Carly history of Beta Sigma Chapter

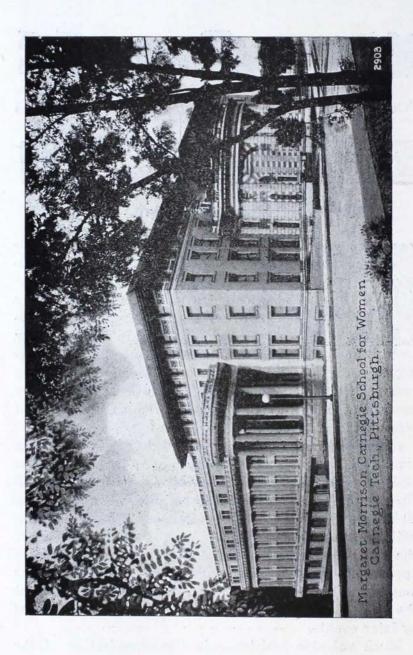

N the fall of 1920 the General Interfraternity Council of the Carnegie Institute of Technology was in a curious position. Owing to the fact that our degree courses in the College of industries have no parallel in a great many

institutions of higher learning, the Council was unwilling to recognize the right of men registered in those courses to become members of fraternities. Hence, fully one-half of the social fraternities on the campus were not represented in the Council.

It was under these circumstances that Zeta Delta was organized. A representative group of men from the Colleges of Science and Industries met with the avowed purpose of creating a local fraternity to which men from all degree courses should be admitted without discrimination. This is not the place to go into the merits of the case; an account of the Industries Degree Courses appears elsewhere in these pages, from which the reader may draw his own conclusions. Suffice it to say that the views of Zeta Delta have been abundantly justified by later events.

Much valuable assistance in the organization of the new local was given by Bro. Paul McCorkle of Alpha-

Rho Chapter, Ohio State University. Ever since his appointment as teacher of physics at Carnegie Tech. Bro. McCorkle had been on the lookout for a local fraternity composed of men who might be considered promising Pi Kappa Alpha material. Believing that his search was at last at an end, he gave us freely of his time and advice. Finally, a formal meeting was called, and on November 23, 1920, Zeta Delta was born.

From the very beginning, our course of action was carefully shaped to conform to the high ideals which Pi Kappa Alpha exacts from those who seek to enter its portals. The ten charter members were all men who felt the call to service in their college community, and those whom they later asked to join them were cautioned that acceptance of the pledge meant willingness to seek a place on a team or in a club. A great deal of enthusiastic work went to the making of a ritual, choosing of a motto and pin, and the other multifarious details incident to the birth of a local fraternity.

Very soon it was found that a house vacated a short time before by Kappa Sigma Rho, another local, could be obtained for the use of Zeta Delta. From that time, events moved on apace. On January 17, 1921, we entered the interfraternity basket-ball league. Early in March we were admitted to the General Interfraternity Council, and later in the same month we received faculty permission to petition Pi Kappa Alpha.

In the meantime, Bro. McCorkle thought it propitious to introduce us to members of Alumnus Kappa-Alpha Chapter of Pittsburgh. Thereafter we enjoyed the expert advice and hearty support of Brothers Klingensmith and Allan, who helped us over many an obstacle. On February 14, 1921, we had the honor of an official visit from Grand Secretary J. Lorton Francis. During the next two months, much thought and hopeful labor went to the making of our petition to Pi Kappa Alpha, which was forwarded on April 22.

Then ensued a summer of anxious waiting. We told

one another that it would be madness to hope for a favorable answer for many months. And yet, somehow, hope would not down.

When the new College year opened in September, we redoubled our efforts to pledge good men, and generously were we rewarded. One of our number has justified our confidence in his merits by twice receiving a first mention in the famous Beaux Arts competition held

BETA SIGMA'S HOME.

by the foremost New York architects. Six others are members of an honorary fraternity.

We now began to seek a better house. Within two months we had found what we wanted, and only one thing remained to fill up our cup of happiness to the brim. This came on December 12, in the form of a telegram from Pi Kappa Alpha stating that our petition had been approved. No work was done on that day.

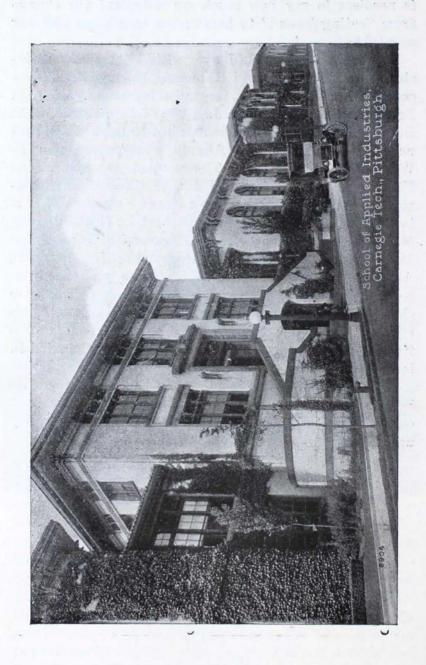

On December 17th we moved into our new house. It

is needless to say how much we welcomed the change from "eating 'round" to having our own home and our own table.

Finally, on Saturday, January 21, 1922, we were installed as members of Pi Kappa Alpha, and Zeta Delta ceased to exist. Those on the initiating team were J. L. Francis, R. D. Graham, H. J. Riffle of Penn. State, G. S. Dunham of Cornell, J. G. Hubbard of Rutgers, B. R. Pinney of U. of P., L. G. Anguin of Syracuse, and E. Weatherdon of N. Y. U. The banquet was held at the Fort Pitt Hotel that night. Chas. Williamson was toastmaster, and the speakers were: Grand Secretary J. Lorton Francis: District Princeps Robert D. Graham: Paul McCorkle, Alpha-Rho; W. C. Klingensmith, Beta-Alpha; M. B. Porch, Omera; E. B. Agee, Alpha; Bro. Herndon, Alpha-Delta; Bro. Chapman, Beta-Theta, and the members of the initiating team. All of the speeches were short, forceful and interesting. Music and college songs enlivened the occasion, and the menus were rendered distinctive by the presence of a recognition pin inserted in the cover.

In conclusion, Beta-Sigma would like to extend its heartiest thanks and good wishes to the sister chapters of our beloved fraternity, and to offer its hospitality to any and all Brothers who may visit us.

CHAS. WILLIAMSON.

The Carnegie Institute of Technology

HE Carnegie Institute of Technology, formerly the Carnegie Technical Schools, was founded by Mr. Andrew Carnegie.

In a letter to the mayor dated November 15, 1900, Mr. Carnegie ten-

dered to the city of Pittsburgh the money to establish a technical institute upon the condition that the city would provide a suitable location of ample size for future extensions.

In the course of the year 1902 a site was selected, and in February, 1903, the trustees, meeting with a committee of the councils, approved a tract of thirty-two acres of land adjoining Schenley Park near the Carnegie Institute building, as the home of the new institution. This was acquired by the city in September of the same year and tendered to the Carnegie Technical Schools. Mr. Carnegie then agreed to place at the disposal of the trustees of Carnegie Institute a sufficient fund with which to erect the necessary buildings.

In April, 1905, ground was broken, and in October of the same year the schools opened their doors to students. As new structures were made ready for occupancy, additional departments were inaugurated. The demand upon the schools for technical training had been such as to make constant extensions necessary, and Mr. Carnegie, therefore, not only provided funds for new buildings, but increased his original gift of one million dollars to the present endowment of approximately nine millions, with an additional expenditure of five millions for buildings and equipment.

In June, 1908, the institute awarded its first diplomas, graduating students in chemical, civil, electrical, mechanical and metallurgical engineering from the College of

Science and Engineering, and students in architecture from the College of Arts.

On April 20, 1912, the name "Carnegie Technical Schools" was changed officially to the "Carnegie Institute of Technology," and the institution received from the State of Pennsylvania a charter of incorporation, with the power to confer degrees. The first degrees were given at the fifth commencement in June, 1912.

The Carnegie Institute of Technology, which is situated in close proximity to the Carnegie Institute, is made up of four groups of buildings, which house the College of Science and Engineering, the College of Industries, the College of Fine Arts, and the Margaret Morrison Carnegie College, for women. The style of architecture adopted for these buildings is simple, dignified and serviceable. The construction throughout it fire-proof. On the grounds of the Institute of Technology are also Machinery Hall, which contains the laboratories for the Electrical and Mechanical Engineering Departments, and the power plant for the institution; the Central Building, which houses the executive offices and the Students' Clubroom; the Athletic Field House with the Gymnasium, and the Langley Laboratory of Aeronautics.

The Carnegie Institute of Technology is concerned primarily with technical education. It offers courses in engineering for men; courses in industries for men; courses in fine and applied arts for men and women, and courses for women which combine the training for the home and for a profession.

The College of Science and Engineering.

The Day School of the Division of Science and Engineering offers courses of study leading to the degree of Bachelor of Science, in preparation for the principal fields of engineering and for research work in applied science. The courses require attendance for four school years, during which the student follows a schedule of approximately fifty-four hours of work per week, variously divided, ac-

cording to the nature of the subject, between class room or laboratory and home study. In some courses the student is also scheduled for a short session of summer school, devoted to field work at Camp Louise Carnegie.

The College of Industries.

The College of Industries, in order to give the high school graduate an opportunity to pursue an industrial career apart from engineering, offers the following courses covering the important basic industries:

Building Erection and Estimating.

Electrical Equipment and Construction.

Heating, Ventilation and Sanitary Equipment.

Machinery Production.

Power Plant Operation and Management.

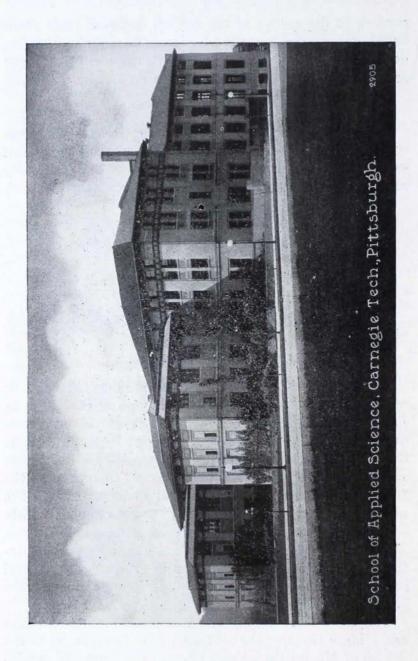

Printing Industry.

The courses are for four years and lead to a Bachelor of Science degree.

The College of Fine Arts.

The College of Fine Arts has a building that can be matched by only one in the world, that of the Ecole in Paris. It was completed in 1916, covers about three-quarters of an acre, and is six stories in height. It is the most important feature of the campus. On the facade are five niches, which are to be carved to represent the five great periods of architectural history. Above the niches are inscriptions indicating the arts housed within —Painting, Sculpture, Architecture, Music and Drama. The building cost about \$850,000, not including the equipment, which is excellent in every respect. Artificial lighting is provided throughout, and the work of all classes can be carried on as well by night as by day.

The main floor contains the offices of the executives and a large theatre; the mezzaine floor is given up to the School of Music; the second floor to the School of Architecture; the third floor to the School of Painting and Decoration; and the fourth floor to the private studios

for members of the faculty and a loge room with seventy loges.

The Margaret Morrison Carnegie College.

The Margaret Morrison College of the Carnegie Institute of Technology is the woman's college of the Institute.

The building in which most of the instruction is given, Margaret Morrison Hall, is five stories high, and of a fireproof structure.

The offices of the director and of the faculty, the lecture rooms and conference rooms, the studios, and the general and technical laboratories occupy the greater part of the building. In it there is also an ample reading room, an assembly hall, a large hall for recreation and a suite of parlors, a cafeteria lunch room, a gymnasium with bath and dressing rooms, student locker rooms, rest rooms, the office of the resident physician and an elevator.

Near the main building, the Department of Household Economics maintains a modern dwelling for practice in housekeeping.

The Carnegie Institute of Technology is a part of the Carnegie Institute, and the students in its schools have all the advantages of the Art Galleries, the Museum, the Library and the Department of Music. The main building of the Carnegie Institute is a massive structure which occupies more area than the capitol at Washington. It was given to the city of Pittsburgh by Andrew Carnegie. It covers approximately six acres, is of the Italian Renaissance style of architecture, and contains the Library and Art Galleries, the Museum, the Music Hall and the Lecture Hall. The buildings of the Institute of Technology are entirely separate and are within five minutes' walk of the institute.

The Carnegie Library of Pittsburgh is a free reference and circulating library maintained by the city. Library cards are issued to students upon the presentation of their registration cards. Eight branch libraries and numerous deposit stations and reading clubs have been established in different parts of the city for those who live at a distance from the main building. The Library contains about 450,000 volumes. Of these 60,000 are on technical and scientific subjects and constitute the Department of Technology. This collection contains most of the best modern works in all branches of science and technology, including sets of more than 300 journals and periodicals. About 400 current magazines are received and 300 "house organs." The department is under the charge of graduates of scientific institutions, who are always ready to give personal assistance to those seeking information along technical lines. The General Reference Department contains a well balanced collection of 79,000 volumes, and is particularly strong in architecture. The library also has a collection of standard musical scores selected especially for students of music.

The Museum is one of the four great museums of America, and contains one and one-half million objects, large and small. There are noteworthy collections from the fields of paleontology, mineralogy, botany, entomology, ornithology, archeology and ethnology. The collection of fossil vertebraes is especially fine and contains the skeleton of the famous Diplodocus Carnegiei.

The Department of Fine Arts has in its possession a permanent collection of the works of the best modern painters. The Department holds an annual International Exhibition, which is excelled by no other exhibition of its kind in the country. It is noted for its unusual number of works by distinguished foreign artists, and the prizes are awarded by an international jury. There are placed on view from time to time interesting and important collections which are brought to Pittsburgh to be shown in the gallery, as well as collections which are loaned by citizens of Pittsburgh. The approach to the galleries is through Alexander Hall, named in honor of the late John W. Alexander, a native of Pittsburgh, who decorated the walls. Architectural and Sculptural Halls

contain an exceptional group of models. The architectural specimens represent some of the historic buildings of Europe and are of unusual interest because they are full size.

The Reserve Officers Training Corps at Carnegie Institute of Technology now comprises three units:

The Corps of Engineers.

The Motor Transport Corps.

The Signal Corps.

All these three were established in 1919, under the provision of the National Defense Act of 1916.

The original enrollment of about 180 students has increased to nearly 450. With prospects for a distinctive uniform for next year it is expected that this enrollment will be materially increased.

The professor of Military Science and Tactics is Col. J. C. W. Brooks.

Assisting Colonel Brooks in his work are Major Philip Gordon, Motor Transport Corps; Major J. L. Bragdon and Major N. Y. DuHanal, Corps of Engineers, and Captain C. L. Walker, Signal Corps.

EVER PROMISED YOURSELF A TRIP TO NEW YORK? OR
A II K A CONVENTION? DO BOTH IN APRIL.

Social Program of the Convention

T is admitted that New York City is the convention city of the world. Entertainingly speaking, can they prove that claim? Come and see!

The first night the delegates gather will be "get acquainted" night. A smoker

is on the program for Tuesday evening. An orchestra, a story teller, a song leader and several vaudeville acts will provide the best entertainment New York can give. New York is the mecca of the show world. The best will be at the smoker. Eats and smokes are thrown in extra. Come and get acquainted!

The second night, Wednesday, offers an entertainment no other city in the world can boast, Ziegfeld's Mid-Night Frolic atop the New Amsterdam Theatre. Every seat in the house has been reserved for II K A. We will have the place all to ourselves. Two hours of dancing will be enjoyed before, during and after the show. Several hundred young lady guests have been invited!

A real musical comedy where the audience sits around tables, refreshments will be served on the dance floor, and the best of New York girls to welcome II K A to the city, makes the Mid-Night Frolic unique in convention history. And we have reserved every seat for our own exclusive use. Shall we reserve a table for you?

The formal convention banquet will be held in the Pennsylvania on Thursday evening. Senator Oscar W. Underwood, our brother from Alpha, has signified his desire to attend if conditions permit. Brother C. E. Sherwood of Zeta will preside. The speeches will be limited in number and extent but those given will be of great value and interest. The banquet is the cultimation of the best things of the convention.

Mrs. Thomas L. Hanson will welcome the visiting

ladies in behalf of the New York II's. And she is well qualified for this pleasure. With brother Tom of Alpha-Psi, Mrs. Hanson spent her honeymoon at the New Orleans convention. II K A is mighty near her heart. The bride of the 1920 convention becomes the hostess of the 1922 convention! Under her capable direction, a matinee, a reception and the other things ladies like to do in strange cities, including visits to Wanamaker's and Tiffany's, are being arranged. Why not take the wife to New York?

Why not visit New York in April? Haven't you always wanted to? Can you ever do it with less expense? What better time can there be? A group of alumni and active brothers, all with common ideals, a carefully arranged social program, an enthusiastic bunch of II's on their toes to show you a good time, all in a city unsurpassed for convention facilities, says, "Come to Gotham!" Fill out the hotel reservation blank now.

EVERY II ATTENDING CONVENTION, AND EVERY DE-PENDENT MEMBER OF HIS FAMILY WITH HIM, IS ENTI-TLED TO THE HALF-FARE RETURNING IF CERTIFICATES ARE SECURED FROM AGENT WITH TICKETS PURCHASED. READ OFFICIAL ANNOUNCEMENTS HEREIN.

Oscar Milder Anderwood, Alpha

United States Senator, Member of Disarmament Conference.

ROTHER Underwood is No. 82 in the mother chapter, and is a devoted alumnus. His first wife was Miss Eugenia Massey. His second wife was Miss Bertha Woodward, Brother Underwood is by profession a lawyer, and his home

and his practice are in Birmingham.

President Harding's Remarks in Reference to Brother Underwood in His Birmingham Speech.

"It was my good fortune to establish two pleasing and helpful friendships with stalwart statesmen from Alabama. I entered the senate when you commissioned Senator Underwood to that body, and somehow, I never knew just why, we began with a 'paired' agreement to protect each other's votes. That arrangement held until I retired from the senate, and we rarely, if ever, had to ask each other for instruction. There was a confident, respectful and cordial friendship from the beginning and it was never embarrassed. Perhaps I need not tell you that my high opinion and affectionate regard still abide. Not so very long ago it became my duty to choose four outstanding Americans to represent our republic in a conference with the statesmen of the leading nations of the world. It was not a personal regard alone, but that feeling combined with a high estimate of his statesmanship and his lofty devotion to country, impelled me to name him as one of four to speak for America in a conference pregnant with incalculable possibilities. I know. as you know, he will serve us well, honoring himself, his friends and neighbors, and the land for which he speaks."

Congressional Record.

Oscar Wilder Underwood, Democrat, Birmingham, Ala., was born in Louisville, Ky., May 6, 1862; was educated at Rugby School, Louisville, Ky., and the University of Virginia. Elected to the congress of the United States in 1894; served continuously until March 4, 1915; was chairman of the Ways and Means Committee of the House of Representatives when the Tariff Act of 1913 was passed; was leader of the House from March 4, 1911, for four years. Was elected to the Senate in the fall election of 1914 for the term of six years, beginning on the 4th of March, 1915, and re-elected for term beginning March 4, 1921. Elected Minority Leader of the Senate in April, 1920, which was during his first term.

MRS. THOMAS L. HANSON, THE 1920 CONVENTION BRIDE, WILL WELCOME THE VISITING LADIES. SHE KNOWS HOW!

WANAMAKER'S, FRANKLIN SIMON'S AND TIFFANY'S ARE PLACES YOUR WIFE WANTS TO VISIT!

Beta Gamma's Dew Home

ETA GAMMA'S experience in acquiring a new home during the recent hard times is one that should be of interest to the fraternity in general, and especially interesting should be the affect the new house has had upon the

morale of the chapter.

Beta Gamma has accomplished something unique along this line, and in so doing has given Pi Kappa Alpha the record for owning a chapter home of equal elegance to any at Kansas University, although the chapter here was installed only seven years ago, and is in competition with chapters of thirteen other leading national fraternities, many of which enjoy a seniority of many years.

The ownership of a house that is the object of pride to every man in the chapter, and one that draws complimentary remarks from every visitor, has been of great value to the chapter both materially and psychologically. This first became apparent during our last rush week. Rules of the Kansas University Inter-Fraternity Conference defer pledging until 10 o'clock Tuesday night following the opening of school, so that rushees have an opportunity to do plenty of "looking around." A new house attracts the right sort of material, serves as a better background for the chapter, and gives everyone lots of confidence.

The house is of brick and frame construction with sleeping accommodations for sixty men, and study rooms for thirty. The dining room seats fifty comfortably. The arrangement of the first floor permits use of the entire space for dancing and will serve sixty couples easily. There is besides a sun porch 25x30, with a floor finished for dancing. There are four floors, the basement having been finished into a dining, kitchen, two large study

IN BETA GAMMA'S NEW HOME. 402

rooms, and showers. Study rooms fill the second and third floors.

Purchase of the house was financed by the formation of a corporation, and the sale of capital stock to the alumni and to active men on installments, in minimum amounts of \$100. Financial conditions the past year practically every man on the chapter roll has helped have made the buying of this house a great hardship, but some, and many have already completed the \$100 payment. And everyone feels that he has been amply repaid, for we feel that our achievement is but a reflection of the Pi Kap spirit and this new home will add its bit to strengthen the fraternity nationally.

SPENCER A. GARD.

BETA GAMMA'S CHAPTER HOUSE.

The Dew Illinois Stadium

N 1924 the University of Illinois will have made good her boast and will possess the largest stadium in the land. Already over one half of the \$2,500,000, which is the estimated cost of the stadium, has been subscribed. The

average subscription of the student body alone averages \$100 per student and the alumni have backed up the proposition in a manner that exceeded all expectations. Thus the success of the enterprise is asured, and in the near future Illinois will have a stadium that any other country in the world could be justly proud to claim.

The new stadium is to be a memorial to the soldiers and sailors of the state and university, and the plans include many novel features which will not only make the structure a beautiful and lasting memorial, but a social center for the school as well. A court of honor surrounded by a lofty colonnade is to be dedicated to those Illini who gave up their life in the World War. This colonnade is to be composed of 183 Doric columns, each of which will bear the name of an Illinois Gold Star man and will stand as a silent tribute to his memory. Moreover every person who has pledged \$50 for the stadium is entitled to have this seat dedicated to someone who served his country in the time of need, and the name of this individual will be inscribed upon a bronze plate and imbeded in the concrete.

Other memorial columns were sold for \$1,000 and a great many of the Greek letter organizations purchased them to be dedicated to their members who served in the war. The first \$1,000 column was purchased by our football coach, Robert Zupkee, who dedicated it to "Slooie" Chapman, our first All-American man and one who will never again be able to play football on account of his

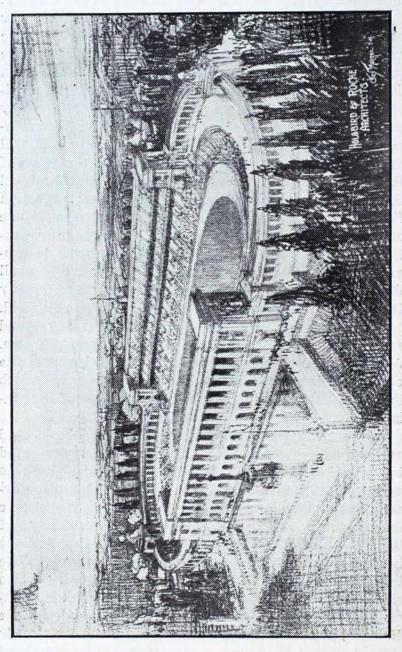

many wounds. Many other of the columns have been purchased by prominent alumni throughout the country.

A Greek theatre seating 10,000 people, suitable for pageants, plays, lectures and fetes will be placed at one end of the inclosure. The area under the ends of the stadium proper will be divided up into basketball courts, dressing and training rooms, locker accomodations, handball courts and a 100-yard cinder running straightaway Two great halls known as East and West Memorial Halls beneath the sides of the stadium and will contain tablets upon which will be recorded the deeds of Illinois alumni and undergraduates who distinguished themselves during the Great War. The new recreation field incorporated in the development will also be one of the most elaborately designed of any college institution in the country. There will be ample space to provide for one hundred tennis courts, twenty-five baseball diamonds, ten gridirons, numerous soccer and hockey fields, lacrosse and archery areas, and a large polo field.

The Stadium will be of classic design being based somewhat upon the order of the old Roman Amphitheatre. A great entrance arch will be placed at each end of the oval and a low colonnade will connect the elements with the main seating section which face the sides of the athletic field.

The central stands are to be composed of a three-decked arrangement of seats while each tier will be supported by cantilever beams so that the spectators will have an unobstructed view of the arena. As yet this seating arrangement has been carried out in just one such structure in the country and that is in the newly erected home of the New York Yankees. However, the seating sections in the Yankee stand entirely surround the diamond, while those in the Illinois stadium will be placed only on two sides, and thus providing adequate air circulation throughout the enclosure. The architects of the memorial are Holbaird and Roch of Chicago, Ill., and plans are already started so that the immense structure will be completed by 1924.

PERRY C. CALKINS, Beta-Eta.

In Memoriam

PLEDGE THOMAS D. KINGSBURY

ALPHA-ZETA.

HEREAS, the Almighty God, in His farseeing wisdom, has taken from us our beloved pledge, Thomas D. Kingsbury,

and

Whereas, The Pi Kappa Alpha Fraternity has lost an esteemed and valuable pledge; be it therefore Resolved, That we, the members of Alpha-Zeta Chapter express our deepest regret in the loss of Pledge Kingsbury and extend to his father and brother our sincerest sympathy; and, be it further Resolved, That a copy of these resolutions be sent to his father and brother, and to the SHIELD AND DIAMOND for publication.

BY THE COMMITTEE,

A. Jay Russell,W. L. Jeter,G. A. Martin (pledge).

Pledge Kingsbury entered the University of Arkansas in the fall of 1921, being pledged Pi Kappa Alpha. He was taken sick with typhoid fever a short time before the holidays, pneumonia set in, causing his death on New Year's Day 1922.

In Memoriam

JULIAN R. STEVENSON

BETA-GAMMA.

HEREAS, The Almighty, who knoweth and doeth all things well, has taken from us our beloved friend and brother, Julian Rawlings Stevenson, and called him to his reward in a better and fairer world; and

Whereas, Beta Gamma Chapter of the Pi Kappa Alpha Fraternity, as well as the entire brotherhood, has lost one of its most faithful and conscientious members, loved and esteemed by all who knew him; and

Whereas, The members of Beta Gamma Chapter of the Pi Kappa Alpha Fraternity, feel keenly the loss of a true friend who has suffered much through long sickness with a patience and hope becoming to so noble a nature; now, therefore be it

Resolved, That the members of Beta Gamma Chapter, realizing the great loss to his bereaved family, extend their deepest and most sincere sympathy to them in their bereavement; and, be it further Resolved, That a copy of this resolution be sent to the family of Brother Stevenson; that a copy be recorded in the minutes of the chapter, and that it be published in the SHIELD AND DIAMOND.

SPENCER A. GARD, THORPE E. WRIGHT, FRANCIS BROWN, For the Chapter.

EDITORIAL

Most cordially does The Shield and Diamond greet our new chapters. At the same time we congratulate them upon the rigorous inspection they have The Two New passed and upon the high standard they must have attained.

Expansion sometimes implies degeneration, but when there is steady and natural increase, carefully regulated and safeguarded, in the manner of Pi Kappa Alpha, there can be no question of the wisdom of the policy. Indeed expansion properly regulated is not only advantageous to, but the duty of, the college fraternity.

The colleges are crowded and in many places fraternity chapters are few. Wider distribution of existing fraternities and the creation of new fraternities will do much to insure democrary in college life and a more general appreciation of the objects and purposes of the college fraternity.

Less than thirty days remain before the 1922 Convention. We are informed that this will be the largest gathering in the history of Pi Kappa Alpha.

The Certainly we know that the entertainment Convention plans eclipse anything ever attempted before. New York and a convention of Pi Kappa Alpha! Surely the magic of this phrase and the enjoyment it promises should make all Pi Kappa Alphas from the Atlantic to the Pacific, from Canada to the Gulf, join in the hurrying bands of brothers that will flock to this convention from all parts of the land.

in general.

Much thought has been devoted by the present Editorial Staff to the future policies and appearance of this magazine. There will be presented at the New York Convention several radical suggestions looking to certain changes in style, size, etc. Comment and criticism on our plans will be heartily welcomed at the convention, but suggestions will be doubly appreciated if sent to the Editors at this time, so that they may be considered in advance.

Among the many subjects being considered by the Interfraternity Conference are the following: Improving Scholarship, Intemperence in the ColInterfraternity leges, Chapter Health and Sanitation,
Conference Anti-Fraternity Legislation, and the
Wider Distribution of Younger Fraternities and Establishment of New Fraternities. No comment can be made here upon these various subjects; each is worthy of an editorial. It is hoped, however, they will form a large part of the discussion in our chapter houses as they are questions of vital moments.

We are indebted to Beta Nu Chapter for an excellent article on "The Hello Spirit On the Campus," which unfortunately can not be published for The "Hello" Spirit lack of space.

On the Campus The article describes the custom at Oregon Agricultural College of the students saluting other students as they pass with a cordial "Hello." We heartly second the writer's opinion that such a custom will do much to foster a democratic

spirit among college men and to further college activities

CHAPTER LETTERS

Chapter Letters must be mailed to General Office by 1st of October December, February, April and June. (Section 29, National By-Laws.) Chapters are advised to Register these Letters, preventing loss in mail.

THE FOLLOWING CHAPTERS DID NOT SEND IN LETTERS FOR THIS ISSUE:

ALPHA-GAMMA ALPHA-SIGMA ALPHA-TAU

ALPHA

University of Virginia.

The past few months have slipped by with such astonishing rapidity, that it seems almost incredible that over half the school year has passed by and football, Christmas and exams have all dropped into the past. And now all eyes are turned upon Spring, and baseball, and most important of all, the convention in New York. And Alpha will send every man she can spare to the gathering, for it is only on occasions such as this that the great spirit of II K A is fully seen.

Until now, the basketball team has pursued a most successful season without having suffered a single defeat. The wrestlers have not been so fortunate, but the boxing team has started upon its career most auspiciously, winning five matches out of six in the first meet, with Washington and Lee. The inter-fraternity basketball has been revived, and the more modest athletes have been out working hard to repeat Alpha's championship team of last year.

But everything is not well at the old University. A bill has been introduced in the state legislature to transfer the Medical School to Richmond, and the whole school is in arms to preserve the unity of the University, as Jefferson planned it. In a few weeks a verdict will be reached, but in the meantime the fate of the University seems to hang in the balance.

An innovation has also been introduced in the athletic management of the college. Up till the present time under the faculty and Board of Visitors, the control of athletics has been partially placed in the hands of a committee, consisting of three members of the faculty, three alumni, and three students elected by the student body at large. The need of alumni and undergraduate representation has long been felt, and high hopes are placed on the new plan.

Brother Porter of Beta-Iota paid Alpha a visit recently and brought us news of several other chapters, which he had been able to visit. We wish that more of the brothers could find time to drop in occasionally for it is in that way that we keep best in touch with the fraternity at large.

Alpha sends greetings to her sister chapters and hopes for an early meeting at the coming convention.

CHAS. L. REESE, Jr.

BETA

Davidson, N. C.

Beta chapter takes pleasure in introducing to the fraternity at large two new brothers:

Ralph Hollingsworth, Easley, S. C. Robert Underwood Woods, Charlottesville, Va.

On account of examinations coming after Christmas this year, bid day comes later than usual. We have the half year rule here and bid day has to be set on a date after examinations when the marks for the term are known. A new man has to pass three three-hour subjects to be pledged. We hope to report a good bunch of new men in our next letter.

Since our last letter, Hugh Smith has had two honors conferred upon him by the student body. He was elected vice-president of the student body for this year and football manager for next year. Bob McCleod was recently elected assistant cheer leader. McCleod and Ralph Smith are out for the wrestling team.

The officers for the second quarter of this year are:

H. O. Covington, Jr., S. M. C.; E. M. Hines, I. M. C.; H. H. Smith, Th. C.; R. R. Jones, S. C.; A. M. Hillhouse, M. S.; A. M. Baker, M. C.

Hines was recently elected as our delegate to the national convention with Covington as alternate. Others are looking forward to taking the trip also.

With best wishes to all sister chapters from Beta.

A. M. HILLHOUSE.

GAMMA

College of William and Mary

We pledged the following men:

Charles Hubbard, Whitestone, Va. James Campbell, Philadelphia, Pa. Richard Anderson, Wildwood, N. J.

Our Christmas dances were held on January 4th and 5th. A goodly number of alumni and visiting girls were present and as usual added a great deal to the success of the dances.

Basketball is in the spotlight at this time. William and Mary is following her last year's record closely, having been defeated only twice. We recently defeated the University of Richmond, our ancient rivals, by a score of 26 to 13. We have only three more games left and are sure that our team will keep up the good work. Brother Carver came with the University of Richmond team and we were delighted to have him stay at the house with us. Gamma is represented on our basketball team by Todd, who is making a strong bid for the center position.

The Marshall-Wythe School of Government and Citizensnip was formally opened on the 14th of January. The principal address of the occasion was made by Judge Alton B. Parker of New York, former democratic nominee for the presidency of the United States. The purpose of this school is to educate the youth of the country in the fundamental principles of our government and constitution so that it will not be influenced by the unamerican propaganda which is being propagated so much now-a-days. This school will include a law course which will confer upon those who complete the same the degree of Bachelor of Law. It will be a revival of the oldest law school in America which was started by George Wythe at William and Mary in 1779.

Lowe was elected as our delegate to the convention. Of course he will be the only one from Gamma in any official capacity, but a large number of the boys are making their plans to be there. The convention seems to be the chief topic of conversation at the house now, and the boys have commenced to save up already so that they will not be without funds when the time arrives.

Hoping to meet representatives from every chapter in the country at the convention, Gamma extends best wishes to every chapter and to the fraternity at large until then.

DELTA

Birmingham-Southern College

Delta wishes to introduce the following new initiates:

Frank D. Ward, Fairfield, Ala. Robert F. Henry, 1015 S. 12th St., Birmingham, Ala. John M. Bently, Brantly, Ala. Edgar A. Howell, Marion, Ala. Eugene M. Howell, Marion, Ala. Charles M. Green, 1216 N. 31st St., Birmingham, Ala.

We are now completing our first term's work, and are shaking off the shackles of final examinations, so distasteful at any time of the year. During this term Birmingham-Southern has made great progress, and we are looking forward for greater in the future. At the recent assembly of the American Association of Colleges, at Chicago, we became a member, thereby ranking us officially as an A-grade college. For the second term we shall have one notable addition to our faculty, Octavus Roy Cohen. Mr. Cohen has recently made himself widely known as a short story writer and an author. We consider that we are fortunate in securing the services of this man.

At this period of the year we are placing little emphasis on athletics. DeYampert represented the road team which participated in the cross-country road race at Emory University last December. Individually he took sixth place; as a team Birmingham-Southern took third, being led by Emory and Wofford. We are not putting out a varsity basketball team this winter; however, the reserves are doing some good work.

The college glee club has been busily engaged of late in concerts, and a southern tour is scheduled for February. Delta's representatives of the club are Scrivner, Myer, Stansel, Henry, Bagley and G. Miller.

Pi Alpha, a new local fraternity, has recently made its appearance on Shunshine Slopes. It has made a good impression in its initial stage of existence, and we wish it success in its future work.

Gerwin Myer has been selected to represent us at the national convention in April. The following officers have been elected and appointed for the second term: Gerwin Myer, S. M. C.; A. B. Davidson, I. M. C.; R. F. Henry, Th. C.; Edgar Howell, S. C.; P. D. Scrivner, M. S.; William Richardson, M. S.

Delta extends best wishes to all sister chapters.

A. B. DAVIDSON.

ZETA

University of Tennessee

Zeta wishes to introduce to the fraternity at large the following pledge:

Samuel Edward Wasson, Atlanta, Ga.

Wasson comes to us from Emory University, where he was pledged to Beta-Kappa. We welcome him to the fold, and were more than glad to see him put the button on for the second time.

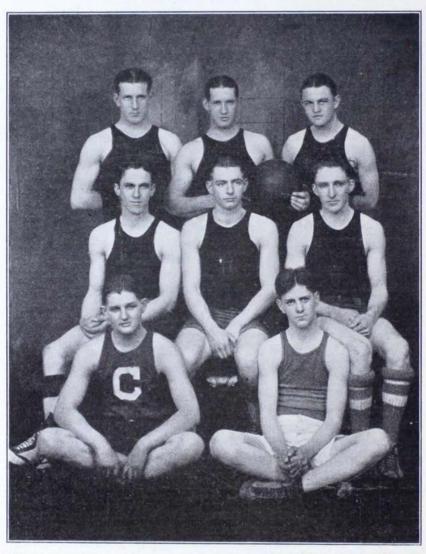

Examinations are over and the second semester begins on the first of February. As soon as the faculty gets the grades of the freshmen turned in to the office we will be allowed to initiate those who have passed the required amount of work. We have a fine bunch of pledges and it will give us the greatest pleasure to introduce them to the fraternity as initiates.

Spring will soon be here, and with it our thoughts turn to baseball. It seems now that Zeta will be represented on the team by several men. We will have about eight or nine men out working for the team. Of these, Powell at short, Mitchell at first, and Troutman in the outfield, are expected to make the strongest bids for positions on the varsity. Our fraternity team won the championship in the panhellenic basketball tournament. At the end of the season we were tied with the A. T. O.'s for the championship, and on the night of December 24th we won the final game from them and got the cup. We now have a majority of the cups that have been offered in basketball, and point with pride to the fact that we are the only chapter that has won more than one of these cups.

Just before the holidays our chapter house was damaged by a fire which started in the basement, caused by a defect in the furnace. The fire was discovered before it got well under way, and by quick work on the part of the fire department, was extinguished before it did so very much damage. As is always the case, the firemen did more damage than the fire! We got busy at once, and by the time the boys got back from the holidays, the necessary repairs were made. The damage amounted to about \$1,200, but it was covered by insurance. While we were at it, we had some shower baths fixed in the bathroom, and they are such a convenience that we are almost glad that we had the fire! We have bought enough furniture to furnish the lower part of the house, and now one would never know that the house had been damaged.

Zeta sends greetings to our new sister, Beta-Sigma. We wish for her the utmost success.

FRANK K. FULTON.

Tennessee's Pan-Hellenic Champions—Zeta's Basketball Team Top row, left to right—Clemens, Aycock, Powell. Center row—Bishop, Cullis, Fulton. Bottom row—Aycock, Harkness.

ETA

Tulane University of Louisiana.

Since the last issue of the Shield and Diamond, Eta has a new brother to introduce to the fraternity—

W. Rappleye Lawes, New Orleans, La.

It affords us much pleasure to announce the following pledges:

Garry D. Long, Neosha, Mo.
Dewey L. Long, Neosha, Mo.
Joseph N. Edwards, New Orleans, La.
Walter J. Barnes, New Orleans, La.
Douglas R. Freret, New Orleans, La.
A. Morgan Brian, New Orleans, La.
Rudolph S. Stahel, New Orleans, La.
Urban D. Mooney, Jr., New Orleans, La.

A faculty ruling requires a student to be in college for a full term, during which he must pass approximately 80 per cent of his work before being eligible for initiation.

Eta chapter is now domiciled at 416 Lowerline St., to the great satisfaction of all our members, as a chapter house brings us closer comradeship.

The dance given on November 18th in honor of the visiting members of Alpha-Gamma formed an enjoyable affair. The pledges also entertained with a dance during December which afforded as much pleasure as the first.

A house warming and incidentally a shower took place in November, which meant numerous attractive contributions to our household furnishings.

Louis A. Kloor of '17 paid a visit to the chapter about the middle of January while in New Orleans on business. He has recently been discharged from the navy and may locate permanently in this city. His visit was more than appreciated because of the fact that many of the brothers had an opportunity of seeing him for the first time since his harrowing experience in the Canadian wilds.

R. LYNN COLOMB.

THETA

Southwestern Presbyterian University

Theta takes great pleasure in introducing to the fraternity, Brother Chas. Moss Gilliam, of Greenwood, Miss.

Basketball is in full swing now. We have an unusually heavy schedule this year, and we are hoping that two of our brothers,

Roberts and G. C. Smith, will get their letters, as they have both been doing fine work as forwards on the varsity.

We have an excellent chance to lead in scholarship this year. The mid-term exams are on us now and the results of the semester's work will soon be known and we hope to come out on top and hold in our possession another cup.

We were visited recently by two of our alumni brothers, the loss of whom we feel deeply, P. V. Draughn, of the University of Mississippi, and E. M. Regen, of Sigma chapter at Vanderbilt.

Theta wishes her sister chapters prosperity.

CHAS. E. MOUNT.

IOTA

Hampden-Sidney College

When the Christmas holidays were ended and the middle term began on the 3rd of January, a few faces were not to be seen in their accustomed places on the campus. Their names may be found among those who felt the kick of the "automatic mule." Happy were we of Iota to know that none of our number had met with this ill-fate. Our chapter remains intact, except that Brother Kilmon, who was ill with pneumonia just before Christmas, cannot be with us this term, but will return to resume his studies here at the beginning of the spring term, and, we hope, to fill his usual place at third base on the baseball team.

Before, and soon after, practice began, prospects for a good basketball team were not so good. However, Coach Roundy, with the help of Captain Smith, has succeeded in getting the squad in good trim. Although we suffered defeat in the first few games, our team has improved rapidly and won two games—one from our old rival, Randolph Macon.

The million dollar campaign which is being conducted by the Synod of Virginia for the benefit of the educational institutions under its control, is three-fourths of the way towards completion. Hampden-Sidney's share of this amount is larger by far than that of any one of the other institutions, and she will need this amount, and more, to provide for the increased number of students anticipated.

The enrollment this year has reached 180, and present prospects indicate that it will rise to 215 next year. When we consider that for the last ten years the average has been 120 it is evident that this is no small growth.

Plans are now being completed for the erection in the near future of a science building and the building of from one to three new homes for professors. Iota takes this opportunity of extending to Mu and Sigma a hearty welcome back to our numbers and to wish them a successful session and future career.

From Iota, greetings and best wishes to all sister chapters and brother II K A's.

W. N. COOK.

KAPPA

Transylvania College

With the wily profs out-witted, out-guessed and out-doped on semester exams, the brothers breathe sighs of relief and prepare to sally forth into yet another five months of hard and dilligent labor. Most of the brethren were successful in their mid-year efforts, and we feel that we are now "sittin' pretty."

Basketball is well under way and the Pioneers are beginning to hit their old stride. Unless some dire misfortune befalls the team, Transylvania will have little difficulty in coming out on top among the schools of her class. Kappa is represented on the team by Bill Carter, who is showing up well as a guard, having played most of the time in every game this season. Bill will rate a letter this year. Pledge Ratliff is on the squad, and has played in some of the games.

More men continue to move into the house, and we are beginning to think seriously of new and larger quarters. Neal Hall is such a good house and is so admirably situated, however, that we hate to think of changing. The increased number of men staying there has necessitated the installation of several double-decker beds on the sleeping porch, of which we are justly proud.

The three fraternities at Transylvania have organized a Pan-Hellenic. Although the plan has been tried before and has never functioned to much advantage, it is hoped that some real good will be accomplished by the present organization. Some very good rules and regulations in regard to rushing and pledging have been adopted, some radical steps having been taken in this direction.

Greetings and a warm hand-shake to all the chapters.

GRAYDON BOWER.

MU

Presbyterian College of South Carolina

We take pleasure in announcing the initiation into the fraternity of

Hal Steele Fewell, Rock Hill, S. C.

Fewell has served as ensign in the navy for three years, and after this absence, has returned to P. C. to complete his course. As a former student of this college he held several honors, being captain of the varsity track team in his junior year and president of the junior class. Fewell was also president of the Eukosmian Literary Society.

On account of faculty regulations, no pledges may be made before February 2. We have, however, carried on a most impressive rushing program, including banquets, stag parties, and the like. Just before Christmas we entertained quite a number of excellent prospects at a banquet held at the Clinton Hotel.

The basketball season promises to be a successful one for P. C. this year. With one of the best teams the school has had in several years, we played our first game with Bailey Military Institute, defeating the visitors by a large score. Miller is one of our best varsity men and is expected to show up well this season.

We report the election and appointment of the following officers: C. E. Piephoff, S. M. C.; H. M. Wilson, I. M. C.; W. D. Hudson, Th. C.; J. C. Young, S. C.; J. M. Dick, M. S.; J. L. Nickles, M. C.

Mu sends best wishes to her sister chapters.

WILLIAM J. CHERRY.

OMICRON

University of Richmond, Virginia

Omicron opened the new term with all but three men who were on the chapter roll last fall. Brother Nolde went into the bakery business with his father. Brother Lewis will be with us in March. Brother Durham has recovered from an attack of typhoid fever, after losing most all of the first term's work. We are looking to the day when we can welcome Brothers Lewis and Durham back to their college activities.

The past fall was one of the biggest in the life of the University. The victory over William and Mary Thanksgiving Day brought to a close one of the most successful football seasons the Spider team has enjoyed since Coach Dobson has been in

charge of the athletic department. Basketball started with the close of football. Pi Kappa Alpha is represented by Hundley and the two Carvers, Bill and Jim. The team has been very successful so far this season, having lost only two games. This year again the University ran a close second to Virginia in the annual marathon held in Richmond, November 26. Hite finished first for U. of R., and was awarded a silver medal. Other II's out for this event were Newton and E. V. Ellett.

Beyond doubt, the most important event of the fall was the visit of Marshal Ferdinand Foch to the university campus, where he was awarded the Doctor of Laws degree. Many of Omicron's alumni were present on this occasion and the chapter room was crowded throughout the afternoon with visitors. Among the alumni who were present then and during Thanksgiving, we were glad to welcome J. M. Newton, Jr., R. T. Newton, F. C. Ellett, A. M. Duval, Alfred Garnett, I. T. Craig, A. J. Duval, Jere Willis, George Oliver, Henry Taylor, R. T. Coleman, our District Princeps, Dick Wood, T. B. Taliaferro, W. E. Durham, Warren Tiller, T. B. Washington, J. H. Robinson, W. R. Broaddus, Jr., W. A. McGee and E. S. Robinson.

Brother W. O. Carver, Jr., was honored by being elected as one of the few new members of Omicron Delta Kappa, an honorary fraternity. He has also been elected to the office of business manager of the combined dramatic clubs, and in addition to this office he has been appointed assistant sport editor of the Richmond Collegian.

Brother C. W. Newton was elected president of the Philologian Literary Society.

E. V. Ellett was elected as Omicron's delegate to the national convention in New York. W. O. Carver, Jr., was chosen as his alternate.

Omicron takes great pleasure in introducing to the fraternity at large the following new brothers:

Joseph Warren Hundley, 2018 Hanover Ave., Richmond, Va. Alfred King Mitchell, Glen Carlyn, Va. Carey Ellis Stern, 1700 Grove Ave., Richmond, Va. James Edward Carver, 1445 First St., Louisville, Ky.

We also wish to announce the pledging of

John McIver Leech, 2413 Grove Ave., Richmond, Va.

With the addition of these men, Omicron is confident of a good year's work.

Omicron desires to extend a hearty welcome to Beta-Sigma, our youngest chapter. We wish for her and all our sister chapters the greatest success and good fortune in the coming years.

JUNIUS W. ELLETT.

PI

Washington and Lee University

The first roll call after Christmas found that all the old men and goats had returned. We also found that all of our pledges had passed the required work to be initiated, a record of which we were very proud.

The week of January 8 was Goat Week, with the formal initiation on Saturday night. Pi chapter takes pleasure in introducing to the fraternity at large the following initiates:

W. G. Hall, Memphis, Tenn.

E. W. Alexander, Memphis, Tenn.
A. L. Penny, Raleigh, N. C.
G. S. Earp, Norfolk, Va.
H. L. Shuey, Fordwick, Va.
W. L. Nash, Graham, Va.

P. D. Hunter, Johnson City, Tenn. C. W. Meadows, Beckly, W. Va. C. E. Crockett, Oxley, W. Va.

These new brothers are showing up well in the different phases of college activities. Meadows made the Troubadours, an unusual honor for a first year man. Earp is on the Mink staff. Penny is assistant property manager of the Troubadours. Shuey is playing center on the freshman basketball team.

Miller at the last meeting of the Inter-Fraternity Council was elected to the presidency.

We are working now on a chapter paper which will be out the 15th of February. A chapter paper was decided as being the best method available of keeping in close touch with our Hartzo, who is an instructor here in commerce this year, was elected editor-in-chief.

Lewis was elected as our official delegate to the 1922 convention.

Sedwick and Norvell have been elected to membership in Tri Chi, an inter-fraternity social club. Norvell was also elected to Keys, an honorary sophomore club.

Washington and Lee's basketball team having won its first five games, bids fair to be a championship team this year. are very much enthused here over having resumed athletic relations with the University of Virginia, after a period of dormancy for fifteen years.

Pi chapter has elected the following officers for the winter term: C. H. Miller, S. M. C.; R. M. Sedwick, I. M. C.; C. M. Lewis, Th. C. The following officers were appointed by the S. M C.: M. T. Allen, S. C.; L. G. Norvell, M. S.; W. G. Hall, M. C.

The members of Pi hope to greet all chapter representatives at the convention in New York. Let us hope for the largest and most successful convention ever known in the history of our fraternity.

L. G. NORVELL, Jr.

SIGMA

Vanderbilt University

We are pleased to announce that our pledges made very creditable marks and that we were able to initiate them all.

We wish to introduce the following new brothers:

R. Patterson, Gallatin, Tenn.
Maurice Speck, Monterey, Tenn.
J. D. Kinzer, Bedford, Va.
John C. Drennon, Nashville, Tenn.
George Clarke, Christiana, Tenn.
D. M. Clay, Athens, Ala.

Vanderbilt's basketball season has begun and bids fair to be as creditable to the college as the football season. The team as yet has not been defeated by any college team that they have played.

Fraternity basketball also starts this week, and the games between the fraternities are always as interesting as the varsity games. We have had our tea mat work for more than three weeks and are hoping to make a creditable showing.

The chapter was more than delighted to welcome as visitors several men from Zeta who dropped in on their way back from the holidays, and also who came over to take the state bar examination. Brothers Myrick, Bell, Lyon, Troutman and Sloan came over from Zeta for visits, and also Brother Ned Eggleston from Cumberland.

Sigma wishes success to all sister chapters and will welcome any visiting II's who come our way.

J. COMFORT.

TAU

University of North Carolina

Tau takes great pleasure in introducing to the fraternity at large the following brothers:

Howard P. Hambrick, Shelby, N. C. L. Baxter Rogers, Asheville, N. C.

These men were initiated January 9th. We are sorry to lose Rogers so soon after his initiation. He has gone into business with his uncle in Rockingham, N. C.

The university is coming into its own in athletics. The entire team, with only one exception, will be back next year. The basketball team is showing up excellently, we have played five games so far with teams in this state without a defeat. baseball outlook is unusually good with the whole nine from last season back at college.

Great building activity is going on at the university. Four new dormitories are now under way and three more are to be constructed later in the year. At the opening of school next fall Carolina will be able to accommodate three thousand students. There is talk of moving all fraternity houses here to another site, using the present site for academic buildings, but this plan is being opposed not only by fraternity men but the whole student body.

At the recent election of officers the following men were elected from Tau chapter: John Coker, S. M. C.; Wood Williams, I. M. C.; H. M. Taylor, Th. C.; B. E. Cogeshall, S. C.; J. C. Spach, M. S.; Howard Hamrick, M. C.

Recent honors taken by members of Tau include the election of Wood Williams to commencement-ball manager and Ted Cogeshall to the sophomore order of the "13," an organization for the promotion of an inter-fraternity spirit on the campus.

The whole chapter is talking convention and at least five members of Tau are already making arrangements to be present when the roll is called in New York. All of these men are looking forward to this occasion and will meet you in New York Easter.

JULE C. SPACH.

UPSILON

Alabama Polytechnic Institute

It is with great pleasure that Upsilon announces the following new brothers:

W. E. Shamblin, Rome, Ga. R. P. Taylor, Andalusia, Ala. F. T. Komp, Hattiesburg, Miss. R. S. Parker, Andalusia, Ala. L. M. Hill, Birmingham, Ala. H. S. Salter, Birmingham, Ala.

W. R. James, Enterprise, Ala.

J. C. McKinnon, Talledega Springs, Ala. T. M. Nesbitt, Birmingham, Ala. W. W. Warner, Jackson, Ala. H. C. Mink, Winter Garden, Fla.

After a most enjoyable Christmas everybody returned except one man, and after telling the many experiences that we had, we came to the sudden realization that term exams were nearly upon us. We buckled down, however, to the inevitable and now they are only memories.

The famous 22nd of February dances were changed to January 26th because of the fact that we changed this year from the three term to a two term basis. We spent a great deal of time fixing up our house and everything seems to have gone off in grand style.

At a recent election the following new officers were elected: J. L. McKinnon, S. M. C.; J. I. Boriss, I. M. C.; C. R. Saunders, Th. C.

Upsilon sends her heartiest greetings to the other chapters and hopes they will enjoy a happy and prosperous year.

SIDNEY L. NORWOOD.

PSI

North Georgia Agricultural College

On January 4th the doors of the college were again opened for the beginning of the spring term. There are quite a number of new students and some of them are good "prospects."

Inter-class basketball is now in full blast with sophomores and freshmen ruling as favorites. Psi men constitute the majority on each team. An Inter-Fraternity Basketball League has been formed and Psi has a mighty good chance to lead the league.

The chapter regrets the loss of P. F. Koerber and pledge V. M. Clifton by their failure to return after the holidays. We have hopes that the loss will be only temporary since both expect to return in September. We are very glad indeed to have with us again V. F. Hollingsworth, who was prevented from returning last September.

Psi wishes to announce the pledging of the following:

W. F. Hollingsworth, Atlanta, Ga. C. W. Fleming, Grogansville, Ga.

Our chapter house furnishings have been augmented by the addition of standard-size Brunswick-Balke-Collender pocket billard table. It is sure to prove very popular as well as being a valuable asset as a pastime when the weather is too inclement for outdoor sports.

The following elections and appointments are announced: Lamar Weaver, S. M. C.; W. C. Futral, I. M. C.; W. D. Owens, Th. C.; V. F. Hollingsworth, S. C.; W. B. Hawkins, Jr., M. S.; H. T. Hollis, M. C.

The coming convention is uppermost in our thoughts just now, especially those of us who are going. We are sure that it will be the greatest convention in the history of the fraternity.

Psi extends greetings to her sister chapters.

W. B. HAWKINS, Jr.

OMEGA

University of Kentucky

At this writing all are busily engaged with the mid-year exams. Prospects look mighty good for Omega to stand well scholastically. For the first semester last year Pi Kappa Alpha led the other fraternities on the campus, in scholastic standing. Naturally, all hope for the same result this year.

The inter-fraternity basketball games start next week. The games are run on a disqualification basis, a team dropping out of the running if it loses a single game. We lost in the semifinals to Delta Chi last year. The Pan-Hellenic Council has purchased a beautiful loving cup to go to the winning fraternity for the year, the winner for three consecutive times being allowed to keep the cup.

The varsity basketball team got off to a bad start by being beaten by Georgetown in the first game. But the team is back in form now, having beaten the fast Mississippi Aggies in true championship style. If the squad remains intact it looks as though Kentucky will again shine at the S. I. A. A. in Atlanta the last of February.

The usual election of officers was held Wednesday night, January 28. Our officers for the following semester are: Harry L. Petrey, S. M. C.; Robert L. Sanders, I. M. C.; William I. Moore, Th. C.; John C. Riley, Jr., S. C.; Robert E. Davis, M. C.; William Sears, M. S.

Brother Petrey was elected delegate to the national convention which convenes in New York April 18-22. Brother Sears was elected alternate.

Tuesday night, January 17, the pledges entertained the active members with a theater party and luncheon at the Phoenix. The affair was greatly enjoyed by the entire chapter.

One regular monthly luncheon was held January 28 at the Lafayette. A goodly number attended from Kappa, Omega and Alumnus Rho. Some steps were taken to complete plans for the building of a chapter house for Omega but nothing definite has yet been decided upon. By next month we expect to have the

plans well under way so that the much talked-of chapter house will cease to be a vision but will become a reality.

All returned after the holidays with the exception of pledge Parrish.

Brother Sears will be editor of the Exchange Department of the school publication "The Kernel" next semester, and Petrey and pledge McClure will be on the staff.

JOHN C. RILEY, Jr.

ALPHA-ALPHA

Trinity College, Durham, N. C.

With the Christmas holidays passed, New Year's resolutions made and broken, and examinations passed and flunked, we are now ready to direct our attention to other matters of interest, the chief among these being the basketball season which has just opened. Judging from the start that we have made, having defeated Wake Forest and N. C. State, both of whom have strong teams, we have expectations of an unusually successful season. We are represented on the quintette by our regular athletic trio, Brothers Neal, Crute and Simpson.

At a football banquet given just before the holidays, announcement was made of the election of Neal as captain of next year's team. Brother Neal's season in football was an exceptionally brilliant one, being selected by several sport writers as all-state end for the second time in his football career, and gained favor for himself among football supporters of North Carolina to such an extent that several of the state's leading papers carried editorials concerning his football ability.

Alpha-Alpha takes great pleasure in announcing the initiation of Worth Elwood Dobbins, Mt. Airy, N. C., who was initiated on December 10th. We regret very much that pledge R. L. Smith has left college and has located in Charlotte, N. C.

During the last few weeks we have been favored with visits from the following brothers: L. K. Martin and District Princeps Ferrell, who were here with the Trinity Alumni basketball team; H. W. Kendall, T. E. Wray of Alpha-Epsilon, and Hadley and Spach of Tau. We are always glad to have visiting brothers and extend an invitation to all Pi's to visit us at any time.

We extend a hearty welcome to the new chapters, both active and alumni, and wish them much success.

JOHN B. HARRIS.

ALPHA-DELTA

Georgia School of Technology

Alpha-Delta takes great pleasure in introducing the following new pledges.

Joseph Eberhardt, Atlanta, Ga. Herbert Wrenn, Shreveport, La. John Snead, Savannah, Ga. Bill West, Chattanooga, Tenn. Gus Merkle, Savannah, Ga. Porter Warner, Chattanooga, Tenn.

Eberhart was one of our fast freshman football team last fall. Wrenn is also a football man and has played well in "prep" school baseball, and Snead has no small reputation as a ball twirler.

As spring looms up track comes to the fore and this year we have Tom Corwin, senior track manager; Jimmy Smith and Carey Parker, assistants. All of these men gained their office by popular vote.

Lawson Johnson represented the house on the freshman basketball team this year as a forward.

Joe Cronk is piloting the "Marionettes" through the financial straits this year in the role of business manager.

In the Glee Club we have Strum, Carr and O'Brien and on the Mandolin Club we have King, Strum and O'Brien. O'Brien is also in the dance orchestra that accompanies the clubs on the trips. Phipps is assistant pianist.

Two other musicians are Hazlehurst, who is doing fine work as a first cornetist in the band, and the solo work, and Perrine plays a clarinet in that organization. The Tech band is composed of 74 pieces and the quality is directly proportional to the quantity.

On the diamond we will have the batteries again this year. Danny O'Leary will surmount the mound and Ed Liddell will back 'em up. Pledge Snead comes to us highly recommended as a moundsman and we are looking forward to see him succeed Dan when he graduates.

Stillwell, who was doing fine work on the publications, was unable to return to school the second term. We lost a fine man by his inability to do so.

The annual cross-country run comes off March 10th and we will enter a II K A team in it. Alf Carroll has been chosen to captain this team and we are going to try our best to win that old "mug."

Alpha-Delta sends best wishes for the success and pleasure of the fifty-fourth anniversary of the fraternity.

F. M. EXLEY.

ALPHA-EPSILON

North Carolina State College of Agriculture and Engineering

Alpha-Epsilon has successfully finished her first term's work, and is starting out with prospects for an unusually prosperous New Year.

The basketball season is well started, with two games to our credit and one lost to Trinity. Alpha-Epsilon is well represented on the team by brother Park, who is a very consistent guard, and is also captain of the team. We have a good schedule, and from the present outlook should have an unusually successful season.

Under the guidance of Dr. Taylor, Prof. Nelson and Dr. Prentiss, the latter two graduates of the Manchester Textile School, Manchester, England, a new sport has been introduced, soccer football. All track aspirants are required to participate.

Our chapter is looking forward with great pleasure to the coming convention, and if present plans mature, will be well represented at New York in April.

To all her sister chapters, Alpha-Epsilon sends her heartiest greeting, and best wishes for a successful year.

J. S. GEITNER.

ALPHA-ZETA

University of Arkansas

1922 is the fiftieth anniversary of the founding of the University of Arkansas. The university authorities are planning a reunion at commencement. Alpha-Zeta is looking forward with great pleasure to seeing the Alpha-Zeta alumni. No definite plans have been made for the celebration as the alumni will probably have charge of the arrangements.

As one of the principal events they are planning to stage a pageant on the campus giving a history of the university with all its religious, educational and social organizations represented. This will give fraternities a chance to depict the different phases of fraternity life.

The chief thing of interest on the campus at the present time is the intra-mural basketball tournament. Alpha-Zeta has only lost one game and stands a good chance of coming out first. Our team is composed of Basore, Coker, Kyler, Hughes and McCloy.

At the final tryout for the debating team Richardson was successful and will represent Arkansas in the annual debate against Texas and Oklahoma.

We very much regret the loss of Dickson and Anderson who have left college this quarter, and also Louis Heerwagen who was married a few days ago and will probably enter business in Fayetteville with his brothers.

We have just had a very delightful visit from Brother Frank Eversole. Alpha-Zeta considers herself indeed fortunate in having such a splendid man as her District Princeps. Our only regret is that his visits are so few and far between.

We have pledged the following men this quarter: C. E. Mc-Cloy, Monticello, Ark.; Oliver Johnson, Fayetteville, Ark., and Jacob Sharp, Jonesboro, Ark.

WALTON POLK.

ALPHA-ETA

University of Florida

The brothers and pledges of Alpha-Eta have just passed through a strenuous week of semester examinations. These grueling days have been especially significant to our pledges, for on the results depend their initiation into Pi Kappa Alpha. The University of Florida has a pan-hellenic law which requires pledges to pass nine hours of their first semester's work before they can become a member of any fraternity. We take pleasure in announcing that we shall initiate all but two.

The night of our annual Christmas dance was one that will long be remembered in the minds of both "rats" and "old men," as well as our guests. The "Dream Girl" dance proved to be the feature of the evening.

We are very pleased to announce the affiliation of Brother Lawrence Case of Upsilon chapter. He is prominent in various forms of athletics, especially in track, where he excels. He also had held the office of Th. C. at Upsilon.

R. M. Swanson, musician, "F" man in football for three years, premier actor and president of the "Masqueraders," has left us to take a position with "Hartzell's Novelty Five," who are at present playing a series of engagements in Orlando, Fla.

John Chestnut has entered the newspaper business, taking an active part on one of the local papers.

C. A. Anderson and Miss Nettie Richardson of Gainesville, Fla., were quietly married during the Christmas vacation.

The following officers were elected and appointed to serve during the second semester: R. L. Earnest, S. M. C.; R. E. Duckworth, I. M. C.; A. E. Carpenter, Th. C.; G. W. Gray, S. C.; H. A. McMullen, M. C.; M. F. Bunnell, M. S.

Alpha-Eta extends her best wishes to all her sister chapters.

M. F. BUNNELL.

ALPHA-IOTA

Millsaps College

Alpha-Iota takes great pleasure in announcing the pledging of the following:

George A. Brumfield, Tylertown, Miss. Norman Gillis, Fayette, Miss. O. L. Ellis, Chatom, Ala. Robert W. Williams, McComb, Miss. Wallace M. Lester, Jackson, Miss. J. Dewitt Mullen, Jackson, Miss. T. M. Davenport, Little Rock, Ark.

Our freshmen truly seem to be a group characterized by varied accomplishments. Davenport made the varsity team this year; he is also on the Purple and White staff. Mullen, who has been two years at the University of Mississippi, is also on the staff, and is proving his worth as an illustrator by contributing several unique drawings to this year's "Bobashela." He and Ellis are also on the quartette. Lester, president of last year's graduating class of the Jackson High School, was elected secretary and treasurer of the freshman class. Williams is on the Purple and White staff.

At a recent meeting the following were elected and appointed as officers for the next term: George B. Watts, S. M. C.; T. H. King, I. M. C.; J. A. Vest, Th. C.; R. E. Sylverstein, S. C.; Leigh Watkins, M. S.; H. H. Knoblock, M. C.

Collins will represent Alpha-Iota at the convention to be held in New York in April.

Congratulations and best wishes to the newly installed chapter at Carnegie Tech.

LEIGH WATKINS.

ALPHA-KAPPA

Missouri School of Mines

Alpha-Kappa extends greetings, and best wishes to the sister chapters, and wishes to announce to the fraternity at large the names of two new initiates:

Kenneth A. Ellison, Sapulpa, Okla. Donald F. Griffin, Joplin, Mo.

At our regular election of officers the first of this semester the following were elected to guide us through: Keyes, S. M. C.; Rixleben, I. M. C.; Wright, Th. C. The following were appointed: Weigel, S. C.; Whitworth, M. S.; Keeling, M. C.

Signer is starring regularly in the varsity basketball squad,

and Layton and Rixleben are more than starring in boxing circles.

Keeling has been pledged Theta-Tau, one of the honorary engineering fraternities of the school. Layton has been elected to the office of vice-president of the newly installed chapter of The Square and Compass, the Masonic fraternity of the school. Other new members are brothers Leonard and Whitworth. Whitworth is also one of the committee of nine who are sponsoring the installation of the local chapter of the Order of DeMolay. In this order we have three members: Ellison, Griffin, and Pledge Terry.

Alpha-Kappa is to figure quite prominently in the entertainment of the delegates of the National Association of Collegiate Engineers, which organization is to hold its convention at the Missouri School of Mines and Metallurgy the 9th, 10th and 11th of February. The president of the association is Wm. Crilly of Ames, Iowa, and the vice-president is Brother Leonard of Alpha-Kappa.

Brother Schaffer is playing one of the important roles in the next school play: "It pays to advertise."

In closing we are very proud to announce the pledging of William E. H. Knight, 1906 Jackson Ave., Joplin, Mo.

VIRGIL L. WHITWORTH.

ALPHA-NU

University of Missouri

Alpha-Nu started the winter term of college with nineteen active members in the chapter, including the following new brothers, initiated December 3:

Webster W. Hallett, Nevada, Mo. W. Francis Murrell, Kirksville, Mo. Charles R. Fisher, Cape Girardeau, Mo. Frank B. Stradley, Caney, Kas. Tilghman R. Cloud, Pleasant Hill, Mo. Conrad L. Eckert, Kansas City, Mo. Glenn W. Novinger, Kirksville, Mo.

Myers Campbell and Robert L. Riggs did not return to the university for the winter term, which started January 1.

The following officers have been elected for the winter term: John L. Olson, S. M. C.; James H. Ballard, I. M. C.; Norris A. Mayo, Th. C. Brother Eckert was appointed S. C.; Brother Cloud, M. S., and Brother Tad Simons, M. C.

Alpha-Nu has two new pledges to introduce:

John Dorsey, of Norborne, Mo. Tom B. Brown, of Edina, Mo. Dupuy G. Warrick brought honor to the chapter by being elected president of the university Pan-Hellenic Council for the winter term.

Sam B. Armstrong has been selected as Alpha-Nu's delegate to the national convention, and Olson as alternate.

Ballard has been promoted from cadet captain to cadet major in the R. O. T. C.

Pledge Powell McHaney has earned a place on the freshman debating team.

Brother Murrell received the congratulations of the brothers on the birth of William Francis Murrell, Jr., on December 18. The chapter sent the youngest Alpha-Nu a silver drinking cup, properly inscribed, as a birthday present.

T. R. CLOUD.

ALPHA-XI

University of Cincinnati

We wish to introduce Pledge Richard Stillwell Cole, Wheaton, Ill.

At the regular chapter meeting held January 14, 1922, the following officers were elected and appointed for the coming term: William C. Havelaar, S. M. C.; George M. Palmer, I. M. C.; Edwin F. Koch, Th. C.; George M. Arnold, steward; Howard Hebble, S. C.; P. H. Fitzgerald, M. C.; Joseph R. Edmonston, M. S.

The chapter delegate to the convention, elected at the last meeting, is Joseph R. Edmondston, with William C. Havelaar as alternate.

Wallace McIntire has joined the benedicts, marrying on Christmas Eve a very charming Cincinnati Co.ed. "Wally" is student instructor in chemistry, and intends to remain in college as he gets his degree this spring. Tom Denham has just recently announced his engagement to another of our Co-eds. Brother Ed. Strietlemeier, of the University Y. M. C. A., has been appointed as secretary of that organization, succeeding Mr. Fred Hoehler, who has been allowed a year's leave of absence. Brother Randall Walker has been bid to Sigma Sigma the honorary general fraternity of the campus. "Ran" well deserves the honor bestowed upon him, as there is no harder worker in the school. "Ran" is president of Student Council, the student governing body, and is chairman of the Construction Committee of the Stadium Fund Drive.

The Pledge Dance held at the house on December 2, 1921, was featured by a one-act comedy given by the Freshmen. The acting

of Pledges Lounsberry and Runge and the graceful dancing of "Goat" Palmer amused all present. On January 3, 1922, the Annual Holiday Formal was held in the ballroom of the Hotel Alms. This dance was given under the direction of Havelaar and too much credit could not be given him for the excellent way in which he handled every detail. We greatly enjoyed having with us at this time John U. Fields of Kappa, Raymond Hicks of Alpha Lambda, E. C. W. Dietz and Pledge Bennet of Gamma chapter. As a lasting remembrance of the occasion the ladies were presented with handsome bronze bud vases with the coat of arms embossed upon them. Washington's Birthday we are planning to have our annual at home.

Basketball now holds sway, athletically, at the university, with Fred Schierloh leading the team as captain. After breaking even in our holiday schedule, winning from Ohio State and Yale and losing to Michigan and Dartmouth, Cincinnati is at present leading all Ohio conference teams with an unbroken record of four wins in as many games. Byron Wydman is manager of both wrestling and boxing teams with Larry Schellhammer as his assistant.

Athletic Director Chambers has just announced the appointment of George MacLaren as head coach of football and track. Mr. MacLaren is a graduate of the University of Pittsburg, where he made quite a name for himself, being placed by many experts on the Mythical All-American elevens for the years 1916-17 and 18, and was known as the greatest plunging fulback of his day. Mr. MacLaren comes to Cincinnati from the University of Arkansas, where he has turned out some very successful teams in the past two years.

Alpha XI extends the warmest of greetings to the sister chapters, and heartiest congratulations to our "baby chapter" Beta Sigma, welcome to the fold.

JOSEPH R. EDMONSTON,

ALPHA OMICRON

Southwestern University.

Alpha Omicron well two points below the average set by the faculty in regard to pledging last term, and we have, to a man, buckled down to hard work. We lost nothing materially, however, by not being able to pledge because all of the men whom we were rushing refused other bids and are waiting for us to make the average this term.

Alpha Omicron is represented on the basket ball team by Holloway at forward and by Winstead as manager. Stevenson has been

elected assistant manager by the student body, and it is certain that he will manage the team next year.

We are glad to have pledge Browder with us this term. He comes to us from Beta Zeta.

We are glad to announce that the exchange of visits between Beta Mu and Alpha Omicron is still very much in evidence. There is a much closer spirit of brotherhood between the chapters at the University of Texas and at Southwestern than there is between any of the other fraternities represented at the two colleges.

As a result of the election held January 29, 1922, Horger, S. M. C., was elected as delegate to the national convention and Comer was elected as alternate. The following men were elected to guide the chapter for the remainder of the year; E. G. Horger, S. M. C.; E. Campbell, I. M. C.; M. L. Rendlemann, Th. C.; P. M. Stevenson, S. C.; G. B. Winstead, M. S.; J. C. Holloway, M. C.; T. W. Boggess, alumni secretary; L. B. Reasonoover, Pan Hellenic representative; M. L. Rendlemann, Pan Hellenic representative.

Alpha Omicron wishes to extend the heartiest of greetings to all the sister chapters of beloved II'S.

GEO. B. WINSTEAD.

ALPHA-PI CHAPTER

Howard College.

Nineteen twenty-one was a banner one in athletics for Alpha In football, baseball and basketball the II's were well represented on Howard's teams. In football there were two Alpha Pi old men on the first varsity, as well as one pledge, now a fullfledged member. On the second varsity were several freshmen pledges of the Pi Kappa Alpha, all of whom show promise of developing into excellent football men in another year or two. Othar Alford was captain of the football team, and is also leader of this year's basketball quintet. He has made a wonderful record in athletics at Howard, and still has another year. Lee Head, who was such a star a year ago, and two years back, was assistant coach, and turned out a reserve football team that walloped everything in the neighborhood. There were four Alpha Pi men on this team, all freshmen pledges. Head plays professional baseball as a Virginia League catcher in the summer time, and is expected to get a trial in the big leagues in another year or two. He is finishing his junior year at Howard now.

In basketball there are three II's on the varsity of seven men. They are Alford, Gaylor and Webb, all letter men of 1920-21.

Alpha Pi regrets to announce that Russel Drake, sophomore II,

has left college and is now at Haleyville, Ala., his home. was a letter man in baseball in 1921.

Marvin McCarthy has left college temporarily, but is expected to return during the next scholastic quarter.

W. A. LOGAN.

ALPHA-RHO

Ohio State University.

Mid years are upon us and all our efforts are scholastically bent. We have been doing other things besides studying.

Eugene Townsend was recently initiated into Alpho Zeta, honorary Agricultural fraternity. To be eligible one must merit and G. most of his work.

Warp Hill has the honor of being president of the Varsity "O" Association for the ensuing year.

Frank Benton, our good-looking chorus girl, has been vamping his way in Scarlet Mask's big hit production "Many Moons."

The Fraternity Basket Ball Team has won all its games so far and we are hoping to keep the championship cup on the mantle for another year. The pledge's team have a real good start for a successful season, having won two games. Simpson, Mallory and Broadfoot are the star performers for the freshmen.

The bowling team sprang the latest surprise. Led by Captain Hill, they overwhelmed Phi Kappa in the opening match. Arnold Condon, with 204, was high man. Arnold was a little off form. Paul Steel, with 196, was a good second bet.

Our diminutive "Skeets" Kennedy is leaving this semester for Valparaiso to pursue his studies there.

Alpha Rho Chapter wishes to announce the following pledges:

Frank Benton, Newport, Kentucky.

Joseph W. Perry, Youngstown, Ohio. At the last meeting the following officers were elected: Robert E. Pollard, S. M. C.; Charles Woyame, I. M. C.; Harold S. Weiser, Th. C.

Alpha Rho extends to the other chapters her best wishes. Heres' to a successful convention!

RICHARD A. McCLURE.

ALPHA UPSILON

New York University, New York.

We of Alpha Upsilon have just finished a strenuous two weeks cf examinations. Now work a little relaxation. An elaborate social program has been planned for the second term. This will

include house parties, alumni reunions, and our annual get-to-gether with Alpha Psi Chapter.

We expect to hold our initiation in the first week in March, when we intend to introduce ten new members to II K. A.

Brother Phillips finds that business cares will no longer permit him to take care of the alumni and house bond accounts. The chapter voted to place collection of the alumni accounts in the hands of an active member, and therefore Brother Wangerin was chosen to take up the work where Brother Phillips left it, and Brother Kelaher was appointed to take care of the alumni account.

Our basketball team, lead by Frank Goeller, is considered to be one of the strongest of the intercolegiate teams despite the fact that it includes four new men. Victories have been gained over Yale, Columbia, University of Toronto, Brooklyn Poly and Franklin and Marshall. Our only setback was a close game to West Point on their floor. The freshman team is also having a good season. We are well represented with four pledgees on the squad, Dick Shipley, who is captain of the team; Helge Carlson, Gene Lynch and Mike Doyle. The relay team is also doing good work. Jeahey and Kavanaugh are members of this team. Courtois and Ed Weatherdon are training for the National A. A. U. championship games.

We have reached the finals in the Inter-House basketball tournament and from all appearances we will keep the cup another year.

Alpha Upsilon is also well represented on the Varsity Glee Club by Parker, Kelting, Platt, Kavanaugh and Pledge Owens. Bill Ryan is starring in college dramatics. In publications, we have Leahey as business manager of the Violet, O'Dea as assistant business manager. Leahey and O'Dea are also on the New Yorker staff. On the Medley Board we have Parker as art editor and Kavanaugh as assistant. O'Dea is president of the Newman Club.

Recently we have received visits from several of our Alumni, including Brothers Don Metcalf of Des Moines, H. W. Rudolph, Herman Zuege, Ed Delaney, Kellam of Beta Delta, Campbell of Beta Theta, and Steinmetz of Beta Phi.

At the last meeting the following brothers were selected to guide us through the year: Edwin Weatherdon, S. M. C.; Arvid Nelson, I. M. C.; Francis Leahey, Th. C.; Richard Kelting, S. C.; Earl O'Dea, M. S.; Frank DeNapoli, M. C.

The chapter is busy making plans to welcome all the brothers at the coming convention.

Alpha Upsilon extends a hearty welcome to Beta Sigma.

ALPHA PHI

Iowa State College of Agriculture and Mechanic Arts.

Basketball, for the season, is about to end. "Ray" Wilhelm came back this quarter and took an active part on the varsity squad as center of Iowa State cagers. We were glad to see Ray back with us again after an absence of about six months. "Deac" Wolters was elected captain of next year's varsity football squad. This was "Deac's" first year out for football and he is justly credited after the good work that he did. He was on the relay team that represented Iowa State at Madison Square Garden, New York City, in the match race against Penn State. He ran against Chicago team at the Illinois Athletic Club. This is "Deac's" last year in track, having won his three letters. Pledge Powers has represented the chapter on the freshman wrestling squad. He has got a nice start for next year in the 135-pound class.

G. E. Wright is writing up sports for the Iowa State Student. He was appointed as assistant sports editor on the college publication. Pledge Heersema is also assisting in the sports department, writing international sports.

Pledge Rae was elected to the position of military editor on the Iowa State staff. He holds the position as first lieutenant in the R. O. T. C.

February 25 marked the time for a big party given by the chapter. It was held in the Sheldon-Munn hotel ballroom and consisted of an informal dance. The party took the form of a cabaret, but not as wicked as "they used to be."

The pledges of the chapter formulated and carried out plans for a dinner and theater party. Programs and placecards were purchased and covers were laid for thirty at the hotel dining room. This was a peppy little party that the pledges carried out, and a great deal of credit is due to them.

The chapter was mighty glad to see K. J. Buck step in the doors once more. He will finish his course in forestry in June. He has been employed by the American Express Company in Omaha for the last six months. "Swede" moravets also returned to school quarter. He will graduate in June. Pledge Wright come back to retain his studies in chemical engineering. "Shanty" Lawler, who has served so faithfully for the past two years as Th. C., is graduating in June. His good work and interest in the chapter will long be remembered. Brother Fisher will also leave us in June.

Alpha Phi sends greetings and good wishes to all sister chapters.

ALPHA CHI

Syracuse University.

With the basketball season in full sway, the Syracuse quintet is being put through strenuous drills. Although Syracuse has been beaten twice, it was by a narrow margin in each case and with the improved brand of basketball she is now playing she should go through the season with an enviable record.

Unfortunately for Alpha Chi, we have lost both our men from the varsity squad. Early in the season "Danny" Parker tore the ligaments in his knee and will be unable to participate in athletics for the rest of the year. "Bill" Taylor, who was on the squad all during the season, has left college not to return until next septemter.

Prospects are brought for the Syracuse one mile relay team to come through with intercolegiate championship laurels. "Bill" Stone, regular member of the quartet, has been kept from the Melrose A. C. meet on account of minor injuries which prohibit his running for a couple of weeks. This will give Leonard, captain of the team, a chance to run; it was he whom "Stony" beat out for a berth on the team.

Kent Meyers has returned to college for the second semester and will resume his position with the varsity hurdlers.

With the passing of senior week, social events on the Hill were in full sway. Monday night Boar's Head play was staged at the Weiting in the presence of a capacity house. Pope, a freshman, played a clever role. Tuesday night was the annual senior ball at the gym. Alpha Chi had a large, well decorated box and was represented by a large attendance. The week's festivities closed with a dance at the house given by the freshmen.

We are glad to state that each of our eleven freshmen passed his work, thereby making himself eligible for initiaton.

With the coming of crew practice within the next few days, Pi Kappa Alpha will be represented by Pease, Dibble, Angwin, Andrews and Rinkin on the varsity squad, and by Gary and Brunk on the freshman squad.

Coach Ray Young, an alumnus of Alpha Chi, located in the city, is developing a strong swimming team. Derby and Seibert are first rate divers and Cook, a freshman, is the leading plunger.

BRUCE BARTLETT.

ALPHA PSI

Rutgers College.

Since writing to you last, a number of things have happened athletically. The basketball team, by defeating Lafayette last Saturday (the game was one of the junior week attractions, added another victory to its unbroken string of five. Great things are expected of the team this year, for their clean-cut and great defensive work is of high calibre.

For the first time in three years Rutgers met defeat in the tank. The meet was closely fought and exciting throughout, and it was not until the last event that Brown was declared the winner.

Over the week-end of January 14th, we held a rushing bee, ably conducted by "Steve" Wolff. A number of high school boys who were prospective Rutgers men were entertained. Kennedy, of the class of 1923, paid us a short visit over the same week-end.

The Queens Players, in conjunction with the Mimes of our fair sister college, will present Madeleine Lucette Ryley's play "Mice and Men." Swenson and Lloyd playing the roles of Captain Lovell and Mark Wimbury, respectively, will co-star. Messer was also rewarded a place in the cast.

Allen has been doing fine work as recitationist on the Glee Club. "Bill" is also a member of the college band.

We are very glad to have Brower with us again this year. Last February "Herb" had to leave in order to help his father. But now that business is in better shape again, Herb decided to return to college.

Indoor baseball practice will start the latter part of February or the early part of March. With Herb Brower back, the chances for a championship team will be increased. Herb was 'varsity catcher in 1920.

Hubbard represented us at the installation of our new chapter, Beta Sigma. We wish the new chapter all the success and happiness that attends entrance into the bonds of Pi Kappa Alpha.

In closing we extend to our sister chapters our hearty wishes for success and happiness in the new term and an invitation to visit us at any time.

ALFRED W. PLATT.

ALPHA OMEGA

Kansas State Agricultural College.

With the closing of the semester we lose Otto F. Fisher by graduation, Fisher's new place of residence will be in Anthony, Kans., where he will take up his work as a mechanical engineer.

On March 3rd Alpha Omega will give its annual Founder's Day banquet, a dance will be given the following evening, and we expect to see many of our alumni back for these events.

Kansas State is to have a new stadium, construction work will start early in the spring. The structure will be bowl-shaped and finished in native Kansas stone; we have at last realized our dreams, and the stadium will be completed by the beginning of the next school year.

A varsity activity fee was voted by the students; this is a compulsory fee of \$10 to be paid at the beginning of each school year. This includes every major sport and a few minor ones.

Alpha Omega stands close to the top in Inter-Fraternity basketball, having won six games and lost three.

The following officers were elected and appointed: Carl Uhlrich, S. M. C.; J. C. Wingfield, S. C.; Frank R. Hoath, Th. C.; R. C. Lind, M. S.; Ralph Jenkins, M. C.

R. C. LIND.

BETA ALPHA

Pennsylvania State College

Winter is here and with it has come and passed the final examination period. The new policy of Penn State toward higher standards of scholarship, with the elimination of re-exams, has met with approval and increased effort by every member of Beta Alpha. Incidentally, the scarcity of below grades shows that the II's at Penn State are rapidly rising to a high standing in the scholarship averages among the various fraternities.

To celebrate the successful closing of the past semester, Beta Alpha held a small week-end party over January 27th and 28th. The social committee has also made arrangements for a dinner-dance to take place on March 4th. This should be a great aid in relieving the monotony of study during the long strentch between now and Easter.

At this time we take great pleasure in welcoming our new Pennsylvania chapter, Beta Sigma, at Carnegie Tech. To them we extend our best wishes for continued success and prosperity.

With the end of a very successful soccer season, Keller received his "aSf" and Harral was elected Captain for the coming year.

As to scholastic honors, Bace, Keller and Pledge Klinger were elected to the honorary mining fraternity, Sigma Gamma Epsilon; Pledge Klinger was also elected to the honorary scholastic fraternity, Phi Kappa Phi.

At this mid-year season, Beta Alpha will lose only one man by graduation, namely, Brother Spaeth. To Spaeth's success we extend our heartiest wishes and felicitations.

Beta Alpha wishes to express her sincere hope for a successful and happy second semester to all her sister chapters. To the Alumni of Pi Kappa Alpha she extends her best wishes and reiterates her standing invitation to come and visit us.

CHARLES P. ASHE.

BETA-BETA

University of Washington

With the beginning of the winter quarter we are again back in the harness to continue the good work of the fall. The following men, who were not with us last quarter, have returned to college; Pat Molloy, Mt. Vernon, Wash.; Wayne Graham, Bellingham, Wash.; Johnny Reagan, Seattle, Wash.; Fred O. Graham, Wenatchee, Wash., Alpha-Sigma transfer, and we are happy to announce his affiliation with us.

Beta-Beta is well represented in all lines of campus activities. For the second successive year we have the Inter-Fraternity Wrestling Championship. Fred Howard was our man to go through the finals, and Fred Griffin went through the semi-finals. Wrestling Captain McCredie and former Captain Gale are upholding our reputation on the varsity. Inter-Fraternity Boxing is under way and we are tied, at the present writing, for first place with 28 points. We won the boxing pennant last year and hope to repeat again. In basketball we are represented by Keyes, who is on the squad. We have just completed a two-game series with California, and both were corking good games. We were glad of a visit from Brothers Eggleston, Douthit and Houvinen of the Bear Varsity, and wish they could have been with us longer. Wayne Graham is out for crew and is making good at Varsity Cox.

George Astel has been elected to the vice presidency of the student body. George won from his opponent by 239 votes. Orrin Vining has been elected treasurer of the junior class and will get his letter for varsity debate. Bart Rummel is chairman of the Junior Social Committee, while Tommy Allen is editor of "Log and Chips," a forest club magazine. "Gyp" Patchett is a member of the Sopohomore Social Committee and Carl Watts is manager of A. S. U. W. assemblies. Jim Ganders is president of the Pre-Medic Association and "Cy" Nutley is on the Y. M. C. A. cabinet.

Our pledges are doing very well in activities on the campus. Fred Griffin played on the Frosh class football team and was instrumental in our winning the wrestling pennant. Both he and Flower look good for the Frosh team. Roy Olson won his Frosh football numerals playing a good game on the Frosh Varsity, and

is also on the Frosh Vigilance Committee. Crawford Reid is handling the stage staff for most of the campus productions. Gorman Henry is out for Frosh cox and is going good. Kirk Herre is a member of Hammer and Coffin, honorary journalism publishing society, assistant editor of the Sun Dodger and is a member of the Daily staff. Clarence Murton is also a member of Hammer and Coffin and is assistant art editor of the Sun Dodger. Beta-Beta bids fair to make this her banner year.

Beta-Beta extends a welcome to all stray brothers and wishes her sister chapters a very successful year.

CARL W. WATTS.

BETA GAMMA.

University of Kansas.

With final exams dispensed with, everyone was primed to celebrate our annual carnival dance which was given January 27 at the Chapter House. A large number of guests were present, including faculty members and members of other fraternities on the hill

In the field of college activities and honors we have not been idle. "Cece" Willis and Fay Bennett have been initiated into Theta Tau, honorary engineering fraternity. Paul Cornelius has been elected president of Theta Tau. Waldo Kell has been elected president and "Brandy" Crenshaw vice-president of the student branch of the American Association of Mechanical Engineers. Spencer Gard recently represented the School of Law in an address before the annual meeting of the State Bar Association. Gard is also a member of the University Players Little Theatre Company and has been filling dates out over the state under the supervision of the Extension Division. Harold Herndon has been selected as a second tenor in the University Glee Club. Herndon also represented the Chapter in the Follies. "Virg" Miller and Howard Jenks have been elected to the Black Helmets, honorary Sophomore organization. Marion Collins is Editor-in-Chief of the "University Daily Kansan."

On the track field we are to be represented this season by Bill Mathews, "Brandy" Crenshaw, and "Runt" Herndon.

In Inter-Fraternity Basket Ball we have won our only game played so far by deafeating Sigma Phi Sigma (local). Beta Gamma's quintet stands a very good show to win the cup. They are in good shape with plenty of speed and the old fight that it takes to win.

As a result of a most impressive initiation held February Fifth, we wish to introduce the following new II's:

Maurice B. Crane, Caney, Kansas.
Bransford Crenshaw, Kansas City, Mo.
Paul Cornelius, Kansas City, Mo.
Foren Bray, Kansas City, Mo.
Homer Smith, Salina, Kan.
Walter Armagost, Florence, Kan.
Leith Vine, Holton, Kan.
Cleon Creel, Parsons, Kan.
Henry Lansdon, Salina, Kan.

One of the biggest social events of the year was the reception given by Beta Gamma on February 11th at the Chapter House in honor of Dean and Mrs. John H. Dyer. Mr. Dyer is the new dean of men at the University of Kansas. All members of the faculty and members from all social fraternities and sororities on the hill were present as were also a number of prominent Lawrence people. The entire house was open to observation, which afforded us a splendid opportunity to display our new acquisition.

The close of this semester brought with it the loss of one members through graduation, Robert F. Binney. "Bob" bid us a rather hasty farewell, but for that we can hardly blame him since a bride of three weeks awaited him in Strawn, Texas.

Beta Gamma wishes success and prosperity to all sister chapters.

VIRG MILLER.

BETA-DELTA CHAPTER.

University of New Mexico.

The names and addresses of those members returning to college for the academic year 1921-22 are:

Frank H. Neher, 403 N.: Second Street, Albuquerque, N. M. Edward Lighton, 310 S. Arno Street, Albuquerque, N. M. George W. White, 620 S. Third Street, Albuquerque, N. M. Walter W. Ward, 920 N. Fourth Street, Albuquerque, N. M. Clifford G. Bernhardt, Santa Rosa, N. M. Perkins L. Patton, Clovis, N. M. William Roy, 613 S. Walter Street, Albuquerque, N. M. George B. Martin, 126 E. Terrace, Gallup, N. M. William M. Hale, Roswell, N. M. Laurence W. Dow, Colmor, N. M. Laurence E. Lovitt, 1015 N. Second St., Albuquerque, N. M. George C. Hite, E. Las Vegas, N. M. Dale H. Snyder, 310 S. Ninth St., Albuquerque, N. Y.

Vernon B. Wilfley, Mexia, Texas.

Douglas R. Igou of Alpha-Eta Chapter is also with us this year.

Since our last Chapter letter did not get in on time for publication, Beta Delta takes this belated means of announcing the pledging of the following men:

Ogle Jones, Roswell, N. Mex.
Albert L. Culpepper, Carlsbad, N. Mex.
Dudley W. Snyder, Albuquerque, N. Mex.
O. L. Anderson, Raton, N. Mex.
Patrick F. Pugh, Oklahoma City, Okla.
Roy D. Hickman, Chattanooga, Tenn.
Robert M. Elder, Albuquerque, N. Mex.

Walter E. Bowman, of St. Johnsbury, Vermont, was taken into the bonds at the last regular meeting.

In the State Oratorical Contest held recently, first prize was awarded to pledge Roy D. Hickman, who was chosen to represent the U. N. M. from a dozen contestants. Hickman received the unanimous vote of the Judges.

By defeating the Eleven of the New Mexico College of Agriculture and Mechanical Arts on Thanksgiving day, the State University of New Mexico secured the Inter-collegiate State Championship. Letters were awarded for Pi Kaps, White, Bernhardt, Wilfrey, and Jones, the latter being picked without opposition as half-back on the first All-Southwestern team.

As the end of the first semester draws to a close Beta Delta looks back upon one of the most successful periods in several years having a most successful rushing season and having been actively engaged in all lines of Student Activities. To date the chapter has been extremely fortunate in securing representation in all student body activities Frank H. Neher is president of the Associated Students. Walter E. Bowman has been chosen literary editor of the "Mirage," the New Mexico year book. The editorship of the "Weekly" is in the hands of George W. White. The Juniors have chosen Perkins Patton as their representative to the Student Council and William Hale as the president of the third-classmen.

Inter-fraternity basket ball has the center of the athletic stage. Beta Delta has won three out of four games played and stands tied with the Sigma Chi quintette for first place in the league.

Beta Delta extends greetings to all her sister Chapters and welcomes into Pi Kappa Alpha the latest additions to our splendid fraternity.

WILLIAM M. HALE.

BETA-EPSILON.

Western Reserve University.

At the recent election of officers for the new term R. E. Reichert was selected for the position of S. M. C.; R. C. Kissack for I. M. C.; while L. M. Atmur remains at his post as Th. C. The new S. M. C. has appointed A. B. Elias, S. C.; and R. L. Cox, M. S.

In addition to the men pledged at this opening of the session, Beta-Epsilon has taken unto herself five new plege-brothers, whom she takes great pleasure in introducing to the fraternity at large. The new men are:

Laurence Wilson, Cleveland, Ohio. Charles Miller, Cleveland, Ohio. John Prince, Cleveland, Ohio. Nelson Abrahamsen, Lakewood. Ohio. Kurt Wiedenthal, Lakewood, Ohio.

The initiation of these men and the other pledges will probably take place soon after the beginning of the new term.

The annual Christmas dance was held on the fourteenth of December at the Women's Club. We were very glad to have with us on that occasion Meyers of Alpha-Chi. Kent, as he soon became to all of us, has been among those present" at Beta-Epsilon frequently in the past few months, and it is almost with regret that we see him return to Syracuse to resume his work there. We were also delighted to have a visit from Brother Duge of the Syracuse chapter during the holidays.

Basket ball is going very well at Reserve this year. Pi Kappa Alpha is represented on the team by Davis Hyatt, who will doubtless make his versity letter. In our pre-season games we were more than delighted to find Brothers Rippe, Porter and Caperon holding regular berths on the excellent Cornell cage team. The game was almost a Pi Kap convention during the second half, with four wearers of the diamond and shield on the floor at one time.

As the opening of the indoor track season approaches, the candidates are hard at work. "Stutz" Gordon will beyond doubt represent the Crimson and White in all the dash events.

During the Christmas holidays the W. R. U. Musical Clubs enjoyed the most extensive trip ever taken by a similar Reserve aggregation. The trip lasted ten days and nine concerts were given. "Rolly" Reichert represented Pi Kappa Alpha with his melodious tenor.

The chapter was very glad to have District Princeps Lotter with

them the first week in February, and derived a great deal of benefit from his visit, which they hope will recur soon.

Beta-Epsilon extends best wishes to her sister chapters.

R. L. COX.

BETA-ZETA.

Southern Methodist University.

Beta-Zeta starts this term without Forest Whitehead, Harry Crawford and J. L. Wren, and pledges Hardy Browder, Selma Ingram and Dick Troy. Crawford and Troy are working in Dallas and Wren has returned to the University of Texas, where he will receive his degree this year.

We take this occasion to announce the pledging of Mr. R. F. Jones, of El Reno, Okla.

Jimmie Kitts is still under the spot-light in athletics and is ably representing Beta-Zeta in basketball. Pledges Rowson, Huff and Jones are on the Freshman squad and will help keep us well up in athletics next year.

Boxing and wrestling are new sports just introduced in S. M. U., and we are well represented in both. Two II's are acting as boxing instructors.

Also a nine-hole golf course has been completed recently, and many of our boys are members of the club and enthusiastic supporters.

We were forced this year, to move from our old quarters, where we have felt at home for so long and, of course, it took time to become accustomed to the change. At present we have a very comfortable house on the campus, which was formerly occupied by the Kappa-Alphas. Since moving in, we have purchased a new living-room set and various other pieces of furniture.

Many changes have been in progress on the campus of late. On account of the rapid growth of the University, a temporary recitation hall has had to be erected to care for the government students. Plans have been submitted and ground is to be broken soon for our new Science Hall, which will be in keeping with the other buildings.

Best wishes for kinds of success from Beta-Zeta.

BOB SHUTTLES.

BETA-ETA.

University of Illinois.

The Illinois basket ball team has a standing of 1000 per cent at this writing. We are hoping that the Big Ten championship will come back to us once more. Bissel, who was on the squad, received a broken nose which caused his withdrawal. "Cush" answered the first-call for baseball "twirling" candidate however.

"Bugs" Burge has been elected editor of the "Magazine" and has been pledged to Sigma Delta Chi, honorary journalistic fraternity.

Rial Rolfe is the only Sophomore ever elected captain of a Varsity team. He hopes to lead the golf team to victory.

We are sorry to loose "Queenie" Noxon who graduated this term.

Beta-Eta extends her best wishes to her sister chapters.

BETA-THETA.

Cornell University.

With the close of the most successful athletic fall Cornell has boasted of in many years, the winter sports are progressing in excellent shape. Our revived hockey team is more than holding its own on the ice at Beebe Lake. To date, but three opponents have been met, but the Red and White sextette has proven more than an obstacle to their rink ambitions. Amherst, Colgate and Mass. Aggies were repulsed with the shorter end of the score.

The basketball team has dribbled its way thru half of the season. On the Christmas trip, to Ohio and Western New York, our teams easily claimed the decision over Western Reserve, Wittenberg. Buffalo and Rochester. The onslaughts of Colgate and Syracuse were successfully parried by the Red and White. A trip to Columbia, however, netted our first defeat of the season, but only by a one point margin. Dartmouth was our next conquerer.

Pi Kappa Alpha has been well represented on the team. Captain "Bill" Rippe, "Shrimp" Capron and "Joe" Porter have been playing regularly on the varsity, while "Larry" Foster, now playing on the second team, shows promise of an excellent player. "Joe," however will be ineligible at the end of this semester, since his three years of athletic participation will have then expired. We will look for "Bill" and "Shrimp" to successfully uphold Pi Kappa Alpha on the court during the remainder of the season.

But we have uncovered a selfish trait in our character. Not

satisfied with this representation on the varsity, we are seeking new laurels in the inter-fraternity basketball championship. At present, our team has overwhelmingly defeated every House in our League, and will enter the semi-finals with a clean slate.

At the close of the term "Fredie" Turner will be missing from our ranks. "Fredie" has had quite a little trouble with his eyes of late, and has been advised that a term out of college would be the best policy to pursue. But next September will find him back among the boys, as eager a worker for the House as he has always been.

Simultaneously with "Fredie's" exit, we will welcome back to the folds two other members of the house, "Jack" Frost and "Ed" Calleson. "Jack's" health balked just a year ago and he was compelled to temporarily abandon his academic studies, "Jack" was an excellent track man in his Fresh days, having won his numerals. "Ed" had left us last November, but the call of he water has been too much for him. "Ed" was captain of the inter-collegiate champion Frosh crew in 1920, and as captain of one of our varsity crews last year, he is a wearer of the coveted "C."

Election of officers for the second term was held on Sunday, January 7. The following officers were elected:

W. F. Rippe, S. M. C.; G. S. Bunham, I. M. C.; A. C. Mattison, Th. C. The following officers were appointed by the S. M. C. G. D. Crozier, S. C.; R. L. Schmidt, M. S.; C. E. Cassidy, M. C.

Beta Theta sends best wishes for a successful second term to all our sister chapters.

ROBERT L. SCHMIDT, M. S.

BETA IOTA.

Beloit College.

May we introduce you to the new members:

Herbert, Comstock, 1516 Whitney St., Belvidere, Ill. Dwight Mackey, Oregon, Ill. Harvey Jewet, Oregon, Ill. Earnest Miller, 2109 W. 7th St., Sheboyegan, Wis. George Keithley, 807 Bluff St., Beloit, Wis. Holden Bort, 421 Prospect Ave., Beloit, Wis. Wilmot Pierce, Medford, Wis. Claire Pierce, Medford, Wis.

These men were initiated on January 28. A banquet was given in the house that evening with Ralph Jenkins as toastmaster.

Mention must be made of the success of Captain Winkenwerder with is basket ball team. To date they have annexed six straight

wins, and have completed the hardest part of their schedule, since five of the six wins were accomplished on foreign floors, and all but one of the remaining games are to be played on our home floor. Comstock is playing regularly at guard and center. Captain Picken is working the aspirants to his track team daily. He is planning on taking half mile, mile, and two mile relay teams to the Illinois Indoor Meet next month, and to the Drake Relays in the spring.

On December sixteenth the pledges entertained the active chapter at an informal dance. The social program was furthered by another informal dance given by the active chapter on January thirteenth.

Jenkins, as manager of the Glee Club, is completing plans for their western tour. Fred Schacht and Carlton Joy are on the Glee Club quartette.

CLYDE CHAPEL, M. S.

BETA KAPPA.

Emory University.

After returning from the Christmas holidays, the members of Beta Kappa have set to work with a vim and a spirit unequalled heretofore in the short but eventful history of our chapter. One reason for this renewed enthusiasm is the initiation of five of our pledges into the bonds, namely:

John L. Jenkins, La Favette, Ala.

H. B. Scott, Murray, Ky. J. S. Hunt. Powder Springs, Ga. W. S. Hardin, Bradentown, Fla. W. C. Tippens, Atlanta, Ga.

At our first regular meeting in January, the following officers were installed: J. Flavel Foster, S. M. C.; Wylie L. Rochelle, I. M. C.; Alton T. O'Steen, S. C.; C. L. Talley, Th. C.; John P. Turner, M. S.; C. Norman Mars, M. C.

Pi Kappa Alpha is well represented this year on the Emory A. B. Austin had the unique honor of being appointed postmaster of the Emory postoffice, and although that position fills eight hours a day of his time, he is continuing in school and remains an affiliated member of our chapter. Wylie Rochelle is president of the Senior class, chairman of the Liberal student body, business manager of the Annual, and chairman of the Vigilance Committee. Alton O'Steen, who is on the honor roll, was elected president of the Greek club. We also have three men on the editorial staff of the "Emery Wheel"; Charles Deterly, associate editor; Bill Callahan, athletic editor, and "Red" Takey,

art editor. John L. Jenkins, was elected president of the Freshmen on the editorial staff of the "Emory Wheel;" Charles Deterly, He is also on the inter-collegiate Debating team.

But the honors that Pi Kappa Alpha has received do not stop at merely intellectual ability. Beta Kappa men are also showing up well on the athletic field. Bill Callahan and "Venus" Mars both made the All-Emory football team and we are showing up well in basketball, while our prospects for baseball are even better. John Turner made the R. O. T. C. Rifle Team which will represent Emory against other Senior R. O. T. C. units.

This fall the Emory Glee Club made a very pleasant and successful tour through South Georgia and Florida, and II K. A. had seven men among the thirty who took the trip. Warner, Foster, Turner, Branscomb, Callahan, O'Steen and pledge Pentecost were the lucky ones, while Talley and Tolleson will go on later trips.

With the National Convention coming on we have chosen "Red" Talley for our representative to New York, while J. Flavel Foster and probably others of our chapter will accompany him on his trip to "Gotham". Foster and Tilly will sail from New York about the middle of June, for a three month's tour of Europe:

Our chapter house is always open to any II who chances to be visiting the "Gate City of the South."

JOHN TURNER, M. S.

BETA-LAMBDA.

Washington University.

We are more than proud of our pledges this past term but because of the Pan-Hellenic ruling on the campus, the pledges cannot be initiated into the bonds until after they have passed a semester's work.

Early in December the alumni of Alpha-Nu gave a dance for the active chapter which was enjoyed very very much and greatly appreciated by Beta-Lambda.

On the thirteenth of December, Beta-Lambda held an anniversary dinner with the fathers of the members as guests. Brother Norrish was toastmaster, and short talks were given by Grand Chancellor Henry N. Eversole, who gave a short history of Pi Kappa Alpha. Brothers Fischer and Crowe discussed the history of Beta-Lambia and the need of fraternity houses at Washington University. At this point of the banquet Rev. W. E. Shupp, father of Brothers Ray and Howard, gavel a fine spirited talk on the duties of all connected with the spirit of Pi Kappa Alpha and of how the problem of building a fraternity house would have to be

met. The direct result was that there were substantial pledges made by the fathers of the members which was the origin of the Beta-Lambda Housing Fund.

Brother Cook very generously entertained at his home after the Glee Club concert which was given January 13.

Beta-Lambda gratefully acknowledges the season's from her sister chapters and wishes them all a happy and prosperous New Year.

EDWARD WINER.

BETA-MU.

University of Texas.

Since the last issue of the Shield and Diamond we have pledged two new men whom we take pleasure in introducing to the fraternity:

Kindred McLeary, Columbus, Tex.

Dick Hittson, Cisco, Tex.

We have also held initiation services for Dick Hamel of Waco and LeRoy Duggan of Belton.

At the last election of officers the following brothers were choosen to serve for the remainder of the year.

Rueben Gray, S. M. C.; Charles Williams, I. M. C.; Harlan Pentress, Th. C.; Charles Hardwicke, S. C.; Le Roy Duggan, M. S. Their term of office may be of some interest in view of the fact that after it is served we will not have with us a single charter member.

Texas University is headed toward a Southwestern championship in basketball. With seven victories and no defeats to her credit, she is the outstanding figure in conference athletics. With a reasonable amount of good luck, the end of the season will find Texas the winner.

Recovering from a rather disastrous inter-fraternity basketball season, we are a strong contender for the hand ball championship. Greer and Pledge Mulcahy are the outstanding figures of the team. Both are prominent in intremural handball and should make Beta Mu a strong aspirant for the title.

Despite the cold and rainy weather, Coach Disch has issued a call for versity baseball candidates. On the team we will be represented by Pledge Mulcahy, a reserve letter man of last season. Pledge Alston is also out for practice but is not eligible for varsity this year.

Ritchie, McCollough, and Mayfield are out for the track squad.

Ritchie, who was ineligible last year, bids fair to win his "T" this year, as does McCollough, of last year's reserve squad.

When S. M. U. played Versity, Brother Kitts of Beta Zeta was our guest. We are proud to note that he is displaying his usual form in ringing the basket.

We wish to tender our heartiest congratulations to our new chapter Beta Sigma. We extend our best regards to all our sister chapters.

LE ROY B. DUGGAN.

BETA-NU.

Oregon Agricultural College.

The Second quarter of the college year opened officially on January 3rd. Several of the brothers found it necessary to remain out of college for a quarter but all are figuring on returning for the spring quarter. Maurice Houser, Joseph Salstrom, and Pledges Herbert Webb and Converse York were missing.

The Aggies stand well up in the race for the Pacific Coast Basketball championship. We still have twelve games to play and up to date have won six and lost two. Those we lost were only by small margins and we feel confident of turning the tables when we meet University of Washington again. Basketball is developing into the most popular indoor sport in the west. Our gym is always filled to capacity when the varsity plays.

The varsity wrestling squad finds the II's in possession of one member.

While the scholastic records have not been issued for last quarter, we are confident of standing as a strong first or second. Notice was sent us from the Supreme Council that we won the Pi Kappa Alpha scholarship cup for the year, with an average of 87.7 per cent. We are determined to hold this prize by keeping a strong scholastic average.

Local activities are in full swing. Beta-Nu will pull off an informal dance February 17th. The committee is working hard to make this the biggest social affair of the year for us.

Beta-Nu sends greetings to all sister chapters.

M. C. HJELTE, M. S.

BETA-XI.

University of Wisconsin.

.. Since our last letter, Beta-Xi has pledged three men:

Donald H. Jones, Sioux Falls, S. D. Lyman K. Arnold, Madison, Wis. Donald L. Bell, Milwaukee, Wis.

Jones is a freshman who is doing outstanding work in track. Arnold is a junior in the college of letters and science, a member of Scabbard and Blade, honorary military organization, and a freshman in the law school. Last year he won sophomore honors. Bell is a sophomore in journalism and is working on the Daily Cardinal.

On December 18, formal initiation was held and we take keen pleasure in announcing the following new brothers:

Harold Robinson, Milwaukee, Wis. Gerald C. Wade, Wauwatosa, Wis. Irving L. Wade, Wauwatosa, Wis. Ross F. Dugan, Memphis, Tenn.

At the first meeting of January, election of officers was held with the following results: Spencer F. Graves, S. M. C.; Milton L. Dooley, I. M. C.; Otto F. Kaufmann, Th. C.; Robert L. Burney, S. C.; Charles N. Demarest M. S.; L. Griffith Barry, M. C.

On December 10, we won the interfraternity track meet for the second time in two years and gained another shining cup for our mantle. Credit is due "Fuzz" Newell who gathered highest individual honors.

Of our various members, Charles P. MacInnes is our journalist par excellence. On December 7 he represented the Wisconsin chapter of Sigma Delta Chi, honorary journalistic fraternity, at Ames, Iowa. He has recently been elected to presidency of Press Club and the Central Interstate Press Association. He has also been elected to Delta Pi Delta, professional journalistic fraternity.

Wayne Morse has earned honors in forensics during the past year. He has been elected to Delta Sigma Rho Whit Spades, honorary junior organization, the student senate, and awarded the Vilas medal for excellence in debating.

"Bill" Tannwitz landed a good part in the Union Vodvil held before Christmas and in "On the Hiring Line" which will be given by the joint dramatic societies in February. "Irv" Wade has been elected to Pi Tau Sigma, honorary engineering fraternity.

The last dance was held on December 16 just before Christmas and "a good time was had by all." Just now everybody is looking forward to Prom. which occurs on February 3. Pi Kappa Alpha

is attending in good numbers. Morse, Tennewitz, Scott, and Demarest are on committee. Pi Kappa Alpha plans an informal dinner followed by the Pre-Prom play on February 2nd, a formal dinner and Prom on February 3. On the fourth there will be a sleigh-ride with a formal dinner dance at the house in the evening. The festivities will close on the fifth with an informal dinner at the chapter house.

On November 12, it was our privilege to entertain the Beloit chapter for the Wisconsin-Michigan football game. An added pleasure was the presence of District Princeps Miller. Brother O. O. White of Kappa was in town recently and we were all glad to see him.

CHARLES NOYES DEMAREST.

BETA OMICRON.

University of Oklahoma.

Grades for the first semester have not all come in yet and mid-year initiation has not begun. Russell Grimes, Walters, however, was able to get his and as a consequence is the newest Pi in the chapter. He left soon after his initiation for Ames, Iowa, as a member of the wrestling team.

We are proud to announce the following new pledges:

Walter Schoggen, Tulsa. Wm. L. Armor, Canton. Clare Carson, Yukon. Sidney Mills, Chickasha.

All of whom we are sure are going to be fine pledges and brothers.

In basket-ball, Oklahoma hovered awhile near the second position in the Missouri Valley, but was defeated last week by Kansas and has dropped down to a less-important place. The inter-fraternity tournament starts February 6, and Beta Omicron hopes to do something the first year in the inter-fraternity league.

Our latest dance was a great success, due largely to the efforts of Bill Halbert, latest member of the social committee. It was a masquerade.

Officers for the new semester will be: Cecil Price, S. M. C.; James, Hamill, I. M. C.; Leonard Hadley, S. C.; Roger Kolter, M. C.; R. Lynn Riggs, M. S.

The very best wishes to all of Pi Kappa Alpha and a cordial invitation to wandering brothers to drop in at Beta Omicron. We have been honored in this regard recently by Judge D. K. Pope, a member of Beta chapter, who makes his home in Oklahoma City.

R. LYNN RIGGS.

BETA PI.

University of Pennsylvania.

The college year is half over and examination period has arrived for many of the brothers. The Wharton School of Finance and Commerce is experimenting with a new system which does not include any mid-year or final examinations. By abolishing examination, two weeks of classroom work are gained each semester and it is thought that the grades can be made up by giving more frequent tests during the term.

Since the close of our football season, we have turned our attention to basketball and other winter sports. The basketball team is again headed in the direction of its fourth straight intercollegiate championship, with a record of twelve consecutive victories to its credit. The freshman basketball team, under the management of Clifford, seems to be doing exceptionally well also, not having been defeated this year. Pinney, after a hard fight, has at last landed the job of goal tender on the hockey team and is representing our chapter in that sport. The chapter basketball team, entered in the interfraternity league, has fared rather badly, especially at the hands of the schedule makers. So far we have been able to play only two games and have won one and lost one. Ripple is out for crew again and expects to make the 150 pound varsity. McClary is on the gym team, doing work on the parallel bars. Thomson has earned a place on the fencing team.

At our first meeting in December we held our winter election of officers. Those elected and appointed were: B. R. Pinney, S. M. C.; H. M. Irvin, I. M. C.; M. H. Holmes, Th. C.; W. M. Disharoon, S. C.; J. F. E. Hippel, M. C.; W. H. Jameson, M. S.

Rushing season is nearly on us. The rushing rules at Pennsylvania provided that the first three weeks of the second semester shall be the rushing season. Before that time we cannot speak to first year matriculates concerning fraternities. Malin is chairman of the rushing committee and has worked hard. Our present list of men who will receive invitations to the first smoker comprises over one hundred and twenty five names. From these we will selected a representative number to become II K. A's. Incidentally, besides managing our rushing season, Malin is on the Varsity Debating team, Pennsylvania Board (our daily paper), and is the chairman of the executive committee of the Sophomore class. The mess, under he able direction of Glover (Alpha Nu), promises to provide the freshmen with such meals, served on our new chinaware stamped with out crest, that they will be unable to resist us.

The inter-fraternity council promises that at last the scholar-ship cup is to be awarded. The cup was purchased several years ago but has never been awarded due to the difficulty of computing numerical averages from our letter grades. With more Phi Beta Kappa and Beta Gamma Sigma men than any other fraternity on the campus, we feel sure that we will rank near the top, if not actually at the top, when the cup is awarded. From this year's Senior class, Foery has made Beta Gamma Sigma and Jameson, Phi Beta Kappa. Odgers was elected to the last named fraternity last spring as a Junior.

Although none of our seniors were fortunate enough to be appointed on any of the Senior Week committees, they are all looking forward to making that week the big week of their college careers. From the smoker on the night of February 20th, to the Ivy Ball, on the 24th, there will be one continual round of enjoyment.

Pinney was our delegate at the installation of Beta Sigma and reported having had a fine time. We extend our best wishes to our baby chapter and wish her success.

WILLIAM H. JAMESON.

BETA RHO

Colorado College

Just before vacation we initiated Paul E. Boucher, former graduate here, and now instructor in the physics department. He lives at 309 East Dale street, Colorado Springs, Colorado.

This week and next the Colorado College Glee Club will make tours of the southern and northern parts of the State. In between tours they will give a home concert. Brothers Theodore and Gibson Winans, Russel Mann and Pledge Marshall are in the club.

This year we should have a good chance to win the inter-fraternity indoor baseball championship. Fawcett will pitch again.

Brothers Wallis and Wilbur and Pledge Miller are out for wrestling. Track training has not started yet, but we will have Fawcett and Page, both letter men.

The officers for the new semester are: Lynn B. Wallis, S. M. C.; Russel Mann, I. M. C.; Stanley S. Sando, Th. C.

The following were appointed by the S. M. C.: Theodore Winans, S. C.; Kenneth Gordon, M. S.; Charles Page, M. C.

Beta-Rho extends greetings to her sister chapters, and especially the new ones,

KENNETH GORDON.

BETA SIGMA.

Carnegie Institute of Technology.

Beta Sigma greets all of her sister chapters in this her first chapter letter, and expresses her appreciation of the many messages and congratulations sent by her older sister chapters at the time of her installation.

We have had a very successful rushing season and take great pleasure in presenting to the Fraternity the following pledges:

Howard Ashmore Bullard, Hackensack, N. J. Frank D. Brook, Huntington, West Va. Payson Dennis Carter, Chapel Hill, N. C. Charles William Fire, Pittsburgh, Pa. Harold Vibert Gedney, West Hartford, Conn. Harry Farnsworth Hayden, Housatonic, Mass. Robert H. McCallum, Detroit, Mich. George Alexander McKee, Butler, Pa. Alexander Fairbairn Skipp, Swissvale. Pa. Walstein D. Smith, Juneau, Alaska.

DONALD S. HARDING.

ALUMNUS BETA CHAPTER.

Memphis, Tenn.

Alumnus Beta Chapter had its first luncheon since the dance given by it last fall, at the Chamber of Commerce, January 18th.

Taking everything into consideration, there was a very good attendance, those present being Dudley Dumas, Ed Walthal, John Brown, Bill Bond, Olof Johnson, Martin Luckett, Sidney Genette, Pierce Caldwell, Lawrence Sparks, Joe Dean and Pledge Mitchell.

Due to the rainy weather and the busy season at court, a good many of our brothers were not present, but they all sent messages of regret, and expect to be with us at our next meeting.

Brothers Biggs, McSpadden and King, of our lawyers, were not able to be with us. Let us hope their promises to be at all future meetings are kept and we can still keep them in the "lawyers' class."

Brothers Apperson, Park and Parker, our cotton men, were also prevented from being with us; as were Brothers Milton, Hunt and Johnson, two of our most enthusiastic members.

Our next luncheon will be the middle of February, and we confidently expect a full attendance then. Everyone will have recovered from the effects of the "holiday spirits"—and likewise the "bills" that usually keep us thinking for weeks.

We are all very much interested in Brother Brooks' plan for a Pi Kappa Alpha tour of Europe in 1922. It would certainly be delightful to be able to work up such a tour with a very large number of II's present. A number of our members are hoping to be able to join such a tour.

Our chapter is very much interested in Theta and her affairs, especially in view of the fact that her college will soon be established in Memphis.

We extend a hearty welcome to all II's who are in our city, and trust they will not fail to advise us of their presence and look us up.

JOSEPH E. DEAN:

ALUMNUS ALPHA-MU

Philadelphia, Pennsylvania

Alumnus Alpha-Mu has been traveling along at a fast pace since our last communication. The meetings of December 2 and January 13 were as well attended as one could expect in the case of a purely business meeting. In order to attract as many as possible, plans were laid at the latter meeting to hold a joint banquet with the active chapter at the university, and that, oh brothers, will be the burden of my story tonight.

On Friday, February 3, the first joint social affair of Beta-Pi Chapter and Alumnus Alpha-Mu Chapter was held at the Beta-Pi Chapter House. After the roll had been called, and the "one dollar per" had been collected how did the steward manage to serve so much for so little money (?), we found that there were twenty-two active members and twenty-one alumnus members present. Five active chapters were represented among the alumni; Bell, Gehman, Gretz, Hollenberg, Killhour, Krause, Maxwell, Moss, Pomfret, Powers, Richardson and Staley represented Beta-Pi; Brady, Lines, Spayd and Trimble were here from Beta-Alpha; next in point of numbers was Tau Chapter, with Hunter, Shreve and Smith; Schofield was a member of Alpha-Psi; and last, but by no means least, was "Monty" Glover, formerly of Alpha-Nu.

After everyone had eaten as much as he could stand, Brother Odgers, acting as toastmaster, called on various brothers to speak. "Reds" Pinney, the S. M. C. of Beta-Pi, spoke on "The Aspirations of Beta-Pi." Malin, chairman of the Rushing Committee of the active chapter, explained to the alumni the present rushing system at Pennsylvania, and told them of the elaborate plans laid by his committee to ensure the success of the rushing season on the 6th. Spayd then spoke on "How We Did It At State"; Dr. Smith told about rushing at North Carolina, and Schofield spoke of similar experiences at Rutgers. Glover spoke on "What To Do

With the Pledges After We Get Them," and for the finale Gehman spoke on "The Last Seven Years Are the Hardest." I almost forgot to mention that Gretz spoke on a subject found in the "Pi K. A. Toast Song," entitled "Here's To Married Pis; They're the Wisest of the Wise." It seems that Gretz has been having a private rushing season of his own, which has turned out very successfully.

It was late when the alumni began to depart, and everyone is agreed that the affair was quite successful in arousing the old Pi Kappa Alpha spirit in those places where it had been allowed to become dormant.

HARRY MERRILL GEHMAN.

ALPHA-NU

St. Louis, Mo.

Introducing our new officers to serve for the first six months of this year: K. G. Coffman, who rides around in a Dodge and sells hotel supplies in unbelievably large quantities for the Ford Hotel Supply Co., is president. He came from Kansas Agricultural College not so long ago, but nevertheless he has become well accustomed to the nocturnal sound of an infant's voice. George—call him "Cot," but don't let him make a speech to you; Gladding, who fills the "Post Dispatch" columns with advertisements, is vice president. Missouri U. claims him; Dempsey Elliott, chief clerk for the general traffic manager of the Southwestern Bell Telephone Co., is recording secretary. The treasurer and corresponding secretary, respectively, are Hollis Marsh, Beta-Gamma, and Richard Baumhoff, Beta-Lambda. It is feared that these two fellows have become "repeaters," but that might be because they have got the books and will not give them up.

Look for Ciffman casting half a vote for us in New York next month. The other half will be handled by Joe Sheehan, master of master plumbing. The chapter decided to send twi delegates. Gladding will serve for either of these in the event an alternate is needed.

A number of Alumnus Alpha-Nu men, including former Beta-Lambda men, attended a dinner at the Marquette Hotel recently on the occasion of the Washington University chapter's second anniversary. Fathers of some of the active men were also present. The gathering subscribed \$1,450 as a starter for a fund fir a Washington U chapter house, to be handled by the Beta-Lambda House Association, a corporation.

Upon his retirement as president, Walter Haddaway, Missouri

U., was thanked for his valuable executive services by a unanimous vote.

Millard Doran, Illinois U., whose jovial face has not been seen at meetings for some time, showed up recently with some good new yarns. Carl Heidbreder, Missouri U., is doing somewhat intensive studying, through practical work, with the American Telegraph and Telephone Co. here, as an engineer. Robert Tiernan, Kentucky State U., who was working in Green Bay, Wisconsin, for a while, has returned and is selling insurance in East St. Louis.

RICHARD G. BAUMHOFF.

ALUMNUS BETA-DELTA CHAPTER

Tampico, Tamps, Mexico

A charter was granted to Alumnus Beta-Delta Chapter on November 1, 1921, with the following brothers as charter members: C. M. Crebbs, Herbert Shelton and James Hoover, all of Beta-Delta; S. A. Grogan, Alpha-Omicron and Alpha-Delta; Ivoor Gough, Alpha-Theta; J. L. Daniel, Theta; F. I. Martin, Beta-Gamma, and G. W. Harrington, Beta.

A meeting was held in the offices of Brother Crebbs on the evening of December 5, and the following officers were elected: J. L. Daniel, president; C. M. Crebbs, vice president; S. A. Grogan, secretary; I. Gough, Treasurer.

C. M. Crebbs spent a month's vacation in the States during the months of December and January.

James E. Hoover left for the States in the early part of December, and it is very probable that he will not return to Mexico.

F. I. Martin is located at Villahermosa, Tabasco, in performance of his duties as geologist with the Mexican Gulf Oil Company.

Herbert Shelton has been in the States on a vacation during the Christmas holidays, but will return in January to take a position as geoligist with the Pantepec Oil Co.

- G. W. Harrington is located at Amatlan in the Southern oil fields, where he holds the position of warehouse superintendent for the Agwi Companies.
- J. L. Daniel is located in Tampico as an accountant for the Continental Mexican Petroleum Co.

Ivor Gough has been located in Tampico on the geological staff of the International Pet. Co.

S. A. Grogan is office assistant to the chief geologist of the Mexican Gulf Oil Company and is located in Tampico.

Word has been received of other brothers being in the republic and an effort will be made to get them in communication with our chapter.

Greetings to all II's.

ALUMNI DEPARTMENT

Address all communications for this department to the General Office, 328-331 Trust Co. of Ga. Bldg., Atlanta, Ga., not later than the 1st of October, December, February, April and June.

Section 45, National By-Laws, requires the M. S. of each active Chapter to write Alumni Notes as well as the Chapter letters for each issue.

ALUMNUS ALPHA-NU.

St. Louis and Vicinity.

Roster as of January, 1922.

St. Louis in 1924! That is the slogan of Alumnus Alpha-Nu and of Beta-Lambda, the Washington University chapter. This roster is being distributer, as our former rosters have been, to Pi K. A.'s all over the country. We hope they will ponder this slogan and realize the merit of our wishes. St. Louis, centrally located, and blending the hospitality of the South and the business proclivities of the East and good qualities of the North and the West, is, we believe, an ideal convention city, and it is our aspiration to make it the ideal place for the 1924 convention of Pi Kappa Alpha.

In the meanwhile, we want Pi K. A.'s who may visit or who may come to live in or near St. Louis to get in touch with us. A welcome will await them. Telephone the officers, or any member, or drop in at a meeting. Alumnus Alpha-Nu meets for dinner at 6:15 p. m. on the third Monday of each month at the Marquette Hotel. Beta-Lambda meets at 8 p. m. each Monday of the college year in its, rooms, Section B. Tower Hall, Washington University; Cabany 5543W. A chapter house corporation is raising funds for a house.

Marsh, treasurer.
Elliott, recording secretary.
Baumhoff, corresponding secretary.

Otto Fischer, S. M. C., Beta-Lambda, 3645 Nebraska Avenue, Victor 2626L.

A HAPPY HOLIDAY AFFAIR AT MONROE.

The Charlotte (N. C.) Observer published the following ac count of a Pi Kappa Alpha banquet held December 27, at the Joffre Hotel in Monroe:

"The dining-room was most tastefully decorated, the color schemes being garnet and old gold, the colors of the fraternity, blending with green and red, which carried out the Christmas spirit.

"The handsome place cards were hand-painted, each one having a different scene, with P. K. A. printed in gold on the front, and with the menu tied with garnet and old gold ribbon, on the inside.

"Mr.J. C. M. Vann, mayor of Monroe, acted as toastmaster. He called on several of the 'brothers' present for toasts, each of which was received with interested applause.

"One of the features of the evening was Hawaiian music rendered most pleasingly by George Vierra's native Hawaiians.

"Just before the last course, Mr. Frank Redfern passed around to the young ladies, as favors, very handsome silver locket cases, octagonal in shape and suspended from a narrow black ribbon.

"A large amount of credit for the success of the banquet is due Mr. Frank Redfern and Mr. Robert E. Lee.

"Those present were: Mr. and Mrs. J. C. M. Vann, Mr. and Mrs. Heath E. Lee, of Macon, Ga.; Miss Lenora Bowie and Mr. Frank Redfern, Miss Lillian Stack and Mr. Jack Lee, Miss Octavia Houston and Mr. Thomas N. Lee, Miss Millicent Blanton of Shelby and Mr. Robert E. Lee, Miss Mary Deane Laney and Mr. Everett English, Miss Katherine Ivey of Charlotte and Mr. Clarence H. Lee, Miss Mary Irene Bowie and Mr. Charles Iceman, Miss Bob Iceman and Mr. Gene Lee, Miss Dorothy Lee and Mr. L. W. Redwine, Miss Cornelia Wearn of Charlotte and Mr. Ray Shute, Miss Lois Rogers of San Antonio, Texas, and Mr. George M. Ivey of Charlotte, and Mr. John English."

ALPHA.

University of Virginia.

David Poe Brown is engaged in farming near Greenwood, Va. John Shelton Horsely, Jr., is a student at the Medical School at Harvard.

James C. Sprigg is engaged in gold and silver mining in Mexico.

Frank D. Leach is employed by the State Highway Commission at Richmond, Va.

W. S. Newton, '20, is in business at Norfolk, Va.

William W. Sledge is practising law at Welden, N. C.

W. S. Sorg is in school at William and Mary College.

Joseph L. Pleasants is in the wholesale feed business at Lynchburg, Va.

Thomas M. Coleman, an initiate of 1884, a merchandise broker in Houston, Texas, in renewing his subscription to the Magazine recently, wrote: "We old-timers of the Alpha Chapter cannot realize that the little old close fraternity we bossed many years ago is now a big National one—good luck to it and you."

Archibald Robinson Randolph was married December 24, in New York City, to Miss Sylvia Appleton. Announcement was made by the bride's brother and sister, Mr. and Mrs. Walter Kerrigan.

BETA.

Davidson College, Davidson, N. C.

Brother Alumni: Help us make Beta's alumni notes more interesting. Send in to us any information about yourself or any other old Beta man. Let's make our notes more interesting! Won't you help us?

- S. S. Ptillo, '24, who failed to return this year but entered Arkansas College, reports that next year he will be again with old Beta. He made his letter there this year on their scrappy football team. We miss "Pat" this year.
- B. E. Shields, '20, author of "Dream Girl of Pi. K. A.," is now playing with The Original Pennsylvania Seranaders, and is planning to tour Europe with them this spring.

Mr. Little, pastor of Sharon Presbyterian Church, was a visitor here recently. We are always glad to have the old brothers with us. W. B. Carr, '21, who is with Alpha-Delta now, frequently writes to us. We wish that other of our alumni would follow his example.

DELTA.

Birmingham Southern College, Birmingham, Ala.

Edward P. Richardson, who after considerable work in Chicago Musical College, is now touring the Middle West with the Montague Light Opera Singers of Rockford, Illinois.

W. C. Green and Mrs. Green announce the birth of a son.

ZETA.

University of Tennessee, Knoxville.

J. Pike Powers, Jr., District Princeps, District Number Six, was seriously injured in an automobile accident a few weeks ago, but is well on the road to recovery now, and expects to be at the convention.

Jimmy Hopkins paid us a short visit recently. Brother Hopkins is very busy on his dairy farm near Maryville, but manages to come over to see us every month or so.

Davenport, of Sigma, called us up from Nashville the other night. He is a Zeta man and went over with some other Zeta brothers to re-install Sigma Chapter at Vanderbilt. We are always glad to hear from out-of-town brothers.

"Peg" Bell and Dan Wexler write to say that they will come to see us shortly. Wexler is engaged in a thriving tire business at Johnson City. Bell is on his farm at Loudon. Both are P. K. A.s of the old school and the news of their coming is received with pleasure.

ETA.

Tulane University, New Orleans.

Many of Eta's alumni are located in New Orleans, consequently it puts them in close touch with the active chapters. Among those here are:

Henry R. Pitot, Liverpool & London & Globe Ins. Co. Gordon Baquie, Foreign Trade Department, Hibernia Bank. William Hammet, Calamia & O'Reardon, Produce Dealers. Beverly Ferguson, just returned from Ceiba, Honduras, and now with the State Board of Engineers.

Louis Hammet, Frank G. Churchill, Architects.

John R. Hulse, Purser on United Fruit Steamer between New Orleans and South American ports.

THETA.

Southwestern Presbyterian University, Clarksville, Tenn.

John A. Lindamood, whohas been in the navy, stationed at the Naval Hospital at portsmouth, Va., has decided to take up medicine and will study at Johns Hopkins University.

One of our older brothers, John L. Daniel, is associated with the new alumnus chapter chartered in New Mexico.

Edward Bragg, who visited us for a few days near Christmas, has since located in High Point, N. C., and is connected with the Southern Oil Company.

J. D. Davis, '20, is going to college and playing his usual first-class basket-ball in Ruston, La.

IOTA.

Hampden-Sidney College, Hampden-Sidney, Va.

Bolling Atkinson is in his third year at the Medical College of Virginia.

Wilko G. Scanlon is a charter member of Sigma Chapter, which was recently revived at Vanderbilt University.

Thomas J. McIlwaine continues at superintendent of schools in Prince Edward County, Virginia.

W. Hodges Mann, Jr., is practicing law in Petersburg, Va.

Wm. R. Martin is practicing medicine at Charlotte Court House, Virginia.

A. T. Wood is practicing law in Norfolk, Va.

Dr. N. T. Ballou is with the Virginia Health Department at Richmond, Va.

O. K. King may be addressed at 1764 U. St., N. W., Washington, D. C.

Hon. J. T. McAllister, Hot Springs, Va., is taking a leading part in the Good Roads Association of Virginia.

Dr. Willis Sherod Wilson, A. B., B. D., D. D., has accepted a call to the pastorate of West End Presbyterian Church, 246 South Ashby Street. Dr. Wilson is the third member of Iota in Atlanta. All were in the chapter at the same time: Dr. J. W. Caldwell, Jr., D. D., pastor of Westminster Presbyterian Church, whose home is at 747 North Boulevard; Dr. Lewis M. Gaines, M. D., practicing physician, 23 Forrest Avenue, with residence at 18 Park Lane; and Dr. Wilson.

KAPPA.

Transylvania College, Lexington, Ky.

Rev. C. N. Williams, pastor of the Boyd Memorial Church, Charleston, W. Va., who was instrumental in reviving Kappa Chapter in 1900, visited the chapter recently.

R. N. Cloyd, pastor of the Christian Church, Princeton, Indiana, was married lately.

David J. Howard, of Woodford County, and Kelly J. Francis, of Lincoln County, were re-elected to the state legislature from their respective districts.

Andrew J. Stone is manager of the Lexington O. K. Battery Company.

Louis A. Warren is now pastor of the Christian Church, Elizabethtown, Ky.

Henry and John Martin, now at Vanderbilt, have been active in reviving Sigma Chapter. Henry visited Kappa during the holidays.

Earl S. Teaford has been made assistant manager of the Indiana Cotton Mills.

Dr. A. W. Fortune has resigned his office as Dean of the College of the Bible, and is now pastor of the Central Christian Church of Lexington.

John E. Black is principal of the Cynthiana, Kentucky, high school.

Thomas L. and James E. Barbee have formed the Barbee Manufacturing Company, in Louisville, and are manufacturing automobile radiators. Tom was married in January.

H. E. Yockey is assistant attorney of the city of Indianapolis. Dr. A. B. Elkin, Doctors' Building, Atlanta, Ga., visited the college during the holidays.

At a luncheon held January 28, John U. Field was elected president of Alumnus Rho.

Thomas L. Renaker visited the chapter recently.

OMICRON.

University of Richmond, Virginia.

E. S. Robinson and his brother J. H. Robinson, are in ship repair business at Newport News, Virginia.

T. B. Taliaferro, '17, is in business at Walnut Point, Virginia.

W. W. Wood is in real estate business at Norfolk, Va.

George Oliver continues as professor in Steavensville, Va.

Jere M. H. Willis has recently been elected Judge of the Corporation Court of the City of Fredericksburgh, Va.

F. C. Ellett, '15, is in mercantile business at Pocahontas, Va.

J. M. Newton, Jr., recently accepted a responsible position as special agent for the Fireman's Fund Insurance Co., of San Francisco, Cal. His headquarters will be in Richmond, Va.

F. W. Nolde, who was with us last term, has entered bakery business with his father in Richmond, Va.

R. T. Newton, who was with us last year, is teaching school at Boiesvain, Va.

Invitations were received from Dr. and Mrs. Charles Spencer Evans to be present at the marriage of their daughter, Honlu, to Wiley Richard Broaddus, Jr., (Omicron) on Wednesday evening, November the sixteenth at seven o'clock at First Baptist Church, Clio, South Carolina. The couple are at home in Martinsville, Virginia.

PI.

Washington and Lee University, Lexington.

W. W. Hargrave is Lieutenant-Commander, Medical Corps, United States Navy, at Naval Air Station, Lakehurst, N. Y.

TAU.

University of North Carolina, Chapel Hill.

H. McKay Pleasants is cashier at Farmers & Merchants Bank, Pamplico, S. C.

UPSILON.

Alabama Polytechnic Institute, Auburn.

W. S. Patterson of Beta Chapter recently spent a few days with us. He was here in connection with the installation of the new Presbyterian minister.

Mack Humphries, an alumnus of this chapter and now connected with the extension department of the State spent a couple of days with us.

- S. N. Crosby, who is with the home demonstration, also paid us a visit.
- W. D. Knight of Columbus, Ga., was a visitor during the midwinter dances.
- T. O. Robertson is winding up the affairs of the United States Fuel Administration. His office is 903 Hurley-Wright Bldg., Washington, D. C.

PHI.

Rev. W. S. Claiborne, Phi and Chi, field secretary of the DuBose Memorial Church Training School, Monteagle, Tenn., will be in New York during the next two months. Alumns Alpha-Epsilon is fortunate in having this good brother with them. Let us hope he can remain through April and attend the convention.

CHI.

W. P. Williams is chaplain in the United States Navy. At present he is with the Pacific Fleet, aboard the U. S. S. "Texas" (care Postmaster, San Francsco, Calif.)

OMEGA.

University of Kentucky, Lexington.

Pressley Atkins, owner and editor of the Pineville (Ky.) Sun, was in town for the luncheon last week.

Eichelberger, Omega, was in Lexington on business during January.

Curtis Haley, ex-'23, in shoe business in Rhinelander, Wis. John U. Field was chosen as president of the Alumni Chapter for the coming year.

Leslie Guyn, Acme, Alberta, Canada, was in Lexington for the luncheon.

ALPHA-ALPHA.

Trinity College, Durham, N. C.

Alpha-Alpha recently learned, with deep regret, of the death of the father of J. D. Lewis. We extend to the family of Brother Lewis our deepest sympathy.

N. M. Palmer has been located in Durham for the past few months. He holds a position with the Durham Sun, one of Durham's best daily papers.

We have heard many rumors of the work of some of our alumni in organizing new alumnus chapters in several cities in this state. We congratulate these brothers and urge them to keep up the good work.

T. B. Harris' new address is 19 Orange Street, Asheville, N. C.

ALPHA-DELTA.

Georgia School of Technology, Atlanta.

Grover C. Paulsen, one of the founders of Alpha-Delta Chapter, and ex-vice-president of The National Bank of Savannah, has opened a large men's clothing store in that city.

C. M. Jones is with the Southern Enterprises Co. here, and drops in to see us every now and then.

We had the pleasure of meeting Charles Parks of Alpha-Epsilon Chapter at one of our early January meetings.

Hooper Russell, '21, is located in Atlanta, and see him often now.

W. H. Herndon is with Westinghouse Electric Company in Wilkinsburg, Pa., and keeps in touch with the chapter through frequent letters. He has made himself acquainted with the baby chapter Beta-Sigma, and sends praise of it. His address is 600 South Avenue, Wilkinsburg, Penn.

Out there in the Hawaiian Islands, J. M. Robinson is carrying on, in the capacity of First Lieutenant, U. S. A.

Among the globe-trotters, we are well represented by Herman Pate, '24, and Cecil Jones, '21, who are well on their way to Russia as super-cargoes. Rabun Thompson, '20, is on his way to the Orient in the same capacity.

J. O. D. Shepard, '21, is instructor in senior physics at the Technological High School, and we hope that he will keep in close touch with us and let us know of good men coming from that institution.

It was pleasant to have R. M. McFarland, Assistant Grand Treasurer and alumnus of Alpha-Delta, at our meeting of January 22.

There are four Pis on the Tech faculty, a larger representation than from any other order. They are Prof. T. S. Dunn, Alpha-Kappa, head of the department of Metallurgy and Geology; Prof. F. C. Snow, Alpha-Delta, head of the department of Highway Engineering; Prof. P. L. Armsrong, Theta, instructor in mathematics; Prof. R. I. White, Beta-Pi, instructor in mathematics.

R. E. Lynch is affiliated with the engineering department of the Century Electric Co. in St. Louis, Mo. His address is 4757 Washington Avenue.

Walter Cox, '22, has been back to see us several times and he always has a brand new line.

Alpha-Gamma Alumni Chapter is planning to have its next meeting at the chapter houseearly in February, and at that time it is planned to have the wives of the married alumni present.

Elbert McGran Jackson is doing well in commercial art in New York City. He has succeeded in having several of his paintings accepted for the covers of the "Saturday Evening Post," and we keep watch for more of his work on this magazine.

A frequent visitor is Arthur John Booker, who is in advertising business here.

Henry Harshaw is in tire business, and we all wish the biggest kind of success to him.

At the dedication of the flagpole to the Tech heroes who were killed in the war, Rev. C. B. Wilmer, Gamma, and Dr. R. O. Flinn, Theta, took prominent parts.

Paul Diver of Psi and Alpha-Eta has been in Atlanta quite a while but is soon to return to Florida.

Sidney Lanier of Beta is in Atalanta and has visited the chapter on several occaions.

B. E. Shields, Beta, the composer of "The Dream Girl," is in this neighborhood with the well known Pennsylvania Seranaders, and at the piano is the backbone of the whole orchestra.

R. H. Hart, '23, is assistant manager of his father's business, The Hart Garages, Inc., in Chattanooga, Tenn.

John G. Gilliam has recently moved to Atlanta from Hattiesburg, Miss., and is with the J. M. Tull Rubber & Supply Co., 150 Marietta Street. Brother Gilliam is the father of a baby girl, born January 20.

ALPHA-EPSILON.

North Carolina State College, Raleigh.

M. R. Davis and Mrs. Davis announce the birth of a daughter, December 13, 1921. Brother Davis is now managing a wholesale feed business recently organized in Winston-Salem, N. C.

David Paige Harriss bought and took charge of a Ford auto sales and repair agency near Arden, N. C., January 1, 1922. Brother Harriss has been in the lumber business, located in Fayetteville, N. C., since his return from France. His address now is Arden, N. C.

Joe Stickney Chamberlain has returned to his home at Kanona, N. Y., after several days' visit in this city. Brother Chamberlain is managing his father's farm in New York State.

Joseph Graham Morrison, '06, was appointed in January to be county demonstration agent of his county, Lincoln, in North Carolina. The Lincoln Times reports him "one of the most progressive farmers of the eastern part of the country," and says, further, "Mr. Morrison, who is a graduate of the State College of Agriculture, is well qualified for this work. Since leaving school in 1906 he has been engaged actively in farming and stock raising and his place 'Cottage Home' Stock Farm, in the eastern end of the county is one of the best farms in this section. During the past several years he has taken an active interest in promoting better cattle and his herd of Black Angus cattle have taken the blue ribbons at fairs all over the state."

ALPHA-ZETA.

University of Arkansas, Fayetteville.

Lester Knoch has located in Fayetteville, and he and Mrs. Knoch are frequent visitors at the house.

The chapter enjoyed a recent visit from C. B. Boatright, ex-'20. Invitations were received from Mr. and Mrs. Julius H. Hellums to the marriage of their daughter, Martha, to Joseph Lee McKennon (Alpha-Zeta), on Monday the sixth of February, at the Methodist Church, Grady, Ark. Joe has many friends here. The bride also attended the University of Arkansas, where she was one of the most popular members of the Chi-Omega fraternity.

Ralph Maxwell is working for the Buffalo Sulphur Company in Denver, Colo.

The marriage of Louis Heerwagen to Miss Imogene Griffith came as a great, although agreeable, surprise to his many friends. The bride is a member of Pi-Beta-Phi Sorority and a member of the freshman class.

News has been received of the marriage of Homer Walton, ex-'20, to Miss La Vera Kinard at El Dorado, Arkansas, during the holidays.

ALPHA-ETA.

University of Florida, Gainesville.

A. K. Hutchinson and Mrs. Hutchinson announce the arrival of a son, Albion Knight Hutchison.

G. W. Albright has bought an orange grove near Orlando, and is learning the business.

B. G. Anderson has bought some chickens and states that he is going to breed some prize-winners.

Bill Ray paid us a brief visit the other day.

Dr. Crow, our faculty brother, has been working consistently with us in our endeavors to secure a house of our own this year.

We were pleased to meet Jim McCahn of Cornell, who spent a couple of days with us not long ago.

The brothers of Zeta Chapter may be interested to know that Brother McCoy is now living in Orlando, where he has charge of a branch of Baker-Holmes Company, building materials.

Bernice Feaster is now making his headquarters in Orlando.

Fred H. Steil has been in Hong Kong, Chira, for two and a half years with the Standard Oil Company of New York. He will return to the States in July for a three months vacation, having completed three years' service with the company.

ALPHA-IOTA.

Millsaps College, Jackson, Miss.

C L. Neill has left for Czecho-Slovakia, where he will direct the mission work of the Methodist Church.

Frank T. Scott, of Jackson, has been elected a member of the Board of Directors of the Capitol National Bank, one of the largest banking institutions in the State.

In Mississippi's law-making body, now in session, Alpha-Iota is represented Homer Lee, Glass, and Jeff Collins.

ALPHA-KAPPA.

Brother H. L. Bailey paid us a visit the latter part of January. His present address is Virginia, Illinois.

A letter from Brother Marston leaves him with The Sun Oil Company, Valera, Venezuela, S. A.

A letter from Brother J. P. Gill states he is still with the Vanadium Steel Company, of Latrobe, Pa.

Brother R. G. Knickerbocker left on February 2 for Argentine, S. A. To date we do not know his address, nor what it will be there. Brother Knickerbocker returned only recently from South Africa and has related many of his experiences to the brothers of the chapter.

Brothers P. H. Karges and B. E. Hammer are in Kellogg, Idaho. Brother H. H. Hughes will be found at Box 393, Santa Monica, California.

Brother A. L. Webb is at Avalos, Zacatecas, Mexico, in care of Cia Minera de Penoles.

Brother G. S. Wyman is at 601 Ocean Avenue, Brooklyn, New York.

Brother M. L. Terry is at Box 698 Yale, Okla.

Brother Fiedlers' address is Box 136, Effingham, Illinois.

Cupid has it rumored that Brother A. L. Hunt is married. To date we have not been able to find out for sure, consequently we anxiously await particulars.

ALPHA-NU.

University of Missouri, Columbia.

Richard Weber is employed in the law offices of Platt & Marks, Kansas City, Mo.

Richard F. Durrett is connected with Culver Military Academy, Culver, Ind.

Harvey B. Heiser is chief draftsman for the Rudolph Wurlitzer musical instrument company, Buffalo, N. Y. Brother Heiser designed the large pipe organ in the Missouri Theater, in St. Louis. His address is 143 E. Utica Street, Buffalo.

J. C. Harvey writes that he is still holding down his job as "schoolmarm" at Armstrong, Mo.

W. H. Harper is a member of the firm of Harper & Wallace, breeders of "Big-Type" Polands, at Bertrand, Mo.

Dr. Lawson G. Lowrey is a specialist in neuropsychiatry and is connected with the state hospital at Iowa City, Ia.

L. J. Cockshoot is in law practice with his brother at Atlantic, Ia. He writes that he has charge of athletics at the high school, two Boy Scout troops and the Hi-Y Club.

Dale C. Bermond, LL. B., '13, and Mrs. Bernard paid the chapter a brief visit January 15.

Russell W. Elliott is secretary-treaurer of the Kansas City Trapshooters' Association, 7500 Independence Avenue, Kansas City, Mo.

ALPHA-OMICRON.

Southwestern University, Georgetown, Texas.

Alpha-Omicron Chapter takes pleasure in announcing the marriage of Paul B. Baker of Belton, Texas. He and his bride are now residing in Belton, where he is teaching in the High School.

- W. C. Pope, who is teaching in the Atlanta High School, paid his mother chapter a visit during the holidays.
- C. W. Pepper, who is teaching in the Belton High School, has paid his regular week-end visits to Alpha-Omicron.
- C. M. Edens, who is teacher-coach in Electra, paid us a visit during the Santa Claus season.
- S. F. Foster, who is teaching in the Georgetown High School, visits us occasionally and is very welcome.

ALPHA-PI.

Howard College, East Lake, Ala.

J. F. McRae is assistant cashier of the Merchants' Bank, Mobile, Ala. An evidence of the good management of the bank is that its earned surplus is 205 per cent of the capital.

Announcements were received here from Mr. and Mrs. John Wesley Overall of the marriage of their daughter, Mary John, to H. Dewey McCollough (Alpha Pi) on Thursday, January fifth, at Nashville, Tennessee.

Prof. Roger Allen, Pi Kappa Alpha of Auburn, is on the college faculty, and is one of the most respected members of Howard.

- O. B. Newman, an Alpha-Pi last year, spent the Christmas holidays in Birmingham, and was a visitor on the campus several times. Brother Newman is attending school at Carnegie Tech., Pittsburg, Pa., and has made a very creditable record in athletics this year, making his letter in both football and basketball.
- D. H. McCullough, A-Pi of last year, was recently married to a Nashville girl.

Mercer James, an Alpha-Phi of two years ago, has announced his marriage to Miss Nancy Elizabeth Laumer.

McLain and Acton, who have been attending school at Maryville, Tenn., the past year, were visitors to the chapter at Christmas. Both were Alpha-Pi's last year, and both were star athletes at Howard. They have kept up athletics at Maryville, and were considered two of the best football men the Tennesseans had the past season.

Bud King, of last year, who was married to Miss Jerry Soules, co-ed at Howard, early in the fall, is athletic director and instructor at Bridgeport, Ala.-Tenn.

Red Dean, an Alpha-Pi of last year, is now in cotton brokerage business at his home town, Anniston, Ala.

ALPHA-RHO.

Ohio State Univesity, Columbus.

Robert E. Stevenson, who is practicing law in Youngstown, Ohio, paid a visit to the chapter house recently.

George Bredehoft of Columbus, Ohio, was recently elected secretary of the Ohio Insurance Association.

We are glad to announce that Henry O'Brien is in town once more and lends his presence and good cheer to the chapter.

ALPHA-UPSILON.

New York University, New York City.

Jack Jones and Chubby Stewart are touring the South. They have voiced their intention of paying a visit to some of the sister chapters.

Norris Levis of Alpha-Eta is now residing with us.

John Carroll is in the employ of the Kruse Printing Ink Company, 437 Pearl Street, New York.

John A. McCann, District Princeps, District No. 12, has accepted an interim appointment as Assistant United States District Attorney for the District of Colorado, at Denver. The work of the courts has been much congested, owing to a vacancy on the bench in the Federal District Court since November 1, 1921.

Isaiah C. Singleton is attending Rennselaer Polytechnic Institute, studying electrical engineering. His college address is Y. M. C. A., Troy, New York. Brother Singleton's family have recently moved South, to Augusta, Ga., where they have established the Singleton Silk Mfg. Co.

ALPHA-PHI.

Iowa State College, Ames.

District Princeps Herbert Miller and T. W. Rehmann were visitors at the chapter recently. The chapter extends invitations to them to drop in more often.

Herb Metcalf and R. S. Tofflemire are employed by the Ames Tribune as linotype operator and city editor, respectively. They come out to the house occasionally and call on the boys.

Mullins and Gallagher are working in Ames. Mullins for the Iowa State Highway Commission, and Gallagher as salesman for the Red Ball Chain Stores.

Wm. Crilly and R. J. Burke, are in Aurora, Illinois, with the Lyon Metallic Company. We expect a visit from both soon.

G. S. Armstrong has called on the chapter occasionally. He is employed by the Western Electric Company, at Chicago, Ill.

"Sammy" Smith is farm manager on a dairy farm in South Dakota. He graduated in Animal Husbandry in 1921.

ALPHA-CHI.

Syracuse University, Syracuse, N. Y.

Charley Ellis is managing a large fruit farm in central New York. Up to within a couple of months ago he was connected with Brother "Kid" Ellis at the University Corner Store, and made his headquarters at the house for a time.

Don Harrington is principal of Lysander High School. He rates high in his new position, having gained the respect of all.

Everett Hooker is teaching English at the Manlius Military School. He also had charge of the soccer team last fall and will coach track during the remainder of the season.

Ray Young is back at the task of developing a set of "speedy splashers." It looks as if this year's team would be even better than the fast team he turned out last year.

"Jack" Spry has changed from Beaver River, New York, to-Youngstown, Ohio.

Everett C. Elwood has left his position as chairman of the State Hospital Commission to accept a better one in Philadelphia.

"Ted" Huntley is still with the John Budd Company of New York City. He entertained several of the brothers who attended the Dartmouth game. The boys reported a royal good time.

Earl Tolley is completing his second year at Drew Theological Seminary.

John Avery is teaching eighth grade in Lackawanna High School.

Art Love is back in Syracuse, in the office of his brother, Frank Love, in the University building.

Mark Love, ex-'23, is studying vocal music at the Chicago Conservatory of Music.

District Princeps Robert D. Graham and Grand Secretary J. Lorton Francis were present at the installation of Beta-Sigma Chapter at Carnegie Tech. in Pittsburg.

Under the caption, "Fair Play—Watchword in Business," the "New York Times" published this account of speech of Grand Secretary J. Lorton Francis, "of the New Telephone Co.

"Modern business and how its principles may be applied to the home, interested the women of the Economic Department of the Hoboken Woman's Club yesterday as they listened to J. L. Francis, of the New York Telephone Co., talk on "Emerson's Principles of Efficiency." Mr. Francis in a most logical and interesting discourse which he supplemented by stories and illustrations, told his audience of the twelve rules or principles on which the modern industrial plant is run.

High on his list he placed "Fair Play" and "Discipline." It is of no use, he said, to provide luxuries in the way of factory equipment for workmen and then to underpay them and expect them to be satisfied. The spirit of fairness must prevail in the handling of either an office or factory force.

Proper discipline, he said, can turn a mob into an army, but it has been a problem in families ever since the days of Adam and Eve. They evidently spoiled Cain and made him so jealous of Abel that he was willing to commit murder to get him out of the way.

After the lecture tea was served and the members gathered into little friendly groups for the chat that always adds to the pleasure of these departmental meetings."

ALPHA-PSI.

Rutgers College, New Brunswick, N. J.

Ritchie, '15, our resident house manager, was presented with a baby boy recently.

An announcement of Brother Beekman's marriage to Miss Laura Btucher was received here with much pleasure.

Kirk, '20, is steadily recovering his health.

McCully, '20, is contemplating another trip to sea.

Schade, '23, is now in India. He expects to be back in time to enter college next fall.

W. Durward McCloskey is a practising attorney at Lakewood, New Jersey, with offices in the Thompson Building.

ALPHA-OMEGA.

Kansas State Agricultural College, Manhattan.

The Alumni should pay especial notice to the date, March 3rd, and be back to attend the reunion and celebration of Founder's Day.

C. V. Simmons, who is attending Chicago University, spent a few days with us the early part of January.

BETA-ALPHA.

Pennsylvania State College, State College, Pa.

During the latter part of January, Traeger, Wiggins, Warner and Gridley stopped with us for a few days while attending the County Agents' meeting at the college.

Korb is now head coach at McKeesport High School.

Lindquist has announced that he is to be married soon.

Reichelderfer is deputy sheriff of Schuylkill County.

Our new alumnus, Albert D. Spaeth, will be located on the horticultural farm of Mr. Eastman, at Yardley, Penn., as manager.

BETA-BETA.

University of Washington, Seattle.

Robert J. Hendricks has resigned his position at Kellogg, Idaho, and accepted a position with Rush J. White, Consulting Mining Engineer. His address is Box 153, Wallace, Idaho.

BETA-GAMMA.

University of Kansas, Lawrence.

Martin is with the Mexico Gulf Petroleum Company, at Tampico, Mexico, and is a charter member of the Alumni Chapter recently installed at Tampico.

Vernon Moore is in Rio de Janeiro representing the Studebaker Corporation.

Word has been received from I. A. Luke (Capt. U. S. A.) that he has been transferred from his post of duty in Paris to an army post in Texas.

Howard Miller, who is with the Darnell Engineering Company, has been transferred from the office department to field service in Texas.

Ruble is instructor in mathematics at University of Wisconsin. Bowersock is manager of the Rochester Folding Box Company, at Rochester, New York. We are expecting him to visit us soon.

George Roder Wild is claim adjuster for the Maryland Casualty Company in Kansas City, Mo.

Mathews is instructor in engineering at the University of Illinois.

Lance Hill is owner and manager of a research laboratory in Emporia, Kan.

Joe Pratt is in mercantile business with his father in Appleton City, Mo.

Bob Hemphill, who recently visited us with his bride, is an attorney in Norton, Kan.

Cole has journeyed to South America in behalf of some mining interests and is now in Chile.

Ayres McKinney has for some time been with the bond department of the Fidelity National Bank and Trust Company in Kansas City, Mo.

George Chandler is in the State Architect's office in Topeka, Kan. To Chandler is due a great part of the credit for the fine architectural structure and arrangement of our new home.

Beta-Gamma sends greetings to all alumni and a most cordial invitation to visit us at any time.

BETA-DELTA.

University of New Mexico, Albuquerque.

Joe McCanna was recently married to Miss Loraine Asselin. After spending their honeymoon in New York, he resumed his duties as assistant cashier of the State National Bank of Albuquerque.

Bruno Dieckman, graduate manager of the university athletics, surprised his friends by taking a bride. Mr. and Mrs. Dieckman are at home to their friends at 212 South Vassar Avenue, University Heights.

Chalmers Bowers, after graduating last spring, left for California, where he was married to Miss Lucille Makin, a former student of the University of New Mexico.

Beta-Delta Chapter has the name locally of being a bankers' fraternity, which is accentuated by the following:

John J. Emmons, cashier, Gallup State Bank, Gallup, N. M.

Glenn Emmons, assistant cashier, Gallup State Bank, Gallup, N. M.

H. V. Blickensderfer, cashier, McKinley Co. Bank, Gallup, N. M. Ira Boldt, assistant cashier, First National Bank, Belen, N. M. Joe McCanna, assistant cashier, State National Bank, Albuquerque.

Fred Luthy, assistant cashier, Citizens National Bank, Albuquerque.

Stuart MacArthur, Citizens National Bank, Albuquerque. Charles Culpepper, Citizens National Bank, Albuquerque.

William Sganzini, Citizens National Bank, Alburquerque.

John P. Hayes, Citizens National Bank, Albuquerque.

George Savage, First National Bank, Albuquerque.

George Arnot, State National Bank, Albuquerque. John Meyers, State National Bank, Albuquerque.

George White, State National Bank, Alberquerque.

Dr. Cecil Davis, an alumnus of '16, has recently resigned his position with the Albuquerque Sanatorium, to open an office of his own.

Clair Allison Fetzer, graduate, '21, is in the employ of the State Highway Commission, with headquarters at Santa Fe, New Mexico.

Lawrence Lackey has been promoted to manager of the Ilfeld Company of Santa Fe, New Mexico.

Chester Boldt, '20, is manager of L. B. Putney Merc. Co., Laguna, New Mexico.

Ernest Hammond, after graduation last year, accepted a position with the Continental Oil Company.

Mr. and Mrs. E. Holbert sent the chapter an announcement of the marriage of their daughter, Irma Helen, to James E. Hoover (Beta-Delta), on Monday, January twenty-third, at Tulsa, Oklahoma. The couple are at home at Plaza Court, Tulsa.

BETA-EPSILON.

Western Reserve University, Cleveland, O.

Harold S. Booth is instructor in chemistry at Reserve. He takes an active interest in our fraternity affairs, and his visits to the house are frequent and of great benefit.

The marriage of Wilbur D. Hoskin has been announced. The bride was Miss Rhea Shafer of Rittman, Ohic.

Joseph H. Crowley, who graduated from the Western Reserve Law School, has formed a partnership with Ralph Ammerman, an alumnus of the local from which Beta-Epsilon came. The new firm, Ammerman and Crowley, is located in The Arcade, Cleveland, Ohio. Mrs. Albert F. Haubach announces the marriage of her daughter, Gertrude Edith, to Virgil Adin Hills on Saturday the twenty-seventh of August.

Marshall H. Cox is instructing in English at Fostoria High School, Fostoria, Ohio. His address is 225 West High Street.

Homer H. Hickling has become engaged to Miss Ethel M. Austin of Sturgis, Michigan. He finishes his course at the law school this year.

Karl W. Stoffel passed the Ohio Bar examination at Columbus in December.

Lewis C. Pusch has returned to Johns Hopkins University. He is a graduate of the College of Liberal Arts there, and has now entered the Medical School.

Adrian E. Davis is a student at Akron University, where he is completing his pre-medical course.

BETA-ZETA.

Southern Methodist University, Dallas, Texas.

MacHenry Lemmon, now connected with Holland's Magazine, visited in Dallas recently.

Warren E. Gibbs spent the holidays in Dallas. He is a professor at New York University.

C. Pugsley, Jr., a student in the medical school of the University of Texas, visited friends in this city recently.

H. S. Devore is filling a Methodist charge at Elk City, Oklahoma.

Feris French is in hardware business in Kaufman, Texas.

J. A. Cook is manager of the telephone company at Crockett, Texas.

Roy D. Pate is residing in the chapter house with the "bunch." H. B. Thomas, Jr., graduate of the University of Texas, is in law practice with his father in Dallas.

BETA ETA.

University of Illinois, Champaign.

District Princeps Dunn paid us a visit a few weeks ago.

Golden, of Alpha-Phi, spent a couple of days with us while attending a grain convention at the university.

"Red" Calkins will be with us again next semester after an absence of two months.

We received a notice from Brother Lee E. Gossett and Mrs. Gossett that they have just received a new addition to their family, Gail Gossett, at their home, 418 Wyatt Avenue, Lincoln, Ill.

Bean is in Cleveland, Ohio, with the Library Bureau.

BETA-THETA.

Cornell University, Ithaca, N. Y.

Painter is in insurance business at Kittaning, Pa.

Harold Hock is in newspaper business at Lancaster, N. Y.

E. J. Sherk is connected with an engineering concern at Wilkes Barre, Pa.

Word was recently received of the marriage of L. R. Chapman to Miss Margaret Batchelor of Philadelphia.

- G. E. Conover has taken up residence in New York, where he has a position with an engineering firm.
- A. J. Peer passed the New York State Bar examinations, and is connected with the Carton law firm at Asbury Park, N. J. He expects to take the New Jersey Bar examinations to enable him to practice law in both states.

Volker has been sent east by the United States Forest Products Laboratories, Inc., and went to Massachusetts to investigate conditions regarding the waste of lumber in that locality.

E. W. Newcomb and Mrs. Newcomb recenly announced the birth of a son.

BETA-IOTA.

Beloit College, Beloit, Wis.

- E. W. Newcomb and Mrs. Newcomb recently announced the Clinton Dooley on November 13, 1921.
- O. A. Mongerson and Mrs. Mongerson have a son, John Feffery Mongerson, born October 7, 1921.

George Loecher is teaching at Tulsa, Okla.

We greatly enjoyed the visit of "Bill" Lerch, now of Beta-Xi, during holidays.

We are fortunate in the visits of Chas. B. Jahnke, an alumnus of Alpha-Xi, who makes his home in Beloit. He has given us much timely advice in the manner of handling chapter affairs.

BETA-MU.

University of Texas, Austin.

H. Bascom Thomas is a prominent attorney of Dallas.

Frank L. Lancaster is still well in the lead of the school in grade-making, which is the more commendable when we recall that he is the father of three children and is earning expenses for himself and family while pursuing his studies.

Dick Lewis is residing in Austin, where he is temporarily in business. He expects to re-enter the University next fall.

R. Spivey Ford has moved from the metropolis to the lively oil field area at Mexia, where he is managing the new Mexia Hotel.

B. Hedick is assistant construction engineer of the lateral roads (part of the Bankhead Highway) through Palo Pinto County, his former home county.

Royal Percy James, of orchestra fame, is permanently with the Stowers Furniture Company of San Antonio, a large wholesale and retail furniture company. He is assistant manager in the display department.

Bledsoe Payne is owner and actively at the head of the Payne Realty Company of Austin. We hope to announce his approaching marriage at an early date.

BETA-NU.

Oregon Agricultural College, Covallis.

Bernard Mainwaring paid us a visit during the latter week of January. He was going to attend a convention in San Francisco.

During the Christmas holidays we were guests of the Alpha-Sigma Alumni Chapter at a dance at the Multnomah Hotel in Portland, Oregon.

BETA-XI.

University of Wisconsin, Madison.

Some twenty alumni members came back for the week end of October 29 to witness the homecoming game between Wisconsin and Minnesota. In the evening the alumni banquet was held at the house, followed by the annual homecoming dance. After the dance a midnight smoker was held.

"Doc" Scheuerell announced the arrival of a son in November and "Art" Gardner announced a seven pound daughter in January.

Henry C. Dennis has resigned from his position on the Buffalo Courier and is now with the Milwaukee Journal, where he can keep a watchful eye on the "bunch."

"Bud" Gladien is now with the Wisconsin, Highway Commission with Orville Breuer at Green Bay, Wisconsin.

Ende is with the Bell Telephone Company in Chicago.

BETA-OMICRON.

University of Oklahoma, Norman.

Chester Warren visited the chapter recently, as did Ted Beaird and Vice Wasielewski.

Thad Thompson remains heroically silent as to how he likes teaching at Yale.

Jimmie Strickland has been for a while at Nelagony. His latest report is that he moves soon to Fawhuska.

BETA-PI.

University of Pennsylvania, Philadelphia.

Brown (Alpha-Eta and Beta-Pi), our former S. M. C., who left us so unexpectedly last fall to attend Harvard, spent some time with us during the Christmas vacation. Bill said he liked Harvard, but preferred Penn. He reported that several Pikes had had a dinner in Boston shortly before Christmas and that they were expecting to apply for an alumnus charter.

Anderson, who is now in laundry business in Scranton, was a recent visitor. Andy expects to be down for the Senior Week festivities and will probably lend a musical note or two to some of our rushing parties.

Gretz, '21, is expecting to move out of the house rather soon. He has been living here since his graduation but will start a home of his own within the next month.

Gardner, Alpha-Chi, visited our chapter recently. He informed us that Jimmy Newbold, who left us last year after a severe seige of diphtheria, is collecting specimens of United States Currency in Iowa.

BETA-RHO.

Colorado College, Colorado Springs.

George Rader is attending Leland Stanford University. George Hollister is working for the General Electric Company

at Schenectady, New York.

John Freeman is working at an iron foundry in Los Angeles, California.

Ralph Maxwell is working in one of the banks at Fort Collins, Colorado. He has also been appointed alumni secretary for that city.

Edmund C. Flynn is instructor in highway subjects at "Ames," Iowa.

R. A. Crosby left recently for California where he expects to get work along electrical lines.

MU.

Presbyterian College of South Carolina, Clinton.

J. D. Henderson, '21, who is attending Columbia Theological Seminary, Columbia, S. C., was a week-end visitor with the chapter.

We are glad to learn that Brother Neville is building his new home so near our chapter, for we know that his presence means much to us.

- Dr. J. P. Marion, 1900, pastor of the First Presbyterian Church of Sumter, has been very faithful to keep in his possession the "Minutes" of Mu from 1890 until the time when fraterities were abolished from this institution. The chapter is very fortunate in being able to get these records back into her possession, and we wish to extend thanks to Brother Marion.
- A. G. Fewell, '08, is connected with the Medical Department of the University of Penn. While he was with the A. E. F. he served as Major in the Hospital Corps.
 - R. T. Fewell, Jr., is in business in Rock Hill, South Carolina.
- Dr. S. C. Byrd, '89, is President of Chicora College for Women, Columbia, S. C.

SIGMA.

Vanderbilt University, Nashville, Tenn.

Hon. Louis Leftwich is in Nashville, in law practice. His offices are in the Fourth and First National Bank Bldg.

Lewis S. Polk is in Nashville as chairman of the State Board of Administration.

H. C. Walker is in the practice of law in Shreveport, La.

The chapter has had considerable trouble in locating all of her alumni, and would be pleased to have the correct addresses of those who have not been reached by the letters sent out by members of the chapter.

BETA-SIGMA.

Carnegie Institute of Technology, Pittsburgh, Pennsylvania. Leigh J. McClain and John M. Treharne visited the Chapter house during a week end.

A. M. Belden is with the Bell Telephone Co. in Pittsburgh. Wm. T. Mantell has accepted a position with the Westinghouse Company at East Pittsburgh, Penn.

ALUMNUS UPSILON.

Charlotte, North Carolina.

Andrew Jackson Beall, Alpha-Epsilon, served as president during the past year, of the Men's Fellowship Club of the First Presbyterian Church. He was also commander of Hornets Post No. 9, American Legion, and on his retirement in December was presented by the Post with a silver pitcher in token of appreciation of his work.

READ OFFICIAL ANNOUNCEMENT HEREIN AS TO HALF-FARE RETURNING FROM CONVENTION. EVERY II AND HIS FAMILY MUST SECURE CERTIFICATE FROM AGENT WHEN PURCHASING TICKET.

EXCHANGES

Why is a fraternity convention?

When your chapter, active or alumnus, elected its delegate to represent it at Pi Kappa Alpha's coming convention at New York, did it occur to you to wonder what it was all about? As your delegate and the rest of you have been deciding on your desires in connection with the convention, have you stopped to think what would come of it?

Perhaps a brief generalization of impressions gained from reading in many fraternity and sorority publications about numerous conventions of our kindred organizations will aid you in your thoughts. After all, one fraternity convention is like another even as old Dr. Paddington, the absent-minded dean of the University of Siwash is like his counterpart, Prof. Drew of Bimini College; save indeed for the varying Greek terminology of our organizations and the difference between Dr. Paddington's copious Van Dyke and Prof. Drewe's gleaming baldness.

Well, a convention ostensibly is for the transaction of business looking towards the better administration of an organization's affairs by its chosen executives in the lengthy interim between sessions. That's about what congress is for, too, but the difference is that fraternities pretty generally have men as executives who are so devoted to the cause as to need nothing but occasional formal authorization in order to carry on the business harmoniously and properly.

So we can't keep congress for our analogy. The annual or less frequent gatherings of a myriad commercial and professional groups form a better basis of comparison. They, too, have some formal business, but it is in the getting together of men with a common interest, from all over the land, that the value materializes. And so it is in fraternity gatherings—jovial meetings of young men and men who remain young, though not in years, sworn to lifelong fealty in the bonds of friendship.

The fact that only a small percentage of the membership is in attendance at the convention does not deprive the great mass of members of the benefits, for the returning delegates speedily spread their impressions among their fellows. So it will be when your delegate returns from New York next month and his account will add fuel to the flames of "phi, phi kappa alpha." The actual business of the convention will have made for a more smoothly running fraternity, but that will be a minor consideration, placed next to the teaching of brotherhood.

That is the impression gained from much reading of fraternity convention reports.

Since brotherhood should be lifelong, the following discussion from the editorial page of "The Delta" of Sigma Nu is pertinent. It advocates the selection of new fraternity men from the ranks of students who intend to remain in college four years, and holds that such men, properly handled, will remain actively in their fraternity all their lives. Here's what this editor says:

"The four-year man is the most valuable for the chapter. A continual turnover in the chapter personnel has always spelled trouble ahead. Some chapters open in the autumn with no idea of how many men are coming back or who they are. The green freshman is a good student. You can train him. And that training is the fraternity's business. Often the 'wise birds' of pseudo-polish have already acquired all the veneer they will take. The freshman who doesn't know a Greek letter from a design in geometry will usually hold Σ N in his heart and hand.

"After college, what? The chapter chooses the men for its alumni, but when did it consider this question in extending an offer of membership? Chapters report to us, 'We can't rely on the alumni;' 'The alumni will not do anything for us.' Pledging time is the time to get a loyal alumnus. Of course, you can unmake him, but it's not likely. But

you can't make a rolling stone into an alpine staff.

"The Brother who has had four years of fraternal associations, who has worked for his chapter year after year, who has helped his Brothers over rough places, will stick to the fraternity after his graduation. He may become immersed temporarily in other matters, but you can reclaim him. We do not feel sure of part-year, one-year, or two-year men. They have little to tie them to the fraternity. The few instances we know to the contrary have been due to alumni associations that threw them into fraternity life after leaving college."

It is the "four-year" sort of man who makes the "chapter man," the reliable worker, who is praised by a writer in the same publication from which the above was taken. The writer, a University of Illinois student, said:

"The chapter man does not receive the recognition that he should from the fraternity publications. Our athletes are generously favored with articles on their achievements and their fame has spread throughout the fraternity. Our brothers who have achieved honors in the business and political world are receiving recognition. This is as it should be. However, more attention should be paid to the local brother, who centers his entire attention on his chapter, and who is largely responsible for its success during his stay in college. A few words concerning our real chapter

men should be an inspiration to all who read them, for the chapter man some day will be the all-round fraternity man, and will take the same relative place in the activities of his community and the program of the general fraternity."

Read the leading article in the December, 1921, issue of "Banta's Greek Exchange," by Mr. Francis W. Shepardson, president of Beta Theta Pi. It is entitled "Some Thoughts on the Fraternity Situation." The "situation," Mr. Shepardson says, is better now than it has been for half a century, because the American college fraternity now occupies a stronger position than formerly. The article goes on to say that what objection there is to fraternities is not to the Greek letter idea, but to the secret principle; that outdoor initiation "stunts" form a strong basis for opposition to fraternities, but that the American family is notoriously a "joining" set of people, from Dad to little sister; and that the Interfraternity Conference has been of much help in blazing the way to fraternity freedom. Mr. Shepardson is another of the growing body of advocates of more fraternities, and points out that a skillful executive could create a strong national organization by welding together a number of good local fraternities. He adds that the agricultural and technical colleges are getting more attention as fields for expansion. Closing, he counsels against "wild and unrestrained expansion."

"Banta's" records the fact that the chairman of the Educational Committee of the Iowa legislature has sent questionnaires to the heads of numerous universities and colleges seeking to learn of local fraternity situations. It is known that this action is with a view of possible anti-fraternity legislation in Iowa, which would affect the University of Iowa and Iowa State College (Ames). Pi Kappa Alpha is represented at the latter institution by Alpha-Phi chapter.

A writer in "The Shield" of Phi Kappa Psi expresses the belief that over-organization is the death warrant for alumnus chapters. He declares that duplication of active chapters in the organizations of graduates killed their interest. The remedy is to cut the volume of alumnus chapter business to the bone and then to pay as little attention as is decently possible to it, he says, in effect. May the present commentator add that this theory has proved true in his own alumnus chapter?

[.] One little matter of business which no alumnus can object to is that of keeping his fraternity informed of his correct address.

"The Caduceus" of Kappa Sigma calls attention to this, saying that in Kappa Sigma action has been taken to make this matter the duty of every member.

Looking at "The Caduceus" of a recent issue it is interesting to note the designs accompanying initial letters throughout the feuilleton-pen-and-ink sketches of noteworthy architectural features of institutions wherein the fraternity has chapters.

Here's a clipping of interest from "The Delta":

"The chapter library is an institution more or less neg-

"The chapter library is an institution more or less neglected by the average chapter. Usually, it is little more than a collection of text-books. "The Delta" in past years has advocated at least a chapter bookshelf—if only one shelf—including a few books of special interest to fraternity men, and the publications of the fraternity.

"The 'Laurel' of Φ K T now suggests such a fraternity shelf, and names four books, dealing with fraternity subjects, which should be found in every chapter library: Baird's 'American College Fraternities'; 'The Sorority Handbook,' edited by Ida Shaw Martin; Dean Clark's 'The Fraternity and the College,' and 'The Fraternity and the Undergraduate.' Also 'Banta's Greek Exchange,' which should be bound and preserved." and preserved."

Lieutenant John Arthur Macready, U. S. A., who made a world record for altitude flight, 40,800 feet, in a La Pere biplane, is a member of Kappa Alpha, we glean from "The Journal."

The recent editorial objections to the establishment of co-education at certain Southern universities, in "The Kappa Alpha Journal" has occasioned comment by other editors, one of whom suggested that K A's motto, "Dieu et les Dames," might better be changed to, say, "Les Dames a l'Enfer." We take it that K A's editor is not so serious as some have understood him to be, however.

Official Announcements

Official Announcement 120. 30

Office of Grand Councilor, Davidson, N. C., Dec. 1, 1921.

To the Members of Pia Kappa Alpha Fraternity—Greeting:

- 1. I hereby summon the members to assemble together at New York, N. Y., Tuesday, Wednesday, Thursday and Friday. April 18, 19, 20, 21, 1922, for the Eighth Biennial Convention.
- 2. Official headquarters will be at the Pennsylvania Hotel, where special rates have been made for the delegates, who will be advised thereof.

All II's should come to this hotel. The business sessions of the Convention will be held in a special room in the hotel building.

- 3. The first business session will convene Tuesday afternoon, April 18th at 3 o'clock. Delegates must arrive in time for it.
- 4. Delegates arriving Tuesday before 3 p. m. are requested to go at once to the Convention Hall to register and secure identification badge and cards.
- 5. All alumni are cordially invited to attend, and will be accorded all the privileges of the floor, and, in addition, will be especially welcomed to take part in all deliberations. The Fraternity needs their mature advice and counsel, and it is hoped they will attend in large numbers.

HOWARD BELL ARBUCKLE, Grand Councilor.

Official Announcement 120. 31

Office of Grand Princeps,

New Orleans, La., Dec. 1, 1921.

To the several Chapters of Pi Kappa Alpha—Greetings

- 6. Chapters will immediately, on assembling after January 1, 1922, elect delegates and alternates and send their names at once to the General Office, Room 331, Trust Company of Georgia Building, Atlanta, Ga.
- 7. Delegates "must be active members of the Chapters electing them." (Section 5 Constitution.)
- 8. Delegates must bring credentials as per form. (Section 8, Chapter II, National By-Laws).
- 9. Attention is called to Sections 9, 10, 11, Chapter III, National By-Laws, showing Chapter Books to be submitted to Convention, as follows:

Minute Book, with all minutes since 1920 Convention; Record Book, containing names of members, addresses, history, etc.;

Th. C. Book, containing financial records since 1920 Convention.

Read Section 27 carefully.

10. Each delegate must present a report covering sessions since last Convention. Reports must be written on only one side of paper, and must contain: The full names and addresses of initiates and members since the last Convention, and list of all the college honors taken, a list of those to graduate this year and those who will return next year. Make this report concise and as short as possible.

JOHN R. PEREZ, Grand Princeps.

Official Announcement 120. 35

Regulations for Reduced Railroad Fare to Convention.

New York, April 18-21, 1922.

IMPORTANT NOTICE TO II'S.

A reduction to one and one-half fare for the round trip on the "Certificate Plan" will apply for all II's, and dependent members of their families, attending the Convention, New York, April 18-21, based upon the following restrictions:

- 1. Tickets at the regular one-way full fare going to New York must be obtained on any of the following dates: April 14 to 20 (but not on any other day).
- 2. All II's must secure CERTIFICATE from Railroad Agent when purchasing tickets for themselves or family. Do not make mistake of asking for a "receipt." Secure a CERTIFICATE for each ticket.
- 3. Certificates are not kept at all stations. Enquire now of your agent if he has them. If not, find out nearest station where you can secure a CERTIFICATE. Then you can purchase a local ticket to that Station, and a through full-fare ticket with CERTIFICATE from that station.
- 4. Immediately on arrival at Convention, present your CERTIFICATE to Brother J. Harold Johnston, the indorsing officer.
- 5. There must be 350 II's and members of their families who have traveled by railroad on full fare tickets, and hold CERTIFICATES, showing payment of fares of not less than 67c on going journey to New York.
- 7. If 350 as above are present with CERTIFICATES, then the Special Railroad Agent will validate your CERTIFICATE and you can return home by the same route you came at one-half the regular fare.
- 8. The ALL IMPORTANT THING is not to fail to SECURE A CERTIFICATE when you purchase your

ticket, and tickets for members of your family, to New York. Secure CERTIFICATE for each ticket purchased.

9. Read this again carefully and act as per No. 3 hereof.

ROBERT A. SMYTHE, Business Manager.

Official Announcement 120. 36

The Supreme Council announces the charter of the following Alumnus Chapter, February 10, 1922—Alumnus Beta-Zeta, Boston, Mass.

Charter members:
