SHIELD & DIAMOND

OFFICIAL PUBLICATION OF THE
PI KAPPA ALPHA FRATERNITY

The Fraternity was founded at the University of Virginia, March 1, 1868, by Julian Edward Wood, Littleton Waller Tazewell, James Benjamin Sclater, Jr., Frederick Southgate Taylor, Robertson Howard, and William Alexander.

The magazine is published each March, June, September, and December. Copy deadlines are: January 20, April 1, June 1, and October 20.

It is mailed without charge to all members of the fraternity. Please promptly report changes of address — include both old and new addresses.

Direct all correspondence and changes of address to: The Shield and Diamond Magazine, 577 University, Memphis 12, Tennessee.

The Shield and Diamond is published by Democrat Printing and Litho Company, 114 E. Second Street, Little Rock, Ark. Entered as second class matter, October 14, 1937, at the Post Office at Little Rock, Ark., under Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of Oct. 3, 1917, authorized June 16, 1918.

Cover

Opening Day—Frontier City—U.S.A.
"Cactus Jack" Williams, BO (Oklahoma), newly elected mayor of Frontier City gets things started with a bang. He is shown here "at ease" in the Mystery House — that gravitational phenomenon which "pulls" the tourists in like a magnet. He is ably aided and abetted by Black Jack Matt and the Cisco Kid.

The sooner you folks visit the Sooner State, the sooner you will have fun at Frontier City.

Alumni, There's a Place for You In Pi Kappa Alpha

◆ There is a place for you in Pi Kappa Alpha's future. If you live near a student chapter, offer your services as a chapter advisor in finances, rushing, pledge training, or service as a house corporation officer. If you live where there is no undergraduate chapter, you can still use the United States mails to write letters of encouragement to your chapter and other chapters nearby. You can talk to outstanding high school leaders about the finer things in Pi Kappa Alpha. You can send letters of recommendation to the National Office or directly to the chapters. You can visit your chapter and other chapters whenever the opportunity is available—but don't expect a 19-year-old college boy in the chapter to know all about your sports accomplishments and campus prizes 27 years ago!

Student members, remember that the alumni are interested, but that they are busy with heavy personal and business responsibilities. Remember that they love Pi Kappa Alpha and want it to enjoy the finest reputation possible on your campus. Remember that they have worked hard for it and that it is your turn to "carry the ball" by maintaining high standards of finance, scholarship, and integrity.

Now is the time for all good alumni to come to the aid of Pi Kappa Alpha—send your recommendations now to the National Office or directly to student chapters. A directory appears in the last pages of this magazine. The student chapters say, "Write to us and come to see us!"

Williams hitches a ride on the "Susie Belle" used to entertain visiting dignitaries.

PIKA ALUM HEADS UP WESTERN EXTRAVAGANZA

◆ Frontier City U.S.A., Oklahoma City—R. F. J. Williams, Jr., PiKA alumnus, University of Oklahoma, 1934, is the ramrod of 11 of the most unusual amusement park concessions in what may quickly become known as the country's most novel amusement park, Frontier City, U.S.A.

Many Oklahoma City area members of Beta-Omicron Chapter (Oklahoma) had the opportunity this summer to work in the 1890 atmosphere of Frontier City, U.S.A. Well known alumnus, R. F. J. "Jack" Williams, has organized Williams Enterprises which has a major investment in many rides and amusement features in Frontier City.

Williams employed as many as 25 Beta-Omicron members during the summer vacation in his various operations. Also, among this group will be his son, Robert, who will be in charge of the "Will Rogers Polo Club" which will feature four practice cages based on the original idea at Culver. Williams had adapted this professional training idea into a highly successful public amusement.

Located just one mile from the West

end of the Turner Turnpike which carries ninety per cent of the East-West Highway 66 traffic and virtually all of the inter-city traffic between Oklahoma City and Tulsa, "Frontier City" is ideally placed to attract the more than ten thousand tourists cars which daily pass the massive Fort-like gates during June, July and August.

Only a half-turn of the steering wheel will deliver a family, without charge, into a veritable dreamland of frontier-day life spread over forty-three acres of typical rolling prairie, dotted with knarled Oklahoma "Blackjack" Oak trees. Winding in and out and over the knolls the family will ride the old "Frontier City-Santa Fe Railway" for a mile and a quarter. This scenic trip will expose one to most of the lusty features of the early Western town (and there might even be a train robbery or two enroute). This will likely be followed by a trip on the "Butterfield Stage Coach" over a half mile of rugged terrain across the red bluffs and through the rain washed ravines. These are authentic replica coaches built right in Oklahoma City and

operated by "Buffalo Charley" Springer. Here "Johnny" can even ride "Shotgun" if he gets in line early enough.

R. F. J. Williams enterprises operate a score of the most amazing and colorful amusements in this City of Mid-America . . . the moment you enter the famous "Haunted Shack" you encounter the land of disbelief . . . all you see and feel is contrary to the laws of nature and mankind, BUT you see it happen! The Haunted Shack is a fantastic idea of an ingenious architect who got slightly "off his rocker," if you'll pardon the phrase. Then there is the breath-taking trip on the "Mine Ride" . . . down the shaft two hundred feet and into the main-stem of the deserted mine . . . blazing, flashing color all around, contrasted with the silent, slivery trickle of underground springs over the walls. It's damp, awesome and spine-tingling, but you'll enjoy every second of it until you get back to the top.

Also a pride of the Williams Enterprises is the old "Nickelodeon Theatre" filled with crusty characters of the early West . . . so life-like you'll want to pinch

Wyatt Earp or Bat Masterson. Yes, you'll be close enough to hear ten of the most feared desperadoes and most fearless lawmen of the early day, *breathe*—if they could, but they're only life-like wax figures that will excite your imagination. Here you will also see on the screen the first movies ever made including those of William S. Hart, Hoot Gibson and many others.

In addition to these outstanding replicas of action in the early West, Williams has prepared five other attractions including: the Hand Car ride for little folks, the old "Pitchur Gallery" where mom and dad can stick their head over a comic form for pictures to make you laugh many months after your visit to Frontier City. Also available here will be all kinds of film and camera supplies with a special balcony from which to shoot your favorite action. About now would be the time to stop by the old "Cider Mill" for a refresher of homemade apple cider right from the mill. This stop will perk up the whole family for the remainder of the tour of Frontier City, which will average more than a half a day. To complete the visit of all the Williams Enterprises amusements would be a stop at the Will Rogers Polo Club for a bit of exercise before lunch at the "Little Red Barn" for hamburgers all around or the famous "Submarine Sandwich." Or perhaps the vote is for real Western Barbecue at the "Oxbow Barbecue."

Between these amusements, other fascinating visits will be made while at Frontier City to the "Pink Garter Saloon" where all the family can order a real old saloon-type drink (of course they will all taste like orange juice or grape juice or your favorite cola) but the atmosphere is for real. Then there is the famous "Kiva" (Indian Village) where the living conditions and colorful ceremonial customs of the Western Plain Indians may be seen . . . the earthen house, the grass shacks, the wickiup-ups, and the teepees. You can take pictures and buy native Indian handicrafts for souvenirs.

Be sure you don't miss the beautiful Frontier City Gift and Antique Shop with the "Frontier City Gazette" print shop; the authentic Western Wear Store for everything from Western hats to the finest boots; the Country Store and Post Office, the Indian Trading Post for fine Indian gifts and novelties, a walk through the fabulous collection of antique automobiles (and a ride if you like), and the whole family will want to take a ride in Walt Butler's famous midget Mule Hitch or Burro ride.

While strolling on 'Mine Street' drop in for coffee and donuts at the sign of the large "Coffee Pot" operated by Mr. and Mrs. Russell Pearson. Mr. Pearson is the architect for Frontier City, having

designed all of the buildings and general layout. Next door is the "Salt Water Taffy Kitchen" . . . you'll want several pounds of this delicious taffy for the road. On the corner of Mine Street and Territorial Avenue is "Uncle Ralph's" live Pony Ride with real saddles, and this calls for a treat at the Old Fashioned Ice Cream Parlor right across the street.

Some of the fine things you might have missed on the first trip around Frontier City are: The "Fort Arcade" with the old fashioned music machines and amusements; the Shooting Gallery and the Archery Range for testing the aim; the old Jailhouse for a talk with "Sleepy Joe"; the famous miniature auto freeway (just like at Disneyland) and the unique "Jim Cellar" for the unusual in fine foods to take home. Oh, yes . . . before you leave drop the folks at home a postcard or two from the Frontier City Post Office located in the "Country Store."

The dynamic young executive, who guides the fates of laundries, dry cleaning plants, a chemical company and a uniform manufacturing concern is fast-carving careers in two other fields . . . amusements and railroads.

Williams is the largest tenant-investor in the 40-acre Frontier City. His holdings run the gamut from railroad cars to a Mystery Shack, dubbed a "gravitational phenomenon which is baffling scientists."

So far as the railroad cars are concerned, he is, perhaps the railroad industry's newest patron of unused rolling stock, as least so far as the Frisco Railroad is concerned.

Williams purchased two Frisco cabooses and had them hauled more than two miles overland, from the nearest railroad siding, by trucks to the Frontier City site. Each weighs 33,000 pounds and is 40 feet long. They serve as offices for Williams Enterprises and for the Frontier City staff.

This feat of "railroad fever" however was far surpassed by a second venture into railroading, when young Williams bought the plush President's car which Frisco declared surplus only four months ago. The 84-foot, custom-built car, renamed the "Susie-Belle" in honor of Williams' wife, contains four bathrooms, four bedrooms, a chef's galley, dining room and a lounge with an observation platform. The carpeted and draped car also came equipped with all linens and silver used when it was in service. Woodwork throughout is solid mahogany; bathroom walls are marble, imported from Italy. The car will accommodate 10 persons.

Hauling the 100-ton iron monster from the nearest railroad siding to Frontier City was marked by a near-tragedy before the plush coach could be lifted from the tracks. One of the jacks slipped and the

big car teetered perilously before finally settling amid broken supports.

It took almost two full days to move the "Susie-Belle" a distance of two miles. This coach will be used for the entertainment of dignitaries visiting Frontier City.

Williams is president of the Oklahoma Operating Co., which controls three laundries, three towel and linen services, two dry cleaning firms, a garage and three automatic laundries. He also is president of the Eagle Uniform Manufacturing Co. and the Okopco Chemical Co.

Listed on the operating company's roster of companies is the new Williams Enterprises, Inc., the springboard for his far-flung operations which contribute in large measure to the label Frontier City rightfully uses as the country's most unusual amusement center.

A frequent visitor to Disneyland and Knott's Berry Farm in California, two of the nation's outstanding tourist attractions, Williams came back with a headful of ideas which quickly were transferred to blueprints. His own engineer, W. E. Upton, visited the West Coast attractions, studied photographs, incorporated ideas. Williams got help from the manufacturer of many Disneyland rides.

The result is that Williams Enterprises owns approximately one-fourth of Frontier City's concessions and they represent an investment of more than \$200,000.

It is expected that in the ten months season more than a million visitors from all parts of the country will pay an exciting visit to Frontier City, U.S.A.

Second row (l. to r.) Field Secretary Johnny Browning and District President Dick Bills gather the initiating teams and officers of the local chapter for pre-initiation instruction.

Charter members of Epsilon-Iota Chapter pose with national officers, alumni, and initiating teams for the official portrait. Congressman Paul Jones, AN (Mo.), front center, gave the installation address. EI S.M.C. Bill Fulkerson is just to his left, and National Treasurer Charles Freeman to his right.

nity. A dance concluded the evening's events.

The group having ended their initiatory experiences began their membership in PiKA by attending church services at the Presbyterian Church Sunday morning. Dr. Mount's sermon on "Unity" was an inspiration to all.

We of Epsilon-Iota Chapter would like to thank all the National representatives who took time to visit us on this occasion. We are grateful to Wendell Black, our new Alumnus Counselor, for his help in every phase of our initiation. We congratulate *Johnny Browning* for his handling of the initiation and installation, and appreciate his advice in getting us started in Pi Kappa Alpha. We thank Paul Landgraf, Dr. Seth Barnes, Earnest Walker, and Steve Strom, alumni of PiKA and residents of Cape Girardeau, and everyone who had a part in making this one of the most memorable events in our lives.

Charter members are:

George William Fulkerson

Wilbanks Sets Initiation Record

By Jerry Halsell, ΔΘ

◆ Delta-Theta Chapter at Arkansas State is proud of the record established by S.M.C. David Wilbanks during his years here. David is one of our most outstanding members and we believe he is headed for big things in life. Wherever he is, men look to him as a leader.

His versatility would require the enumeration of a long list of attributes if we listed them all. In this article, we are

pointing with pride to one of his accomplishments which is seldom, if ever, matched. David has initiated 139 men into the bonds of Pi Kappa Alpha.

Sixty-one men have been initiated by him into Delta-Theta Chapter. 25 of these were brought into our fraternal bonds in 1956 and 36 in 1957-58.

Brother Wilbanks served as S.M.C. for the Arkansas State initiation team which joined with a team from Missouri School of Mines to handle the initiation of 42 men for Epsilon-Iota Chapter at Southeast Missouri State College, Cap Girardeau, Missouri, and David presided over Part II of the initiation ceremony for all 42 men. 36 men were initiated by this team at Murray State College, Murray, Kentucky, when Epsilon-Lambda Chapter was installed. One of these 36 men was Harry Lee Waterfield, Lieutenant Governor of Kentucky.

It is a privilege to be in the chapter with David and an honor to call him brother.

— II K A —

Call to Convention

As National President I hereby call the 1958 National Convention of the Pi Kappa Alpha Fraternity to convene at Hotel Shoreham, Washington, D. C., August 31, 1958.

Student chapters and alumni associations will be represented by official delegates. All members of the fraternity are urged to attend. Families and friends are welcome to participate in all of the social events. Attending the Convention will be a rich friendship reward.

s/ Grant Macfarlane.

Florida State Names Davis Dean of Faculties

By E. D. Whittlesey, Director of Public Relations
Florida State University

♦ If there is an especially difficult job to be done, if there is a decision which calls for more than average intelligence and courage, if there is a move which demands extra octane to get it off the ground, Charles S. Davis, '31 (Alabama Poly.), is the man to call. Tough assignments are the story of Charles Davis' life and his latest as Dean of the Faculties at growing Florida State University, is no exception.

Dr. Robert Strozier surveyed the field from coast to coast, when he became President of Florida State University last year, to find someone to fill this difficult spot. Friends of Dean Davis were not surprised when President Strozier named him to the job.

Charles was born into Pi Kappa Alpha and he worked hard at being a good fraternity man, as he has at all the assignments he has undertaken in the years since.

Being the thirteenth member of the family in Upsilon Chapter of Pi Kappa Alpha did not make Charles Davis superstitious about joining his favorite fraternity. It was a foregone conclusion that he would enter his bid for Pi Kappa Alpha when he went to Auburn in the fall of 1927. His uncle, William Watson Davis, head of the Department of History at the University of Kansas, was national historian of PiKA at that time. His father was a member of Upsilon. All male cousins on both sides had been members and Charles was eager to join the family's favorite fraternity as soon as possible.

Charles Davis' story is one of red-blooded American achievement. Charlie began his education in a one room schoolhouse in Alabama where the teacher taught seven grades. "How much we learned in that place has always amazed me," Charles said in thinking back to those first school days.

The Davis family moved to Mobile so the children could go to high school and Charles graduated from Murphy High School in 1927, entering Auburn that fall and graduating in 1931. He started a course in mechanical engineering at Auburn but at the end of the second year he switched to an economics and history program. He was a member of the Senior Honor Society (Spades), a member of Omicron Delta Kappa and President of the Auburn Circle, a member of Blue Key, Scabbard and Blade, and business manager of the student newspaper, *The Plainsman*. He was the second youngest member of his class and had to wait until

fall to receive his commission in the ROTC.

After graduation he went to Birmingham and spent the summer job-hunting, but in that depression year he found the going too rough there and returned home to take a part-time job at Sears, Roebuck & Company. The following year he returned to Auburn to earn his MA degree

Dr. Charles S.
Davis

in history and went to Southern Military Academy at Greensboro to teach history and science and serve as Commandant of the Cadets where he stayed until January 1934. That year he was invited back to Auburn to fill in one semester in the History Department. He substituted for Dr. Ralph Draughon who had taken semester leave to supervise a WPA project. Dr. Draughon is now President of Auburn.

In 1934 he moved to Duke to begin his graduate work. He stayed a year and a half as a graduate assistant and left with all but his dissertation completed, to accept a teaching assignment at Auburn. In order to complete the work on his dissertation, he resigned the appointment at Auburn, later to go to Montgomery where he directed a WPA research project, collecting materials and directing researchers throughout the state of Alabama while working on his dissertation.

In June 1936 he married Mary G. Merritt of Montgomery. He completed his dissertation and received his Ph.D. from Duke in 1938. That summer he and the new Mrs. Davis spent abroad, visiting Europe, Sweden, Switzerland, France, Germany, the British Isles and Scotland. He returned to teach at Auburn and was invited to serve as faculty adviser to the Upsilon Chapter.

In 1940 he was promoted to associate professor at Auburn. Summer sessions found him teaching at Duke. With the coming of war in Europe he was assigned to active duty in 1942 at Camp Edwards (Cape Cod) to an Engineer Amphibian Brigade. He was made adjutant of the

531st Engineer Shore Regiment. In August 1942 the regiment sailed to Ireland. He trained with the British in Ireland and Scotland and in November 1942 he sailed with the Allied Expeditionary Forces to invade North Africa. He remained with the regiment after the invasion and was promoted to Captain in December 1942. A month later he was reassigned to North Africa Economic Board, working with them during the spring to see that lend-lease materials for the French were assigned to the proper warehouses and properly priced. He dealt with the Algerians and Tunisians principally and in June 1943 was ordered to Tunisia in charge of the import office, handling orders for critical materials to keep the economy of Tunisia going during the war. He was with the British and United States lend-lease personnel until August 1944. He then became American secretary to the Allied Local Resources Board in Naples, Italy.

Commanding General Alexander Patch, U. S. Seventh Army, selected Davis as his historical officer shortly after the invasion and gave him the job of writing a current account of the operations of the Seventh Army. He later wrote a history of the operations of the U. S. Seventh Army in the French and German campaigns, published in three volumes. In January 1945 he was promoted to major and was returned to the U. S. in June of that year.

Returning to his favorite Southland in the fall, he took the job of production manager for the Merritt Beaten Biscuit Co., which position he held with outstanding success until he was persuaded to return to education in 1947. Upon the invitation of President Doak S. Campbell he came to Florida State University as Associate Professor of History that year and a year later was promoted to Assistant Dean of the College of Arts and Sciences. FSU by this time had a student enrollment of nearly 5,000. In March 1958 he was appointed Dean of the Faculties by President Strozier. He has seen the student body grow from 4,000 in 1947 to 7,203 ten years later.

He is a member of the North American Branch of Newcomen Society of England, and since 1952 has been a member of the Commission on Colleges and Universities of the Southern Association of Colleges. He was named a member of the Executive Committee in 1957. In 1957 he was elected the National President of Phi Kappa Phi and traveled extensively throughout the United States, visiting chapters and speaking to faculty and student groups.

The Davises have three daughters, Mary B. who is a freshman at Randolph Macon College; Catherine, a junior at Leon High School, and Charlotte who is in the sixth grade at Kate Sullivan School.

Epsilon-Kappa S.M.C. Bruce Banta is welcomed into the bonds by Claudius Singleton, Crowley, La., first S.M.C. of Alpha-Omicron Chapter.

The fine new Student Union at Lamar Tech.

Seventh Texas Chapter Chartered at Lamar Tech

By Charles T. Clark, III, EK

◆ The Pi Kappa Alpha colony at Lamar State College of Technology, Beaumont, Texas, joined the ranks of Pi Kappa Alpha Fraternity on May 10, 1958, and was designated by its charter as Epsilon-Kappa Chapter.

The movement to establish Pi Kappa Alpha at Lamar Tech began in October, 1957, with the members of Sigma-Phi-Gamma Fraternity, founded in 1955, discussing the merits of an ideal national fraternity. The members of Sigma Phi Gamma, which was established on the principles of scholarship and personality, believed that affiliation with a national

fraternity would help them fulfill these ideals.

Contacts with Pi Kappa Alpha led to visits by National Expansion Director Robert Duke, National Vice-President James V. LeLaurin, Field Secretary David Collins, Executive Secretary Robert Lynn, and District President Joe Wirsich. The inspired group secured permission from college officials and from the Supreme Council in February, 1958, to form a Pi Kappa Alpha colony. Dr. James C. Cox, Jr., one of Lamar Tech's leading professors, was asked to serve as Faculty Sponsor. Professors H. E. Eveland, James

R. Fulton, and David G. Taylor, alumni members of Pi Kappa Alpha, furthered our efforts to become the fifth national fraternity on the Lamar Tech campus.

Visits during the spring were made by Field Secretaries Lynwood Kleinhoffer and John Browning. Prior to the installation, Brother Kleinhoffer administered the Pledge Tests and handled the arrangements for the installation ceremony. Friday evening, May 10, 1958, the initiating team from Gamma-Psi (Louisiana Tech) conducted the individual initiations in the St. Stephens Episcopal Church.

Part II of the initiation ceremony and the chartering ceremony took place Saturday afternoon under the direction of National President Grant Macfarlane of Salt Lake City. Other national officers participating were National Vice-President James V. LeLaurin, National Expansion Director Robert C. Duke, District President Joseph A. Wirsich, and Field Secretary Lyn Kleinhoffer.

Alumni participating in the installation included Claudius Singleton, first SMC of Alpha-Omicron (Southwestern, Georgetown, Texas); John Pike Powers, son of the past Grand Princes John Pike Powers; and George D. Taylor, local attorney.

Saturday evening a semi-formal dinner was held in the Crown Room of the King Edward Hotel. Representatives of the administration and officers of other fra-

National President Grant Macfarlane and fellow officers join with Epsilon-Kappa charter members for the installation picture.

ternities and sororities were honored guests. The program was ably handled by Brother Pike Powers as Master of Ceremonies. National President Macfarlane gave an inspiring address.

The chapter, represented by Brother Mike Matheny, presented a pin to our Faculty Advisor, Dr. Cox, who was initiated into the bonds of Pi Kappa Alpha with us.

District President Joseph Wirsich, of Oklahoma City, presented a fraternity flag to SMC Bruce Banta as a gift of welcome from the other chapters in the district.

Lamar State College of Technology is located in the heart of industrial southeast Texas at Beaumont. The principal industries in the area are oil refining, shipping, ship building, and rubber manufacturing. Rice farming and ranching are the chief agricultural pursuits. The campus is situated on a 75-acre tract in the city of Beaumont, which has a population of 120,000. The new campus has a plant and equipment valued in excess of 5 million dollars, with major additions being made each year. The school has a current enrollment of 2,800 students, the largest percent of whom come from the "Golden Triangle" area of Beaumont, Port Arthur, and Orange, Texas.

Officers of the chapter are: SMC Bruce E. Banta, IMC Thomas F. Clark, Th.C. Elmer G. Rode, and SC Thomas F. Burks.

Charter members are:

Dr. James C. Cox, Jr.
Thomas F. Clark
Thomas M. Willard
Charles T. Clark, III
Mark Crocker
Raymond W. Flummerfelt
Howard Horton
Archie J. Land
Jerry Dodson
Charles Anderson
Thomas Jones
Thomas Burks
Bruce E. Banta
Elmer G. Rode
Charles Price
Rodger Shoemake
James H. Glanville
Cecil C. Balzersen
Larry Munsch
Michael D. Matheny
William E. Dunaway

Dr. Robert M. Schell, AΞ (Cincinnati), was the honored guest at the 28th Annual PiKA Reunion Picnic June 14. This annual affair at Earl Wagner's farm, under the direction of Jim Pancake as chairman, and Kirby McCord as hospitality chairman, was thoroughly enjoyed by a large number of alumni and student members.

Dr. Allan Hall (l.), president of the Washington, D. C., Alumni Association, and his team of Convention Chairmen—(l. to r.) General Chairman John Horne, Sam McCart, Ed Creel, III, Harry Dent, Norman West, Bernie Passeltiner, Fred Stevenson, and Jerry Stapp.

Letter of Welcome

To Members of Pi Kappa Alpha:

The Alumni in metropolitan Washington send greetings to all of you and invite you to join with us in the nation's Capitol for the 90th Anniversary Convention of the Pi Kappa Alpha Fraternity, August 31 - September 3, 1958.

It is a privilege for us to serve as your hosts. A fine program has been arranged. Facilities are excellent.

Convention committees under the leadership of General Chairman John Horne are ready to serve your every need.

Yours fraternally,

*s/ Allan Hall, M.D., President
Washington Alumni Association.*

Murray State College Auditorium which seats 3,000 people.

113 Charter Members Initiated At Epsilon-Lambda

By Larry Jetton, EA

◆ Epsilon-Lambda Chapter, the first chapter of any national Greek letter social fraternity at a Kentucky state college, was installed May 16 and 17 on the Murray State College campus. Epsilon-Lambda thus became the 116th chapter of Pi Kappa Alpha in existence. The charter was presented to Tau Sigma Tau, a local social fraternity which was founded on the Murray State campus November 9, 1950. The local group began correspondence with Pi Kappa Alpha in mid-February of this year and has taken great steps and done a tremendous amount of work in the relatively short period of ninety days. Our success in obtaining a Pi Kappa Alpha charter can be largely attributed to the efforts of our SMC Hal Houston, who worked diligently and unselfishly during the period of correspondence and petitioning.

After preliminary correspondence, National Treasurer Charles L. Freeman visited the Murray State College campus and conferred with members of the administration, including Brother William G. Nash, Dean of Instruction. Chapter Service Secretary Watkins visited subsequently. A delegation from the Tau Sigma Tau Fraternity participated in the District No. 7 Convention held at the Memorial Headquarters in Memphis, Tennessee, March 29. After Supreme Council approval, petitioning steps were

begun. With voting approval seemingly assured, a group from the Murray State local fraternity was invited to the installation banquet at Southeast Missouri on May 3rd to "see how it is done."

Tau Sigma Tau Fraternity was founded November 9, 1950, by five men of high ideals and a love for the Alma Mater. At the time of chartering, the local fraternity had 95 active members and 109 alumni, with assets in excess of \$3,000 including three acres of land on Kentucky Lake on which a cabin is being constructed for fraternity use. Scholarship is emphasized by the requirement of a 1.5 average (on a 3.0 system) before pledging, and the presentation annually of a \$100.00 scholarship to an outstanding high school senior.

Murray State College has a current enrollment of 2,400 students. It is located at Murray, Kentucky, a town of 10,000 people, only 15 miles from beautiful Kentucky Lake, which is part of the TVA system on the Tennessee River.

The college is a member of the National Collegiate Athletic Association and the Ohio Valley Conference. The 75-acre campus is in a setting typical of the natural beauty found in West Kentucky. National fraternities will find a cordial administration under the leadership of President R. H. Woods.

Individual initiations for 114 men began on Friday night, 16th of May, with the chapter installation the following Saturday afternoon. The individual initiations were conducted by undergraduate teams from Omega (Kentucky), Kappa (Transylvania), Theta (Southwestern), Delta-Zeta (Memphis State), and Delta-Theta (Arkansas State).

Several prominent citizens affiliated with the local group were also initiated. These were: Harry L. Waterfield, Lieutenant Governor of Kentucky; L. D. Miller, Murray Chamber of Commerce; George Hart, president, Bank of Murray; Leonard Vaughn, president, Murray Fabrics, Inc.; Robert Hahs, M.D.; John Quertermous, M.D.; Wells Purdom, Sr., prominent local business leader; Darrel Shoemaker, prominent business man and president of Shoemaker Popcorn Company; William Boyd, cashier, Peoples Bank; James Lassiter, Commonwealth attorney; Carl May, Nashville Tennessean journalist; and Murray State faculty members Dr. Richard Farrell, Paul Shahan, Joseph Irwin, M. C. McRainey, Robert Barr, and B. J. Tilman, newly elected faculty advisor to Epsilon-Lambda.

The chapter installation ceremony was presided over by Charles L. Freeman, national treasurer. Other national officers participating in the chapter installation were: William R. Nester, national secretary; Robert D. Lynn, executive secretary; David Collins, field secretary and

**Installation Banquet Dignitaries
—(l. to r.) Dean J. M. Sparkman,**

Dr. Harry Sparks, Executive Secretary Lynn, Acting District President John U. Field, Lt. Governor Harry Waterfield, Murray State President Ralph Woods, National Treasurer Freeman, National Secretary Nester, and Dean William G. Nash.

director of arrangements; and John U. Field, alumnus counselor to Omega (Kentucky). Also on hand for the installation ceremonies were John Hardin, an alumnus of Gamma-Iota (Mississippi); Jack Frost of Alpha-Lambda (Georgetown), and Dr. William G. Nash, an alumnus of Alpha-Lambda and present dean of Murray State College.

An installation banquet Saturday evening at the Murray Woman's Club House highlighted the weekend's activities. Dr. Nash, former District President and Endowment Fund Trustee, served as master of ceremonies. The Supreme Council members who were present gave short, heartwarming and spirit-building talks to the group. Robert Lynn gave the main address of the evening. Brother Lynn's address centered around two points: what Pi Kappa Alpha is, and what Pi Kappa Alpha should mean to its members.

Special guests attending the banquet included Dr. Ralph H. Woods, president of Murray State; J. Matt Sparkman, dean of students; and Dr. Harry Sparks, former faculty advisor to the local group. Dr. Sparks was presented with a gift as an expression of gratitude for the years of service which he rendered to Tau-Sigma-Tau.

Following the banquet, our guests from other Pi Kap chapters and the members of Epsilon-Lambda, along with Dave Collins and Johnny Hardin, traveled to Cedar Point on beautiful Kentucky Lake where everyone sat around a huge bonfire singing songs and enjoying some of that good old PiKA brotherhood.

To close the weekend's activities, members of the initiating teams, the national officers and representatives, and the brothers of Epsilon-Lambda attended church services on Sunday morning at the First Christian Church.

The events of that weekend were most heartwarming and enlightening for the members of Epsilon-Lambda, and we sincerely hope that the memories of those three days will be as cherished by all our visitors as they will be by all of the brothers of Epsilon-Lambda.

In addition to the alumni members

listed above, the charter members of Epsilon-Lambda Chapter are:

The University of Missouri School of Journalism is celebrating its 50th anniversary. The School was founded in 1908 and was the first school in the world to offer a degree in journalism. It has graduated more than 7,000 students.

Governor Chandler Welcomes New Kentucky Chapter

◆ Governor A. B. Chandler, K (Transylvania), planned to be present for the installation of Epsilon-Lambda Chapter at Murray State College, Murray, Kentucky, but the installation date conflicted with his duties attending the annual Governors Conference.

Brother Chandler dispatched the following letter to John U. Field, long-time friend and fraternity brother, with the request that he read it at the installation: "Dear Brother Field:

"Ninety years after the creation of the parent chapter of Pi Kappa Alpha the fraternity continues to grow. The establishment of this chapter at Murray State College is the latest addition to the list of chapters that number well over one hundred.

"Through the years, many forget the high principles that are embodied in the fraternity system. Let those who form the founders of this chapter remember and imbue into future members the high purposes of the organization.

"A fraternity that remains close to the high principles of its organization can contribute much to the college years of its members. Brotherhood, to be successful, must be more than a mere social gathering. The ideals that make a common bond with all of you should remain fresh and alive in the years to come.

"With best wishes for the success of the chapter and congratulations on your new venture.

"Fraternally,

*"Albert B. Chandler, Governor
 "Commonwealth of Kentucky."*

Murray State Leads the Way

By Larry Jetton

◆ Epsilon-Lambda, after having been in existence for only two days, walked off with top honors in the male division of the all-campus singing festival at Murray State. The winner's award was a 16-inch trophy on which the name of the fraternity was engraved. The trophy is presently on display in our chapter room and will remain there until next spring when we will again vie for it. As usual the singing competition was stiff, but when the brothers of Epsilon-Lambda rang out in perfect harmony with "Stout-hearted Men" and "I Believe," there was no doubt that the PiKaps had struck another victory blow.

In addition to the singing award, several of our chapter members captured in-

dividual awards at the annual Honors Day program, the purpose of which is to honor those students who have done outstanding work during the past school year and during their entire college careers. Taking top honors among all Murray State students was none other than our former SMC, Hal Houston, who was named as outstanding senior boy. Hal was also named PiKA Man of the Year for our chapter. This award is a carry-over from one we had previously presented as a local fraternity. Still further, Hal's name was added to the roll of *Who's Who*. Three other PiKAs were also named to *Who's Who*. These were: Sam Crass, Dave Bowell, and Rex Thompson. Sam Crass was also honored as "best groomed" among all males at Murray State, while Brother Thompson received the award for outstanding scholarship in military science over a period of four years. Mike Luckett received an award as the outstanding freshman military science student. PiKAs were chosen by the student body to fill five of the nine positions for "Men on the Campus." The five were: Bailey Hendricks, Ken Fuller, Harold Gibson, Holmes Ellis, and Hal Houston.

David Bowell, one of our outstanding members, was chosen to edit the 1959 college yearbook, while Johnny Kink will serve as business manager of the yearbook. Paul Lund, who hails from north of the Mason-Dixon line, will extend the Garnet and Gold prestige still further as he serves the Veterans Club as its president for the coming school year.

Epsilon-Lambda's Dream Girl for 1958 is Miss Regina Alderson, 222. Miss Alderson is a junior Elementary Education major from Paducah, Kentucky. One of the outstanding co-eds on the Murray State campus, she is active in many phases of campus life. Her attendants are Martha Lewis and Sarah Ward, 222.

Our chapter is presently constructing an octagonal cabin on Kentucky Lake which is only a short distance from Murray. The cabin project was begun at mid-semester last year and is progressing quite favorably considering both the labor problem during the school year and the weather problems.

We at Murray State hope this article shows that Epsilon-Lambda is a strong though new link in the Pi Kappa Alpha bond. We can proudly write that PiKA is on top at Murray State.

Men of Service

◆ The strength of a local chapter depends considerably on the quality and availability of an Alumnus Counselor. The Fraternity is indebted to these men who have served the Fraternity faithfully and well. The listing below shows the name of the institution, the name of the Alumnus Counselor, the chapter into which he was initiated, his occupation, and his years of service as Alumnus Counselor. These fourteen Alumnus Counselors are being honored in this issue. Others will be recognized in future issues.

Colorado State University—Walter J. Osterhoudt, AX (Syracuse) and BΞ (Wis-

consin), Exploration Geophysicist and Geologist. Two years.

Florida Southern College—David L. Readdick, ΔΔ (Florida Southern), Asst. Dean of Students, Florida Southern College. Eleven years.

Kansas State College—Don E. Thomas, ΑΩ (Kansas State), Insurance Salesman. One year.

Transylvania College—John T. Gentry, K (Transylvania), Farmer. Served as high school principal and basketball coach 1935-57. One year.

Ohio State University—C. G. Ohler, AP (Ohio State), Truck Sales Manager. Two years.

University of Oklahoma—John F. Malone, BO (Oklahoma), Manager, Norman Chamber of Commerce. Former IIKA Asst. Executive Secretary. Two years.

Southeast Missouri State College—Wendell P. Black, ΓI (Mississippi), Insurance

Broker. One year.

University of Pittsburgh—Robert M. Burford, Jr., ΓΣ (Pittsburgh), District Sales Manager, Pennsalt Chemicals Corp. One year.

Valparaiso University—John A. Ohlfest, EB (Valparaiso), Banking. One year.

Bowling Green State University—Scott S. Frear, BA (Penn State), Asst. Director, Food Service. Two years.

Rutgers University—William S. Alexander, ΑΨ (Rutgers), Supervisor, DuPont Company. One year.

University of Arizona—Rollin D. Burr, ΓΔ (Arizona), Elementary School Principal. Five years.

Presbyterian College—Dr. John McSween, B (Davidson), Retired Presbyterian Minister. One year.

Florida Southern College—William Paul Wille, ΔΔ (Florida Southern), Photographer. One year.

Epsilon-Mu Installed — East Carolina

By Fred Roberrson, EM

◆ Phi Kappa Alpha local fraternity at East Carolina College, Greenville, North Carolina, was installed as Epsilon-Mu Chapter on May 17, 1958. The 36 charter members include two faculty advisors.

Field Secretary John Browning handled the grading of the National Pledge Tests and arrangements for the installation. Individual initiations were held Friday night, May 16, at the First Presbyterian Church. One team was led by SMC Bill McElveen of Mu Chapter, Presbyterian College, and a second team by District President L. A. McCall.

Saturday, May 17, at 3:00 P.M., Part II of the initiation ceremony and the chartering of the new chapter took place at a meeting presided over by National President Grant Macfarlane of Salt Lake City. Others assisting were Chapter Service Secretary Earl Watkins, Field Secretary John Browning, District President L. A. McCall, Faculty Advisor Orval Phillips, and R. C. Deal, a Golden Chapter member from Beta (Davidson).

The formal banquet was presided over by Brother Bob Vining, faculty advisor and Captain in the U. S. Air Force. Guest speakers were East Carolina Col-

lege President Dr. John D. Messick and Student Government President Mike Catsis. Other guests include Vice-President and Dean of the College, Dr. Leo Jenkins, and representatives of the other

East Carolina College S.M.C. Thomas A. Farlow hails from Sanford, N. C.

fraternities. President Macfarlane gave an inspiring and challenging address.

President Macfarlane presented a gavel to SMC Tom Farlow as a gift to the new chapter from the Supreme Council. A ballot box was given by District President McCall. SMC Farlow presented a portrait of Dr. Orval L. Phillips, ΔM (Mississippi Southern), to the chapter and announced that portraits of the other two chapter advisors would be presented this fall.

It was impossible to arrange for group church attendance, since the Greenville churches were holding a combined service for the college baccalaureate service. Arrangements have been made for the chapter to attend church as a group on the first Sunday of the fall quarter.

Phi Kappa Alpha was organized in the spring of 1956 as a service fraternity. A \$50.00 scholarship award to a male freshman was established, along with trophies for the outstanding actor and actress of the East Carolina Playhouse. These awards are presented annually. When the Board of Trustees authorized social fraternities, Phi Kappa Alpha changed its status, but has continued its service activities. It helped organize the Inter-

fraternity Council and one of its members is president for the coming year. Of the four additional official fraternities on campus, one has received a charter from Theta Chi national fraternity; another is an official colony of Lambda Chi Alpha; and the other two groups are negotiating with Sigma Nu and Kappa Alpha. Our chapter placed second among fraternities in scholarship for the past year.

East Carolina College, Greenville, North Carolina, was chartered in 1907 by the General Assembly of North Carolina. The plant currently consists of a 130-acre campus containing 27 buildings with a total valuation of approximately \$10,000,000. The present enrollment is 3,500 students. The college is co-educational. It is located in the town of Greenville in the central coastal section of the state, 84 miles east of Raleigh and 137 miles south of Norfolk, Virginia. The town has a population of 16,000.

Officers of the chapter are: SMC Tom Farlow, Sanford, N. C.; IMC Dick Buckley, Seaford, Delaware; Th.C. Don Knight, Roanoke Rapids, N. C.; Historian Fred Robertson, Littleton, N. C.;

College

S.C. Reid Parrott, Kinston, N. C.; M.C. Kein Nielsen, Richmond, Virginia; Pledgemaster Howard Brewer, Greensboro, N. C.

The Faculty Advisors are Dr. Orval L. Phillips, Capt. George B. Patterson, and Capt. Robert W. Vining.

Beta-Mu Chapter, University of Texas, held a fraternity retreat February 15 and 16, 1958, at the Presbyterian Mo Ranch, Hunt, Texas, to consider the following subjects: (a) Service and responsibility of the fraternity to the individual (b) Service and responsibility of the individual to the fraternity (c) Service and responsibility of the individual and the fraternity to the university.

Jack Holland, Dean of Men at the University of Texas, served as moderator, and Jack Moore led the worship service.

National Service Secretary Earl Watkins presents the gavel to the S.M.C. of the new chapter. (l. to r.) Captain Robert W. Vining, National President Macfarlane, President Messick, Brother Watkins, Captain George B. Patterson, Mrs. Patterson, and I.M.C. Dick Buckley.

Garnet and Gold carpet presented to Alpha-Omicron Chapter by its pledges.

Alpha-Omicron Pledges Present Red Carpet

By Joe Bauscher

◆ Alpha-Omicron Chapter, Southwestern University, Georgetown, Texas, was the recipient of a Pi Kappa Alpha "red carpet," made of garnet and gold. In a formal ceremony given by the candidates for initiation, the red carpet and the document of presentation were accepted by the S.M.C. for the chapter. The carpet is to be used only on special occasions.

New members of the fraternity were also initiated into the new training program for further education on fraternity matters following initiation. Weekly meetings are conducted by the Chapter Officers who explain the duties and the responsibilities of actives and alumni to the fraternity. The new members have also met with the By-Laws Committee which has re-written the chapter by-laws. In doing so, they have been given a broad insight into the deeper workings of the fraternity. Eight men and the officers are participating in this program.

For those men who assume office in September a new officer training program has been established whereby these men will act as apprentices and aides to their respective predecessors in office. There has also been a rush seminar for all actives and pledges in preparation for fall rush.

Alpha-Omicron would like to pay tribute to those men who graduated last May and commend them on the excellent work they did for their beloved fraternity. They are Robert P. Coyner, Ronand Gollberg, Van Earl Rae, and Drew Sanders.

Successful parties were given by Alpha-Omicron Chapter, especially this year's Dream Girl Formal. The highlight of the evening was the presentation of the Dream Girl for 1958, Miss Willeda Cox, AΔH.

Tulane Wins Pep Rally Trophy

◆ Eta is proud of two of the awards that we have won this year. One was an award for second place in bridge and another was a first place trophy for our project in the giant, school-wide, Fall Pep Rally.

All the men of Eta Chapter have worked especially hard this year in completely remodeling our basement playroom, the only one on the Tulane campus. The basement, which has a floor area of approximately 2,000 square feet, was completely repainted on the ceiling, doors, columns, and stairs, with a black and white color scheme being used. The walls were panelled in knotty pine. The entire fraternity has pitched in to work on this project with the pledge class guiding the work. Much additional work is

planned this summer for the basement in preparing for next year's rush parties.

Eta Chapter has recently completed elections for the fall semester of 1958. Brother Bill Brantley has been elected SMC; Brother John Harris was chosen IMC; ThC is Brother James Rich; SC is Brother Jerry Reel; and Brother Doug Abadie is our new MC. Brother Rich has also been chosen as Eta's representative to the upcoming National Convention.

Eta swelled her ranks with the February initiation of 10 outstanding men from the 1957 fall pledge class. These men included Kent Beadle, Slidell, La.; Jerry Cassel, Longview, Texas; Nelson Castellano, Tampa, Fla.; Don Fenner, Hobbs, N. M.; Frank Hatchett, Columbiana, Alabama; George Koomos, Tullahoma, Tennessee; Don MacArthur, New Orleans, La.; Lanny Poole, Birmingham, Ala.; Ed Spoto, Tampa, Fla.; and Javier Zapata, Laredo, Texas.

— Π K A —

Dr. Gifford Speaks At Arizona

By Bill Nelson, ΓΔ

◆ Gamma-Delta Chapter, University of Arizona, celebrated its Founders' Day with a banquet, March 15, at the Santa Rita Hotel in Tucson. Dr. Gilbert Gifford, University of Arizona faculty member and an alumnus of Beta-Beta Chapter (Washington), was the main speaker. Dr. Gifford spoke on the importance of faith, dependability and enthusiasm in the living of a fuller and more successful life. We were also glad to have Johnny Browning, new field secretary, present at the banquet.

The annual Dream Girl Formal highlighted Gamma-Delta's social activities for the spring semester. The banquet and dance, held at the El Rio Country Club, was preceded by an afternoon swimming party for members and their dates.

Seven new men were initiated into the fraternity this spring bringing the active membership to twenty-two. Two new pledges were gained in April. With the present membership, fall rush should be very successful.

Plans for a new house are well under way under the leadership of Fred Vickers, alumnus of Gamma-Delta and chairman of the house corporation. It is hoped that we can move into new quarters sometime next year.

We have been fortunate this year in having Stan Love, former field secretary, attend the university while he worked on his M.A. in business. Active in chapter affairs he organized the Old Fellows Club. Stan celebrated his 25th birthday this year which made him a charter member of the O.F.C.

1958 Dream Girl Formal — Kentucky Style

By Bernie Meese

◆ On Friday evening, April 25, Omega Chapter's "Social Calendar" hit its high point. The brothers and their

huge sitting rooms, the Governor's private dining room and the large guest dining room where refreshments were

Kentucky Governor and Mrs. A. B. Chandler pose with University of Kentucky Dream Girls (l. to r.) Sissy Guthrie, Mary Jo Berry, and Ann Webb during the Ball at the Governor's Mansion.

dates were the guests of Governor and Mrs. A. B. "Happy" Chandler at the Governor's Mansion in Frankfort for our annual Dream Girl Formal. Also in attendance were Kappa (Transylvania) and Alpha-Lambda (Georgetown) chapters plus several guest from Alpha-Xi (Cincinnati).

Following a scenic drive through the beautiful "Bluegrass Region" the chapter had an evening of dancing.

The spotlights shown brightly on the Capitol building as we drove round the massive structure approaching the Mansion driveway. The Mansion stood out like a star as we parked along the winding way under the direction of the state police.

The colonial furnishings of the building carried us back into the pages of history. Those who had brought their cameras had some beautiful backgrounds for their many shots.

We were greeted at the center of the hallway by Brother and Mrs. Chandler. Flanking the sides of the hall were two

served. Turning left from where we were greeted we stepped onto a large front porch. From the center hall there were twin winding stairways to the second floor. The mansion had just recently been redecorated.

At the far end of the hallway sounded music from the ballroom which was painted a soft white and trimmed in gold, with a huge crystal chandelier hanging from the center of the ceiling. The room was lighted by small "candle light" fixtures along the walls.

Dancing to the constant flow of music, resting on the plush furniture of the sitting rooms, walking over the surrounding grounds, feasting in the dining room, or just standing on the front porch—everyone was truly having a "ball."

At 11 o'clock the huge chandelier came aglow and the "crowning hour" was upon us. Social Chairman Charlie Wyrick opened the program by expressing our deep appreciation to Governor and Mrs. Chandler for being such great hosts. At

this time Mrs. Chandler was presented a favor from the chapter.

Next to be introduced was Omega's "grand ole man" — Alumnus Counselor, John U. Field. He spoke briefly before introducing Brother Chandler. "Happy" thanked all of us for our fine turnout and invited us to be his guests next year.

Brother Chandler then spoke briefly of our grand history and what PiKA and Kentucky's three chapters had meant to him. He continued by saying that this "little" party was just a small return for what the fraternity had given. He also congratulated National for the forthcoming installation of the Murray State Chapter.

SMC Charlie Wilson came forward, and announced the two attendants to the Dream Girl—Miss Ann Shelby Webb and Miss Sissy Guthrie. Then the long waited a moment arrived and he presented "the 1958-59 Omega Chapter Dream Girl, Miss Mary Jo Berry of Delta-Delta-Delta." The band struck up as Mary Jo and her escort Jack White entered from the hallway.

Following her crowning by Brother Chandler, Miss Berry and Brother White along with the Governor and Mrs. Chandler began the Dream Girl Dance. Soon all the couples joined, the huge chandelier dimmed, and dancing was resumed.

Stetson Active In Intramurals

By Jim Turkey

◆ The first annual Stetson Intramural trackmeet was held May 20th. I I K A racked up a second place victory for the event, and was not far behind the first place winner, pointwise. Mel Christman swept the field with two firsts and three seconds. Tom Bouchlas had two firsts.

At Awards Day Assembly, Friday, May 16, Delta-Upsilon received the award for finishing third out of a field of nine teams in the Intramural Program for the entire year. Brothers Ted Watson and John Thurber and Pledge Guy Turcotte received the award for their well deserved first place victory in the Campus Quiz Bowl competition. Individual awards went to Ted Watson and Mel Christman, All Star Softball Team, and Mel Christman, All Star Basketball Team.

The annual Hawaiian Holiday Weekend was quite a success. Friday we had a dance party on our patio decorated like one of the Islands. Leis and Poi helped the spirit of the evening. Saturday was a day of swimming at Sanlando Springs climaxed by a dance that evening. A beach party at New Smyrna Beach concluded a fine weekend.

Members of Beta-Chapter, Davidson College, in 1869. (l. to r.) front, Wilson J. McKay, Thomas B. Bailey, George Summey; center, George W. Walton, Alfred J. Morrison, Isaac A. Murchison; back, Alexander Malloy, Franklin McNeill. Missing from the picture are Philip H. Pitts, George B. Anderson, and James H. Anderson.

Beta Chapter — A Treasure of Pi Kappa Alpha

By Freeman H. Hart
National Historian

◆ Thanks to the contributions of Brother Albert Miller Hillhouse this story of Old Beta is presented to you. As many of you know, Brother Hillhouse,

Dr. A. M.
Hillhouse

Beta, has been a distinguished professor at Cornell University for a long time. It was he who discovered the very rare chapter picture of Old Beta which includes Dr. George Summey as well as Alfred Morrison, the brother-in-law of Generals Stonewall Jackson and D. H. Hill of the Confederate Army.

Those of you who have read the *History of Pi Kappa Alpha* will remember that Beta Chapter was founded in 1869 within a year after the establishment of the Fraternity. However, because of faculty restrictions against fraternities, the Chapter became inactive in less than a year. Nevertheless, within that year Old Beta initiated eleven men into Pi Kappa Alpha whose influence became far-reaching in the Fraternity.

One of the early members of Beta, who was initiated at the tender age of fifteen, was Dr. George Summey, who was in the fullest sense of the word the "Grand Old Man of Pi Kappa Alpha." He was an active member of the Fraternity for nearly ninety years and continued to attend national conventions until he was nearly one hundred years of age. Of the thou-

sands who heard Dr. Summey speak, no one will ever forget the powerful voice and the grand Southern oratory that might have come from a man in his thirties or forties instead of a man in his late nineties. It was Dr. Summey's speech at the Mackinac Island Convention of the Fraternity which had so much to do with the decision to locate the Memorial Headquarters in Memphis, Tennessee.

If Old Beta had initiated only Dr. Summey, it would have made an outstanding contribution to Pi Kappa Alpha, but he was not alone in leadership among these early Betas. Of the eleven men who were initiated in the first year of Beta Chapter, not a single one proved a failure, and all of them should have been in *Who's Who in America*, not alone for their contribution to the Fraternity, of course, but for their contributions to their states and the nation generally.

Of outstanding importance to Southern members generally was the fact that one of the early Beta initiates, Alfred J. Morrison, was a brother of Mrs. Stonewall Jackson, the wife of the brilliant Confederate chieftain. At the 1901 Convention of Pi Kappa Alpha in Charlotte, North Carolina, Mrs. Stonewall Jackson was the guest of honor. Morrison was also the brother-in-law of General D. H. Hill, another of Lee's corps commanders.

From the standpoint of Pi Kappa Alpha contributions, Dr. Summey, in addition to his national leadership, was the founder of Zeta Chapter at the University of Tennessee. Another charter member of Old Beta was Philip Henry Pitts who founded Delta Chapter at Southern University, later Birmingham-Southern. These men had caught the spirit of Dr. Augustus Washington Knox, collateral descendant of George Washington, who

not only had the distinction of being the first initiate of Pi Kappa Alpha, but likewise was its pioneer in expansion as the founder of Old Beta Chapter.

Another remarkable thing about the members of Old Beta is in the fact that they furnished many excellent legacies to the Fraternity in the persons of sons and close kinsmen. For example, the nephew of Alfred Morrison and son of General D. H. Hill was one of the founders of Alpha-Epsilon Chapter at North Carolina State College.

As previously stated, Old Beta lasted less than a year because of faculty restrictions on fraternities. It is interesting to note, then, that one of the charter members of Beta was Wilson James McKay, who later became one of the outstanding trustees of Davidson College and presumably he had much to do with lifting the ban on fraternities at Davidson. At any rate, Beta Chapter was rechartered after a quarter of a century of inactivity and readily picked up where Old Beta had left off. During the two-thirds of a century since its rechartering in 1894, Beta Chapter has continued to pour into the Fraternity the kind of leadership that came out of Old Beta. Over a large part of that period Beta's leading spirit was an adopted brother in the person of Howard Bell Arbuckle, the First. Dr. Arbuckle was a Junior Founder, for many years an outstanding national officer, and had the distinction of initiating more brothers into the bonds than any other Pi Kappa Alpha. Two of the four Pi Kappa Alpha sons of the National Historian were initiated by Howard Bell Arbuckle. Like Dr. Summey, he left his inspired impression on that great host of men who have gone out from Beta.

One of these bright and happy days an alumnus, or some alumni, of Beta will

(r.)
Judge Philip
H. Pitts

(l.)
Dr. Thomas
George Walton

provide a Beta Memorial Room in the National Headquarters Building in Memphis where the achievements of the Old and New Beta may be more completely enshrined in the hearts of all good Pi Kappa Alphas.

— Π Κ Α —

The Founders — Beta Chapter

NOTE: This article by the editor is based on research material furnished by Dr. A. M. Hillhouse, Beta.

◆ On March 1, 1869, exactly one year after the founding of the Pi Kappa Alpha Fraternity at the University of Virginia, five students at Davidson College, Davidson, North Carolina, received a charter as Beta Chapter, largely through the efforts of Augustus W. Knox, M.D., who had been initiated by Alpha Chapter May 1, 1868. The five charter members were T. B. Bailey, W. J. McKay, A. J. Morrison, P. H. Pitts and T. G. Walton. Six more men were brought into the chapter before its one year existence was terminated by a faculty resolution prohibiting fraternities. The men decided to disband rather than exist as a sub-rosa chapter in violation of college regulations. The chapter remained inactive until November 30, 1894, when it

"Liberty Hall," boyhood plantation home of Philip Henry Pitts, erected in 1849 near Uniontown, Alabama.

"Creekside," built in 1836 near Morganton, North Carolina, was the home of Dr. Thomas George Walton.

was revived after the college had rescinded its ban on fraternities.

This first class of Beta men included three ministers: McKay, Morrison, and Summey; four lawyers, Bailey, Pitts, Murchison and McNeill; three businessmen and farmers, Malloy, G. B. Anderson and J. H. Anderson; and one doctor, Walton. In later life, most of these men brought great distinction to themselves, to their alma mater, and to Pi Kappa Alpha.

It is thought that Alfred J. Morrison was probably the organizer of the 1869 group, succeeded by Wilson J. McKay as leader the following school term. These five charter members of Beta were numbers 11 through 15 on the national roll, since only ten men had been initiated into the fraternity prior to their initiation, and by June of 1869, the 11 Beta Chapter members constituted exactly one-half of the total fraternity membership at that time. George B. Anderson and James H. Anderson who were initiated May 15, 1869, subsequently became brothers-in-law. Philip H. Pitts and James H.

Anderson had been Confederate soldiers. Pitts at 14 years of age was probably the youngest soldier of the Confederacy to become a member of Pi Kappa Alpha.

Thomas Braxton Bailey is No. 1 on Beta Chapter rolls, since the five charter members were assigned roll numbers alphabetically. He was second honor graduate of the Class of 1871, and had served as editor of the *Davidson Monthly*. He earned the A.B. and A.M. degrees. Born in Mocksville, North Carolina, he was educated in private schools before entering Davidson. After graduation, he married Jessie Hall of Covington, Tennessee. Their three children predeceased him and there are no direct living descendants. Admitted to the bar in 1876, he became a prominent and highly respected attorney. He served as mayor of Mocksville and as state senator. He was a member of the Board of Directors of banks and many other organizations. An elder in the Presbyterian Church, he made generous gifts to Davidson College. He was one of the principal speakers at the Na-

Thomas Braxton Bailey
as a young attorney
in 1879.

J. McKay in 1878.**

Alfred J. Morrison
in 1876.

tional Convention in Charlotte, North Carolina in 1901, and his niece states that, "He loved his fraternity and was proud of it." In 1894, Dr. George Summey, a fellow member of Beta Chapter wrote: "He is one of the finest characters in all of our body—a man of great purity of heart and life, a stalwart friend, a man who has a hatred of all sham and insincerity, and who enjoys to a remarkable degree the confidence of all who know him—and his friends are legion." Brother Bailey died January 25, 1916.

Wilson James McKay was President of the Philanthropic Literary Society and won the debaters medal. A native of North Carolina, he was reared in Mayesville, South Carolina, and attended the University of North Carolina prior to entering Davidson. He and his wife, Sarah Knox Witherspoon of Sumter, South Carolina, had four children: Mrs. Shepard K. Nash of Sumter, South Carolina, John W. McKay (Beta Chapter, Class of 1903) who died young, Dr. Robert McKay, and Dr. Hamilton W. McKay, both of Charlotte, North Carolina. A Presbyterian minister, he held pastorates in North Carolina and for many years served as the beloved pastor of the Presbyterian Church in Sumter, South Carolina. He received a Doctor of Divinity degree from the University of North Carolina. From 1874 to 1920 he was a member of the Board of Trustees of Davidson College and served as President of the board for 12 years, and continued as Secretary of the board until his death. Dr. Walter W. Lingle, for many years President of Davidson College, said: "No trustee ever served a college with greater devotion. I think of him as a man of rare common sense." He died December 10, 1920.

Alfred J. Morrison graduated with an A.B. Degree in 1869. The son of Rev. Robert H. Morrison, the first President of Davidson College, he was born in Lincoln County, North Carolina. In 1875 he married Portia Atkinson, daughter of the President of Hampden-Sydney College.

He had one son, James Alfred Morrison, who was born five days after his father's death. The son graduated from Hampden-Sydney College. Brother Morrison graduated with honors at Union Theological Seminary in Virginia, and served pastorates in North Carolina and Alabama prior to his death in Memphis,

**Drawing of an early badge displayed
by the first members of Beta Chapter.**

Tennessee, July 6, 1876, from typhoid fever while en route from Hot Springs, Arkansas, to his home in Alabama. Alfred was one of 11 children. Upon graduation from Davidson, he was elected to the state legislature, but became disgusted with the corrupt practices of the carpetbag administration, resigned, and began his theological studies. Three sisters married men who became Confederate generals: General Thomas J. (Stonewall) Jackson, General Rufus Barringer, and General Daniel Harvey Hill.

Philip Henry Pitts was a member of the Philanthropic Literary Society and also earned the debaters medal prior to graduation in 1871 with an A.B. Degree. He was born in 1849 near Uniontown, Alabama, and entered the University of Al-

abama at 14 years of age. In the same year, he ran away with 12 other cadets and enlisted as a private in the 9th Alabama Cavalry, Confederate States of America. His mother, having lost two sons in the Civil War, wrote to President Jefferson Davis requesting that he be sent home because of his age. Her request was granted and the young man was given an honorable discharge. He married Amanda McLean of Lincoln County, North Carolina, and they had two daughters and three sons. An attorney, he served as Probate Judge of Dallas County for 17 years, and as a member of the General Assembly. He was prominent in the organization of Delta Chapter at Southern University (now Birmingham-Southern College). He died at Selma, Alabama, July 20, 1918.

George Walton of Morganton, North Carolina was the fifth charter member. He was born January 22, 1849, at Creekside, the old family home near Morganton. A picture of this famous old Southern home which still stands appears in Francis B. Johnson and Thomas T. Waterman, *THE EARLY ARCHITECTURE OF NORTH CAROLINA*, University of North Carolina Press, 1941, with the caption "Creekside, Walton House, 1836 near Morganton, Burke County. The most monumental mansion of the Piedmont. Built by Thomas G. Walton."

Early fraternity records listed Brother Walton as "George W.", but these records have been corrected by relatives to list him as Thomas George Walton. He attended Davidson for two years, then received his M.D. degree in 1872 from the University of the City of New York. He married Anna Shane at Taylorsville, Illinois. They are survived by a grandson, Walton Paul Nims of St. Louis. He was a practicing physician and druggist in Christian County, Illinois. Two years prior to his death November 8, 1904, he moved to St. Louis and established a practice there. He is buried at Calvary Cemetery in St. Louis. He has been described as a tall, handsome man and a fine doctor.

Second Revision — History of Pi Kappa Alpha

Work has already started on the Second Revision of THE HISTORY OF PI KAPPA ALPHA, and we hope to have it completed rather soon after the Convention. This is a big opportunity for Pi Kappa Alphas generally to give us a lift. Do you know of any errors in the current edition that need correcting? Can you think of any material that should be added? If so, please send it directly to F. H. Hart, National Historian, Box 383, Gainesville, Florida.

Birmingham-Southern Has Awards Banquet

◆ Delta Chapter at Birmingham-Southern College climaxed an outstanding year May 30, with its annual Awards Banquet. After dinner, the following awards were made:

Outstanding PiKA of the year, Don Brown; Best Athlete, James Parris; Most Scholastically Improved, Charles McWaters; Outstanding Pledge, Fall Quarter, Ronald Allen; Outstanding Pledge, Winter and Spring Quarters, Fletcher Anderson; Pledge Scholar, Ronald Allen.

It was announced at the banquet that a plaque honoring Delta's Mother Club would be placed in the chapter lodge. Each year, the president of the Mothers' Club will have her name engraved on the plaque.

Sportswise, Delta finished the year in fine style. The chapter finished third in the softball tournament, but bowed in the playoffs.

Brothers James Parris and Art Hopper were named to the campus All-Star softball team. Among Southern's individual athletes for the year, PiKA placed two in the top five—Cameron Busby and Art Hopper, who tied for third place.

Don Brown was elected president of the senior class and was also elected the outstanding man of the class.

Among the most enjoyable events was the houseparty at Panama City Beach, Florida, the first weekend in May, and an afternoon reception for Delta alumni on Memorial Day.

Two of Delta's graduating brothers Chris Boner and Myron Nirenstein received fellowships for graduate study. Chris will attend Vanderbilt University, and Myron, the University of Florida.

Delta (Birmingham-Southern) Senior Class President Don Brown congratulates Brother Henry T. Shanks upon his retirement as Dean of the College.

Florida Southern Salutes Burkholder

By Russell Sackett

◆ Delta-Delta Chapter at Florida Southern College has within its membership a person who has attained many great honors and friends during his past three years of college.

Robert Dee Burkholder from Bradenton, Florida, was elected to the presidency of Delta-Delta Chapter and the local circle of Omicron-Delta-Kappa Society for the ensuing year.

Bob has held many offices in the fraternity and in student government. In the fraternity he has been IFC Representative for two years, Songmaster, IMC, and now SMC. In student activities Bob has been a member of the Florida Southern College Student Senate for two years, a member of the ROTC for three years, a member of five different college and campus bands, one of the authors of the new IFC constitution, and a member of Omicron Delta Kappa Society.

With the prospect of a bright future in college and in life, Delta-Delta Chapter salutes Robert Dee Burkholder as a leader on the Florida Southern campus and in Pi Kappa Alpha.

Florida Holds 54th Mothers' Day Tea

By Ralph C. Lambert

◆ In observance of our fraternity tradition, Alpha-Eta gave her 54th annual Mothers' Day tea May 9. This tea was the first to be held in the new house and was a credit to the men of Pi Kappa Alpha. Many Mothers and a few Dads as well as old friends were present. A few of the ladies have been coming for as long as 52 consecutive years! We all feel proud that these women would honor us by returning to our tea year after year.

Late in March our annual Dream Girl Formal was held, crowning Miss Sonney Kenny as our Dream Girl. The Dream Girl dance was another first in the new house. We have never before been able to give a large affair with such ease.

Alpha-Eta was also honored with several new Pikes in the last few months. Al Millar, Reggie Black, and George Bayless all had their first born "Pike Pledges." Charlie Gray's wife had a little girl. She'll probably be pinned to a Pike, so she counts too.

At the end of the school year Alpha-Eta has many things to look back on: the new house, a great pledge class, many fine new brothers, a wonderful Dream Girl, Mom Wildman's second year with us, our 54th annual Mothers' Day, and many more.

Alpha-Delta (Georgia Tech) S.M.C. J. E. Dorn Thomas presents an engraved silver tray to Brother Robert A. Smythe, Honorary Life President, as an expression of appreciation from the chapter.

Edgar H. Nation, Sr., charter member of Π (Ole Miss.), and officer of the Mississippi Power and Light Co. in Jackson, recently was presented the Silver Beaver Award for a quarter century of service in Boy Scout work.

Miller Is Millsaps Student President

By Billy Kerr

◆ Max Miller was elected to the office of Student Body President of Millsaps College in May. He will hold the office during the 1958-59 school session. Brother Miller is also a member of Alpha-Psi-Omega honorary fraternity and a three-year letter man for the Millsaps Majors.

Billy Kerr was elected editor of the Millsaps Yearbook, the Bobashela. Brother Kerr is a member of Kit Kat, men's literary honorary fraternity, student assistant in the English Department, and on the honor list of students.

Beta-Theta (Cornell) entertains National President during Founders' Day celebration. (l. to r.) kneeling, Dr. Walter B. Carver, Edward Krech, and Commander Allred; standing, Arthur Stallman, Professor Jack Moynihan, Grant Macfarlane, District President Don O'Neal, and Professor A. M. Hillhouse.

For the second consecutive year, Beta-Theta Chapter won first place among 23 fraternities and sororities with its "Little Black Sambo" Spring Day Float.

Talley Named President Of Coca-Cola Company

◆ Lee Talley, BK (Emory), was recently named President of the Coca-Cola Company. Brother Talley's first association with Coca-Cola was when he worked behind a soda fountain on the Emory University campus in the 1920s. After his senior year, he received a position with the Coca-Cola Company and was sent to Minnesota to sell the product in what then was almost virgin territory for Coca-Cola. He toured southern Wisconsin calling on soda fountain proprietors and other dealers to introduce them to the drink.

In 1927, he was sent still farther from his "home" at Monroeville, Alabama, when he was made manager of the Vancouver, British Columbia, office. He spent the next 16 years with the Canadian subsidiary, ultimately becoming Vice-President of Coca-Cola, Ltd.

Since that time, he has continued his rapid rise through various increasingly important positions and currently is President of both Coca-Cola Export Corporation and the Coca-Cola Company.

Former Kansan On Oregon Supreme Court

◆ Gordon W. Sloan, BF (Kansas), Astoria attorney prominent in Oregon State Bar activities, has been named by the Governor to complete the term of Justice Randall B. Kester on the State Supreme Court.

The 46-year-old attorney received his A.B. degree in 1933 at the University of Kansas, where he was a member of Pi Kappa Alpha and President of the Senior Class. He received his law degree in 1935 and for two years practiced with his father, who at one time was a member of the Kansas State Supreme Court. He also has a brother, an uncle, and two cousins practicing law in Kansas.

After three years as Assistant U. S. District Attorney for Kansas, he moved in 1940 to Astoria, Oregon. Since that time he has held many prominent offices in the Oregon State Bar Association.

He and his wife, the former Geneve Tipton, have two children—Sally, 16, and William, 13.

— Π Κ Α —

Freight Firm Continues Expansion

◆ Inland Forwarding, Inc., foreign freight forwarders with offices in Chicago, Baltimore, New York, Cincinnati, and Columbus, recently added another district office in Toledo.

This might well be called the "Alpha-Lambda Forwarding Company." President N. R. Wittkamp, Vice-President J. R. Wittkamp and General Manager J. R. Voskuhl were members of Alpha-Lambda Chapter and graduated in 1943, 1950, and 1951 respectively.

In opening the Toledo office, President Wittkamp stated, "We intend to expand our foreign operations to solicit foreign shipments via Toledo and will use our Cincinnati and Columbus offices, which are in the Port of Toledo regional

area, in directing foreign business through the Toledo Port.

— Π Κ Α —

For the first time in its 39-year history, the National Office Management Association's highest award, the Leffingwell Medal, has been awarded to an executive in the advertising field. Charles M. Skade, FB (Nebraska), received the award at a banquet, May 26, Hilton Hotel, Chicago. Brother Skade is senior vice president of Fuller & Smith & Ross, Inc., of New York, and is a past president of the IKA New York City Alumni Association.

Raymond G. Fisher, AT (Utah), has been named vice president of Continental Can Company.

Walter Koch Receives Honorary Degree

By Clarence Markham, BT

♦ "The perseverance and application you needed here will stand you in good stead in years to come. . . . Education is a never ending process and graduation from college is not the conclusion of your training."

Those words spoken by Walter K. Koch, president of The Mountain States Telephone and Telegraph Company in a commencement address to the graduates of the Colorado School of Mines in June, have been exemplified in his own experience. Today he heads one of the Associated Companies of the Bell System which serves seven of our large western states and employs nearly 27,000 men and women in the telephone industry.

But to the many PiKAPs of the area, who are justly proud of the business success of a brother in the bonds, he is more familiarly known as a loyal member of the fraternity who through the years and the heavy demands of the business, is still interested in Beta-Upsilon Chapter at the University of Colorado and serves as a member of its house board.

Since his graduation with an A.B. degree from Colorado in 1923, perseverance and learning have characterized his progress. While a student in the Traffic Department of the Telephone Company, he attended Westminster Law School in Denver and, after much burning of midnight oil for his evening classes, received his LL.B. degree in 1925. He later took graduate work at Denver University at night while learning the telephone business in the daytime. As a youth he had worked as a caddy, a garage mechanic

Dr. Finis Taylor, Z (Tennessee), of Memphis, has been elected president of the Tennessee State O.B. and Gyn. Society. Mrs. Taylor is currently president of the Memphis and Shelby County, Tennessee Medical Auxiliary. Their children are (l. to r.) Julie, 16, Finis, Jr., 14, and James 7.

and a service station attendant while going to school, so extra hours of study, with a clear objective of getting ahead in business, seemed very much worth while to him.

Recognition came quickly, and he moved through many levels of the telephone business to become president of the company in 1952. Under his leadership the Mountain States Company has gone through its greatest expansion, under some of the most difficult service conditions in its history.

Not only has Brother Koch become one of the outstanding business leaders of the Rocky Mountain area and the West, he has also found time to participate in many civic, philanthropic and good citizenship activities. In addition to serv-

ing as a director of a number of business institutions and service clubs, he acts in a similar capacity on the Y.M.C.A. and Good Will Industries boards. He is a trustee of the University of Denver and the Denver Symphony Society, and is a commissioner of Denver's Centennial Commemoration Authority. In 1956 he was appointed civilian aide to the Secretary of the Army for Colorado. More recently he completed a two-year term as president of the Denver Chamber of Commerce and headed a successful United Fund drive in the Denver area.

Brother Koch is vice president of the National Safety Council and recently made a brief tour, with a selected group of American businessmen, of Crusade for Freedom activities in European countries. He is also a popular speaker at varied events throughout the Mountain States as well as other points in the country.

He has served for 25 years on Beta-Upsilon's House Board, helping to tide the chapter over the lows and highs of depression and post-war boom. But probably his greatest contribution to the fraternity is his own example of how a man, with energy, application and a mind always open to new ideas, can succeed in dozens of unrelated human endeavors.

— P K A —

Ground has been broken for the University of Kentucky's Albert B. Chandler Medical Center. The first unit to be constructed will be a medical science building, followed by a hospital, dental building, ambulant patient building, and auxiliary buildings. The first medical students will enroll in the fall of 1959. The center is named in honor of Governor A. B. "Happy" Chandler, K (Transylvania). Governor Chandler is a former United States Senator.

Walter K. Koch, BT (Colorado), receives a Doctor of Engineering degree from Dr. John W. Vanderbilt, President of Colorado School of Mines.

Moreland Earns National Acclaim

By Kenneth Caldwell

◆ Louisiana Tech's tall, talented Jack Moreland has already made one All-America team and been mentioned for several others. The 6-8 Tech cager is a member of the Gamma-Psi Chapter.

Named to the United Press All-America second team on UP's small college mythical team, he received honorable mention on the same press service's major college All-America team.

Moreland was also an honorable mention selection on the Associated Press Small College All-America team.

Jack, who is destined to break virtually every scoring record in Tech history, poured in an amazing 602 points during the past season in 25 games for an average of 24.1 points per game. He scored over 20 points in each of seventeen games and never scored under ten.

In his third game at Tech he shattered the single game scoring record of 35 points with a 43-point output and came right back in the Bulldogs' next tilt with a booming 41.

Moreland set numerous school records, among them the single game marks in scoring (43), field goals made (19), free throws made (19), field goals attempted (33), and free throws attempted (21). Jack set season's records in field goals attempted (514), free throws attempted (218), free throws made (166), rebounds (348), rebound average (13.9) and average points per game (24.1).

While playing for Minden High School, Moreland set a new national high school career scoring record of 5,030 points in 3½ seasons, a record which still stands.

The well-liked roundballer was given the title of the best college prospect seen by several of America's best college coaches, among them Adolph Rupp of Kentucky, Everett Case of North Carolina State and Ken Loeffler, formerly of Texas A. & M. and LaSalle.

Jack's abilities are not limited to the basketball court by any means. He is also a starter on Tech's baseball team (first baseman) and has maintained a 2.5 average in Civil Engineering in college.

— II K A —

Life insurance sales of Shenandoah Life Insurance Company, Roanoke, Virginia, showed a 14.9% increase in sales in 1957 during its first year under the Presidency of Blake T. Newton, an alumnus of Pi Chapter at Washington and Lee University.

Louisiana Tech's Jack Moreland goes high in the air to toss in a left-handed lay-up to add to his point total, 41, in this game.

These Mu Chapter, Presbyterian College, intramural football champs helped earn the intramural trophy for the year.

New Mexico Promotes Scholarship

By Jim Lee, BΔ

◆ After a most successful first semester at the University of New Mexico, Beta-Delta Chapter has every reason to expect even more honors during the spring term. The Pikes at UNM are among the two top fraternities on campus in scholastic standing, and the brothers are all eagerly awaiting the final announcement when the large scholarship trophy will be presented to the top fraternity.

John Anderson, past SMC, was named Jack of Hearts of the university at the annual grand ball. Brother Anderson, a senior, is a member of the Student Council, Blue Key senior men's honorary, and was named to *Who's Who*.

Extensive campaigning is presently underway to elect SMC Turner Branch

the 1958-59 student body vice president. He is the nominee of the Associated Party which is composed of all Greek organizations on the UNM campus. Brother Branch is also the chairman of the annual Spring "Fiesta," highlight of the second semester.

The Interfraternity Council and the Panhellenic Council have joined forces to establish an annual "Greek Week" in order to familiarize the campus community with the activities of the various social organizations. Activities will reach a peak during "Stunt Night" in which selected organizations will present skits to the general public. The Pikes at Beta-Delta are planning to present a rousing satire on *Gone with the Wind*.

Seven members of Beta-Delta Chapter attended the annual leadership conference which was held at the historic Bishop's Lodge in Santa Fe. More Pikes attended the conference than representatives of any other campus organization. Many new ideas concerning the development of leadership qualities have been incorporated into the chapter. Those selected to attend the conference were John Anderson, Jim Lee, Herb Shillingburg, Turner Branch, John Duffy, Bob Stephenson and Brude Erdal.

The intramural program at Beta-Delta met with a great deal of success when the Pike bowling team defeated the Sigma Alpha Epsilon Chapter for first place.

The Beta-Delta Mothers' Club has inaugurated a monthly dinner for all chapter members. The club has been most active during the past year and the mothers have made many improvements on the chapter house.

Chief Nixon has been appointed as the new Fall Rush Chairman and is presently outlining extensive plans for summer and fall activities.

— II K A —

Washington Rush Program Stressed

◆ Beta-Beta Chapter at the University of Washington maintained an active rush program throughout the year, our goal being to contact every unaffiliated freshman on our campus. Emphasis was placed on making every member "rush conscious," and in order to provide added incentive a team system was put into effect with points being awarded for each rushee contacted.

The highlight of winter quarter was our annual Founders' Day reunion, which featured the presentation of the framed portraits of the six founders to the chapter by the pledge class. The year was climaxed by the selection of our Dream Girl, Joann Thomas, KKT, and the annual Dream Girl Formal.

Cincinnati Produces Campus Leaders

By John A. Stoelting

◆ A tally at the end of the year showed that once again Alpha-Xi has been a leader on the University of Cincinnati campus in extra-curricular activities. Brothers hold presidencies of four organizations in addition to the President of the Sophomore Class, five

President Macfarlane congratulates Cincinnati Co-captain Wayne Stevens after victory over Xavier University.

vice-presidencies, seven treasurers, four secretaries, ten chairmanships of various committees and events, three managerships in addition to the Business Manager of the campus newspaper, and the Associate Editor of the annual.

In the Mothers' Day Sing, Alpha-Xi was runner-up in the fraternity competition—moving us up two notches from previous years. Next year we are out for the big one!

Brother Stu Mill was elected by the girls on campus to the Kampus King Court in March. The chapter won the Greek Week Chariot competition for the fifth year in a row. With our award winning float last fall, Alpha-Xi became the only fraternity on U.C.'s campus to place in all four of these major events.

The 150 actives and alumni that attended the annual Founders' Day, March 8, comprised the largest celebration in the chapter's history. Grant Macfarlane was the main speaker of the evening. In attendance at the banquet were John U. Field, Ω, a past District President; William R. Nester, National Secretary; Herbert F. Koch, Shield & Diamond Trustee; and Ralph Yeager, past National President and currently National Pledge Training Director.

After the banquet everyone went to the U.C.-Xavier basketball game where Grant met Brother Wayne Stevens, co-captain of the Number 2 basketball team in the nation according to United Press. Wayne averaged in double figures all season and was a mainstay on the Missouri Valley Conference championship team.

Omicron Delta Kappa, leadership honorary, presented Wayne the Outstanding Senior Athlete of the Year Award and the Cincinnati Radio, TV and Newsmen honored Wayne by naming him Best Defensive Player for the Bearcats.

Ken Neihaus received the ODK scholarship as the most outstanding freshman man. Terry Gross received the NEWS RECORD award as the most outstanding staff member on the newspaper's business staff.

Already planning for this coming year, Alpha-Xi has inaugurated an entire new scholarship program designed to bring about top scholastic standing and incentive.

— II K A —

Hoffman Retires As Alumnus Counselor

◆ Dr. George W. Hoffman, BM (Texas), recently relinquished his post as Alumnus Counselor for Beta-Mu Chapter after serving in an outstanding manner for seven years. Increasing responsibilities as head of the Department of Geography necessitated this step.

Brother Hoffman has served faithfully the chapter, its alumni, the national fraternity, and the University of Texas. An excellent planner, organizer and executive, he has led Beta-Mu Chapter to tremendous accomplishments during the past seven years. There are few men who have seen their work produce such tangible accomplishments in so brief a time. The chapter has grown from 17 members

and 4 pledges to over 100 members and pledges. It has bought a lot, constructed a new house, and built a major addition to the new house. It has moved from scholastic probation to the receipt of a national award for excellence in scholarship. Six Beta-Mu alumni clubs have been established in Texas. Alumni have responded and made successful the house financial campaign.

Numerous fine young leaders have been produced by Beta-Mu Chapter because of Dr. Hoffman's tutelage.

These things were not accomplished by Dr. Hoffman alone, but he was the dynamo whose enthusiasm and energy enlisted the support, cooperation and work of fellow alumni and students.

Pi Kappa Alpha has a sound future assured as long as it can have the leadership of men like Brother Hoffman.

— II K A —

Leyland W. & M. Student President

By Lawrence A. Schalk

◆ Members of Gamma Chapter (William and Mary) have been active in many phases of campus life. Walter Leyland served as President of the Student Body during past year. Tom Foster will be President of the Junior class this fall. Bill Burnside is the sophomore class representative on the Honor Council, while Morty Lockett is the Senior Class's representative in the Student Assembly in addition to being President of the W & M Band and chairman of the Student Government's Social Activities.

Gamma's big affairs this spring were the Founders' Day Ball and Shipwreck Party. Decorations for the "Shipwreck" included bambo covering the entire Fraternity lodge, Spanish Moss from Florida hanging from fish nets across the ceiling, and sand and seashells on the floor.

Gamma Chapter, William and Mary, Baseball Lettermen. (l. to r.) Centerfield Co-captain Ed Shine, First baseman Larry Schalk, and Pitcher Bruce Hobbs.

(l. to r.) Penn State Brothers John Myers, Elliott Reitz, John Baillis, and Ralph Becker enjoy the recently completed Packer Memorial Patio dedicated to Beta Alpha Alumnus John L. Packer, National President, 1946-48, who died in 1949.

John L. Packer Patio Dedicated

By Jack Hufnagel

◆ Beta-Alpha Chapter at Pennsylvania State University dedicated its new patio to John L. "Tiny" Packer, past national president of Pi Kappa Alpha, in a ceremony held last fall. Brother Packer, who died in 1949, was an outstanding alumnus of Beta-Alpha, and served as national president from 1946 to 1948.

The dedication during Homecoming weekend was well attended by alumni, actives, and pledges, who stood in silence while SMC Patterson gave the dedication address.

The bronze plaque reads as follows:

IN MEMORIAM
John L. "Tiny" Packer
National President—1946-1948
Dedicated October 19, 1957

The patio was the pledge project for last year's pledge class, and was completed last spring. It measures 36 feet by 36 feet, and has a cement floor and a dry stone wall surrounding it. In one corner of the patio is the fishpond built in 1946. There is a built-in barbeque pit that has been the center of attraction at many parties and rushing smokers.

The Dream Girl Formal dinner and dance, held on May 2, was an outstanding success. The Chapter and its guests traveled to a restaurant for a fine dinner of sirloin steak or lobster Friday evening,

After the dinner, we returned to the chapter house for the dance. The Packer Memorial Patio was the focal point, as the dance was held outside. Japanese lanterns were strung over the patio, and colored lights shining on the fountain gave a real touch of elegance to the occasion.

Carolyn Purner, fiancée of SMC Mel Rex, was chosen Beta-Alpha Dream Girl.

Penn State S.M.C. Mel Rex and Dream Girl Carol Purner with her court Nancy Sifter (l.) and Brenda Myers.

She was crowned with a tiara of sweetheart roses by Mary Ann Light, the 1957 Dream Girl. Carol was also presented with a dozen red roses and a suitably inscribed trophy.

Her court consisted of Nancy Sifter and Brenda Myers, each of whom was presented with an orchid corsage.

Saturday night we held our annual South Sea Island Party. The entire first floor of the chapter house was filled with sawdust to simulate sand. Decorations included palm trees, outrigger canoes,

and a huge South Sea Island mural erected over one wall. We're still cleaning sawdust out of our rooms.

The weekend was capped with a jam session on Sunday afternoon.

Past SMC Richard Christian, junior in business administration from Lansdown, Pa., was elected secretary-treasurer of the Interfraternity Council at Penn State. Brother Christian has been very active in campus activities since entering the house. An excellent ventriloquist, he has put on shows with his dummy, Johnny Hawthorne, for many of the campus organizations. He was recently tapped for Parmi Nous, senior men's honor society.

— P K A —

Chattanooga Wins Campus Skit

By Craig Smith, Jr.

◆ Delta-Epsilon Chapter at the University of Chattanooga began the fall term with 26 new pledges. This was tops on campus and was due, in a large part, to the excellent rush program indoctrinated by our Rush Chairman Buddy Rogers. This winning spirit was carried forward to homecoming decorations in which we captured first place for the third consecutive year.

In the Blue Key Follies, in which all fraternities and sororities enact a 12-minute skit, with an act entitled, "Voodoo," written by Brother Gene Roberts and directed by Brother Jerry Payne, we were given the unanimous vote of the judges, and received the trophy for the second straight year. The act was of a very serious nature, which was explained in the introductory speech. The sets depicted a scene in the jungle at night, aided by excellent use of stage lights, and a combination of luminous paint and black lights which lent a weird atmosphere to the scene. The skit had bongo drummers and native dancers, one of whom was the high priest who did a sensational solo dance. He was preceded onto the stage by the human sacrifice carrying the snake god and a group of dancers who moved and twisted with the throbbing beat of the drums. The audience was held spellbound relieved only by the French chants of the priest and vocal responses in chants from the entire group. The script, to our knowledge, was original and would be available to other Pike chapters should they want to attempt something similar.

The Pikes at Delta-Epsilon pledged many valuable men in the second semester though there was no formal rush program conducted on campus. In scholarship, we earned a second place, but a strong program is being instituted by the Scholarship Chairman and his committee to move the Pikes to first place.

South Carolina Largest On Campus

By Bunky Joye

◆ Xi Chapter at the University of South Carolina wound up last year with a memorable record.

The year 1957-58 saw 40 men join the fraternity, making IKA the largest on campus.

"For Unselfish Service to Humanity" IKA was awarded the first place trophies in both the fall and spring semester's campus-wide blood drive by donating a total of over 140 pints of blood.

The interfraternity council's stunt night trophy was presented to IKA when they were declared the winner over the other 13 competing fraternities.

Eddie Craig sparked IKA's swimming team to the campus championship. We totaled twice as many points as the next two competitors combined.

For the second consecutive year, our men won the campus championship in volleyball and softball. Jerry Sanders, Oliver Porter, and Alex Hawkins led the way in volleyball while Harry Oberlies pitched the softball team to victory.

The track campus championship was also won by IKA. Alex Hawkins won the 100-yard dash, 220-yard dash, and the broad jump to take the individual honor while Jerry Sanders won the 880-yard run for the third consecutive time.

IKA led with more total points than has ever been obtained in history of the sports competition—the most sought after trophy on campus. There was also the largest point spread between first and second place winners than ever before. This award will take its place beside its predecessor which we won in 1954-55.

Xi Chapter also has an eye for beauty. Miss Libby Bagnel, sponsored by IKA in the homecoming beauty contest, won first place.

University of South Carolina named (l.) Jimmie L. Hoagland outstanding pledge and Hugh M. Gibbs, Jr., outstanding senior.

Lee Mueller displays Missouri School of Mines Scholarship Trophy presented to Alpha-Kappa Chapter for placing first on campus.

Parker Evatt and Sammy Stilwell were selected to *Who's Who*.

Stilwell, past SMC and past president of the Interfraternity Council, was tapped into Omicron Delta Kappa, honorary leadership fraternity.

Elected to the Student Council for 1958-59 were Alex Hawkins, John Houser, Loy Daniels, Bunky Joye, and Pledge Bill Bates. Houser was also elected senior class secretary and treasurer. Joye was also elected junior class vice president, and Jimmie Lee Hoagland was elected sophomore class vice president.

Miss Lynda Ropp, ΔΔΠ, was crowned as our new Dream Girl by Past SMC Ed Harrill at our annual Dream Girl Ball May 16. The Dream Girl badge and the trophy were presented to her as the fraternity sang *The Dream Girl* of IKA. Lynda is a senior from Denmark, S. C., and is pinned to Pledgemaster Dave Leopard.

Hugh M. Gibbs was presented the outstanding senior award in appreciation for his service to the fraternity. Hugh was pledge president, best pledge, secre-

Xi Chapter members and dates circle the ballroom floor during Dream Girl Ball.

tary, alumni secretary, and president of Xi Chapter for two semesters.

Jimmie Lee Hoagland was recognized as the best pledge for the fall of 1957.

— I K A —

Missouri Mines First In Scholarship

By Arthur Ryter

◆ Alpha-Kappa Chapter, competing against fifteen other fraternities, placed first in scholarship on the Missouri School of Mines campus. The winning 1.43 average brought home another beautiful trophy.

The Pikers also captured several coveted campus leadership positions. Ron Rath was elected president of the I.F.C.; Bill Kruger, president of the Blue Key National Honor Fraternity; Pete Girard, president of Theta-Tau, national professional fraternity; Lon Kieffer, president of the American Institute of Mining Engineers; and Bill Fesler, editor of the school yearbook, the *Rollamo*.

The Pikers also maintained their high standing in football, volleyball, bowling, handball, and tennis. The social season was engineered almost to perfection. The school wide festivities such as St. Patrick's Day and Greek Weekend were given much more attention and invariably, when the other fraternity parties began to lag, someone could be heard saying, "Let's head for PiKA; their parties are always the best."

— I K A —

◆ Otis K. Smith, BO (Oklahoma), a Certified Public Accountant in Mission, Texas, was recognized by Pan American College for his leadership in his profession and for his assistance in creating a college internship program in accounting. The resolution of appreciation was signed by the President of Pan American College and the President of the Valley Chapter of the Texas Society of CPAs.

(l. to r.) Past S.M.C. Ed Harrill, 1958 Dream Girl Lynda Ropp, and Escort Dave Leopard.

This picture of our Beloit Chapter's Volkswagen, carved from snow and ice for the annual Winter Carnival, appeared in the Chicago Daily News. (l. to r.) Don Ceithaml, Charlotte Dalh, and Richard Olcott.

Beloit Enjoys Winter Carnival

By Ronald Barritt

◆ This has been a good year for Beta-Iota Chapter at Beloit College. Socially the house has been very active this semester beginning with the annual Winter Carnival. On a cold, windy Friday night the pledges built a sports car out of snow which won third place in the snow carving contest.

These winter events included our fraternity formal and the election of our Dream Girl, Jeri Schou. Next came the Campus Carnival, a charity drive sponsored by the college, and our participation in that proved to be quite enjoyable as we purchased at an auction the women of Emerson Hall to be our slaves for a week (within reason). The girls busied themselves shining shoes, scrubbing floors, and washing cars. In turn, these same girls bought at the auction the spaghetti dinner and use of our house for one night which we put up for sale at the auction.

This has been a good year for Beta-Iota academically also. James Frodin, a senior economics major, has been elected to Phi Beta Kappa and also won the *Wall Street Journal* Student Achievement Award for his excellence in his studies of economics. Casimere Banos was elected to *Who's Who*, and Jim De Young, to the National Collegiate Players, honorary dramatics

fraternity. Richard Olcott has won the Chemical Rubber Publishing Company Award for his excellence in the field of chemistry.

In athletics, Bill Black broke the existing Beloit College pool record for backstroke in a recent inter-school meet. Louis Kamberos was elected Player of the Year for baseball by the Intramural Council this spring.

On March 23, 1958, Beta-Iota initiated fifteen fine men.

— Π Κ Α —

PiKA Sack Queen Chosen At Toledo

◆ A crowd of over 1,000 spectators watched as 115 University of Toledo women competed for the title of "PiKA Sack Queen of 1958," April 25, in an open air fashion show on the University campus. The contest, sponsored by Epsilon-Epsilon Chapter, was the biggest and most successful event in many years at the University.

Judges for the contest included the manager of the union coffee shop, the owner of a local college bar, and an executive of a paper bag company. The girls modeled their versions of the new spring sack fashions, and Elaine Baumgartner of Alpha Omicron Pi was selected "PiKA Sack Queen." She was presented with a bouquet of carnations, a flowery crown, a trophy and a kiss from SMC Jerry Morrow, who emceed the

show. Second place went to Jannell Maeder, ΠΒΦ, while Barbara Bennawy of Zeta Tau Alpha was third.

The idea was originated only a week before the show by Brother Morrow, who cleared the contest with school officials, the Student Senate and Panhellenic Council, all on the same day. The following day, Saturday, Ohio's most listened to newscaster, WSPD's Jim Ubelhart began to publicize the event. Instead of posters, painted paper bags, laundry bags and grocery bags were used for signs. With the help of Mr. Ubelhart, Brother Morrow quickly signed up 40 girls on the first day after return to classes.

On the morning of the contest, the Brothers erected a runway on Wolf Hill, in the center of the university campus, along with a loudspeaker system, posters and a giant PiKA banner. At eleven a.m., less than a week after the contest had first been proposed, the first of 115 girls began to walk down the runway, and the PiKA "Styles in Sacks" contest was on. An hour later, after an array of chemises, sacks, burlap bags, potato sacks and paper bags had passed by, Brother Morrow crowned Miss Baumgartner "PiKA Sack Queen of 1958." Television cameras recorded the scene, newspaper reporters photographed and recorded the story, and radio stations picked up the news. Before the next day had passed, an estimated one million persons had heard of the contest . . . another first for Pi Kappa Alpha.

— Π Κ Α —

New House Occupied At Mississippi

By Donald Todd

◆ One of Gamma-Iota's most successful years was climaxed in April when we moved into our new house at the University of Mississippi. We are now sleeping 35 boys, with room on the unfinished third floor for 16 more. We proudly announce that Mrs. Lucille Plumlee of Memphis, Tennessee, is our first housemother.

In scholarship and leadership we excelled in 1957-58. John Whitworth received a Rotary Scholarship to India, and Bob Childress, a Rhodes Scholarship to Oxford, England. Our former I.M.C., Thad Cochran, was elected vice president of the student body of Ole Miss. Brad Dye was named to the Hall of Fame.

The Pi Kappa Alpha Dream Girl Ball was one of the social highlights of the year. Miss Betty Gordon McGee, ΔΓ from Booneville, Mississippi, was chosen as our Dream Girl. In April, Miss McGee won the International Campus Queen title over girls representing all the Southern states.

Ohio State Begins Construction

By Blaine Stuart Bierley

◆ Ground breaking ceremonies for a \$100,000 addition that will join the two houses of Alpha-Rho Chapter, Ohio State University, were held shortly before the close of the 1957-1958 school year at Ohio State.

Alpha-Rho's new chapter house, pictured in last September's issue of *The Shield and Diamond*, will be completed by the opening of school this fall. Our new four-story structure will have a capacity of 45 brothers and pledges. We are grateful to the McCormick Hall Alumni Association for helping us fulfill this long hoped for dream. The work is in the hands of the Bower Construction Company.

James A. Tjoflat,
Executive Secretary,
Ohio State
Interfraternity
System.

Alpha-Rho's newly elected IMC, James A. Tjoflat, recently gained high honors on the Ohio State campus. Jim was initiated into Bucket and Dipper, the Junior Men's Honorary, and was elected Executive Secretary of the Interfraternity System. As Executive Secretary, Brother Tjoflat will direct the affairs of some fifty fraternities at Ohio State.

— Π Κ Α —

Alpha-Pi Earns Honors

By Gordon Ussery

◆ A top scholar, a top athlete, a new house, and first place in fraternity scholarship all add up to a fine year for Alpha-Pi Chapter at Howard College in Birmingham, Alabama.

Eugene Martin earned the highest average of any student on Howard's campus for the freshman year with a 2.7 grade. Howard is serving as Historian for the chapter and is Treasurer of the Baptist Brotherhood organization.

Howard Galloway, a fine pledge from Warrior, Alabama, had an 8-1 pitching record for the year and has recently signed a professional contract with the Los Angeles Dodgers.

Alpha-Pi Chapter has spent its first year on the college's beautiful new cam-

John Balmer and Jerry Krebs present Alpha-Rho St. Valentine's Day cakes to the Kappa Kappa Gamma's.

Ground breaking ceremonies for Alpha-Rho's \$100,000 addition. (l. to r.) Harry Riessig, G. Ray Younger, Mrs. Norval Younger, H. Thomas Hance, Norval Younger, Mrs. Russell Martin, Robert Knachel, and C. G. Ohler.

pus "in residence" with a chapter house for the first time in several years. When the school administration gave permission for fraternities to occupy houses, Alpha-Pi secured its new home on Columbiana Road. 15 outstanding men were pledged during the school year, 12 of whom have been initiated.

The 1958 Softball Intramural Championship Trophy is the first major sports trophy earned since moving to the new campus, and it now graces our new fraternity house.

Our chapter was first among the four fraternities at Howard College in scholarship.

We urge all of our alumni and any members of Pi Kappa Alpha in the area to visit us at our new location.

— Π Κ Α —

Hough Named Prexy W. & L. Students

◆ Pi Chapter, Washington and Lee University, is pleased to announce that Charles Royce Hough, a senior from Washington, D. C., was elected president of our student body for the coming term. Royce has made an outstanding record here, and we are very proud of him. In his freshman year he received the honorary freshman award for the most outstanding freshman in the fields of scholarship, character, and leadership. He has always been on the Dean's

List and Honor Roll, and he received the Phi Beta Kappa sophomore award. Royce is now active in the Student War Memorial Scholarship Fund Committee, the University Christian Association, the Dance Board, and he has just completed a season on the varsity lacrosse team. He served a term as vice president of our chapter. This spring Royce was one of the two men on campus elected to both Omicron Delta Kappa and Phi Beta Kappa.

Karl Edward "Skip" Rohnke was unanimously re-elected captain of the track team. Skip, a junior from Washington, D. C., in his freshman year earned membership in Sigma-Delta-Psi, national honorary athletic society. For the past two years he has been a letter man in swimming, soccer, and track. In his freshman year he broke the school records for the javelin and the 100-yard free-style in swimming. Just recently he received a trophy for the most promising swimmer and a trophy for the most promising track man. Our chapter received a trophy in track for the largest number of participants of any fraternity on campus.

This year has been an exceptional one for Pi, and next year promises to be even better. We have officers in both the junior and senior classes as well as in the student government. Two of our brothers were elected to join Phi Beta Kappa, and our scholastic standing on campus is rising fast.

Alpha-Mu, University of Georgia, Dream Girl Jo Ann Braswell and her court.

Georgia Crowns Jo Ann Braswell

◆ Georgia Pikes crowned Miss Jo Ann Braswell as Dream Girl of 1958 at the annual Dream Girl Ball. An ADPi from Avondale Estates, Georgia, Jo Ann was selected from a field of thirty-five girls. Members of her court were Joye Hood, ZTA, Gail Herndon, XΩ, Phyllis Davis, KΔ, Edie Heston, AΘII, Liz Little, AΔII, and Marilyn Midkiff, AΔII.

Other highlights of the evening included the naming of Stan Thornton as "Most Loyal Brother," and John Frith as "Most Valuable Pledge." The awards were presented by Roger Simmons, guest speaker for the evening.

Plans for a new AM house are beginning to take form. Jack Jackson and Frank Wigham were recently installed as members of the House Corporation. Both of these AM alumni have a keen interest in seeing our chapter stay on the top at the University of Georgia. The present house is one of the oldest in the city of Athens, built more than a hundred years ago. Plans for a new house have begun in earnest.

— Π K A —

Dream Girl Selected At West Virginia

By Clifford Schane

◆ Miss Velma Bennett was crowned Dream Girl of Alpha-Theta Chapter, West Virginia University, at its Dream Girl Formal March 8. Attending

Miss Bennett were Mrs. Jennie Graves Bowling and Miss Alicia Elkins.

Preceding the formal Dr. Freeman H. Hart was the main speaker at the chapter's Founders' Day Banquet. Dr. Hart presented the pledge scholarship award to Daniel Bonar, Best Pledge Award to Garen Simmons, and the Chapter Scholarship Award to Thomas Pitsenberger.

In campus activities Thomas Freeman was elected president of the YMCA and vice president of IFC. Clifford Schane was elected secretary of Journaliers, men's journalism honorary, and Thomas Wetzel was initiated into Sphinx, senior men's honorary. Andrew Barrett was named the most outstanding freshman Army ROTC student in military aptitude. Mitchell Unger was initiated into Pi Tau Sigma, mechanical engineering honorary.

Miss Velma Bennett reigns as Dream Girl for Alpha-Theta Chapter at West Virginia University.

ODK Taps Five Pikes At Carnegie Tech

By Carlton W. Carroll

◆ May 21, 1958, was a big day for Beta-Sigma Chapter, Carnegie Tech, when five men from the Brotherhood were initiated into Omicron Delta Kappa, senior men's leadership honor society. A total of eight men from the Tech campus were initiated at this time; the fact that five of those were from any one fraternity is quite unusual. Initiated from Beta-Sigma were Brothers Robert Wells Harrington, O. Frederick Heider, Louis Ralph Pondy, Donald James Telalian, and Jack Wayne Walker.

Omicron Delta Kappa, which has chapters in eighty-nine colleges and universities, recognizes and encourages the achievement of exemplary character and superior quality in scholarship and leadership. In addition the society recognizes and encourages achievement in athletics; student government, social and religious affairs; publications; and speech, music, drama, and other arts.

Bob Harrington, current Chapter IMC and past ThC, is treasurer of O. D. K.

He is president of the Carnegie Tech branch of the Y. M. C. A., and business manager of the *Carnegie Technical*. Bob holds a School of Printing Management scholarship and a Faculty Memorial Award. His cumulative factor is 3.31, the highest in the junior class in the School of Printing Management (out of a possible 4.00, which would be a straight "A" record). Through his scholarship he has attained membership in numerous other honoraries: he is a member of Phi Kappa Phi, a national honorary emphasizing character and scholarship; treasurer of Pi Delta Epsilon, national journalism honorary, vice-president of Gamma Epsilon Tau, national printing management honorary; and a member of Scabbard and Blade Society, national military honor society; as well as being a member of the campus chapter of the American Institute of Graphic Arts.

Fred Heider, Chapter ThC, is high man scholastically among the juniors of the Chapter, having a cumulative factor of 3.88. He was called to Scimitars, sophomore men's honorary, and Delta Skull, junior men's honorary, and is also a member of Tau Beta Pi, national engineering honorary society; Phi Kappa Phi, and Scabbard and Blade. A member of the varsity golf team, this is his third year as a letter-winner, and he is a member of the Varsity "C" Club, which is composed of varsity letter winners and promotes campus athletic events. Majoring in chemical engineering, Fred is also vice-president of the campus chapter of the American Institute of Chemical Engineers.

Lou Pondy, vice-president of O. D. K., is also secretary of Tau Beta Pi and vice-president of Pi Mu Epsilon, national honorary mathematical fraternity. A Sloan scholar majoring in physics, Lou has a cumulative factor of 3.67. He is a member of Student Congress and is editor of the *Carnegie Technical*, which has won the Pi Delta Epsilon national award for campus technical publications in institutions with enrollment of over 2,500.

Don Tellalian, Chapter SMC and past IMC, has a cumulative factor of 3.15 in the Department of Architecture. He is president of Tau Sigma Delta, fine arts honorary, and a member of the campus branch of the American Institute of Architects. He is also co-chairman of Freshman Camp and of education for the Campus Chest.

Jack Walker, a junior in Industrial Management, is executive editor of the *Carnegie Technical*. He is a member of Phi Kappa Phi, and has a cumulative factor of 3.29. Jack is vice-president of the Tech branch of the Y. M. C. A. and official representative of the "Y."

Kansas State members and guests enjoy a "Roaring Twenties Party."

Bettye Wilder Named LSU Dream Girl

◆ At our annual Dream Girl Formal in May, Miss Bettye Hayes Wilder of Ruston, Louisiana, was named Dream Girl of Alpha-Gamma Chapter at Louisiana State University. Miss Wilder, a senior in commerce at LSU, is past-president of Chi Omega Sorority at LSU. In addition to the Dream Girl Trophy, she was presented a bouquet of red roses.

Our Dream Girl Formal climaxed the spring social calendar of the PIKES at LSU which began with our "fantabulous" Roman Holiday Party which was held after nineteen brothers were initiated. Included among our new brothers was Dr. Leon C. Megginson, associate professor of management and assistant to the dean. At our bi-semester scholarship banquet, Dr. Megginson presented an excellent talk on the importance of taking advantage of our college opportunities.

Alpha-Gamma was particularly pleased that our President, Roy O'Neal, was recently appointed a member of the five-man Judicial Committee of the Interfraternity Council.

We were also fortunate to have Brother Bob Lynn for a short visit during the spring.

Sportwise, Alpha-Gamma captured the track, handball, football and tennis trophies in Intramural Sports at Louisiana State University.

J. Hardin Smith, Jr., BA (Washington University, St. Louis) has been elected a vice president of Southwestern Bell Telephone Company.

Kansas State Enjoys New Home

By Kenneth Acre

◆ Completion of a fifty-year old dream in the form of a beautiful new house following the colonial style has sparked Alpha-Omega Chapter of Kansas State College to a very successful year of achievement.

Although varsity athletes have been ridiculed and maligned at many of the so-called sophisticated schools, Pi Kappa Alpha athletes are accepted as normal students on the Kansas State College campus and have more than held their own in the classroom and campus activities. Alpha-Omega athletes include Kent McConnell, outstanding quarterback prospect from Dodge City; Glen Long, 6:04 basketball forward; and Tom Rodda, who set a school record of 4:19 in the mile. Milers have been scarce at Kansas State and young Rodda has made a nice contribution to Kansas State College sports. Due to the aid of our athletes, Alpha-Omega placed third in intramurals.

Pat Roberts was elected the outstanding member of Alpha-Omega. He is also president of Interfraternity Council.

Roger Meyers was the editor of the *Collegion*, daily college newspaper, and it won the All American Award.

Three sparkling parties highlighted the social activities of Alpha-Omega this semester. They included the Roaring Twenties Party, the Beachcomber, and the Dixie Ball, at which Rochelle Denk reigned as Dream Girl.

District 4, Georgia and Florida, delegates enjoyed the fine District Convention held at Daytona Beach in May. (l. to r.) Tyrrel Dear, ΔΔ, Bob Koeze, ΓΩ, District President Inslee Johnson, Bob Burkholder, ΔΔ, Claude Hemphill, ΔΔ, and Leo Rock, ΔH.

Wash. State Entertains Dream Girl

By Dave Ford

◆ The highlight of Gamma-Xi's many activities this semester at Washington State was the selection of the Dream Girl of 1958. The informal get-togethers with the candidates included dances, social hours, and a picnic on President French's lawn. The five finalists were honored with a candlelight dinner and an afternoon tea.

The formal dance was held on April 26, 1958, at Struppler's Ballroom. The theme of the dance was "April in Paris." The decorations included a large model of the Eiffel Tower. Music for the evening was provided by a large group known as the Esquires.

At intermission came the moment everyone had been waiting for — the crowning of the Dream Girl. This honor went to lovely Carol Bernsten, ΠΒΦ. The other finalists included Joan Eckles, KAΘ; Karen Olsen, Wilmer Hall; Judy Hansen, XΩ; and Barabara Hansen, Davis Hall.

Beta-Kappa Aids Fire Victims

By Clay Snead

◆ The Pikes at Beta-Kappa (Emory) assisted the Phi Delta Theta fraternity recently when their house was razed by fire. Some of the members assisted the fireman in getting the hoses into position and helping direct streams of water onto the blaze. Others prepared coffee to serve to the firemen during the night. The chapter offered the Phi Delt housing in the available space in the fraternity house and the service of their kitchen. The Emory Pikes also provided accommodations for their housemother for the remainder of the school year.

It seems that satellites and missiles are constantly in the news today. Not to be outdone, the Pikes at Beta-Kappa presented their interpretation of the unsuccessful launching of Vanguard I during the lawn decorations for the annual Dooley's Frolics on the 2nd and 3rd of May this year.

The set, built on the front lawn and surrounded by barbed wire, featured a 35-foot high missile and a 33-foot high launching tower. The American flag waved over the control room which was set in the ground. The brothers and pledges were dressed in the roles of scientists, military men, guards and mechanics.

Shield and Diamond Endowment Fund Trustee Julius J. Fink, ΓN (Iowa), captains the winning team in the Y.M.C.A. membership drive in San Diego, Calif. He is shown here purchasing pencils from the captain of the competing team, Bill Elliott, who lost to Fink despite his space suit sales approach. — Courtesy, SAN DIEGO EVENING TRIBUNE.

Capt. Previll Heads Shipping Operation

◆ Captain George C. Previll, AΘ (West Virginia), has recently been appointed superintendent of operations for the American Pioneer Line of the United States Lines in Sydney, Australia. The American Pioneer Line operates eight C-2 cargoships between United States Atlantic and Gulf of Mexico ports and Australia.

Captain George C. Previll

Brother Previll was graduated from the United States Merchant Marine Academy at Kings Point in 1944. He joined the United States Lines in August, 1948.

In November, 1949, Captain Previll was cited for the rescue of twelve men from a tug and two tank barges off Honshu, Japan. For his heroism and seamanship, he received the United States Lines' Distinguished Service Medal, the New York Lifesaving Medal and a Naval Commendation.

Insurance Executive Leslie Retires

◆ William Leslie, AΣ (California), recently retired as General Manager of the National Bureau of Casualty Underwriters. The sadness of retiring after more than a quarter of a century as head of the bureau was more than offset by the fact that his son, William Leslie, Jr., will be his successor according to the announcement at the annual meeting of the directors held at the Waldorf-Astoria Hotel.

Insurance executives agreed to the entire insurance industry, the name of William Leslie for many years has represented a rare combination of integrity, keen analytical intellect, and amazing ability for clear expression of ideas however technical.

Brother Leslie was born March 23, 1890, in Felton, California. He was educated in the public schools of that state and at the University of California, where he received a degree of B.S. and later served as Associate Professor of Insurance.

Gladin First In Georgia Batting

By Dan Westfall

◆ R. E. Gladin, an outstanding figure in Alpha-Mu Chapter, came to life this season to win the Georgia batting championship with a blistering .420. This average also put him in the number two slot for the Southeastern Conference crown. With 34 hits for the season, R. E. led the team in total hits, doubles, and runs batted in. He was elected by his coaches and teammates as "Most Valuable Player," and at the same time was elected all-SEC catcher for the season.

Majoring in Personnel Administration in the School of Business Administration, Gladin entered the university in the fall of '54. During his first three years on the team, R. E. operated very well as alternate catcher, but, at the plate was only a mediocre hitter. This year, however, he surpassed his defensive work and found a real home at the plate.

At the end of the '58 season, R. E. accepted a contract with the Detroit Tigers where he hopes to continue his baseball career.

President Macfarlane Visits Knoxville

By Don McClure

◆ National President Grant Macfarlane's visit to Zeta Chapter at the University of Tennessee marked the beginning of another year in our fraternity's colorful history. Met by the brothers and pledges at the municipal airport, Brother Macfarlane and his wife enjoyed a police escort to Knoxville where they were greeted by the mayor and the president of the University.

These afternoon activities preceded the banquet in the evening at the C'est Bon restaurant. At the banquet President Macfarlane made an excellent speech urging the alumni, actives, and pledges to continue to work closely on all projects as they have on the new house project.

National Vice President James V. LeLaurin, who arrived in time for the banquet, was also a guest of honor.

This year several brothers have been quite prominent on campus. Joe Haynes, new SMC, was elected Vice President of the 8,000-member student body and was later accorded the greatest honor the "Hill" has to offer a junior, the "Volunteer of the Year." Jack Arthur was elected vice president of the senior class and named co-chairman of the fall home-

R. E. Gladin, AM (Georgia), earned the Georgia batting championship.

coming extravaganza. Freshman Tom Johnson was named outstanding Military Science cadet and outstanding freshman out of a class of 1,500. Five brothers, Gene McGowan, Joe Haynes, Jack Arthur, Leroy Smith, and George Bishop were selected to the leadership-scholarship honorary fraternity, Omicron Delta Kappa. Also brothers McGowan, Arthur, Smith, and Haynes were tapped for the Scarabbean Honor Society. By helping in such worthy causes as the march of dimes campaign, cerebral palsy drive, the orphans institute, and many other worthwhile projects, Zeta's men took the ODK community service award hands down.

In a lighter vein, the final party of the year was the Dream Girl Formal at Gatlinburg. The Dream Girl Court consisted of Jean Bullard, ΔΔΔ; Jeanette Seaton and Jennie Yow, ΚΔ; Carolyn Cooper, ΑΞΔ; and Toly White, ΑΟΠ.

Knoxville, Tennessee, Mayor Jack Dance welcomes National President Macfarlane (l.) during his Founders' Day tour. S.M.C. Malcolm Colditz, Z participates.

North Carolina Honors Charlotte Pope

By Mark Wilson

◆ Highlighting Tau Chapter's (North Carolina) annual "Dream Girl Weekend," April 18-20, was the presentation of Miss Charlotte Ann Pope, trim UNC junior from Albemarle, N. C. as Tau's 1958 Dream Girl. Charlotte, who is pinned to Brother Dick Cashwell, is majoring in primary education. Social chairman Ted Rogers presented her with the Dream Girl pin at an afternoon dance held at Chapel Hill Country Club.

In addition to the Dream Girl Dance the weekend included two combo parties, one held at the country club and the other at a small lake near Chapel Hill, and a steak supper.

Tau Chapter members at the University of North Carolina solve the parking problem by placing their sports car on the front porch.

In the field of sports, Tau's 1958 basketball team won the fraternity white league championship in intramural competition. The Tau white league softball team also took the championship in its division. Intramural manager Ken Hall, who served as secretary of the Joint Council of Intramural Managers throughout the year, was awarded the outstanding fraternity intramural manager trophy by the Council.

Franklin Kury, EA (Trinity), and Thomas Graves, Z (Vanderbilt), were two of the first members to receive the Phi Beta Kappa keys as gifts from the Pi Kappa Alpha Memorial Foundation. Each of these men have outstanding records in fraternity and campus activities as well as scholarship.

Chapter Eternal

EARLE C. ALBRIGHT

Funeral services for Earle C. Albright, TX (Oklahoma State University), were held in the Stillwater, Oklahoma Presbyterian Church following his death March 9, 1958. Brother Albright was associated with the University as a staff member for thirty-seven years and was Administrative Assistant to the President at the time of his death. He has served the fraternity with great loyalty through the years as a member of the Gamma-Chi House Corporation and constant friend to members of the chapter. He is survived by his wife and two sons.

CHARLES EDWIN JOERN

Charles E. Joern, BH (Illinois), prominent Chicago contractor, died of a heart attack May 21, 1958, in Chicago. The pallbearers were all members of Pi Kappa Alpha.

WILLIAM SPEER THOMPSON

William S. ("Bill") Thompson, AN (Missouri), No. 29 on the chapter roll and initiated in 1910, died February 28, 1958, of a heart attack during a severe pneumonia attack. Death came at the U. S. Veterans' Hospital in Kansas City, Missouri.

He had practiced law, since 1913 graduation, at Princeton, Missouri, where he was born in 1886. He was Prosecuting Attorney of Mercer County 38 years. Surviving is his wife, Doris. A top rusher, many of the early-day members were "brought in" by him. His home was always a center of hospitality to alumni of his era and since.

JOHN A. KUCHINIC

GEORGE PATRICK AIRHART

John A. Kuchinic and George "Pat" Airhart, undergraduate members of Gamma-Sigma Chapter, University of Pittsburgh, were killed December 8, 1957, in the crash of a single-engine Beechcraft Bonanza in a Georgia swampland as they returned from the Pitt-Miami football game played the day before.

BILLY M. HANSEN

First Lieutenant Billy M. Hansen, AA (Duke), a Marine Corps fighter pilot stationed at Opalocka, Florida, was killed May 1, 1958, when his plane crashed at Cherry Point, North Carolina. He was on a cross-country night flight.

Brother Hansen received his bachelor of science degree in electrical engineering from Duke University in 1954 where he was a member of Alpha-Alpha Chapter.

He was a member of the Coral City Baptist Church at Opa-locka and was active in youth programs there.

In addition to his parents, he is survived by his wife, Betsy, and two children.

— Π Κ Α —

John Barry Weigant

◆ John Barry Weigant, BN (Oregon State), 53, died April 19, of a heart attack while visiting his wife, Ann, a patient at Holiday Park Hospital in Portland. A native of Mississippi, he had lived in Oregon 35 years. He was employed by the U. S. Forest Service for 24 years and was a procurement analyst at the time of his death. Brother Weigant was a past District President of Pi Kappa Alpha for the states of Oregon and Washington. He was a leader in the Lions Club, the Boy Scouts of America, and other civic organizations. Funeral services were conducted at St. John's Episcopal Church, of which he was a vestryman. A large delegation of students and alumni of Pi Kappa Alpha from Oregon State College attended the services in a group. He is survived by his wife, a daughter Joann, and a son, John, who is a student member of Beta-Nu Chapter at Oregon State.

Diamond Life Chapter Convenes In D. C.

◆ C. A. Harper, vice president of Democrat Printing and Lithographing Company, Little Rock, Arkansas, has called a meeting of the Diamond Life Chapter to convene in the Club Room of the Shoreham Hotel, Washington, D. C., Monday, September 1 at 6:00 p.m.

There will be a brief business meeting followed by a social hour honoring the Convention speakers, present and past national presidents of Pi Kappa Alpha,

Frank L. Phipps

John Horne

and new Diamond Life Chapter members. Wives will be in attendance for the social function also.

There are 333 members of the Diamond Life Chapter. Frank Phipps, Z (Tennessee), No. 332, is also a Golden Member having been initiated in 1907. John Horne, ΓA (Alabama), No. 333, is serving as General Chairman of our 1958 National Convention. Our youngest member from the standpoint of chronological age and fraternity membership is Hans Osterhoudt, charter member and past S.M.C. of Epsilon-Theta Chapter, Colorado State University. His father, Walter J. Osterhoudt, is an alumnus of Alpha-Chi (Syracuse) and Beta-Xi (Wisconsin), and is also a member of the Diamond Life Chapter.

Any member of Pi Kappa Alpha who contributes \$100 or more to the Pi Kappa Alpha Memorial Foundation becomes a member of the Diamond Life Chapter. Cumulative credit is given for \$5.00 annual voluntary alumni dues and for contributions directly to the Foundation. Officers of the Diamond Life Chapter are elected during each National Convention. Brother C. A. Harper is currently president.

— Π Κ Α —

Richmond Wins House Decorations

◆ The brothers came back to school last fall ready to undertake the long, hard job of rushing. Our rush program, led by Jim Hoyle and Bob Lacy, was very successful.

A buffet supper and dance were enjoyed by the Pikes on Homecoming in November. The prize-winning house decorations added spirit to the occasion. Christmas came, and along with it the annual Pi Kappa Alpha Ball, held this year with Gamma Chapter, College of William and Mary.

Omicron Chapter celebrated Founders' Day with a dinner and dance at the William Byrd Hotel.

Although the fraternity didn't place in this year's song contest, it was the general feeling that the Pikes gave a good performance. They found more luck with their "Pie Throwing" which won first place in the Greek Carnival.

The chapter's scholarship has shown a great improvement this last semester. Strong emphasis has been placed in this field.

— Π Κ Α —

Professor Dudley M. Phelps, BT (Michigan), is president of the American Marketing Association.

— Π Κ Α —

Charles W. Mueller, ΔZ (Memphis State), received his Master of Arts degree in the school of journalism, June 6, 1958, University of Missouri.

DIRECTORY OF NATIONAL OFFICERS

SUPREME COUNCIL

National President—Grant Macfarlane, AT, 351 Union Pacific Annex Bldg., Salt Lake City, Utah.
National Vice President—James V. LeLaurin, II, Box 446, Meridian, Miss.
National Secretary—William R. Nester, AZ, University of Cincinnati, Cincinnati 21, Ohio.
National Treasurer—Charles L. Freeman, BA, 1319 East Washington St., Bloomington, Ill.
National Alumni Secretary—Dr. U. S. Gordon, O, First Presbyterian Church, Gainesville, Fla.
National Counsel—John U. Yerkovich, I/II, 1100 Jackson Tower, Portland, Ore.

NATIONAL OFFICE

577 University Boulevard
 Memphis 12, Tennessee
Executive Secretary—Robert D. Lynn, M.
Chapter Service Secretary—Earl Watkins, IT.
Administrative Assistant—David A. Collins, M.
Field Secretary—John W. Browning, ΔΘ.
Field Secretary—John S. Jones, ΔΔ.
Field Secretary—Max McCullough, ΔΓ.
Field Secretary—Farrell Thomas, AT.

NATIONAL EDITOR

Robert D. Lynn, M.
 577 University Boulevard
 Memphis 12, Tennessee

OTHER NATIONAL OFFICERS

Honorary Life President—Robert A. Smythe, A, 602 Kemper Insurance Bldg., 41 Exchange Place, S.E., Atlanta 3, Ga.
National Historian—Dr. Freeman H. Hart, I, Box 383, Gainesville, Fla.
National Chaplain—Dr. W. Taylor Reveley, I, 1732 Tutwiler Avenue, Memphis, Tenn.
National Pledge Training Director—Ralph F. Yeager, AZ, Robert A. Cline, Inc., 6114 Glenway, Cincinnati 11, Ohio.
National Educational Advisor—Dr. Theodore W.

Biddle, I'S, Dean of Men, University of Pittsburgh, Pittsburgh, Pa.
National Music Director—George H. Zimmerman, ΔΓ, 1011 Linda Vista, Dayton, Ohio.
National Expansion Director—Robert C. Duke, BM, 1815 S. Coast Bldg., Houston, Texas.

COMMISSIONS

P. Kappa Alpha Memorial Foundation—Officers: President J. Harold Trinner; Vice President James V. LeLaurin; Executive Vice President Robert D. Lynn; Secretary Thomas M. Garrett, Jr.; Treasurer Dabney Crump. Trustees: James P. Brown, Suite 400, 408 Olive St., St. Louis, Mo.; James V. LeLaurin, H. Box 446, Meridian, Miss.; Albert E. Paxton, BH, McGraw-Hill Publishing Co., Inc., 520 N. Michigan Ave., Chicago 11, Ill.; J. Harold Trinner, O, 5325 Normandy, Memphis, Tenn.; C. Robert Yeager, O, L. G. Balfour Company, Attleboro, Mass.

Shield and Diamond Endowment Fund Trustees—D. C. Powers, Z, 22 William St., New York 15, N. Y., Chairman and Treasurer. Herbert F. Koch, AZ, 6540 Loiswood Drive, Cincinnati 24, Ohio. Julius J. Fink, I'N, First California Co., 225 Bank of America Bldg., San Diego, Calif.
Chapter House Commission—P. D. Christian, Jr., BK, Christian Construction Co., 3143 Maple Dr., N.E., Atlanta 5, Ga., Chairman. Herbert Miller, AΦ, P. O. Box 1313, Des Moines 5, Iowa, Phone CHerry 3-2054 (Res. 6450—6th Ave., R.R. No. 4), Secretary. Ward Kief, BB, 1952 Shenandoah Dr., Seattle 2, Wash.

NOMINATING COMMITTEE

Chairman, John F. E. Hippel, 1418 Packard Bldg., Philadelphia, Pa.; James V. LeLaurin, Box 446, Meridian, Miss.; and J. Grant Iverson, 627 Continental Bank Bldg., Salt Lake City, Utah.

DISTRICT PRESIDENTS

1. Donald O'Neal, BΘ, 25 Lincoln Ave., Greenwich, Conn.

2. Hugh M. Dalziel, BT & T.A. Parkhurst Apts., E-4, Marion and Barbara St., Bethlehem, Pa.
 3. L. A. McCull, Jr., M, 146 W. Cheves St., Florence, S. C.
 4. Insee M. Johnson, AM, Phillips, Johnson & Williams, 1301 Fulton National Bank Bldg., Atlanta, Ga.
 5. Robert Galvin, AΘ, Room 133, State Capitol Bldg., Charleston, W. Va.
 6. O. J. Wheeler, BI, 141 W. Jackson Blvd., Chicago 4, Ill.
 7. Dr. W. W. Nedrow, ΔΘ, State College, Ark.
 8. Darcey T. Tatum, Jr., T, 2012-8 Court South Birmingham, Ala.
 9. Richard N. Bills, BT, 7227 Jefferson St., Kansas City 14, Mo.
