## Cover

Our cover pays tribute to National President John F. E. Hippel and his lovely family gathered in their home in the Philadelphia suburb of Bryn Mawr. They are (l. to r.) Brother Hippel, his wife, Myrabel, Mrs. Judith Hippel Dare and daughter, Kenna Port Dare, and Barbara Purdue Hippel. President Hippel, a charter member of Beta-Pi Chapter (Pennsylvania), will complete at the National Convention sixteen years of continuous service as a National Officer. He was president of District I from 1940-46; he served as National Counsel from 1946-53; and has directed the affairs of the Fraternity as National President since 1953. His keen mind, his energetic spirit, and warm personality have combined to contribute immeasurably to the advancement of Pi Kappa Alpha.

## Chaplain's Corner

September, 1956

Dear Brothers,

September points up the beginning of college life all over our land. The importance of a good beginning to every one of our Pi Kappa Alpha Chapters is obvious. The thoughts of the upper classmen will be directed toward pledging a good class of men to take the place of the seniors who have graduated. The writer remembers the old pledge pin, a little smaller than a dime, and of the same shape, garnet in color, with a crossed dagger and key superimposed thereon.

What will be the distinguishing qualities you will be looking for in your pledges? Their names will be sifted out and juggled with, and there will be the various pressures from the alumni and friends before the great day when the decision has to be made. I suggest three tests of the pledge:

First of all, a man of self respect, not to be confused with vanity or conceit, and which, of course, has manhood for its basis. An old writer described such a person as one who is "blameless, vigilant, sober, and of good behavior," one who has a sense of humor and a nice regard for truth and sincerity, and a person who has a sense of good taste in all things.

Second, a man of courtesy—possibly the finest of the human graces, which issues in good manners. A test of this valuable trait is found in every relationship of life toward those who may be our superiors, inferiors, or equals. It is the embodiment of ancient chivalry in modern dress, and shows itself again and again in the generous and magnanimous deed.

Third, another test is the spirit of appreciation. One does not want to leave out of account his debt and obligation to others. A sense of gratitude makes a person modest and humble. Thomas Hughes, who was the author of *Tom Brown at Oxford*, sets forth the pattern of the good life in a person's character and walk and conversation. He puts it this way: "Loyalty to truth and right; merciless to sham and pretense; charitable toward the erring, brave in defending the friendless, forgiving of injury, pure in word and deed." In saying this, Thomas Hughes remembers an ancient saying, "Whatsoever things are true, whatsoever things are honest, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, if there be any praise, think on these things," for these are the things that make for manhood.

Your Chaplain,

Dr. U. S. "Preacher" Gordon.

**Alpha-Gamma Chapter at Louisiana State University, Baton Rouge, La., dedicated this splendid modern house on campus fraternity row this spring. A. R. Johnson, Baton Rouge, is president of the house corporation. Ed Maurer, BM, Austin, Texas, was the architect.**

◆ "It was cloudy and wet at Louisiana State University on March 11, 1956, but the rain could not depress the great tide of enthusiasm and pride that engulfed the new Pi Kappa Alpha House that day." This account was given of the open house ceremony that celebrated the completion of the new ultra-modern Pi Kappa Alpha House on the LSU campus, which is located in Baton Rouge.

Among the features that make this house outstanding are the partitioned bedrooms, which enable one member to study on one side, while another may sleep undisturbed on the other, the large combination dining room and living room and the modern, efficient kitchen. This is one of three houses over the nation in the Pi Kappa Alpha Fraternity that have the same design and plan.

Besides being cleverly designed on the inside, this house has a modern and beautiful exterior. It was the result of many hours of planning, much hard work and considerable financial sacrifice on the part of many.

At the dedication ceremony a plaque was unveiled that bore this inscription: "Dedicated to the alumni and student members whose loyalty and service have made this house a reality, and with special recognition to the dynamic leadership of Brother A. R. Johnson."

Among those to witness the climax of a decade of hopes on this day were the Pi Kappa Alpha National President, John F. E. Hippel; Chapter Service Secretary Earl Watkins and his wife of Memphis, Tennessee; Dr. John Beard, president of the Memphis Alumni Association; and Robert T. Means, district president of the New England area and an alumnus of Alpha-Gamma Chapter.

The total cost of this building was more than \$60,000. It would have cost more than that if it were not for the help received from Mr. Edward Maurer of Austin, Texas, a brother from another chapter. Mr. Maurer played an important role in the planning and designing of the house. He is a member of the American Institute of Architects, and is with the firm of Lundgren and Maurer of Austin, Texas. Mr. Maurer made his services available at a very minimum charge.

The structure is located in LSU's fraternity row, just a stone's throw from the quiet University Lake. Its combined brick stucco, wood and glass, set off in striking tan, brown and white are in keeping with the outdoor living so common in Louisiana's near-tropical climate. It is the new home for about 25 Pikes.

Many have contributed to the work of building this house of the Alpha-Gamma Chapter. The Alumni Building Committee consisted of A. R. Johnson, Sr., president; James (Yank) R. Fuller, vice president; Otis C. Edwards, Jr., secretary; H. H. Huckabay, treasurer; H. Lyle Barnett, budget officer; George Vordenbauman and William B. Bates, executive advisors.

A. R. Johnson, president of the local alumni, is now the president of the American Bank and Trust Company in Baton Rouge. Johnson graduated from LSU in 1920, and in the following year he received a master's degree from Harvard University in business administration. He has held at least two important posts in the government of the State of Louisiana. He was at one time the State Banking Examiner, and from 1936 to 1940 he held the post of State Welfare Commissioner. Before becoming the president of the American Bank and Trust Com-

pany, he was the vice president of the City National Bank in the same city.

Besides his many duties in the responsible positions he has held in the past, Johnson has continued active and enthusiastic in the Alumni Association of Pi Kappa Alpha. He served as National Secretary from 1953-54. Pi Kappa Alpha is deeply grateful for the leadership he has given in making possible the completion of this home for the Alpha-Gamma Chapter.

James R. Fuller, the local alumni vice president, has given much time and effort toward the completion of this project. Brother Fuller received a B.A. degree from LSU in 1924 and an LL.B. degree in 1926. He is now with Porter, Taylor, Brooks and Fuller law firm in Baton Rouge and serves the University as its legal aide.

Otis C. Edwards, committee secretary, entered LSU in 1929, and though he did not complete all his studies at this university, he has been active in the Fraternity for many years. Brother Edwards has been Assistant Welfare Commissioner in the Louisiana State Government for many years and his civic leader-

ship marks the good example that so many alumni of Pi Kappa Alpha have been.

H. H. Huckabay, treasurer of the local alumni, graduated from LSU in 1922. He has held three important government positions. He was a member of the Louisiana State Legislature from Caddo Parish from 1940 to 1942; from 1942 to 1944 he held the position of Louisiana State Tax Commissioner; and from 1944 to 1948 he was State Director of Public Safety. Mr. Huckabay is now the business manager of the Baton Rouge General Hospital.

H. Lyell Barnett, budget officer, is the owner of the Kenberry Press in Baton Rouge. He entered LSU in 1923 and though he did not complete his education at LSU he has retained his interest in the local chapter.

George Vordenbauman, executive advisor, graduated from LSU in 1938. He is now employed by the Esso Standard Oil Company in Baton Rouge.

William B. Bates, another executive advisor, received his B.A. degree from LSU in 1938. He now is part owner of Bates and Thigpen Clothiers in Baton Rouge.

Other men have been active among the alumni of Pi Kappa Alpha who were not on the building committee. In their maturity, many alumni of Pi Kappa Alpha have attained great heights as coaches, statesmen, bankers and attorneys. Of interest is Mike Chambers, one of LSU's former coaches. Mike the Tiger, mascot of LSU, was named after him. J. T. Owen, former LSU boxing coach, is an alumnus of the Alpha-Gamma Chapter at LSU. Charles W. Gray, who is now secretary of the Delta Tank Manufacturing Company and residing in Illinois, is an alumnus of this chapter also.

Alpha-Gamma Chapter of Pi Kappa Alpha was founded at LSU on June 4, 1903. Among its charter members were G. B. Golson of St. Francisville; W. W. Hutchinson, Maudeville; A. W. Buckner, Newelton; and P. H. Griffith, J. K. Fahey, and G. P. Garland, all of Opelousas.

Tom Wade, Alpha-Gamma's delegate to the 1909 National Convention, was responsible for casting the decisive vote to place Pi Kappa Alpha on a national basis. Prior to that time, the organization had been strictly Southern. When the battle for Northern expansion was deadlocked, Brother Wade changed his vote, effecting a great forward step in the history of the Fraternity.

John R. Perez of Alpha-Gamma Chapter served as National President of Pi Kappa Alpha for 16 years, which is longer than any before him or after him.

*A portion of the lounge area of the new Alpha-Gamma Chapter House*

Alpha-Gamma has given considerable leadership to the Fraternity as a whole throughout the years.

Leading the 36 men on the roll as chapter officers this year are: President, Sherrill Causey, New Orleans, La.; vice president, Tom Lee, Alexandria, La.; treasurer, Charles Moritzky, Vidalia, La.; secretary, David Stainton, Jackson, Miss.; historian, Arthur Hickman, New Orleans, La.; and pledgemaster, Robert Porter, Pineville, La. Mrs. Ella Phelps is the housemother.

## Zimmerman Speaks At West Virginia

By Conrad Wiley

◆ George Zimmerman, National Music Director of the Fraternity, was featured as guest speaker at the Founders' Day banquet of Alpha-Theta Chapter, West Virginia University, April 14. Toastmaster of the evening was John Horton, Beta Chapter. Climaxing the Dream Girl Formal which followed the banquet, lovely Miss Germaine Rollyson was crowned 1956 Dream Girl. Her attendants were Elizabeth Darnall and Marilyn Roby.

One of the most successful affairs of the social season at the house this semester was a Parisian Apache Party in March. The brothers and their dates came dressed as men and women from the Montmartre section of Paris and the house was decorated to suggest a French night spot. May brought the Senior Ball, which lowered the curtain on the social season for the year. In spite of the sadness of the occasion, everyone thoroughly enjoyed the dance.

As an innovation in the Mothers' Day Sing this year, Alpha-Theta combined with the Alpha Delta Pi Sorority to sing as a mixed group. Careful preparations were laid early in the fall semester and

no one outside of the members of the two groups was told of the plans. Thus at the Sing this surprise element combined with the vivacious rendition of the selection and the added feature of a pertinent pantomime by Owen Moore and Judy Peters made a remarkable impact upon the audience and provoked considerable discussion on campus for the remainder of the school year.

## McFarland Excels In Track

◆ Jack McFarland, SMC of Alpha-Delta Chapter, won individual honors in Interfraternity Council distance events this year. Jack captured first place last fall in the cross-country run to give the Pike team fourth place in the event. This spring, in the IFC track meet, Jack outdistanced the field in the mile run to win with a time of 5:01.3, which is a new record for this event.

Pike teams at Tech have made good showings this year in IFC football, basketball, volleyball, softball, bowling, tennis, and golf. We feel that we gain a lot from competing in such a diversified intramural program.

We wound up our social activities for the year with a houseparty held in the North Georgia mountains at Lake Burton. We enjoyed boating, swimming, and water-skiing, in spite of slightly chilly weather. Everyone had such a wonderful time that we hated to return to classes.

In a hotly contested campus election Fred Osborne was elected to the office of Junior Class President. He served as President of the Sophomore Class last year.

*Picturesque Taxco—yesterday and today,  
silver capital of Mexico.*

Material and photographs courtesy, June issue, *Mexico This Month*.

◆ In June of 1930, a *gringo* named William Spratling strayed into the hilltop mining town of Taxco in the rocky state of Guerrero.

This man is the same William Spratling who joined Upsilon Chapter of Pi Kappa Alpha at Alabama Polytechnic Institute, Auburn, Alabama. He quickly earned a place and a name for himself in the field of architecture, education, and journalism. While teaching architecture at Tulane University, he accepted an assignment to do a story on Mexico for one of the national press associations. The charm and potentialities of Mexico quickly converted him from a tourist to a resident, and his place of abode became Taxco.

This famous member of Pi Kappa Alpha will be the featured speaker at the 1956 National Convention luncheon at Hotel Del Prado, Monday, September 3. Following the luncheon those in attendance will have the privilege of viewing a sound color movie produced by Warner Brothers and portraying the contribution made by Brother Spratling to the silver industry in Taxco and throughout Mexico.

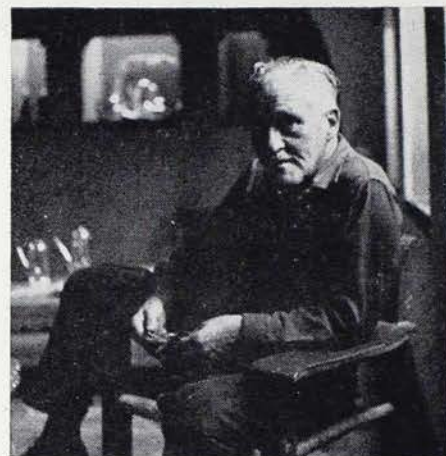

He is an artist, artisan, philosopher and promoter who also goes through the motions of being a businessman, and not too badly. His name is so closely identified with the making of Taxco's modern history that when he walks around the plaza it is a little as if he were a monument, which by some peculiar happenstance, possible only in a place that looks as much like storyland as this town does, is out for a promenade.

His house, at Kilometer 177, near Taxco on the Acapulco Highway, is an old ranch, where he also has his workshops and a showroom of choice pieces. It is a place rather like a piece of jungle, with old stones—some of them sculptures of great beauty—thrust among the vegetation. In the house too, one has the sense of a lot of things all growing over

## *Silver and Spratling . . .*

creative genius.*

and around each other; even the books look like that. There are noises wherever one is, whether in or out of the house—the kind of soft, whispering, pat-pat noises that a jungle makes; and animals—birds, a monkey, slip in and out of sight.

The accumulation of objects in this house points very clearly to Spratling's interest in textures, form, and glowing color, and speak of a search, over many years, back to older and older forms of art, as if looking for the primeval beginnings and components of beauty; rejecting imitations and influences, simplifying and purifying his own designs guided by his own senses only, and individual feeling. This search, and constant busyness about improving his work, is of course the point of any creative life. It requires a certain peace, freedom from pressures, and thrives on appreciation, all of which Taxco gave to Bill.

He says he has no idea how it happened that because of his activities, a sleepy picture-town became a place where one hears the chinkety-chink of silversmiths' hammers from almost every doorway. He didn't aim at this, or organize anything for the purpose. "It was just an experiment that stuck," he says. We think it's even simpler. Among a people so sensitive and gifted in the arts as Mexicans are, what Bill did—with a canny North American eye to merchandising—was set the example. From which result-

ed a host of success stories that in some cases really deserve the word "fabulous." As for instance, the Castillo brothers, who as boys were among Spratling's first apprentices. Today the family owns a luxury shop in Mexico City as well as one in Taxco, plus a hotel, and a couple of amethyst mines; and they're all young yet.

Once upon a time Taxco had been a place of grandeur, a monument to silver built on one of the country's most fabulously wealthy silver veins. Even before silver was discovered in its steep surrounding mountains, the town had been important: first in the days of the Aztecs, as a stopover for runners carrying baskets of fresh fish from Acapulco to Tenochtitlan; and then under the Spanish *conquistadores*, as a stopping place on the long inland route from Acapulco to Veracruz. Silks and spices from the Indies passed through Taxco on their way to Spain, in a laborious shortcut that avoided the long sail around the Horn.

The same Spanish conquerors discovered the first silver vein in Taxco, but it was of short duration. Then in 1717, the mule of Don Jose de la Borda stuck a leg into a hole that turned out to be the immensely wealthy silver vein of San Ignacio.

Don Jose was an arrogant, stern-featured Spaniard of French descent, who had come to Mexico as a child with his hopeful immigrant family. Being indus-

trious, tenacious—and lucky—he accumulated an enormous fortune; spent it all, and hit the jackpot the second time, to die a very rich man. Unlike most magnates of his time, he returned to Taxco much of the wealth he had dug from its hills.

Following his famous motto: "God gives to Borda, Borda gives to God," he built an extensive water system for the town, put up houses for the poor, and most impressively, repaired and enlarged the richly ornate church of Santa Prisca. He furnished the church with so many works of art from his silver and goldsmith shops, that at one time it was equal in splendor to the great Cathedral in Mexico City and was one of the most beautiful churches in the world.

When the lavish era of Don Jose ended, Taxco became an empty town. Its silverworkers occasionally filled church commissions, but their art was dying out. Some of the old remembered, but most of the young took up new trades or left for the larger cities. The town slept; its twin carved church towers were the only reminders of its one-time splendor.

Taxco was almost a ghost town when Spratling arrived in 1930. He settled there, like many Americans who moved to Mexico in those years, because it was beautiful and cheap.

But Spratling looked around and saw a wealth of artistry in weaving, in pottery, stonecutting and metalworking. He found that silver was cheap—15 pesos a kilogram—and plentiful. Learning of the town's long tradition as a silverworking center, Spratling hunted out the few remaining artisans from their homes. In June 1931 (last year the town celebrated in advance the Silver Anniversary of this date) he opened the doors of a small silver workshop.

In the years that have passed since then, Taxco has mushroomed into a sort of Silver Hill—or better, Gypsy Hill—a mountain riddled with caves and coves and shop after shop of silversmiths. The pat-pat tortilla rhythm that marks time all over Mexico takes second place to the ring of craftsmen's hammers that set the pace in Taxco.

Some of these craftsmen, mostly former apprentices to Spratling, now rank as first rate designers in their own right. To them, Spratling is *El Maestro*, and their pieces are tributes to his teaching, and to his respect for "the noblest of metals." Spratling's hand is in many of the other arts that now mark this town as a crafts center: tin working has been revived; a furniture industry, also fathered by Spratling, has sprung up. Other artists specialize in dress design, some of the country's finest.

In June each year, Taxco celebrates its economic and artistic rebirth with a Silver Fair, a riotous week of dances, parades, towers of fireworks and papier mache firecracker bulls, fashion shows, parties and sports events. Highlighting the fair is the annual Silver Contest, now a national event open to silver designers throughout the country. A distinguished list of judges, usually important painters, art critics, and eminent silversmiths, select outstanding pieces of hollowware and jewelry.

Spratling comes into town from his ranch at Taxco-el-Viejo and, though the tourists who throng plazas and hotels during the Silver Fair rarely notice this gaunt man with silver-colored hair, even the toddlers of Taxco stand back with respect and a greeting as he makes his way alone along the streets.

## Richmond Members Celebrate Progress

By Bill Phillips

◆ Many notable achievements have been made by Omicron in the year 1955-56—a lodge, a high position among fraternities on campus, and a working active chapter. No achievement has been as great as that made by our alumni and their interest in us.

On Saturday, April 7, we held our ground breaking ceremony. Alumni present included Moses D. Nunnally, Clint Shephard, Temple Broadbuss, Guy Borkey, Harold Farley, and Walford Gregory. The lodge is scheduled for completion at the beginning of the fall term.

Prior to September of 1955, alumni relations were handled almost exclusively by one man, T. Carter Coates. Brother Coates was twice elected SMC and had worked hard on the concept of a new lodge. However, during the past year,

Omicron has gained the interest of the alumni and they, in turn, have gained our interest in them.

SMC Ken Anderson and IMC Gordon Marshall were leaders in this movement for closer alumni ties. Brother Anderson initiated the first edition of *The Omichronicle* as a means of communication between the active and alumni groups. During the second semester, with Gordon Marshall serving as SMC, Lewis Spicer as IMC, and Brother Coates as Alumnus Counselor, alumni and actives climaxed their enthusiasm at our Founders' Day celebration.

The banquet and dance, held at Hotel William Byrd in Richmond, was attended by 63 guests plus the entire active chapter and their dates. Mike West served as toastmaster for the evening. Several reports on the lodge were heard at this time. Then our main speaker, R. McLean Whittet, delivered a very timely address concerning his experiences in Pi Kappa Alpha.

The past year at Omicron has been a happy, successful, and stimulating experience to the brothers of the active chapter. Already, plans for the alumnus chapter and for a successful year in 1956-57 have been made. We feel that with the renewed faith in us by the alumni, our chapter will surely grow in strength and numbers.

The "chapter history" says that while at Southwestern, he was a member of the Glee Club, played in the band, sang with the YMCA Octette, courted all the co-eds and was an outstanding member of the campus "Possum and Tater Club"!

## Candidates for the 1956 Dream Girl Contest

Carol Krametbauer  
Northwestern

### DREAM GIRLS . . .

By Frank Neill, AΘ

Press Agent, 20th Century-Fox  
Studios

◆ Billy Gordon, casting director at 20th Century-Fox and noted authority on Hollywood beauty and talent, has "discovered" hundreds of actors and actresses for motion pictures.

"Judging an important contest like the Dream Girl competition is most difficult," Gordon said. "A photograph is impersonal, and the real beauty and charm of a young lady rarely can be projected by a still camera.

"Beauty is only skin deep. The personality and poise of a person does not always 'come through' in a photograph. That is why it will be difficult to select the three finalists for the Dream Girl of IKA. Many times over the years I have seen a photograph of a beautiful girl and then interviewed her for a possible screen career—only to find that she

had little personality or possibly even bad teeth!"

Gordon — who will judge photographs of candidates for the 1956 Dream Girl title, along with Screen Stars Susan Hayward and Dan Dailey — passed along this advice to individual chapters in selecting their entries in the national contest:

"The most important qualities to look for are personality, poise, charm and graciousness.

"Unfortunately these qualities are not always recorded in photographs. I only wish that our committee could talk to each candidate personally. That would make our task easier."

Hollywood's top casting director and two of film's most distinguished stars will serve as judges to select the annual "Dream Girl of IKA."

Heading the eminent committee is Billy Gordon, casting director at 20th Century-Fox studios and for many years recognized as the outstanding authority on motion picture talent.

Susan Hayward and Dan Dailey are other members of the committee which will judge entries in the Dream Girl contest, culminating with announcement of the winners at the National Convention in Mexico City, Sept. 4.

Both Miss Hayward and Dailey are under long-term contract to 20th Century-Fox. The redhaired actress is a four-time nominee for a coveted Academy Award "Oscar." Dailey's next picture will be "The Best Things in Life Are Free," a multi-million dollar CinemaScope musical.

Photographs of candidates for the "Dream Girl of IKA" will be forwarded to Hollywood where Gordon, Miss Hayward and Dailey will have the admittedly "difficult chore" of selecting the three finalists.

The Hollywood judging committee was lined up by Brother Frank Neill, AΘ, of the 20th Century-Fox publicity department.

Formal opening of the Instituto Allende summer session. (l. to r.) Stirling Dickinson, Director; Mrs. Enrique Fernandez M., Rector of University of Guanajuato, Instituto President Enrique Fernandez M., and Dr. Francisco Olsina, head of Instituto language department.

## Stirling Dickinson — *Versatile Director of Instituto Allende*

By Peter Olwyler

♦ When Stirling Dickinson slides home in a rural Mexican baseball game, he raises enough dust to obscure the incongruities.

Dickinson is a bony, six-foot Princetonian who is so reticent that few of the 1,000 American students who confer with him each year in a school in the Mexican mountains know much about him.

One of the achievements they know least about is his key role: guiding a high-minded but financially-doubtful shoelace venture through its infancy 18 years ago and building it into what is now a booming private cultural enterprise with international prestige.

The private enterprise is Instituto Allende school of fine arts in San Miguel de Allende, where Pi Kappa Alphas will be attending Leadership School next fall. As Instituto director, Dickinson will be on hand to help fraternity men get settled, and answer their questions about Mexico. But one thing they would not be likely to learn is why the seemingly-contradictory, bespectacled, scholarly director wound up in a Mexican village instead of in a Chicago advertising agency.

Dickinson, 46, is the son of Chicago corporation lawyer and ad agency head

Francis R. Dickinson of 1500 Lakeshore Drive. As a young man, Dickinson absorbed art history at Princeton, graduated cum laude, spent three more years on art at Chicago Art Institute, polished off his studies with a year at Fontainebleau. Then he collected an adventurous former Princeton classmate, writer Heath Bowman. The two boarded a dilapidated but personable jalopy and headed for Mexico.

The pair wandered that country for six months. It wasn't until their return to the States that it occurred to them to write a book about their travels. *Mexican Odyssey* was finished in two months, published by Christmas, sold out in a week and ran into four editions. A tour of South America was followed with equal success by *Westward From Rio*. But the third year, the writers kicked over the travel book traces and decided to do a historical novel.

They wrote to Jose Mojica, world-renowned singer and Mexican movie producer, for suggestions. Come, he told them, to San Miguel de Allende, a little town rich in history and beauty. They came.

Dickinson and Bowman were the first

Americans in town. It was all Mojica had said. Dickinson promptly bought a house for \$90 — an old tannery, unused since the Revolution. Research was finished quickly and their publisher soon put *Death Is Incidental* on the market. The collaborators went home, but one of them—the artist—returned, drawn by the rich Mexican color and the handsomeness of the mountain town.

Back in San Miguel, Dickinson met wealthy Peruvian diplomat, writer and painter Felipe Cossio del Pomar, who wanted to pass his political exile by starting a school of art to attract some Americans. The Chicagoan agreed to serve as associate director. The school opened for summer session only in 1938, in an old building behind the market place. There were eight students.

The school idea appealed to Dickinson. He was a one-man office staff, publicist, propagandist both in San Miguel and in the U. S. His work was bringing results when Pearl Harbor broke. The artist went to Washington, served in OSS, then did Naval Intelligence work in Italy. He was on the Isle of Capri when church bells signalled the end of World War II. He returned to Mexico with the first civilian jeep sold in Chicago and the first to enter Mexico.

The school was still in existence, but shortly Pomar sold it to go back to Peru. The faculty, under Dickinson, kept the school going, with Dickinson continuing as associate director.

In 1952 the school came fully under the ownership of former state governor Enrique Fernandez M., who still operates the institution with the aid of his American wife.

As for the Princetonian — while the school grew from eight to 80, from 80 to 800, he was also busy in other fields. He got some boys together, cleared the rocks

Peptalk in Spanish—Stirling Dickinson talks strategy with his outstanding baseball team.

off a field a mile outside town, painted "S M A" on nine T-shirts and had a baseball team. The players have been mostly Mexicans over the years, and because of the discipline and constant practice under "Deekie," the nine have become the state's best, with a 1955 record of 50 wins, four ties, and one lost. Today, to keep his team together, Dickinson builds houses for Americanos who want to live in San Miguel. He does it free, so that his pitchers, infield, outfield and subs will have steady work as plasterers, masons, carpenters.

Orchids became a sideline 10 years ago when a few were given him. At the former tannery—now a San Miguel showplace—there are three orchid houses with choice specimens from all over Mexico. Friends who have accompanied Dickinson on rugged orchid-hunting excursions shudder at the chances he takes. The dignified director tears his trousers to shreds shinnying up a tree teetering out over the lip of a 100-foot-deep canyon because he spots an orchid half hidden in a crotch at the top. (Usually it turns out to be one he already has.)

The bookish-looking scholar tends to appear frail because of his thinness. Actually he's about as fragile as steel wire. A passionate lover of duck hunting, his Sundays fall into a set pattern from fall to early spring open season: off into the dawn in the Jeep truck for a day of clambering up and down canyons, creeping up on lakes and banging away at Mexico's big, fine-flavored ducks. Usually there are a couple of Mexico City writers, artists or educators puffing along behind; and invariably the back of the truck is loaded with beer, eight or ten pounds of steak, and half the baseball team.

There are some things Dickinson does almost furtively—but his close friends sometimes find out about it. There are daily crises in the families of San Miguel's working people; and Senor Deekensohn quietly sends food—or medicine—or the doctor—or pays for the funeral—or bails someone out of the pokey—or finds papa a job—or sends some penniless youngster to school. Asked about it by friends, he will only shrug vaguely and change the subject.

When San Miguel celebrated its 400th anniversary a few years ago, two men were named "hijo adoptivo predilecto"—adopted son. One was the president of Mexico. The other was the thin Chicago artist.

But those who have seen the influence—direct and indirect—exerted on the town by the North American in 19 years, say that the best thing that happened was when Dickinson adopted San Miguel.

## *Gov. and Mrs. Enrique Fernandez M. Hosts To Leadership School*

By Peter Olwyler

♦ The business manager of Latin America's largest and most noted art school doesn't look like one.

More often she's mistaken for one of the students. She's a smartly-dressed, friendly, easy-going woman in her early forties whose soft drawl still hints at her Arkansas background after 24 years in Mexico.

She is Nell Fernandez Martinez, wife of the school president, Enrique Fernandez Martinez. They will be hosts to Pi Kappa Alpha's Leadership School August 30 through Sept. 2.

It was appropriate to pick Instituto Allende as the stage for the Leadership School. It is the first convention Pi Kappa Alpha has held outside the United States borders. The Instituto is also international in character—in point-of-view, faculty, and student body.

In a current show at the Instituto gallery are the works of a German, a New Jerseyite, a Filipino, a Mexican, a Chicagoan, an Alaskan and two Canadians, one of them Japanese. The faculty includes Mexicans, Europeans and Americans. The student body, while mostly American and Canadian, includes Orientals and Europeans.

Although the Fernandezes's success at operating the school makes them seem like old hands at the school and hotel business, they're not. Don Enrique, as he's invariably called by students and faculty, spent most of his life in politics. When an incompetent governor was impeached in the important Mexican State of Guanajuato in 1935, the Guanajuato

congress appointed Fernandez to fill the unexpired portion of the term. After a successful three years in office, Don Enrique was returned to the governor's mansion for another four-year term. He left office in 1943.

Three years later the ex-governor married the former Nell Harris of Hot Springs, and the couple cast about for something constructive to occupy them.

In 1949 they went into partnership with Felipe C. Pomar, a Peruvian politician living in San Miguel, and the team purchased the former palace of the Count de la Canal. Their aim: to turn it into an art school which would attract students from Mexico and the United States.

The building that went on was as much virgin construction as restoration, yet the flavor of the old palace grounds was retained and landscaping joined the handsome buildings into a cohesive whole. Brilliant bougainvillea climbed the ancient stone walls again, and flame-winged songbirds darted over the acres of new grass carpet.

In Peru, a shift of parties called Dr. Pomar home again. The Fernandezes assumed full ownership of the Instituto. They have been sole operators for the past four years.

Don Enrique has been mentioned in some quarters as a presidential possibility in the coming national elections in Mexico. But so far he has indicated no desire except to continue as president of Instituto Allende.

## Auburn Earns Top Honors

By Fred W. Knox

◆ Upsilon Chapter recently took top honors at Auburn's annual Village Fair Parade. First prize was awarded the chapter for the best float entered in the parade. The Pikes also placed second in Sphinx Sing, the annual singing competition between different fraternities.

Upsilon has taken an active interest in school activities in various fields. In the field of sports the chapter won the coveted intramural all-sports trophy.

Highlighting the social season was the annual Dream Girl Formal. Miss Mary Jim Esslinger of Gurley, Alabama, was chosen as the chapter's Dream Girl for 1956. She is also Dream Girl for the State of Alabama and Miss Auburn.

On February 25, twenty-two pledges were initiated into the bonds of brotherhood, giving Upsilon a total number of 128 actives and pledges.

The Auburn Pikes continued to dominate the publications picture at Auburn this year. Bill Neville has been appointed editor of *The Plainsman*, campus weekly newspaper. He is also president of ODK, member of Spades, Squires, and numerous other campus honoraries. Brother Neville was presented the Sullivan Award which is given annually to the outstanding senior.

Managing editor of *The Plainsman* is Bill Teem. Brother Teem has edited several publications at Auburn including *The Greeks*, Auburn's Interfraternity Council rush booklet, and *The Plainsman Pike*.

Nick Butler is editor of *The Tiger Cub*, Auburn's student handbook. Dan Beaty serves as business manager of *The*

*Plainsman*. Ed Cobb was recently elected president of the Student Government Association, and Bill Hutto is the present holder of the Bruce Greenhill Scholarship for the outstanding journalism student.

## Jean Ricks Wins Illinois Dream Girl Contest

◆ Lights! Action! Camera! It looked like another big picture in the making. Movie cameras, flood lights, loudspeakers, flash cameras, and dignitaries all helped to set the stage for Beta-Eta's annual Dream Girl contest, which was set into motion by a candlelight banquet, with our six beautiful finalists and distinguished judges as guests.

Excitement was at its peak as the cameras whirled out the story of a wonderful evening, coming to a climax by the announcement that Miss Jean Ricks of Pi Beta Phi was our new Dream Girl, to

reign over all the festivities of the coming weekend. Our judges, Dean of Men Howard Neuburg, radio announcers Larry Stewart, Bob Watson, and Mike Hoy (WCIA-TV and DJ of the "Owl Hour"), and Mrs. Helen Robinson, interviewed our six beautiful finalists and selected Jean. She received her crown and trophy at our annual Spring Formal, "April in Paris," which was preceded by a banquet at the beautiful Moose Club.

Miss Ricks is a very outstanding young lady both on and off campus, having been named Miss Midwest of 1954, Miss Sportsfest, and Miss Illinois Press Photographer (being runner-up to the national winner), along with being one of our Illio Beauty finalists, Dolphin Queen, and appearing on TV a few times.

Other activities of the season were also in full swing. Our combo was making campus history playing at all exchanges and open houses. Dan Spink and our ex-president, Jack Macleary, were winning honors at our student night club and at stunt show with their singing to the accompaniment of Dan's piano and Jack's IKA-stamped banjo. Dan did not let his music take up all his time and talent, however, being busy drawing many of the cartoons for our campus newspaper, the *Daily Illini*, and also finding time to get pinned to one of our Dream Girl contestants, Jan Metzger. Ray Andrews, our drummer in the combo, also had lots to do, being MC of one of our local radio programs over WPGU.

Many of the brothers were also busy with other activities on campus, such as the student newspaper, Varsity Men's Glee Club, Arnold Air Society, band, track, and many other such activities where PiKA's learn to become leaders.

Some of our other activities were Dads' and Moms' Days, Senior Banquet, and our Alumni Dinner. All this added up to another wonderful and eventful year for Beta-Eta.

# Lehigh Houseparty Spring Funfest

By Al Enoch

◆ Social life at Lehigh has been two-fold this semester, for the men of Gamma-Lambda have had fun themselves as well as spreading joy to others.

The big social affair of the semester was the Spring Houseparty. This semester the Pikes used Pajama Party as their theme. Highlights of the weekend were a formal dance at Grace Hall with music supplied by Elliot Lawrence and the Commanders, a picnic at the home of Faculty Advisor Kurt Muhlhausen, and the annual variety show and costume party staged at the chapter house on Saturday night.

The Bethlehem Girls' Club 8- to 10-year-old group was entertained at an informal party on May 10. The girls were treated to a buffet dinner, party games, and cartoon movies. Tom Forstall impersonated the Lone Ranger, and ended up falling mortally wounded into the fish pool.

The social season closed with the Pops Concert staged by the University band. Romeo Lucente, well known Bethlehem chef, prepared a spaghetti dinner for the Pikes and their dates prior to the concert. The party after the concert was high-lighted by the serenading of two newly pinned couples, Al Enoch and Ellie Linck, and Jim Seigman and Debbie Werst.

Phil Hartung, Gamma-Lambda senior, topped off his fine athletic record at Lehigh when he recently won the Middle Atlantic Conference shotput title at the conference's track and field champion-

ships held at Albright College. This marked the second straight year that Phil has copped the field event crown.

Although Phil heaves both the shot and the discus for the Packers, it is the shotput in which he excels. In addition to winning the MAC's in '55 and '56 with heaves of 47 ft. 1/2 in. and 47 ft. 31/2 in., he placed fifth in the Penn Relays this spring. Phil's efforts for the Lehigh thin-clads were rewarded when he was elected co-captain of the squad for the past season. Football, softball, basketball, volleyball, and bowling are Phil's house athletics. In addition, he has served the house as Scholastic Chairman.

## Dee Dorgan Chosen By Purdue

◆ On April 14 time rolled back to 1890, and a New Orleans night club relived past glories. The ancient weather worn door of the Cafe Parisienne opened to greet the merrymaking populace once again. Through its boarded windows the warmth and glow of Old Orleans smiled at the outside world, reflecting the gay times that it had witnessed in bygone years.

New Orleans lived again at 149 Andrew Place as the Pikes celebrated their annual Dream Girl Dance. The nostalgia and atmosphere of the dear old Southland helped to make this a memorable night for all the guests present.

Late in the evening the eyes of all rested upon one girl, Miss Dee Dorgan, KAΘ, who is the Dream Girl of Beta-Phi Chapter for 1956. Miss Dorgan won the Mid-West Dream Girl Contest, and is a candidate for National Dream Girl.

Each election year Purdue holds a Mock Political Convention, and this year Beta-Phi's delegation represented the State of Ohio and backed a favorite son, Frank J. Lausche. We served as the center of an unusually strong faction. Even though Lausche was not elected, he outlasted many favorites such as Kefauver, Stassen, and Harriman.

For the second time in three years a I I K A became editor of the *Purdue Engineer*. Two years ago Art Beller was editor and this year Roy Hofer was elected. The combined job of Managing Editor and Associate Editor belongs to Rollin Dix.

Jim Richman, Roy Hofer, and Rob Annis were pledged to Tau Beta Pi, engineering honorary.

Plans are now being laid for the construction of a new house. With the help of the Home Association the chapter has begun formulating procedure through the University which will culminate in a ground breaking ceremony within two years.

## Philadelphia Alumni Celebrate

◆ The annual Founders' Day Banquet of the Philadelphia Alumnus Chapter was held at the Beta-Pi House, University of Pennsylvania, on Friday, March 2, 1956. More than 65 alumni and undergraduates attended the affair, held at the house for the first time in an attempt to create a stronger and closer relationship between the alumni and undergraduates.

Ray Kaelin, BII, in his debut as a toastmaster proved his talents will be in demand at future banquets. Seated at the head table were National President John F. E. Hippel, BII; Reverend Edward T. Horn, BΘ; Donald R. Schreiber, BII; and Alumnus President W. Craig Armington. Johnny spoke to the assemblage on the current status of the Fraternity and stressed the meaning of brotherhood in a very thought-provoking talk.

Undergraduate chapter reports from Delaware and Lehigh were received via telephone, and Roger Hart, BII SMC, presented his chapter's activities. Later in the evening, past recipient Bill Ericson announced that the alumni had awarded their Outstanding Senior Award to Brothers Hart and Frank Sirch. Roger received the plaque in behalf of the brothers. This year marked the 20th time the award has been presented by the alumni.

Presentation of the Alumni Award was made by Brother Schreiber to Craig Armington. In his remarks, Don mentioned that Craig had served in each of the local alumni offices. A handsome silver cigarette box accompanied the plaque award.

Following the singing of the "Dream Girl," the brothers retired to the game

room to participate in a Monte Carlo Night extravaganza under the direction of Alumni Treasurer Joseph P. Moore, Jr. and John C. Allen. As a result of their enthusiastic management (and skill!) more than \$100 were made available to the Beta-Pi House for house furnishings and capital improvements.

Following the Founders' Day Banquet, election of officers for the term 1956-57 were held:

President, W. Craig Armington; Vice President, James McLaughlin; Secretary, John A. Accetta; and Treasurer, Joseph P. Moore, Jr.

## Kilpatrick Named Chicago President

◆ Pat Kilpatrick was elected president of the Chicago Alumni Association at the Founders' Day banquet in March. Pat, an alumnus of Gamma-Nu Chapter (Iowa), is Export Manager of Kester Solder Company and has served in that capacity for over twenty-three years. He supervises seventy-five foreign representatives throughout the country.

**R. E. "Pat" Kilpatrick**

A native of Spencer, Iowa, Pat has been engaged in sales work since his graduation from the University. He has continued his interest in and work for

the Fraternity through the years and has attended numerous national conventions. He is currently President of the Export Managers Club of Chicago and holds membership and offices in numerous other civic, trade, and fraternal associations. The Kilpatricks are members of the Irving Park Methodist Church.

The Chicago Alumni Association held a National President's Dinner on May 25 at which President John F. E. Hippel was the speaker. Other officers of the alumni association chapter are: Charles T. Baker, Vice President; Harold H. Hamann, Secretary; and Norman R. Wittkamp, Treasurer.

## New Field Secretary Named

◆ Lynwood B. Kleinhoffer, FO (Ohio University), has been named to the National Office Staff as Field Secretary for the midwestern and northeastern areas.

Brother Kleinhoffer received his Bachelor of Fine Arts degree from Ohio University where he earned an enviable reputation for his fraternity and extracurricular activities. He held numerous offices in his chapter including two years

as SMC. Campus activities included radio station staff, yearbook staff, campus affairs committees, and interfraternity council activities. His varied work experiences include several years of photography.

A resident of Detroit, Michigan, Lyn comes highly recommended by those who have been associated with him.

The position to which Brother Kleinhoffer has been appointed includes counseling service and liaison work between local chapters and the national headquarters. There are thirty-nine chapters within his jurisdiction.

# Transamerica Executive Heads Bank of New Mexico

By K. D. Pulcifer

◆ New chairman of the Board of Directors of the Bank of New Mexico is Col. M. E. Zetterholm, Beta-Eta, a long time, staunch IKA who helped organize the chapter at the University of Illinois and has gone on to become one of the university's prominent alumni.

Colonel Zetterholm has had a distinguished career as lawyer, sales manager, advertising director and soldier and banker. Although born and educated in the Middle West, he has made his home in the Southwest since World War II, following an outstanding military record.

As a law student at the University of Illinois, Colonel Zetterholm was a member of the legal fraternity, Phi Alpha Delta. It was the Illinois chapter of this professional group that petitioned and obtained a charter as Beta-Eta Chapter of IKA.

After his admission to the bar in the State of Illinois, Brother Zetterholm practiced law for 10 years at Galesburg, Illinois, where he was attorney for the Bank of Galesburg and a group of surrounding rural banks. During the same period, he was attorney for and a director of the Knox County State, Knoxville, Ill., and the Mutual Building and Loan Association of Galesburg.

For nine years he was an assistant general sales manager of General Motors Corporation, in charge of dealer finances for the Pontiac Division, supervising all contacts with General Motors Acceptance Corporation, General Exchange Insurance Corporation, on customer financing, dealer reserves and equalization of insurance rates, including all contacts with the Motor Holding Corporation.

In 1934, at the request of General Motors interests, Brother Zetterholm organized General Screen Advertising, Inc., a national advertising organization which produced and exhibited commercial films in local movie theaters throughout the country. It was organized, with general offices in Chicago, primarily to dominate motion picture advertising for the benefit of all General Motors Corporations divisions. He was general manager, a director and secretary-treasurer of the company, whose business ran into millions of dollars per year.

Being a Major in the Army Reserve, on 8 December 1941 Zetterholm was called to active duty by the War Department, U. S. Army, in the Inspector General's office. He served a year and a half at the top level in the War Department and for

three and one-half years overseas as Assistant and Deputy Inspector General and Acting Inspector General for Africa and the Mediterranean Theatre of Operations.

During his overseas service, Colonel Zetterholm handled many important assignments in contact with the crumbling

Colonel M. E. Zetterholm

Italian Government. He was headquartered in a villa outside of Naples, from where he held command of the Army Inspector General's forces over a wide area.

Colonel Zetterholm holds a long list of personal decorations, including the Legion of Merit, Bronze Star Medal, Commendation Medal of the Secretary of War with Oak Leaf Cluster, Commander of the Crown of Italy and the House of Savoy, the order of knighthood as a Cavalier of the Cross of Saint Maurice and Saint Lazarus (highest award bestowed by the Italian Government), North African Theatre of Operations and the Mediterranean Theatre of Operations Campaign Medal with three Battle Stars, the American Campaign Medal and the Army of Occupation Medal. The Italian decorations were personally confirmed by the King of Italy.

After his return to the United States in 1946, Brother Zetterholm disposed of his interests in Chicago and was elected as Vice President and Director of the Bank of Douglas, Phoenix, Arizona. He organized and built the Tucson Branch of the bank and operated it for six years, then joined the head office staff in Phoe-

nix, Arizona, as a vice president and director.

Last year he resigned from the Bank of Douglas and became identified with the expansion program of Transamerica Corporation and participated in the acquisition of banks in New Mexico and Colorado, which culminated in acquiring five principal banks and ten branches in New Mexico and 3 banks in Colorado. On 12 January 1956, he was elected Chairman of the Board of Directors of the Bank of New Mexico.

Colonel Zetterholm has maintained his interest in fraternity affairs, visits Illinois and Beta-Eta chapter whenever possible and has been an active alumnus in Chicago and Washington, D. C. He is Roll No. 47 in the Diamond Life Chapter.

He also maintains his interest in military affairs and hold the permanent Army rank of Colonel, Infantry, U.S.A.R.

## Miss Thiessen — Denver Dream Girl

By Marv Long

◆ Gamma-Gamma Chapter at the University of Denver combined its efforts with those of the Phi Chi Theta Sorority for the production of a "Nep-tune's Harem" during the annual May Day Carnival. The scene presented two beautiful mermaids who appeared periodically in front of an ocean backdrop. During these brief appearances, participating customers were afforded the opportunity to test their skill by attempting to hit the mermaids with several sponges. Those succeeding in their endeavors were presented with beautiful stuffed animals.

Highlight of the spring quarter was the Dream Girl Banquet and Dance held in the Onyx Room of the Brown Palace Hotel in downtown Denver. The dance was most ably chaperoned by Mother Margaret Trask and M/Sgt. and Mrs. H. J. Coleman. Miss Rita Thiessen was named Dream Girl of 1956. She was crowned by Mrs. Robert Wagelin, Dream Girl of 1955. Robert Wagelin then presented the new Dream Girl with a large bouquet of red roses, which had a single Lily of the Valley in the center, and the trophy. Attendants to the Dream Girl were Edie Crawford, Doris Frisbee, Penny Peterson, and Shirley Shryack.

Officers of the active chapter have been working very diligently with a group of alumni for the procurement of a new home for Gamma-Gamma. Those officers and alumni who participated in this project were: Eugene Dorr, SMC; Vinnie Martino, IMC; Paul Sumner, ThC; Guy Cressap, SC; Edwin Carver, Alumnus Counselor; and Alumni officers Bob Kershner, Alvin Vaira, Jack Hayes, Bob Pfetzschnier, and George Rochford.

# David F. Maxwell — No. 1 Lawyer, U. S. A.

◆ Pi Kappa Alpha can now boast the top lawyer in the United States. David F. Maxwell, a founder member of Beta-Pi Chapter, University of Pennsylvania, was installed as the 80th President of the American Bar Association on August 31, 1956, at its annual meeting in Dallas, Texas. As President it will be Mr. Maxwell's function to lead the Association to England to which country it will, in July of 1957, make its first pilgrimage since 1924.

A native of Philadelphia, Brother Maxwell received his B.S. in Economics from the Wharton School of the University of Pennsylvania in 1921 where he was elected a member of Beta Gamma Sigma, the honorary scholastic fraternity. In 1924 he graduated from the University of Pennsylvania Law School after having served as an editor of the *Pennsylvania Law Review*.

For years he has been active in the Philadelphia Alumni Chapter of Pi Kappa Alpha, and it was he who instituted the Alumni Award of Merit which has since become a fixture of that chapter's Founders' Day celebration. Brother Maxwell himself received the award in 1939.

Upon graduation from Law School, he became associated with the law firm of Edmonds, Obermayer & Rebmann of which he is now one of the senior members. One of his partners in that firm is John F. E. Hippel, National President of Pi Kappa Alpha.

His civic activities include service as President of the Kiwanis Club of Philadelphia, Vice President of the St. Andrew's Society of Philadelphia, Chairman of the Citizens Highway Safety Board, Vice President of the Germantown Cricket Club and a Past Master of his Masonic Lodge. He also served as a member of the Task Force on Legal Services and Procedure of the Hoover Commission on the Organization of the Executive Branch of the Government and is presently a member of the Board of Governors of the Philadelphia Bar Association and of the Alumni Board of the Wharton School of the University of Pennsylvania. He is a former Vestryman of the Protestant Episcopal Church.

Mr. Maxwell has long been active in the affairs of the American Bar Association, having served as State Delegate from Pennsylvania to the House of Delegates from 1944 to 1952. He served a two year term from 1952 to 1954 as Chairman of the House of Delegates and

David F. Maxwell, BII

is presently a member of the Editorial Board of the American Bar Association *Journal* and of the Board of the American Judicature Society.

His clubs include the Union League of Philadelphia, the Caveat Club, the Lawyers Club, and the Bachelors Barge Club.

In 1925 Brother Maxwell married Emily Ogden Nelson of New York and has two children, Mrs. William H. Pasfield of Arden, Delaware, a graduate of Wellesley College, and David O. Maxwell, a member of the Pennsylvania and District of Columbia Bar Associations, who graduated from Yale University in 1952 and the Law School of Harvard University in 1955. Although associated with his father's firm, the latter is presently doing his tour of military duty as an ensign attached to the Office of Naval Intelligence in Washington, D. C. Mr. and Mrs. Maxwell have three grandchildren.

## 100 Alumni Meet In Los Angeles

◆ Almost 100 alumni gathered in Van Nuys, California, for the June meeting of the Los Angeles Alumni Association, June 15. The program, under Co-chairmen Dwight Tudor and Gil Martin, was highlighted by a buffet dinner, door prizes, a tour of the plant and

facilities, and a film on rifle marksmanship.

By invitation from District President Bud Knoblauch, three members of a local fraternity at California Polytechnic Institute at San Luis Obispo were on hand for the evening's activities and to meet the alumni. The local, Gamma Epsilon, is under consideration for petition for a charter as a new chapter in Pi Kappa Alpha. Ray Guenther, president, headed the delegation.

Following the door prize drawing and dinner, the business portion of the meeting was turned over to George Burns, who outlined the Gamma-Eta Building Fund Program, and the plans for the coming year's activities of the Association.

The plans include four "spectaculars" similar to the June meeting, emphasizing social aspects, while the business sessions will be held monthly and attended by the officers of the Foundation, the Alumni Association and Gamma-Eta Chapter. Much greater attendance is expected to result with this shift in emphasis. The change was felt necessary due to the unusual geographic situation in Los Angeles, an area of 400 square miles, which presents many unique organizational problems.

The Building Fund program was received with a great deal of enthusiasm. Gamma-Eta has long needed a new house. The old one, built in 1896, has outlived its usefulness and must be replaced. This was recognized several years ago by the undergraduate members who, at that time, added to the by-laws an assessment of \$25 per year on each man in the house. Since then more than \$2,000 has been set aside. By law, the money is sent to the National Office where it is held in trust. It can only be withdrawn by the vote of approval of two-thirds of the membership of the Gamma-Eta Foundation, the holding corporation of the chapter, and the chapter. The enthusiastic reception to the plan indicates the alumni are eager to participate.

Assisting the co-chairmen were Gregg Evans, Bob Clark, Bruce Fisher, Gil Smith and George Burns.

# Dr. Meffley Donates Toledo Scholarship

By Dr. H. H. M. Bowman  
Chairman

Epsilon-Epsilon Advisory Board

◆ For the past ten years, one of the alumni of Epsilon-Epsilon Chapter at the University of Toledo has most generously given an anonymous scholarship in the name of his fraternity. This award is made annually at the Honors Day program and is called the Pi Kappa Alpha Scholarship. It is given to the most outstanding junior in the Premedical Division of the University. The Director of the Premedical Division is Dr. H. H. M. Bowman, Chairman of the Advisory Committee of Epsilon-Epsilon Chapter. He also is Chairman of the committee which makes the Scholarship award. Dr. Bowman now feels that the name of the donor of this scholarship might well be known to his brothers of Pi Kappa Alpha, although it will not be made known publicly at Toledo University. This year on Honors Day, May 16, the award was given to Miss Renee Sourenne.

The founder and donor of the Pi Kappa Alpha award is Dr. William Harold Meffley, who is a native of Toledo. He attended the University from 1921 to 1925 and then transferred to the University of Michigan. As a student he had to earn a large part of the cost of his education. One of a large family, he inherited from his widowed mother a capacity for hard work and a tenacity of purpose to achieve his goal, which was the M.D. degree. This he received from the University of Michigan in 1930, two years after he had won his A.B. degree. After serving the usual internships and residencies in various hospitals, he settled down to practice in Toledo as a member of a medical group called the Toledo Clinic. He was made a Fellow of the American College of Surgeons in 1938 and a Fellow of the International College of Surgeons in 1942. From 1946 to 1951 Dr. Meffley was President of the Toledo and Lucas County Cancer Society and a member of the Ohio State Board of Trustees of the American Cancer Society. Dr. Meffley is a member of the American Radium Society, the American Geriatrics Society, the American Medical Association, the Ohio State Medical Society, the Ohio Surgical Society, and of the Toledo and Lucas County Academy of Medicine.

He is Director of Surgery at Flower Hospital in Toledo, Chief Surgical Consultant at Toledo State Hospital, and from 1949 to 1950, Director of Surgery at

Dr. William H. Meffley

Maumee Valley Hospital. He is on the surgical staff of the Toledo Clinic, Toledo Hospital, St. Vincent's Hospital, and Surgical Consultant to Bixby Hospital, Adrian, Michigan, and Wood County Hospital, Bowling Green, Ohio, and is a Trustee of Flower Hospital, Toledo.

Dr. Meffley is a member of the Toledo Club, the Toledo Country Club, the Exchange Club and the Rockwell Trout Club, as well as an alumnus of Epsilon-Epsilon Chapter of Pi Kappa Alpha, and a member and Trustee of Epworth Methodist Church. His hobbies are gardening, fishing, photography, and wood-working. His fellow Pike alumni are justly proud to call this distinguished member of the medical profession — Brother.

## Fred LeLaurin — Leader In Baton Rouge

◆ Fred E. LeLaurin, Jr., H (Tulane), Assistant General Agent for the Aetna Life in Baton Rouge, Louisiana, has been awarded a solid gold lifetime membership card by the Baton Rouge Chamber of Commerce. This award was made for his achievement as "Top Builder" in the four-weeks membership drive when he obtained 105 new members for the Chamber of Commerce. He led the number two man by 41 members.

The President of the Baton Rouge Chamber of Commerce, John W. Barton, on behalf of the Board of Directors also

presented Brother LeLaurin with a handsome trophy and a certificate which reads:

Baton Rouge  
Chamber of Commerce

In grateful appreciation of  
outstanding efforts while working with  
the Baton Rouge Builder's Club

FRED E. LELAURIN, JR.

is hereby recognized for his achievement  
in building a greater Baton Rouge  
and for his inspiration to fellow citizens.

John W. Barton, President.

## Colorado Mines Alumni Form Association

◆ The alumni of Delta-Phi Chapter at Colorado School of Mines, Golden, Colorado, have formally organized the Delta-Phi Alumni Association of The Pi Kappa Alpha Fraternity. Robert Sohon has been elected president; Don Brehm, vice president; and Carl G. Nordquist, secretary-treasurer. Others who qualified as members immediately after the formal organization and adoption of a Constitution and By-Laws were: Philip A. Preble, Edward S. Slebir, David Woodbridge, Robert H. McMullin, Joseph H. Sullivan, Ivan B. Robinson, and M. I. Signer.

Carl G.  
Nordquist

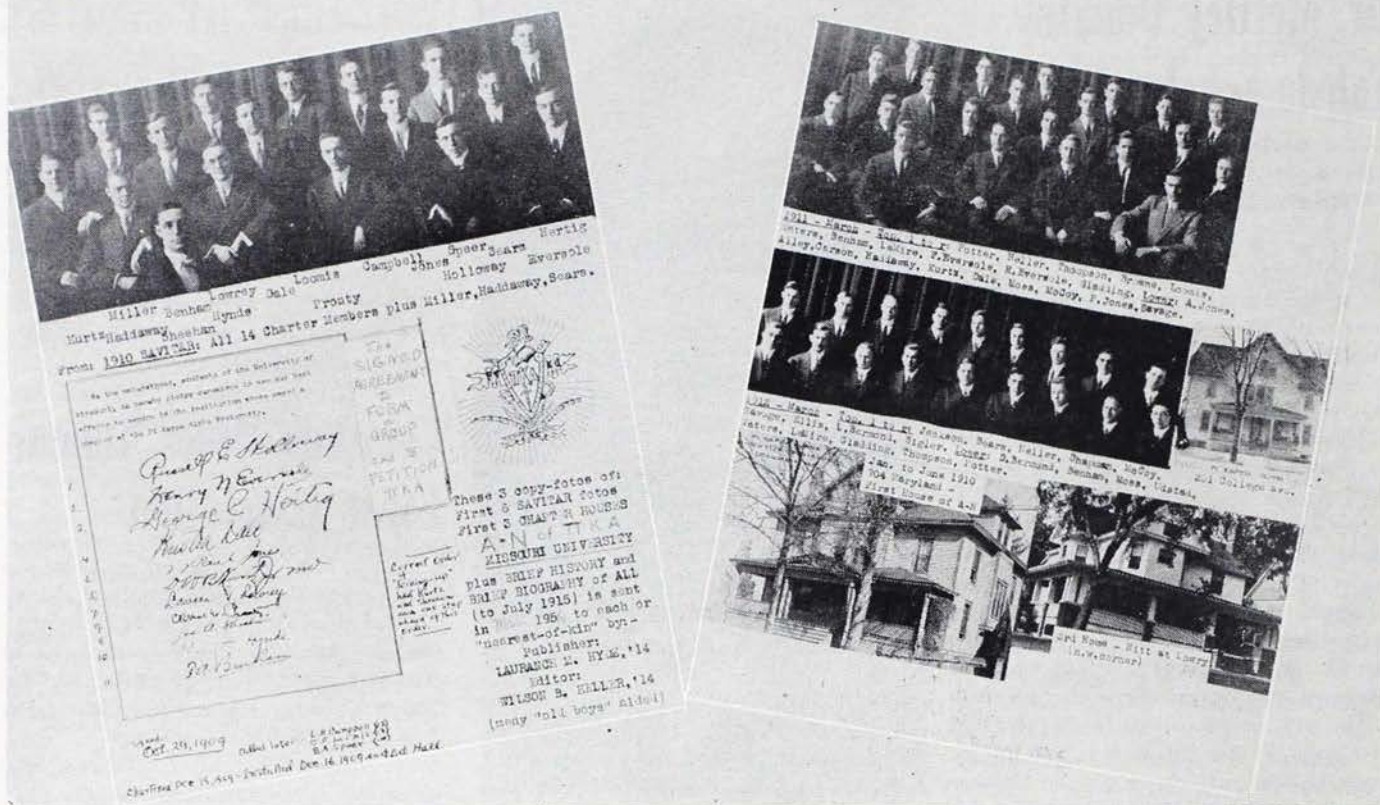

(L.)  
Robert S. Sohon

The object of the association is to unify the alumni of the chapter and Pi Kappa Alpha alumni in that area; to promote the welfare of the Fraternity and Delta-Phi Chapter; and to establish a fund controlled by the alumni for awards, prizes, honors, and house needs.

Delta-Phi Chapter has made noteworthy progress since it was chartered in 1951. It has fine members and great long-range plans. Alumni of the chapter and other fraternity friends should write directly to Professor Carl G. Nordquist, Colorado School of Mines, Golden, Colorado, for further information about qualifying as members.

Pictures of these historical documents and photographs were furnished alumni of Alpha-Nu Chapter, University of Missouri, along with the complete history of the chapter recently, distributed by Laurance M. Hyde, Publisher, and Wilson B. Heller, Editor. Alumni of this chapter have played an important part in the history of Pi Kappa Alpha on a national level as well as in the State of Missouri.

## Outstanding Chapter History Compiled on Alpha-Nu

◆ Two enterprising early-day alumni of the University of Missouri (Alpha-Nu) chapter have recently published what is probably the finest 40-or-more-year-old fraternity or sorority chapter life history and biographies.

A brief biography of each of the first 86 members up to July 1915 from time of installation in 1909, was compiled up-to-date.

The history of those first six years is intimate and detailed.

Three 8 x 10-inch photographs were sent to each living member or to the nearest-of-kin. These were composites of photos of the first six college annual group photos, plus a photo of each of the first three houses and a photo of the original signed agreement to petition I.K.A.

The pamphlet was printed by multi-lith and is 26 pages of legal 14-inch length.

Publisher was Judge Laurance M. Hyde, '14, for over 20 years on the Supreme Court of Missouri, a former Chief Justice, former Presiding Judge of the Association of Chief Justices of the 48 States and a leader in the American Bar Association.

Editor and Research Analyst was Wilson B. Heller, '14, who in 1912, while a student and roommate of Hyde's, founded the College Analyst Bureau. He still operates it and its nationally syndicated subsidiary, the College Survey Bureau. Since 1920 he has been an independent Hollywood entertainment personality publicist. He resides at 1574 So. Hayworth Ave., Los Angeles 35, Calif.

The original agreement-to-petition I.K.A., mentioned above, has been presented by these men to the National Archives.

Longtime observers of the fraternity-sorority scene state that the entire project has never been duplicated to such completeness.

Especially unique was the up-to-date biography of all but two of their first 86 (22 now deceased).

If there is such a thing as a "value to memories," then these men have wrought the utmost for "Old College Grads."

Sergeant Jack M. Davis, AM (Georgia), was recently assigned to the Headquarters Company at Fort Myer, Virginia.

## Three Graduate At Foreign Trade School

◆ Three members of Pi Kappa Alpha graduated from the American Institute for Foreign Trade, Thunderbird Field, Phoenix, Arizona, June 1, 1956. Specializing in Latin America, the three have taken the school's intensive training course in preparation for a career in American business or government abroad.

Arlo L. Dixon of Pataskala, Ohio, received his Bachelor's Degree from Ohio University, where he was a member of Gamma-Omicron Chapter. Eugene L. Box of Cincinnati, Ohio, earned his undergraduate degree at the University of New Mexico and was a member of Beta-Delta Chapter. Charles E. Klessig of Sheboygan, Wisconsin, was initiated by Beta-Xi Chapter while attending the University of Wisconsin from which he received his Bachelor's Degree.

The course of study at the Institute concentrates on techniques of international business administration, foreign languages and characteristics of foreign countries.

— I K A —

Private Roger L. Schneider, IZ (Wittenberg), completed eight weeks of specialist training in surface-to-surface guided missiles at Fort Bliss, Texas.

# Pi Kappa Alpha Directory

Geographical Listing for the States of

## Arkansas, California Colorado and Connecticut

as of June 1, 1956

As a further service to members, *The Shield and Diamond* is providing a directory containing a geographical listing of members of the fraternity. Several states will be carried from time to time in the magazine. We recommend that you detach and file these in a ring binder; thereby, building up the complete directory. The listing in each issue will contain the most recent addresses for the states included. There are many members whose addresses are not now known by the National Office. We request our readers to furnish us such information.

## Federal Service Offers Fine Career

By John W. Godbold, AI  
 Regional Director  
 Ninth U. S. Civil Service Region

♦ Beginning next month, colleges and universities all over the country will again be visited by recruiters from the Federal Government. These representatives of your government are interested in telling you, and others like you, of the careers to be found in the Federal Service. More important, they are interested in telling you how to enter these careers, through the Federal Service Entrance Examination. The Federal Service Entrance Examination is used by Federal Agencies to fill approximately 125 different types of positions. The starting salaries range from \$306 to \$377 per month.

Your major field of study is not important in qualifying for this examination. It may be public administration or law, statistics, political science, economics, or business administration. These recruiters are interested in graduates capable of assuming administrative lead-

ership of governmental affairs of the future. While the shortage of engineers, teachers, physicists, and chemists is well known, few people think of the shortage of employees capable of directing tomorrow's administrative affairs of government. This potential managerial ability is what these recruiters will be after.

Their mission is vital to the future efficient operation of our Government. If you desire an opportunity to work on programs of national and international importance, if you desire advancement, if you want to develop new ideas and methods for improvement of government, a Federal career is for you. The Federal Service Entrance Examination is your avenue to this career. The examination will be given every month, either on your campus, or nearby. In the meantime, complete information is available at the nearest first class post office.

# Brotherhood — 24 Karat

By Glenn Selander

◆ The "brotherly love and kind feeling" of Pi Kappa Alpha were made manifest recently in the regard held by the members of Alpha-Omicron for one of their brothers.

At the close of the last school year Brooks Collum, junior pre-theological student, was driving to his home in Colorado when his car and a truck were involved in a collision. Brooks' father, Reverend Collum, who had driven to Southwestern to meet Brooks, was killed instantly; and Brooks was pinned beneath the car. When Brooks was taken to the hospital, he was not expected to live.

A number of Brooks' fraternity brothers heard the radio announcement of the wreck, and they left immediately to offer any assistance possible. They spent endless hours at Brooks' bedside during the critical period following their arrival.

Brooks, through a determined will to live, passed the critical period; but he had another long fight ahead of him. Splintered bones had to knit, and other complications had to be overcome.

The members of Alpha-Omicron stepped in and offered their money, their services, and, the thing that helped the most toward Brooks retaining his spirit, their brotherhood.

Brooks was initiated in a hospital room in Galveston, Texas. He quickly sent his

pin to Miss Pat Bogan, ΔΔΠ, who had given unselfishly of herself that he might recover. The members of Alpha-Omicron serenaded Brooks over a long-distance hookup. Charles Hall, SMC, then placed the pin on Pat.

Brooks is now recuperating at his home and is expected to return to Southwestern and Alpha-Omicron in the near future.

## Patrick Elected President At Washington State

◆ Bob Patrick, ΓΞ who ran under a new third party called the Cougar Party, has been elected president of the Associated Students of the State College of Washington for the school year of 1956-1957.

Patrick, tired of the repetition in Greek and Independent platforms over the years, constructed a new platform from some radically new planks. His desire to see a student dental health service on this campus was the brightest point in this platform. Other issues included improvement of Freshman orientation, provision of candidates whose ability does not depend on living group affiliation, and encouragement of students to participate more actively in civic affairs.

Out of the 3,331 votes cast, Bob received 1,177. The Greek candidate was second with 1,054, and the Independent man third with 1,004. The 3,331 stu-

dents voting represented 73 per cent of the entire student body. This is the highest voting percentage seen at Washington State College in a number of years.

Brother Tom Rasmussen, who, on numerous occasions, has shown his great potential, is now editor of the Washington State College yearbook, the *Chinook*. By leading the men of Gamma-Xi to triumphs in the Dads' Day sign contest, the Homecoming float contest, and one of the most stimulating Dream Girl dance decoration schemes in years, Tom has shown the WSC campus his abilities in the field of art and leadership.

## Washington Names Dream Girl

By Harwood J. Tibbits, Jr.

◆ Beta-Beta Chapter climaxed another eventful school year with the annual Dream Girl Dance. Miss Sandra Aucott, KKT, was named 1956 Dream Girl. Sandy, a freshman at the University of Washington, was presented the perpetual cup to display at her sorority as well as a pin to wear during her reign.

The annual spring election was held early in May. Neil Carroll was elected SMC; Virgil Rogers, IMC; and Ralph Byron, Th.C.

Another highlight of the spring term was the annual houseparty held on Hood's Canal at Al Ausman's summer cottage. During spring quarter the brothers started a vigorous rush program which we think will pay off in October.

Prominent young cartoonist John Whitaker, ΓΘ (Miss. State), is seated at his drawing board preparing to whip up another Sam's Super Market cartoon for the entertainment of his host of readers. John is a sales representative of Delta Airlines.

## Governor Chandler Host To Kentucky Ball

◆ Kappa Chapter had the honor of holding its annual Dream Girl Ball at the Governor's Mansion in Frankfort, Kentucky, May 17, 1956.

The highlight of the evening was the crowning of Miss Dale Rogers, Kappa's 1956 Dream Girl. Miss Rogers is a junior at Transylvania College. She is the president of Chi Omega Sorority and outstanding in scholarship and leadership.

"Best Alumnus" award was presented to the Honorable A. B. "Happy" Chandler, Governor of Kentucky, for his continued interest in Kappa Chapter. Governor and Mrs. Chandler were also hosts to members of Omega (Kentucky), and Alpha-Lambda (Georgetown).

Chester Myers of North Middletown, Kentucky, received the "Best Pledge" award for his outstanding interest and achievement during his period of pledge training.

## Cornell Active On Campus

By Robert M. McConnell

◆ Beta-Theta Chapter advanced its standing on "the hill" greatly this year by securing positions of note in many of the campus activities.

Bob Taylor was unanimously elected Vice President of IFC. He had served as Orientation Counselor and a member of the IFC Planning Board.

Pete Stocky was Dance Chairman of the 1955 Fall Weekend, Ticket Chairman of Spring Weekend 1956, and a member of the Senior Class Counsel.

Manager of the Student Newspaper Agency is Clayt Dudley. He is also the Business Manager of Cornell *Deskbook*, and Vice President of the Agricultural Economics Club.

In the field of radio the house is well represented. Al Bean served as Chief Station Engineer for the campus radio station, WVBR. Two other members of the house are on WVBR's staff, Ron Nielsen and Alex Shealy.

On Sunday, May 27, Beta-Theta Chapter initiated ten new members. On Friday night before initiation the pledge class, as a whole, had a round-the-clock work session.

In the past school year many improvements were made on the chapter house. Upon installation of the new oil heater, plans were started to convert the space occupied by the old furnace and coal bin into a new bar and rumpus room. The decor of the room is predominantly rustic. The walls are redwood paneling, and the bar is constructed of concrete blocks with a thick maple top. The floor is of polished flagstone. This new addition to the house will be quite impressive when finished, and will fulfill one of Beta-Theta's long needs.

This year Homecoming Weekend will be October 13-14. The Big Red will meet the Crimson of Harvard in what should prove to be an exciting game. Beta-Theta cordially invites its alumni to be in attendance.

## Missouri Mines Adopts New Rushing System

◆ Alpha-Kappa Chapter, Missouri Mines, adopted a new rushing system. Basically, it entails a more intimate relationship between the brothers, the rushees, and the rushees' family. We feel that this system is a great success.

This past year the Interfraternity Council held the second annual Greek Day which consists of a street carnival, street dance and picnic where only fraternity men are allowed. It was a lot of fun, and the Pikes are looking forward to next year's celebration.

Duncan Block served as president of St. Pat's celebration, and Allen Johner has been elected president of the board for the coming year.

Alpha-Kappa is on a redecorating spree. So far there have been such things done as carpeting laid, walls painted, murals painted on the walls and acoustical tile put on some of the ceilings. This is part of a long range plan to redecorate and improve our whole house.

We had wonderful weather for this year's Mothers' Day celebration. Mothers and sons alike enjoyed the delicious food prepared by our cook.

## Baldwin Presides At Arizona

By Arthur C. Filiatrault

◆ On December 10, 1955, Gamma-Delta held its annual Christmas Formal at the El Conquistador Hotel in Tucson.

Culminating a successful first semester, three men were initiated into Pi Kappa Alpha. Unfortunately, one of them, Keith Young, will be leaving next year since he has received an appointment to Annapolis.

On Saturday evening, March 3, we held our annual Founders' Day Banquet. Joe C. Scott, National Rushing Director, was the featured speaker. Brother Scott was able to instill an even more fervent zeal for Pi Kappa Alpha in the alumni as well as the members and pledges of Gamma-Delta. Martin H. Baldwin, a founder of Gamma-Delta, served as Master of Ceremonies. Marty is known around Tucson as Mister Gamma-Delta.

To end a truly successful year, Charles Cagle, Gamma-Delta's SMC, was elected vice president of the University's Interfraternity Council.

# Meet J. Phil Burns — *Oklahoma Stalwart*

By Roy P. Stewart, BO  
Oklahoma City *Daily Oklahoman*

◆ This J. Phil Burns of Oklahoma City, who parts both his name and his hair on the left side, is quite a character. If we hadn't lost most of our reverence for titles and awe for big shots in 30 years in the newspaper business he would scare us to death.

Besides that, we knew him at Fairview, a fine little northwestern Oklahoma town, these many years ago when he only had a million. That's ideas—not money—but he had a little of that too and was a banker without glass eyes so you could see some sympathy in them.

**J. Phil Burns**

Those ideas have paid off and Phil now is president of the United Securities Agency, a sales organization for Selected Investments Corporation, which has agencies in 30 key towns. You probably know how that works. The corporation plans how and where to invest the dough and the sales agency sells certificates spread across a large number of investments.

Sort of confusing, but this didn't start out to be a financial statement. The hard part of doing a story on Phil is trying to start and that was as good as any. When this guy touches home base, United Securities is the place. He does so many other things for people and causes that it's difficult to see how he performs his primary mission, except from the balance sheets that show it keeps on growing.

Since we've been trying to get 28 other people ready for an Oklahoma livestock men's tour of Soviet Russia and Western Europe, we didn't have time to write a piece anyway, even for apologetic Brother Bob Lynn. But we figured we weren't any busier than Phil, even if this is written just a few hours before departure.

He is busy too, and we never heard of him turning down any worthwhile project just because it took time or he was busy elsewhere. So as a lesson in something or other, you see what effect the guy has on you, and why he is worth a bushel of certificates as a citizen.

Take the campaign fund drive here for the National Cowboy Hall of Fame, which if you haven't heard, was selected for location here by men of the 17 western states. It takes money along with ideas, you know, and Oklahoma City raised \$750,000 in eight days.

One reason for the speed and the energy was Brother J. Phil Burns. There were four divisions in the drive, one of which he headed, and by no coincidence that division led all the others. One reason being that Phil's energy and spirit are infectious. And when he smiles, which is most of the time, it brightens up the place.

To enumerate his activities would be like listing the telephone directory, but at the same time it's a fine way to show how busy a man can get and still keep planted solidly on even ground.

Leave us just say he is an officer, trustee or something of youth organizations, the Christian church, Rotary, United Fund, Chamber of Commerce, National Conference of Christians and Jews, University of Oklahoma Alumni Association and allied alumni activities, Pi Kappa Alpha Diamond Life member, alumni president and fraternity interest ad infinitum, member of every good club in town, director of dairy, fertilizer and chemical companies and so on.

What we've been trying to say in our confused way, is that a busy guy can make a success of his own business and still have time for the non-remunerative but worthwhile civic and social activities some willing man has to do. And we think you would all enjoy knowing Brother Burns.

# Wisconsin Host To District Convention

By Frederick Jones

◆ Beta-Xi Chapter was host for the annual District 6 convention and mid-west Dream Girl Formal, held in Madison at beautiful Chula Vista resort, Wisconsin Dells, May 11 and 12. More than 75 couples from the seven colleges and universities in the midwest district attended the formal. Miss Dee Dorgan, Purdue University, won the title of "Mid-west Dream Girl." Other girls competing were: Geanne Ricks, University of Illinois; Carol Krametbauer, Northwestern University; Barbara Millner, Bradley University, and Marlene Winter, Valparaiso University. Guests of honor were Robert D. Lynn, Executive Secretary; Charles L. Freeman, District President; and Stanley Love, Field Secretary.

"Humorology," the University of Wisconsin's all-campus variety show, was won for the second year in a row by Beta-Xi's talented troubadours. Working with the girls of Delta Delta Delta, our skit, "Pour Me a River," was one of three numbers awarded a first class rating. It was directed by Jack Osterhaus and Sally Stackhouse. The featured event was a rock-and-roll number which captivated the audience. Pikes that took part in the show were: Robert Munro, William Scott, Don Spankenberg, Deb Schumacher, Jim Buckles, Tom Jeatran, Jim Sauer, David Huston, Roger Lundholm, George Johnson, Bernard Restuccia, and T. Frederick Jones.

Beta-Xi continued its winning ways by taking first place in the Fraternity division of this year's Tournament of Song. Directed by Jack Osterhaus, the Pikes sang "Steal Away," a negro spiritual, and "Ride On in Majesty," a Palm Sunday chorale. Brother Osterhaus arranged both numbers.

# Chapter Eternal

## JOSEPH B. BOURNE

Joseph B. Bourne, BA (Penn. State), died January 29, 1956 in El Cajon, California. Brother Bourne operated a building material manufacturing company. He was a member of the El Cajon Chamber of Commerce and had lived in the San Diego area ten years.

He is survived by his wife, Dorothy; a daughter, Marcia; and two sons, Joseph and Robert. Robert is a member of Delta-Kappa Chapter, San Diego State College.

## THOMAS L. TIDMORE, SR.

Dr. Thomas L. Tidmore, Sr., T (Alabama Poly.), Piedmont Hospital anesthesiologist, died suddenly at his home, 1225 Peachtree Battle Avenue, N. W., Atlanta, Georgia, February 5, 1956. Brother Tidmore was chief of anesthesiology at Piedmont. He had been on the hospital's staff since his graduation from Emory University Medical School in 1923.

A native of Moundville, Alabama, he was a member of the Peachtree Road Methodist Church. Professional groups in which he held membership included Fulton County Medical Society, American Board of Anesthesiology, and the American Society of Anesthesiology.

## JOHN ELSEY PARK

John Alsey Park, AE (North Carolina State), editor and publisher of *The Raleigh Times*, Raleigh, North Carolina, for 44 years, died March 15, 1956. He was 70.

Brother Park attended Raleigh public schools and graduated in 1905 from North Carolina State College with a degree in mechanical engineering.

As Raleigh's first automobile dealer, he owned one of the earliest cars in North Carolina, and in 1908 drove the first auto to the Tar Heel coast. The trip took two days and a night while he and the mechanic who accompanied him built bridges to ford streams along the way.

In 1911 Mr. Park bought *The Raleigh Times*. He later owned papers at Fayetteville, New Bern, and Greenville. Although he served as editor and publisher of *The Times* for 44 years, he actually marked the beginning of his newspaper career as a newsboy during the Spanish American War when he sold papers to soldiers encamped in a wooded area, now the site of Cameron Village. During the 1920's Mr. Park served as Associated Press correspondent during naval maneuvers in Central America.

John Park was a product of the rough and tumble days of journalism. Many people did not agree with the politics and

opinions of Mr. Park, but there were few who questioned his sincerity and determination.

During his life Brother Park was president of the North Carolina Press Association, Southern Newspaper Publishers Association, Raleigh Chamber of Commerce, Community Chest, YMCA, State College Alumni Association, Carolina Highway Association, Boy Scout Council, Executives Club, and served as District Governor of Rotary. He was a life-long member of the Methodist Church.

## GORDON E. WIGGINS

Gordon E. Wiggins, 42, an alumnus of Delta-Kappa Chapter at San Diego State College, was killed in a head-on collision in San Diego, California, May 19.

Gordon E. Wiggins

Brother Wiggins was a civic-minded citizen, serving unselfishly in many capacities, including that of President of the Junior Chamber of Commerce. He was a leader among Pi Kappa Alpha alumni in that area. He was employed as a cash register salesman.

Survivors include his wife, Doris Jean; a daughter, Peggy; and two sons, Bruce and Robert, of 2636 Sunset Boulevard, San Diego. He was a member of the Mission Hills Congregational Church.

## HOWARD FULLERTON

Howard Fullerton, BΔ (New Mexico), died suddenly as a result of a heart attack on May 20, 1956, in Memphis, Tennessee. Brother Fullerton maintained his interest in and work for Pi Kappa Alpha throughout his life.

An editorial in *The Commercial Appeal*, Memphis daily newspaper, June 2, 1956, paid an unusual tribute to him:

"Official regret expressed in a resolution by the Memphis Board of Adjustment over the recent death of Howard Fullerton, long-time county planning engineer, is inadequate praise for the man known to thousands of Shelby County residents.

"In the offices of the Planning Commission and the Board of Adjustment

employees remark that Howard Fullerton was one of the nicest men to work with they had ever known.

"And all over the county there are people for whom Howard Fullerton went out of his way to do a favor. He was one of the most accommodating men on the public pay roll in Memphis—quiet, and even eager to give up his own time to help anyone who happened along with a problem."

## THURMAN OSCAR DAY, JR.

Thurman Oscar Day, Jr., AΔ (Georgia Tech), died of a heart attack May 22 at his home at 9140 North Meadow Lark Lane, Milwaukee 11, Wisconsin.

Although only 38 years of age, he was Works Manager of the Milwaukee plant of the Milprint Company. Frank Hudson, treasurer of the Alpha-Delta House Corporation, Atlanta, Georgia, reports that he and "Today," his nickname, were roommates during their senior year in the chapter. Both of them volunteered for service prior to World War II and served together in several theaters of operation.

Brother Day was a member of Tau Beta Phi scientific fraternity, the North Shore (Milwaukee) Congregational Church, and the Boy Scout Commission. He is survived by his wife, Dorothy; a daughter, Virginia; and his parents.

## CHARLES RABE GARVIN

Charles Rabe Garvin, AP (Ohio State), died in February, 1956. He was General Agent for Connecticut General Life Insurance Company, Columbus, Ohio. No. 20 on Alpha-Rho's chapter roll, he served the chapter as Alumni Secretary. He received his B.A. degree from Ohio State in 1909. Brother Garvin is survived by his wife, a son, Dr. John P. Garvin, AP, and two daughters.

Bow your heads for prayer, my boys,  
And close your eyes to weep,  
For another humble Pi K A  
Has found eternal sleep.

His merits large as mountains,  
His defects, splinter small,  
Shall linger through the ages,  
To glorify us all.

He'll speak for us in heaven,  
To the holy S.M.C.,  
To the Founder of the founders  
Of our great Fraternity.

John Harmon, ΓΣ  
Spring initiate, 1956

## Tormoen Succumbs To Heart Attack

◆ The Chapter Eternal claimed another bright star in Pi Kappa Alpha when Clarence O. Tormoen, chief personnel security officer of the Treasury Department since 1954, died of a heart attack at his office in the Treasury, June 1.

Brother Tormoen, BX (Minnesota), has been a leader in Pi Kappa Alpha affairs ever since his initiation. He served as Grand Chancellor from 1931 to 1933, at which time the title of the office was changed to National Counsel. He continued in that office until 1936.

He graduated in Law from the University of Minnesota in 1926 and was a trial lawyer in his native Duluth, Minnesota. In 1942, with the rank of Lieutenant Colonel, he was assistant European theater judge advocate. Later, he served as judge advocate of a task force in Norway. While in Oslo, he was an official observer at the trial of Vidkun Quisling, Norwegian traitor.

From 1946 to 1950, he was president of the Baker Electric Company of Rotherham, England, and of several other small manufacturing concerns in Scandinavia. He was recalled to active military duty in 1950, and served two years as legal officer in Washington. He was awarded the Legion of Merit, the Bronze Star, the Purple Heart, and Saint Olaf's Medal.

It was a mutual pleasure for Pi Kappa Alpha Fraternity brothers Elbert P. Tuttle and Clarence O. Tormoen to be on the same team again as they both served in the U. S. Treasury Department—Tuttle as General Counsel and Tormoen as personnel security officer. It was during Brother Tuttle's presidency of the Fraternity that Tormoen was National Counsel.

He is survived by his widow, the former Helen Baldwin of Minneapolis; four sisters, and three brothers.

## Toledo Loses Student Member

◆ Herbert McConnell, charter member of Epsilon-Epsilon Chapter at the University of Toledo, succumbed to Hodgkin's Disease on February 25, 1956. Although his passing was not unexpected, nevertheless the many close friends among members and pledges were grief stricken.

Herb's warm spirit, his friendliness, and the magnificent way in which he

lived from day to day with death as his constant companion served as a tremendous inspiration to all those who had the privilege of knowing him.

A Pi Kappa Alpha Memorial Service was conducted for members, pledges, and the family of Brother McConnell at the funeral home. Executive Secretary Robert Lynn participated in the Memorial Service and expressed his appreciation for having had the privilege of having known him.

## Judge Graham Dies

◆ Judge Jesse H. Graham, Sr., the first pledge of Gamma-Iota Chapter at the University of Mississippi, died at the age of 48 at his home in Meridian, Mississippi, June 17, as the result of a sudden heart attack.

His father, Sanford Martin Graham, is a charter member of Alpha-Iota Chapter at Millsaps College. His son, Jesse Harold Graham, Jr., is currently a member of Gamma-Iota Chapter. Ever loyal to the fraternity, Judge Graham attended several national conventions and was always present at Founders' Day celebrations and other fraternity gatherings whenever possible.

He has served continuously as circuit judge of the Tenth Judicial District of Mississippi since he was first elected in 1942. A staunch Democrat, Judge Graham represented the State of Mississippi as a delegate to two National Democratic Conventions.

Services were conducted by his pastor, Dr. B. M. Hunt, of the Central Methodist Church of Meridian.

## Monin Elected At Tennessee

◆ William Jones (Bill) Monin, a junior in Agriculture from Oakland, Kentucky, is Zeta's new skipper. Bill, or "Goose," as he is often called, is very active in Zeta Chapter, having held such offices as Pledgemaster, Rush Chairman, and a member of our High Council, a council of correction for pledges.

Our new SMC is also active on campus. He was elected campus "Ugly Man" (does not refer to looks) during his first quarter at U-T. Since then, he was appointed to the Fraternity Relations Board, the campus fraternity governmental body. Bill is active in many other organizations, among which are the Agricultural Club, Block and Bridle (Animal Husbandry Club), Y-Cabinet and Episcopal Canterbury Club (religious organizations), and Pershing Rifles (military organization).

One of Bill's most treasured off-the-campus honors was the award of a Foreign Exchange Scholarship. This scholarship, sponsored by the National 4-H Club Foundation, is awarded each year to one boy and one girl from each state on the basis of outstanding leadership, both in 4-H Club work and in high school and college work. Bill's scholarship took him to Jordan, where he lived with farm families near Bethlehem during the summer and fall of 1955.

Of a more serious nature, we regret to report that "Miss Johnnie," Pi Kappa Alpha's first Dream Girl, is critically ill at her home in Knoxville. We're sure that a short letter or card would help her recover more rapidly. Her address is: Miss Frances Johnston, 1710 W. Clinch Avenue.

Zeta won second place in Homecoming Floats Parade, supervised by George Bishop, and in Carnicus, spurred by the tireless efforts of Gary Davis and Tom Wade.

Awards which were presented during our Dream Girl Formal in Gatlinburg April 14 were: Tom Wade, Zeta Man of the Year; Jack Arthur, Best Pledge-Initiate; Gary Davis, Outstanding Intramural Athlete; and James Blanks, Outstanding Student (pledge-initiate with highest scholastic average).

One parting comment — this Frank Grace "character" is quite a cat. The Zeta brothers were all lounging around the chapter house Monday afternoon, May 14, just shooting the proverbial old animal, when lo-and-behold Brother Grace walks up with that "all in a day's work" look escorting Misses Sharon Kay Ritchie and Patte Williams—that's right, Miss America 1955 and Miss Tennessee 1955. Needless to say, Brother Grace's pretended unconcern "faded away" when the Zeta Brothers rolled into action.

Dave Laude (l.) Delta-Upsilon graduate student, and Assistant Baseball Coach at Stetson University, confers with Coach Carl H. Johnson.

## San Diego Mothers' Club Prominent

◆ The IKA Mothers' Club of Delta-Kappa Chapter, San Diego State College, was organized May, 1953, with seven members. It now has thirty paid-up members.

Mrs. Laurence K. Winn, who served as president last term, was re-elected for another year.

During the first and second years, the club helped furnish and make livable the house which Delta-Kappa had rented. The members spent many hours working at the fraternity house. Most of the used furniture either donated or purchased by the mothers had to be refinished or reupholstered by them. Discarded bed linens made bunk sheets and pillowcases. Club members supplied shower curtains, window shades, curtain rods and draperies. The kitchen utilities and vacuum cleaner were donated by the Mothers' Club.

Last term the club's main project was to earn money to help furnish the house which the chapter hopes to start building before the end of this year.

The club has built up this fund through donation drives; touring business houses, where stated amounts were paid for every member in tour parties; and sponsoring a rummage sale. IKA mothers there made arranged profit making bus trips to Hollywood television and radio shows. The club won cash prizes for three consecutive months from a local beauty salon for sending in the highest number of new customers.

Club members prepare and serve food at rush luncheons, dinners, Dream Girl teas, picnics and beach parties. "Mothers believe that good food often attracts pledges," Mrs. Winn said.

Also active in the Mothers' Club are some of the wives of the fraternity members. They enjoy helping serve at the dinners and the all-night float making sessions.

Every pledge mother is personally contacted and invited to attend meetings of the Mothers' Club. They are not asked to join, however, until their sons have been initiated.

At these meetings pledge mothers become familiar with the fraternity and the benefits their sons will derive from membership. "To some parents, the word fraternity suggests young men who indulge in hair-raising pranks," Mrs. Winn said. "We like the parents to realize that by joining IKA their sons will be in a

**Mrs. Laurence K. Winn, President  
San Diego Mothers' Club.**

better position to enjoy the social part of college life and make long-standing friendships."

The club meets the second Thursday of every month at the fraternity house. Meetings are discontinued during the summer months, but work goes on through executive board meetings.

Even though some of the mothers do not see each other but once a month, everyone has a common interest—a son in Pi Kappa Alpha.

## Georgetown Celebrates 50th Anniversary

By Garland Pendergraph

◆ Alpha-Lambda has had its greatest year since its founding in 1906. Besides celebrating its 50th year on Georgetown's campus, many of its sons were elected to places of prominence. Three out of fourteen of the students elected to *Who's Who* were members of Alpha-Lambda. Our Dream Girl, Betty Casey, was among these fourteen. Dick Deen was voted "Most Likely to Succeed" and Wes Stigall "Most Outstanding Boy" by the student body this year. Wes also received a Carnegie Scholarship to Peabody College.

Red Ison, newly elected SMC, was elected president of the Young Republican's Club, and Gordon Montgomery was elected vice president. Bill Snyder was elected president of Phi Alpha Theta, honorary history fraternity.

In May we pledged twenty freshmen. We also won the intramural trophy for 1955-56.

## Judy Rickard Named Alpha-Phi Dream Girl

By Greg Held

◆ The men of Alpha-Phi again ranked high on the Iowa State campus. Jack Koning was elected president of Agriculture Council. Truman Draper was a member of Veishea Central Committee and is on this year's Homecoming Central Committee. Dave Dietz is president of Pep Council, and Ron Sheetz was appointed Agricultural Open House Chairman for Veishea.

Spring quarter was highlighted socially by the Dream Girl Formal, Parents Day picnic, and the annual Senior Banquet.

Lovely Judy Rickard, KKT, was chosen Dream Girl of Alpha-Phi. She is the pin-mate of Boyd Burnison. Miss Rickard was chosen from a field of ten candidates, nominated by the chapter.

We held a picnic in our back yard in honor of our parents. Twenty-one families scattered throughout the midwest were represented. The parents enjoyed seeing the chapter house and visiting with the members and pledges. The function gave everyone an opportunity to make new acquaintances and renew old ones.

The Pi Kappa Alpha seniors were guests at the annual Senior Banquet at Vic's Tally-Ho in Des Moines. Roger Volker served as master of ceremonies.

## Tulane Selects Marie Alice Wagner

By Harry Roman

◆ Miss Marie Alice Wagner, escorted by James Alliston, received her Dream Girl pin and bouquet of red roses when she was presented as 1956 Dream Girl of Eta Chapter, Tulane, during their formal dance at New Orleans' Southern Yacht Club.

The members of her court were: Karen Kergosien, ΦM, escorted by David Treutel; Carolyn Stevens, escorted by her husband, E. G. (Skip) Stevens; Barbara Perez, ΦM, escorted by Pat Unkel; Pat Wentworth, ΔΔΠ, escorted by George Demarest; Pat Holmes, ΦM, escorted by A. P. Guizerix; and Jane Nichols, escorted by Bill Gard.

This formal was but one of many social affairs for which Miss Wagner has been our gracious hostess. She officiated at such functions as picnics, various Saturday night dances, a reception for National President Hippel, and our annual Mothers' Day open house.

# Vanderbilt Names Hardy Best Pledge

By Steve Tippens

◆ Sigma Chapter is proud to announce the selection of Miss Judy Payne as its Dream Girl for 1956-57. The pretty Alpha Omicron Pi coed will be a junior next year. Her election was announced at the annual Dream Girl Dance, April 20, at the Andrew Jackson Hotel in Nashville.

The annual highlight also featured the presentation of the Best Pledge award to Earl Hardy, chosen by virtue of his many activities on the Vanderbilt campus.

Sigma Chapter has added a few new leaves to its laurels this year by capturing first places in the Cross-country Race and the Athenian Sing.

Powerful football and basketball teams are in next year's picture, plus the continuation of this year's great softball team, which finished the season with a stellar 8-1 record.

## Cincinnati Proclaims "Dream Girl Day"

By Bob Schreiber, AΣ

◆ On the weekend of June 1-3, the men of Alpha-Xi held their annual spring weekend party. The highlight was the crowning of the Dream Girl for 1956-57.

Beginning on Friday afternoon the girls moved into the house and the fellows secured housing elsewhere. Friday evening the Pikes and their dates were seen at the Netherland Plaza attending the dinner that preceded the traditional spring formal, held in the Pavilion Capri Ballroom.

The Dream Girl candidates were announced on Tuesday, May 8, at their respective sorority houses and were presented with bouquets of roses. On Wednesday, May 16, they attended a dinner in their honor at the fraternity house. Tuesday evening, May 29, they were guests on the Colony Time radio show.

Saturday, June 2, brunch was served at the house and then everyone journeyed to Coney Island, local recreation park. Saturday night we cruised on the Chaperon, a party boat on the Ohio River, complete with a Dixieland band. Sunday, the weekend party ended with an all-day picnic.

Although this climaxed the weekend,

the Dream Girl still had many treats in store. Thursday, June 7, was declared Dream Girl Day in Cincinnati. The Dream Girl was escorted throughout the city by the brothers in a new Howard Hively (Lincoln-Mercury dealer) car. She received a dress from Mabley & Carew Department Store, jewelry from Richter Jewelers, and several other gifts. She had lunch at the Colony with former mayor Carl Rich and had her photograph taken by the Harry Carlson Studio. The day was climaxed by an appearance on a local television show.

## Miss Grandt — Duke Dream Girl

By Randall B. Vanderbeek

◆ The annual Dream Girl Weekend in May brought to a close a fine social program for an equally fine year for Alpha-Alpha Chapter, Duke University. The memorable weekend began with a party at the Hope Valley Country Club followed by the Dream Girl Dance at picturesque Carolina Country Club in Raleigh. Beautiful Marilyn Grandt, KAΘ, escorted by Jerry Darling, was chosen 1956 Pi Kappa Alpha Dream Girl. Festivities the following day included an afternoon open house at the fraternity section and a highly successful and enjoyable French Underground party at Perry's Cabin.

The Senior Banquet was held on the weekend before finals. Konrad Knake was presented with the Donald E. Spofford Award for the chapter's outstanding

senior. Konrad was very active in campus as well as fraternity affairs. He was a great asset to the chapter and his faithful service will be missed next year.

During the past year, Alpha-Alpha has gained important positions in campus activities. Bob Brubaker was named Program Director and Station Manager of WDBS, campus radio station. Buck Talman has been appointed editor of the *Chanticleer*, school yearbook. The chapter was greatly disappointed because of the slim margin (20 votes out of 1,400 cast) by which Buddy Beacham was defeated in his bid for the presidency of the student government. However, Buddy holds many other important campus positions and he is recognized as one of the outstanding men at the University.

## Virginia Continues Strong In Athletics

By Jim Kemp

◆ Alpha Chapter at the University of Virginia has completed another successful year in fraternity intramural sports. We won first place in softball, second place in bowling and basketball, and third place in volleyball. Outstanding individual intramural performers for the chapter were Pete Burr and Theo Feild in tennis, Jay Rothenberger in boxing, and Kelly Buskell and Jess Hagy in handball.

At Alpha's annual fraternity banquet held at the Monticello Hotel, Mrs. Barbara Martin was chosen Dream Girl. Barbara, who is from Halifax, Virginia, is the wife of past IMC Kirk Martin. Besides being very attractive and having a radiant personality, she is an ardent supporter of Pi Kappa Alpha.

Individual members of Alpha Chapter who have received recent honors include: Dan Brown, Phi Beta Kappa, and Bill Rahmig, Tau Beta Pi and the Raven Society.

Varsity athletes include Jess Hagy, outstanding blocker on the football team; Jim Elekes, who has been offered a contract to play with the Green Bay Packers; and Bob McCarty, captain of the basketball team. Everett Covington, Fred Russell, and Page Glover, who were pledged this spring, are also stellar performers.

## Montana Pi Kaps Top MSC Grade Average

By Leigh Johnson

◆ Gamma-Kappa Chapter at Montana State College was first in grades among all the fraternities at Montana State College with an overall average of 80.615. This was two grade points above the lowest fraternity average for active members and four grade points above the unorganized men's grade average. Pi Kap pledges were second on the pledge grade list following the leader by only 0.3 of a point. Gamma-Kappa's members are comprised of students in many fields; mainly, engineering. It is felt that leading the field scholastically is an accomplishment of which the actives and pledges of Gamma-Kappa can well be proud.

Gamma-Kappa held its annual Dream Girl Formal May 19 in the Bridger Room of the Hotel Baxter in Bozeman. Theme

Live parakeets in cages built by chapter for the affair was "Lullaby of Birdland." members were given as party favors to the dates of all members and to the chaperones. Music was by Frank Coverubias, ΓK, '55, and his band. Among the chaperones was Sgt. Horace Valverde, USAF, who was a member of Gamma-Kappa from 1951 to 1953.

Doris Peterson, ΠBΦ, was chosen Dream Girl, and was pinned in a ceremony conducted by SMC Joseph Redfield. Miss Peterson is a freshman at MSC, majoring in chemistry. Active in student affairs, she is a member of many campus organizations and was recently chosen as a member of Spurs, sophomore women's service honorary. Her enthusiasm and personality will go a long way in helping to uphold the traditional spirit of friendliness for which the Pi Kaps and their Dream Girls are known on the MSC campus.

## Oregon Chapter Host To Presidential Candidate

◆ Gamma-Pi Chapter at the University of Oregon stole the march on other fraternities when it had Adlai Stevenson, Democratic Presidential candidate, as its guest for breakfast in the chapter house during the former Illinois Governor's campaign tour in the Northwest.

The Oregon Daily Emerald, University of Oregon's campus publication, devoted a three column spread to the event.

Second Lieutenant William F. Tiller, M (Presbyterian), also completed the anti-aircraft artillery officers' basic course at Fort Bliss, Texas.

## Mother Johanson — Colorado Housemother

By Art John

◆ Beta-Upsilon's outstanding social event of this past spring was its formal held high in the Rockies at Brook Forest Inn. Barbara John was chosen Dream Girl and Gary Landin was nominated the outstanding Pi Kap of the year. Musical powder boxes that played "Honeymoon" were given as favors.

For the fourth year in succession the Delts were the only obstacle between IKA and the intramural top softball honor. Reid Rundell was the outstanding singles player in Colorado's Big Seven Tennis Championship. Bill Pribell, our candidate for Associated Students of the University of Colorado, took the volleyball team into the playoffs.

Mother Johanson, our new housemother, has been warmly received by the brothers. The work she has done for and with the chapter has been greatly appreciated.

titive. George E. Whitesel has equally achieved a place among the top figures on Miami's campus. This spring he was initiated into the nation's top scholastic honorary, Phi Beta Kappa. In addition to this honor he was selected to the office of editor of the campus literary magazine, *Dimensions*.

Delta-Gamma has recently annexed an entire three story house to accommodate twenty men in the fall of 1956. The chapter house now accommodates twenty-five.

## New Mexico First In Scholarship

◆ Beta-Delta is looking for its biggest year since the war at the University of New Mexico with its chapter membership practically intact after graduation.

Among the campus functions in which Beta-Delta members have participated are: Eric McCrossen has been selected editor of the *Lobo*, New Mexico's campus newspaper; Julian Garcia, Beta-Delta SMC, is chairman of the Associated Student Party, the dominating political party composed of Greek organizations; Mickey Meyer and Bob Hill have been selected to Khatali, senior men's honorary organization.

As a chapter, Beta-Delta will receive the University scholarship trophy for the second consecutive semester for the highest grade average among UNM fraternities. They will also be defending their first place trophy in Homecoming decorations and Community Chest collections. On the athletic scene, Beta-Delta's Chester Norris is defending Skyline Conference titleholder in the pole vault.

## Presbyterian Men Capture Honors

By Ramon Veal

◆ Mu Chapter asserts that IKA's will hold more campus offices during the 1956-57 school year than the total of the other five fraternities represented on the Presbyterian College campus.

Jimmy Hancock, who is vice president of the Student Christian Association, was recently elected president of the student body. The school paper is edited by Charles Dukes, Jr.; the annual by Marshall Tobias, and the freshman handbook will be compiled by Ray Howe.

Secretary of the Student Council, president of Blue Key honorary fraternity, president and vice president of the Block 'P' Club, and co-president of the College's Robed Choir are all Pikes. Mu men are also represented on the SCA Cabinet and Freshmen Control Board, and a number of brothers have been tapped for membership in Blue Key and Scabbard and Blade.

Mu Chapter won the intramural championship trophy for the 1956-57 school year.

At Commencement, Ray Lord, outstanding member of Mu Chapter, received the Founder's Medal, which is the highest honor bestowed on a graduating senior by Presbyterian College.

## Mike Miller — Penn State Journalist

By Dick Hufnagel

◆ Mike Miller has been chosen as the outstanding senior in journalism here at Penn State for the 1955-56 school year. He has done much to advance the name of Pi Kappa Alpha on the Penn State campus. He was managing editor and associate editor of *The Daily Collegian*; a member of Lion's Paw, considered to be the highest honor attainable at Penn State; a member of Skull and Bones, senior men's honor society; secretary-treasurer of Androcles, junior men's honor society; and treasurer of Sigma Delta Chi, national honorary journalism fraternity.

Brother Miller was also honored by being chosen as the recipient of the Charles Kropp Outstanding Senior Award, presented annually in honor of our alumnus counselor, Charles Kropp. He served as president of the house for one term and did an excellent job as editor of the *Beta-Alpha Degree*, our chapter publication. His name has been engraved on a plaque in the trophy room.

# Beloit Chapter Dedicates New Fraternity House

By Casey Banas, IMC

◆ A five-year-old dream became reality this past spring when Beta-Iota Chapter at Beloit (Wis.) College dedicated its new \$150,000 fraternity house. Prominent college and fraternity officials gathered in the new building on March 10 to view the latest addition to Beloit's long range building program.

Speakers at the dedication ceremonies included dignitaries from both the college and the fraternity—Dr. Miller Upton, president of Beloit College; Harold S. Wood, vice president of Beloit and director of the building program; Robert D. Lynn, executive secretary of Pi Kappa Alpha; Charles Freeman, president of District Six of Pi Kappa Alpha; C. Robert Douglas, president of Beta-Iota alumni; and Tony Kamberos, president of the Beta-Iota active chapter.

The new Beta-Iota chapter house was converted from a private residence into a home for 35 men. On the first floor are a living room, dining room, den, kitchen, and housemother's suite, plus three dormitory rooms. The second floor houses 26 men in dormitory rooms for one, two, three or four men. The other dormitory room, affectionately known as "The Roost," is located on the third floor. Other features of the house are a mammoth basement, used as a recreation room and for fraternity dances, and a large flat roof, accommodating PiKA sunbathers. The fraternity put its roof to good use in another way by holding its spring informal dance under the stars.

The new chapter house, built by Beloit College for fraternity occupancy with the aid of Pi Kappa Alpha alumni funds, is only one link in a long chain of proposed structures on the Beloit campus. Beloit, a liberal arts college of 950 students located 100 miles northwest of Chicago on the Illinois-Wisconsin border, also built during the past year an addition to the present Field House, which has a capacity of 3,500 people. The addition includes a 75 by 36 foot natatorium, a clay-floored "cage" for indoor track and other athletic activities, a gymnasium room, plus additional shower and locker room facilities.

Now under construction is a Student Union which will contain a large grill room, a ballroom, bookstore, bowling alleys, lounges and offices for student organizations. Blueprints also have been

drawn for new residences for the Tau Kappa Epsilon fraternity and the Kappa Alpha Theta sorority. These two new Greek houses, plus a plan for a large women's dormitory, complete the current vast building program of this outstanding small Wisconsin college.

The history of Beta-Iota Chapter goes back to 1917, when the national fraternity presented a Pi Kappa Alpha charter to a local fraternity of 17 members. The chapter grew steadily until 1931, when it went inactive due to the effects of the national depression. In 1947, following World War II, a group of returning veterans worked with Harold S. Weiser, BH (Illinois), Charles L. Freeman, BA (Washington, St. Louis), John Wheeler, BI (Beloit), and other alumni in the area and reactivated Pi Kappa Alpha. The growth of Pi Kappa Alpha at Beloit has almost tripled during the past two years. In the fall of 1954 the chapter had 23 members, including 17 actives and 6 pledges. Under the leadership of SMC Leary Kennedy and others, by the spring of 1956 the roster rose to 62, 53 actives and 9 pledges. This fall Beta-Iota returns with a nucleus of 50 men to begin its activities for the college year. With the added rushing point of the newest fraternity house on the Beloit campus, Pi Kappa Alpha should continue to climb in stature.

Working along with chapter president Kamberos during the spring semester were Rich Sachtleben, vice president, class of '58, from Chicago; Craddock Duren, secretary, class of '58, from South Milwaukee, Wisconsin; and Ron Larson, treasurer, class of '57, also from Chicago. The officers for the fall semester include Jack Cusack, president, class of '57; Casey Banas, vice president, class of '58; Jim Frodin, secretary, class of '58, all from Chicago; and Larry Saxby, treasurer, class of '58, from Blackhawk, Illinois.

## Butterfield—Guest Of Penn State Chapter

By Dick Hufnagel

◆ Billy Butterfield, his wife, Dottie Dare, and his 12-piece orchestra were guests of Beta-Alfa Chapter on May 4. Brother Butterfield, an alumnus

of Kappa Chapter (Transylvania), accepted an invitation to stay at the chapter house during his recent visit to Penn State where he played for the Senior Ball.

Several members of the orchestra stayed up to play for us after the dance until five in the morning. Brother Butterfield expressed his appreciation for the fine hospitality extended to him and his orchestra during their stay at the house. Butterfield is currently on a tour of college campuses.

. . .

In the small town of Pine Hall, just outside University Park, Pennsylvania, the home of the Pennsylvania State University, lives a man whose name is familiar to all Pi Kappa Alphas. He is Dr. J. A. Arbuckle, brother of Howard Bell Arbuckle, Junior Founder of Pi Kappa Alpha.

Dr. Arbuckle remembers well the great warmth and zest that his brother had for Pi Kappa Alpha. While Howard Bell was professor emeritus in chemistry at Davidson College, he was also Grand Councilor of Pi Kappa Alpha.

. . .

Jack Valentine was elected secretary-treasurer of the Interfraternity Council last April. Jack was initiated at Gamma-Sigma, University of Pittsburgh, in 1945, spent two semesters there and served as chapter secretary. The summer of 1946 he tired of school and joined the Merchant Marine.

After spending two years at Brooklyn, Jack left the service. He went back to Pittsburgh and obtained a job as a cost accountant with the Pittsburgh Plate Glass Company. In 1950 he joined the Navy. During his four years in the Navy he made stops in the Caribbean and Panama.

After his discharge from the Navy in the summer of 1954, Jack decided to enter Penn State as an accounting major. Since coming to the University, the "Old Seadog" has distinguished himself on the Penn State campus.

Besides his IFC position Jack is on the Business Administration Student Council, chairman of the Business Administration Freshman Mixer for 1956, business manager of campus radio station WDFM, treasurer of Alpha Kappa Psi, professional business fraternity; member of Lion's Paw, senior honor society; president of Parmi Nous, senior honor society; and has been treasurer of Beta-Alfa for four terms.

## Arkansas Busy On Campus

By Sammy Smith

◆ Alpha-Zeta (Arkansas) completed the 1955-56 school year with one of the best records ever compiled by Pi Kappa Alpha on the campus.

Topping the long list of IΓKA accomplishments were a second place finish in the intramural sweepstakes race, first place in the intramural basketball tournament, and first place in the first half of the intramural bowling tournament. Intramural seconds included golf, table tennis, and Alpha-Zeta chalked up third place in volleyball, football, and tennis. The sweepstakes race is an overall accumulation of points gained through competition in all intramural sports.

Second semester at Arkansas started with a successful Dream Girl formal. The Hilltoppers, backed up by Teddy Phillips and his orchestra, entertained nearly 300 IΓKAs, guests and visitors. Sissy Baker, Kappa Kappa Gamma from Mountain Home, Arkansas, was crowned Dream Girl of Alpha-Zeta. Sissy is a tremendously popular girl on the Razorback campus. Her brother is a member of IΓKA, and she is pinned to an AZ Pike.

Paralleling the success of the Dream Girl Formal was the intramural cagers' showing in the campus tourney. The AZ Cowboys took their first major championship of the year by dropping Sigma Chi 49-41 in the finals. The Pikes had taken their first seven games with easy victories, led by such stalwarts as Sonny "Goose" Worthy, Bill Sheets, Glynn Armstrong, John "Country" Cross, Bobby Hamm, George Paul Kuechenmeister, Jan Rayder, Joe Davis, and Will Hagood.

Another highly successful social event for Alpha-Zeta was the unique circus party. The chapter house provided a very colorful setting for the event. The living room was decorated similar to the inside of a big top. Colorful streamers were used to create the true effect of a circus. A large canvas tent was placed above the entrance, and inside the tent was a large stuffed tiger and numerous showbills.

Alpha-Zeta held to its busy ways and on March 1 the Annual Founders' Day was held at the chapter house. This event, held annually honoring the founders of our great fraternity, is a day of commemoration for the alumni of Alpha-Zeta and other PiKA alums in the area. Guests this year included President of the University of Arkansas, John Tyler Caldwell; Glen Rose, varsity basketball coach; and Ed Baxter, past district president.

Approximately 25 mothers gathered at the chapter house May 6 to observe our annual Mothers' Day. After a splendid dinner, each mother was in turn introduced by her son. Alpha-Zeta is proud of its Mothers' Club and we set this day aside for them as an opportunity to express our appreciation for the wonderful gifts which they have given the chapter and for their help during the school year.

Alpha-Zeta has formulated plans for the establishment of alumni chapters in Harrison and Little Rock in the near future. The initial plans have been approved by the national office, and Alpha-Zeta hopes that the new chapters will be functioning by the end of the summer.

Scholarship keys and plaques were given to the initiate and pledge with the highest grade points at the end of each semester. Their names were placed on plaques which will remain permanently

in the house for display among the other trophies.

We initiated fifteen new members on March 13. Joe Davis received the Gregson award given each year to the pledge who does the most to promote IΓKA on the campus, and Maurice Bennett was named as Honor Pledge.

Individual achievements by AZ Pikes on the campus this year were numerous. Buddy Phillips will edit the *Student Handbook* next year. Raymond Yeatman won the intramural trophy for the highest bowling average for the year, and Richard Carey won the intramural heavy-weight wrestling tourney. Sammy Smith was chosen as managing editor of the *Arkansas Traveler*. John Bell served as a Senator in the Student Senate, and Tommy Branigan was named the outstanding senior in College of Engineering.

## Kentucky Holds Pi Week

◆ The University of Kentucky Chapter held its first annual Pi Week this year. The week was climaxed Friday night, March 2, with an all campus dance in the Student Union Ballroom featuring the new recording star of Dot Records, Pat Boone, accompanied by George Rank and his orchestra.

The festivities started on Monday night with the brothers serenading five sorority houses. At each house three pies were given to the girls with each pie bearing one of the letters I, K, and A. During the week all women's dormitories were serenaded and given pies.

On Thursday afternoon, a pie eating contest was held on the Intramural Field with eight sororities and twelve fraternities competing. The winners in each division were presented well earned trophies.

Something new on this campus, a freshman queen, was crowned at the dance. Bing Crosby gladly consented to select the queen and a court of four on the basis of photographs sent to him. Bing's choice was Miss Sally Ely, a young co-ed from New Jersey, who was selected from a group of contestants representing UK's sororities and dormitories.

Our social calendar was brought to an unexpected climax May 17, when newly elected Governor A. B. "Happy" Chandler invited Omega, Kappa, and Alpha-Lambda Chapters to the Governor's Mansion in Frankfort for a big Dream Girl Formal. Governor and Mrs. Chandler were most gracious hosts.

Our 1956 Dream Girl is Miss Dukie Campbell. Misses Lucy Tichenor and Sonja Danberg were her attendants.

## Ohio University Builds Membership

By Carl A. Baughman

◆ At the annual Dream Girl formal April 28, Gamma-Omicron Chapter proudly introduced its 1956 Dream Girl, Miss Dorothy Frye. Dorothy, a freshman from Mt. Vernon, Ohio, was presented with the traveling trophy and serenaded by the brothers. This year's formal took place at the Ohio National Guard Armory which was lavishly deco-

rated with a large red cargo parachute and multicolored crepe-paper streamers. The dance program was something of a novel idea as far as the makeup of the program itself. In place of the conventional type cover of printed material there was a photograph of Gamma-Omicron's traveling Dream Girl trophy. Bob Bekeny and Bill Sutherin were responsible for this work of art.

With the initiation of 18 men into Gamma-Omicron Chapter in May, we now rank among the top three fraternities on the Ohio University campus. We have also been very active this year contacting members of Tau Sigma Delta, our local chapter before our installation in 1930, and just recently initiated into the bonds Robert W. Painter who is District Manager of the Ohio Power and Light Company in Mt. Vernon, Ohio.

During the traditional Greek Week at Ohio University we participated rather extensively. Our booth at the Greek Week Carnival was a ball toss affair with brothers and pledges being knocked from a high platform into a pile of straw. For the parade of queen candidates we built a litter for the Alpha Epsilon Phi Sorority with the theme "She Reigns Over Athens!" This litter was carried by our pledges in the annual torchlight parade preceding the carnival.

The final activity for the year was our participation in the annual J-Prom. This year's campaign was based around Lyn Kleinhoffer with the theme "Lyn, King of Clowns!" The skits and parade were filled with joyous clowns, snake charmers, weight lifters, jugglers, and Keystone Kops. Our float consisted of a huge clown, the head of which turned, hold-

ing the crown which Lyn wore during the skits.

We would like to congratulate Brother Kleinhoffer on his recent appointment as a National Field Secretary. We are very proud of Lyn and his work with the chapter and are certain he will continue to do his very best for the Fraternity in his new capacity.

## Hampden-Sydney Pledges Large Class

By Don Whitley

◆ The session of 1955-56 was a very successful one for Iota Chapter at Hampden-Sydney College.

On Pledge Day, February 13, twenty-three freshmen pledged Pi Kappa Alpha, the largest number to pledge any fraternity on campus. Of these twenty-three, three are officers of the sophomore class. Chuck Lucas and John Ralsten, both of Beckley, West Virginia, were elected president and vice president of the class, respectively. Don Whitley was made secretary-treasurer of the class.

To top this off, we also won the intramural cup. SMC Bill LeHew received the presidency of the Campus Student Christian Association and was recently tapped into Omicron Delta Kappa.

Second Lt. Andrew R. Quenon, ΔΙ (Marshall), is receiving six months training on active duty under the Reserve Forces Act at Aberdeen Proving Ground, Md.

The new Cincinnati Rotary Club president "had to be a ΠΚΑ"—the nominees were Louis Koring and J. W. Eilers, Alpha-Xi alumni. President Koring (center) is ably supported by fellow ΠΚΑ Rotarians (l. to r.) John Palmer, Douglas Hoge, Kirby McCord, Ross Lance, John Eilers, Milton Pickle, Ralph Yeager, and Evans Schmeling.

## Ohio State Alumni Return for Pi Kap Weekend

By Wilbur L. Garland

◆ Alpha-Rho Chapter highlighted its social year with the annual Pi Kap Weekend which consisted of the 40th Annual Dream Girl Formal and a picnic at Lake Hope the following day. The formal was held at Winding Hollow Country Club on Friday, May 25, 1956. Miss Mildred Jenkins, KAΘ, was crowned 1956 Dream Girl by Miss Lou Scherberl, last year's winner. Her court consisted of Miss Carol Morgan, ΔZ, and Miss Marilyn Haddad, XΩ. After the dance the brothers and their dates went to the chapter houses where the girls took over one house and the brothers occupied the other. The girls were serenaded late that night and were called to breakfast by reveille the next morning. A safari was organized to Lake Hope State Park in southern Ohio, where boating, swimming, and hiking filled a never-to-be-forgotten afternoon. Bob Rassie, social chairman, did a wonderful job planning the whole weekend.

On Saturday, May 5, the first annual Alumni Spring Reunion for all Ohio

State IKA's was held. Buffet lunch was served at the chapter house, preceding the OSU intrasquad football game. After the game, alumni returned to the chapter house for a buffet dinner and a special award program. The Milo J. Warner Award for the outstanding undergraduate was presented to Murray A. Leeper. The Wesley E. Fesler Award for the outstanding pledge was presented to John C. Balmer. The award for the outstanding alumnus was presented to Virgil L. Furry in honor of the late Charles R. Garvin. His son, Dr. John Garvin, was present to make the presentation. The chapter was honored by the presence of Milo J. Warner, past National Commander of the American Legion, who presented his award. Bob Stein did a fine job as chairman of the Spring Reunion.

The National Fraternity's 88th Anniversary Founders' Day was celebrated in the Columbus area with the traditional banquet at Grandview Inn, sponsored by the newly-active Central Ohio Alumni

Chapter. Special recognition was given to Executive Secretary Robert D. Lynn who came from Memphis, Tennessee to present a very informative and inspiring talk of IKA's national operations.

A special initiation was held on May 20 for Darl H. Gatchell, principal of Marion Harding High School, Marion, Ohio. Brother Gatchell was president of the local chapter at Bowling Green, Ohio, the year before it became Delta-Beta Chapter of Pi Kappa Alpha.

One of the chapter's annual projects of the Spring Quarter was the building of a beautiful May Week float which was entered in the Annual All-Campus May Week Float Parade. The theme for the float was "The Pogo Papers." Dick Knight, the May Week chairman, along with the entire chapter worked many long and hard hours only to have the rain spoil our chances for a winning float.

Other social functions of the Spring Quarter consisted of personally presenting special Valentine cakes to all sororities on campus, and a serenade with the Delta Gamma Sorority in honor of pinmates Lynn Freisner and Lynda Orr.

Our Mothers' Club has been busy all year with various projects for raising revenue to help furnish the new proposed addition of our chapter house. The whole chapter appreciates the work and interest of our housemother, Mrs. Marie Martin, who was elected President of the Fraternity Housemothers Association.

In intramural sports Alpha-Rho has sent forth two fine baseball and basketball teams. Bob Stein was elected to the All-Star Interfraternity Baseball Team as an outfielder.

*Ohio State trophies are admired by (l. to r.) prominent alumni Milo Warner, Murray Leeper, a recipient; Winfield Barnes, and Bob Skinner.*

# South Carolina Chapter Becomes Campus Leader

By Sid Badger, Jr.

◆ Xi Chapter has come from obscurity to leadership on the University of South Carolina campus since last September. The chapter has broken from the realm of the so-so rans to challenge any fraternity and claim a place among the best chapters Xi has ever had.

Beginning the fall semester of 1955, Xi had only 12 active members and 5 holdover pledges. The situation was the darkest it had been in many a year. But under the leadership of Len Baranski, SMC, and Sid Badger, rush chairman, the light began to shine.

That fall, Pi Kappa Alpha astounded the entire campus by holding the most successful rush season of all fraternities. They not only pledged some of the most outstanding rushees, but led all fraternities in numbers with a fine group of 27 men. Among this group, Xi received some of the most heralded varsity athletes. The chapter began to roll athletically and socially, and everyone else began to take notice of the rapid rise of Pi Kappa Alpha at South Carolina.

Brother Badger gained the reputation of being the most energetic rush chairman on the campus. After the fall rush season, he kept moving and kept rushing. Other fraternities began to worry as man after man began to go no way but the Pika way.

Xi's athletic teams began to catch fire and before anyone could realize what was happening, their basketball, softball, bowling, and track teams had won trophies. Highlighting this great sports year was the presentation of the "All-Sports" trophy which was presented in honor of the fraternity which had accumulated the most points for the year athletically. Trophies began coming in so fast and furious that we had to have a trophy case made.

Following these fine achievements, the greatest was yet to come. The university announced they would build new fraternity houses. We would have sleeping quarters upstairs and a fine lounge and meeting room on the first floor. We then began scouting around for new furniture, and when the new houses were finished, we had the most lavish house on fraternity row.

Pi Kappa Alpha began hitting all the organizations also. By this time, Brother Badger had successfully raided the campus and now our membership has risen to a total of 78 members in all. We have

*This is the social area of the new University of South Carolina fraternity house which is part of a beautiful new fraternity quadrangle constructed by the University.*

men in the following offices and organizations on the campus: Blue Key honor fraternity, KSK Honor Service fraternity, Clarisophic Society, Glee Club, Student Council, vice president of senior class, sports editor of school paper, president of Pep Club, vice president of Pep Club, sergeant-at-arms of Pep Club, assistant sports editor of school paper, student official in charge of intramural athletics, and historian of the "Block C" club.

We are well represented on all varsity athletic teams also. We have Leon Norton, pitcher on the baseball team; Buddy Nidiffer, end on the football team and centerfielder on the baseball team; Alex Hawkins, Tony Gialenois, Sam Roberts, and Jimmy Duncan, all outstanding members on the current freshmen football squad; Frank Destino, halfback on the varsity; Dick Bartulski, halfback and record breaking javelin thrower on the track team; and Len Baranski and Bobby Ragin, varsity swimming team.

Xi members also proved themselves more than just social climbers and good athletic teams as they copped first place in fraternity stunt night—another trophy for the new case.

Yes, we have come a long, long way, and I'll let you in on a little secret. There is more to come. Xi is here to stay.

## Alabama Completes Successful Year

By Tom Caddell

◆ The spring term found ΠΚΑ in its traditional role as leader on the University of Alabama campus. The highlight of the season was our annual Roman Holiday Party. Five of our top rushees were pledged at this affair.

Campus politics was one of our best fields this year. Nelson Cole, editor of the campus newspaper, traveled to New York to appear on the Dave Garroway Show in connection with the riots on the campus. J. A. Robbe served as business manager of the yearbook, *The Corolla*. Bill Hamiter served as president pro-tem of the student legislature while Henry Anderson was a member of the select group.

ΠΚΑ was triumphant in the recent campus elections. Madison Davis was elected editor of the *Corolla* for the coming year; George Dubois, business manager of the *Rammer Jammer*, campus humor magazine; and Jim North, Bobby Albritten, and Dale Shuman were elected to the student legislature.

In the field of sports Frank Roland pitched a perfect season for Bama with 12 wins to no losses. He took top honors in the Southeastern Conference. Dale Shuman was elected next year's captain of the Alabama Rocket Eight basketball team which finished fourth in the nation last season. Gamma-Alpha ranked among the top five in intramural sports out of 26 fraternities.

# Kansas State Looks To Better Pledge Training

By Dick Barclay

◆ Alpha-Omega Chapter took one of the biggest steps in recent years to boost pledge rules to a higher standard. These rules, which will go into effect following rush week this fall, were added to encourage good scholarship. Other than scholarship, the rules were aimed to promote better pledge brother relationships, encourage more campus activities, and to give pledges better training in the matters that will prepare them best for their active role in the Fraternity. Alpha-Omega believes that these additions will help the Fraternity nationally as well as locally.

On March 16, the Dixie Ball, one of the first social events held in Kansas State's new Student Union grand ballroom, was deemed the big event of the year. The evening began with a banquet followed by a lovely dance and the crowning of Miss Connie Taylor, IIBΦ, as Dream Girl.

Also on the social agenda was the annual Beachcombers' party, May 12. This consisted of a picnic on the river with swimming and singing carrying on into the night.

The IIKAs carried on the tradition at Kansas State as Larry Youngdoff and Jack Hill received positions on the varsity cheerleading squad for next year.

In intramural track, out of a field of eighteen fraternities, Alpha-Omega finished fourth. In the low hurdles race, Jerry Metz captured first place honors for the second year in a row.

On the courts, Keith Andler easily took top honors in singles of the tennis intramurals. Keith followed his success in intramurals by winning a spot on the Kansas State varsity tennis team.

May 6th, 140 mothers, fathers, and sons gathered for the annual Mothers' Day celebration. Mothers were honored with corsages, and mothers and fathers ate dinner with their sons in the IIKa dining room. In the afternoon, the Pikettes and the Mothers' Club held a joint meeting.

The Reverend Robert L. McLeod, Jr., B (Davidson), has accepted a position as Dean of the Chapel and professor of religion at Lindenwood College, St. Charles, Missouri. Dr. McLeod has served pastorates in Louisville, Ky.; Edinburgh, Scotland; Grenada, Miss.; Winter Haven and St. Joseph, Mo. He was president of Centre College, Danville, Ky., from 1938 to 1945.

*Clyde M. King Jr., is the new SMC of Alpha-Pi Chapter, Howard College. He is also president of Phi Delta Chi and the American Pharmaceutical Association on campus. As a B-29 Air Craft Commander, Clyde received the Bronze Star, Distinguished Flying Cross, Air Medal with two clusters, and the Korean Medal.*

## Maryland Crowns Dream Girl

◆ Delta-Psi Chapter at the University of Maryland highlighted a very successful spring semester with the Dream Girl held at Oakcrest Country Club May 11, 1956. The dance was attended by sixty people including alumni, members, and guests.

The honor of Dream Girl of 1956 went to Miss Joyce Taylor, with Miss Adele Sparkes, KAΘ, and Miss Sue Grimshaw, ΣK, as her attendants. Joyce is a very special Dream Girl since her fiancé, Brother Buz Lutz, met her at the National Convention in Memphis two years ago. Buz saw her working on the Decorations Committee for the National Dream Girl Dance and immediately invited her to the dance as his date. After the convention Buz returned to school and corresponded with her for a year, after which she moved to Washington, D. C., to do secretarial work. Joyce and Buz plan to be married in the near future.

The Man of the Year Award was presented to Jack Zane, while Brother Ray Stevens won the honor of being Pledge of the Year. A gold key was given to Pledge Charles Weaver for outstanding service to the fraternity.

The semester ended with the initiation of Ray Stevens, Bud McCloskey, Charles Dean, and Augustine Fernandez, which brings the active membership up to sixteen, the highest in three years.

The new officers for the fall semester are Jack Zane, SMC; Donald Hughes, IMC; Robert Bischoff, SC; Charles Dean, Th.C.; Cecil Braun, Pledgemaster; Sam Dickson, Historian; Ray Stevens, Rush Chairman; and Ted Dinsmore, Social Chairman. Joseph Booth is our new Faculty Adviser. Brother Booth is a colonel in the Air Force and is now an instructor in the ROTC Department here.

## Stetson Wins Hatter's Holiday

◆ Delta-Upsilon swept to first place in Stetson's annual *Hatter Holiday*, April 12, 1956. Hatter Holiday is a program of field, track and novelty events in which all fraternities and sororities on campus participate. There is keen competition among the Greek organizations for the trophy. Melvin Christman, Delta-Upsilon's one-man track team, was the big factor in the Pike's drive to victory.

April 20 and 21 was the annual IIKa weekend. The festivities got off to a flying start with a dance on the fabulous roof Gardens atop the Streamline Hotel in Daytona Beach, Florida. The second day's events began with a beach party in the afternoon climaxed by a shrimp supper and a moonlight swim.

◆ Since he gave up his law practice in Chicago, James A. Peterson, BH (Illinois), has been living on a 240-acre farm near Yorkville on the Fox river. There he raises registered Hereford cattle and also has two very good Arabian horses, one an excellent calf-roping horse. In the middle of a timber pasture he built a small limestone cottage where he lives with his wife, Grace, and their nine-year-old son, Jimmy. The only law Brother Peterson practices is for the Hinkley and Schmitt Corporation of Chicago of which he formerly was president, and for the Schmitt family. The firm is the world's largest water distributor. On his farm Brother Peterson discovered a good supply of water which is being used as one of the sources of supply for the company with which he still is connected. Every day half a million people drink water from the farm, including patients and guests of numerous hospitals and hotels.

## You Have A Job To Do In *Pi Kappa Alpha's Rush Program*

by JOE C. SCOTT, National Rush Director

Alumni and student members are all urged to inform chapters and/ or the National Office of men entering college whom they deem worthy of being invited into membership of Pi Kappa Alpha. The name, address, and information may be sent directly to the chapter at the school where he will enroll or to the National Office which will forward it to the appropriate chapter officers. The greatest contribution which alumni can make is to create a desire in fine

young men to become members of Pi Kappa Alpha. The greatest contribution student members can make is a sound rush program which will include careful follow-up of recommendations made by alumni as well as contacts initiated by the chapter. The National Office earnestly desires to know the names of sons and other relatives of members of Pi Kappa Alpha who are entering school this fall. The quality of Pi Kappa Alpha tomorrow depends on the character of men pledged today.

### RUSH RECOMMENDATION

Mail to Pi Kappa Alpha National Office,  
 577 University, Memphis 12, Tenn.

### YOUR JOB

1. Prepare a list of worthy young men in your church, neighborhood, or circle of friends who are entering college this fall.
2. Make it a point to visit personally with these boys, express your interest in them, and inform them of Pi Kappa Alpha and its purposes.
3. Send in a rush recommendation to the National Office and/or directly to the chapter, giving information about the prospective rushee including scholarship, personal characteristics, social and athletic activities, hobbies, and IKA relatives or contacts.
4. Contact your prospect again just prior to his departure for college.
5. Write a friendly note to him shortly after he enrolls.
6. Write a letter directly to the chapter immediately after school opens reminding it to follow up your contacts with the rushee.
