Midst strife and fight and contest of this world,
Midst envies deep and jealousies unbrooked,
Midst Fortune's change which tokens change of friends,
Midst graspings for self-power and own-aggrandizement:—

May we so dedicate our chapter life
That all within its doors shall peaceful be
And sweet—a Haven where, to congregate,
Means true fraternity—a radiant place
Where rules the heart of all that's best and good:
Where Love's own shrine is worshipped all-devout;
Serene within, and to the world outside
An emblem of approaching perfect code
Of conduct—fulfilled Home of all Ideal.

### Is Study a Lost Art in the American College?

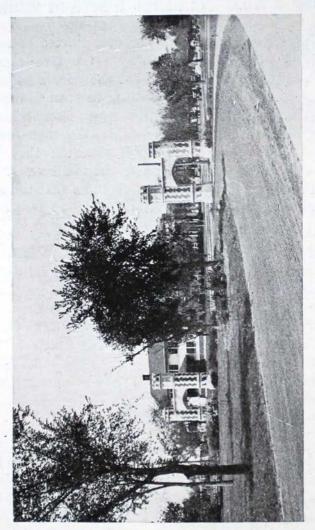

HERE has much been written of late to throw the blame on the Greek Letter Fraternity men for the poor scholarship found on the College campus to-day. It is natural that the impression should get abroad that the fraternity men are the

leaders in poor scholarship simply because they have numerous social functions in their chapter houses, keep rather late hours, have many distractions that the average college man would not have.

The investigation of the scholarship at one college proves that this is not a correct impression, although there is not much that can be said for high scholarship of the fraternity men. It is just this, that in comparison with the other students on the same campus they make a better showing in scholarship. It is very true that an average of 80, when there are fifteen students in a student-body of 450 that average 95 on the same system of grading and when sixty-three Seniors average 88, is not a high average, but it is better than 75, which represents the standing of non-fraternity men.

Six years ago it is doubtful if the fraternity men would have made as good showing, for the pressure of the leading officials of our fraternities, the influence of scholarship cups offered by chapters and Conventions must have great weight in determining that every man in a fraternity chapter must make a respectable showing in order to save his chapter from going on the black list.

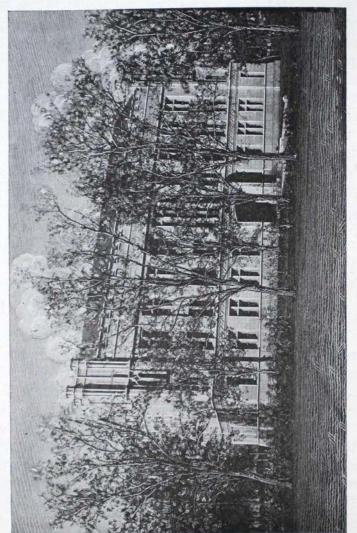

We say again that the scholarship of fraternity men is nothing to brag on, but it is better than that of the nonfraternity crowd on many a college campus to-day.

"The Gates of Opportunity," University of Oklahoma.

Now, we are ready to raise the question, Is study dropping out in the modern college? Verily, it seems to be true that scholarship no longer engages the attention of the youth that hies himself to the shades of our institutions of higher learning. It has been noted over and over again that the average college youth has no ambition to stand well in his classes, nor does he seem to have any very great zeal for acquiring knowledge. He wants his degree as this seems to spell future success for him, but this is all he is after. The learning that is supposed to go along with it is considered of very little importance these days. In fact, the average college student has very little regard for the curriculum of his college. He rather thinks this is a scheme gotten up by an antiquated set of teachers that are not after all very practical men. Certainly none of them ever succeeded in business. would they know about arranging a schedule of studies that will fit a modern man for success in the business world? This is shown by the way in which students will jump at any new course that purports to be adapted to modern needs. You see the old idea of mind training is dropping out. Modern college students, who know how necessary it is to train every muscle, if one is to succeed in the athletic contest, never seem to apply the same reasoning to the training of the mental faculties, so we men of the college are up against it. We think we have something good and the majority of men that succeed in business and nearly all of the "Who is Who" crowd have what we offer and yet our students turn up their noses at it. The pendulum may swing back, but will it? Should it?

Some think things are going right, that the young man at college is getting the things that will make him succeed out of athletics, on which he is very, very strong, out of college activities, in which he always evinces an interest. These are the things they say that make for

"CHEMISTRY BUILDING," University of Oklahoma.

leadership and the qualities that fit one to succeed in his dealings with his fellows.

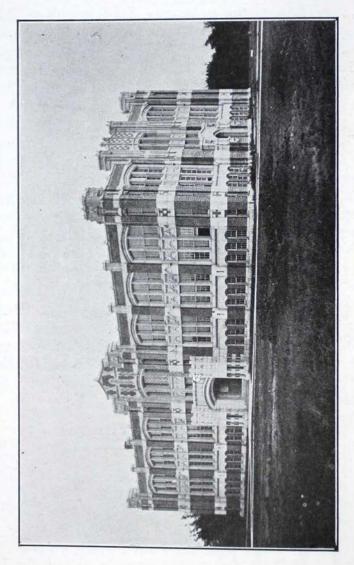

That is alright as far as it goes, but what about the ninety per cent who have no greater part in college athletics than sitting on the bleachers and making the welkin ring with college yells? What about the seventy-five per cent that never have a chance at the college activity game?

We are bothered about those brain cells. Must they be put through a regime of training? Or is this but an ancient theory with no scientific fact that the modern biologist can discover with his microscope to base it on?

But it still bothers us to note that the men who really do succeed in football and baseball and other athletic endeavors and the men who are called by their fellows to head up the college activities are the men who do show up well in scholarship and some of us imagine that their brain cells have actually gotten into the game. What of the multitude who do not study? Well, perchance their brain cells will get just as much training in working their schemes "to spot" their Professors and dodge their duties without getting held up as they would in digging Greek roots, solving Binomnial Theorems, and working out chemical reactions.

So what's the use?

HOWARD BELL ARBUCKLE, Iota.

"Geology Division," University of Oklahoma.

### Installation of Beta-Dmicron Chapter

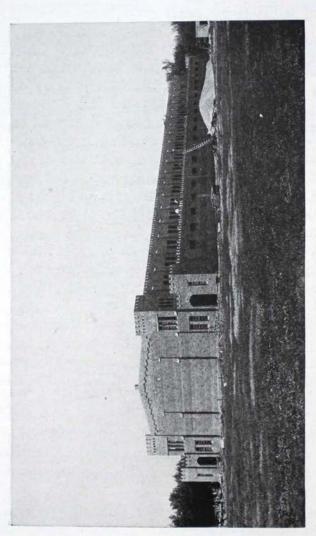

N October 4th Beta-Omicron Chapter of Pi Kappa Alpha was installed at the University of Oklahoma, taking over the Pi Kappa Omicron Local Fraternity.

This Local since its organization early in 1919 has been doing things at the Uni-

versity of Oklahoma and should make one of our very strongest Chapters if past accomplishment is indicative of future progress. Last year they had a higher scholastic average than any of the ten National Fraternities on the Norman campus, and this year as a Chapter of Pi Kappa Alpha, they are determined to repeat the record with interest. If work and energy count in such things Beta-Omicron will soon take a leading part in the college activities and will put Pi Kappa Alpha on the map at this splendid and growing young University in the Southwest.

The University of Oklahoma like so many of the State Universities in the Middle West and West is growing rapidly and keeping up with the educational procession in America. It is well located in Norman, a town of some six or seven thousand people, just an hour's ride from Oklahoma City. The building program is well under way on a spacious campus, and the University seems to have the entire confidence and support of the people of the State.

There is a splended comradeship among the Fraternities on the Campus which was in evidence at the banquet at the Tepee after the installation of the Chapter on the night of October 4th. The membership of the Interfraternity Council was present at the banquet and extended hearty congratulations and best wishes to the new Chapter, promising co-operation and helpfulness in any way

possible. The local Chapter of Phi Delta Theta has been especially nice to the men and has been of material assistance in many ways in the early days of the history of Pi Kappa Omicron Local.

Brother Smith of Beta-Omicron was the efficient and eloquent toastmaster at the sumptuous banquet, and called for toasts from Acting District Princeps C. M. Montgomery, Brothers, Hugh M. Bland, D. H. Duncan, V. F. Wasielewski and others of Beta-Omicron as well as from many of the representatives of the other fraternal organizations present. All of the latter speakers congratulated Beta-Omicron upon the splendid men in the Chapter and upon their auspicious beginning as a National Fraternity.

The installation service proper began at ten o'clock in the morning of Monday the fourth and lasted until five in the afternoon. The installing officer was aided by the following Brothers as a team: Stilley of Beta-Eta who will affiliate with the men as he is in the University, Harry DeVore of Alpha-Omicron and Beta-Zeta, James E. Hoover of Beta-Delta, Brothers Tucker, Grissom, Waggoner and Gollihar of Beta-Zeta, and Settle of Alpha-Omega.

Brother DeVore is pastor of the Capitol Hill Methodist Church in Oklahoma City and will be a close neighbor of the Chapter, as will Hoover who is located at Tulsa. There are also numerous other Alumni in the State who will be of assistance to the men in their work.

District Nine is a District of long distances and plenty of room for expansion in new Chapters. Texas, New Mexico, and Oklahoma afford plenty of travelling for the District Princeps as the distance between Chapters is in some cases over a thousand miles. A new Chapter in Oklahoma goes a long way toward filling the gap which existed between our Chapters. It is welcomed by the entire personnel of the membership as well as by the other

Chapters. We like the new men and wish for them the very best of success in their fraternity life among us. Oklahoma is a splendid Fraternity location and we hope to see other Chapters placed within its bounds.

C. M. MONTGOMERY, Alpha-Omicron, Beta Zeta.

### history of Pi Kappa Omicron

(Now Beta Omicron Chapter)

N the early part of January, 1920, four men who had been firm friends were discussing the fraternity situation in the University of Oklahoma. During the conversation they arrived at the conclusion that there were not enough frater-

nities in the university to take care of all the fraternity material. These men became very much interested and decided that on the following Monday night a meeting would be held for further discussion. Each man was invited to bring some of his friends, and on the appointed night the meeting was held in room 217 of the Administration building.

There was very little done in this meeting but an organization was formed known as the 217 club which was to have regular meetings each Monday night in this room.

At the following meeting a motion was made that we, the "217 club", form ourselves into a local fraternity and petition some national fraternity for a charter. The motion did not carry but was tabled for further discussion the next Monday night.

During the following meetings we did form ourselves into a local fraternity and set about investigating the national fraternities so that we might decide which we should petition. After due consideration of the national fraternities not represented at the University of Oklahoma we decided to petition Pi Kappa Alpha, and I might say that since we have learned more about Pi Kappa Alpha, we are well pleased with our choice.

A banquet was arranged for at the "Teepee House" on March 22nd. Stratton D. Brooks, president of Oklahoma University, Roy I. Gittinger, Dean of Undergraduates, and Wayne Bayless, President of the Interfraternity Council were guests. At this banquet we announced ourselves as Pi Kappa Omicron, a local fraternity petitioning Pi Kappa Alpha.

The "feed" was an entire success and we started off as a local fraternity with the support of the faculty and the other fraternities. This support did much in helping us reach the goal which we hoped rather than expected to attain so soon.

During the last week of school we were honored with an inspection by George Marsh, District Princeps of the 9th district. This week completed the school year and with the exception of four, who stayed for the summer session the Pi K. O.'s went back to their homes for the summer vacation.

On the twenty-fifth of July eight men returned to Norman for the inspection by our Grand Princeps. We spent a very enjoyable day in showing him our school and becoming better acquainted.

After a summer of suspense we came back to school to start off rush-week as a local but on the day that rushing began were overjoyed to find that our charter had been granted and that we were soon to be installed as the Beta Omicron chapter of Pi Kappa Alpha.

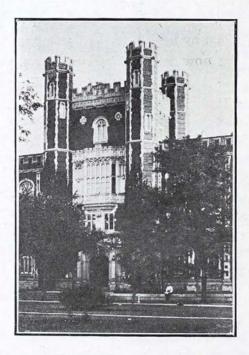

DEAN H. DUNCAN, Beta Omicron.

### The University of Dklahoma

HE University of Oklahoma was established at Norman in 1892 and graduated its first class the following year. During the first two years of its existence the university was housed in an old stone building, the first floor of which was oc-

cupied by a typical western "General Store."

"THE OLD TOWER", University Hall, University of Oklahoma.

The third year however saw a beautiful new brick building which in that day was considered a structure of magnificence and great expense, having cost the state fifteen thousand dollars. Two years later another building was added and the campus began to take form.

It is also of interest to recall the fact that the first faculty and students of the university had to travel more than fifty miles in "Prairie Schooners" to get to this center of education, railroads having been only a matter of talk and prediction in that day.

Time, however, has changed all these things and the student no longer looks out of his class room window to see schooners crossing the prairie to the proverbial land of plenty and the gold coast. He no longer is disturbed by yells of cowboys or the shooting of their "Gats", and the fair co-ed need not worry about a herd of wild buffalo being disturbed by her bright red sweater.

The University now is on a beautiful campus where many drives and shady walks abound. In the past ten years the state legislature has made many generous appropriations and given the university unending support. Appropriations for last year were \$1,025,000.00 and are expected to go over that amount this year.

The university had 4,027 students last year and will pass that number by about five hundred this year. There are now thirteen large buildings on the campus, three being under construction and plans for more in the making. The total value of the campus and buildings as they now stand is about \$3,500,000.00.

The university is divided into seven complete departments which in turn include all the sub-schools and colleges. These seven are:

College of Arts and Sciences.

College of Engineering.

School of Fine Arts.

School of Law.

School of Medicine.

School of Pharmacy.

The Graduate school.

The Chemistry and Law departments rank with the very best west of the Mississippi, the School of Medicine is class "A," the Fine Arts department has the largest enrollment of any in the United States and the Geology school is the best and largest in the world.

All other departments are on a great upward trend and will soon rank with the very best in America.

Oklahoma University has three student publications, and 68 organizations. Of these, thirty-five are national fraternal organizations, there being ten social fraternities and nine sororities. The remainder are honorary fraternities, class, and departmental clubs.

Oklahoma stands very high in Athletics and this year expects to take the Missouri Valley Championship in foot-ball and basket-ball, of which conference it is a member. In every way Oklahoma is one of the leading schools of the country and promises to soon be one of the greatest. For this reason it is safe to say that Pi Kappa Alpha has made no mistake in coming here and that there is ample room for similar fraternities of the same high standing.

V. F. WASIELEWSKI, Beta-Omicron.

### The Dormitory Question

ERHAPS the most momentous question in the minds of fraternity men to-day is that of the establishment of dormitories at a great many of the institutions throughout the country.

Both the fraternity and dormitory systems have their merits. But in the writer's opinion, one threatens the existence of the other. Experience has shown us that where sufficient dormitories are supplied to house all of the students, the fraternity has gradually passed out of existence.

Can any one say that the dormitory spirit promotes the good fellowship and tends to promote that keen interest in activities that all good fraternities do?

In our western universities especially we have a more serious problem, namely that of foreign students. The dormitory system would force our association with the mongolian and the negro, which elements compose a rather large percentage of our enrollment. It is apparent that under this system the spirit of co-operation and good fellowship which is essential to the welfare of any university would be lost. Heretofore a good many of us have welcomed the introduction of a dormitory system. We have felt that through the competition of an organized non-fraternity group, greater activity on our part would be promoted. But we have overlooked the danger of a growing sentiment that with the establishment of dormitories, the fraternity would no longer be needed.

What then is going to be our attitude? Are we to oppose or encourage the construction of dormitories?

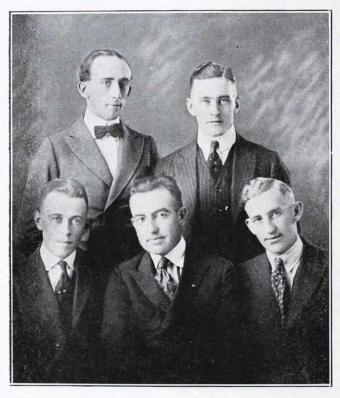

No doubt the problem presents different aspects in other parts of the country, due to the sectional differen-

ces which exist. In view of the conditions which exist at this university, it would seem that the opposition of the establishment of a dormitory system would be the logical course for us to pursue.

ARCHIE B. McRAE, Alpha Sigma.

### Eroup of Alpha-Eta ll's, Dallas, Texas, October, 1920

There are five Alpha-Eta II's holding forth in the great State of Texas.

The two standing are, from left to right, C. M. Brown and Ralph Crosby; those seated, from left to right, are: E. R. Moss, Richard G. Key, and Walter S. Lang.

Brothers Key, Moss, Crosby and Brown are associated in the Defender Oil & Refining Co., Key being president, Moss Vice-President, and Crosby Secretary and Treasurer, and Brown on the Advisory Board. Brother Lang is proprietor of Lang's Theatrical Co.

### Fraternities at the University of Kansas

GAIN the fraternities at the University of Kansas are brought face to face with the problem of convincing the members of the state legislature that fraternities are not injurious to a public school and should not be abolished. At a recent

meeting of that assembly a former decision that high school fraternities and secret orders be illegal was reiterated. The question of college fraternities was ignored with the warning that the existence of Greek letter organizations in the state of Kansas would depend in the future upon the actions and good behavior of the chapters making up the fraternity life at the state schools.

For the last ten years rumors of "unfriendly" legislatures have been circulated among the Greek letter men of the university. Several times delegations of fraternities have called on the Governor of the state and attempted to present the fraternity's side of the question. Thus far the crisis has been staved off. Now it is at hand and the issue must be met fairly and squarely by the fraternities within the next two years in Kansas.

Governor Henry Allen is not sympathetic with fraternities. The legislature, composed largely of farmers, are not convinced of the good effects of fraternity life. Exaggerated tales of hazing, cap wearing and college antics have soured many of the representatives on the Greek organization. In many cases they forbid their boys to become fraternity men when they enter college and the boy in turn becomes an anti-frat man. The situation instead of growing better seems to be growing worse.

Fraternities at Kansas University have been unusually clean and careful in the last five years to avoid all man-

ner of scandal that might be used as propaganda against the existence of their organizations. In many cases minor incidents have been exaggerated by antagonistic members of the faculty and exploited as proof of the bad influence of fraternities. All this in turn has its effect on the state legislature.

Many of the older fraternities at the University of Kansas are deferring the building of new houses which they have planned until something definite can be learned as to what action is to be taken by the legislature. A new regime is bound to come. Plans for a change in the rushing system are already being completed. The present system of a one week rushing plan may be discarded for a system under which no one may be pledged before the first semester. Dormitories are being discussed, where students will be forced to live until they are Juniors.

All of these proposed plans will have a drastic effect on fraternity life. Membership in the houses will be materially reduced and many present plans will be forced into abandonment. The present situation is well nigh intolerable, being merely one of waiting, knowing that the eyes of the authorities are ever on the fraternity men, eager to detect some action that might be construed into a deed against the best interest of the school and the students.

The clash will doubtless come at the next meeting of the state legislature. Until then the fraternities at the University of Kansas are placed at a decided disadvantage. The burden of proof, is however, with the state authorities who wish to abolish secret Greek letter organizations. Until that time the fraternities at this school will operate under the feeling that they are unwelcome guests in University life.

TOM COLLINS, Beta Gamma.

### Letter from the Interfraternity Conference Executive Committee

EAR Sir:

The following resolutions have been adopted by the Executive Committee of the Inter-Fraternity Conference as expressing their attitude in a vital matter.

"Whereas, there exist in various colleges and universities certain irresponsible organizations, under various names, that are antagonistic to academic and fraternity ideals, among them T. N. E., which has been repeatedly condemned in fraternity conventions throughout the country and in this Conference;

"And Whereas, it appears that hazing is practiced by certain of these organizations, and also persists in some fraternities or chapters thereof, contrary to the better traditions and more modern customs in fraternity life;

Be It Resolved, that it is the sense of this Executive Committee of the Inter-Fraternity Conference that such organizations and such practices should be condemned by all loyal fraternity men; that every member of this Conference should place itself on record as unalterably opposed to such organizations, and should furthermore take steps to rid itself of members who continue to belong to T. N. E. or any similar organization; that the fraternities in this Conference should also condemn hazing by any student organization at any time in any form as dangerous and silly, as opposed to the dignity and ideals of college fraternities, and as injurious to their good name, and that they should take steps to eliminate any such practice from their own organizations if the same be indulged in;

"And Further Resolved, that a copy of this action be sent to each fraternity in the conference prior to the opening of the coming year, for publication in its magazine, and to Banta's Greek Exchange.

"Respectfully yours,

JAMES DUANE LIVINGSTON."

By direction of the Executive Committee I am sending these to the representative of every fraternity in the Conference and also to Banta's Greek Exchange.

Yours very truly,

HERBERT WHEATON CONGDON, Secretary.

BENJAMIN FRANCIS GRASSER, Upsilon.

### BENJAMIN FRANCIS GRASSER

### UPSILON

Benjamin F. Grasser was born on October 9th, 1897, in New Orleans, La., and received his early education in the College of the Immaculate Conception at New Orleans. After attending Loyola University in New Orleans for some time, he entered the Alabama Polytechnic Institute at Auburn, Ala., for the course in Civil Engineering. He was initiated into Pi Kappa Alpha on September 25, 1914.

Upon completing his course at Auburn, he entered the employ of the Canal-Commercial Bank & Trust Company in New Orleans, but remained with the bank for a short time only. He then entered the employ of his father, Mr. E. A. Grasser, operating as the Grasser Contracting Co., (levee contractors) remaining there until the death of his father. He then took a position with the U.S. Shipping Board, with the Engineering Department. While in the employ of the Board, he took the examination for officer in the Coast Artillery, and passed with the rank of First Lieutenant. A few days after taking the examination he contracted pneumonia and died on October 12th, 1918. He was survived by his mother, two sisters and three brothers. His death was much regretted by his many friends in New Orleans, who had been unanimous in predicting for him a bright future in his chosen profession

#### JOHN WESLEY GRIFFITH

#### ALPHA EPSILON

"John Wesley Griffith was born in Winston-Salem November 23, 1893, was graduated from the West End Graded School in 1910 and finished his education at North Carolina State College. He then entered his father's store. Later he entered business under the firm name of Griffith and Moore.

"Corporal Griffith joined the Centenary Methodist Church when quite young and continued a faithful member.

"As soon as war was declared against Germany Corporal Griffith enlisted in Third Company Coast Artillery Corps in Greensboro, the company being mobilized July 25, 1917, and was mustered into service July 31, 1917. He became corporal of his company on the eighth day of February, 1918. On the sixth day of the following October he sailed with his company from Newport News for France. During the voyage Corporal Griffith became ill and contracted double pneumonia. He was disembarked at Brest, October 21, and was immediately carried to Base Hospital No. 65. He was overjoyed to find friends and relatives in charge, among whom were Dr. Fred Hanes and a cousin, Tom Lehman. Dr. Hanes gave the sick man his personal attention. Despite the most careful nursing Corporal Griffith lost strength and pleurisy developed. On October 22, at 3:05 a. m., about twelve hours after being taken to the hospital, he died.

"Corporal Griffith was buried in Kerkuon Cemetery about two miles from the hospital. Repeated efforts were made to have the body brought back to the United States. On May 10 W. W. Griffith, brother of Corporal Griffith, sailed from New York for France. On June 14

JOHN WESLEY GRIFFITH, Alpha Epsilon.

a radio message was received by Corporal Griffith's mother in this city saying the body was on board the Mercury, a government transport, bound for Hoboken. N. J."

The remains were interred in Salem Cemetery, Winston-Salem, after military honors had been paid the body, under the direction of Clyde Bolling Post of the American Legion.

## JOHN GRIFFITH COMES HOME.

T

HE trumpets are stilled into silence, hushed are the rolling drums,

There are no victory arches for the man who homeward comes,

No bands that blare to the heavens, no shouts that reach to the sky.

Only a tear and a prayer for the soldier passing by.

Gone is the smile and the laughter, hushed are the gay young lips,

Out on the far horizon in the realm of the wandering ships,

Where the stars fade into the distance, where never the comets dwell

He roams with his young companions thru the fields of asphodel.

Here is the land he loved so, here in the quiet town,

Like a child worn out from a journey, let us lay him slowly down

Where the green trees of the homeland shall shelter him from the rain,

And the little biras of the homeland shall sing him to sleep again.

Let no tears fall where he lieth, he would have none of tears,

Life was a gay adventure all through the mystic years, But as a friend come back from a journey, as a lad who had been away,

With a glad heart at his coming let us welcome him back today.

Dead? He is only sleeping! Resting there 'neath the grass,

Watching the long white moonbeams and the little cloud rifts pass,

Sleeping because he is weary and would seek for a little rest,

So let us leave him quiet, steal away, it is best.

Steal away for a moment, leave him alone with our dreams

There where the flowers guard him and the tender moon glow gleams,

While we go upon our journey, with a song in our hearts and say,

"Did you hear the good news, Buddy, a MAN came home today."

ALEXANDER POPE HULL, Alpha.

## ALEXANDER POPE HULL

#### ALPHA.

Alexander Pope Hull was born in Washington, Georgia, on February 7th, 1864, the son of John Harvie and Eliza Pope Hull. When quite a young boy his mother brought him to be educated in Virginia.

He attended several Charlottesville Schools before entering the University of Virginia. After graduating from the University of Virginia he went to the University of Berlin for a year or more. On his return from Europe, he practiced his profession, law, for many years in Atlanta, Ga.

\* At the time of his death he was a member of the editorial staff of the Michie Co., law book publishers.

Brother Hull was a man of unusual mental ability and a most entertaining and charming talker. A friend in writing of him said: "And now he is gone, his brilliant mind and fluent tongue are hushed and his big generous heart is chilled and mine is sad indeed."

## R. EARLE HARRISON

### ZETA.

Earle Harrison, well known photographer and illustrator, died in Smyrna, Asiatic Turkey, June 13. He is survived by his mother, Mrs. J. B. Harrison and one brother, C. Raleigh Harrison, who received a cablegram Monday bringing the sad information of his death from pneumonia.

Mr. Harrison sailed for Europe early in January, 1919, with commissions from a syndicate of American magazines. He went direct to London, where he also formed connections with various British publishers for which he had previously done work. His commissions took him first to Egypt and through the Holy Land, in which vicinity he spent several months, later proceeding to Constantinople and thence to the Russian Caucasus. He spent several months in Armenia, returning to Constantinople the first day of this year. While in Armenia he contracted a heavy cold from which he was just recovering on his return to Constantinople, and he determined to come home. He proceeded to London, where his health improved, and upon obtaining there a supplemental commission for work in Asiatic Turkey, he postponed his return home and proceeded to fill his new commission.

He was engaged in his line of work continuously for the past eighteen years, during which time he has traveled extensively except during the period of the war when conditions prevented.

He had won for himself an international reputation as a photographer and illustrator, having served numerous foreign as well as American publications, and was regarded as without a peer in his line of work. Among his many successes was the publications by Scribner's Magazine several years ago of a number of full page photographs in color of the Panama Canal—the only color plates which have ever been successfully obtained there.

He had also illustrated for many other American and foreign publications, and at one time served on the staff of the London Sphere.

When the war broke out in the summer of 1914 he had returned to London, where he was immediately commissioned by various British publications to obtain photographs in Belgium. He made several trips there and was in Antwerp during the siege. In fulfilling this commission he joined the Ambulance Corps of the Belgian Red Cross, with which he served many times under fire, for several months, until he was attacked with influenza and forced to return to London where he was ill for some time before recovering sufficiently to return home in January, 1915.

Mr. Harrison was a man of very wide vision and information, a fluent talker, and possessed a most genial and pleasing personality. He was at all times well posted in world events, and his accounts of his travels and experiences in foreign countries have interested hundreds of his friends here and elsewhere who will learn with deep sorrow of his death.

## JAMES FRANKLIN SMITH

#### Rно

Dr. J. Franklin Smith, pastor of the City Temple, died at his home, 5110 Junius street, Dallas, Tex., at 10:45 o'clock July 17, 1920, after an illness of more than six months. He was one of the foremost leaders in the Presbyterian Church of the United States, and had recently served a term as moderator.

James Franklin Smith was born December 24, 1868, at Gadsden, Tenn., the son of a farmer, John Wesley Smith, and Emily Elizabeth Combs. He obtained his elementary education in the State schools and went for the first of his higher education to Bethel College, McKenzie, Tenn., and completed his Bachelor of Arts work there in 1892. He went from Bethel College to Cumberland University for theological work, and took his Bachelor of Divinity degree from that institution in 1895. He went from Cumberland University to the Union Theological Seminary at New York City, and while completing his studies for graduation at that school also worked for a Master of Arts degree at Columbia University. He completed work at both institutions in 1896.

# RECORD FOR SERVICE.

It was at this time that he was offered the pastorate of the Central Presbyterian Church, U. S. A., at Dallas, and came here for the first time about the middle of June, 1896, to deliver his trial sermon. He became active pastor of this church, then consisting of a four-wall frame building resembling a country school house, October 10, 1896, and has remained here ever since. Dallas was his first official pastorate, and he would have completed the twenty-fourth year of his work here in October, 1920,

the longest tenure of any minister in Dallas as pastor of the same church.

The Doctor of Divinity degree was conferred on Dr. Smith by Trinity University in Waxahachie in 1906. In 1903 Dr. Smith met Miss Lillian Duff Neal of Louisville, Ky., daughter of Marshall Teal, for years managing editor of the Farmers' Home Journal, while she was a visit to Mr. and Mrs. A. C. Bigger of Dallas. And during the succeeding fall they married. They have two children now, Marshall Neal Smith, 15 years old, and J. Frank Smith, Jr., 10 years old.

#### NATIONAL FIGURE.

Dr. Smith became one of the foremost men in civic affairs of Dallas, in political and church affairs of the State, and became the outstanding figure in the synod of Texas. Then general assembly of the Presbyterian Church U. S. A. met at the City Temple just after its completion in 1917, and Dr. Smith became known nationally. During the following year at the Columbus, Ohio, assembly, Dr. Smith was elected Moderator of the Presbyterian Church U. S. A., the highest honor the church can bestow. This election was a recognition of his work as Moderator of the Texas Synod in 1901, as a member of the Board of Church Erections, as member of the Council of Churches holding the Reformed faith, and as delegate to the Federal Council of Churches of Christ in America.

# KNOWN AS EDUCATOR.

Dr. Smith is known as an educator all over the country, and this impression was increased by his work during the New Era campaign. The Marshall Valley College at Marshall, Mo., broke its rule and sent the president of the college to Dallas in June, 1920, to confer on Dr. Smith the Doctor of Laws degree. Dr. Smith was just able to attend the meeting at the City Temple, and remain until

the services were over. He has not left his home since then. Among his other literary achievements is the authorship of the book, "My Father's Business and Mine," written in 1914. It contains a philosophy of the man's life, and is typical of his devotion to the interests of others. His life history is now being published and will be on the press in a short while.

# **EDITORIAL**

This issue marks the beginning of the work of the new editorial staff of the SHIELD AND DIAMOND.

The for all sins of omission and commission that
New may mar the pages of this magazine.

Editors Furthermore, we earnestly request you to give us the benefit of your thought and observation, in our endeavor to maintain the position of the SHIELD AND DIAMOND among fraternity publications.

We will welcome suggestions and criticisms, knowing that, without your interest and co-operation, our labors will be in vain.

The alumnus secretary feature of our administrative structure has been widely commented upon and has been declared a most progressive step towards

Alumni ideal fraternity organization.

Secretaries Familiarize yourself, therefore, with this plan and try to assist in the firm establishment of this useful system. Send in to the General Office the names of those who are so situated and sufficiently inclined to assume the duties of these important positions.

It has been suggested that, in this age of standardization we should endeavor to secure uniformity in the names by which we are known.

Abbreviations Pi Kappa Alpha is commonly abbreviated at least three different ways, Pi Kaps, Pikes, and II's. This is very confusing and is obviously disadvantageous.

Should we not have a nationally recognized abbreviation, which we would ourselves observe, and through our observance, compel the use of such abbreviation by others? The subject is now open for debate. We believe that it is important enough to merit full discussion and earnest consideration. Write to the Editor about this matter, giving your preference for a nationally used abbreviation and see that every Pi Kappa Alpha you know does likewise.

Some ties in life are fragile and easily broken; others bind you in loving and cherished union until the end of your days.

To the Your college fraternity is of the latter type;

Alumnus it is a real, living thing that goes with you through life, bringing to you much joy and good fellowship.

We will not tell you, therefore, not to forget that you are a Pi Kappa Alpha, because you cannot easily forget the obligations which your initiation imposed upon you.

But we will tell you, make the most of this bond, interest yourself actively in Pi Kappa Alpha's affairs, subscribe for and read its magazine, so that you may be ever a member of the fraternity, not merely by virtue of your initiation, but by right of your unceasing and helpful work for its prosperity and advancement.

Just a word to remind the members of the active chapters and principally the recent initiates, of the assistance and co-operation expected of them by the General Office. After all you are the main body of the fraternity, more vitally interested in its Chapters welfare than any others. By the prompt and painstaking regard to their duties on the part of the chapter officers and by the insistence on the part of the chapters that these officers perform their duties, the many tasks of the General Office will be materially lightened.

# CHAPTER LETTERS

Chapter Letters must be mailed to General Office by 1st of October, December, February, April and June. \$5.00 for each failure. (Section 29, National By-Laws.) Chapters are advised to Register these Letters, preventing loss in mail.

#### ALPHA

#### University of Virginia.

The 1920-21 semester finds Alpha with an enrollment of 25 men, and with the prospects of a most successful year. Four splendid men have been pledged, whom we hope to introduce in a subsequent letter.

The following brothers have returned:

I. G. Craig, Richmond, Va.

W. F. Cox, Jr., Anderson, S. C.

A. C. Gordon, Jr., Staunton, Va.

W. R. Dove, Biloxi, Miss.

W. T. Jankins, Newport News, Va.

J. C. Sprigg, Jr., Morea, University, Va.

William Nickels, Bristol, Tenn.

C. M. Catlett, Staunton, Va.

C. B. Morton, Jr., Alexandria, Va.

R. R. Jones, Mt. Pleasant, Pa.

M. P. Omohundro, Farmers Fork, Va.

S. H. Preston, Tazewell, Va.

H. G. Preston, Tazewell, Va.

J. M. H. Willis, Fredericksburg, Va.

T. K. Parrish, Jr., Richmond, Va.

J. C. Watkins, Anderson, S. C.

H. H. McHaney, White Oak, Mo.

A. W. Garnett, Rapidan, Va.

Talbot Broome, Montclair, N. J.

C. J. Wilkins, Lynchburg, Va.

1. C. Hanger, Staunton, Va.

S. M. Scott, Lynchburg, Va.

W. M. Gammon, Bristol, Tenn.-Va.

Alpha is glad to enter the following transfers on her roll:

- J. B. Jones, Jr., Alpha-Chi; Petersburg, Va.
- J. L. Sharer, Alpha-Chi; Cumberland, Md.
- J. L. Pleasant, Jr., Iota; Lynchburg, Va.

The traditions of Virginia have been interrupted by the entrance of the fair sex into the graduate departments of the University and also by the introduction of a new coaching system. We hope that the former may be as successful as the latter promises to be, for Virginia looks forward to a bright football future this year. Alpha is represented on the girdiron by Craig, Parrish, and Watkins. Craig is a letter man from last year and Parrish, who was a Freshman star promises to be one on the varsity. This is Watkins' first year for football here. He was a former Davidson star however, and is showing up well.

We were glad to welcome Brothers Frank and Archie Leach, Newton and Thompson, who were actively present during rushing season. We also received a short visit from Flint Waller who is in business in Staunton, Va. We regret the absence of these brothers during the coming year for their interest in the chapter is greatly appreciated. Alpha also wishes to thank those brothers who have assisted us by introducing prospects to us thru letters. We realize that this interest of the older brothers in the fraternity has made Pi Kappa Alpha what it is today.

Alpha extends the best of wishes to her sister chapters, wishing them a prosperous year and great success.

IRWIN C. HANGER.

#### BETA

### DAVIDSON COLLEGE.

Beta started the new term with eleven old men as follows:

C. M. McCaskille, Bainbridge, Ga.

W. W. McCorkle, Uniontown, Ala.

W. C. Gaither, Newton, N. C.

W. I. Knox, Johnson City, Tenn.

A. E. Drake, Minden, La.

H. C. Williamson, Florence, S. C.

E. M. Hines, Roland, N. C.

W. B. Carr, Bainbridge, Ga.

J. M. Bostick, Savannah, Ga., 1044 Bull St.

V. G. Gratham, Fairmont, N. C.

C. E. Hodgin, Greensboro, N. C., Ashebor.

In addition to these we are glad to welcome as an affiliate Brother H. O. Covington. Covington comes to us from Alpha Epsilon. We deem ourselves fortunate to have such a man in our chapter, and fell sure that he will do much in helping us to make this year one of the best ever. We lost three good men when Harrington, Montgomery, and Barringer failed to return. Harrington is in Tampico, Mexico, working in the oil fields; Montgomery is in business in Bishopville, S. C., and Barringer has a position with the American Trust Company, Charlotte, N. C.

The first thing of importance was the annual Fresh Reception. The old men are thus able to become acquainted with the freshmen. The prospects this year are fine. The new men here look good and Beta is determined to get her share of the best. So far we have several men in view.

The chances for a good football team this year are bright. There are about fifty men out for the team. Eight old men are back and the new men are showing up exceptionally well. Carr is doing well in the scrub line. N. C. State beat us in our first game, but this is one of our hardest games, because the North State College outweighs us considerably, and has many old men of great experience. Nevertheless our team expects to bring back the laurels this year.

Beta extends her best wishes to all her sister chapters for a most happy and prosperous year.

CHARLES E. HODGIN.

### DELTA.

### BIRMINGHAM-SOUTHERN COLLEGE.

The following are the home addresses of the returned members:

John Webb De Yampert, Scotts Station, Ala.

Paul Maddox Norton, 500 Fulton Avenue, Birmingham, Ala.

Albert Leon Branscomb, Union Springs, Ala.

Rufus Beauregard Bagley, Goodwater, Ala.

Perry Dewey Scriner, Samantha, Ala.

William Cooper Green, 1216 N. 31st St., Birmingham, Ala.

John Eugene Burney, 1218 12th St., South, Birmingham, Ala.

William Walter Locke, Orrville, Ala.

Milton Wesley Griffin, 1724 4th Ave., N. Birmingham, Ala.

Fred Byron Riggan, Pratt City, Ala.

Weyman Preston Snuggs, Roanoke, Ala.

Arlie Barber Davidson, Gadsden, Ala., Route 3.

William Howard Stansell, Bessemer, Ala.

Hugh Gallagher Mosley, Hope Hull, Ala.

Edward Andrew Speer, Ashland, Ala.

Delta takes great pleasure, in introducing its new brother, Gerwin Myer, Birmingham-Southern College, Birmingham, Ala. Myer, a pledged member of last spring, is one of the most popular and influential members of junior year. He has won the distinction of being the leading baritone of the Glee Club by his splendid work of the past two years.

We are very fortunate in having all our old brothers return except five: Morris, Bradford, Freeman, Montgomery and Gibbs. Morris has transfered to Alpha-Rho, Bradford was a graduate of last year's class, Freeman and Gibbs will probably return later in the season and Montgomery has entered the University of Alabama. Every brother back is fired with a more zealous desire than ever to continue uplifting Delta Chapter and the Pi Kappa Alpha fraternity in general.

At a recent meeting the following officers were elected and appointed for the present term:

A. A. Miller, S. M. C.; J. W. DeYampert, I. M. C.; W. W. Locke, Th. C., W. P. Snuggs, S. C.; A. B. Davidson, M. S.; B. B. Bagley, M. C.

Birmingham-Southern had the best opening in many years, and the prospects are unusually good for a most successful year in every college activity. In the field of athletics one of the most pleasing records of all is evident from the material at hand. About fifty students have been having hard work-outs for the past two weeks, and an exceptionally strong team is being selected out of the material present. A very heavy schedule is before the team; but each man is determined to make a good showing, regardless of the strength of his opponent.

Delta Chapter is proud to be able to furnish the best of material for any of the college activities as it has in previous years. In football Green, Norton, Burney and Miller are veterans of last year's Varsity, while Bagley, Speer and Griffin are showing up exceptionally well and are making a hard fight for a place. In other activities we are doing our part. Davidson was recently elected President of the Student Body; Snuggs, Secretary of the Y. M. C. A.; Riggan, President of the Sophomore class; Schrivner, President of the Junior class, and treasurer of the Students' Association. Other officers and managers of the various teams, excepting football, have not yet been elected.

The  $\Pi$ 's at Birmingham-Southern are very optimistic over the outlook for the year of happy fellowship and the prospects for great success is upholding the high standards of the Pi Kappa Alpha fraternity.

Delta extends to every Pi the best wishes for a prosperous year in every phase of his work.

A. B. DAVIDSON.

#### ZETA.

## UNIVERSITY OF TENNESSEE.

We returned in September to a bigger, better University—a University with a student body nearly twice as large as that of last year, a University permeated with the same old "U of T" spirit and changed only in growth and improvement. We are glad to say that the things the University has done in progress has been duplicated by Zeta Chapter, which has reassembled after vacation with a spirit of co-operation and a seriousness of purpose that is ideal.

The old men who returned are as follows: W. J. Wadlington, Memphis, Tenn.
Frank Davenport, Woodberry, Tenn.
Milton Davenport, Woodbury, Tenn.
R. L. Wadlington, Memphis, Tenn.
Joe. B. Long, Nashville, Tenn.
Olof C. Johnson, Memphi, Tenn.
John R. Aycock, Millington, Tenn.

Sidney W. Genette, Memphis, Tenn.

James Confort, Knoxville, Tenn.

B. R. McBath, Knoxville, Tenn.

H. C. Boone, Fayettesville, Tenn.

Frank L. Hood, Knoxville, Tenn.

Conrad E. Troutman, Knoxville, Tenn.

Hugh Gallagher, Knoxville, Tenn.

Sam E. Meyrick, Martin, Tenn.

Zeta Chapter is pleased to announce that the following pledges are in college and that their work as well as their interest in college activities bids fair to be all that could be desired. Zeta is proud of them.

Hazen Bruner, Knoxville, Tenn.
Chesney Hughes Lyon, Nashville, Tenn.
Don Hurt Powell, Memphis, Tenn.
Charles Torreyson, Memphis, Tenn.
Morgan M. Ferrell, Chattanooga, Tenn.
A. W. Cullis, Chattanooga, Tenn.
Gwyn C. Wood, Woodberry, Tenn.

Classes began on the twenty-second day of September and on the evening of that day we held a small smoker at the Chapter house. All of the old men and the pledges assembled with a few of the local alumni for an informal evening that was enjoyed to the fullest extent. Plans were talked over concerning the year to come and our ambitions for Zeta are just as high as they have ever been, while all of the men have shown a willingness for serious work that is indeed promising.

Hugh Boone and Pledge Cullis are on the football squad and we are expecting great things of them. The men who made the Glee Club trip last year and are expected to be out again this year are, W. J. Wadlington, R. L. Wadlington, Long, Meyrick and Comfort. Several other men from the chapter are also to be at the try-outs to take the places of the men who represented us last year and who have not returned.

We are glad that Milton Davenport, who was with us in '18-'19, but was away last year attending college in another state, has again entered the University and is returning to us.

We sincerely hope that the prospects of the other chapters for a successful year are as rosy as ours for we are sure that they can be no better. We know that with the increased student body that is at work this year it will be just a little harder to secure the honors that we want for our fraternity, but the general serious attitude of the men seems to show that they are willing to pay the price and work harder for Pi Kappa Alpha than ever before. We have practically all of our basket-ball stars back in school this term and hope to make a clean sweep in the Inter-Fraternity Basket Ball Tourney.

Zeta Chapter wishes success to every chapter of Pi Kappa Alpha.

J. Comfort.

# THETA

SOUTHWESTERN PRESBYTERIAN UNIVERSITY.

At the first regular meeting of Theta Chapter the following old men answered roll call:

John A. Lindamood, Columbus, Miss. Paul V. Draughn, Hattiesburg, Miss. Kirby P. Walker, Hattiesburg, Miss. Eugene M. Regen, Franklin, Tenn. John R. Roberts, Lewisburg, Tenn. Frank C. Ashby, Minden, La. Samuel L. Sparks, Memphis, Tenn.

Lapsley Lindamood, who graduated last year, has gone to Yale University to continue his studies, A. L. King has gone to Colorado School of Mines, Percy L. Armstrong is an instructor of Mathematics at Georgia School of Technology, T. Barton West is at home in Durant, Miss.,

Edward L. Buckley is at his home in Byhalia, Miss., and Robbins and Bragg are at Tulane University.

Although Theta will be small this year, we intend to have one of the best chapters that we have ever had. With "Unity" as our motto we hope to do wonders.

At the election recently held the following officers were elected and appointed:

Kirby P. Walker, S. M. C.

John A. Lindamood, I. M. C.

John R. Roberts, T. H. C.

Eugene M. Regen, S. C.

Frank C. Ashby, M. S.

Paul V. Draughn, M. C.

As Lindamood intends to leave us in the next few days to join the Navy, S. L. Sparks was appointed as I. M. C. Lindamood will be on board the "Tennessee."

With best wishes to all sister chapters.

FRANK C. ASHBY.

# OMICRON.

# UNIVERSITY OF RICHMOND.

Omicron sends greeting to all sister chapters and wishes them the best of luck during the coming year.

Of the men who comprised Omicron last year four returned, i. e.:

A. Hugo Blankingship, 2622 E. Grace St., Richmond, Va.

W. Richard Broaddus, West Point, Va.

Addison M. Duval, Rhoadesville, Va.

C. Wayland Newton, Graham, Va.

Brother Rufus Newton who was with us in 1918-'19 is back on the campus again.

Of those who did not return Brothers McGee and Washington are at the Medical College of Va.; Brother

Hardwood Bagby, who made us a visit recently is in the lumber business at Stevensville, Va.; Brother Carter Robinson is pursuing his quest of knowledge at William and Mary College; Brother John N. Newton is selling life insurance in and around Graham, Va.; and Brother W. O. Caryer is teaching school at Wellford, S. C. We wish for all of them a very prosperous year.

Shortly after school opened, Brother Hugo Blacking-ship became ill and was rushed to St. Elizabeth's hospital, where he was found to have appendicitis. He was operated upon that night and has improved rapidly. He will be back with us in a few days. The football team feels his loss greatly and Omicron has been weakened quite a bit by his absence, and regrets that he has been so unfortunate.

Football prospects are unusually good this year and Coach Dobson is well pleased with the showing made so far. Brother Richardson Broaddus is captain of the 18th of January. We are keeping our eyes open and have several likely men in view. When the season ends we hope to have rounded up a goodly bunch of "goats."

Let us put forth every effort to make this the best year in the history of the Pi Kappa Alpha Fraternity.

R. T. NEWTON.

# PI CHAPTER

# WASHINGTON AND LEE UNIVERSITY.

On September 16, Washington and Lee opened with the largest enrollment known in the history of the school. When "old Pi" was called together for the first meeting the following old men answered the roll call:

- L. W. McClean, Richmond, Va.
- S. A. Hartzo, Atlanta, Texas.
- S. E. Baylor, Wardell, Va.

- M. T. Allen, Georgetown, Miss.
- G. A. Orr, New Orleans, La.
- H. Enloe, Jr., Roanoke, Ala.
- C. H. Miller, Anniston, Ala.
- J. W. Frost transferred from Georgetown College, Ky., and we welcome him heartily.

We take pleasure in introducing our pledges:

- L. D. King, Abiline, Texas.
- T. A. Green, Clifton Forge, Va.
- J. D. Catterell, Galveston, Texas.

Our football team is being whipped into shape rapidly and if prospects are worth anything Washington and Lee will have another championship team. Eight of last year's team have returned. This year's schedule is the hardest we have had, with Princeton, Auburn, and West Virginia in a row.

"Prof." McClean, who has a class in the Engineering School and Sammy Baylor are our "sharks" in the class room. It is due to the exceptional work of these two  $\Pi$ 's that Pi Chapter stood second in the scholastic standing of the Fraternities last year. We hope to stand first this year.

Brother Baylor has been elected to Sigma Upsilon.

The Faculty refused to let us have our opening dances this year. They hold that it is not inducive to a good beginning for new men.

In our next letter we will have some other new pledges to introduce.

Pi Chapter extends its best wishes for a successful year to Sister Chapters, hoping that every one had a pleasant vacation.

CHAS. H. MILLER.

### TAU

# UNIVERSITY OF NORTH CAROLINA.

Edwin S. Lindsday, Tryon, N. C.
Houston S. Everett, Rockingham, N. C.
Richard G. Corker, Hartsville, S. C.
Lennox G. Cooper, Wilmington, N. C.
William W. Sledge, Weldon, N. C.
Lovis W. Fishel, Chester, S. C.
William C. Maupin, Salisbury, N. C.
John W. Coker, Rock Hill, S. C.
Woodward W. Williams, Columbia, S. C.
Bailey Patrick, Hickory, N. C.
George P. Hunt, Oxford, N. C.
Robert L. Whitmire, Hendersonville, N. C.

We are proud to introduce to the fraternity at large the following new brothers:

Howard A. Penton, Wilmington, N. C. James W. Keever, Hickory, N. C. Percy K. Holt, Burlington, N. C. Norfleet O. McDowell, Scotland Neck, N. C.

With the opening of the University in the second quarter of the second century of its existence, with a student body never before equalled in its history, and with sixteen men as a nucleus, the only conclusive inference is that Tau Chapter stands on the threshold of its banner year.

We are glad to have had back with us during "rushing season" to assist us, Robert and Paul Brown of Chadbourne, N. C., and Holt and Montgorery of Burlington, N. C. The interest manifested by these brothers, tho long since departed from us, clearly shows the still existing love for Alma Mater and Pi Kappa Alpha. We are also glad to have had with us during initiation, Smith, Folger, and Ashby of Alpha-Alpha. Due to our central

location we are frequently favored with visits of brothers from the several chapters located throughout the state.

As the first game of the season rapidly approaches, football is the chief topic of discussion. With the return of eight veterans of the team which, last year, smashed the powerful North Carolina State College and University of Virginia lines, with an abundance of material from last year's reserve team, and under the guidance of Coaches Fuller and Hite of the last year's powerful West Virginia eleven, it is obvious that our prospects could be worse. Our schedule includes Yale, University of Maryland, University of Virginia, and North Carolina State.

The loss of those brothers who will not return is deeply felt, for it may truthfully be said that each one of them left the chapter better than he found it. Hale, one of the most popular men in college completed the course in law and is now practicing in Fayetteville, N. C. Pace was graduated from the College of Liberal Arts and is now taking post graduate work in New York. Paul and Robert Brown have entered the real estate business in Chadbourne, N. C., Mercer has entered a bank in Wilmington, N. C., Yokely is located in Mt. Airy, N. C., and Egerton has accepted a responsible position in Philadelphia. The goal which Tau Chapter has set for itself is to fill the places of these most worthy brothers, realizing that no easy task is in store for us.

Tau Chapter extends its best wishes to all sister chapters, especially the new chapters, for a most prosperous and successful year.

ROBERT L. WHITMIRE.

### UPSILON.

# ALABAMA POLYTECHNIC INSTITUTE

With Auburn's new president, Dr. Dowell, in the saddle and Auburn herself taking on new life, Upsilon Chapter begins with the brightest of prospects a year which promises to mark an era in Auburn's history.

We are well represented on each of Auburn's teams, in all of the inter-fraternity clubs and Honor societies, student council, and the like. It will be remembered that Upsilon missed the pan-hellenic cup for scholarship last spring by one-quarter of a point.

The Chapter has twelve old men returned:

R. M. Ollinger, Mobile, Alabama.

C. G. Ollinger, Mobile, Alabama.

F. P. Page, Dothan, Alabama.

W. P. Spratling, New York City.

W. K. McKinnon, Andalusia, Alabama.

C. C. Russel, Fayetteville, Alabama.

D. B. Tidmore, Moundville, Alabama.

W. S. Belcher, Largo, Florida.

J. H. Jackson, Largo, Florida.

C. C. Esdale, Birmingham, Alabama.

W. T. Farmer, Birmingham, Alabama.

· L. C. Case, St. Augustine, Florida.

We are glad to announce Julian I. Boriss, Alpha Pi, as an affiliate.

Case has been named Th. C. in place of Baker who was unable to return this year.

C. C. and R. M. Ollinger have been elected Pan-Hellenic representatives.

The opening dances are barely a week off, and we are all looking forward with a great deal of anticipation, especially as we expect a large number of girls to attend.

We have been honored recently by visits from George

Bowling ('15), Leo Walker ('19), Alsobrooke ('19), Miller ('19), Roy Salter ('20) and Judge John Denson ('05). Their visits were heartily enjoyed, and a cordial welcome awaits any active or alumni brother to visit us at any time.

With best wishes to our sister chapters.

W. P. SPRATLING.

#### PSI

NORTH GEORGIA AGRICULTURAL COLLEGE.

Psi extends greetings to all Chapters and men of Pi Kappa Alpha throughout our land at the beginning of this another year.

When matriculation began at N. G. A. C. this year we had six of our last year's men back. Wright and Brooks did not matriculate as they are going elsewhere to pursue their course, leaving only four of us to work for Psi.

Those remaining are:

Robert Blackell Malone, Birmingham, Ala.

Leo Anthony Sullivan, Savannah, Ga.

Walter Clifford Futral, Griffen, Ga.

Jason Mays Brock, Jefferson, Ga.

Psi takes pleasure in introducing to the Fraternity at large the following initiates:

Custis Franklin Peyton, Mt. Airy, Ga.

Victor Folger Hollingsworth, Atlanta, Ga.

Richard Curtis Burnette, Atlanta, Ga.

Pledges as follows:

Harry Gibbons, Birmingham, Ala.

Walter B. Hawkins, Jr., Cassville, Ga.

Howell T. Hollis, Fort Desota, Fla.

At a recent meeting the following officers were elected:

J. Mays Brock, S. M. C.

Robert B. Malone, I. M. C.

Walter C. Futral, Th. C. Robert B. Malone, S. C.

Psi has the most promising year before her that she has had in several years. Our house has been remodeled and the place as well as the Chapter is in fine condition. We have had several visits from Alumni and this year Psi has two Alumni on the College Faculty.

Psi extends her sincerest wishes for a successful year to all her sister Chapters.

J. MAYS BROCK.

### OMEGA

## UNIVERSITY OF KENTUCHY.

After an enjoyable vacation of three months we are back with lots of pep ready to make this a banner year for Omega.

We have a very valuable addition to the chapter this year: Petrey, of Zeta, University of Tennessee, bringing the total number of active men up to twelve. The list of names and addresses follows:

Charles R. Bourland, Madisonville, Kentucky.

Berl Boyd, Sedalia, Kentucky.

Marion T. Brooks, Bellevue, Kentucky.

Louis P. Gould, Bellevue, Kentucky.

Curtice E. Haley, Henderson, Kentucky.

Carl P. Lipe, Vance, Mississippi.

Wm. I. Moore, Clay, Kentucky .

Harry L. Petrey, Pineville, Kentucky.

George H. Powell, Sebree, Kentucky.

Russel A. Sanders, Covington, Kentucky.

James W. Truitt, Morganfield, Kentucky.

William R. Wilson, Evansville, Indiana.

The rushing season is at its height now and keeps every man's shoulder to the wheel. We take this opportunity to announce the following pledges: John C. Riley, Henderson, Kentucky.
Lowell Truitt, Morganfield, Kentucky.
Waller Sprague, Sturgis, Kentucky.
Earl Bourland, Madisonville, Kentucky.
Wickliffe Moore, Clay, Kentucky.
Alvin Blackwell, Clay, Kentucky.
R. L. Sanders, Covington, Kentucky.
W. L. Amis, Barboursville, Kentucky.
Jas. C. Stapp, Corydon, Kentucky.

Omega is represented on the football squad by Boyd, a letter man of last year. Pledges Moore and Blackwell are also trying for the team. Both of them are making a good showing. U. of K. plays her first game at home Saturday with Southwestern Presbyterian University, and from the looks of the Wildcats we expect to send them home with the small end of the score.

We regret very much the loss of Nesbitt, Morgan, Bradley, and Adams. Nesbitt is with the Westinghouse Electric Company, Schenectady, N. Y. Morgan is Chief Engineer for the March Coal and Coke Company, Charlestown, W. Va. Bradley and Adams were too much attached to the climate of Mississippi to brave another Winter at U. of K.

Due to the uncertainty of real estate in Lexington, Omega has not as yet secured a chapter house. However work is well under way to close a deal that will put us in possession of one of the prettiest fraternity houses on the campus. It is a serious drawback to any chapter not to have a house during rushing season. To offset that we have rented apartments and expect to keep them until we are settled in our own house.

Omega has three or four men in view that have not as yet been pledged. We expect to be able to announce them in the next letter.

Omega sends her best wishes to all her sister chapters.

C. E. HALEY.

# ALPHA-ALPHA

### TRINITY COLLEGE.

Alpha-Alpha is pleased to announce the initiation of Thomas Benton Ashby, Jr., of Mt. Airy, which took place during last commencement.

We have back with us this year only five brothers, but these five are hard at work and Alpha-Alpha almost boasts that she will get her portion of the freshmen.

The five men returned are as follows:

Thomas Benton Ashby, Jr., Mt. Airy, N. C. Fred Folger, Mt. Airy, N. C. Julian Douglas Lewis, Whiteville, N. C. Thomas Gill Neal, Laurinburg, N. C. Whitman Erskine Smith, Albermarle, N. C.

Last year the Pan-Hellenic Council ruled that bids would go out five weeks after date of matriculation. This is the first experiment with this plan, but it looks good since it avoids the so-called "rushing" for so long a time, and aids in getting down to work right at the first of school.

For the first time since 1898 Trinity College has a football team. There are over fifty men on the gridiron at present getting prepared for the first game which comes on October 16. There will be only five games played this season, the last one being with the Wofford eleven on Thanksgiving day. Floyd J. Egan, an alumnus of the Alpha-Upsilon Chapter, University of New York, is head coach of all athletics here. He is all-American full-back and a letter man in football, baseball, basketball, and track. Egan wil be with us at the major portion of the meetings this year.

Since the opening of college on September 16, we have had the following visit us: S. H. Lee, J. R. Smith, W. L. Ferrell, Jr., L. K. Martin; H. W. Kendall; C. H. Lee, all

alumni of Alpha-Alpha; Holmes, alumnus of Alpha-Epsilon; and Hunt, Fisher, Brown, and Maupin, of Tau.

The following failed to return this year, and their addresses are as follows:

Clarence H. Lee, State College, Raleigh, N. C. Wesley Luther Ferrell, Jr., Winston-Salem, N. C. Linville Kerr Martin, Winston-Salem, N. C. Frank Caldwell Patton, Morganton, N. C. George Melvin Ivey, Charlotte, N. C. William Ormond Edwards, Ayden, N. C.

Alpha-Alpha will be glad to welcome any of the brothers coming our way.

JULIAN D. LEWIS.

## ALPHA-GAMMA

### LOUISIANA STATE UNIVERSITY.

Louisiana State University opened on September 22nd with the largest enrollment in it's history. Alpha-Gamma lost several good men last year but twelve of the brothers returned to school full of determination to make this Alpha-Gamma's banner year. There is a wealth of good material; the freshman class numbering over four hundred. We already have a number of likely looking prospects in view and will introduce a number of new pledges to the fraternity in January.

The faculty committee on fraternities is now considering a rule whereby the fraternities must average eighty percent in scholarship in order to initiate new members. We are opposed to this rule as we think it too stringent but if it should go through, we think we will be able to make the grades easily.

On October 2nd Louisiana State opened the football season with a double-header, playing Jefferson College

and the State Normal. We won both games easily, the first 81-0 and the second 34-0. Our team showed up well and looks as though it will be the best we have had in many years.

We are pleasantly situated in the same place as last year and prospects for new material look better than ever before.

The names and addresses of the brothers returning to college are as follows:

C. R. Brown, Columbia, La.

R. G. Chandler, Shreveport, La.

T. D. Connell, Dixie, La.

H. H. Huckabay, Vivian, La.

J. K. Langston, Homer, La.

P. L. Miller, Baton Rouge, La.

W. D. Nelson, Lake Providence, La.

H. L. O'Bannon, Homer, La.

F. W. O'Bannon, Homer, La.

W. R. O'Pry, Alexandria, La.

E. D. Schneider, Lake Providence, La.

J. K. Walker, Clinton, La.

Alpha-Gamma sends best wishes to her sister chapters.

R. G. CHANDLER.

# ALPHA DELTA.

# GEORGIA SCHOOL OF TECHNOLOGY.

Classes did not begin at Tech this year until September 27th, and by that time the Alpha Delta men were ready to get back into the regime of scholastic work. For three weeks before classes were scheduled to begin men began to arrive from every part of the United States. Practically every member of last year's chapter spent the summer as becomes a true 'Rambling Wreck'—rambling. The tales of adventure the many brothers brought back would

—if compiled—make a good-sized novel of the sensational, hair-raising type.

But everyone arrived ready for work. For three weeks we turned carpenters, painters, kalsominers and interior decorators and worked steadily until the new home lost it's air of desertedness and took on a cozy, homelike attitude, as we sit around the fire and listen to the piano, guitar and mandolin renditions of Brothers Shields, Broyles and Strum we feel proud of reception hall and chapter room.

Brother Shields of Beta Chapter spends much of his spare time with us and with the assistance of Broyles and Strum he gives us daily musical entertainments that can hardly be beat. Broyles is a member of the famous Harmony Hounds—The Tech Quartette—and the Swiss Yodlers have nothing on Charlie. Strum, noted for his fishlike habits in the swimming tank, can also play a mandolin with no little ability. We invite any brother who comes through Atlanta to come out to our new home and hear this Pika Trio. Alpha Delta has a couple of swinging doors that lead right into her heart. We want every II coming through Atlanta to visit our new home and walk right through our swinging doors to a cordial reception.

Almost the whole bunch of last year has returned. Brothers "Speed" Manning, L. F. Kent, R. W. Olive, C. R. Stroup, Bill Estes, Henry Hart and Ben Noyes are missing.

But to fill the places of these brothers we have three affiliates from Alpha Epsilon. They are Brothers Frank Armstrong, Charlie Meyers, and Johnnie Stewman. Alpha Delta is glad to have these men with her and we feel that they are going to add to the strength of our chapters but we have three Frates en Facultas. They are Brothers Dunn of Alpha Kappa, Hill of Beta and Arm-

strong of Beta-Iota. All of these men have visited us at the house and we feel sure that they will be able to help us a lot during the coming nine months of scholastic worries.

So with so many old men returned, so many affiliates and so many faculty members there is no reason why we should not have a great year. We have started right by adding six good freshmen pledges to the list. Let us introduce the following pledges:

Alfred Carroll, York, S. C.
John King.
Exter, Savannah, Ga.
Carey Parker, Savannah, Ga.
Williard Bloxton, Greensboro, N. C.
Jess Hall, St. Petersburg, Fla.

The following old men complete the chapter roll of Alpha Delta:

William Henry Herndon, York, S. C. (S. M. C.) Hopper Watkins Russell, Montezuma, Ga. (I. M. C.) Bert Franklin Madden, Fayetteville, Tenn. (Th. C.) Walter Franklin Cox, Manchester, Ga. (Acting S. C.) The M. S. and M. C. have not been appointed.) Stanley Andrew Black, Greenville, S. C. Rolyn Emmett Lynch, Mechen, Ga. Joseph Alphonsus Cronk, Savannah, Ga. Daniel Joseph Oleary, Savannah, Ga. Robert Montford McFarland, Jr., Atlanta, Ga. Charles Joseph Broyles, Johnson City, Tenn. Spotiswood Randolph Parker, Henderson, N. C. Thomas Lauren Corwin, Newark, N. J. Ernest Franklin Tippetts, St. Petersburg, Fla. Alban Dougless Strum, St. Petersburg, Fla. Leslie Emerson Gradick, Jacksonville, Fla. John Newton McClure, Ga.

James Edward Smith, St. Augustine, Fla. John Harper Plumer Gilley, Hickory, N. C. Jacob Shuford Geitner, Hickory, N. C. Ralph Roberts, Lavonia, Ga. Henry Loyd Skannal, Shreveport, La. Eugene Ashcraft Lee, Monroe, N. C.

"Doc" Robinson, who led Alpha Delta through the successful year we only recently completed, has returned to Tech as Military Instructor. Alpha Delta welcomes "Doc" back and hopes that he will visit us as often as his duties will permit.

To all sister chapters we extend our hearty good wishes for a glorious and happy future.

WALTER F. Cox.

#### ALPHA EPSILON

NORTH CAROLINA STATE COLLEGE OF AG. AND ENG.

Vacation time is over and Alpha Epsilon has responded to her first roll call. Although our number is somewhat diminshed it is very gratifying to say that the appeal of old N. C. State brought back enough brothers to "carry on" the good work of our fraternity. The loss of Stewman, Armstrong, Meyers, Jones, Adams, Covington, Crowell, and Edgerton was a severe blow to our Chapter. Although these men are not with us in person we take great interest in their welfare, and extend to them best wishes and hope that the remainder of the year 1920 will have happiness, health, and success in store for them.

The men who registered for the ensuing terms are:

Charles O. Butler, 1808 S. Market St., Wilmington, N. C.

Joe S. Chamberlain, Hillsboro St., Raleigh, N. C. Merryman R. Davis, 300 10th Ave., Charlotte, N. C.

Clarence H. Lee, Monroe, N. C.

Thomas S. Lee, College Place Apts., Charlotte, N. C.

Thomas N. Park, Hawthorne Road, Raleigh, N. C.

Edwin Pate, Laurel Hill, N. C.

George T. Peoples, Townesville, N. C.

N. D. Pierson, Enfield, N. C.

Mason Page Thomas, 409 East High St., Charlottesville, Va.

T. E. Wray, Piedmont St., Reidsville, N. C.

C. H. Lee is a transfer from Alpha Alpha Chapter. We extend to him a hearty welcome and take great pleasure in announcing his affiliation with this Chapter. We feel very proud in at last succeeding in having with us one of the many Monroe Lees. We hope the future generation of Lees will follow his good example and make themselves known as Monroe Alpha Ep. Lees.

We are represented on the football squad by Butler, Park, and Peirson. Park and Peirson are letter men. Our football season opened on the 25th by defeating Davison 23 to 0. We are eagerly looking forward to the next four games which include the Navy, Penn. State, Georgetown, and Carolina. The game with Carolina is staged during the State Fair.

Alpha Epsilon takes great pleasure in announcing the initiation of Mason Page Thomas of Charlottesville, Va. He is out first initiate for the year and here's hoping we may get many more as good as Thomas.

The present outlook for new material is not so good as there seems to be very little fraternity material on the campus.

Here's hoping that all II's had a very pleasant summer and have returned to their respective colleges determined to make this the most successful year in the history of II. K. A.

To all our sister Chapters and alumni Alpha Epsilon sends greetings and best wishes.

M. R. Davis.

#### ALPHA ETA.

### UNIVERSITY OF FLORIDA.

Greetings to our brothers of Pi Kappa Alpha.

The University of Florida opened its doors for the regular 1920-21 session on September 20, 1920, with an increase of enrollment of nearly twenty-five per cent. The prospects for the ensuing year are exceedingly brilliant and Alpha Eta Chapter is ready to share in the success of this coming season of triumph, having thirteen men returned, two transfers, five initiates, and six pledges to her credit.

As usual, our rushing season is now in full progress, and we are getting only the best. We have pledged to date six men, and have several others in view.

On the gridiron, Pi Kappa Alpha seems to be well represented by Captain Baker, C. A. Anderson, B. G. Anderson, R. M. Swanson, and Pledge Meish. J. V Keen is assitant manager, with an excellent chance of securing the managership for next year.

As yet no celebrities have come to the front in other lines, excepting R. M. Swanson, who is now Director of the University Band. Other activities have not yet opened their work, but Alpha Eta is confident of having material which will ably represent the chapter in other campus activities.

In the social line we are in the front rank as usual. On October 9th, a delightful dance was staged at the Club and a large crowd attended, everyone reporting a splendid evening. The Pi Kappa Alpha pledges were the entertaining feature of the affair. Extensive plans are in progress for a winter of social triumphs.

In conclusion, Alpha Eta offers its best wishes for the success of all chapters of Pi Kappa Alpha and may this coming season place our Fraternity upon the highest pinnacle of success yet attained. Members returned:

C. E. Duncan, Travares, Fla.

D. R. Igou, Eustic, Fla.

R. E. Duckworth, Orlando, Fla.

J. V. Keen, Marianna, Fla.

R. M. Swanson, Gainesville, Fla.

C. A. Anderson, Palatka, Fla.

B. G. Anderson, Orlando, Fla.

M. F. Bunnell, Orlando, Fla.

G. W. Gray, Orlando, Fla.

A. E. Carpenter, Orlando, Fla.

J. K. Treadwell, Arcadia, Fla.

G. W. Spencer, Sanford, Fla.

H. L. Holland, Pensacola, Fla.

Transfers:

P. B. Divver, Psi Chapter, N. Georgia Ag. College, Atlanta, Ga.

C. H. Baker, Jr., Upsilon Chapter, Auburn, Jackson-ville, Fla.

We take pleasure in announcing the following initiates and pledges.

# Initiates:

M. S. Hauser, Tampa, Fla.

T. E. Kennan, Hilliard, Fla.

H. E. MacLean, Mobile, Ala.

A. G. Smith, Wauchula, Fla.

D. A. Rambo, Orlando, Fla.

# Pledges:

Frank Bruce, Palatka, Fla.

John Chestnut, Gainesville, Fla.

Walter Connolley, Sanford, Fla.

Edward Meish, Sanford, Fla.

Frank Pomeroy, Jacksonville, Fla.

A. L. Philes, St. Petersburg, Fla.

G. W. GRAY, Alpha Eta Chapter Fraternity.

### ALPHA IOTA CHAPTER.

#### MILLSAPS COLLEGE.

The opening of the session of 1920-21 finds Alpha Iota back on the campus with almost every member of last year returned. From all indications this will be a highly successful year for Millsaps and we also expect to make it a banner year for Alpha Iota. The two greatest improvements that this session brings are the erection of two new dormitories and the establishment of intercollegiate football. Millsaps can look forward to a steadily increasing enrollment and we intend for Alpha Iota to keep the pace and grow accordingly in both numbers and prestige.

The following members have returned:

W. L. Day, Brookhaven, Miss.

Austin L. Shipman, Ruleville, Miss.

L. B. Hebert, Abbeville, La.

H. H. Lansford.

Henry B. Collins, Jr., Onville, La.

John B. Harris, Jackson, Miss.

Dewey S. Dearman, New Augusta, Miss.

Michel C. Huntley, Shubuta, Miss.

Edmund B. Boatner, Potts Camp, Miss.

George B. Watts, Ruleville, Miss.

Leigh Watkins, Jackson, Miss.

Charles L. Wharton, Jackson, Miss.

Prentis E. Smith, New Augusta, Miss.

John F. Ruffin, New Augusta, Miss.

Joseph M. Howorth, Forest, Miss.

and Pledges:

H. H. Mellard, of Sumrall, Miss.

Flynt Reed of Wiggins, Miss.

We are very sorry that two of our members did not return, W. L. Kellogg and Kirby L. Swinney. We are glad

to welcome back Lansford who will finish this year after two years' service in the navy.

Pi Kappa Alpha is well represented by her men here in all branches of student activities. Shipman is holding down with credit the position of football manager and in all probability will play as quarterback. Hebert is editor in chief of the college weekly, "The Purple and White" and Howorth is business manager. The paper is being run on a larger scale this year as it is now an eight page weekly. It was through the efforts of these men and Bufkin, the editor of last year, that such a paper is made possible. We also have three other men on the staff, Watts, Wharton and Collins. Dearman, of the class of 1918-19, and Huntley, who graduated last year, are both teaching in the Preparatory School. No class officers have been elected and no athletic teams chosen so it is impossible to say how many more honors Alpha Iota will carry off.

We are located in the same chapter house we had last year, 324 Alexander avenue and here we have entertained the freshmen during the rushing season. A smoker was given Monday evening, September 27, and a jolly time enjoyed by everyone. On the Friday following we celebrated with a dinner party for some of the prospective freshmen. Rushing season is now about over and we hope soon to be able to introduce to the fraternity a bunch of freshmen of whom we can justly feel proud.

A prosperous and successful year is the wish of Alpha Iota to the other chapters everywhere.

HENRY B. COLLINS, JR.

### ALPHA KAPPA.

### MISSOURI SCHOOL OF MINES.

Missouri School of Mines started the fall term off Aug. 29, with the usual "I'm mighty glad to see you" spirit which is characteristic of the first few days of one's return.

Never before did the brothers return like this year—almost to a man—in threes, in pairs, and singly did they drop in. And wasn't it a "grand and glorious feeling" when you came back and found all the bunch waiting to greet you? Everyone came back alive with enthusiasm and fully awake to the fact that the II. K. A's must, as before, maintain our positions as leaders. Already our members are stepping into their places in the student activities and making their influence felt for the right and good of M. S. M.

Athletics at M. S. M. under the guiding hand of Coach McCune are again coming into their own. From present indications the team surely looks like a winner. Hosterman is out for half and if the old fight has anything to do with it, he will surely win his "M."

An event of much interest and surprise was the marriage of E. L. Miller to Miss Marion Knapp of this city. The ceremony was solemnized on August 27th at the home of the bride; thence followed a short wedding trip to St. Louis and Kansas City. A large circle of friends join the fraternity in extending their heartiest congratulations. Miller will continue his work at M. S. M. until 'Xmas when he will receive his degree.

The first informal of the season was given September 10, in the house parlors. Dancing was enjoyed until 12 o'clock when light refreshments were served. This was the initial appearance of the Freshmen in Rolla's society. Despite our previous warnings several of the pledges showed signs of "falling."

Notwithstanding that this was our first dance, everyone had lots of "pep" and the true II K. A. hospitality was shown.

Fiedler, after an absence of over three years in the army and elsewhere, has returned to capture the much coveted degree.

Schmidt and Riley are not able to be back for the fall term, but hope to join us in the spring term.

Pledging has been very successful this year and we can certainly be justly proud of our seven pledges.

Colbert has been elected S. M. C., Bailey I. M. C., and Hunt re-elected Th. C.

Hughes and Leonard returned this fall after an absence during the spring term of last year. Hughes, it will be renembered, in company with Webb left to develop a claim at Lakeview, N. Mexico. Webb has gone into Mexico to do more development.

T. S. Dunn paid us his usual summer visit, remaining thru the first several weeks of school. He left us to report to Georgia Tech. as Professor of Metallurgy and Geology.

Simson of Alpha Zeta was one of the recent visitors at the house. Collins of Beta Theta also called on us. He was traveling by auto en route to Tulsa, Okla.

Gov. Gardner and wife and Col. Woods and wife and Mrs. A. M. Kenney were guests at a six o'clock dinner on September 30. The Governor and party were on a campaign tour thruout the state.

The following are the home addresses of the II's in school:

H. L. Bailey, Virginia, Ill.

W. H. Baxter, Washington, D. C.

K. W. Booker, Kansas City, Mo.

C. P. Burford, Beaumont, Tex.

J. P. Colbert, Maryville, Mo.

B. S. Cornwell, St. Louis, Mo.

R. Fielder, Shelbyville, Ind.

H. C. Fleck, El Paso, Tex.

B. E. Hammer, Sullivan, Mo.

J. F. Hosterman, Kansas City, Mo.

H. H. Hughes, Los Angles, Cal.

R. W. Hunt, Independence, Mo.

P. H. Karges, Kansas City, Mo.

I. W. Keyes, Richmond, Mo.

B. M. Layton, Ferguson, Mo.

H. L. Leonard, Rolla, Mo.

E. L. Miller, Kansas City, Mo.

H. O. Norville, Beardstown, Ill.

H. S. Pence, Fall City, Nebr.

Bruno Rixeleben, Anna, Ill.

Sayle Robertson, Grant City, Mo.

M. I. Signer, Tonica, Ill.

W. L. Stewart, Pittsburgh, Penna.

C. L. Smith, Rolla, Mo.

W. W. Weigle, Frederictown, Mo.

M. P. Weigle, Frederictown, Mo.

V. L. Whitmore, Nevada, Mo.

A. C. Williams, Sullivan, Mo.

W. C. Zeigler, Providence, R. I.

G. S. Wyman, Kansas City.

To the new Chapters: accept Alpha Kappa's congratulations. To all: accept Alpha Kappa's sincere wishes for a most successful year.

H. S. PENCE.

### ALPHA-LAMBDA

### GEORGETOWN COLLEGE.

Alpha Lambda opened her fifteenth year with probably the brightest prospects in her history. She comes to the opening of the year with the largest active chapter she has ever had.

The following old men are present:

H. Boyles Taylor, Jr., Murray, Ky.
Thoras Muir Funk, Brooks, Ky.
Charles Dudley Adams, Georgetown, Ky.
Courtland F. Pollard, Port Royal, Ky.
John W. Davis, Owenton, Ky.
L. Eugene Jones, Princeton, Ky.
Charles Spurgeon Foley, Lexington, Ky.
W. Clark Bailey, Harlan, Ky.

The following old pledges have returned:
J. L. Cloar, J. Gaines Huey, Sam Pollock, W. V. Pierce,
and James Moreland, Georgetown, Ky.

We take pleasure in announcing the pledging of:

Leonard C. Smith, Georgetown, Ky.

Herman B. Hubbard, Campbellsville, Ky.

At the first meeting of the Chapter the officers elected and appointed were as follows:

C. F. Pollard, S. M. C.

C. D. Adams, I. M. C.

L. E. Jones, Th. C.

W. C. Bailey, S. C.

J. W. Davis, M. S.

Alpha Lambda continues to hold a most prominent place on the campus. At the installation of the Honorary Journalistic Fraternity, Alpha Delta Sigma, three of the charter members were II's, Adams, Bush, and Taylor. Pledge Moreland was also a charter member.

L. E. Jones is captain of Georgetown's light, but fast, football team. C. D. Adams is holding down the place of quarterback. C. F. Pollard and pledges Cloar and Pollock are promising candidates for the team. Pollard and Adams were chosen to lead the baseball and basketball teams respectively.

On Saturday night September 25th, Alpha Lambda gave her first smoker. Sister II's residing in Rucker Hall prepared delightful refreshments of sandwiches and tea. Several likely prospects were present.

Alpha Lambda extends to her sister chapters the best wishes for the coming year.

JOHN W. DAVIS.

#### ALPHA NU

#### University of Missouri.

The college year opened on September 1st, with a good attendance, and we have entered on what appears to be a very prosperous year. The following old men have returned to the folds of Alpha Nu:

T. Orr Mullinax, Princeton, Mo. Dupuy G. Warrick, Kansas City, Mo. John C. Brackett, Kansas City, Mo. Carl Heidbreder, St. Louis, Mo. Wylie P. Wilkerson, Mokane, Mo. John W. McHaney, White, Oak, Mo. Frank Davis, Warsaw, Mo. Wm. A. Hemphill, Jr., Kennett, Mo. James H. Ballard, Jr., St. Louis, Mo. Emory K. Johnston, Sedalia, Mo. James W. Price, Princeton, Mo. Milton E. Bitter, Quincy, Ill. George Davis, Hornersville, Mo. Richard Weber, Kansas City, Mo.

Victor Weber, Kansas City, Mo.
Truman Mathews, Kansas City, Mo.
John W. Olson, St. Joseph, Mo.
Wiliard P. Russell, Cape Girardeau, Mo.
William Sears, Clifton Hill, Mo.
Avery A. Drake, Laredo, Mo.
Robert Newberry, Fredericktown, Mo.
Bernard Simons, Trenton, Mo.
Lester Bailey, Oregon, Mo.

We were very fortunate in having many visits from our alumni during rush week: George Bast, Louisiana, Mo., Sterrett Titus, Kansas City, Mo., Mike Brown, Sherman, Texas, and Arthur Brackett, Kansas City, Mo. It was due to the loyalty, and concentrated efforts of these men along with the old time pep of the members that made it possible for us to bring into line some of the best freshmen in school. So it is with great pleasure that we announce the following pledges:

James W. Shumake, Kansas City, Mo. Myers Campbell, Kirksville, Mo. Tad Simons, Trenton, Mo. Cecil Merrifield, Chillicothe, Mo. John J. Killion, Portageville, Mo. Roger M. McCall, Harrisonville, Mo. Norton B. Smith, Kansas City, Mo. Lewis M. Brodnax, Kansas City, Mo. Wendell Spencer, Princeton, Mo. James O. Harvey, Armstrong, Mo. Norris A. Mayo, Clifton Hill, Mo. Andrew J. Murphy, Jr., Louisiana, Mo. Albert J. Lafferty, Louisiana, Mo. Elmer A. Sadler, Malden, Mo. Russell R. Casteel, Princeton, Mo. Leslie M. Crouch, Jr., Harrisonville, Mo. Sam B. Armstrong, Harrisonville, Mo.

Alpha Nu enjoyed the short visit that Hal McHaney was able to make on his way back to the University of Virginia, where he will continue his study of Law. It is rumored that Hal is contemplating on taking his last year of law, which is next year, back at old Mizzou. We sincerely hope that this rumor will materialize into a reality for we all hated losing McHaney to Alpha Chapter.

The two lower floors of the Chapter house have been redecorated throughout. Walls of French Gray with draperies featuring a motif in blue; tapestry furniture and new lighting fixtures combine to accomplish a most pleasing effect.

Football is the main topic on the campus this fall. With the same coaching staff, and most of the Letter men back, the Tigers will be strong contestants for holding the Valley championship which they carried off last year.

This year our Home-coming celebration will be Thanks-giving, the day of the big game with K. U. So Alpha Nu is expecting, and urges all the alumni that can to be present on that day.

Alpha Nu extends sincerest wishes for a successful year to her sister chapters.

WM. A. HEMPHILL, JR.

# ALPHA XI

# University of Cincinnati.

The fall opening of Varsity found Alpha Xi in better shape than it has been for many years. Old men returning, no graduations, and transfers to the chapter have been so favorable that we will start off the year with an active chapter of 29 brothers. The following brothers are in college:

Joseph H. Williams, Cincinnati, O. Edward Wagner, Cincinnati, O. Edward C. Strietelmier, Cincinnati, O. Louis J. Henshaw, Cincinnati, O. William C. Havelaar, Patterson, N. J. George Eilers, Cincinnati, O. John Wagner Eilers, Cincinnati, O. Percy H. Fitzgerald, Fitchburg, Mass. George M. Arnold, Escanaba, Mich. Kenneth E. Greiser, Cincinnati, O. Howard C. Curtis, Athens, Pa. Alfred J. Wenzel, Norwood, O. Fred Schierloh, Lockland, O. Joseph Edmoanston, Cincinnati, O. T. Ernest Elliot, Cincinnati, O. William Maxwell Fuller, Chicago, Ill. Gordon Billard, Brooklyn, New York. Claude C. Wilkerson, Covington, Va. Thomas J. Denham, Cincinnati, O. Wallace McIntyre, Norwood. O. Randal Walker, Cincinnati, O. Byron Wydman, Cincinnati, O. George M. Palmer, Montgomery City, Mo. George P. Metzger, Miami, O. Clifford Thomas, Cincinnati, O. Gerald Fitzgerald, Fond Du Lac, Wis.

In addition to these, Alpha Xi takes pleasure in introducing two newly acquired brothers:

Thaddeus Tarman, Casson, Minn. Richard Crosset, Cincinnati, O.

These two brothers were taken into the bonds on June 1st, 1920, and are both returning for the fall term.

We are also fortunate in having with us this year. Hollis H. Bush, 12 Walling Court, Davenport, Iowa, who comes to us from Beta Iota, where he was a charter mem-

ber. Bush since his service in the 32nd Division, including four major offensives and one defensive sector has been with the Phelps Light and Power Co., of Rock Island, Illinois. He comes to study Electrical Engineering.

Our rushing season this year has been a most interesting one, comprising an array of parties and dances given to the Rushees. The evening of September 15th, was turned over to a big stag banquet at the Chapter House. The house was beautifully decorated in Mountain Laurel and American flags. Entertainment was furnished by three professional entertainers from Harmony Club, who were all there with the pep and catchy songs. The company was arranged in parties of four so that individual attention was given to the Rushees. Other pleasant features of the evening were the singing of Varsity and Fraternity songs, and talks by some of our noble Alumni. District Chief Frederick Lotter was much in evidence and gave the Freshies some idea of what Fraternalism really means. Herbert Frederick Koch, Alumnus, also gave a very interesting talk on the Freshman and his policy.

September 18th also bloomed forth as an illustration of a real rush party and amid songs and unusual hilarity, "Hearts were won for the best Fraternity under the Sun."

Then the big day opened, September 20th and amid the clamor and din of registration Alpha Xi chose her men, and we are proud to announce to our sister chapters the results of our work.

Introducing the Pledges:
Howard Herrlinger, Cincinnati, Ohio.
Kirby McCord, Cincinnati, Ohio.
Richard Sanders, Cincinnati, Ohio.
Carl Rankin, Cincinnati, Ohio.
Ed. Koch, Cincinnati, Ohio.

The day was climaxed with a big dance in honor of the pledges, at the chapter house, Eddie Ball and his own "Gloom Chasers" furnished the music and there were no spare minutes in the evening's performance. The same old Pi Kap spirit dominated and it was with real regret that we left after the clock tolled one.

Alpha Xi is well represented this year, Buck Wenzel as Frosh football coach, Geirge Eilers, Mike Palmer, Fred Shierloh, and others are out for football, while Eddie Strietelmier will supervise the vigilance committee and lead the cheering. The brothers are all very enthusiastic this year, and we look forward to a most profitable time for the chapter.

One of the freshman pledges has been chosen manager of the Frosh football team and promises to be an active man in Varsity affairs. Richard Sanders is the pledge so honored.

With seasons greetings to all of our sister chapters and best wishes for the coming year.

K. E. GREISER.

# ALPHA-OMICRON.

# SOUTHWESTERN UNIVERSITY.

On September 28 Southwestern University witnessed the registration of a very large Freshman Class. The upper-classmen returned almost 100 per cent. Alpha-Omicron is smiling on the bright prospects of the season and we are very proud that we have 85 per cent of last year's chapter enrollment back with us this year.

On the gridiron we are represented by the excellent work of Campbell and Rendleman, who was appointed Manager of Football by the Athletic Council at the opening of the term. Egger is now principal of the Georgetown High School and Director of Interscholastic Athletics for Williamson County. He is registered for work in the University and is keeping up his active membership in the Chapter.

Alpha-Omicron takes great pleasure in announcing the initiation of Emory Guenther Horger of Georgetown, Texas. We are also pleased to announce the return of D. V. Crites of Nocona, Texas. He was here during the S. A. T. C. term and attended Southern Methodist University at Dallas, Texas, one term of last year.

The co-eds should not go unspoken of so let me say that the Freshmen girls have taken a very conspicuous place in the College society. They are an exceptionally goodlooking bunch and thus far we have let them know that Pi Kappa Alpha is on the campus.

The following old men have returned for the Fall term:

Floyd H. Arnold, Atlanta, Texas.

T. W. Boggess, Kemp, Texas.

E. D. Campbell, Georgetown, Texas.

C. H. Davidson, Little Rock, Ark.

H. L. Egger, Greenville, Texas.

S. F. Foster, China Springs, Texas.

J. C. Holloway, Waco, Texas.

W. C. Pope, Granger, Texas.

D. V. Crites, Nocona, Texas.

W. B. McDaniel, Floresville, Texas.

M. L. Rendleman, Jr., Austwell, Texas.

Wm. Schomerus, Iola, Kansas.

T. W. Williams, Kemp, Texas.

Emory Horger, Georgetown, Texas.

Pledges:

W. B. Adams, Cameron, Texas.

Alpha-Omicron wishes a bright and successful year for her sister chapters.

TEMPLE W. WILLIAMS, M. S.

### ALPHO RHO

### OHIO STATE UNIVERSITY

Alpha Rho members returned to college this fall filled with all the confidence and energy necessary to carry them thru Ohio State's biggest year. During their summer vacation the house had been touched up somewhat—a little paint here and there, redecoration of the music room, refinishing of the floor in the sun parlor, and several articles of new furniture for the library.

Registration at Ohio State has risen almost to the 7000 mark, with more students arriving daily. Extensive plans are being laid for the Semi-Centennial Celebration to be held on the campus October 12th-16th. One of the features of the celebration is to be a great pageant depicting the steady growth of the university from a bare idea to its present position as one of the largest educational institutions of the middle west. Another feature of Centennial Week will be a genuine, old fashioned barbecue with roast oxen—twelve of them—stunts conducted on a big chatauqua scale, red fire, all sorts of noise and music, and a crowd which is expected to reach 15,000.

Alpha Rho, together with other campus organizations, is to have a part both in the pageant and in the performance to be staged the night of the barbecue. We are hoping that many of our alumni, ancient and modern, will seize the opportunity to look over the old stamping grounds and visit the chapter in its new home. A banquet in honor of visiting alumni is planned for the night of October 16th, following the Purdue football game.

Among the important changes during the summer was the marriage on September 3rd of Brother Finney to Miss Grace Edgar, of Columbus. It was a big surprise, from which some of the brothers have not yet recovered. The chapter rises en masse to wish the bride and groom the best of good luck for future years. The chapter starts the year with twenty-nine active men back, in addition to the following new men who were initiated October 3rd:

Ralph Brown, Columbus, Ohio.
Luther Sloan Clark, Akron, Ohio.
Howard Drake, Lebanon, Ohio.
Lewis Collis Dickson, Maysville, Ky.
Raymond Fesler, Youngstown, Ohio.
Lynden S. Hock, Bellevue, Ohio.
Theodore A. Keener, Dover, Ohio.
Alfred G. Kennedy, Pittsburgh, Pa.
Richard H. McClure, Toledo, Ohio.
Lovell W. Rohr, Columbus, Ohio.
Kenneth Pauley, Youngstown, Ohio.
Chester Yater, Toledo, Ohio.
Glenn D. Gurney, Canton, Ohio.

Of the new men, Fesler and Pauley are out for varsity football, and Keener and Gurney for cross country. With Hill as captain, the Pi Kaps should have plenty of influence in track circles this season.

The first dance of the season, held October 1st, was in honor of the new initiates and the following new pledges:

Norman Halls, Youngstown, Ohio. Charles W. James, Cincinnati, Ohio. W. E. Lopeman, Bellevue, Ohio. Homer Mattingly, Newport, Ohio. Clarence Pollatsek, Columbus, Ohio. Lloyd Price, Pittsburgh, Penna.

Following are the names and addresses of the brothers for this year:

Warren J. Baker, 325 W. 10th Ave., Columbus, O. Ralph A. Beers, 1943 Waldeck Ave., Columbus, O. Max Bridgeman, 1943 Waldeck Ave., Columbus, O. Ralph Brown, 255 Avondale Ave., Columbus, O.

### ALPHA SIGMA

# UNIVERSITY OF CALIFORNIA.

A wonderful summer has just ended and the wandering brothers have returned again to the native heath. The Far West is surely a spacious place but Alpha Sigma seems represented in all its corners during the holidays. The brothers certainly grasped vacation opportunities in diverse fields. Here is a representative few:

Frank Morgan and Rolland Senter observed the Orient first-hand when they made a three months' tour with the University Glee Club. They brought home silk shirts, georgeous ties, mandarin coats, magnificent portrait embroidery, and, as Rol put it, "everything that was cheap."

George Steed punched cattle in the Sacramento Valley.

John Craig "lifted templates" and other such things, as a shipfitter in the Shaw-Batcher yards.

Bill Eggleston took to the hills as a government ranger.

Mike Raffetto spent the summer up near Placerville in the employ of the Standard Oil Company.

Soap Arnot was an overworked "follow-up" man in a mountain box factory.

But a few, whom we called the "Firing Guards" remained in town, keeping up a rapid fire correspondence to assure the second big payment on our new home. The first installment had already been met; the alumni had responded like princes and the vacation efforts of the

active men was to be the deciding factor in the clinching of the deal. This payment was to be met on the first of September or the house forfeited. Perry Nollar, Newt. Enloc and Irv. Birmingham with our own Mother Camper, kept the fellows posted weekly on the situation—which was, for a time, critical.

The boys came through. Throughout the summer the checks came in—some large, some small, as each fellow saw his duty. Promises made in the heat of enthusiasm of our planning days were not forgotten when the fellows were heaving bales throughout the hot days in the valley, or riding the range in the Sierras. The payment was met and the house today is ours—beautiful, commodious—something we had worked for long but had hardly expected so soon.

We celebrated the opening shortly after the beginning of the semester with a reception to the alumni, followed the next evening by a dance.

John Craig let his artistic genius loose again and the harmonic decorative scheme which he evolved was, as one of the women expressed it, "unbelievable of a man." Modest John could only blush, saying, "I'm so glad you like it—really—"

We had a glorious time; those who came could not say enough in praise of our new "chateau." We have certainly been given an impetus and are on our toes for a more-successful-than-ever semester.

The recent scholarship announcement shows Alpha Sigma second of all the 45 men's fraternal organizations at California.

The inter-fraternity track and baseball schedule has just been announced and Alpha Sigma hopes to retain the cup she already has, as well as make a lusty effort for the other. Athletic artists like Tay Brophit, Art Eggleston, Frank West, Bob Hutchinson, Steve Brophy, Fred Fuller, Fuzz Watson and the numerous others can

not help but keep Pi Kappa Alpha in a place of athletic prominence.

In Dramatic lines Alpha Sigma has also shown herself competent. This activity will be discussed in the next letter; for at that time many plays now in rehearsal will have been produced and deserved credit awarded.

Alpha Sigma is glad to announce the following initiates:

John C. Robb, Manila, P. I.

William J. Shaw, Berkeley, Calif.

Fred. O. Graham, Menatchee, Wash.

Clare M. Small, Tillamook, Oregon.

Michell N. Abramson, San Francisco, Calif.

Harold G. Huovenen, Oakland, Calif.

There is one Pledge:

Robert Pusey, Sequoia Apts., Berkeley, Calif.

The addresses of the returned members are as follows:

E. F. deFreitas 418 East 19th St. Oakland, Calif.

A. D. Powers, 5608 Miles Ave., Oakland, Calif.

L. A. Raffetto, Placerville, Calif.

F. T. Fuller, Colfax, Wash.

J. L. Petersen, Fresno, Calif.

S. B. Randall, 2413 Bancroft Way, Berkley, Calif.

E. E. Meyers, 1234 East 18th St., Oakland, Calif.

A. B. McRae, Chico, Calif.

A. D. Eggleston, 5345 Manila Ave., Oakland, Calif.

S. L. Brophy, 1612 26th Ave., Oakland, Calif.

G. H. Gray, 598 Walsworth Ave., Oakland, Calif.

W. J. Lonehan, 2937 Linden Ave., Berkeley, Calif.

N. J. Ronald, 1520 3rd Ave., Oakland, Calif.

E. C. Raffetto, Placerville, Calif.

D. J. Gillies, 3830 Park Blv'd., Oakland, Calif.

J. B. Craig, Fort Dodge, Iowa.

G. L. Bender, San Francisco, Calif.

R. H. Hutchinson, 2101 Telegraph Ave., Oakland, Calif.

H. W. Franklin, Los Angeles, Calif.

F. S. West, 2324 Piedmont Ave., Berkeley, Calif.

T. L. Douthit, 224 Athol Ave., Oakland, Calif.

W. S. Eggleston, 5345 Manila Ave., Oakland, Calif.

P. F. W. Nollar, Los Angleles, Calif.

H. C. Watson, Biggs, Calif.

H. F. Morgan, Santa Cruz, Calif.

N. T. Enloe, Oxford Apts., Berkeley, Calif.

Alpha Sigma sends her heartiest wishes to her sister chapters.

DON GILLIES.

### ALPHA TAU

### UNIVERSITY OF UTAH.

The following are the names and addresses of the members of Alpha-Tau who have so far returned to school:

George Ferrlund, 646 Washington Ave., Ogden, Utah. Parley Holman, Fountain Green, Utan.

G. A. Rynearson, 211 S. State St., Salt Lake City.

A. A. Thorum, Murray, Utah.

J. R. Jepson, 341 Bryan Ave., Salt Lake City.

A. H. Cannon, 1354 S. 9th West, Salt Lake City.

Eugene Christensen, 931 Wilson Ave., Salt Lake City.

C. F. Fox, Lehi, Utah.

Leland W. Prouse, 124 6th East, Salt Lake City. Ralph Gray, 1342 E. 3rd South, Salt Lake City.

L. W. Clayton, 336 B. St., Salt Lake City.

J. D. Frederickson, Malad, Idaho.

C. Dean Dinwoodey, Idaho Falls, Idaho.

Elmer Dean, 1130 Bueno Ave., Salt Lake City.

Jack Cannon, 1354 S. 9th West.

T. A. Clawson, 158 1st Ave., Salt Lake City.

Vern Halliday, 232 Canyon Road, Salt Lake City.

S. W. Riter, Logan, Utah.

Joseph Worthen, 256 W. 7th South, Salt Lake City. Nile Husher, Murray, Utah.

W. C. Call, Brigham City, Utah.

E. C. Jorgenson, Richfield, Utah.

Royal Hendricks, Rochester Apts., Spokane, Washington.

Glen Watkins, Bingham City, Utah.

Rolph Bolin, 248 University St., Salt Lake City.

David Cannon, 1354 89th West, Salt Lake iCty. Thomas Browning, 667 26th St., Ogden, Utah.

Nels Young, 175 4th Ave., Salt Lake City.

Alma Burton, 2260 S. State St., Salt Lake City.

J. A. Robinson, Fillmore, Utah.

Pledge Lindsay, Paris, Idaho.

School has started auspiciously for both our college and fraternity. The ranks of Alpha Tau seem somewhat depleted since some of our members are not with us for various reasons. But the year ahead looks good and we plan to make the most of it.

The Faculty has make a very important ruling affecting fraternities. It has decreed that Freshmen can not be rushed, pledged, or initiated to any fraternity or sorority during their first year. The Greek letter societies have taken this ruling in good part, and we feel that though it will work a hardship the first year the best interests of the school and of the fraternity will be served in the long run.

The football season has begun and among the squad are numbered: Prouse, Gray, Watkins, Jack Cannon, Jorgenson and Fredricksen. The swimming team is already in action with Jack Cannon and Bolin, captain and manager respectively of the college team. We have in the Student Body offices Phonse Thorum, President; Lee Prouse, student representative on the Athletic

Council; Joseph Worthen, Representative on Debating Council, and the Junior Class has elected Dean Dinwoodey to the Prom Committee.

Our house on 169 S. 13th East is in charge of Mother Knowleen who has managed university students for fifteen years and been a fraternity mother in the University of Nebraska for years. She has the house in fine shape and is taking care of twelve out-of-town brothers.

The Alumni are active this year and we count on a good deal of support from them. Among others who have gone away to take graduate work in eastern colleges are Bryan Johnson and Adolph Shafsky who are in the Harvard Law School. We have some of the Alumni at college with us, they being Parmelee, Secretary to the President; Boyer, head of the University High School; and Callister, who is teaching in the Medical School. It may also be interesting to note that in this Mormon city and state we have among our number eight members who have left for missions since the close of last year's school or who will be called to the mission field soon. They are Macfarlane, Barnes, Pingree, Jacobsen, Castleton, Patrick, Goddard, and Turner. They will stretch over a territory from New Zealand to Switzerland.

We can see a steady progress in Alpha Tau and this chapter will always work for a better school and a better fraternity.

# ALPHA-CHI.

# SYRACUSE UNIVERSITY.

Alpha-Chi is facing one of the biggest years in her history! With a splendid array of new men and with every man back from last year ready to boost the chapter, our hopes run high for putting Pi Kappa Alpha higher than ever before among fraternities on the Hill.

Altho handicapped somewhat by the work which is rapidly going forward in improving and remodeling the chapter house, affairs in general are running very smoothly. Under the direction of Alpha-Chi of Pi Kappa Alpha Building Corporation, a new addition to the south enlarging our dining-room, and two additional rooms on the ground floor, with enlargement of rooms on the second floor to the rear of the house are going forward rapidly. We hope to have nearly all improvements completed within a month or six weeks.

With the largest registration in the history of the university, Alpha-Chi has been successful in picking some of the best men on the Hill and at the present writing nine pledges have been secured. We are pleased to announce the pledging of:

Lynn Waldorf, '24, Cleveland, Ohio.
Kent Meyers, '24, Cleveland, Ohio.
John Keffer, '24, Cleveland, Ohio.
Neal Henry, '24, Wooster, N. Y.
Alois Kalinowsky, '23, Syracuse, N. Y.
Edgar Williams, '24, Buffalo, N. Y.
Donald Smith, '24, Lockport, N. Y.
Douglas Johnson, '24, Watertown, N. Y.
Willis Stone, '24, Mexico, N. Y.

Football is the main topic of discussion on the campus today. Undoubtedly, Syracuse will rank among the best teams in the East this year with an eleven practically intact from last year's championship team. "Tommy" Thompson, guard in 1917, and regular on "Buck" O'Neil's famed eleven of last year, is playing regularly again this season in his old position. "Tommy" will be heard from in big part in the Pittsburgh and Colgate games this year and will be a big factor in the results of all games.

"Bill" Taylor is also working hard for a regular berth on the Varsity team. It is with a great amount of pleasure that we can introduce Cheermaster "Jack" Spry. Spry was elected to that all important position immediately after the opening of college and already has demonstrated his exceptional ability in leading the Orange rooters. With Spry and Peck on the Senior Council, Alpha-Chi is well represented in the upperclass government. Peck is president of the Inter-Fraternity Conference.

"Butch" Derby is Captain of the soccer team and is leading a squad of nearly fifty men this year. The first game of the year will be played Saturday followed by Swarthmore and the University of Pennsylvania. Stanley Dibble is making a strong bid for a regular berth on the soccer eleven.

Pi Kappa Alpha will be strongly represented in the literary field this year with "Pierre" Tolley Editor of *The Onondagan*, the University yearbook. Tolley is also president of Boar's Head Dramatic Society and will soon start work on putting across the regular dramatic success of the season.

In the basketball field we will have two strong men out for positions on the Varsity. "Dan" Parker, a veteran of last year's squad, and "Bill" Taylor, last years captain of the winning Freshmen five will be out at the first call. The schedule for this year's quintet is the best ever arranged, as every member of the Collegiate League as well as Pittsburgh and New York University will be met, making twenty-two contests in all.

With every man out for some form of university activity and with keen interest in fraternity and university affairs, there seems to be no hindrance in the way of Alpha-Chi becoming a leading figure on the Hill. Our officers this year are starting out with the backing of every man in the chapter for the betterment of boosting of Pi Kappa Alpha. Earl Tolley as S. M. C. is bound to make an energetic leader in the chapter as appears from early indications.

The following brothers have returned to the chapter this year:

Earl V. Tolley, 129 West End Ave., Binghampton, N. Y.

Harold Ernest Spry, 41 Sturdevant St., Wilkes-Barre, Pa.

Crandall Foster Phillips, 1027 State St., Watertown, N. Y.

Donald Brown Harrington, East Syracuse, N. Y.

John Taper Avery, 990 Ridge Road, Buffalo, N. Y.

DeWitt Everett Hooker, 1712 W. Genesee St., Syracuse, N. Y.

Jack Ward Lucas, 223 Arlington St., Watertown, N. Y. Willis Seamons Peck, Pulaski, N. Y.

Florent Eugene Verdin, Spring Valley, N. Y.

George Bryan Thompson, Luzerne, N. Y.

Duncan Gargner Rankin, Bassetere St., Kits, Br., W. Indies.

Paul Bradford Hanks, Friendship, N. Y.

Daniel Minor Parker, 42 Church St., Whitehall, N. Y. Edward Morgan Jones, 335 Otsego St., Ilion, N. Y.

Floyd Herbert Pease, 22 Moffatt Ave., Binghampton, N. Y.

Harold Charles Siebert, 18 Charles St., Jersey City, N. J.

William Pierson Tolley, 129 West End Ave., Binghampton, N. Y.

F. Marion Pratt, 609 East Sixth Street, West Liberty, Iowa.

Austin Clark Derby, 10 Burke St., Townsen, Md.

Lewis Edward Angwin, 128 Bloom St., Scranton, Pa. Bruce Bartlett, Sandy Creek, N. Y.

Arthur Howell Love, 276 Holland St., Syracuse, N. Y. Lester Eugene Angwin, 128 Bloom St., Scranton, Pa. Stanley Marcus Dibble, 625 Chenango St., Binghampton, N. Y.

John Lewis Craddock, 115 Kellog St., Syracuse, N. Y. Velours Eben Andrews, Main St., Deerfield, Mass.

Clinton Edward Henry, Worcester, Mass.

Edgar McDowell Tillman, 313 High St., Painted Post, N.Y.

Thomas E. Farley, Elmira, N. Y.

Alpha-Chi extends her very best wishes to her sister chapters and sincerely wishes all a most successful year.

F. M. PRATT.

### ALPHA PSI

### RUTHERS COLLEGE.

Greetings, brothers! Alpha Psi is back again to begin what appears at the outset a most promising year. With eighteen men back at the present time and five pledges, we hope to make our chapter this year surpass all previous years.

We have pledged the following '24 men:

Richard H. Cundy, Franklin, N. J.

Walter H. Donahue, Franklin, N. J.

Frederick W. Frei, Palmyra, N. J.

Alfred W. Platt, Delanco, N. J.

Carl Wolff, Highland Park, N. J.

. When most of us returned in September we found one of our pledges, Carl Wolff, brother of Fred Wolff, '13, on the Varsity football squad as a fullback. Johnnie Hubbard and "Swede" Swenson were also out trying to break thru the Varsity line at every scrimmage. After we opened, Herb Campbell, a member of the 1917 Varsity squad, reported for practice and we hope to see him on this year's squad before long. Platt, a pledge, is out for assistant manager.

Pledges Donahue and Frei reported for Cross Country practice and when preliminary baseball practice was called, Herb Brower, catcher of last year's Varsity team, Kelly, pitcher on the Rutgers Reserves and chapter teams, Briwa, catcher on the chapter team, and pledges Gundry and Platt reported. Pettengill and Hance of last year's Varsity swimming team are with us again, as it also Brother Carl Wolff, after a year's absence, who swam the 220 for the Varsity in 1918-19.

So much for athletics. We shall be well represented on the musical clubs, The Targum, and the many other student clubs and organizations. As soon as our first floor is refurnished we hope to have many pleasant dances and house parties throughout the year.

As in years past we are again one of the few fraternities at Rutgers that is able to eat in its own house and we are very fortunate in having our old housekeeper back, and one of no mean ability. And Jimmie Corrigan, absent last year, is our worthy steward.

In scholarship, too, we hope to excel; few have conditions to remove—and this year Alpha Psi will be there!

The names and home addresses of members returning follow:

Harold R. Breigs, 89 Market St., Perth Amboy, N. J. Herbert R. Campbell, 323 N. 8th St., Paterson, N. J.

### ALPHA OMEGA.

KANSAS STATE AGRICULTURAL COLLEGE.

The week of Sept. 13 was a real home coming to the brothers of Alpha Omega. It was more real because of the presence of our dear Mother Sargent who was here to greet us all as we came back.

Registration day saw twenty one old men taking out assignments. They were:

George F. Kelley, White Cloud, Kansas.

Carl F. Uhlrich, Wamego.

Merton L. Otto, Riley.

Jesse C. Wingfield, Junction City.

Earl A. Chappell, Norton.

Russell V. Knapp, Norton.

George W. Fisher, Sedalia, Mo.

Otto F. Fisher, Sedalia, Mo.

William E. Haney, Lawrence.

Horace M. Randells, Anthony.

Phil H. Williams, Ottawa.

Paul Evans, Lawrence.

Oscar E. Kinkead, Troy.

Dale S. Simonson, Anthony.

Claire A. Downing, Wichita.

Herbert S. French, Corpus Christi, Texas.

La Monte Grover, Salina.

Clifford F. Joss, Manhattan, Kansas.

Cecil W. Moore, Manhattan, Kansas.

Donald K. Corby, Manhattan.

John W. Van Vliet, Manhattan.

After a very exciting rush week it is our pleasure to announce the names of ten men pledged. They are:

Emmett Graham, Manhattan.
Burton Colburn, Manhattan.
Ralph E. Adams, Norton.
Preston E. Brown, Atchison.
Robert Gwinn, Anthony.
Charles Couch, Anthony.
Norman Platner, Ellis.
Ralph Jenkins, Perry.
Leo Cavenaugh, Perry.
Wallace Goodell, Independence.

Both, brothers and pledges are taking a very active interest in college activities. We have a good representation in all activities on the hill.

Otto, who is president of the Block and Bridle club is now in Des Moines, Iowa, on the swine judging team.

Knapp is treasurer of the Royal Purple for this year and is also a member of the Glee Club.

Corby was elected school cheer leader.

George and Otto Fisher are playing on the band.

Downing and Pledge Adams are in the orchestra.

Kelley is treasurer of the Klod and Kernel Klub.

Randalls and Pledge Platner are out for Varsity football. Randells has already made two Ks and is almost certain of a berth at left end for the coming season.

Pledges Jenkins, Crouch and Goodell are out for Freshman football.

Wingfield is out for the cross country run.

Chappell and Pledge Gwinn are out for track.

We are glad to have with us this year Sam Pickard of Beta Gamma.

Alpha Omega sends her best wishes to all her sister Chapters.

W. E. HONEY.

### BETA ALPHA

### PENNSYLVANIA STATE COLLEGE.

Greetings! To you, sister chapters at this, the beginning of another college year! Success and happiness are our heartiest wishes.

With thirty-four active members returning to the chapter house, our chances for another year are very bright. Our first social function of the college year was held in the form of a dance, September 25, scarcely a week after college had opened. The affair proved to be one of the best in the history of the chapter.

The celebration of Alumni Day on October 9 will be the first event of it's kind in the annals of the college. The chief attraction of the festivities will be the annual football game with Dartmouth. Smokers and banquets will fill the remainder of the program. The return of many alumni is expected, and this in itself promises success for the occasion. At this time Beta Alpha celebrates her seventh anniversary with a birthday party for the chapter house, and we are hoping that a goodly number of the older Brothers will be present to take part in the celebration.

Penn State is anticipating another successful football season this year. Our first game resulted in a victory over Muhlenburg College, score 27 to 7. The Freshmen team also promise to be one of the best. Beta Alpha is represented on the Freshmen squad by Pledge Verne Heckel, a quarterback.

Burns labors during last baseball season were rewarded by his election to first assistant manager. Burns has also been appointed art editor of the 1922 La Vie. Korb is Vice-President of the present Senior Class, while Mearkle is Secretary. Korb, Mearkle, and Lindquist are representatives on the Student Council. Glading was elected circulation manager of Froth. Aside from these honors many of the underclassmen are trying for various managerships, teams, and publications.

The chapter roll; Brothers:

Glenn Henderson Lindquist, 913 Dickey St., Tarentum, Pa.

Charles Howard McFarland, 315 Second Ave., Tarentum, Pa.

# BETA GAMMA

# UNIVERSITY OF KANSAS.

Beta-Gamma's most unique pledge week netted their chapter three pledges, the smallest number ever pledged in the history of the chapter. The three men who pledged their future college career to the fraternity should feel that their action has indexed them into a place of the greatest distinction.

The reason for the unusual procedure on the part of the chapter this pledge week was the unprecedented number of men who returned to college and to the chapter house. That number was thirty-five, the largest number of old men ever returned in this history of the chapter. The chapter house can accommodate twenty-eight men, hence crowded conditions will result even with the limited number of new pledges.

The smallness of the number of pledges was the keynote of the activity of all of the fraternities at the University of Kansas this year for virtually the same reason. The quality of the men pledged by both this fraternity and others at this school was increased proportionately as the number of the pledges decreased. This chapter felt that it could not afford to take chances on weakening its organization by taking any man the character of whom was not assuredly of the highest. The men that were pledged should feel honored that despite the unusual requirements of the first real reconstruction year they were asked to become pledges.

The pledges which Beta-Gamma wished to introduce are William M. Zimmerman of Troy, Kas., who is enrolled in the school of pharmacy; Gerald B. Keesee of Topeka, Kas., enrolled in the engineering school; and Harold D. Dennis of Sedan, Kas., in the college. Keesee served in France with the 110th Engineers with many K. U. men as well as Beta-Gamma II's and his initial rushing was done in France.

Barring a slight accident to Mrs. B. N. Wilmot, our housekeeper, who was run down and painfully bruised by a motor car, rush week was the greatest of successes this year. Pep and enthusiasm are evident in the chapter and if good starts mean anything this will be the best year in the chapter's career.

Bill Sproul is out for varsity football, playing fullback, and conditions point toward his sucess in making the team. Curve Glenn was elected cheerleader last year and has entered on his new duties of leading the famous "Ralk Chalk, Jayhawk, K. U." Spencer Gard made the Glee Club and the Dramatic Club this year.

Plans for a new and larger chapter house which we need so badly are being pushed to the limit by the active men. Alumni are answering well and the treasury of the Beta-Gamma house association is growing in a gratifying manner. Phi Gamma Delta and Sigma Nu are planning new houses for this year. A new fraternity house has been erected here in each of the last two years.

Rush week saw several old men and recent graduates back at the chapter house. Homer Eagles gave up his position in the Geology Department where he was to be an associate professor to accept a position with a firm of geologists in New York City. Roland Ruble, "K" football man, who graduated last Spring, will teach this year in the University of Wisconsin. Hugh Keckley is not in school this year, although he is living at the chapter house. He is employed in a local bank. Howard Cress is working for Pete Compton's father in Kansas City. Peter occupying a similar position in Alma, Kas.

The chapter roll for this year:

Paul Eldridge Flagg, 1320 Ohio, Lawrence, Kas. Donald S. Flagg, 1320 Ohio, Lawrence, Kas.

Earl B. McKinney, Iola.

George L. Chandler, 1204 Tyler, Topeka.

Arthur Harry Bennett, 434 Woodlawn, Topeka.

Raymond W. Ferguson, 1417 Buchanan, Topeka.

Byron E. Collins, 2931 Victor, Kansas City, Mo.

George R. Wild, 1400 East Fifty-fifth, Kansas City, Mo.

Robert F. Binney, Strawn, Tex.

Howard L. Miller, 729 Santa Fe, Chanute.

Fay A. Bennett, 434 Woodlawn, Topeka.

Spencer A. Guard, Iola.

Thorp E. Wright, Independence.

Waldo R. Kell, 1546 New Hampshire, Lawrence, Kas. Albert Donald McCauley, Robinson.

Carl Swinson, Isabel.

Edward A. Thompson, 1620 Tyler, Topeka.

James B. Austin, Cottonwood Falls.

Ervin E. Glenn, Sedan.

William L. Mathews, 3909 East Eighteenth, Kansas City, Mo.

Robert Melvin Rutledge, 819 Lane, Topeka.

Henry C. Widmer, 1405 Appleton, Parsons.

Cecil C. Willis, Rumbolt.

Russel L. McCullough, 420 Lincoln, Chanute.

Ray D. Young, Almena.

Harold H. Wall, Sedan.

William M. Sproul, Sedan.

# BETA EPSILON

# WESTERN RESERVE UNIVERSITY.

Upon the opening of college this fall the following members have returned, ready for the forth-coming year:

Marshall Hugh Cox, 6520 Hough Avenue, Cleveland, Ohio.

Homer Harry Hickling, Lisbon, Ohio.

Lyon Norman Richardson, Andover, Ohio.

Karl Ernst Warmeling, 10719 Garfield, Cleveland, O. Ross Graydon Sweet, 209 Gillette St., Painesville, O.

O. Garland McKibben, 580 Easter Ave., Akron, O.

Ivar Sven Lindman, 155 New York Ave., Youngstown, O.

George Richard Russell, Hamler, O.

Frank Joseph Vokeun, 3284 W. 14th St., Cleveland, O. John Ferencz, 605 Literary Rd., Cleveland, O.

Edward Kottershall, 3934 Robert Ave., Cleveland, O. Roland Reichert, 4401 Irene Ave., Cleveland, O.

Raymond Kissack, South Euclid, O.

David Taylor Hyatt, 5302 Franklin Ave., Cleveland, Ohio.

Ashley Elias, Avery Place, Painesville, O.

Edward Stanton Jones, Jr., 133 Menter Ave., Painesville, O.

Loren Atmur, 451/2 Public Square, Lima, O.

Max Damon Gustin, Hillsboro, O.

James L. Gray, Lowellville, O.

James Alfred Miller, Branford, Ontario, Canada.

Omer Thompson Worley, 1816 Rexford Rd., East Cleveland, O.

During the summer Beta Epsilon moved into a new chapter house at 2117 Adelbert Road. This house is much larger than, and is a vast improvement over, the one which the chapter has been occupying since the termination of the S. A. T. C. It is located directly across from the campus. Thus we have the distinct opportunity of being near the college.

Our fall rushing season is now in full force. There is an especially large number of freshmen this year and we think that some of them are very good Pi Kapp material. Shortly after the end of the rushing period, we shall hold an informal dance in honor of the pledgemen at the College Club.

Beta Epsilon sends her greetings to the other chapters and extends to them her good wishes for a succesful year.

E. STANTON JONES.

#### BETA ZETA

### SOUTHERN METHODIST UNIVERSITY.

Seventeen II K. A.'s returned this year with the same enthusiasm and good cheer that has always been typical of our brothers. The reunion of our men brought forth roundtable talks about prosperity at home, oil gushers, and inviting words regarding those "sweet little things" left behind.

We made a dashing start in the rushing game and we are still going strong. Already seven proud and worthy freshmen are adorned with garnet and gold.

Our chapter, hopeful and optimistic, is representative of S. M. U., for at college this year there prevails a current of spirit never felt before.

George Thomas, 1919 Rhodes Scholar from Texas has by this time arrived at Oxford. We are proud of Thomas who represents in such an admirable capacity a Chapter that has always stood foremost in scholarship at S. M. U.

Dick Dickson is taking up the duties of English professor at Powell's Training School. Knight Roddy and Homer White are at Yale and at Harvard we have Roy Pate.

Regarding our active members, Jimmie Kitts was the outstanding star in last Saturday's football tussle with Daniel Baker. Kitts scored 8 out of the 10 touchdowns. He bids fair to be again all-Southern quarterback if not all-Southern quarterback.

T. J. Waggoner and Bob Shuttles are showing up well also on the gridiron.

We gave a banquet last week for rushes. It was most successful in every way. Alumnus John Cowan was toast-master. His wit and clever retorts kept us in an uproar of laughter.

Active members back at school:

Joe Leavell, Dallas, Texas. Harry Crawford, Dallas, Texas. Danny Dale, Electra, Texas. Robert Shuttles, Dallas, Texas. Julian Thomas, Dallas, Texas. Milford Gable, Dallas, Texas. I. K. Stephens, Dallas, Texas. T. J. Waggoner, Wichita Falls, Texas. Emmet Johnson, Winterville, Miss. Vaughn Grisham, Wichita Falls, Texas. Sam Hilburn, Mobetta, Texas. Jimmie Kitts, Dallas, Texas. Stewart Burk, Dallas, Texas. C. C. Tucker, Garland, Texas. Gerald Joyce, Palestine, Texas. S. L. Dublin, Palestine, Texas. "Lefty" Ford, Madisonville, Texas. Our Pledges are: A. P. Boyd, Paris, Texas. Dick Troy, Dallas, Texas. Lewis Johnson, Dallas, Texas. Price Doyle, Dallas, Texas. Charles Hardwick, Dallas, Texas. Jack Keith, Dallas, Texas.

Garrett, Pittsburg.

### CORNELL UNIVERSITY.

With the beginning of the new year and as one of the brothers expresses it, "the eternal grind," most of last year's brothers have returned and are at present engaged in rushing some of the entering Freshmen. Rushing this year, due to a disagreement in the Inter-Fraternity Association, is conducted without rules and consequently it is necessary to pledge the men as soon as possible because many of the houses are pledging men immediately upon their arrival in Ithaca, a system which leads many men to accept invitations before they have looked over all the houses.

Cornell is gradually getting back to pre-war conditions, especially in athletics. Gilmour Dobie, our new football coach with an enviable reputation for turning out winning football teams, is getting our team into shape for the opening game with the University of Rochester.

All Cornell is mourning the loss of Coach Charles E. Courtney, known affectionately on the Hill as "The Old Man," and conceded to be one of the greatest crew coaches in the country, who died during the summer.

Jack Moakley, our track coach who was selected as head coach for the American Olympic Track Teams, is back and devoting all his energies to turning out a winning Cross Country team.

We are pleased to introduce the first of our pledges for this year, Charles Capron of Wayland, N. Y., whose brother Ted, is a  $\Pi$  and an old Cornell man.

The following men have returned:

I. R. Chapman, Pittsburgh, Pa.

C. E. Hazell, Ithaca, N. Y.

Stanley Mott-Smith, Honolulu, T. H.

K. G. Krech, Midland Park, N. J.

W. D. Ferres, Ridgewood, N. J.

W. H. Pope, Haddonfield, N. J.

G. E. Conover, Asbury Park, N. J.

W. H. Farnham, Buffalo, N. Y.

#### BETA-KAPPA

#### EMORY UNIVERSITY.

Before vacation, Beta-Kappa had the good fortune of taking into its bonds George L. Walker, Jr., Kirkwood, Ga., whom we take pleasure in introducing to the fraternity at large.

George Walker has attained high scholastic honors and will measure up to the Pi Kappa Alpha standard.

Also, we take pleasure in announcing the pledging of Eben Tilley, Atlanta, Ga.

From the number registering, it looks as if Emory will have even a larger enrollment this year than last year. We entered inter-collegiate track last year, and believe from present outlook we will enter intercollegiate baseball and football this year.

In the latter part of May, just before leaving for home, we had a farewell gathering in our little cozy home, to which we invited our lady friends. We served punch and cakes and had some music.

Beta-Kappa will continue to take as active a part in college activities as she did last year.

Denmark and Turner will be our Pan-Hellenic representatives.

New officers for the next semester are:

W. F. Calhoun, S. M. C.

E. R. Denmark, I. M. C.

J. F. Foster, Th. C.

A. B. Hollis, S. C.

T. I. Willingham, M. S.

C. L. Talley, M. C.

All of our men with the exception of one or two will be back this year.

The following men have returned:

Albert E. Barnett, Opelika, Ala.

John R. Boswell, Penfield, Ga.

James W. Bradshaw, Decatur, Ga.

William F. Calhoun, Notasulga, Ala.

Ernest R. Denmark, Juitman, Ga.

Jacob F. Foster, Shreveport, La.

Eugene L. McCurdy, Stone Mountain, Ga.

Byron H. Warner, Shreveport, La.

Archie B. Austin, Wingo, Ky.

James D. Kilpatrick, 720 Ponce de Leon Ave., Atlanta. Ga.

Thomas I. Willingham, 144 Elizabeth St., Atlanta, Ga.

Alton B. Hollis, Madison, Ga.

Charles H. Deterly, Baton Rouge, La.

Clarence L. Talley, 110 Adams St., Greenville, Ala.

William W. Aiken, Covington, Ga.

William T. Turner, Meridian, Miss.

Carl G. Hamlett, Watervalley, Ky.

Ruskin King, 312 S. Hill St., Griffin, Ga.

George Leonard Walker, Jr., Kirkwood, Ga.

We have a few budding II's in view and from the present outlook, a big year awaits Beta-Kappa.

Beta-Kappa extends best wishes to her sister chapters for a successful year.

Also, as a baby chapter, we heartily congratulate the new chapters on becoming links in our strong chain of chapters and feel they will uphold the high standard of Pi Kappa Alpha.

T. I. WILLINGHAM.

# BETA-NU

# OREGON AGRICULTURAL COLLEGE.

Beta-Nu in her first chapter letter wishes to extend greetings to her older sister chapters, to the alumni, and to the National Officers. We feel that a great honor has been conferred upon us, in that the Supreme Council deemed us worthy of becoming a link in the noble organization of Pi Kappa Alpha. With that honor came responsibilities. Nothing will be overlooked in our earnest endeavor to uphold the high standards and ideals of Pi Kappa Alpha, and we shall direct our untiring efforts to become one of its strongholds in the West.

Beta-Nu at this time wishes to thank one and all for the splendid words of greeting and encouragement received from the various chapter and officers, at our installation ceremonies.

We are starting the College year as a new National in the fraternity field on the campus. Our installation as a chapter of Pi Kappa Alpha at this institution was heartily welcomed by all the fraternities and sororities, and by the college officials. It now remains for us to show everyone, what true Pi Kap spirit is, and to make Pi Kappa Alpha a strong factor upon this campus, in every line of endeavor.

Last spring the state schools of Oregon launched a mileage tax campaign, to provide support for the schools and to allow for expansion and necessary improvements. The measure carried in the state by a large majority, showing that the people of Oregon are interested in higher education and are willing to make personal sacrifices for it. Immediately upon the passage of the bill, plans were drawn for several new buildings and additions to present buildings. The new Engineering Laboratory is now completed and an additional story to Apperson Hall is now ready for class-work. New equipment and supplies are now being installed in these buildings. An addition to the Home Economics building, the new girl's Dormitory, and a swimming tank for the men are now being rushed to completion. With these new buildings, new equipment, and additions to the teaching staff, O. A. C., is fast becoming a college to be reckoned with on the West coast.

In the field of athletic endeavor too, O. A. C. has taken another forward stride. A new coaching staff consisting of Head Coach Rutherford, former coach at Washington University, St. Louis, assistant coaches: Rathburn, former assistant athletic director at University of Indiana, and Bob Hager, from University of Nebraska, and Dad Butler, trainer, are fast whipping the football team into condition for the coming football season. The first unit of a steel and concrete stadium is now being built and will be completed in time for the California game. With a student enrollment of 3500 added accommodations are needed.

Intra-mural athletics will soon start here and with it the fraternities on the campus will do their part. Competition between fraternities is always very keen, and we are looking forward to a successful season. We feel that we have made an excellent start in that we have been fortunate in getting good men, of exceptional ability, who will be able to uphold the standard of Pi Kappa Alpha on the athletic field.

The housing situation at O. A. C., at the present time is very critical, for due to the high cost of material and labor few new fraternity houses have been built, while on the other hand many new clubs and fraternities have been organized. We consider ourselves as having been fortunate in securing our present home for a period of two years. Improvements on the house made during the summer will help materially in caring for at least 25 to 28 men comfortably.

The following members have returned to school for the Fall term:

Samuel J. Doukas, Portsmouth, Va.

J. Roland Parker, Medford, Ore. Andrew J. Brugger, Gresham, Ore. Vernon P. Duncan, Portland, Ore. David Streiff, Portland, Ore. Officers for the coming term are as follows: Samuel J. Doukas, S. M. C. J. Roland Parker, I. M. C. David Streiff, Th. C. Joseph I. Steel, S. C. Nicholas Schneider, M. C. Andrew J. Brugger, M. S. We also wish to announce the following pledges: Julius M. Riddle, Roseburg, Ore. Joseph Salstrom, Portland, Ore. Edward Salstrom, Ore. Edwin Beatty, Portland, Ore. Gordon A. Duncan, Portland, Ore. Herbert Webb, Oakland, Cal. Louis B. Ragenovich, Portland, Ore. Lindley Koons, Orlando, Cal.

Beta-Nu extends a hearty welcome to all visiting brothers and wishes all sister chapters a successful year.

ANDREW J. BRUGGER.

# BETA OMICRON.

# UNIVERSITY OF OKLAHOMA.

The newly installed chapter of Beta Omicron, at the University of Oklahoma, wishes to extend its heartiest thanks for all aid, support and cooperation which has led to this glorious day.

The installation of our chapter took place between the hours of 9:00 A. M. and 5:00 P. M. on Monday, October 4th. The installation team was composed of C. M. Montgomery, Acting Princeps, Alpha-Omicron; Beta-Zeta.

Harry S. Devore, Beta-Zeta.

T. J. Waggoner, Jr., Beta-Zeta.

V. C. Gresham, Beta-Zeta.

Paige E. Gallihar, Beta-Zeta.

C. C. Tucker, Beta-Zeta.

James E. Hoover, Beta-Delta.

Earl M. Stilley, Beta-Eta.

Brother Settle, Alpha-Omega.

Acting District Princeps C. M. Montgomery is to be especially thanked for the wonderful way in which he conducted the installation, which fact can be best appreciated by those who were with us. The following eighteen men were initiated and now represent the new chapter:

Victor F. Wasielewski, Tulsa; Chemical Engineering
—Junior.

Hugh M. Bland, Tahlequah; Alumni member.

James A. Strickland, Claremore; Pharmacy—Senior.

Melvin T. Means, Claremore; Medicine-Junior.

Dean H. Duncan, Forgan; Pre-Medic.—Soph.

Otto M. Brandon, Tahlequah; Alumni member.

Price M. Walker, Lorena, Texas; Medicine—Junior.

Chester S. Humphrey, Norman; Law-Soph.

George L. Johnston, Lexington; Civil Engineering—Soph.

Clifford A. Peterson, Findlay, Ohio; Chemical Engineering—oph.

William D. Patton, Muldrow; Alumni member.

George L. Borecky, Oklahoma City; Medicine—Junior.

Glenn Wilson Patchett, Lenapah, Oklahoma—Public and Private Business—Soph.

Austin O. Sanden, Hanlontown, Iowa; Medicine—Junior.

Roy M. Smith, Norman; Law-Soph.

Cecil O. Butler, Crescent, Okla.; Pharmacy-Senior.

John C. Pickard, Guthrie; Pre-Medic-Soph.

Myron C. Groseclose, Waurika; Geology-Junior.

After the installation a delightful motor trip was made over the University campus and about the beautiful streets and countryside of Norman. The evening was spent in attendance at a fine banquet at which Mr. Montgomery and other members of the installation team spoke; members of the interfraternity council who were also present gave short talks.

A delightful musical program was provided for the affair.

Mr. Robert A. Bell, secretary of the interfraternity council, speaking in behalf of that body, expressed to the new chapter a hearty and cordial welcome to the University of Oklahoma.

We regret that all our brothers in II W. A. were unable to attend the installation but hope that we shall have the pleasure of meeting in the near future.

V. F. Wasielewski.

#### HARTER-KARNS

At the home of Mr. and Mrs. Alexander M. Karns of Everett, Pa., Wednesday afternoon, Miss Clara Marie Karns and Dr. George T. Harter of Rochester were married. The ceremony was performed by Rev. E. E. Snyder of Harrisburg, Pa., assisted by Rev. C. Hartman of Everett, Pa.

The bride's dress was of white bridal satin, with a veil of orange blossoms showered, with lilies of the valley. She carried a bouquet of roses and lilies of the valley. The maid of honor, Miss Vera Eyer, wore a gown of orchid georgette, with hat to match, and carried yellow chrysanthemums. The best man was Dr. Glenn R. Ford, cousin of the groom. Little Anna Louise Karns, a niece of the bride, was flower girl, and Buddy and Billy Karns, nephews of the bride, were pages. The ushers were William Howard of Everett and Ellsworth L. Ford of Rochester.

Mendelssohn's wedding march was played by Miss Josephine Hegarty of Coalport, Pa. Before the ceremony Miss Phoebe Karns, a sister of the bride, sang "Oh, Promise Me."

The bride is a graduate of the Everett High School and Indiana College. The groom is the son of Mr. and Mrs. Wendell E. Harter of No. 651 North Goodman street Rochester. He is a graduate of East High School and the

University of Pennsylvania, class of 1917. Dr. Harter served one year as a first lieutenant in the Dental Corps of the United States Army.

The prenuptial events included a variety shower by Miss Vera Eyer, a linen shower by Mrs. Clayton Karns, and a dinner party by Dr. and Mrs. W. P. Henry. The out-of-town guests included the following: Mr. and Mrs. Wendell E. Harter, Dr. Glenn R. Ford, Ellsworth L. Ford of Rochester, Mr. and Mrs. Alfred Lindar of Watsontown, Pa.; Miss Anna Karns of Philadelphia, Miss Josephine Hegarty of Coalport, and Miss Lenora Hughes of Pittsburgh, Pa.

After a wedding trip, which will include Harrisburg, Philadelphia, New York and Lake George, Dr. and Mrs. Harter will make their home in Rochester.

The groom is a member of Alpha Chi Chapter (Syracuse University), but took his dental work at the University of Pennsylvania, from which institution he was graduated in 1917.

# EXCHANGES

That there is a problem, or, rather, a related group of problems, facing the fraternities at the present time is the general opinion of the fraternity press. Even a hasty review would indicate as much. The threat to the welfare and very being of the fraternity system is variously considered. Editors take a serious view of the "situation," though none, to be sure, "view with alarm." The general belief seems to be that serious consideration of conditions by each fraternity, every chapter, every Greek, coupled with due action, will result in the disappearance of the problems.

The effect of the world war on the universities and the fraternity system, which was expected in some nebulous way to bring a greater democracy to the campus, has been watched with interest by many. Says the *Palm* of Alpha-Tau-Omega on this subject in an article entitled "Getting Back to Normal": "One generalization seems safe; the prophecies as to the effect of the war on the universities have gone to the scrap heap along with those concerning its effects on democracy, the rights of small nations and a lot of other things."

Announcing the leading article from which this quotation is taken, the *Palm*, in a way reminiscent of a certain American periodical, says: "Forty college presidents and deans have written for this number." The article goes on to explain that it is a summary of the views of forty college executives in schools having chapters of Alpha Tau Omega. These officers expressed their views in reply to the following questionnaire:

"One—What changes have occurred in the attitude of students towards their college work since the return of peace?

"Two—What changes have taken place which alter the relations of college fraternities to other elements of college life?

"Three—Are the responsibilities or opportunities of the fraternities different from what they were three or four years ago? If so, in what respect?"

One Chancellor replied, in general, that he believed "if we could erase the war from our memories and return to normal prices for commodities, pretty nearly everything about the campus would be as though there had been no war." The Secretary of Cornell University replied: "If there are changes of the kind inquired about, they are very inconspicuous."

A composite answer to the first question, in effect, would be: "It may be true that in many instances students have taken a keener vision of the importance of education as related to their future work, but there has been no great upheaval of sentiment. We have gone through a temporary stage of dancing and hilarity; but no evidence can be seen that there is to be a continued lack of seriousness with regard to studies. There is a rather unusual restlessness among students who have returned from military service. The students seem to be giving less time to preparation for class room than they did before the war and are more engrossed in student activities."

Answering question two, a number of the college officers agreed that the fraternity has dropped a little in its standing on the campus. Dean Clark of the University of Illinois, who, by the way, is grand chief of Alpha Tau Omega, reported the average scholarship of fraternity men to have fallen below that of non-fraternity men. A Chancellor said there is less of snobbishness among

fraternity members now. A University of Chicago officer said: "An increase in democracy among university men has involved a reduction of the emphasis on fraternities."

A symposium of the answers to the third question might be: "The trend towards democracy should be the object sought above all others by the fraternities at the present time. The future of the fraternity will depend largely upon its ability to be of service not only to its own members, but to the university and to the community in general. The members should try to be less exclusive and make a real effort to fraternize with each other and with the non-fraternity men in an unobtrusive way. If fraternity men would be true to the injunctions of their rituals and their oaths, most of the troubles of the administrative officers, so far as this group is concerned, would be solved at once."

This article in the *Palm* has been summarized rather at length, because in itself it summarizes well what seems to be the trend of thought in the fraternity press.

At least two editors and probably many of them have quoted a press item about "a campaign to abolish sorority and fraternity houses" and "an anti-fraternity campaign" at the University of Wisconsin. As answer to charges of snobbishness reported in this item, one editor said: "Three things will make the position of fraternities impregnable. The first is a decent record for scholarship; the second is a decent regard for democratic ideals; the third is a decent economy in expenditure."

In contrast, the *Cauduceus* of Kappa Sigma remarks, paragraphically, "For a number of years the weighted average in scholarship of fraternity men at Wisconsin has slightly exceeded the non-fraternity men's average."

Second only to the question of the welfare of the fraternity system (fittingly, perhaps, because of the close

relationship) is the question of chapter houses. The press is full of articles dealing with plans for financing new houses and maintaining the old. Many new houses have been reported. The Shield of Phi Kappa Psi reports an interesting plan to be followed at Swarthmore College, where several fraternities lost their houses in a devastating fire. The plan, in essence, is as follows: There are five chapters, and five lots of 150 feet front will be laid out in a row. The houses, exclusive of furniture and equipment, are to cost not over \$25,000 apiece. Each chapter must have half the contract cost of its new home, when the college will loan the remainder needed and start building. Renewable leases of twenty-five years will be given and light and heat furnished on the basis of costplus-ten-per cent. A drawback is that the houses are to be used only for meetings and social purposes, and not as dormitories, but they will furnish quarters for visiting alumni.

The *Delta* of Sigma-Nu recently completed publication of a series of "Short Sermons for Sigs," which might be just as applicable to II's or Beta's or any other group. Said Sermon XI on "Visitors and Visiting": "Your fraternity is not a campus club; it is a national organization of college men. That means that you may be at home in Palo Alto as you are at Bowdoin, and that if you are a Bowdoinite, your hospitality may be claimed at any time by a California brother. Treat every guest as if he were the first to come in years. If you go visiting, remember, you are no potentate calling in."

The closing "sermon" on "Alumni and how to tame them" said: "In college a man's main interests are his work, his campus activities, his girl and his fraternity. After he becomes an alumnus his interests are his work, his girl—and—if you help him, his fraternity. It's principally up to you whether your old members stick around in the flesh or spirit, or in neither."

Delta Kappa Epsilon will hold its seventy-sixth stated convention in Havana, Cuba—or should it be printed "C-U-B-A?"—during the Christmas holidays, the *Quarterly* announces. A special steamer or train will leave New York City December 26. President Menocal of Cuba is a Deke, having taken his degree at Cornell in '88. He will entertain the convention with a dance in the Presidential Palace.

The *Quarterly* also tells of an innovation in the shape of a conference of the secretaries of the alumnus chapters in the D. K. E. Clubhouse in New York City. It is planned through frequent conferences of these officers to maintain a closer unison in the alumni body.

"There has arisen a severe estrangement between the faculty of Cornell University and the student body," charges the Cornell reporter for the *Delta* of Sigma-Nu, who gives faculty opposition to athletics as the reason.

The Cauduceus of Kappa Sigma embodies two excellent ideas, one being the publication of reviews of new books written by Kappa Sigmas, and the other being the publication of biographical sketches of prominent members of the order, thus not entirely withholding the mead of fame until death. We learn that W. Jett Lauck, statistician for the railroad workers' brotherhoods in their demonstration of living costs and profiteering, is a Kappa Sigma and a graduate of Washington and Lee University of 1903.

The Exchange Department of SHIELD AND DIAMOND is something just taken up with this issue and comments on the grist of opinion here presented and on the future of the department will be gratefully received by its editor, as well as comment on the future of the department.
