise the biggest time ever given a Convention.

About the first of the year the exact date will be selected by vote of the chapters.

Let every  $\Pi$  start now to make his arrangements to be in New Orleans in the spring of 1920 at our "Victory Convention."

---

The 1915 Convention, in California, authorized the purchase by the Supreme Council of a handsome silver cup, to be awarded each year to the chapter having the highest scholarship record based on 100 as a maximum.

### **The $\Pi$ K A Scholarship Cup.**

The chapter winning this cup three times would own it, and a new one be procured for further contests.

The cup was won by Alpha-Sigma Chapter in 1916.

Since this time it has seemed impossible to secure the record of all the chapters. So many classes were broken up by the

preparation for war and the call to arms, that the registrars have been unable to give the standing in full.

Then, too, many colleges rate the standing by the letters of the alphabet instead of numerically based upon 100 as a maximum.

It behooves the next Convention to devise some plan to overcome this difference in method of rating class standing as between 100, etc., and A, B, C, etc., so that this cup can be properly awarded.

The friendly contest this cup invites is an admirable thing. Let us give thought to the complications arising from the different systems of class rating, and devise plans to adjust same for adoption at the New Orleans Convention next spring.

Last session, owing to S. A. T. C. conditions, great leniency was shown chapters as regards the two contributed articles, required from each chapter for THE SHIELD AND DIAMOND, each session.

**Contributed Articles from Chapters.** One article is to be mailed in October and the other is due in April.

Now that conditions are fully normal, chapters will be expected to adhere strictly to this rule.

So read Rule 2 on the third page of "Calendar," and send in the October article at once.

**The Lateness of this Issue.** This is due to holding forms open to insert chapter letters that came in late.

Notice is given correspondents that this will not be done again.

Chapter letters not mailed on time, as per third page of the "Calendar," will not secure insertion and fines will have to attach.

When in the summer of 1918 his army duties made it impossible for the Grand Editor to edit THE SHIELD AND DIAMOND, this work devolved upon the Business Manager.

**The** From that date to the present time just how  
**Grand Editor** effectively, and in what self-sacrificing method  
**Resumes** our good Business Manager has borne this  
**His Office.** added burden, the last volume of THE SHIELD  
 AND DIAMOND abundantly attests.

In Pi Kappa Alpha's hours of extreme crisis, its pages, filled with the best of reading, carried a full measure of cheer both to our active and alumni members as well.

And once more the Fraternity is called upon to register "another debt of gratitude" to Robert A. Smythe, Acting Editor.

Since leaving the army service the Grand Editor has been hard worked getting back into some business, and so he simply could not give the time necessary to editing our publications. It seems now, however, that he will be in a position to resume his editorial duties with the December issue of the magazine. Yet, such are the demands of his present business that he is taken frequently from his office, and that for several days at a time. Should such a trip come at the time chapter letters were due the Grand Editor would be unable to keep check on them. But since there is one officer who is always at work; whose typewriter knows but one tick, namely, "*Do Something Now*," we will ask our Business Manager to receive the chapter letters for each issue, and to send them en masse to the Grand Editor's office in time to be corrected and published.

*Therefore, chapter correspondents will continue to mail their chapters letters to the General Office, as directed on third page of "Calendar."*

Let us urge that each chapter get busy now on *some good, spicy contributed articles*. We must overcome the weakness now existing in the department of contributed articles. Improve-

ment can be made only by a persistent effort on the part of every chapter to do its duty. (*Read Rule 2, third page of "Calendar."*)

Your Grand Editor wishes to thank the chapters for their undivided loyalty of the past. He hopes and expects to see the old brand of support given him even bettered in the future.

P. TULANE ATKINSON,  
*Grand Editor.*

Hampden-Sidney, Va., October 15, 1919.

## CHAPTER LETTERS

Chapter Letters must be typewritten and mailed to the General Office, 328-331 Trust Co. of Ga. Bldg., Atlanta, Ga., not later than the 15th day of September, November, January, March, and May 1st of each year. Further notice of this rule will not be given. Chapters are liable to fine for failure to observe it.

### ALPHA

#### UNIVERSITY OF VIRGINIA

To our Fraternity at large, and especially to its active chapters, bright with the great hope of a splendid year, filled with an enthusiasm that is to make reconstruction easy, Alpha Chapter extends her best wishes that those hopes may be fully realized.

The University of Virginia is on the threshold of the greatest year in its history. In every department there has been an increase of enrollment from fifteen to twenty-five per cent. Many faces of older men, returned from months of service, mingle with those fresh from the preparatory and high schools. With the former it is a splendid time of reunion with friends long separated from during those trying days of the Great Adventure.

Alpha Chapter looks forward with confidence to a year of unsurpassed success. We have every reason to anticipate a year of great happiness and service in the playing of our part in the life at the university.

Twenty-three brothers have gathered already, seventeen of whom are now living at Memorial Hall, where every room is filled. The house itself is undergoing a vigorous renovation and cleaning. Already a brickwalk, long needed as an approach to the house, has been completed. Papering in the clubrooms has been begun, and another week will find us nicely fixed, and sincerely hoping that we shall have the pleasure of entertaining many brothers here this year.

We have been spending much time during the past week in entertaining and getting acquainted with a great number of splendid prospects. Not in many years has there been such an influx of real fraternity material, and from this number Alpha has high hopes of securing enough young and promising pledges to insure our continued strength in the coming year. Already we have secured three pledges whom we shall be happy to introduce to the Fraternity as brothers in our next letter. They are men who well uphold the high standard of Pi Kappa Alpha.

This year has brought together at Alpha representatives from many different chapters, from Iota, Omicron, Beta, Gamma, Alpha-Delta, and Alpha-Nu. That there is a happy spirit of congeniality prevailing bespeaks well the high standards which exist throughout our entire Fraternity.

We have been greatly aided by, and appreciate very much, the many letters and telegrams from alumni throughout the country. They have been of much assistance in getting to know the new men. Brothers Sandidge, of Pi; Campbell, of Gamma; and Marshall, of Alpha, were actively present during the past week to help us in this all-important matter.

The following are the chapter officers elected and appointed for this year: S. M. C., Jere Malcom Harris Willis; Th. C., Winborne Terry Jenkins; I. M. C., Clay Michie Catlett; S. C., William Franklin Cox, Jr.; M. S., Irvin Gammon Craig; M. C., Robert Ramsey Jones.

There follows a list of our members and their home addresses:

James Archibald Leach, Jr., Richmond, Va.

Frank Dameron Leach, Richmond, Va.

William Potter Sterne, Dinwiddie, Va.

Irvin Gammon Craig, Richmond, Va.

William Franklin Cox, Jr., Anderson, S. C.

Miles Parker Omohundro, Warsaw, Va.

Samuel Henry Preston, Tazewell, Va.

Haynes Graham Preston, Tazewell, Va.

William Nickels, Bristol, Tenn.

Winborne Terry Jenkins, Newport News, Va.

Jere Malcom Harris Willis, Fredericksburg, Va.

Clay Michie Catlett, Staunton, Va.  
Armstead Churchill Gordon, Jr., Staunton, Va.

## BETA

### DAVIDSON COLLEGE

Davidson College opened her eighty-fourth year with the largest student body that has ever entered here, over four hundred and thirty men having registered. Of this number the following eight were on Beta's roll last year:

B. E. Shields, Decatur, Ga.  
J. W. Witherspoon, Greensboro, N. C.  
C. M. McCaskill, Bainbridge, Ga.  
W. Cowles Gaither, Newton, N. C.  
G. R. Harrington, Monroe, La.  
W. W. McCorkle, Uniontown, Ala.  
L. F. Montgomery, Bishopville, S. C.  
V. G. Grantham, Fairmont, N. C.

We also take pleasure in introducing a new brother, Horace Colon Williamson, of Florence, S. C.

Beta lost the following men by graduation: G. P. Scott, who is a banker at Statesville, N. C.; S. M. Gilbert, who is putting the "pep" in Pepsi-Cola, at Newbern, N. C.; J. R. Boswell, who is tilling the soil at Penfield, Ga.; and A. M. Inman, who is buying cotton at York, S. C. The following men of the lower classes failed to return also: J. E. McQueen, who is an automobile salesman at Clio, S. C.; L. W. Fischel and R. E. L. Brown, who are students at the University of North Carolina; and G. P. Apperson, who is attending the University of Tennessee.

The fraternities at Davidson were able to get the one-year rule, imposed by the faculty last year, rescinded, and bid day will be held soon after Christmas. With this fact in view we have been hard at work, and have some fine prospects in sight and lined up. We pulled off a feed and smoker last Thursday night that was a very "howling success" in every sense of the word. We are working with the idea that "quality not quantity" is our aim.

Football is the subject that is foremost in the minds of most of us, and Davidson is certainly going to put out a team this year. With six letter men back, and a big bunch of scrubs that are showing real football ability, not to mention a lot of splendid material from the Fresh Class, we are going to have a team that will equal any that Davidson has ever put out. And that is about all that need be said of any team.

We are glad to welcome Brother Oscar Lane Shewmake, of Gamma, to the faculty of Davidson. Brother Shewmake has accepted the chair of English, and will move his family here within a few weeks.

We have been fortunate in having so many visits from our alumni. Inman, McQueen, Gilbert, and Henderson were here at the opening of school, while J. P. McNeil and J. C. Watkins have been up since. McNeil has entered the University of South Carolina, while Watkins is at the University of Virginia. The following brothers were up last Saturday to see Davidson win a football game 33-0: Frank and Tom Hill, M. R. Adams, and "Social" Scott, from Statesville; and C. S. and M. E. Mattison,

from Charlotte, N. C., and Camden, S. C., respectively. We also enjoyed a visit from Brother P. H. Brown, of Tau, who was thrice welcome on account of the fact that he was accompanied by several members of the fair sex.

Beta sends best wishes for a most successful year to all the sister chapters.

J. W. WITHERSPOON.

## GAMMA

### WILLIAM AND MARY COLLEGE

On September 19, 1919, the venerable old institution launched upon its 226th year. This year we have as our new president, an alumnus of this college, Dr. J. A. C. Chandler, and under his efficient management this college is taking on a new life. Already the enrollment breaks all previous records for this time of the year.

The following returned to Gamma this year:

T. G. Walton, Berkley, Va.

W. T. Henley, Tappahannock, Va.

R. C. Sibley, 341 54th St., Newport News, Va.

F. F. Chandler, Montross, Va.

A. E. S. Stephens, Wicomico Church, Va.

Since our arrival here we have all been hard at work for Gamma, and we take pleasure in announcing the following pledges:

George Stanley Hall, Berkley, Va.

J. Thomas West, Cornland, Va.

Whitehead, a pledge here in 1912, returned this year.

R. Murphy and John Tipton did not return this year, which necessitated a new election which we held immediately. The results follow:

Walton, S. M. C.; Henley, I. M. C.; F. F. Chandler, Th. C.; R. C. Sibley, S. C.; Stephens, M. C.

We have been able with considerable effort on our part to secure an entire house out in town, and we are all going to live in it as soon as we can get settled; but the main problem that confronts us now is getting new furniture. We have spent a great deal for a Victrola and other furniture, and have appealed to our alumni to help; already some of them have responded liberally, and we hope to hear from the others before long.

We are still working hard for this wonderful old chapter, and we hope to be able in our next letter to announce some new pledges.

Gamma extends to all sister chapters her most sincere wishes for a wonderful year.

R. C. SIBLEY.

## DELTA

### BIRMINGHAM-SOUTHERN COLLEGE

The doors of the Birmingham-Southern College opened September 10th. The largest number of students that ever entered the college in any single year during its twenty-one years of existence matriculated. Among this large number of students, however, there were only four sons of old Delta to return.

Only two of these have registered, J. W. deYampert, Scott's Station, Ala., and J. T. Bradford, Atmore, Ala., but we hope to get the names of A. N. Miller and P. M. Norton on the register within the next few days.

Despite the fact that only two active members returned, Delta, through the noble assistance of Brother A. H. deYampert and Brother Hunt, is delighted to announce the following initiates:

Albert Leon Branscomb, Union Springs, Ala.

Perry Dewey Scrivner, Samantha, Ala.

Rufus B. Bagley, Goodwater, Ala.

William Cooper Green, Birmingham, Ala.

We also have four pledges whom we expect to introduce soon. Delta sends best of wishes to all sister chapters, and will be

delighted to meet any brother; should there happen to be any visiting at Birmingham, drop by and meet the sons of Delta.

J. T. BRADFORD.

The University of Tennessee opened the year 1919-20 with over one thousand students enrolled, and Zeta is taking a big part in school activities. Football practice has been going on for nearly a month, and, with sixty candidates, the prospects are bright for a successful football team.

The main game of the year is on October 11th with Vanderbilt at Nashville. A special train is going to be run for U. T. rooters. We are represented on the squad by Bell, and pledges Long, Boone, Francisco, and Wilson.

M. T. Bond is the Cadet Major for this year.

We now have a house mother, Mrs. Dumas, a II sister; her father and husband both being II's.

We are represented on the Glee Club this year by Wadlington, W. W. Bond, S. E. Myrick, E. B. Ezell, and Wade—Wade is president. Pledges Long and R. L. Wadlington are trying out for it.

In the scholarship contest we are climbing steadily, and hope to win the cup next time. We are third, with an average of 75.7.

The chapter was very delightfully entertained by J. H. Norton at his home on Luttrell Street the evening of October 7th.

We had a smoker at the first of the school with about forty old men, pledges, and prospects in attendance. We were able to announce some new pledges as a result.

With best wishes to all sister chapters.

FRANK DAVENPORT.

## ETA

### TULANE UNIVERSITY

The following are the names of those who are to return to Tulane this year:

William Hammett, 2015 Calhoun, New Orleans, La.

Beverly Ferguson, 3448 Chestnut, New Orleans, La.

McLean Ledoux, 1241 Harmony, New Orleans, La.

Frank Elizardi, 2222 Dublin, New Orleans, La.

Randolph Foote, 1421 Constantinople, New Orleans, La.

Tandy Foote, 1421 Constantinople, New Orleans, La.

Caron Ball, 3321 Prytania, New Orleans, La.

Since the session has not opened we can only state a few words concerning the chapter and the college. However, with a majority of the last year's chapter expecting to register at college again, the prospects seem very cheerful for an abundant success this year.

The announcement last week that Tulane will not have an R. O. T. C. unit has relieved anxiety for some and disappointed others. According to the Registrar's Average Scholastic Report of Fraternities we note with modest pride that Pi Kappa Alpha stands *fourth*. This is a considerable higher standing than last year.

Already spectators are watching the work-outs, the passing and punting, and scrimmage of the football squad. Tulane has a very complete schedule this year, and "pep" is the watchword of the least-experienced candidate.

We are working hard for the best Convention yet—1920.

T. Q. FOOTE.

## THETA

## SOUTHWESTERN PRESBYTERIAN UNIVERSITY

Southwestern opened her doors on the 18th of September. With an increased enrollment over last year, with an abundance of Freshman material, and with the return of a majority of the 1918-19 chapter, prospects seem bright indeed for our fraternity activities this session. Six of the nine men of last year's chapter have returned. In addition to these six, Lapsley Lindamood, who received his discharge from the service after fifteen months' service with the Marines, twelve of which were with the A. E. F. at Bordeaux, France, is with us this year, and will receive his degree next June.

The names of the old men returned with their home addresses are as follows:

Percy L. Armstrong, Vaiden, Miss.  
Edward H. Bragg, Biloxi, Miss.  
Paul V. Draughn, Hattiesburg, Miss.  
Albert L. King, Rutherford, Tenn.  
John A. Lindamood, Columbus, Miss.  
S. Lapsley Lindamood, Columbus, Miss.  
Kirby P. Walker, Hattiesburg, Miss.

Southwestern has used her usual discretion in the selection of the students admitted within her sacred walls, and Pi Kappa Alpha has invited only the very best of these selected men to share of the sweet bonds of fellowship and brotherhood. We are pleased to announce the names of the following men as pledges:

Frank C. Ashby, Minden, La.  
J. Lester Bailey, Laurel, Miss.  
Edward Buckley, Byhalia, Miss.  
Britt Hoover, Pickens, Miss.  
Geo. P. Robbins, Jr., Garyville, La.  
Wm. M. Sumrall, Cohay, Miss.  
T. Barton West, Durant, Miss.

Of the old men who returned all are of the Sophomore Class with the exception of two—Lapsley Lindamood, who is a Senior,

and Armstrong, who is a student in the graduate department of the university doing work in mathematics and philosophy.

Coach Richardson began football practice immediately after the arrival of the material, and has been giving intensive training every day since. Of course, the personnel of the varsity team has not yet been determined, but with L. and J. Lindamood, Pledges Bailey and Hoover in the running we are sure to secure some of the positions. An exceptionally fine schedule has been arranged.

S. L. Lindamood is manager of the football team, while Draughn will manage the basket-ball team.

Theta extends greetings and best wishes to her sister chapters.

PERCY L. ARMSTRONG.

## IOTA

### HAMPDEN-SIDNEY COLLEGE

Iota has again convened after the summer vacation, and at the first roll call eight men answered present. Six of these were from the chapter of last year. They are:

R. J. Brittain, Tazewell, Va.  
R. W. Bugg, Farmville, Va.  
W. A. P. Copenhaver, Tazewell, Va.  
A. C. Paulette, Farmville, Va.  
J. Elmo Peery, Tazewell, Va.  
G. R. Turner, Campbellsville, Ky.  
Two were from the chapter of '18:  
John Pryor Atkinson, Champe, Va.  
E. B. Wimbish, Scottsburg, Va.

Since then Iota has gladly welcomed P. C. Adams, who left college in '17 to enter the service.

From the first meeting of Iota her prospects for a very successful year were bright indeed. With Adams added to our number, and with the help of some of our alumni—among whom were C. R. Bugg, C. B. Richmond, H. R. Crockett, T. K.

Parrish, T. J. McIlwaine, (Prof.) A. W. Watkins, and last, but not least, P. T. Atkinson—Iota has pledged and initiated five men:

R. B. Cralle, Farmville, Va.  
C. P. Gillespie, Tazewell, Va.  
D. A. Hurt, Tazewell, Va.  
E. W. Link, Palestine, Texas.  
J. L. Pleasants, Lynchburg, Va.

T. K. Parrish has recently been transferred to Alpha Chapter, and, though Iota regrets the loss of one of her strongest men, Alpha Chapter is to be congratulated on the acquisition of such a man.

Iota wishes all of the sister chapters a year as successful as her own promises to be.

GEO. R. TURNER.

## KAPPA

### TRANSYLVANIA UNIVERSITY

Kappa Chapter wishes to introduce two new initiates:

Walter Warring Mulberry, Sadieville, Ky.  
Albert Benjamin Chandler, Corydon, Ky.

We announce the following pledges:

Carl Fortune.  
Charles A. Dutt.  
Harold L. Pickerill.  
Newland Roy.  
Wm. C. Bower.

The members returned, and their addresses, are:

Harold Kelly, George, Ind.  
John Barclay, Chicago, Ill.  
John A. Martin, Cullman, Ala.  
David Salmon, Madisonville, Ky.  
Morrow Cox, Nebo, Ky.

Forest Wright, Cynthiana, Ky.

James E. Barbee, Owensboro, Ky.

And a transfer from Omega:

Earl Williams, Lexington, Ky.

Besides returning all last year's men except T. H. Bowen, who graduated, Kappa opens the year with James E. Barbee and John Barclay recently returned from overseas, and Harold Kelly, also recently discharged.

The prospects for a good year are most encouraging.

Many of the year's college honors are already going to  $\Pi$ 's. John Barclay has been elected president of the Senior Class, and Walter Mulberry was chosen president of the Junior Class.

Chandler is captain of the baseball team, and John Martin is manager of baseball.

We have every member of the chapter except two out for football, and, with one pledge, it seems that we shall probably have five or six places on the team.

We have recently purchased a new chapter house on North Broadway, the finest residential section of Lexington, and just two blocks from the college. The new house cost \$9,500, and will house sixteen men. We get possession October 1st. Professor Monroe, one of our faculty brothers, will live in the house with us this year.

We are planning a big "House Opening Reception" for October 11th, and hope to have representatives present from Omega and Alpha-Lambda.

We have been favored during the past week by visits from Kenneth Bowen on his way to Columbia, "Bill" Durbin on his way to Michigan, and Henry Martin on his way to Vanderbilt.

Kappa wishes all chapters a successful and prosperous year.

JOHN BARCLAY.

## OMICRON

## RICHMOND COLLEGE

The session 1919-20 at Richmond College, marked by the return to our old home at Westhampton, was ushered in on September 18th. Back among the sheltering pines and overlooking beautiful Westhampton Lake, from which we have been separated for a year, our home-coming is indeed a joyous one.

The following  $\Pi$ 's of last session have returned to college:

W. Ambrose McGee, '21, 1812 Grove Ave., Richmond, Va.

John M. Newton, Jr., '22, Graham, Va.

T. Boyd Washington, '22, Woodford, Va.

Irving T. Duke, '22, 1631 W. Grace St., Richmond, Va.

J. Kenneth Tiller, 2115 Park Ave., Richmond, Va., who was initiated last fall during the S. A. T. C., has also returned and is taking up law this year. We are glad to welcome back Richard Broaddus, '18, West Point, Va., who is also studying law.

E. T. Warner, Horsey, Va., wired us at the last moment that he had made other plans and would be unable to return to college this session. The failure of Brother Warner to return leaves us with only six old men, two of whom are in the law school and will be unable to assist us much in fraternity matters.

B. Walter Leonard and A. W. Garnett, both of whom were graduated from college last year, are continuing their studies at Johns Hopkins University and the University of Virginia, respectively. Brother Leonard is in the medical school, and we feel certain that he will be successful in his chosen work.

We take great pleasure in welcoming Brother Robert Stuart, who has returned to college as professor of romance languages.

E. Vernon Ellett, R. T. Newton, and J. W. Mullan, of last year, did not return this session. Ellett's health, we are sorry to say, made it impossible for him to resume his studies. Newton is principal of a school at Witten's Mill, Va., and George Oliver, one of our alumni, is serving in the same capacity at Stevensville, Va.

A. J. Duval is in the auto accessories business in Richmond, and his close proximity to the campus will make him of great help to us in strengthening and upholding our chapter through the coming months. Although there is left only a small nucleus of men on which to build, we feel confident of success this year, and can assure our sister chapters that Omicron will be there "all present and accounted for" when the count is taken next spring. We are glad to notice among the Freshmen enrolled at college this year Carter Robinson, Addison Duval, and Wayland Newton, all three brothers of  $\Pi$ 's.

The officers for the fall and winter were elected as follows:

W. Ambrose McGee, S. M. C.; T. Boyd Washington, I. M. C.; John M. Newton, Jr., Th. C.; John M. Newton, Jr., M. C.; Irving T. Duke, S. C.

Omicron extends her best wishes to all the sister chapters, and looks forward to a banner year throughout the country for Pi Kappa Alpha.

IRVING T. DUKE.

## PI

### WASHINGTON AND LEE UNIVERSITY

Washington and Lee University opened this session with a total enrollment of five hundred and twenty-five to date. This is the largest attendance in several years. Pi Chapter has returned seven old men to take part in the history of this year's work. The names and addresses of these men follow:

Samuel E. Baylor, Wardell, Va.

Harvey Enloe, Jr., Roanoke, Ala.

Solly A. Hartzo, Atlanta, Texas.

Percy D. Howerton, Lexington, Va.

Lachlan W. MacLean, Gresham Court, Richmond, Va.

W. Paul MacTaggart, Beckley, W. Va.

Harold G. Robertson, Salem, Va.

Pi Chapter has been glad to welcome Tucker Harrison and Henry Baker, who are back on the old campus for the opening hops. An alumnus of Pi, Brother Williams, will be an assistant professor in the law school this year, and the chapter looks forward to pleasant association with him and the charming Mrs. Williams. Brother Robertson will also demonstrate his pedagogic abilities in the management of a class in Freshman English.

Owing to the unusually large attendance this year, and to the difficulty of securing help, several fraternities at Washington and Lee find themselves without a house, and Pi Chapter is among the number. Many students are being obliged to remain at hotels until the situation clears up somewhat.

The football prospects for Washington and Lee are very bright at present, with the return of several old men, and with a squad composed of seventy men reporting daily for the consistent and muscle-loosening practice under Coach Raftery.

Pi Chapter extends hearty good wishes to her sister chapters for the coming year.

SOLLY A. HARTZO.

## TAU

### UNIVERSITY OF NORTH CAROLINA

Back at work again after a delightful summer, Tau sees bright prospects for the coming session.

It is with great pleasure that we announce to the Fraternity the following initiates:

Armistead Lilly Mercer, Wilmington, N. C.  
Lennox Gore Cooper, Wilmington, N. C.  
John Wiley Coker, Rock Hill, S. C.

The following old members have returned:

Gordon B. Crowell, Lincolnton, N. C.  
Edwin S. Lindsey, Tryon, N. C.  
Houston S. Everett, Rockingham, N. C.

Thomas L. Pace, Oxford, N. C.  
E. Scott Hale, Mt. Airy, N. C.  
Paul H. Brown, Chadbourne, N. C.  
Richard G. Coker, Hartsville, S. C.

And we are glad to have with us the following affiliates:

From Alpha-Alpha—

William Maupin, Salisbury, N. C.

From Beta —

Robert E. L. Brown, Chadbourne, N. C.

L. W. Fischell, Chester, S. C.

Carolina's outlook for this year is very good. With a registration expected to total 1,500, and a president, Dr. H. W. Chase, who is just the man the whole university wanted, we expect great progress in many directions.

Our football prospects are also fine. With good new and old material, we look forward to a successful season, and expect to beat Virginia. The game is to be at Chapel Hill on November 27th, and it will give us pleasure to entertain all visiting brothers at that time.

We have lately enjoyed visits from our alumni, "Judge" Warren, "Bishop" Wrenn, and Glenn Holt.

Alpha-Epsilon attended our initiation in a body; we were glad to have them with us.

We wish all sister chapters a most successful year.

R. G. COKER.

## UPSILON

### ALABAMA POLYTECHNIC INSTITUTE

The opening of the fall term of college found Upsilon in fine shape, with the following old men returned:

T. B. Chambers, Athens, Ala.  
H. Walker, Wylam, Ala.  
G. B. Komp, Hattiesburg, Miss.

John Oliver, Columbus, Miss.  
L. P. Oliver, Dadeville, Ala.  
R. L. Salter, East Mulga, Ala.  
C. G. Ollinger, Mobile, Ala.  
R. M. Ollinger, Mobile, Ala.  
J. W. Tidmore, Moundville, Ala.  
T. L. Tidmore, Moundville, Ala.  
P. H. Hardie, Birmingham, Ala.  
C. C. Russell, Fayetteville, Ala.  
S. Rowan, Benton, Ala.  
J. B. Suggs, Lincoln, Ala.  
J. H. Jackson, Largo, Fla. (Transfer from Alpha-Eta.)  
C. H. Baker, Jr., Jacksonville, Fla. (Transfer from Psi.)

The first week found us very busy rushing prospective Freshmen, which resulted in placing the pledge button on four of the finest Freshmen in college, who are real Pi Kappa Alpha material. They are:

B. Tidmore, Moundville, Ala.  
L. C. Case, St. Augustine, Fla.  
W. S. Belcher, Largo, Fla.  
C. E. Esdale, Birmingham, Ala.

Auburn has the largest enrollment the college has ever had. There is some good fraternity material left, and we expect to announce some new pledges in the near future.

Football is the main topic on the campus at present. There are over twenty old varsity men back, who will put Auburn back to where she was before the war. Upsilon is represented on the squad by Rodney Ollinger, of last year's team, and Pledge Case. Case, who was in the inter-allied finals in France, is showing up well.

On account of the new Panhellenic rule we will not have initiations until after Christmas, for a pledge must pass 75 per cent of his first term's work before being initiated.

Our chance for the Panhellenic scholarship cup is extra good. We had four men to graduate last year with distinction and one with highest distinction. Two of those men have returned,

J. W. Tidmore and Chambers, and are instructing in the college while taking postgraduate work. The house will certainly present a fine appearance with the Panhellenic cup and the one offered by the "(Fraternity)."

On the night of September 17th the entire chapter was most delightfully entertained at a barbecue and dance by Mrs. Montgomery at her home near Cusseta, Ala. It was a real old Southern barbecue prepared in the "Old Southern" style. A most pleasant evening was spent, and every one enjoyed Mrs. Montgomery's hospitality.

We have had very pleasant visits from G. R. Bowling, '17; A. F. Alsobrook, '19; Esdale, '09; B. W. Mobley, '19; Randall (Delta), deYampert (Delta), Brown (Alpha-Nu).

Mobley, Alsobrook, and Bowling were a great help to us during the rushing season, for which the chapter wishes to thank them. Mobley was on his way to Boston Tech, where he will take postgraduate work in chemistry. We wish him the best of luck while there. Brown's visit was very enjoyable, for he told us of what the loyal alumni of New Orleans were doing to make the Convention a success. We are always glad to have alumni visit the chapter, and a hearty welcome awaits them while here.

This will be a banner year for Upsilon, we have a fine start, and every member of the chapter is pulling together in a manner that will put Pi Kappa Alpha on top. Upsilon sends greetings to all sister chapters, and wishes them a most successful year.

C. H. BAKER, JR.

## PSI

### NORTH GEORGIA AGRICULTURAL COLLEGE

Psi opened with the following men returned:

Ernest Burns Brooks, 72 Hurt St., Atlanta, Ga.

Charles Wells Lawrence, 695 Edgewood Ave., Atlanta, Ga.

Walter Clifford Futral, Griffin, Ga.

Psi is proud to announce the initiation of:

Henry Moore Broadnax, Jr., 91 W. Fifth St., Atlanta, Ga.

Paul Belton Divver, 507 E. Orr St., Anderson, S. C.

Jason Mays Brock, Jefferson, Ga.

Thomas Matthews Smiley, Jr., Hal Judson Morris, and Palmer Walker Cox, we are sorry to announce, have withdrawn to enter Oglethorpe University at Atlanta.

As Morris was captain of the football team and Smiley also a varsity man, their absence will be greatly felt in athletics. Before leaving Dahlonge, Cox was elected to succeed Morris, but he, too, has resigned. We also have Broadnax and Lawrence, who established a good record on the varsity last year. Divver, from B. M. I., and Pledge Chapman, are promising material for the coming season.

Psi has two alumni on this year's faculty. We have been assured of Barnes' and Peyton's coöperation.

Names of officers elected for coming term:

E. B. Brooks, S. M. C.; W. C. Futral, I. M. C.; C. W. Lawrence, Th. C.; H. M. Broadnax, S. C.

Psi extends to all the chapters most cordial wishes for a most prosperous year.

E. BURNS BROOKS.

## ALPHA-ALPHA

### TRINITY COLLEGE

Alpha-Alpha takes great pleasure in introducing three new brothers, William Ormond Edwards, Ayden, N. C., and William Greenville Pace, Jr., Chapel Hill, N. C., who were initiated during commencement last session, and Linville Kerr Martin, Greensboro, N. C., who was initiated this session.

Trinity opened this year on September 17th with the largest student body in the history of the college. The number being about 750, as compared with about 500 heretofore. The Fresh-

man Class of over 300 contains an unusual amount of good fraternity material, of which we expect to get our full share.

No doubt the friends of Trinity College will be glad to learn that we have again the long-sought-for privilege of playing football, and a squad may be seen on the field at any time. Although we are not able to put out a team this year, there is some good material to be found among the class teams that will be moulded into a team next year. Basket-ball season opens real soon with the best of prospects. We have five "T" men back besides several other likely candidates. Alpha-Alpha will be represented in this phase by Martin and Patton.

Alpha-Alpha is being well represented in the activities of the honorary societies on the park, several of which have initiated recently.

The following brothers now answer the roll:

W. O. Edwards, Ayden, N. C.  
G. M. Ivey, Charlotte, N. C.  
C. H. Lee, Monroe, N. C.  
L. K. Martin, Greensboro, N. C.  
F. C. Patton, Morganton, N. C.  
W. E. Smith, Albemarle, N. C.

The addresses of the men who did not return this year are:

N. E. Edgerton, Jr., 708 Hillsboro St., Raleigh, N. C.  
G. L. Hooper, Atlanta, Ga.  
T. N. Lee, Monroe, N. C.  
R. E. Lee, Monroe, N. C.  
B. H. Leyburn, Durham, N. C.  
W. C. Maupin, Jr., Chapel Hill, N. C.  
J. B. McCullen, 42 W 47th St., New York City.  
N. M. Patton, Morganton, N. C.  
W. G. Pace, Jr., Chapel Hill, N. C.

Alpha-Alpha extends her best wishes for a successful year to all her sister chapters.

C. H. LEE.

## ALPHA-GAMMA

## LOUISIANA STATE UNIVERSITY

The opening of the 1919-20 semester finds eighteen brothers returned to Alpha-Gamma, and every other indication points to the most successful year in our local history. A striking contrast to a year ago when, under the turbulent conditions produced by war activities and the S. A. T. C., only about a half dozen returned. Truly war's aftermath is not being and will not be experienced by Alpha-Gamma this year, and we are proportionately encouraged and enthusiastic. We only hope for all our sister chapters that they are able to speak of similar conditions.

The following men have returned to the chapter:

Hugh W. Bazet, Houma, La.

Warner L. Bruner, Branch, La.

Robert G. Chandler, Shreveport, La.

James U. Galloway, Vivian, La.

James A. Garrett, Eros, La.

W. S. Guthrie, Port Gibson, Miss.

Harry H. Huckabay, Vivian, La.

Andrew R. Johnson, Homer, La.

Joseph K. Langston, Homer, La.

Clinton W. Loe, Liberty Hill, La.

Paul L. Miller, Bernice, La.

Wiley D. Nelson, Lake Providence, La.

H. L. O'Bannon, Homer, La.

W. R. O'Pry, Alexandria, La.

Edward D. Schneider, Lake Providence, La.

C. K. Simms, Donaldsonville, La.

Walter P. Vaughn, Houma, La.

In addition to the above men who returned, Clyde Randolph Brown, of Alpha Chapter, has affiliated with us, and has not only entrenched himself in the affections of the brothers, but has early acquired many friends throughout the university. Alpha-Gamma is always grateful to receive of other chapters men of Brown's type. Brown comes from Eros, La.

The field for operation is unusually broad and promising this year, as the enrollment of the Freshman Class exceeds any of previous years, as does the general enrollment of the university. Alpha-Gamma began her rushing season when she entertained with a smoker at the chapter house. Much promising material was discovered, and Alpha-Gamma promises to get her fair share.

Alumni O. B. Steele and George Favrot, of Baton Rouge, who have only recently returned from overseas, have been very active in their interest in the chapter. This is to be greatly commended, and is extremely encouraging to and deeply appreciated by the chapter. No one thing can be of more assistance to our active chapters than the active and whole-hearted support of our alumni.

Again the highest position of honor in the military department has been achieved by a II. Warner L. Bruner was appointed major of the Cadet Battalion for this year.

Our football season was ushered in Saturday, October 4th, by a game with Southwestern Louisiana Industrial Institute, in which we were easy victors to the tune of 33 to 0. The following Saturday Jefferson College fell before the "Tigers"—score, 39 to 0. With several letter men returned, who were in the service, prospects seem unusually bright for a year of victory without a single defeat. At present football holds complete ascendancy in interest, and, until after Thanksgiving is over, and Tulane, too, falls victim to our "machine," classwork and other schoolwork will be somewhat in the background.

Socially the outlook for the year isn't very bright. By a ruling of the Board of Supervisors there are to be no dances given in the university this year. Also the Dean of Women has promulgated a code of regulations in regard to the co-eds which does not permit of any extensive individual social operations. "Two dates a week—Saturday and Sunday nights—and then only until 10:30 P. M.," has caused a decided decline in speculation on the social exchange.

Alpha-Gamma begins the year with "Greetings" to all sister chapters, and earnestly desiring to see this the greatest year in

the history of Pi Kappa Alpha. Let us all begin this year with unprecedented energy, and consecrated to the attainment of that which is already in sight.

JAMES U. GALLOWAY.

## ALPHA-DELTA

### GEORGIA SCHOOL OF TECHNOLOGY

When September's golden hours brought camps to an end, cut short house-parties, and bade youth once again to take up the age-old pursuit for knowledge, the following good "Pikers" flocked to the fold of Alpha-Delta:

Lawrence Kent, Atlanta, Ga.  
E. D. Parsons, Johnson City, Tenn.  
L. J. Manning, Tallahassee, Fla.  
C. R. Stroup, York, S. C.  
W. H. Herndon, York, S. C.  
R. W. Thompson, Mansfield, Ga.  
R. E. Lynch, Meehan, Ga.  
C. M. Jones, 500 Spring St., Atlanta, Ga.  
W. E. Dobbins, Atlanta, Ga.  
J. O. Shepherd, 100 Sycamore St., Decatur, Ga.  
W. R. Walker, The Prado, Atlanta, Ga.  
D. J. O'Leary, Savannah, Ga.  
C. J. Broyles, Jr., 207 E. Market St., Johnson City, Tenn.  
W. E. Estes, Jr., Athens, Ala.  
Walter F. Cox, Manchester, Ga.  
J. M. Robinson, Montezuma, Ga.  
J. O. Cronk, Savannah, Ga.  
R. M. McFarland, Jr., 3 Greenwood Ave., Atlanta, Ga.  
R. W. Olive, Greensboro, N. C.  
Jno. McClure, Norcross, Ga. (Transfer from Psi Chapter.)  
W. A. Hemphill, Atlanta, Ga.

On arriving these men saw in the unusually large Freshman Class of six hundred and more a chance to get some good material for Pi Kappa Alpha. The alumni flooded us with

telegrams of recommendation and we went to work. As a result of our efforts, we wish to introduce to Pi Kappa Alpha the following brothers:

Eugene Ashcraft Lee, Monroe, N. C.  
Lester Wm. Foley, 1404 Herschel St., Jacksonville, Fla.  
Robert Hemphill Goodhart, 16 Walker Terrace, Atlanta, Ga.  
Stanley Andrew Black, 233 W. Stone Ave., Greenville, S. C.  
Leslie Emerson Gradick, 1513 Forbes St., Jacksonville, Fla.  
Thomas Lawton Corwin, Newark, N. J.  
Ernest Franklin Tibbetts, Hotel Belmont, St. Petersburg, Fla.  
Alban Douglas Strum, St. Petersburg, Fla.  
Jacob Shubert Geitner, Hickory, N. C.  
John Harper P. Cilley, Hickory, N. C.  
Bowen Evans Belcher, Bainbridge, Ga.  
Also Pledges Kent and Roberts.

Tech's football schedule began Saturday, September 27th. We finished the game with Furman at the small end of a 74-to-0 score. Alpha-Delta has three men on the football squad—Lynch, Herndon, and Black.

We expect to place men in practically all the school activities this year. In the "Marionettes," the Tech Dramatic Club, we already have Robinson, Cronk, and Parsons.

On the *Technique* we have Robinson and Cox on the editorial staff and have several Freshmen "trying out."

In the band Pledge Kent has already made a place, and we expect Corwin to do so. Our band of last year was rated the best college band in the South, and men making letters in it should feel honored.

We have good prospects for track and baseball, as Oleary, of baseball fame, is back. He says that he is anxious for the season to start.

When we glance at this wealth of material, we feel proudly confident that Alpha-Delta is launching herself into a record-breaking year.

We send hearty greetings and best wishes to all our sister chapters and every *II* everywhere.

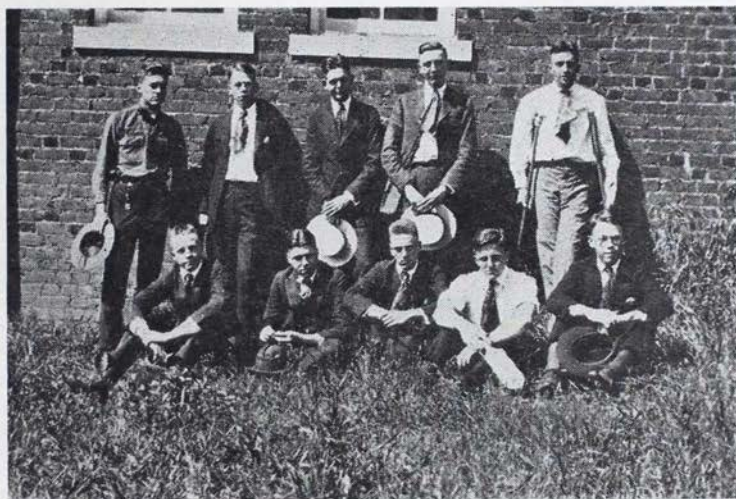

WALTER F. COX.

## ALPHA-EPSILON

## NORTH CAROLINA AGRICULTURAL AND MECHANICAL COLLEGE

Back on the Hill, we are again prepared by our summer's vacation to take up our books and conquer all trials that may arise during the ensuing year. We are delighted to say we lost only two of our brothers. Walker received his "sheepskin" last spring and English is now in the electrical business. We regret very much that we had to give up these two men. It was due to the untiring efforts and tenacity of Walker that this

SNAPSHOT OF ALPHA-EPSILON

chapter was held on its feet during the fall of '17, when so many men left college and entered the service. In English we lost the hardest working man we have ever had in the line of "rushing." The "Alpha-Eps" wish Walker and English a most prosperous year.

Although our chapter was weakened by the loss of those two men it was correspondingly compensated by the addition of Edgerton and Adams. Edgerton is a transfer from the Alpha-Alpha Chapter, while Adams is an alumnus of Beta. Adams is taking a postgraduate course in textile engineering.

It is with great pleasure that we announce the return of Peirson. He left us in '17, and, after spending several months in a training camp, went overseas, and served eighteen months aiding his fellow-countrymen in the great struggle against the barbarous Hun.

McDougal, a member of the '17 Class, is now home after spending many months on the battlefields of France.

Our prospects for Freshmen this year is unusually bright. There are thirteen II's on the Hill. Although thirteen is a "hoodoo" we are confident of getting more than our share of Freshmen.

Football looks very promising. Already the field livens up with the daily practice. We have unlimited football material in the Freshman Class, and fourteen letter men back. Fetzner, who is an old Davidson coach, is training our squad this year. We are represented by Charles and Thomas Park and Nat Peirson. Charlie Park and Peirson are both letter men, so we expect great things of them.

It is the intention of Alpha-Epsilon to make the year 1919-20 a banner year in the history of this chapter. We hope to be represented on every team and club on the Hill. Just recently Park and Pate were taken into "*The Saints*." To be a member of "*The Saints*" is the most highly prized honor that can be bestowed on a fraternity man at N. C. State.

The following is our roll:

N. Edward Edgerton, Hillsboro St., Raleigh, N. C.

M. R. Adams, 303 W. Broad St., Statesville, N. C.

N. D. Peirson, Enfield, N. C.

Joe S. Chamberlain, Hillsboro St., West Raleigh, N. C.

Merryman R. Davis, 300 10th Ave., Charlotte, N. C.

Gaston V. Jones, 106 Lincoln Ave., Newark, N. J.

Edwin Pate, Laurel Hill, N. C.

Chas. Park, West Raleigh, N. C.

Thomas Park, West Raleigh, N. C.

George Peoples, Townesville, N. C.

John A. Stewman, Lancaster, S. C.

William A. Vaughn, Baylan Ave., Raleigh, N. C.

J. Preston Vaughn, Baylan Ave., Raleigh, N. C.

Alpha-Epsilon sends best wishes to her sister chapters, and certainly hopes the year 1919-20 will be a glowing success for all "Pi Kaps."

M. R. DAVIS.

## ALPHA-ZETA

### UNIVERSITY OF ARKANSAS

Pledges :

L. H. Heerwagen, Fayetteville, Ark.

C. B. Boatright, Berryville, Ark.  
Geo. Basore, Berryville, Ark.  
G. L. Church, Little Rock, Ark.  
H. E. Hansard, Fayetteville, Ark.  
V. J. Ptak, Fayetteville, Ark.  
John Skillern, Fayetteville, Ark.  
Clyde Shanon, Grady, Ark.

J. H. Torbett was forced to leave college, but we hope to have him with us again at the opening of the next quarter.

Higgs, who left to go into the service, is back with us again, after seeing nine months' service overseas as a second lieutenant. Higgs will get his C. E. degree this year.

During rushing season Alpha-Zeta was visited by L. R. Byrne, Alpha-Zeta; J. L. McKennon, Alpha-Zeta; and J. E. Casey, Alpha-Zeta.

H. S. Smith was too ill to be with us for rushing season, but he and Brother Byrne gave us nice financial assistance.

Alpha-Zeta extends her sincerest wishes for a successful year to all her sister chapters.

J. S. DANTE.

## ALPHA-ETA

### UNIVERSITY OF FLORIDA

If the future is to be judged by the promises of the present, the coming year for Alpha-Eta will be the most illustrious in history. From the outlook afforded us by the first week of college, we will have a year so full of pleasant experience, and so interwoven with red-letter days, that the ideals for which Pi Kappa Alpha stands will be more fully realized than ever before.

In the first place the chapter has hardly ever returned so many old brothers. It seemed as if we were really two years behind time to see and greet the brothers who served and sacrificed for Uncle Sam. It is to them that we extend our most cordial welcome.

With all the "pep" which few but old brothers can give, Alpha-Eta got on its feet immediately. In fact, there were so many back for football, and on a visit for the rushing, that we were able to stage both a meeting and a dance two days before the formal opening of the university.

It was a matter of much pride to all brothers to see such brothers as Baker, DeVane, Marshall, Dye, and others clothed in gridiron togs. Nowhere else do Alpha-Eta's men acquit

themselves more nobly than on the football field. There they have gained the highest respect and esteem both of their brothers and of the students at large.

Alpha-Eta aims not only at honors on the gridiron, but also at the coveted Interfraternity Scholarship Cup. The good resolutions of both old and new men with regard to studies are undoubtedly greater in quantity and in quality than ever before.

But, above all else, the brothers will hold high the interests of their chapter. Permanently cementing the bonds of brotherhood will be the most privileged and happy task. To that we feel not only bound, but glad to subordinate everything else.

The chapter is pleased to announce the return of the following brothers :

P. O. Baker, Thonotosassa, Fla.  
B. E. Bushnell, Tampa, Fla.  
L. O. Boynton, Bartow, Fla.  
A. E. Carpenter, Orlando, Fla.  
W. H. Cates, Tallahassee, Fla.  
F. M. DeVane, Plant City, Fla.  
R. E. Duckworth, Orlando, Fla.  
C. E. Duncan, Tavares, Fla.  
D. A. Dye, Bradentown, Fla.  
W. B. Hopkins, Tallahassee, Fla.  
R. M. Howard, Tallahassee, Fla.  
B. L. Feaster, Micanopy, Fla.  
L. B. Jones, Jacksonville, Fla.  
F. H. Lecks, Palatka, Fla.  
D. L. Leahy, Jacksonville, Fla.  
A. P. Marshall, Clearwater, Fla.  
A. I. Moseley, Gainesville, Fla.  
J. M. Powell, Jr., Gainesville, Fla.  
R. M. Swanson, Gainesville, Fla.  
T. D. Williams, Jacksonville, Fla.

And also the following pledges :

Morris Bunnell, Orlando, Fla.  
Crom Anderson, Palatka, Fla.

Bryan G. Anderson, Orlando, Fla.

John Dial, Gainesville, Fla.

G. Wayne Gray, Orlando, Fla.

Douglass R. Igou, Eustis, Fla.

T. DUKE WILLIAMS.

## ALPHA-IOTA

### MILLSAPS COLLEGE

We begin this year with the best outlook for the future we have had in many years. All the members of last year have returned except two members of the graduating class, namely, R. A. J. Sessions and G. M. Lester, and Lee M. Russell, an under-classman who has entered the University of Mississippi to take up the study of medicine. Dewey S. Dearman is back to take the M. S. degree, and is also teaching in the preparatory school here. We are also fortunate in having with us Austin L. Shipman, who has been away for two years because of the war.

Our chapter now consists of ten men:

Dewey Stevens Dearman, New Augusta, Miss.

Henry Allen Norton, Logtown, Miss.

Carl Glenn Howorth, Forest, Miss.

William Leon Day, Brookhaven, Miss.

Austin Lucky Shipman, Ruleville, Miss.

William Leonard Kellogg, Boyle, Miss.

Emmett Allen Eaton, Columbia, Miss.

Henry Bascomb Collins, Jr., Onville, La.

Lawrence Cunningham Corban, Fayette, Miss.

John Bledsoe Harris, 1327 Central St., Jackson, Miss.

Burnham Lindsey Kearney, of Flora, Miss., is expected daily.

The attendance this year is larger than it has been in the last few years, and consequently we have a large bunch of Freshmen, who are fine fellows, and Alpha-Iota expects to have her share when pledge day comes.

We are very glad to have in Jackson, John Green and Paul Bellinger, alumni of this chapter, both recently returned from France, and who have been a great help to us.

We are also very grateful for the assistance given by our sisters here, who have all been very loyal.

G. H. Rankin, Marvin Summers, and W. C. McLean, Jr., spent the week-end with us, and gave us much practical and helpful advice.

Wishing the sister chapters the best of luck, we close.

DEWEY S. DEARMAN.

## ALPHA-KAPPA

### MISSOURI SCHOOL OF MINES

The school year opened here on September 1st with a record attendance, and we have entered on what appears to be the most prosperous year the old school has ever experienced.

The chapter has the unique experience of starting off this year with the largest number of old men ever on record.

The chapter has also pledged ten men, eight of whom were initiated on the night of September 19th, and are hereby introduced to the Fraternity:

Bernard Eli Hammer, Staunton, Mo.

Burns Thomas, St. Joseph, Mo.

Irvin Wilson Keyes, Richmond, Mo.

William Sayle Robertson, Grant City, Mo.

William Clark Ziegler, Providence, R. I.

Dudley Charles Schmid, Sedalia, Mo.

Howard Fleck, El Paso, Texas.

William Hampton Baxter, Washington, D. C.

Besides these, we have two more pledges who are to be initiated in a short time.

Of our new initiates, Hammer, Thomas, and Schmid saw service overseas.

The old men who returned are as follows :

Mark Loren Terry, Galt, Mo.

Edwin Lawrence Miller, Kansas City, Mo.

Robert L. Marston, El Paso, Texas.

Russel Wayne Hunt, Independence, Mo.

Peyton Wemyss Smith, Oklahoma City, Okla.

Bruno Rixleben, Jonesboro, Ill.

Otto Ernest Fischer, Jr., St. Louis, Mo.

William Walbridge Weigle, Fredericktown, Mo.

Homer La Kirby Leonard, Rolla, Mo.

Charles Landon Smith, Rolla, Mo.

Glen Sherman Wyman, Kansas City, Mo.

Merton Ira Signer, Tonica, Ill.

Officers elected for the first semester are as follows :

S. M. C., Mark L. Terry; I. M. C., J. P. Colbert; Th. C., Russel W. Hunt.

Though the days of the S. A. T. C. are over we have the R. O. T. C. here for the Freshmen and Sophomores, and Alpha-Kappa is well represented there among the officers and non-coms. E. L. Miller is a first lieutenant, P. W. Smith is a first sergeant, and Wyman, Rixleben, Karges, and Fischer are sergeants, with Hunt as a corporal.

Terry was elected vice-president of the Senior Class, and Thomas vice-president of the Freshman Class.

Burford is on *The Rollamo* board, and Miller and Leonard are members of *The Miner* board.

Terry is vice-president and Miller is secretary-treasurer of the Trowel Club.

Hunt and Leonard are pledges to the "*Satyrs*," a secret Sophomore organization.

Terry, Leach, Hummel, Webb, and Weigle are attending the convention of the A. I. M. E. in Chicago.

P. G. Forman dropped in on us this year with a "better half" to guide his erring steps, and it is the unanimous vote of the chapter there is not a thing wrong with Percy's eyes or judgment.

With a present membership of thirty-four, and with two pledges, the chapter looks forward to, and fully expects, a very prosperous and successful year.

HOMER L. LEONARD.

## ALPHA-LAMBDA

### GEORGETOWN COLLEGE

College opened September 9th, starting the greatest year in its history with the finest prospects ever. The enrollment has eclipsed all previous enrollments, and the personnel of the student body is excellent. The Freshmen are a promising lot.

Last spring was closed amid a blaze of glory. Alpha-Lambda's successes had been plentiful during the school year. The football team was led by Batsel (captain), who had as his associates Lehnhard, Bauer, Powers, and Dean. All these men were regulars. Lehnhard was captain-elect for this year, and Bush was manager-elect, although he failed to return, and therefore resigned. Powers was manager for the basket-ball team, on which Dean was a star forward. Bauer was captain of the State Championship track team, having as associates Lehnhard and Taylor. Nash was manager of the baseball team, of which

Powers was captain, having as associates Dean and Lehnhard, and Pledge Funk. Batsel was manager-elect for the 1920 track season. Bauer was president of the Class of 1919, and Nash was valedictorian. Mullins was the winner of the Kentucky Inter-collegiate Oratorical Cup, and was elected June president of the Ciceronian Society.

With such a record Alpha-Lambda completed last year's work. Every one of Alpha-Lambda's men are proud of this record, too, because it shows that Pi Kappa Alpha is best.

This fall the following old men returned:

John Desha Anderson, Georgetown, Ky.

Paul Moorman Batsel, Central City, Ky.

George Augustus Lehnhard, Jr., Paducah, Ky.

Clyde Vernon Mullins, Paducah, Ky.

Willis Conway Pierce, Jr., Ashland, Ky.

Harvey Boyce Taylor, Jr., Murray, Ky.

We take pleasure in announcing the initiation of Thomas Muir Funk, of Brooks, Ky., and the pledging of:

Courtland Pollard, Port Royal, Ky.

Aubrey Frank Milner, Ludlow, Ky.

Arthur M. Uhl, Millersburg, Ohio.

This year Alpha-Lambda is planning to buy a home. At present the chapter occupies the same house it did last spring, but a lot of improvements have been made. We have as our housekeeper Miss Mayme Caseldine, and with such an influence our chapter house is a real home.

At the first meeting of the chapter this fall the election of officers was as follows:

P. M. Batsel, S. M. C.; G. A. Lehnhard, Jr., I. M. C.; C. V. Mullins, Th. C.

Football prospects are fine. With a line which averages about 200 pounds from tackle to tackle and about 185 pounds from end to end, the "Tigers" will be hard to overcome. Pi Kappa Alpha has a superb representation in the line-up, too. Captain Lehnhard will play one of the halves. Ex-Captain Batsel will play his fourth year at center. Anderson will play full-back.

Pledge Uhl will be in the position of half or end, and Pledge Pollard is slated for a backfield position. Funk has been playing second-string quarter and will sure develop. With five men on the varsity this fall, Alpha-Lambda's men will be due to have some places on the All-State team when the season closes. Never have we had better prospects. Never have we had such successes. It's the Pi Kap spirit that does it—that's all!

We had a delightful smoker at our home on Saturday evening, September 27th. About thirty-five men enjoyed the evening of good "smokes" and general jollification. Alumni Brothers J. W. Anderson and R. G. Hicks have visited us.

The spirit of Pi Kappa Alpha is a dynamic force for good. To our brothers we send our sincerest regards, wishing for them the best of happiness and the greatest of successes.

C. V. MULLINS.

## ALPHA-NU

### UNIVERSITY OF MISSOURI

After spending the summer vacation in many different ways and places, most of the men from this chapter have returned. Alpha-Nu has been very fortunate this year in having twenty-two members back in the chapter:

- C. N. Hillix, Weston, Mo.
- T. O. Mullinax, Princeton, Mo.
- D. G. Warrick, Kansas City, Mo.
- C. P. Ballard, Maplewood, Mo.
- H. E. Chilton, Kansas City, Mo.
- J. C. Brackett, Kansas City, Mo.
- Lester Bailey, Oregon, Mo.
- L. M. Richards, Mexico, Mo.
- C. G. Heidbreder, Kirkwood, Mo.
- W. P. Wilkerson, Mokane, Mo.
- J. W. McHaney, White Oak, Mo.
- H. F. Davis, Warsaw, Mo.

W. A. Hemphill, Kennett, Mo.  
T. H. Baird, Cape Girardeau, Mo.  
J. H. Ballard, Maplewood, Mo.  
E. K. Johnston, Sedalia, Mo.  
P. C. Jones, Kennett, Mo.  
J. W. Price, Princeton, Mo.  
R. W. Elliott, Kansas City, Mo.  
F. C. Long, Princeton, Mo.  
M. E. Bitter, Quincy, Ill.

Every man seemed to have had his eye on good material this summer, and as a result we have at present sixteen pledges:

Truman Mathews, Kansas City, Mo.  
Charles McGeehan, Kansas City, Mo.  
Harold Boyd, Smithville, Mo.  
Ben Hill, Smithville, Mo.  
Willard Russell, Cape Girardeau, Mo.  
Russell Bradshaw, Smithville, Mo.  
George McIntyre, Oregon, Mo.  
Burnard Simmons, Trenton, Mo.  
William Tandy, Columbia, Mo.  
Richard Weber, Kansas City, Mo.  
Victor Weber, Kansas City, Mo.  
John Olsen, St. Joseph, Mo.  
Leon Killian, Portageville, Mo.  
George Davis, Hornersville, Mo.  
Jack Holt, Maryville, Mo.  
Clarence Drumm, Cape Girardeau, Mo.

Unlike many colleges, Missouri University opens the first of September instead of the middle or the last of the month. It seems mighty warm to be taking notes in classes now, but just think of the days next spring when most of us will be on vacations again.

We have had several of the older men visit us during the last few weeks. Harry Bird, of Harrisonville; George Bast, of Mexico; and Russell Hollaway, of Columbia, were here during

rush week. Miller, from Alpha-Kappa Chapter; Dale Ber-  
mont, of St. Joseph; James Bellwood, of Marshall; and Hal H.  
McHaney, of White Oak, have been visiting us.

On the night of September the 12th we gave a smoker at the  
chapter house for the pledges of all fraternities in school. The  
smoker was indeed a success, and it gave all pledges a means of  
meeting each other. We are planning to give a tea on the after-  
noon of October 3d for our chaperon, Mrs. J. C. Forcee, fol-  
lowed by an informal chapter dance that night. This will be  
one of our first social activities. We expect many of the older  
men back for this dance.

This year starts as though it were going to be one of the best  
year's in the history of the college. There will be no S. A. T. C.,  
and we will not be hampered by the lack of old men. When we  
see all of the old faces, and quite a number of new ones, we  
almost forget the past two or three years when nothing but  
military was on the minds of every one.

Alpha-Nu sends greetings and best wishes for all of her sister  
chapters.

LEE M. RICHARDS.

## ALPHA-OMICRON

### SOUTHWESTERN UNIVERSITY

The opening of the first term of school finds Alpha-Omicron  
with fifteen old men returned, and two pledges.

We are sorry that this goes to press before pledge day, but in  
our next letter we hope to announce the pledging of a number  
of new men.

Alpha-Omicron is indeed fortunate to have the chapter house  
again this year, as recently most of the other fraternities have  
had a great deal of trouble in this regard. At present we have  
ten men staying in the house, and later on we hope to add  
several more to this number.

On the gridiron this season we are represented by Edens,  
Rendelman, Camel, and Pledge Kennedy. Pepper is managing  
the team this year.

Like some of the other universities, Southwestern has had no year book for the past two years, due to the fact that the student body voted to place this money in the hands of the Y. M. C. A. This year, however, we expect to have the largest and best *Sou'wester* that the old school has ever had. Pope and Pepper serve in the capacity of business manager and editor, respectively.

The chapter recently enjoyed the visits of two alumni brothers, Baker and Brown, and also that of Robinson, from Delta Chapter. Some valuable advice was given out by these three loyal Pi Kappa Alphas, which, no doubt, will be long remembered.

This year we expect to continue the old custom of having a big "blow out." As usual, this affair will come off the night before pledge day. We hope to have with us on that night "Slim" Brown, who for seven years has never missed the Pi Kappa Alpha cave party. Great preparations are being made for that night.

The men returning this year are:

Marcellus P. Adams, Cameron, Texas.

Carroll Pope, Granger, Texas.

Servie Edens, Bertram, Texas.

Claude E. Triggs, Cameron, Texas.

Bryon McDaniels, Floresville, Texas.

Charles W. Pepper, Atlanta, Texas.

William Schomerus, Iola, Kan.

Ernest Wiley, Liberty Hill, Texas.

Emory Camel, Georgetown, Texas.

M. L. Rendelman, Jr., Austwell, Texas.

Walter Meek, Jr., San Diego, Texas.

Oras Shaw, Georgetown, Texas.

Chapman Davidson, Little Rock, Ark.

Norwood Call, Blooming Grove, Texas.

Harold Lockwood Egger, Greenville, Texas.

Also two pledges whom we expect to introduce soon:

Marvin Kennedy, Beaumont, Texas.

Floyd H. Arnold, Atlanta, Texas.

M. P. ADAMS.

## ALPHA-PI

## HOWARD COLLEGE

Howard College opened with the largest enrollment in its history. The members of the chapter arrived rather late, and as yet we have not attained our normal stride. All indications point to a banner year in athletics for Howard. Alpha-Pi will be ably represented in all branches. On the football team we have O. B. Newman, Price, Acton, McLane, and Morgan. On account of ruling of the Panhellenic Council, we are not able to announce the pledging of any new men.

The returned brothers reported a very profitable summer, and announce their determination to make old Alpha-Pi the best ever.

Alpha-Pi is fortunate in having the following men to return:

Burney F. Acton, Route 4, Birmingham, Ala.

L. P. McLane, Pinckard, Ala.

K. C. Shelburne, Gadsden, Ala.

Max O. King, Ozark, Ala.

C. B. Price.

L. M. Martin, R. F. D. 1 Crossville, Ala.

L. G. Walker, Camp Hill, Ala.

O. B. Newman, Birmingham, Ala.

H. P. Durrett, Gordo, Ala.

W. W. Morgan, Tyler, Ala.

C. E. Hoskins, Montevallo, Ala.

At the last meeting the following men were elected for officers for fall term:

Charlie B. Price, S. M. C.; Lovick P. McLane, I. M. C.; Henry P. Durrett, Th. C.; Kingman C. Shelburne, S. C.; Loftin M. Martin, M. C.; Burney F. Acton, M. S.

Best wishes to all sister chapters.

B. F. ACTON.

## ALPHA-RHO

## OHIO STATE UNIVERSITY

Proud in the ownership of our beautiful new chapter house, a picture of which appears herewith, and with an unprecedented number of active men and pledges returning to school, Alpha-Rho looks forward to the coming year with a degree of enthusiasm which promises big things for the future. We feel deeply indebted to the local alumni chapter, which by its generous efforts has made our new house possible, and has thus contributed so largely to the brightness of our prospects.

McCORMICK HALL—ALPHA-RHO CHAPTER

The new chapter house has been named McCormick Hall in honor of Lieutenant Vaughn R. McCormick, who was killed in action in France in September, 1918. Dedication services were held Sunday, September 21st, led by Rev. Maxim Hall, of Kappa Chapter, pastor of the Broad Street Church of Christ, Columbus.

We are glad to extend a welcome to Hill, Duduit, and Williams, who have been out of college since 1917; and to Brother Finney, who comes to us this year from Beta-Epsilon Chapter. The present chapter roll is:

J. L. Alloway, Columbus, Ohio.

C. H. Buehler, Stone Creek, Ohio.

M. M. Bridgeman, Trenton, Ohio.  
W. E. Clark, Springfield, Ohio.  
R. E. Cronebaugh, New Philadelphia, Ohio.  
W. M. Davis, Oak Hill, Ohio.  
J. C. Dickson, Maysville, Ky.  
A. L. Donnenwirth, Bucyrus, Ohio.

## ALPHA-SIGMA

### UNIVERSITY OF CALIFORNIA

Alpha-Sigma is facing one of the best years that the chapter has yet enjoyed. With a splendid array of new men, and with the greatest encouragement from all the "old boys," only the brightest hopes are entertained for a most promising year.

Among the old boys back from the service, who are again active in the chapter, are Gardner Corey, Ralph Arnot, Marshall Hjelte, Fred Fuller, Jens Petersen, Duncan Graham, and Melville Hester.

The chapter is once again organized on a pre-war basis, with all the old customs and traditions once again in vogue. Freshmen in the process of the strictest training are handling their duties in a way that speaks well for the able supervision of the Sophomores. It is certainly great to see things normal again. The old fireside parties, so popular of old, are again part of our fraternity life. It is good to hear the tales of the boys who saw service, and who were knocked about from one corner of the old battered continent of Europe to the other. The Freshman show, the Big Formal, dances, and intercollegiate sports again hold our attention.

For a number of years Alpha-Sigma has needed a new chapter house to accommodate the growing needs and desires of the brothers. The matter was presented in a formal way to the active men and to those alumni present at the annual banquet toward the close of last semester. The old boys decided that it was their privilege to start things off, and, in a way that bespoke of the interest and loyalty of all Pi Kaps, placed the house fund on an appreciable basis. In the short time that has expired since the banquet, we have on hand \$850 in cash and \$1,250 in pledges. When all of the alumni are heard from the fund should swell to a much greater sum. So encouraged are we that we hope to announce a new address within a short time.

At one of the best initiations that we have ever had eleven new men became Pi Kaps. A week later an informal dance was given in honor of the neophytes, whom we are pleased to announce at this time:

Orville M. Canfield, Chico, Cal.

W. James Costar, Jr., Chico, Cal.

Scott A. Dahlquist, Salt Lake City, Utah.

Samuel W. Daugherty, Oakland, Cal.

Taylor L. Douthit, Oakland, Cal.

William S. Eggleston, Oakland, Cal.

Howard W. Franklin, Los Angeles, Cal.

Robert W. Haley, Oakland, Cal.

Robert K. Hutchison, Oakland, Cal.

Lewis B. Price, Sonora, Cal.

Francis S. West, Bakersfield, Cal.

In addition to the neophytes, Alpha-Sigma is more than pleased to announce that Perry F. W. Nollar, from Beta-Beta, has become one of our happy family.

Athletics are occupying many of the brothers. On this year's football squad Art Eggleston is making a strong bid for a back-field berth. He starred for the Sophomore team in the recent interclass games. Ordie Canfield bids fair to make his presence felt on the Freshman team this year. He played a strong game for the Freshmen in the interclass.

Gardner Corey, Dunc Graham, and Bob Hutchison, all varsity material, are showing up well in fall track practice. In basketball, Pi Kappa Alpha will be well represented. Russ Green, captain of last year's varsity, will be on-hand, as well as Marshall Hjelte, a former member of the famous world champion Y. M. C. A. "Golds." Art Eggleston, captain of last year's Freshman team, will be a strong contender for one of the forward positions.

In face of these facts, together with a splendid revival of the spirit of Pi Kappa Alpha, what more could we ask as evidence of a prosperous year?

The active members are as follows:

W. Gardner Corey, La Jolla, Cal.  
Ralph W. Arnot, Placerville, Cal.  
Edmund F. de Freitas, Oakland, Cal.  
Frank A. Morgan, Sonora, Cal.  
Carleton D. Hulin, Alameda, Cal.  
Alexander D. Powers, Oakland, Cal.  
Marshall Hjelte, Oakland, Cal.  
Willard N. Brown, El Paso, Texas.  
Francis M. Close, San Francisco, Cal.  
Lloyd A. Raffetto, Placerville, Cal.  
W. Rolland Senter, Lemnecove, Cal.  
Frederick T. Fuller, Colfax, Wash.  
Jens L. Petersen, Fresno, Cal.  
Samuel B. Randall, Berkeley, Cal.  
Ernest E. Myers, Oakland, Cal.  
J. Duncan Graham, San Jacinto, Cal.  
Archibald McRae, Chico, Cal.  
Arthur D. Eggleston, Oakland, Cal.  
Steven A. Brophy, Oakland, Cal.  
Gerald H. Gray, Oakland, Cal.  
William J. Lenahan, Berkeley, Cal.  
Norman J. Ronald, Oakland, Cal.  
Elwyn C. Raffetto, Placerville, Cal.  
I. Glenn Doty, Oakland, Cal.  
John B. Craig, Oakdale, Cal.  
Donald J. Gillies, Oakland, Cal.

George L. Bender, San Francisco, Cal.  
Russell W. Kimble, Los Angeles, Cal.  
Nelson A. Ross, Hollywood, Cal.  
Eugene W. Ross, Hollywood, Cal.  
George V. Stead, Los Angeles, Cal.

Alpha-Sigma extends her most sincere regards to her sister chapters.

## ALPHA-TAU

### UNIVERSITY OF UTAH

Owing to the quarter system, which is in vogue at the University of Utah, the school has not yet opened for the year's work.

However, we are all ready for the opening of the school year, and we are better prepared than for the last three years.

The big item of news is the new home that we have just purchased, so that from now on Alpha-Tau will have a permanent address. All II's take note, our address is 169 S. 13th East St., Salt Lake City. Any one coming through Salt Lake should not fail to call, as we have no lock on the door, and there will be some one there at all times. The house is ideally located one-half block from the main entrance to the university campus, and on the main road to the campus. Full detail of the house will follow in a later article.

As yet we have no official list of those that will be back this year, but the following have signified their intentions of returning:

Parley Holman.  
Powell Ipson.  
David W. Goddard.  
Howard Gee.  
Alphonzo Thorumn.  
Eugene Christensen.  
Eugene Gardner.

Irvin Porter.  
Ira Sharp.  
Philip Ayer.  
Kenneth Barnes.  
LaMont Bennion.  
Thereon Bennion.  
Wilder Brinton.

Abe Cannon.	Leland Prouse.
John Q. Cannon.	J. Fred Pingree.
Lyndon Clayton.	George T. Patrick.
George B. Fernlund.	Bryan Thomson.
Ralph Gray.	Adolph Shafsky.
Edmund Howells.	Alfred Troseth.
J. Rufus Jeppson.	John Thorsen.
LaMar Koford.	Clayton Turner.
Grant Macfarlane.	Dean Dinwoody.
Andrew Jacobsen.	Alfred Clawson.
Sidney Parkinson.	Elmer Dean.

Lambert and Johnson, of last year's graduating class, are both pursuing higher education, Lambert at Stanford and Johnson at Harvard.

Freebairn and Nelson are to be absent for about two years, Freebairn in California and Nelson in Great Britain.

In the student body, Shafsky will be back to assume the presidency, and Nelson was elected treasurer, but will be unable to act. Thorsen is the manager of the musical society.

Barnes, Gray, Cannon, Howells, and Thorumn will be out for football.

With between thirty and thirty-five active members back to start the school year, and with a new house, the future certainly looks rosy for Alpha-Tau.

Here's hoping that our sister chapters all have the very best year of their existence.

J. FRED PINGREE.

## ALPHA-UPSILON

### NEW YORK UNIVERSITY

Unfortunately we are again without a chapter house. We were fortunate enough to procure a very fine house for last season, but the irony of fate has compelled us to give it up, as an apartment house is to be erected in its place.

The "Pi Kaps" at the Heights have been living in various other fraternity houses during the summer, and waiting patiently to move their belongings to a new Alpha-Upsilon chapter house this fall. Henrichsen and Nelson are working extremely hard to procure a house for this season and the seasons to come. At the present we can not say whether we will have a house this fall, but our prospects are very bright. However, a house alone does not make a successful fraternity, or even a successful chapter, so let us turn more to the chapter itself.

Jack Buckley, our S. M. C. and foremost man, and we believe one of the greatest men that the Alpha-Upsilon Chapter has ever had, has been graduated with honors such as fall to only a few; Floyd Egan, our I. M. C., who has won a great name in athletic circles, has also graduated; Charles Cremer, our Th. C., and Dwight E. Stinson have graduated with honors; Herman Zeuge, the chairman of the house committee, whose untiring efforts we will miss, is also on the list of graduates, as are Emmet McCarthy and Charles Zeuner. Zeuge surprised us quite pleasantly by announcing his marriage—he had been married for a year, but had not made it known.

We are left with but two active Seniors, and have hopes of having Swann, who has been in France, and who will become the president of the Student Organization, back with us in the fall. We also expect Crowther back; he will then become captain of the track team. Beside the men who are still in service we have twenty active members, all of whom are the pick of the university. Martin Jensen will be the president of the Y. M. C. A. Houser is very influential around the college, and he and Henrichsen will prove a strong factor in reorganizing Alpha-Upsilon this fall. Platt, Goeller, Nelson, and Sarafian are looked upon to fill important places on the varsity football team this year. Driscoll, Sholar, and Parker will fill important literary posts on the various college publications. With men like these on the field, on literary boards, and in places our men will fill as class officers, others will continue to sit up and take notice, as they have been doing in the past.

Alpha-Upsilon had but one summer meeting, but it was a meeting that will go down in history. It was held at Keen's Chop House, New York City. After an extremely satisfying dinner, we were entertained by many of our alumni, who told their experiences abroad. Elmer Galloway gave a mighty fine talk on his experiences in Italy and on Italian customs, glancing occasionally at our Brother "Sal" Phillips. District Princeps J. Lorton Francis and Brother Carlough spoke considerably about an Alumni Advisory Committee, which we think would aid the chapter a great deal in years to come. After a short debate it was decided to temporarily reorganize the Alumnus Chapter in New York City, controlled by men in New York Chapter, regardless of what chapter the members originated from. The temporary officers elected were Charles Miller, president, and Milderd G. Larkin, secretary. A rally in good old "Pi Kap" fashion ended the pleasant evening.

Those present were:

J. Lorton Francis, L. Kellam, R. Kennedy, S. Phillips, W. Webb, D. Gunther, H. Smith, C. Brainard, H. Pontery, W. Ryan, J. McCann, M. Larkin, J. Briggs, F. Starke, C. Crowther, B. Saul, L. Wangerin, F. Hill, J. Singleton, J. Murray, W. Kalehar, C. Miller, E. Galloway, W. Lynch, H. Carlough, R. Berkholz, E. Joyce, G. Elliott, J. Hoskin, H. Zeuge, J. J. Buckley, M. Jensen, E. Henriksen, A. J. Moynihan, W. B. Allan.

We have been honored throughout the summer by the presence of Lloyd A. Kellam, and a short visit by Brother McCanna, both from our New Mexico Chapter, and also by a visit of Brother Robinson from Alpha-Delta Chapter. We hope that all the brothers when in New York, or the vicinity, will avail themselves of the opportunity and pay us a visit, for we wish to become better acquainted with our far-distant brothers.

The members who returned this year are:

Cyril Crowther, Yonkers, N. Y.

Martin Jensen, Passaic, N. J.

Fred Hauser, Hoboken, N. J.

James Driscoll, Brooklyn, N. Y.  
Edward Delaney, Long Island City, N. Y.  
Charles Jaeger, Brooklyn, N. Y.  
Charles Platt, Flushing, N. Y.  
Wm. Sholar, New York, N. Y.  
Haig Sarafian, Yonker, N. Y.  
John Parker, Brooklyn, N. Y.  
Avrid Nelson, Brooklyn, N. Y.  
William Allan, New York, N. Y.  
Frank Goeller, New York, N. Y.  
Eugene Bay, Bronx, N. Y.  
George Mehler, New York, N. Y.  
George McRoberts, Jersey City, N. J.  
John DeMeritt, West Hoboken, N. J.  
Thomas Halligan, Jersey City, N. J.  
David McGourty, Stamford, Conn.  
Arthur Moynihan, Yonkers, N. Y.  
John Kellogg, Yonkers, N. Y.

Alpha-Upsilon extends heartiest greetings to her sister chapters,  
and sincerely wishes all a very successful year.

WM. B. ALLAN.

## ALPHA-PHI

### IOWA STATE COLLEGE

Iowa State College has witnessed by far the greatest enrollment in her career, thirty-five hundred having entered during the three days of registration. Treasurer Knapp predicts a total of forty-five hundred before the registration is completed. The prospects for a winning football team are especially bright with six full teams to choose from. Athletics are to be given an enormous boost here with the construction during the summer of several football and baseball fields, in addition to the regular varsity fields.

Alpha-Phi's prospects for a record-breaking year were never before so favorable. The return of men of two and three years

ago, who have come to finish their courses, has set the house on a pre-war basis. The following brothers are again in school:

George S. Armstrong, 704 W. Adams St., Creston, Iowa.

Albert F. Bauerbach, 1019 Hershey Ave., Muscatine, Iowa.

Kurt J. Buck, 2007 N. 16th St., Omaha, Neb.

Ralph J. Burke, Aurora, Ill.

Arthur L. Bushman, Alden, Iowa.

William P. Crilly, Danbury, Iowa.

Lawrence D. Clock, Geneva, Iowa.

Frank D. Fisher, Corning, Iowa.

Gordon J. Gallagher, East Dubuque, Ill.

Bernard A. Lawler, Cedar Rapids, Iowa.

Herbert G. Metcalf, Ames, Iowa.

Floyd L. Moravets, Ames, Iowa.

Forrest K. Mullins, Adel, Iowa.

Barclay Noble, Ames, Iowa.

Harry R. Schulz, 1315 Locust St., Atlantic, Iowa.

Walter I. Sutcliff, 2 Lily St., Newark, N. Y.

Glenn E. Wright, Macedonia, Iowa.

Daniel L. Wagner, Audubon, Iowa.

W. R. Cook, Jr., Lancaster, Ky.

Our pledges are:

Leslie I. Huffman, 127 High St., Ames, Iowa.

Donald S. Fellows, Lansing, Iowa.

Norbert E. Roggensack, Lansing, Iowa.

William C. Granzow, Alden, Iowa.

James B. Williams, Sommerset, Ky.

Earl J. Drewelow, 194 W. 16th St., Dubuque, Iowa.

Joe Brorby, Madison, S. Dak.

Matthews, who received his discharge from the army, is also back in school to finish the last half-year of his course in dairy. Since his last time here "Matty" has acquired a wife, so that he does not live in the chapter house. He and his wife are, however, delightful visitors, and the chapter enjoys them immensely.

Fisher and Matthews are out for a position on the varsity football team, while Pledges Granzow and Brorby are striving to obtain a place on the Freshman squad.

Arrangements for a dance at the hotel ballroom, and later on a fireside, have been already made. The alumni are backing us strongly this year. Several of them have already come back to help with the rushing, and every mail brings letters offering help and inquiring as to the condition of the chapter.

This is the year in which Alpha-Phi intends to have an anniversary, or a sort of home-coming celebration. It is desired that all the alumni get together again and discuss the needs of the Fraternity.

Alpha-Phi extends her best wishes to all the other sister chapters.

KURT J. BUCK.

## ALPHA-CHI

### SYRACUSE UNIVERSITY

The greatest year in the history of Syracuse University has begun. Alpha-Chi, not to be surpassed, is rapidly climbing the straight and narrow path to the pinnacle of Hill prominence. With the return of twenty-nine of our brothers, and with an exceedingly fine bunch of pledges, there can be no reason why Pi Kappa Alpha will not enjoy a banner year at Syracuse.

It is, indeed, with a great amount of pride that we announce the selection of "Ted" Huntley as varsity track captain for the coming year. This makes the fourth captain, of a varsity team, of which we are proud to boast. He is sure to make a popular and enterprising leader for the Orange tracksters.

"Tommy" Thompson, star guard on the eleven of 1917, is again with us, and seems sure of a position on one of the greatest football teams to ever represent our Alma Mater. "Bill" Rankin, recently returned from the British air service in France, and a German prison camp, has taken up the work of his Senior year in the College of Engineering. "Hep" Hepinstall, after his dis-

charge from the service, did considerable exhibition flying about Bristol, Tenn., and reports some very enjoyable meetings with II's in that vicinity. "Jack" Spry is once more on hand to lead us in our cheering. We sure missed his leadership last year, but he is now making up for lost time.

It is with great pleasure that Alpha-Chi announces the pledging of:

Lewis E. Angwin, Scranton, Pa.  
Lester E. Angwin, Scranton, Pa.  
Arthur H. Love, Syracuse, N. Y.  
Wolcott Ingham, Jamestown, N. Y.  
Worthy Ingham, Jamestown, N. Y.  
Leland S. Gardiner, Syracuse, N. Y.  
Edward C. Darrow, Syracuse, N. Y.

## ALPHA-PSI

### RUTGERS COLLEGE

After two years of general slowness and marking time in and around college, we are now forging ahead. This year Freshman Class is beyond all previous estimation, and the return of ex-service men is very large. Alpha-Psi is riding on the crest of the prosperity sweeping fraternity circles of the college.

We started the year with five Seniors, six Juniors, seven Sophomores, and one Freshman. Of these men several have returned from service. George Perry, ex-'18, from service with the 78th Division; Lukens, ex-'19, from the Navy; Main, ex-'19, from two years overseas with the medical corps; Campbell, ex-'20, from naval aviation; William Briwa, ex-'21, was a lieutenant in the infantry; Messer, ex-'21, was a captain in the Red Cross; and Hubbard, ex-'20, from service with the First Division. All these men are from one to two years behind their classes, but they are back to finish the job.

It is fine to be in a new and commodious house. We are filled to capacity. Tables running to fullest extent give the place a home-like atmosphere, and good eats. It is a relief to have our old cook back again.

The alumni have shown great interest in helping us get started. Moseman, Ralph Hubbard, McClenaghan, McDonald, Booz, Gant, Owen, Hanson, Kittell, Edward Perry, Angus, Lukens, Fred Briegs, and Cunnius have been in for from one to three days' stay. It is a keen pleasure to the active chapter to have these boys drop around. The letters from others on prospects, and wishing us luck, have been particularly helpful.

ALPHA-PSI HOUSE

126 College Street, New Brunswick, N. J.

The directors had a meeting the week college opened, and we are now planning a big house-warming and feed for October 4th. This is the inspiration for a big year. Have the alumni come around in one big body, and they will raise the roof with fraternity and college spirit. We are assured of a rousing meeting and get-together. There can be no finer way to start a year.

We are looking forward with great pleasure and expectations to Brother Smythe's visit. We have looked forward to it since he sailed for England. It is an honor and an augury for the year.

Altogether, this looks like a very prosperous year for Alpha-Psi. With our house full, such a good solid bunch of old men, and unusual prospects for good new material, this should be a banner year for Pi Kappa Alpha in Rutgers.

The following men have been pledged:

Lawrence Elton Swenson, Forrest Ave., Montclair, N. J.

John Woolsey Tellar, Westwood, N. J.

Robert James Colleron, Highlands, N. J.

Victor Love, Woodbridge, N. J.

Gilbert Henry Schade, 458 Third St., E., Twin Falls, Idaho.

## ALPHA-OMEGA

## KANSAS STATE AGRICULTURAL COLLEGE

The long-cherished dream of Alpha-Omega is realized. We at last own our own house, of which we are proud to show a picture. It has been the hope of each one of us to some day have a real house, and this year that dream has come true. We

ALPHA-OMEGA CHAPTER HOUSE

were able to secure the house from one of the former members of the faculty, and it certainly is an ideal fraternity house.

We are extremely fortunate to have so many of the old men back in school again. They are all glad to get out of the army and to get back into college activities:

Russel Vernon Knapp, Norton, Kan.

John Spence Gullledge, Siloam Springs, Ark.

Lester Frank Gfeller, Junction City, Kan.

Harold S. Woodard, Glen Elder, Kan.

George Lowell Kelley, White Cloud, Kan.

Merton Louis Otto, Riley, Kan.

Sherman Floyd Bell, Perry, Kan.

Frank R. Heath, Anthony, Kan.

Herbert S. French, Corpus Christi, Texas.

Carl Francis Uhlich, Wamego, Kan.

Horace Malvern Randells, Anthony, Kan.  
Cecil Vard Moore, Manhattan, Kan.  
Merton Henry Swanson, Manhattan, Kan.  
Clifford F. Joss, Topeka, Kan.  
Carl Fenton Trace, Manhattan, Kan.  
Claire Ansel Downing, Wichita, Kan.

We have just finished up a strenuous rush week, and we announce ten pledges:

Joseph Dwight Smith, Junction City, Kan.  
George Fisher, Sedalia, Mo.  
Oscar Fisher, Sedalia, Mo.  
Ray Decker, Troy, Kan.  
Oscar Kincaid, Troy, Kan.  
Ray Chappell, Norton, Kan.  
Philip Williams, Ottawa, Kan.  
Herman Lee, Anthony, Kan.  
Dale Simonson, Anthony, Kan.  
Donald Corby, Arcadia, Kan.

We have acquired several honors since the June letter. Downing won the championship in the tennis tournament held last spring. The most important honor that we won was the Panhellenic Scholarship Cup. We are all working as hard as we can so that we can win it again this semester.

We also want to introduce our house mother to the rest of our brothers, Mrs. Inez Sargent, of Smith Center, Kan. Mother Sargent is certainly appreciated by the boys, and we hardly know what we would do without her.

Several of the men are out already for football, and we are doing our best to keep up the old Aggie football spirit.

French and Randells are out for the varsity, while we have a number of Freshmen out for the Freshman varsity. Decker, Kincaid, Williams, and Chappell are all out, and they have a mighty good chance to make it.

Alpha-Omega sends her best wishes to all her sister chapters, and hopes that they have all had the best kind of luck during rush week.

CLAIRE A. DOWNING.

## BETA-ALPHA

## PENNSYLVANIA STATE COLLEGE

We closed our last year's activities with a house-party. Many of the old boys were back, but, sad to state, minus their better halves. However, everybody enjoyed themselves, being kept on the jump attending our own social functions, including three dances; also we witnessed two snappy clashes between the State and Carnegie Tech baseball teams, State winning both much to our feminine visitors', as well as our own, delight. The only little affair which did not turn out ideal during the house-party was the defeat of State track team by Pitt. Indeed, taking everything in consideration the house-party meant just a little bit more than usual, and then some, because in it was included a celebration of this outfit's winning the Interfraternity Baseball League, for which we received a large as well as handsome loving-cup, which at present is only waiting to be dusted and shined by the fondling hands of this year's Freshmen. Honestly, this house had so much to be happy about that no wonder the party was the biggest of its kind in the history of this chapter. Following the second defeat of the Carnegie baseball team at the hands of State, both Korb, who had been putting up a sensational game at shortstop all season, and McCallum, who had been assistant manager, were rewarded for their services by being chosen captain and manager, respectively, of State's next year's team. So hear ye: both the captain and the manager of Penn State's 1920 baseball team are loyal, hard-working II's, and we are proud of them. Also it is an assured thing that Mearkle, who was not in college last year, but has returned, will be a member of the 1920 baseball team, as he played varsity ball in 1918.

Pennsylvania State Auditor General, Charles F. Snyder, and his family were included among our house-party guests.

Hocker won his varsity track "S." Fluke and Lynn, now out in the wide, wide world, won their "S" in lacrosse. Spaeth secured his "S" in soccer. Glading missed his varsity soccer "S" because, on account of a shortened schedule, upper-classmen only

received the coveted insignia. The same case held good with Walter, who held down a position on State's lacrosse team. Korb, captain-elect, won his varsity baseball "S." Morrison, Zoller, Machmer, Schryver, Sheneman, Marter, and Davis won their class numerals. The "poster" drawn by Burns was un-animously selected by his class for use in the coming poster night. We may add that this is quite an honor, as the competition was very stiff. As his reward a gold medal was presented to him by his class. Geltz is bidding hard for first assistant football manager. Lindquist, just returned from overseas, is trying hard for a position on this year's football team.

McCallum is now a member of two honorary campus fraternities, Parmi Nous and Sphinx; Korb has two to his credit, likewise Hocker. Korb is also vice-president of his class. Glading is in line for advertising manager of *Froth*, the popular college edition.

Our house had many caretakers this summer. Glading remained here all summer, while McFarland, McCallum, Snyder, and Walter spent the greater part of their vacation in State College. Also Brother Jacobs, Zeta, '17, just discharged from the U. S. Marines, was with us for six weeks this summer. He has accepted a position as principal of the Honesdale (Pa.) High School. Helmkamp, an Alpha-Omega man, visited us during the close of the college year. During the summer our house received many improvements, including a fine new hardwood floor throughout the first floor. "Oh, for a dance now!"

The outlook for Beta-Alpha is so good we can not find words to express ourselves. Lieuts. Loyd, Bradenbaugh, Marvin, and Dyer; Sergets. Lindquist and Skillen, all overseas men, will be back with us again after an absence varying from one to three years. Lieuts. Pugh and Mearkle return after having a year's service in this country. McLaughlin, Ensign, and Agnew, who saw thirteen months' service in the U. S. Navy, will also be back with us. Parnell, a last year Beta-Theta man, has also cast his lot with us. "Tillie" Walker, Beta-Theta, tried hard to be present for Beta-Alpha roll call, September 17th, but was unable

to make it owing to late application to the college registrar for admittance. From all indications we will have a chapter roll of between thirty-five and forty men.

The following is the list of our present active members and their home addresses:

What about these nine hundred Freshmen coming to State? Well, we are going to look them all over, yet not overlook any A-1 men who are worthy to become  $\Pi$ 's. Our house will not accommodate all of our men, so instead of just a Pi Kappa Alpha house there will be a Pi Kappa Alpha settlement in State College, Pa., this year. However, we will miss a few of our men who have informed us they will not be among our number this year. Schryver, '20, enters Penn; Sheneman and Ross have entered business in their respective cities; Fluke, '19, has accepted a position in Akron, Ohio; Lynn, '19, is teaching in the Milton (Pa.) High School; Walt Elder, '16, has entered business in Bellefont, Pa., only a few miles away, and expects to visit us quite often.

We would like to inform the Alumnus Alpha-Kappa Chapter, at Pittsburgh, Pa., that they have Chuck Howell, Beta-Theta, '19, in their midst, but his present address is unknown to us.

The college outlook for this coming school year is the best ever. Athletic material without end, and an enrollment of over two thousand of the pick of the country.

The best of luck, a prosperous year both socially and scholastically is Beta-Alpha's wish to our sister chapters.

CHARLES P. WALTER.

## BETA-BETA

### UNIVERSITY OF WASHINGTON

With the largest enrollment in its history, the University of Washington opened for the fall term on September 26th. The Freshmen Class numbers over 1,800, from which we selected the following pledges:

Gordon Pierce, Great Falls, Mont.

Jack Fairfield, Great Falls, Mont.

Ray Campbell, Great Falls, Mont.  
Ewart Jared, Seattle, Wash.  
De Vaut Jordan, Seattle, Wash.  
Clark P. Bissett, Seattle, Wash.  
Cyril Nutley, Seattle, Wash.  
Kenneth Moore, Hoquiam, Wash.  
Wendell Barnes, Goldendale, Wash.  
Paul Jacobson, Ellensburg, Wash.  
Paul Boyington, Spokane, Wash.  
Fred Olmstead, Couer d' Alene, Idaho.  
Vernon Goetz, De Tour, Mich.  
Oswald Keyes, Bellingham, Wash.  
Lloyd Morgan, Marysville, Wash.  
Sol Voorhees, Yakima, Wash.  
Alfred Guichon, Ladner, B. C.

The following last year's pledges have returned to finish their courses:

Merle Smith, Spokane, Wash.  
Ralph Burnett, Spokane, Wash.  
John Kenneth, Seattle, Wash.  
Arthur Shorey, Hoquiam, Wash.

All the interest has not been centered on the pledges. Beta-Beta has been very fortunate in having some of its members who left at the first call of war in 1917 back again to finish up what they have already started. Gail White was overseas with the 63rd Artillery, C. A. C. Thomas Allen, who was with Base Hospital 50, is back after an absence of nearly two years. Guy Tudor, who left in the spring of 1917, surprised the house the other day by coming back and announcing his intentions of getting the coveted degree.

Cecil Jamieson, captain-elect of the 1919 basket-ball team, will not be back until next quarter. He is helping his father in his business, which accounts for his absence.

Gilbert Reeves will not be on the campus until the winter quarter. He is busy at the present time harvesting Washington's apple crop. He informs us that Christmas will find him back in all his glory.

Ray Nelson, who was an active member last quarter, has, in all probability, left college for good. One of Seattle's business firms enticed him away with an offer of a lucrative position.

Phil Martin has left to enter the fields of scientific farming.

Beta-Beta feels confident that she will have the most successful year in her history. In athletics, as well as in other lines, we have representatives that bid fair to hold their own.

Our plans for athletics along the lines laid down by the interfraternity council are on a wider scale than ever before. The turnouts for the house basket will take place in the near future. Under the guidance of Perry Land, who is chairman of the Athletic Committee and a letter man of the 1919 varsity ball nine, the prospects for a winning team are better than ever before. The plans for the interfraternity track will be carried out along the same lines. While it is too early to make any predictions as to the baseball outlook, it is safe to say that with last year's team back, together with the promising material from the pledges, Beta-Beta will be there at the end.

Turnouts for both the varsity and freshmen football squads were the largest in the history of the college. The first-year men reached the high-water mark of 104 for a single turnout, and have kept that number up remarkably well. The squad is composed of former high-school stars. No definite, or even a tentative, team has been selected as yet.

For the varsity, hopes of a winning eleven seem to appear on an even basis with the rest of the conference squads. A number of letter men who answered the call of war in 1917 are back again, adding new vigor and hope to the others who are already out.

The turnouts for the other major sports is scheduled to be held within a few weeks. Just who Beta-Beta will have out is hard to say, although a number of the fellows have announced their intentions of being there at the finish.

Plans for the social end of the house have been under way for some time. All the dances allowed by the interfraternity council will be given according to the schedules that will be given out in the near future. Included in the social activities are the

meetings to be held in the house by the Mothers' Club. Several programs have been planned in our honor of the mothers, at which times the musical talent of Beta-Beta will be brought into play. Mrs. Osborne is now president of the organizations.

Another feature of Beta-Beta's activities is the fact that our house mother, Mrs. S. B. Starr, is with us. Mrs. Starr has been indispensable to the house, and her advice has helped us along in matters.

At the last election held the following brothers were elected to hold office until the next election: Daniel Oertel, S. M. C.; Harold Haywood, I. M. C.; Perry Land, S. C.; Alfred Harsh, M. C.; James Grant, M. S.; William Morgan, Th. C.

Names of brothers in college this quarter:

### BETA-GAMMA

#### UNIVERSITY OF KANSAS

Beta-Gamma reports the following brothers returned:

Jas. B. Austin, Cottonwood Falls, Kan.  
Glen Ayers, Almena, Kan.  
F. A. Bennett, Topeka, Kan.  
A. H. Bennett, Topeka, Kan.  
Robt. F. Binney, Strawn, Texas.  
T. B. Burris, Conway Springs, Kan.  
Geo. L. Chandler, Topeka, Kan.  
L. B. Cheal, Robinson, Kan.  
H. R. Cress, Clements, Kan.  
H. M. Eagles, Thayer, Kan.  
D. W. Elliott, Lawrence, Kan.  
R. W. Ferguson, Topeka, Kan.  
S. A. Gard, Iola, Kan.  
D. F. Glenn, Robinson, Kan.  
E. E. Glenn, Sedan, Kan.  
F. L. Hockenhull, Lawrence, Kan.  
H. H. Keckley, Agra, Kan.  
W. R. Kell, Lawrence, Kan.  
W. L. Mathews, Kansas City, Mo.  
A. D. McCauley, Robinson, Kan.  
E. B. McKinney, Iola, Kan.  
H. L. Miller, Chanute, Kan.  
J. E. Munden, Iola, Kan.  
Foster Myers, Conway Springs, Kan.  
R. M. Rutledge, Topeka, Kan.

E. A. Thompson, Topeka, Kan.  
H. C. Widmer, Parsons, Kan.  
G. R. Wild, Kansas City, Mo.  
C. C. Willis, Humboldt, Kan.  
T. E. Wright, Independence, Kan.  
W. L. Crutcher, of Beta-Eta.

With the largest enrollment the University of Kansas has ever known, there is an abundance of fraternity material, and we announce eleven pledges:

C. R. Brown, Kansas City, Mo.  
Vaughn Eaton, Almena, Kan.  
Claude Kelsey, Kansas City, Mo.  
Merl Kimmel, Robinson, Kan.  
Russell McCullough, Chanute, Kan.  
Wm. Sproul, Sedan, Kan.  
Gordon Street, Denver, Colo.  
J. B. Taylor, Kansas City, Mo.  
Harold Wall, Sedan, Kan.  
Anton Worrall, Kansas City, Mo.  
Ray D. Young, Almena, Kan.

The fraternity situation at K. U. has never been better. All chapter houses are more than full, and it has been necessary for many fraternity men to find rooms elsewhere. Because of the return of so many old men, the number of pledges in the different national organizations on the "Hill" seems to have run from five to fifteen. Thoughts of past war conditions have been forgotten with the beginning of the new school year, and the assembling of four thousand or more students who are alive with the purpose of putting K. U. on the old-time basis again.

More than ever must the chapters of Pi Kappa Alpha look toward the upholding of such matters as unity of organization, national interests, quality of new men, high scholarship, individual effort, and a real and loyal spirit of brotherhood. Such must be fraternity ideals in the future if we are to meet the many problems arising from increased membership and possible fraternity legislation.

Beta-Gamma has begun to formulate plans with the aim of building a new house in the near future. A committee has been appointed to execute the matter, and some definite action is to be taken at once.

The officers for the first semester are:

Howard Cress, S. M. C.; Hugh Keckley, I. M. C.; Homer Eagles, Th. C.; Erving Glenn, S. C.; Spencer Gard, M. S.; Thorpe Wright, M. C.

Beta-Gamma extends sincerest wishes for a prosperous year to her sister chapters.

SPENCER A. GARD.

## BETA-DELTA

### UNIVERSITY OF NEW MEXICO

An enthusiastic student body, just beginning to return after the summer vacation, is finding many changes in the university. A new president, four additions to the faculty, a new hygiene department, and the new shops building are among the things which will help make 1919-20 a banner year.

The following members returned this semester:

E. Hammond, 824 E. Silver Ave., Albuquerque, N. Mex.  
Chester Boldt, 323 S. Edith St., Albuquerque, N. Mex.  
Leslie Boldt, 323 S. Edith St. Albuquerque, N. Mex.  
Don Richardson, Roswell, N. Mex.  
Ralph Meyers, 417 W. Silver Ave., Albuquerque, N. Mex.  
John Meyers, 417 W. Silver Ave., Albuquerque, N. Mex.  
Edward Cristy, 201 S. Walter St., Albuquerque, N. Mex.  
Lloyd Kellam, 707 S. Arno St., Albuquerque, N. Mex.  
Robert Hopewell, 619, W. Copper St., Albuquerque, N. Mex.  
Edward Lighton, 310 S. Arno St., Albuquerque, N. Mex.  
Frank Neher, 403 S. Second St., Albuquerque, N. Mex.  
W. Sganzi, 512 W. Tigras, Albuquerque, N. Mex.  
Charles Culpepper, Carlsbad, N. Mex.  
E. Moots, Lake Arthur, N. Mex.  
Chalmers Bowers, Almagordo, N. Mex.

Perkins Patton, Clovis, N. Mex.

Ted Pate, Carlsbad, N. Mex. (Not yet registered.)

Milton Davenport, Zeta, Woodbury, Tenn. (Not yet affiliated.)

Bunn, Hammond, and Williams will not be with us this year; Bunn is attending business college, while Hammond and Williams are attending the University of Colorado. Davenport, formerly of the University of Tennessee, and S. C. of Zeta Chapter, is a welcome addition to Beta-Delta. Davenport is a real Pi Kappa Alpha of whom Zeta may well be proud.

The outlook for athletics is unusually bright. The new coach, J. F. McGough, of Colgate, who was All-American tackle in 1910, already has plans for a busy year. Three of our men, Chester and Leslie Boldt, and White, have expressed their intention of going out for football.

The chapter will introduce itself to the new students with an opening student-body dance in Rodey Hall the first Friday of the school year.

R. E. MYERS.

## BETA-EPSILON

### WESTERN RESERVE UNIVERSITY

These are the days when the Freshmen are being royally treated. They do not understand that they soon shall obey certain eccentric mandates of the upper-classmen. Perhaps it is well that they be not disillusioned; for no one should grudge them the joys of "Rushing Week."

Beta-Epsilon is in the midst of this rushing period. Each noon and evening the table knows new men who come to enjoy Pi Kappa Alpha's cordial greetings. Certain of these men will come several times; and some of these, whom we judge worthy, will become brothers.

Last spring the chapter closed with twenty men on its active membership list. Baldwin, Wills, and Hoffman have now graduated, and have positions in the city. Stoffel has received

his degree, and is entering his second year of work at the Western Reserve Law School. Hickling is now a student, for the first year, at the same school.

Scholastically, the work of the Fraternity is high. Stoffel and Wills were entered into the Phi Beta Kappa Fraternity, and are wearing the valued keys of that honorary organization. And despite the large number of Freshmen initiates of last year, the honor of second place was won by Beta-Epsilon among the fraternities of Western Reserve.

Active men of Beta-Epsilon this year are:

Lionel E. Glass, 1828 Windermere St., Cleveland, Ohio.

O. Garland McKibben, 580 Easter Ave., Akron, Ohio.

G. R. Russell, Hamler, Ohio.

John M. Ferenz, 605 Literary Rd., Cleveland, Ohio.

Lyon N. Richardson, Andover, Ohio.

Ivar S. Lindman, 155 New York Ave., Youngstown, Ohio.

Raymond C. Kissack, South Euclid, Ohio.

Frank J. Vokoun, 3289 W. 41st St., Cleveland, Ohio.

Lewis C. Pusch, Sandusky, Ohio.

Ross G. Sweet, Painesville, Ohio.

Hamilton Anderson, 1895 Chapman Ave., Cleveland, Ohio.

Marshal Hugh Cox, 6520 Hough Ave., Cleveland, Ohio.

Ralph P. Howarth, 1415 E. 110th St., Cleveland, Ohio.

Edward E. Kottershall, 3934 Robert Ave., Cleveland, Ohio.

Roland Reichert, 2119 Willowdale Ave., Cleveland, Ohio.

Karl E. Warmeling, 10719 Garfield Ave., Cleveland, Ohio.

All members have returned; Beta-Epsilon has lost none.

As Pi Kappa Alpha again enters upon a new year in the college world, Beta-Epsilon extends to all sister chapters her earnest hope for a successful and profitable year.

LYON N. RICHARDSON.

## BETA-ZETA

## SOUTHERN METHODIST UNIVERSITY

The year of 1919-20 opened September 25th. The enrollment of the two extremes, Freshmen and Seniors, was the order of the day, and our formal opening is Monday the 29th. It is like getting acquainted all over again, after being scattered over the world in various branches of service. Up to date we hardly know the number of men that will return, but nevertheless we are highly pleased over present prospects.

The men who have already reported to the roll call are:

J. L. Wren, Mabank, Texas.  
Clem Tucker, Garland, Texas.  
T. J. Wagner, Wichita Falls, Texas.  
J. M. Gable, Forney, Texas.  
John M. Cook, Crockett, Texas.  
Paul K. Conner, Archer City, Texas.  
Harry S. Devore, Dallas, Texas.  
McHenry Lemon, Dallas, Texas.  
William H. White, Jacksonville, Texas.  
Julian Thomas, Dallas, Texas.  
Knight P. Roddy, Clinton, La.  
Paul Stokes, Crockett, Texas.  
J. R. Bradfield, Dallas, Texas.  
O. W. Moerner, Dallas, Texas.  
E. E. White, Fort Worth, Texas.  
W. E. Gibbs, Dallas, Texas.

We are at our old home on 222 Haynie Avenue. It has been considerably improved with paint and paper. This year will see Beta-Zeta inaugurating a campaign among ourselves and alumni for a chapter house building fund. Perhaps it will not be possible to build during this session, but another year we trust our plans will be realized.

The football training camp commenced two weeks ago with the old stars in the line-up. Kitts, our All-State end, is with the squad, and, of course, will make himself even more famous than

he did last season. The first game is played Saturday with Burleson College. S. M. U. no doubt has never had such a future for a winning team, because it never had such superior men on the field.

The university expects over a thousand students. If dormitory space were available, there would be at least twelve hundred here. The "rushing" has already begun and by to-morrow will be at its height. We have a dinner at the Adolphus to-morrow night for some of our prospectives.

Our greetings to all II's, and best wishes for the greatest year in fraternalism.

WARREN E. GIBBS.

Beta-Eta takes great pleasure in introducing the following pledges:

Kent A. Alcorn, Chicago, Ill.

Charles O. Hoopes, Chagrin Falls, Ohio.

Elmer D. English, St. Louis, Mo.

Reginald H. Coley, East St. Louis, Mo.

Lester M. Eaton, Du Quoin, Ill.

The old fervor that draws the fellows on the athletic field has gripped R. N. Melin, track; S. L. Peterson, swimming; R. H. Coley, Freshman varsity swimming; E. J. Collins and H. O. Sassman, golf; C. O. Hoopes, Freshman football. M. E. Doran has again turned his attention to politics. F. H. O'Donnell and M. L. Deisel are on the *Daily Illini* staff.

C. F. ROAN.

## BETA-THETA

### CORNELL UNIVERSITY

This year we are looking forward to big things concerning both the chapter and the university in general. We are expecting back several good pledges who entered the service shortly after joining us. Also many of the more familiar faces will be seen about the campus, as quite a large number of our old men are expected to return.

Rushing this season will be conducted under the pre-war policy, and so far our outlook is very encouraging.

The following members returned this semester:

Henry C. S. Perry, Jacksonville, Fla.

Louis R. Chapman, Swissvale, Pa.

Robert T. Deming, Elizabeth, N. J.  
Cyril E. Hazell, Alpena, Mich.

James R. Stevenson, Jr., Hobart, N. Y.  
Orlando B. Foote, Jr., Hobart, N. Y.  
Robert M. Volkert, Cincinnati, Ohio.  
James P. McGaughy, Pine Bluff, Ark.

Registration will be very large this term, and gradually we are reaching our normal state both athletically and academically.

Concerning athletics, Romeyn Berry has been elected graduate manager. Also we have obtained the services of the well-known

BETA-IOTA CHAPTER HOUSE  
Beloit College

football coach, "Speedy" Rush, of Princeton, who has promised us big doings. With the return of "Fritz" Shiverick, the famous captain of 1916, we are expecting to have a very successful season in this line of sport.

Beta-Theta extends her sincerest wishes for a successful year to all her sister chapters.

V. J. SNYDER.

## BETA-IOTA

### BELOIT COLLEGE

"Beta-Iota is now properly housed. 910 Broad Street is the new address. The location is most desirable, being upon a paved street, within easy distance of the campus, in the close neighborhood of the Sigma Alpha Epsilon Fraternity, and almost next door to the city tennis courts. But the house itself is the thing of importance. It is one of those kind which give you an impression of stability, compactness, firmness of foundation, if you will. Our imposing name-plate, boldly attached over the front porch, causes the passer-by to look twice and inwardly remark upon the prosperous appearance."

The above paragraph is taken from a so-called "feature story" in the first issue of *The Bond* sent to our alumni. But sister chapters as well will no doubt gain from it some idea of the situation at Beloit this year. College opened October 1st. The legal business making us the owners of the house was completed September 15th. A week later the influx of old men began, and by October 1st everything was in smooth running order, and in readiness for the captivation of prospective pledges. Please meet them:

John Follows, Uttoxeter, England.

Elmer Matzek, Milwaukee, Wis.

John Lascelles, Capron, Ill.

Frank Apel, Logan, Kan.

Blaisdell Gates, Beloit, Wis.

Reinold Anderson, Rockford, Ill.

Wayne King, Watertown, Wis.  
Philipp Bardell, Freeport, Ill.  
Walter Winkenwerter, Berlin, Wis.  
Jesse Lawver, Beloit, Wis.

In addition to these there are five men pledged last spring, previously reported, who will enter school later.

Twenty-one old men are back:

Lester Matzek, Milwaukee, Wis.  
Oswald Eckhardt, Green Bay, Wis.  
Ralph Webb, Beloit, Wis.  
Pliny Porter, Berlin, Wis.  
E. Colin Godwin, Berlin, Wis.  
Norman Wood, Berlin, Wis.  
Earl Rice, Mt. Carroll, Ill.  
Clarence Buck, Beloit, Wis.  
Ralph Jenkins, Beloit, Wis.  
Latane Montague, Milwaukee, Wis.  
Clyde Chapel, South Beloit, Ill.  
Carlton Joy, Fremont, Neb.  
Alfred Joy, Fremont, Neb.  
Edmond Schacht, Racine, Wis.  
Franklin Schacht, Racine, Wis.  
Frederick Schacht, Racine, Wis.  
William Calkins, Freeport, Ill.  
Perry Calkins, Freeport, Ill.  
Stillman Wright, Berlin, Wis.  
Wilbur Picken, Argyle, Ill.  
Edward Steinhoff, Chicago, Ill.

In this respect we rank first. Beta Theta Pi and Phi Kappa Psi are both depleted by graduation of old men, and as a result have been forced to pledge excessively.

The college enrollment is now close to the five hundred mark, which means a banner year for athletics, activities, and social events. The football prospects were never better. "Ossie" Eckhardt, former captain in baseball, and late first lieutenant on the staff of General Mitchell; "Doc" Rice, twenty-two

months overseas; and Eddie Schacht, naval ensign, are among the returned veterans out for a little recreation on the football field. Other men from the house, whose chances are good, are Fred Schacht, a last year's "B" man, Bardell, Picken, Frank Schacht, Gates, and Lascelles.

The first party of the year will occur soon, preceded by an "At Home" to allow the entire college, including the curious co-eds, to inspect the new house.

Several alumni have dropped in to call and to look over their property. Shaw, of Beta-Eta, also made us a pleasant visit. A cordial invitation to do as Shaw did is always open to men from other chapters who may happen to be in our vicinity.

With sincere wishes for increased ties of interest and brotherhood, Beta-Iota concludes the forty-five chapter letters.

ALFRED B. JOY.

## TAU

Joe S. Wray took advantage of his stay abroad to study French schools and French methods of education, as is indicated by a letter recently published in the *Gastonia Gazette*. He is the superintendent of schools in the North Carolina progressive city named. His letter is as follows:

PARIS, FRANCE, April 2, 1919.

It was my purpose on leaving home to write much more often to the homefolks than I have. But, until recently, there has not been time for getting down to writing.

Before I came across many of us wondered at the frequent use of the words, "This is a beautiful country." I wish to explain this. France has green fields at all times. They have rows of trees along their fields and around their roads. The trees and roads are well cared for. The street that runs before my billet in St. Jean d'Asse is 30 paces wide, 10 poles of sidewalks in each side, and 10 paces of macadam street between.

The people are especially thrifty. They have many fine cattle and horses. They are good husbandmen, adding much fertilizer to their fields, and caring well for all their trees, plants, and vines.

It has been my good fortune to see many of our own boys and to spend some time with them. I spent one night with our engineers, and paid several visits to them just before they left. It gave me great joy to be with so many of our fine boys.

Before this, I suppose, Mr. Rankin has told you about our spending the night with our Machine Gun Company.

A few days ago a call came for me to report to LeMans for an educational conference. In this conference it was announced that in the future Mr. Funderburk would have charge of the distribution of magazines. What a surprise was mine to find that the man in question was Roy Funderburk, former superintendent of schools at Mt. Holly.

Spring is coming on apace here, but it still rains and snows. Sunday morning, the 30th of March, there was a considerable snow when I woke, but by the afternoon it was nearly all gone. In spite of this weather the gardens are growing well.

In France they do not wait for the ground to dry. They plow it wet and they plant while it is wet.

It has been good to hear of the balmy weather you have been having at home. I trust that you know how to enjoy it to the fullest.

I am studying French schools and the French system of education, and I hope to be able to tell something of it when I am back in talking distance.

It has given me a great concern that there has been so much sickness, resignation of teachers, and interruption of the schools. But Gastonia must bear in mind that her interruptions are small compared to those of others for the past four years.

Let us hope that the pact for lasting peace may soon be concluded, and that the energies of the world may in the future be spent, not in destruction, but in the bettering and saving the bodies, minds, and souls of men.

Your representative in France.

JOE S. WRAY.

The General Office has received a very interesting report from Rev. W. S. Claiborne, Archdeacon of Sewanee and East Tennessee, giving an account of the finances and investment account of the Diocese of which he is Archdeacon. Brother Claiborne, in this report, gives the following interesting information about his services in the United States Army as chaplain, in which he served as follows:

- (1) From June, 1917, to April, 1918, at Fort Oglethorpe, Ga.
- (2) From April, 1918, to December, 1918, in the 42d (Rainbow) Division, first as chaplain to the Evacuation Hospital, then with the 167th Infantry, also as chaplain.
- (3) From January 1, 1919, to March 1, 1919, as chaplain in the Hospital Center at Remicourt, France.
- (4) From March 1, to May 1, 1919, as chaplain to the 114th Field Artillery.

I have baptized 281 persons, and I have celebrated the Holy Communion during this period some 900 times, of which 420 were public. I have buried during the two years at least 1,400 persons, all but three of whom were soldiers. Exact figures here are impossible, as the Government did not allow us to keep a private record in the field.

There is another member of Chi Chapter in Sewanee, C. W. Underwood, who will be remembered as Grand Secretary some time ago, and also editor of *THE SHIELD AND DIAMOND*, and who still keeps up active interest in the Fraternity.

### ALPHA-ALPHA

The following clipping from the *Asheville Citizen*, of July 22d, has reference to one of the enthusiastic alumni of Alpha-Alpha:

An interesting visitor to Asheville during the week-end was Bolivar Steadman Hurley, of Troy, who was one of the first, probably the first,

of the members of the North Carolina General Assembly to resign in order that they might enter the war. Representative Hurley will be recalled in Asheville as a member of the delegation sent out by the House of Representatives of the State a few years ago to inspect roads in Western North Carolina, under construction by prisoners.

Retiring from the army with the rank of lieutenant, Mr. Hurley was en route to his home at Troy, in Montgomery County. He called on a number of Asheville friends while here. He was in the army two years and three months, saw duty in half a dozen camps and overseas, and retired with a record of perfect health, not missing a roll call during his career as a soldier.

Mr. Hurley was engaged in the practice of law at Troy when elected to the Legislature and when he resigned therefrom. He is a graduate of the Trinity Law School, Durham, and has been active for several years in politics in his part of the State, taking a prominent part in several of the Seventh District congressional campaigns as a speaker. He is a Democrat and was the choice of the candidates of that party in the Montgomery County elections three years ago to present their arguments from the stump.

The *Charlotte Observer*, of September 22d, mentioned the following regarding a member of Alpha-Alpha:

Mr. and Mrs. Sam Gantt, of Beaumont, Cal., who have been spending a few days with Mrs. J. N. Ledford at her home on Central Avenue, left Saturday for Shelby to visit Mr. Gantt's mother. They will return later to Charlotte for a further visit to Mrs. Ledford.

This will be good news to the Rollins boosters, as it will undoubtedly mean the most successful season in athletics Rollins has known for years.

After having completed the officer-training course, Mr. Boyer was appointed athletic officer in charge of Camp Gordon, just outside of Atlanta. He was very successful in his work there, and was promoted to a captaincy. Later he took charge of the work at Camp Jackson and Fort Benjamin Harrison.

Captain Boyer has had broad training in athletic work of all kinds. He was a student in Rollins for a number of years, and is a graduate of the Herrmann Physical Training Institute, Philadelphia, and of the law school of the University of Florida. He is now located in Akron, with the Goodyear Rubber Co., and lives at 121 Myers Ave.

S. B. Creamer is assistant manager of the Coal Ridge Coal Co., Cambridge, Ohio. The Creamers have a son, Robert, about seven months old.

Paul E. Crider was married June 15, 1918, to Miss Esther James, of Columbus. He entered Camp Sherman for training on September 4, 1918, and would have been one of the 95th Division, but received his discharge in December, in consequence of the signing of the armistice. Before and after his

army service he worked in the offices of various architects of this city, and is now located with Mills & Millspaugh, on E. Long St. The Criders live at 14 Huston Fergus Court, and are the proud parents of a baby girl, Lois Maxine, born April 15, 1919.

Robert E. Cronebaugh was transferred from the S. A. T. C. at Ohio State to an Officers' Training Camp at Camp McAllister, Texas, but the armistice came too soon for him to receive a commission. Since his discharge he is again in the university.

Dwight Crufman entered the navy, and was sent to a Navy Officers' Material School, but the war was over before he received a commission.

About A. J. Darius we have heard nothing since the news chronicled in our last issue, at which time he was a second lieutenant in the army, stationed at Camp Zachary Taylor, Kentucky.

Arthur H. Deam served in the navy as draftsman in architectural work during the war, and is now said to be working in New York for a firm of architects there.

Arthur L. Donnerwirth, of Bucyrus, was sent to the Officers' Training Camp at Camp McAllister, Texas, but failed to receive a commission because of the occurrence of the armistice. He returned to school this fall.

E. J. Garmhausen is now assistant physical director for the Peninsula of Virginia War Camp Community Service. Address: 401 First National Bank, Newport News, Va.

Jay R. Geib wrote that he was very anxious to get into the army, but was not permitted to do so. Mrs. Geib, who was a trained nurse and social service worker before her marriage, volunteered as part of a Red Cross Unit organized in China to assist the American and Czecho-Slovaks forces in Siberia. She can speak Bohemian, Slovak, and Polish, and must be especially valuable to the Red Cross, who have taken over all medical and relief work among the Czecho-Slovaks. Geib's address is still Standard Oil Company of New York, Tienisin, China.

Howard M. Gilmore pursues his studies in medicine at Ohio State, and is spending the summer working at the Firestone plant in Akron. Home address: 201 E. Lane Ave., Columbus, Ohio.

Dr. Joe Griffith has just finished the fourth year of his medical course. During the year he not only carried his studies, but acted as interne at Protestant Hospital. During the winter he suffered a very severe attack of diphtheria contracted from a patient in the hospital. For the coming year he has been appointed chief resident physician at Protestant.

Walter W. Grothaus started May 28, 1918, for Camp Gordon, Georgia, to begin military training, but later was sent to Camp Taylor, Kentucky, to receive training for a commission. The armistice was signed before he had time to receive the commission, however. He is now back at his former position in the office of the Secretary of State, Columbus, Ohio.

J. N. Helpbringer, since taking over the superintendency of the Kansas Gas and Electric Co., has been able to increase the efficiency of the power plants of the company so greatly that one barrel of fuel oil now produces 260 kilowatt hours of current,

whereas 150 kilowatt hours was the equivalent of one barrel of oil consumed as fuel before he came. A big raise in salary, and the present of an automobile were the marks of recognition he received for this service.

Louis G. Hill was in the aviation service, and is now back at his home in Brewster, Ohio.

Max B. Hudson entered the navy, and was commissioned an ensign, but saw no deep-water service. He is now back at his former position with the General Electric Co. Address: Lynn, Mass.

C. L. Hutsinpillar writes that he is now sole owner of the Modern Drug, at Prestonburg, Ky. During the influenza epidemic last winter, he and all of his clerks were ill at the same time, and it was necessary to close the store for some weeks.

Neil C. Hutsinpillar is now professor of English at Huron College, Huron, S. Dak., and writes that he likes his new location very much.

Elton M. Kile volunteered for army service early in the war, and was sent to Fort Benjamin Harrison for training as an officer. He received a first lieutenant's commission, and was sent to Camp Funston, Kansas. He sailed for France September 8, 1918, and was attached to Co. A, 806th Pioneer Infantry. He saw front line service for only a few days, and is now safe at home again in Plain City.

C. H. Luethi was one of the first members of Alpha-Rho to enter the aviation service, and one of the first to land in France. He was sent to the Issoudum Pursuit School for training, but as the school at that time had not yet been built, he spent considerable time using a pick and shovel, hammer and saw. After five months' training in flying, he was sent to the front as a member of the 13th Aero Squadron of the 2nd Pursuit Group, attached to the First Army. He took part in the whole of the great battle of the Argonne, but fortunately came back unharmed, reaching America about March 1st. He is now employed by the Standard Parts Co., of Cleveland, as a traveling salesman, organizing Eastern Ohio and Western Pennsylvania for the new jobbing department of the company.

One man only did Alpha-Rho lose in the war, but that man was one whom we could ill spare, Vaughn R. McCormick. Brother McCormick entered the aero service about two years ago, receiving his training at the ground school at Ohio State, and at Toronto, Canada, with the Royal Flying Corps. He was sent to France in February, 1918, and was on active service from July 1st, as a member of the 139th, later as flight commander of the 22d Aero Squadron, until his death, September 12, 1918. Out with his patrol on the morning of September 12th, two German planes were seen, and in the ensuing battle, Lieutenant McCormick became separated from his comrades who returned to the aerodrome. Later Vaughn was seen flying in, and had nearly reached the landing field when his plane crashed. He was dead when picked up, and it is supposed that he was wounded in the action, but managed to fly nearly to the aerodrome before collapsing. Lieutenant McCormick had two German planes to his credit. Following is part of a letter from Capt. R. C. Brigeman, Vaughn's commander: "Your son was in my flight in the One Hundred and Thirty-Ninth Squadron, and when I took command of the Twenty-Second, I brought him into my squadron as a flight commander. In the One Hundred and Thirty-Ninth he and I were together in a long and arduous struggle with two enemy planes, one of which we destroyed, and two mornings later he alone brought down a German two-seater.

He always played the game with enthusiasm and self-sacrifice, and he was ready and glad to die if need be for the cause we are fighting for. I am proud to have been his commander. He was one of the kindest and most courteous men I have ever known. I know that your pride in him will glorify and ease your sorrow. We miss him sorely as a friend and comrade. He is not dead. The dead do not die."

Fred T. McHenry was a sergeant in the Medical Corps, and served in France.

Vinton E. McVicker retains his position as publicity director of the Ohio State Department of Health, and is also acting editor of the Ohio State University *Monthly*. "Mac" was due to leave November 11, 1918, for an Officers' Training School at Camp Grant, but the armistice being signed on that day caused his orders to be cancelled before he started. Residence: 1615 Hunter Ave.

Johnnie Marlowe, after being in the army for about a year, and after seeing several months' service in France, is now back at his home in New Philadelphia, Ohio.

Harry J. Miller was in the Officers' Training Camp at Fort McAllister, Texas, when the armistice was signed, hence he did not receive a commission. Since his return he had been principal of the High School at Plain City, Ohio, and attended the Summer School at Ohio State. Home: Ashville, Ohio. He is taking graduate work at State, and is in the active chapter.

Herman C. Miller, assistant paymaster, U. S. N., is now on duty with the U. S. S. *Pastores*, a transport engaged in bringing back the boys from France. Address: U. S. S. *Pastores*, care Postmaster, New York City.

E. Wood Mills entered the Naval Training School, but was discharged without having been in training long enough to receive a commission. He is now farming near Plain City, Ohio.

Carroll H. Mount entered the army as a first lieutenant in the Ordnance Department soon after war was declared. For about a year he has been stationed at the Aberdeen Proving Grounds in Maryland doing artillery testing work. He will probably be discharged within a few days.

George F. Neeb is head of the Department of History at West High School, Columbus, Ohio.

Harry R. O'Brien left Ames, Iowa, at the conclusion of the school year, to take a position as a writer on farm subjects with the *Country Gentleman*. His work will require a good deal of traveling, especially throughout the Middle West.

L. C. Peterman now lives at 898 Neil Ave., Columbus, Ohio. He is employed by the Ohio Utilities Co. as an electrical engineer, with an office at 1226 Columbus Savings and Trust Bldg. The Petermans have a daughter, Dorothy Anne, born August 19, 1918.

James E. Pollard was married May 8, 1918, to Miss Marjorie Pearson, of Saginaw, Mich. Jimmie had been at Camp Sherman as correspondent of the Associated Press for some months when the 83d Division went across. He secured a commission and went along as intelligence officer, and, so far as we know, is still "over there."

Louis R. Potts enlisted in the Ordnance Department of the army in April, 1918, and was discharged after more than thirteen months of service, eight and one-half of which were in France. Just now he is managing a farm at his home in Moundville, W. Va., but will be principal of the High School at Parnassus, Pa., eighteen miles from Pittsburgh, during the winter.

Ralph W. Pyle is practicing law, in Cleveland, with M. B. and H. H. Johnson, attorneys, with offices in the American Trust Bldg.

Frederick E. Renkert graduated in law at the university a year ago. He was married July 7, 1918, to Miss Margaret Rosalie Shott, of Bucyrus. Entering an Officers' Training Camp at Camp Taylor, Kentucky, he received a commission in the Artillery shortly before the war was over. He is now employed by the Goodyear Tire and Rubber Co., his particular duties being sales promotion, taking care of revenue taxes, contracts, etc.

Fletcher D. Richards spent over a year in the aviation service, receiving a lieutenant's commission, and had received orders to

proceed to France, when the armistice was signed. He is now in business with his brother at the Richards Manufacturing Co., of Swanton, Ohio, making fabricated floor tile.

Raymond A. Rogers continues his medical course, and works during vacations with the Ohio Inspection Bureau, his former employers.

Charles F. Ross, who has been teaching High School in Cleveland, and studying law on the side, passed the State Bar Examination with the second highest grade of any who took the test. The man who made a higher grade is a professor in a law school. "Chuck" has given up teaching, and is practicing law with White, Johnson, Cannon & Neff, attorneys, Williamson Bldg., Cleveland.

Glen K. Schooler entered the army May 31, 1918, and was discharged after just a year of service, nine and one-half months of which were spent in France. His training was received at Camp Gordon. In France he was attached, with the rank of corporal, to the headquarters of the Second Army as troop location clerk. His duties were to keep an accurate account of the location of all troops in the Second Army, using for the purpose pegs in a large map covering the side of a room. Later he was instructor in economics in the Post School at Toul. Home address: 329 W. Ninth Ave.

Murray R. Scott has been with the Bausch & Lomb Optical Co., of Rochester, N. Y., since graduation, the same company as "Bob" Montgomery, and in the same sort of work—ceramic engineering. Their principal work during the war has been the production of optical glass for the Government. Murray's address is 1220 Lake Ave., Rochester.

George T. Secrist went across more than a year ago, but as to his experiences since then we have heard little, except that he saw some hard fighting. As a telegrapher, he was in the Signal Corps.

Sam Stewart writes that his brother was killed in the Battle of the Argonne, October 9th. Sam is still on the farm at Ridgeway, Ohio.

Carroll A. Stubbs, though exempt from military duty by reason of his position as prosecuting attorney of Mercer County, Ohio, enlisted in the army in June, 1918. After a short time at Camp Sherman he was sent to an Officers' Training Camp at Camp Lee, Virginia, and received a lieutenant's commission in the Infantry. While stationed at Camp Upton, New York, he was detailed for courtmartial work for some time. After his discharge in March he returned to his home and his position in Celina. He was married June 7, 1919, to Miss Belva Dine, of Celina.

Russel S. Tobias is employed as pharmacist in the May Drug Co., of Columbus.

Leroy J. Veler held a first lieutenancy in the 147th Infantry, and was stationed at Camp Sheridan until June 18, 1918, when he was sent to France with his command. He participated in some of the hardest fighting of the summer, and is still "over there." Address: Lieut. L. J. Veler, O. P. M., A. E. C. A. P. O. 762, A. E. F., France.

Capt. Milo J. Warner is one of our number who came very near giving his life for our country. Milo received a lieutenant's commission in the Cavalry branch of the Regular Army when the war broke out, and was promoted to captain and transferred to the Artillery. He commanded a battery of Field Artillery in the Second Marne Battle, and, while advancing into action at Le Charnel, near Chateau Thierry, his battery was attacked by two German aeroplanes. Several bombs were dropped, killing one man and wounding thirty-two others, among them Captain Warner, who was hit in seven places by fragments of the bomb. One severed the femoral artery in his left leg, and but for prompt first aid he would have bled to death on the spot. For some days it was about even chances whether he would survive or not, and always there was grave danger that he would lose his leg. But he is now practically recovered, except for a limp, and for the loss of the third finger of his left hand. A son was born to the Warners while Captain Warner was in France. The Warner home is at 3232 Colingwood Ave., Toledo.

Fred P. Weber is farming a 300-acre farm near West Jefferson, Ohio, and getting together a herd of fine live stock. His brother "Bill" is still in the navy.

Elson Wefler was in an Officers' Training Camp at Camp Hancock, Georgia, when the armistice was signed, and is now back at the practice of law in Massillon, Ohio. Address: 318 McClymonds Bldg.

Harold S. Weiser was sent to the Officers' Training Camp at Camp McAllister, Texas, but the armistice came too soon for him to receive a commission. He returned to the university this fall.

Charles L. West was in the same 332d Regiment in Italy with Ted Cowles and Max Chenowith. He is now back at his home near Marietta.

Archie West entered the army May 25, 1918, and received his training at Camp Gordon, Georgia, going from there to France in July. In August he was transferred to Co. D, 28th Infantry Regiment of the First Division, originally a Regular Army regiment. Owing to the fact that this regiment is now being held in Germany, Archie was stationed at Rappach, Germany, for some time, but is now at Beaune, France, in the A. E. F. University, continuing his law studies. He is a Senior this year at Ohio State.

Morgan E. Williams was one of the first members of Alpha-Rho to volunteer for service, entering the army May 10, 1917. He received a lieutenant's commission and was assigned to the 308th Ammunition Train at Camp Sherman. On June 18, 1918, this organization was sent to France, and for some time was stationed at the Army Reception Park at Bordeaux. On September 24, 1918, they were sent to the front, and fought in the Argonne battle until the armistice was signed. Morgan had some very thrilling experiences, but came home safely, and returned to school.

Dr. R. L. Woodruff was in the Medical Corps of the army, served in France, and was recently discharged.

From letter to General Office from P. A. Potter, of Alpha-Phi:

I don't know whether your attention was called to the matter or not, but I thought it might interest you to know that the National Convention of the Sigma-Chi Fraternity was held last week in Des Moines, and I noted by the papers that our brother, Mayor Tom Fairwether, was one of the speakers. He has also been quite active this summer in promoting interest in the Western Baseball League, and in several races at the State Fair Grounds in Des Moines.

On August 27, 1919, Joseph Kirk Folsom married Miss Jessie Elinor Newcomb. Joe is now a real Ph. D., and is assistant professor of economics at the University of Pittsburgh.

"Chippy" Coleman has just returned from M. P. duty in Paris, and has resumed his job as professor of English and athletic coach at the Asbury Park High School.

George Lilly is connected with a Marine insurance house in New York City. He is adjutant of the American Legion Post, at Ridgewood, N. J.

George Alexander MacDonald is connected with the production department of the Howe Rubber Co., in New Brunswick. In the industrial meet of the city a few days ago, Mac romped away with the mile.

Willis Crowell McCleneghan will resume his studies at Princeton after eighteen months in France.

Charles Briwa is professor of agriculture at the Hackettstown (N. J.) High School.

## BETA-DELTA

We see by the paper that Joe McCanna has been made assistant cashier of the State National Bank. Taking into account that Joe was in school only a few years ago, and was in the service for some time, this is a rapid rise; we know he belongs there, and will make good.

Ray, another member of the McCanna family has returned from Harvard, where he has been taking postgraduate work. He will enter his father's office.

We notice that the old firm of "D. K. B. Sellers, Real Estate," has been changed to "D. K. B. Sellers & Son, Real Estate." The "Son" is going to be a real competitor for some of the other brothers in that business.

"Fiji" Newman is now connected with the U. S. Forest Service here. Although his work is in the field, he has to drop around to tell us "hello" once in a while. There are several rumors about "Fiji" which we are inclined to believe; anyway, there will be another man "lost" from the old gatherings.

Leo Murphy returned last week from overseas. He is a member of a local clothing firm, and, after a little vacation, will be hard at work again. Leo has always been one of our hardest workers, and we are more than glad to see him again.

The oil business seems to have quite a fascination for Beta-Delta men:

Jimmy Hoover is with the firm of "Kirk & Hoover, Consulting Geologists." An article in the last *Oklahoma Oil News* speaks of these men as being of the few geologists to back their own investigations. His address is Box 1592, Tulsa, Okla. The General Office enjoyed a visit of this good brother during October, when he attended the Confederate Reunion, in Atlanta.

Chet Crebbs, according to the latest news, is going to brave the perils of Mexico, conducting surveys for a large oil concern.

Herh Shelton, after just returning from France, is on his way to join Kirk and Hoover. This looks as if it would be a strong combination.

Fred Luthy and Paul Dieckmann are in Texas doing a little scouting on their own "hook," and, from all indications, are making a success of it.

James Wroth has opened an office in New York City, and is becoming a mining engineer of some note. He recently made a trip to Portugal in the interests of some prominent mining men of this country.

"Wick" Miller has been placed in charge of the L. B. Putney Store at San Ysidro, N. Mex., a small, in fact, very small, village. According to "Wick," he has acted in the capacity of judge, mayor, and about everything else possible.

#### BETA-THETA

Charles Henry Fowler, who served with the U. S. Engineers in France, as a first lieutenant, has resumed work with his former employers, Fred T. Ley & Co., Inc., who have a contract to build three 7,500-ton reinforced concrete ships, at Mobile, Ala.
