THADDEUS EARL WATKINS
Executive Director
The Pi Kappa Alpha Fraternity
Chapter Eternal
April 29, 1967

VOLUME 77 NUMBER 4 JUNE, 1967

EARL WATKINS
1928-1967

". . . his example can and will live in the future operations of Pi Kappa Alpha. . ."

Executive Director Earl Watkins, 38, joined the Pi Kappa Alpha Chapter Eternal at 11:15 p.m. Saturday, April 29, 1967. Memorial services were conducted by chapters throughout the United States on May first. His fraternity and the fraternity system has lost a dedicated son and a respected leader.

Since the moment of pledging his allegiance to Pi Kappa Alpha at the University of Mississippi in 1947 he has devoted to it his loyalty and his energy. Upon graduation from the University he came to the national office as a staff member. Thirteen years of his professional career have been spent as an officer and since 1961 he has served as Executive Director.

Former Executive Director Robert D. Lynn said, "He was a man of faith, he was a man of works, he was a man of ideals in action."

Fraternity leaders throughout the nation offered testimonials to his service to the fraternity system. The former national president of one of our fellow-fraternities expressed his appreciation of Brother Watkins in these words: "I admired and respected Earl for the work he did, the example he set, and for the ideals which he cherished and honored in all of his relations with his fellow men. It is hard to see why God calls the best of his disciples at such an early age other than the thought that he has a better use and a higher need for him in the Kingdom."

Brother Watkins was an active supporter of his church, his community and his country. He served on the boards of the Speech and Hearing Center and of the Exchange Club School for the Deaf in Memphis. He was Tennessee Exchangite in the year of 1959 and was State vice president of the Exchange Clubs of Tennessee at the time of his death.

Brother Watkins was an alumnus of Gamma Iota Chapter at the University of Mississippi, a member of the Pi Kappa Alpha Memorial Foundation and the Diamond Life Chapter and was a Guardian member.

He was an active member of the Little Flower Catholic Church. He leaves his wife, Ruchie, three sons, Thad, Jim and John and two daughters, Elizabeth and Esther. The family resides at 1096 Terry Circle in Memphis.

FUNERAL SERMON FOR EARL WATKINS
MAY, 1, 1967
LITTLE FLOWER CHURCH
MEMPHIS, TENN.

by Rev. A. R. Gill, (ΔZ, Memphis State)

Right Reverend Monsignor, Reverend Fathers, Beloved members of the family, members of Pi Kappa Alpha Fraternity, friends, all brothers in Christ:

"He held his place—
Held the long purpose like a growing tree—
Held on through blame and faltered not at praise—
Towering in calm rough-hewn sublimity.
And when he fell in whirlwind, he went down
As when a lordly cedar, green with boughs,
Goes down with a great shout upon the hills,
And leaves a lonesome place against the sky."

These words, from a poem, "Lincoln, the Man of the People," by Edwin Markham, express better than we could that sense of loss which we experience upon the death of a person whom we have known and loved, a loss still more keenly felt when death calls a person in the prime of life, "green with boughs." So much potential seemingly unused, so much good not yet done, so much left unsaid, such a death tries our faith in the loving Providence of God. And yet, as Christians, we must meet this test of our faith, for, after all, this faith of ours is the victory that overcomes the world.

Oh, we could recall the long list of accomplishments and contributions which Earl Watkins achieved during his young life; others have done so, and yet this honor roll of good deeds, if alone recited, would be to miss the point, for these worthy accomplishments were merely the overflow of his own deep faith in and love for God. He loved his family, took pride in his children, and loved his fellow-man for God's sake, which is the mark of true charity. His love for his Fraternity was clearly marked by his love for God. As Executive Director of Pi Kappa Alpha, Earl always sought to serve God in serving his brothers in Christ. Earl Watkins was justly proud of his Fraternity, and underscored that pride by his 1966 convention address, which, because of his illness, could not be delivered by him in person. In that address, he took a firm stand against

A Founders' Day Address
at the University of Missouri
at Rolla

Aspire Nobly, Adventure Daringly, Serve Humbly

By A. W. Moise

National Alumni Secretary

Mr. Moise

I deeply appreciate this opportunity you have given me, and Ladies and Gentlemen, I hope that within the next few minutes I can share with you a feeling about the Pi Kappa Alpha Fraternity that is most difficult to put into words.

When the founders of our fraternity laid the foundations for its tremendous growth, they also established the pattern for the lives of the people through whom this growth would be accomplished.

Their purpose or objective is outlined in the preamble dated March 1, 1868. This reads as follows:

"For the establishment of friendship on a firmer and more lasting basis; for the promotion of brotherly love and kind feeling; for the mutual benefit and advancement of the interests of those with whom we sympathize and deem worthy of our regard; we have resolved to form a fraternity, believing that thus we can most successfully accomplish our object."

Having established its reason for existing, I can see this group at one of its early meetings. If we could drop in on them we might hear something like this: Taylor is speaking and seems to be addressing his remarks to Alexander. "Bill, you are definitely right, we are organized and now have a code of ethics, so to speak, but we can't stop there. If we are going to grow and prosper we must look ahead. We have to ask ourselves this question, 'What next?' "

I like to think that this was a challenge our founders accepted and met. When some new achievement was recorded, some goal met or exceeded, their response was always the same. "That's fine, but that was last year, what about next year, what next?"

You people have turned in tremendous accomplishments for your fraternity last year. At the convention in August, we heard more from Alpha Kappa than any other group. Our hats are off to you and we congratulate you on a job well done. But if James Benjamin Sclater were here today, he might say: "Last year is over. What about this year? What are your plans to reach new heights in 1967? What next?"

On the other hand, some of our chapters despite heroic efforts haven't fared as well as you. Perhaps even some of you accomplished less than you expected to at the start of last year. I can hear Littleton Tazewell saying: "If you did your best, you can be proud of yourself. But more important, you've got a brand new year—365 days of opportunity facing you. What are your plans for 1967? What next?"

What a tremendous challenge for all of us. What a challenge for our fraternity as we look ahead to the opportunity to achieve goals and ambitions in the year ahead. What a tremendous challenge to every PiKA man not to think about the problems of the past but about the terrific potential our fraternity faces in the future. What next as we look forward to every problem as an opportunity!

The second and greater challenge our founding fathers gave us, if we paraphrase our preamble only slightly, is this:

ASPIRE NOBLY
ADVENTURE DARINGLY
SERVE HUMBLY

What a tremendous challenge this is to each of us in our own personal lives as well as our academic and business lives. And yet how much in keeping with the pattern of living laid down for us by the founders of our fraternity.

ASPIRE NOBLY, ADVENTURE DARINGLY, SERVE HUMBLY.

About two years ago the president of one of the country's largest advertising agencies made a speech that was widely reprinted and circulated. Possibly some of you have read it. This talk was entitled "The Return Of The Square." In the opening part of this speech the author said, "Back in Mark Twain's day the word 'square' was one of the finest words in our language. You gave a man a '*square deal*' if you were honest. You gave him a '*square* meal" when he was hungry. You stood '*four-square*' for the right, as you saw it, and '*square* against' everything else. When you got out of debt, you were '*square with the world*'. And that was when you could look your fellowman '*square in the eye*'."

Then the author went on to tell how today's generation had twisted the meaning of this old solid word until it referred to one who was "old-fashioned." The type person—who never learned to shortcut the law—who volunteered for community service when he didn't have to—who gets so lost in his daily work that he has to be reminded that it's time to quit and go home . . . a fellow who still gets all choked up when the band plays "America The Beautiful."

And then he went on to say—and I quote, "His tribe

isn't thriving too well in the current climate. He doesn't fit too neatly into the current group of angle players, corner-cutters, sharpshooters and goof-offers.

"He's burdened down with old-fashioned ideas of honesty, loyalty, courage, and thrift. He and all the rest of us are living in a country today that is quite different from the one that we were taught to love. Parents have successfully defended in court their children's right to ignore the flag salute. And the United States Military Academy has found it necessary to place a sign beside its parade grounds at West Point reminding spectators that it is customary for men to remove their hats at the passing of the banner that was once unashamedly referred to as 'Old Glory'."

I think any one of our founders would have spoken these same words if he were alive today. This is the meaning deeply implanted in this challenge, "Aspire Nobly, Adventure Daringly, Serve Humbly." Yes, our founders could have been telling us that PiKES were to be known as squares—because we believe in and stand for high principles—that we are earning our place in the sun by the contributions we make to our university, nation, and to our fellow man.

I think our founders would have said a loud "Amen" to this later message in the "Return Of The Square." And I quote: "For this country was discovered, put together, fought for and saved by *squares*. It is easy to prove that Nathan Hale, Patrick Henry, Paul Revere, George Washington, and almost anyone else you care to include among our national heroes was a *square*—by simply thinking what he *might* have said had he *not* been a square."

Nathan Hale might have said something like this: "Me spy on those British? Are you trying to be funny? Do you know what they do with the spies they catch? I'll give you a news flash, Chum, they *hang* them!"

Paul Revere might have said: "What do you mean—me ride through every Middlesex village and town? And in the middle of the night yet. Why pick on me? Am I the only man in Boston with a horse?"

Had he not been a square, Patrick Henry might have said: "Sure, I'm for liberty. First, last, and always. But we've got to be a little realistic. We're a pretty small outfit. If we start pushing the British around, someone is going to get hurt."

Aspire Nobly, Adventure Daringly, Serve Humbly. How can we in 1967 accept this great challenge from our founders? It seems to me that there are *three ways* for us to consider as they apply to our own *lives*, our own *abilities* and our own *goals*.

And the first of these is to . . .

Set some personal goals to improve the . . .

PHYSICAL . . .
MENTAL . . .
SOCIAL . . .
RELIGIOUS . . . sides of our lives.

Do we have personal goals to improve our physical stamina and endurance needed to reach our goals? Do we have personal goals to improve our mental abilities? Do we have a goal of reading good books and articles, of cultivating our minds and our abilities to develop fresh approaches to old problems?

Do we have a goal of making ourselves easier for others to get along with? Of improving our interest in and attitude toward others? The social side? Do we have a program for improving the character or religious or spiritual side of our lives? Are we *squares—four-square* people—when it comes to our personal goals in life?

Second, I would like to suggest that we can Aspire Nobly, Adventure Daringly, and Serve Humbly by selecting . . .

A PERSONAL EXAMPLE AFTER WHICH TO PATTERN THE AIMS AND ACHIEVEMENTS OF OUR LIVES.

Every great man I have ever known has been able to tell me of someone who has preceded him down life's road who was his ideal.

We can pick someone who embodies the ideals we would like to see embedded in our lives and seek to pattern our lives' aims and achievements after his.

And the third suggestion I have for those of us who would accept the challenge to *Aspire Nobly*, *Adventure Daringly*, and *Serve Humbly* is . . .

BE SATISFIED WITH NOTHING LESS THAN OUR BEST.

We can analyze our setbacks and profit by them. We can look upon each new day as a new challenge—a new opportunity—not to see how little we can do to get by, but how much more of our talents and abilities we can use than our fraternity has a right to expect of us.

Are we satisfied with less than our best?

Why not start an offensive today? Couldn't you begin by putting your prayers into action? What definite *right* things will you do to replace some of the *wrong* things you have been doing? What particular *hill* will you take? Will you set a zero hour to go over some top that has stood as an obstacle in your life? List some of these things and opposite them list an offensive program.

MAKE A PROGRAM THAT WILL BE SATISFIED WITH NOTHING LESS THAN YOUR OWN SELF AT YOUR VERY BEST ALL THE TIME.

ASPIRE NOBLY, ADVENTURE DARINGLY, SERVE HUMBLY.

But that is not enough. We must maintain and build upon the traditions and ideals that have made our fraternity and our people so outstanding. Our most priceless assets are the Pika spirit, the moral character and dependability of our members, their enthusiastic belief in their fraternity and its services, their willingness to go the extra mile. This loyalty and enthusiasm are not the results of accidental happenstance. It was created and nutured by our founders. It is now our responsibility and our privilege to carry on and to keep Pi Kappa Alpha the greatest fraternity because of the high standards of its members.

Let us all, individually and collectively, resolve that we, as loyal PiKAs will strongly perpetuate the foundations, the ideals and the challenges on which this fraternity was built and has grown.

A fraternity is known by the people it keeps. We are proud of the kind and character of people who make up Pi Kappa Alpha.

Horne Presents Charter At Western Carolina College

By Gerald W. Matheny, ZΞ

On Saturday evening February 11, 1967, the Brothers of the Pi Kappa Alpha Colony at Western Carolina College at Cullowhee, North Carolina, were initiated into the national brotherhood of Pi Kappa Alpha. Conducting the initiation ceremonies were Zeta (University of Tennessee), Mu (Presbyterian College), and Epsilon-Zeta (East Tennessee State). Thirty-six undergraduate brothers and four alumni were initiated.

Administrative Assistant Jim Mueller arrived on Wednesday of that week to help in preparing for the big weekend. Arrangements were completed to use the Cullowhee Baptist Church for individual initiations Saturday night and for the installation and chartering ceremonies Sunday atfernoon.

Immediately after the Sunday ceremonies a banquet was held at the Ridgeway Inn in Sylva. Speakers at the banquet were National Treasurer John E. Horne, Administrative Assistant Jim Mueller, and our local founder Frank J. S. Maturo.

We are the last local on this campus to affiliate with a national fraternity. Other fraternities which have chapters here are Delta Sigma Phi, Theta Xi, Kappa Alpha, Pi Kappa Phi, and Tau Kappa Epsilon. The sororities include Alpha Xi Delta, Delta Zeta, Sigma Kappa, Zeta Tau Alpha, and Epsilon Sigma Phi (local).

At the present there are no Greek houses on the Western Carolina campus, but steps have recently been taken by the administration to approve housing for the Greeks. Hopefully all the Greek letter social organizations here will have houses in another two years.

Our local, Sigma Phi Kappa, was established March 27, 1965. The fifteen charter members began with the goal of building a strong local and then affiliating with a national fraternity. During the first year the brothers gained much recognition from Greeks and non-Greeks alike as we grew larger and stronger. In that year we won third place for our homecoming display, second place in the Blood Donor Drive and came in second in scholastic averages of all other fraternities. We also adopted a young Vietnamese boy, Nguyen Van Ngoc, through the Foster Parents Plan. He receives fifteen dollars a month from our chapter to help stabilize his family's income.

After colonization on March 20, 1966, we strove even harder to attain the number one position on campus. Our '66 homecoming display won second place. We won the first place trophy in the Blood Donor Drive and our scholastic average was higher than any other fraternity for the year. Pi Kappa Alpha Colony won the trophy for bringing in the most money for a local hospital during a fund raising drive. The colony also won first prize in an ice cream eating contest sponsored by one of the sororities.

We have outstanding brothers in every aspect of campus life. One of our brothers is past Chairman of the Miss Catamount Pageant. The President and Treasurer of Men's House Government are both brothers of Zeta Xi. In our ranks we have twelve dormitory counselors, three of which are dormitory assistants. Two of our brothers are members of Alpha Phi Sigma, National Honorary Scholastic Fraternity, with one of them serving as president. The student director of intramurals on our campus is also a PiKA. We have brothers in almost every organization here.

We, the brothers of the newly chartered Zeta Xi chapter, have worked hard to become what we now are, and we shall continue to work hard "for the establishment of friendship. . .; for the promotion of brotherly love. . .; for the mutual benefit and advancement of the interests of . . ." Pi Kappa Alpha.

Charter members of Zeta Xi Chapter at Western Carolina College are shown here with the chapter SMC receiving the charter from National Treasurer John Horne of Washington, D. C. On Mr. Horne's right is Assistant Executive Director Garth Jenkins and on SMC Wayne Saunders left is District President William P. Donelan.

Chapter officers of Zeta Xi Chapter are shown here with visiting National Officers. (l to r) Assistant Executive Director Garth Jenkins, National Treasurer John Horne, District President William P. Donelan; 2nd from left in back row is Field Secretary Jim Mueller.

WELCOME, GRADUATES

By C. Robert Yeager Ω
President, L. G. Balfour Co.
Past President, National Interfraternity Conference, Past President, Associated Industries of Massachusett

T. W. Cothren (Alpha Zeta-Arkansas) has been named President of The Zero Refrigerated Lines, San Antonio, Texas.

Across the land our educational system is now pouring forth its millions of graduates—truly a bumper crop and certainly our most valuable one. A great majority of these graduates look to business for their livelihood.

What can we say to you, graduate? Whether your diploma was issued by a high school, trade school, college, or institute for advanced study, you come to us better prepared for your job than any graduate in history.

At the risk of triteness, we—your prospective employers—would like to top off your fine academic training with some advice that is pretty down to earth. It is put forth in good faith, having in mind that we, as well as you, stand to lose or gain by your competence or lack of it.

First: You won't get ahead in business without really trying. Don't be misled by Utopian reports about the shorter work week. The Great Leisure Time is mostly for hourly employees. To give it to them, management and creative staffs today work anywhere from 70 to 90 hours weekly.

Second: Love your work! Modern business is so demanding that you can't hope to exert your full potential unless you really like what you are doing. But remember—give the job a chance. This leads to the next point.

Third: Attack that first job as if it were your last, not first, chance. Don't *assume* you will soon move to another job or another company. You doubtless, will, but that first job—and every successive job—must command your full attention and complete dedication. Tell yourself: *"This is it!"*

Fourth: Be kind to your less educated associates. With average competence and superior training, you will soon be leap-frogging men with fewer advantages. Be aware of their instinctive envy. Your success will be determined by whether, on the way up, you make friends or enemies of the people who will work as your subordinates.

Fifth: Be proud to take your place in the ranks of American Business. If you are not proud of what the contemporary American business system has achieved and stands for, don't join it. If you *do* join it and *are* proud, be prepared to fight for it against skilled and determined adversaries.

These thoughts for the aspiring graduate demand a word of warning for the hopeful employer. The graduate you welcome to your ranks may well be quite different—even dramatically different—from the graduate of yesteryear. He will be much more sophisticated and probably know much more about business management generally than his predecessors. In many instances he will have had actual job experience. He will know at least the vernacular of a surprising variety of fields, ranging from EDP to management psychology. He will have a refreshingly mature sense of business responsibility in a free society. In short, the graduate may well be a generalist, not a specialist, even if he comes to you from an institution once known and still regarded by you as a technical school. You may have trouble putting him to work profitably and, once at work, he may well feel that his broad academic knowledge is being wasted.

These transitional adjustments can be simplified if you, the employer, understand what your graduate's teachers have made of him—something he himself may not even understand. This graduate will learn your specialized jobs faster than you imagine, and far better. He will go on, very rapidly, to become what we must have in management today—the well rounded socially-oriented executive. Thus it is with pride as well as hope that we say to these aspirants—and to the devoted people who taught them—"Welcome Graduate!"

GOD IS FIRST!

God is First!
In our prayers for direction,
To provide purpose
To our lives.

God is First!
In giving us the sense
Of consideration
For others.

God is First!
In reminding us to reach
For truthfulness
To others.

If we ask; if we pray; if we try,
God is First, God is Last,
God is Always—

Ray Bradford, District President (#28) ΓH, University of Southern California
Composed at IIKA National Convention in St. Louis while reflecting on the June, 1966 *Shield and Diamond* cover, "God Is Alive."

King Named Ambassador

David S. King (Alpha Tau-Utah) has been named U. S. Ambassador to Malagasay Republic (Madagascar). Brother King was honored by a reception in Salt Lake City sponsored by Gov. Calvin L. Rampton prior to departure for his assignment.

Brother King said his main responsibility will be to maintain the 1,000 mile-long island as a friendly nation to the U.S. and the west. The island is larger than California and is populated by people of Polynesian and Indonesian extraction.

Brother King is a former United States Congressman.

STATE-WIDE WELCOME FOR IIKA'S AND FAMILIES EXTENDED BY CENTENNIAL HOSTS

IN TOWNS ALL OVER VIRGINIA DURING CENTENNIAL YEAR

Headed by one of IIKA's most revered former national officers and probably the oldest living member of the Fraternity, the Virginia Centennial Committee will host its Centennial visitors next year with Dr. James Gray McAllister, *Iota*, as Honorary Chairman.

The Committee members include representatives at points over the entire state who will make IIKA's welcome wherever they visit during the Centennial year.

Guy A. Borkey, *Omicron*, of Richmond, will chairman the Committee's functions in promoting attendance and assisting the Richmond and Charlottesville Convention Committees. Brother Borkey is a former national officer and long-time stalwart in Fraternity activities, both locally and nationally.

Brother J. Gray McAllister was initiated into Iota at Hampden-Sydney in 1890 and served as Grand Secretary and later as Grand Chaplain.

Following is the list of Virginia Committee members:

VIRGINIA CENTENNIAL COMMITTEE

Honorary Chairman

Dr. J. Gray McAllister, *Iota*, Grand Secretary (1894-96); Grand Chaplain (1905-09), 3402 Hawthorne Avenue, Richmond, Va.

Chairman

Guy A. Borkey, *Omicron*, Virginia Electric and Power Company, Richmond, Va.

Members: Michael W. West, *Omicron*, Chairman, Richmond Convention Committee; Morrell M. Crowe, *Beta Lambda*, Mayor of Richmond; R. McLean Whittet, *Omicron;* Moses D. Nunnally, Jr., *Omicron;* Robert L. Branner, Jr., *Alpha Delta;* Holcombe R. Crockett, *Iota;* Lewis C. Spicer, *Omicron;* George D. Rawls, *Alpha;* William R. Rock, *Omicron;* Gordon B. Marshall, *Iota;* all of Richmond.

Other members of the Virginia Centennial Committee are:

Dr. C. Ralph Arthur, *Omicron*, President, Ferrum Junior College, Ferrum; Blake T. Newton, *Gamma*, Hague; Taylor W. Reveley, *Iota*, President, Hampton-Sydney College, Hampton-Sydney; Arthur T. Ellett, *Omicron*, Roanoke Gas Company, Roanoke; Joseph M. Smith, *Alpha*, University of Virginia; Dr. Anthony M. DeMuth, *Beta Alpha*, Farmville; Colonel William Hugh Flannagan, *Alpha*, Miller School; Park Rouse, *Pi*, 14 Bayberry Lane, Williamsburg; Garland E. Moss, *Omicron*, 814 Robertson St., Chase City; P. T. Atkinson, Jr., *Iota*, Bowling Green; Lt. Col. Charles R. Burton, 7320 Glenrose Ave., Norfolk; Michael M. Foreman, *Omicron*, 211 W. Leicester St., Winchester; H. Manning Woodward, Jr., *Omicron*, Louisa; Randolph D. Rouse, *Pi*, 6407 Wilson Boulevard, Arlington; Robert M. Heflin, *Omicron*, Box 153, Fredericksburg, Va.

"Mr. IIKA" in Virginia is Guy A. Borkey (Omicron) long-time active IIKA alumnus and widely known in Virginia as "Jake". He heads the host Virginia Centennial Committee overseeing the state-wide Convention program. (left).

Chairman of the Richmond Convention Committee, which will handle the details of the Centennial Convention in August, 1968, is Michael W. West (Omicron), former football star, energetic Omicron alumnus and successful businessman. He and his wife, Dallas, will head the Richmond hosts and hostesses for undergraduates and alumni.

Virginia has everything. So here's Virginia Beach, where you can sun, swim and relax during your Virginia vacation after the Centennial.

In this little white church, oldest in Richmond (1741) Patrick Henry delivered his immortal "Liberty or Death" oration, an historic spot which you and your family will want to visit on your Richmond Convention trip.

For a Bigger and More Wonderful Centennial Convention—these are the Objectives of the *Virginia Centennial Committee*

1—To encourage formation of alumni groups in all areas of the Commonwealth of Virginia in the interest of promoting attendance and participation in the Centennial Convention.

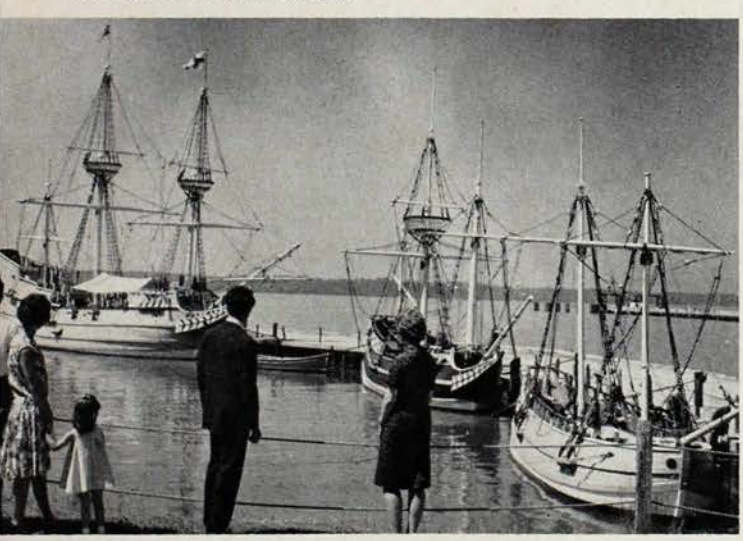
2—To assist and work with the Chairmen of the individual Virginia chapters in the solicitation of contributions to Project Centennial.

3—To assist the Richmond and Charlottesville Convention Committees in the preparation and handling of arrangements and entertainment for all local and state activities of the Centennial Convention.

4—To encourage attendance at the Centennial Convention by the distribution of travel information, material on scenic and historical places of interest and vacation attractions in Virginia.

Monticello, the famous home of Thomas Jefferson, is scheduled for a visit on the Charlottesville Pilgrimage during the Richmond Centennial Convention program.

Moored at Jamestown are full-size reproductions of the Susan Constant, the Godspeed and the Discovery, which brought the first permanent settlers to Virginia in 1607. You can go aboard and explore these tiny ships.



You won't want to miss seeing the remarkable Luray Caverns when you take that vacation trip to Virginia for the Centennial Convention.

Bransford W. Crenshaw, Diamond Life Member #919; Centennial Medallion Memberber #195

Gene Michaelis, Diamond Life Member #924; Centennial Medallion Member #199

William E. Gorman, Sr., Diamond Life Member #849

George W. D'Artois, Diamond Life Member #927, Centennial Medallion Member #216

Russell Cornette, Diamond Life Member #915

Herbert T. Taylor, Jr., Diamond Life Member #831.

Dickson Announces Three National Appointments

National President Donald Dickson recently announced the appointments by the Supreme Council of Professor Robert V. Wolf as National Rush Director, Michael Clancy, Jr. as Director of University Relations and Douglas Dunipace as President of District 24.

Brother Wolf is Associate Professor of Metallurgy at the University of Missouri at Rolla. He has been serving as Alumnus Counselor of the Alpha Kappa Chapter for many years. He was chairman of local arrangements for the 1966 Leadership School.

An alumnus of Alpha Kappa Chapter, Bob holds membership in Pi Tau Sigma and Tau Beta Pi, honorary fraternities, and is National Secretary of Alpha Sigma Mu, Metallurgy Honorary. He resides at 50 Green Acres Drive in Rolla, Missouri.

Michael Clancy is an alumnus of Delta Beta Chapter at Bowling Green State University at Bowling Green, Ohio. While serving as president of District #16 (Northern Ohio and Michigan), he was active in the field of expansion, having a part in the establishment of colonies at Western Michigan University, Ferris State College, and the General Motors Institute and the colony at the University of Michigan. Brother Clancy resides in West Lake, Ohio where he is a member of the faculty in the Public School system.

Douglas Dunipace was an undergraduate of Gamma Delta Chapter at the University of Arizona. He received both the BA and LL.B degrees from his alma mater. As District President, he will supervise all undergraduate and alumni activities which includes the states of Arizona and New Mexico. He and his wife reside in Phoenix, Arizona, where he is a practicing attorney.

Beta Eta Chapter— a present and future . . . .

by RICHARD G. WESTERN, SMC

This, our 50th Anniversary, marks a milestone not only in the life of Pi Kappa Alpha, but also in the lives of each initiate of Beta Eta. Despite a humble beginning and the trials of two World Wars, Beta Eta has emerged as one of the finest chapters at Illinois today.

Since its founding, 784 men have become brothers of Pi Kappa Alpha through Beta Eta chapter. Two years ago that figure stood at 730. This is only one indication of the recent tremendous growth of our chapter. The present active enrollment stands at close to seventy men, putting PiKA near the top in size at Illinois.

The progression to the top has not been an easy one, for it has required the dedicated efforts of many zealous PiKAs to reach our present status. Nor is it finished, for when the top is in sight, we must work harder yet to get there, and then to remain. This too requires a continuous effort on the part of all brothers toward a common goal which is to make Beta Eta and Pi Kappa Alpha the finest fraternity in existence.

Let us now turn our eyes ahead. The light of PiKA shines brightly in the future of Beta Eta at Illinois. Our goals are set no lower than the attainment of excellence in all endeavors. Already a noted campus leader, Beta Eta plans to participate still more enthusiastically in the many and varied activities at Illinois. Even more importantly, however, Beta Eta hopes soon to be among the very finest Pike chapters in the nation, serving the Fraternity with ambition and enthusiasm.

As the bonds of brotherhood, stretched across the years, join here today, I sincerely hope that this celebration of fifty years of excellence will serve merely as the beginning of an even greater fifty years for Beta Eta and for Pi Kappa Alpha.

PI KAPPA ALPHA FRATERNITY

national leadership school

AUGUST 27-30,1967

Classes in All Areas of Interest
Highly Qualified Faculty Noted Speakers
Visit to the National Office

ARE YOU COMING?

The Supreme Council has unanimously approved having an off-convention year NATIONAL LEADERSHIP SCHOOL this summer on August 27-30. This will be the first school of its kind, and its success will determine whether or not other such workshops will be held in the future in odd-numberd years.

EDUCATING OUR PLEDGES **PUBLIC RELATIONS** **ACADEMIC ACHIEVEMENT**
INVOLVING OUR ALUMNI **CHAPTER FINANCIAL MANAGEMENT** **SELECTING PLEDGES**

CHAPTER ORGANIZATION
ENDURING VALUES

ATTENDANCE: ATTENDANCE WILL BE VOLUNTARY, but the Supreme Council is hopeful that every chapter will send several representatives.

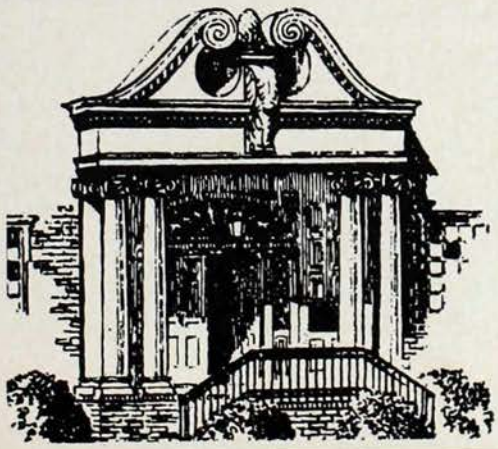
LOCATION: Highland Towers, a privately owned, high-rise, air-conditioned residence hall on the Memphis State University campus, has been selected as the site for the school. With few exceptions, the entire conference will be self-contained in this beautiful facility. This includes sleeping, eating, and meeting classes.

EXPENSES: Since it is a voluntary-attendance affair, NO TRAVEL EXPENSES WILL BE ALLOTTED TO THOSE WHO ATTEND. The registration fee, however, will be provided by the National Fraternity for one man from each chapter or colony. This fee includes food and lodging from Sunday evening (no meals Sunday) through Wednesday noon. Others who attend will pay a $30.00 fee.

THEME: This will be a no-nonsense workshop. A minimum of time will be spent in non-constructive activity. More topics of interest and pertinence to your chapter will be covered than in past leadership schools.

WHAT TO BRING: Sheets and towels will be provided. Bring your cameras. Consider bringing portable tape recorders to take home some good ideas.

WHAT TO WEAR: Every activity except the Model Initiation in a nearby church will be INFORMAL, so you should bring one suit and tie, as well as your casual clothes.



tour the NATIONAL OFFICE

A one-half day tour of the National Office is planned during the leadership school. This tour will provide an opportunity for each individual attending to talk with the National staff about any matter that concerns him or his chapter.

Chapter Eternal

JOHN A. BAILEY (AT-Utah), Sept. 28, 1966, Salt Lake City, Utah.

JOHN MILLEN BROWN (B-Davidson), Nov. 16, 1966, Balboa, Canal Zone.

JAMES FLEMING CARTER (ΔΨ-Maryland) auto accident, March 10, 1967, College Park, Md.

WILLIAM S. CLOUD (AY-N. Y. Univ.), Dec. 31, 1966, Wilmette, Ill.

MERVYN J. CONOHAN (BΞ-Wisconsin), March 4, 1967, St. Louis, Mo.

ROBERT EARL CUNNINGHAM (ΔΨ-Maryland) auto accident, March 10, 1967, College Park, Md.

IVAN CORDELL DUBOIS (Z-Tenn. & BK-Emory), Dec. 3, 1966, Seattle, Wash.

JOSEPH R. EDMONSTON (AΞ-Cincinnati), March 6, 1967, Montara, Calif.

REV. JOHN BOYD GORDON (Θ-Southwestern-at-Memphis), Jan. 23, 1967, Winston-Salem, North Carolina.

RUSSELL GRAYSON (ΓO-Ohio), May 30, 1966, Jefferson, Ohio.

JAMES ELBERT HARDIN (AI-Millsaps), boating accident, Nov. 8, 1966, Jackson, Miss.

VICTOR HAYES HAYDON (I-Hampden-Sydney), Sept. 20, 1966, Manassas, Va.

WILLIAM GUY HAZLEWOOD (AZ-Ark.), Jan. 8, 1967, Tyler, Tex.

HARRY H. HORTON, JR. (T-No. Carolina), Jan. 31, 1967, Miami, Fla.

IVOR WILLIAM JONES (Y-Auburn), Jan. 3, 1967, Birmingham, Ala.

JACK MISETICH (ΓH-So. Calif.), Dec. 8, 1966, San Pedro, Calif.

WILLIAM H. PRITCHETT (ΔΔ-Florida Southern), auto accident, Feb. 21, 1967, Lakeland, Fla.

ROBERT H. REED (BΓ-Kansas), Jan. 29, 1967, Swarthmore, Pa.

FREDERICK W. SALISBURY (BA-Penn State), Aug. 30, 1966, Chadd's Ford, Pa.

Thomas M. Garrott, Jr.

Memorial Foundation Head, Tom Garrott, Dies in Memphis

Brother Thomas M. Garrott, Jr., (Theta) longtime active member of Pi Kappa Alpha and current President of the Memorial Foundation, died in Memphis on February 28.

Garrott attended Southwestern at Memphis where he was SMC of Theta Chapter in the late 1920's. He has served as secretary and treasurer of the Memorial Foundation.

He will probably be best remembered for his efforts to locate PiKA's Memorial Headquarters in Memphis; although, he has, through the years, given ceaselessly of his time and resources for the betterment of Pi Kappa Alpha. At the time of his death, Brother Garrott was serving PiKA as the Chairman for the Memphis area alumni Project Centennial drive.

Brother Garrott leaves his wife, Mrs. Lina Hughes Garrott of Tunica, a son and a daughter.

A TYER SAWYER (T-No. Carolina), March, 1967, Milwaukee, Wis.

WALDO JACK SHIERLING (Founder of Beta Phi-Purdue, Nov. 16, 1966, Winchester, Indiana.

DR. WARREN G. SHUMAN (AM-Georgia), June 4, 1966, Montgomery, Ala.

GARY WAYNE VAUGHAN (EΓ-Texas Tech), auto accident, July 9, 1965, near Alamagordo, New Mexico.

EARL W. VOLBERDING (BH-Ill. & AΦ-Iowa State), Dec. 22, 1966, Wichita Falls, Tex. He was initiated by his brother-in-law, District President Virgil McBroom.

CHARLES R. WILLIAMS (AΞ-Cincinnati), Oct. 24, 1966, LaCanada, Calif.

JACOB SHELLY ZIMMERMAN (AA-Duke), Dec. 12, 1966, Baltimore, Maryland.

ALBERT J. STRATHMAN (AN-Missouri), Nov. 20, 1966, Norborne, Mo.

DR. FINIS A. TAYLOR (Z-Tenn.), of Memphis, Tenn. died in his sleep April 2, 1967 while on a business trip to Albuquerque, New Mexico.

HOWARD C. REED (ΓΞ-Wash. State), Feb. 23, 1967, Portland, Oregon.

MARVIN H. PHILLIPS (BΛ-Wash. Univ.), 1967, Norwich, Conn.

CURTIS AVIS MITCHELL (ΔZ-Memphis State), March 1, 1967, Memphis, Tenn.

DR. ROBERT W. PILCHER . (BΛ-Univ. of Wash. & BB-Washington Univ.), Dec. 31, 1966, Birmingham, Alabama.

Newsworthy

The University of California at Berkeley has established a football trophy which it has named in honor of Coach Lynn O. Waldorf, AX, Syracuse). The award goes to the outstanding defense player on the California team. Selection is made by vote of sports writers who are present for the annual Varsity Alumni spring football game.

Dr. A. E. Grigg (O-Richmond) has been named dean of Richmond College at the University of Richmond. Brother Grigg is president of the psychology section of the Virginia Academy of Science and is a fellow of the American Psychological Association. While teaching at the University of Texas, he was director of the graduate training program in clinical pyschology. He received his Ph.D. at the University of Iowa.

Mississippi Honors Earl Watkins

by GERALD BURNETT, ΓΙ

The highlight of this school year for Gamma Iota Chapter was "Earl Watkins Day" which was held on March 5. The event began with the chapter attending morning services at the First Baptist Church in Oxford. After the services, the chapter and guests met for our "Earl Watkins Day Banquet" which was attended by 230 alumni, guests, and chapter members.

The principal speaker for the event was Brother Brad Dye, Jr. Brother Dye was SMC of Gamma Iota for two terms and was an outstanding leader on the Ole Miss campus. He is currently one of the outstanding young political figures in Mississippi. Dr. Hugh Stuart of Memphis, another outstanding alumnus of Gamma Iota, and William Crosby, past Assistant Executive Director, gave testimonials in behalf of Brother Watkins. The testimonials paid tribute to Brother Watkins for the outstanding work he has done for both Pi Kappa Alpha and Gamma Iota Chapter.

In recognition of this outstanding work for our fraternity and his loyal devotion to Gamma Iota Chapter, Gamma Iota announced its plans for the "Earl Watkins Scholarship" which will be given annually to some outstanding member in our chapter who best portrays the example of fraternity love, dovotion, and leadership that was set by Brother Watkins while he was an undergraduate member of Gamma Iota Chapter. Also, the chapter presented its "Ode to Earl Watkins" which was written by Brother Ellis Branch.

We were sorry that Brother Watkins could not attend due to his illness, but he was presented with a tape recording of the event nad a scrapbook of pictures taken.

Three Generations in ΠΚΑ

Rulon H. Clark, Juvenile Court Judge in Salt Lake City for 26 years was initiated by Alpha Tau Chapter in 1914. He was captain of the basketball team. He served as National Vice-President of the Juvenile Court Judges Association. Two sons and a son-in-law are also PiKA's: Rulon H. Clark, David G. Clark and Donald L. Fox.

Rulon H. Clark was initiated at the University of Utah in 1941. He was named All-Conference football player in 1943. He served as National Alumni Secretary, 1960-1962; National Pledge Training Director, 1962-1964; and National Vice-President, 1964-1966.

Robert S. Clark was initiated by Alpha Tau Chapter in 1964. He was named an All-American high school football player in 1964. He is currently on a 2½ year mission for the Mormon Church in Finland.

Three generations of leaders in Alpha Tau Chapter of Pi Kappa Alpha: Judge Rulon W. Clark (center); Rulon H. Clark (left), former National Vice-President of Pi Kappa Alpha and President of the Majestic Life Insurance Co.; and Robert S. Clark.

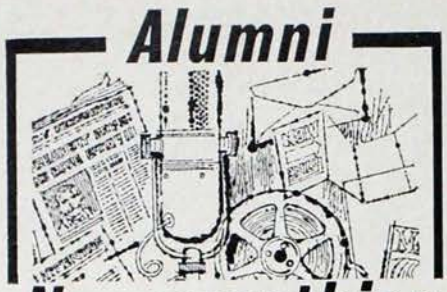
Lakamp Addresses New York Alumni

Robert H. Lakamp (Beta Pi-Pennsylvania) was Founders' Day speaker in New York City on March 10.

Robert H. Lakamp (Beta Pi-Pennsylvania), Special Assistant to the president of the J. C. Penney Co., was the featured speaker at the New York Alumni Association's Founders' Day dinner which was held March 10 at the William's Club. Brother LaKamp was introduced by Chester Brown (Alpha Nu-Missouri), Chairman of the Board, Allied Chemical Co. Brother Brown had served as host to an alumni gathering last fall and continues to be an alumni leader in the New York area. Undergraduates attending the District #1 Convention participated in the Founders' Day Banquet. More than 100 alumni and undergraduates were present representing 23 PiKA chapters.

John L. Layton (Alpha Eta-Florida) president of the New York Alumni Association, presented 50 year membership certificates to Thomas Dugan (Beta Theta-Cornell) and Henry P. Arnold (Zeta-Tennessee).

Brother LaKamp joined the J. C. Penney organization in 1931. He served in many areas of the company, earning promotions regularly. In 1966 he was named assistant to the president. Brother LaKamp is Vice-Pres. of the Rotary Club of New York, is a member of numerous professional associations and is an elder in the Wyoming Presbyterian Church.



ROBERT F. HENRY (Beta Kappa-Emory), president of Robert F. Henry Tile Co., was elected to the Board of Directors of the Union Bank & Trust Co., Montgomery, Ala. A new $4.5-million, 14 story building is under construction, which will include headquarters for the bank, an office building and parking facilities.

The North Carolina Citizens Association presented its distinguished citizens award to EDWIN PATE (Alpha Epsilon-North Carolina State), Laurinburg businessman and a director of Southern Bell Tel. & Tel. Co.

Special Assistant for public information to former Governor Goddard and a featured Phoenix Gazette sports writer from 1947 to 1961, BEN FOOTE (Gamma Sigma-Pittsburgh), has re-entered the public relations field as owner and manager of Seso West, Phoenix, Arizona.

T. CALHOUN STRAWHAND (Omicron-Richmond), has been appointed as manager of the Baltimore branch bank's money department, Federal Bank of Richmond, Virginia.

The Legion of Merit, for exceptionally meritorious service, has been received by Army Major ROBERT V. ATKINSON (Mu-Presbyterian) at Ban Me Thuot, Vietnam. He also received the Vietnamese Cross of Gallantry with Silver Star for operations conducted by his unit in support of the South Vietnamese Army.

The Prudential Insurance Co. of America recently promoted JOSEPH H. QUADE (Alpha Psi-Rutgers), F.L.M.I., Planning Analyst, Operations Analysis & Research Department, Corporate Home Office, to the position of Senior Administrative Assistant, Newark, N. Y.

The ladies are watching FESS PARKER (Beta Mu-Texas) . . . a secret poll reveals that 10,000,000 persons are looking at the "Daniel Boone" series—but that his two kids are not among 'em. The young Parkers are tuned in on "Batman" at that hour. Another pertinent fact brought out by the poll is that good old "Daniel" has more adult viewers by far than it has children watchers and that most of them are women. Asked how it makes him feel to be looked at so flatteringly by the ladies, Fess said, "nervous."

BRYANT T. CASTELLOW (Upislon-Auburn), president Dixie Thermodose Company, Huntsville, Ala., started the business in 1964, now doing $250,000 annually in air conditioning.

CHARLES F. HEARTFIELD (Tau-North Carolina) was recently promoted to Vice-President of South Shore National Bank, Wayland, Mass., in charge of new travel department.

The Travelers Insurance Co., Hartford, Conn., has promoted RUSSELL A. HOFFMANN (Beta Lambda-Washington Univ.) to secretary in the casualty-property division of the claim department. Brother Hoffman joined the company in St. Louis in 1929.

Keynote speaker for the 1964 PiKA National Convention in Denver, WALTER K. KOCH (Beta Upsilon-Colorado) has joined the law firm of Holme, Roberts & Owen in Denver. Brother Koch retired as president of the Mountain States Tel. & Tel. Co., where he had held this position since 1952.

GLENN T. WILSON (Gamma Gamma-Denver) has retired as the Colorado High School Activities Assn. Commissioner, having been associated with this organization since its formation in 1921. He still has his office in the CHSSA Bldg. and continues in an advisory capacity.

Formerly acting president, I.M.C., historian, social chairman and scholastic chairman of Delta Sigma Chapter, DR. PAUL E. KELLY (Delta Sigma-Bradley), has been appointed full professor of sociology and education, Department of Sociology & Anthropology, University of Georgia, Athens, Ga., effective September 1, 1967. He was former faculty adviser to Alpha Chapter, Univ. of Virginia.

A graduate of the University of Miss. (Gamma Iota), 1st Lt. WILLIAM DALEHITE of Jackson, Miss. has been awarded the Silver Star "for gallantry" while serving in Vietnam.

DONALD T. MCRAE (Alpha Alpha-Duke) has been promoted to Region Supervisor—Field Audits with DuPont Company in Niagara Falls, N. Y.

MAJOR JOSEPH F. BOHREN (Delta Beta-Bowling Green State), U.S.A.F., is presently assigned to Headquarters, USAFSS, San Antonio, Texas.

Serving with the 339th Transportation Co., Nha Trang, Vietnam, is Army 1st Lt. WILLIAM H. BRYAN (Epsilon Lambda-Murray State).

Now living in Evanston, Wyoming, RAYMOND MICHAEL HUSTON (Epsilon Tau-Eastern New Mexico), is working for the State of Wyoming as a Personnel Counselor & Rehabilitation Advisor in the State Mental Hospital.

WILLIAM E. CALLAHAN (Beta Kappa-Emory), of Atlanta recently set up a consulting and publishing firm in the field of marketing and related areas, under the firm name of William E. Callahan & Associates, Inc. He retired in June, 1966 as assistant vice-president for sales with the Retail Credit Company.

Presently assistant operations officer in Hdqs., U.S. Army Area Command, Saigon, Vietnam, CAPTAIN RONALD L. VOLKMAN (Delta Theta-Arkansas State) received the Army Commendation Medal for meritorious service.

Army Major KENNETH M. FRITZ (Beta Xi-Wisconsin) assumed command of Co. B of the 9th Infantry Division's 9th Aviation Battalion in Vietnam. The major holds the Army Commendation Medal.

Recently transferred to South Bend, Indiana, EDWARD

H. Bowles, Jr. (Beta Phi-Purdue) is assistant to the Division Manager at Northern Indiana Public Service (Gas) Company.

Capt. Allan S. Ross, Jr. (Gamma Iota-Mississippi) is assigned as an engineer in the Vogelsberg, Germany District.

Owner of the G. E. Crone Monument Co., George E. Crone (Delta Zeta-Memphis State) has been elected to a two-year term as a director of the 800-member Monument Builders of North America.

Captain Preston A. Parrott (Epsilon Pi-Sam Houston State) is now serving as adviser in Mekong Delta of Vietnam.

Lt. W. Robert Fabinsky, Jr. (Alpha Zeta-Arkansas) is now stationed at Pensacola Naval Air Station where he is in training to become a Marine pilot.

2nd Lt. George S. Georgalis (Omega-Kentucky) completed an engineer officer course, training in the operation and maintenance of construction equipment, logistics, administration and road construction, at Ft. Belvoir, Va.

Joining Zurich Insurance Company as their large lines underwriter in Los Angeles Branch Office, is William Valentine (Beta Lambda-Washington Univ.).

1st Lt. Frank L. Taylor, Jr. (Beta-Davidson) of Columbia, S. C., completed a combat platoon leader course, Ft. Benning, Ga.

Before 100 diners at the Willard, Ohio Jaycees annual awards dinner, Larry J. Foran (Delta Beta-Bowling Green State) was announced as the Young Man of the Year. He is employed in the accounting department of General Motors, Mansfield.

Recently completing a quartermaster officer course at Ft. Lee, Va., Army 2nd Lt. David R. Clark (Nu-Wofford) was trained in the use of petroleum products, supply by air-drop, food service in field & combat and other duties of supply officers.

Russell Cornette (Sigma-Vanderbilt) retired in 1963 after 35 years selling office equipment, is now serving as County Chairman of American Cancer Society.

2nd Lt. Larry C. Oberlin (Epsilon Psi-Western Michigan) was recently commissioned after graduating from O.C.S., Ft. Benning, Ga. Other than his training in Leadership, he also received instructions in map & aerial photography reading, guerrilla warfare & counterinsurgency operations.

After receiving his D.D.S. degee from The New Jersey College of Medicine & Dentistry, Alfred J. Desimone (Gamma Omega-Univ. of Miami) now has his office in Absecon, N. J.

Army Private James W. Tate (Gamma Psi-Louisiana Tech) recently completed a light vehicle driver course at Ft. Huachuca, Ariz.

Dr. Benjamin F. Cooper (Tau-North Carolina) is the new Dean of the School of Pharmacy at Northeast Louisiana State College.

Chaplain's Corner

Dr. Harold H. Lentz, *National Chaplain*

Once I spent an entire year writing a dissertation. This meant solitude, deep in the archives of great libraries, brushing aside dust from musty tomes, and reading thousands of pages of records. There was some amusement involved in looking at advertisements of a century or more ago. They portrayed many queer looking gadgets, the awkward forerunners of many items we enjoy today. It was interesting to read the marvellous powers proclaimed for patent medicines before the day of legal restrictions on such claims.

My year-long task was to do something with history. I was to follow a certain topic through a period of past time, gathering facts and making defensible judgments. However, the year's exercise in historic research was not a case of me doing something with history but of history doing something to me. In the end I was influenced by hearing very distinctly the message of history, when it speaks.

First it says to those who listen: take the long look. This is an important communication. We are too prone to enlarge the present, to discuss such trivia as the day's weather, to fret over common chores. History compresses the days and months so that only the top spots are mentioned. It makes us realize the trivial is soon forgotten. It teaches us to look ahead to far-away goals, to examine the broad pattern and final end of our life, to search the distant horizons.

Secondly, it says YOU are writing this chapter. History is but the recorded events of what each generation did in its day. Those who lived before you, or will follow after, are the writers of other chapters. But this chapter in human history is yours to pen. It does not matter how you like the world you have inherited. What you are doing is the thing that counts. You ARE writing this chapter of history, will the story be bright?

The third lesson of history is that God plays a large part in the affairs of man. The degree to which individuals or society have given Him consideration and respect has determined the varying course of history. The greatest thinkers, artists, statesmen, musicians have received their inspiration from Him. Whether one thinks of the religious and ethical contributions of the Jews, as recorded in the Old Testament, in the coming of Christ, recorded in the New, or the sweep of history in the last two thousand years, one can only admit that the Creator of all has, both directly and indirectly, entered into the affairs of men. Those who have opened their lives to Him have found the key to true success, to lasting joy, and to the deepest satisfactions of the human soul.

IN THE BONDS OF FRIENDSHIP

by Assistant Executive Director Garth Jenkins

Several years ago, a distinguished senator challenged the nation to explode our old myths and explore our new realities. No statement could more accurately describe our thinking as we ponder Century I of Pi Kappa Alpha and as we project ourselves into Century II of its existence.

What are the old myths which need exploding? Individual attitudes which include a dominance of ego, self-interest, and self-preservation. Pledge training which includes the paddle, the endless physical exercises, and the onerous personal servitude. Chapter programs which include only parties and more parties. Scholarship attitudes which include seeing how little we can get by with and come up with the bare minimum "C" average. Campus activities which include only power politics and the beauty queen. Let's rid ourselves of these narrow and out-moded concepts of fraternity—but fast!

A house, a badge, a grip, a social calendar—none of these things ever made a fraternity. They are a part, to be sure, but they are outward manifestations of inward purposes. The role of Pi Kappa Alpha is an educational one in an educational setting. Our goals, our programs must be in accordance with those of the institution of which we are a part. Without this, we are nothing.

What, then, are the new realities we need to explore? A burning commitment on the part of every active and alumnus to devote ourselves to the continual task of the development of our own potential and that of our associates to its fullest. As the word "social" implies by definition, we must form cooperative and interdependent relationships which are mutually satisfying to our fellows. We must seek to give of our best qualities to help our brother, so that our brother does not become a bother.

Let us in our chapter meetings, in our dormitory bull sessions, or at any time, discuss the great ideas that broaden our minds and make us better persons. This is what education is all about, not merely the regurgitation of names and dates. Develop the capacity to reason, to apply ideas from one context to others. Become a part of the campus program for the gaining of knowledge and wisdom beyond the classroom. Be concerned about the issues on your campus, in your state, and the nation in our world today. Strive to be best, not merely in intramurals, but also in scholarship ranking. Let us be responsible for our actions.

Let us entreat ourselves to be a FRATERNITY, not a club, composed of MEN, not boys, governed by HONOR, not expediency. As a supreme Court Justice said many years ago, "the saddest epitaph which can be carved in memory of a vanished liberty is that it was lost because its possessors failed to stretch forth a saving hand while yet there was time." Are we willing to save and preserve the new fraternity?

Brotherhood Through the Years

From the pages of the Shield & Diamond magazine

75 YEARS AGO

The October, 1891 issue of the *Pi Kappa Alpha Journal* is the last volume printed under this name. "With our next volume," editorializer Managing Editor Robert A. Smythe, "we change our name, or more correctly we take a name . . . All Fraternity magazines are Journals. Henceforth we shall be known as the Shield and Diamond."

70 YEARS AGO

In the twenty-eighth year of the Fraternity, we find the following twelve chapters in operation: Alpha, Beta, Zeta, Theta, Iota, Mu, Nu, Xi, Pi, Rho, Tau and Upsilon. Application has been received at the general office for a charter for a new chapter —Phi. Its home will be at one of the prominent colleges of Virginia, and Brother W. H. Robertson, Gamma, is at its head. Fuller information cannot be given until the charter is granted. Seven names are signed to the application, and the chapter will be a strong one.

50 YEARS AGO

The Dean of Women at Northwestern has forbidden the women students on pain of expulsion to give their photographs to newspapers or allow a reporter to interview them. The Chicago papers are constantly publishing sensational newspaper versions of Northwestern happenings, which fact is probably the cause of the new ruling.

Sixteen American colleges and universities have received official authorization from the War Department to train students in military science. The curriculum will be drafted to cover subjects known to junior army officers and will exempt graduates of such institutions from the necessity of taking the regular army examination in order to obtain commissions as reserve officers. Many other educational institutions are expected to install military training courses later.

New Colony Established At Nicholls State College

By Robert Rasmussen

On February 7, 1967, members of Alpha-Gamma, Eta, and Gamma-Psi chapters traveled to Thibodaux, Louisiana in order to induct members of the local Samurai Fraternity into a colony of Pi Kappa Alpha. The colony is located at Francis T. Nicholls State College, located in historic southeast Louisiana.

The colony represents the hard work of the officers and members of a local social fraternity, Samurai. With the aid of William Crosby and Garth Jenkins from the National Office, the group made two sound decisions. They chose to become a national fratetrnity, and they chose Pi Kappa Alpha.

Colonization day is memorable. It began with the ritual, and was followed by a reception at which the members from L.S.U., Tulane, and Louisiana Tech gave suggestions to the colony to help them travel the right road towards their charter. That night there was a celebration at the home of one of the colony members.

The boys that were inducted into the colony were as follows: Roadlfo Stahl, Jimmy Martinez, Wayne Denson, Billy Caillouet, Joe Thiac, Bob Keife, Steve Smith, Lou Toups, Bob Rasmussen, Don Werner, Mike Monticheck, David Glynn, Danny Breaux, Norman De Sola, Steve Collins, John C. Jaubert, Francis Patin, and Robert Spilmann.

Dean Elmo Authement has been appointed as Alumnus Counselor.

The members of the new colony wish to express their deepest appreciation to Guy Watkins, William Crosby, and Garth Jenkins, for without these men the colony would never have been established.

The colony is now working for the day when it can receive its charter and the members will be able to call all other Pikes, "Brother."

The smiles are contagious at the installation for the Pi Kappa Alpha Colony at Nicholls State College at Thibodaux, La. (L to R) Colony president Rodalfo Stahl, Elmo Authement, National Vice-president Guyton Watkins, local alumnus Jim Jaubert and Assistant Executive Director Bill Crosby.

PiKA Enters New Territory With North Dakota Colonization

On March 18, 1967 the newest colony of Pi Kappa Alpha was established at the University of North Dakota. This event marked the initial expansion into the "Northern Plains region of the United States. Brother Burnie Basch (Alpha Tau-Utah) has worked diligently for several months to recruit and organize a nucleus group for Pi Kappa Alpha colonization. His efforts were amply rewarded when 22 young men became charter members of the colony.

Former National President Charles L. Freeman and Field Secretary Lance Parker represented the National Fraternity in the ceremonies. The University of North Dakota participants included Dr. George Starcher, president, Dean Ronald Barnes, Dean John Wynne, IFC President Robert Johnson and Alumnus Counselor Woodrow Bentley (Epsilon Alpha-Trinity). Jerry Strain is president of the colony.

WATKINS FUNERAL SERVICE

(Continued from page 1)

those who would damage the reputation of the Fraternity by immoral or unbecoming conduct. "I say to you that I will stand like a stone wall against these evil forces that could destroy our beloved Fraternity." He challenged his Fraternity brothers to promote chapters that would:

1) Build character.
2) Respect university authority.
3) Stress clean living.
4) Seek heavenly guidance.
5) Encourage leadership.
6) Demand scholarship.
7) Emphasize the American way of life.
8 Promote brotherly love.

This, brother Pikes, is his legacy to you.

My dear friends, death is always something of a mystery, a mystery that we cannot grasp at all until we first understand life itself. It is not wholly out of mourning for the departed that the Church has draped the coffin in black, but also as a warning to us who still live on this earth. The question that should concern us today is not the question of weak faith, "Why is Earl Watkins here today, a departed friend"?, but why was he here on earth? The simple answer: to know, to love, and to serve God in this life, and to be forever happy with Him in the next.

Chapter Newsletters

South Florida Colony Celebrates Founders Day

The highlight of the Spring trimester at the University of South Florida was the visit of National President Don Dickson, to honor the founding fathers. The USF Colony, and the Tampa Bay Alumni Association held a Founders' Day Banquet, with Horace Smith, Beta Kappa, and former District President, acting as Master of Ceremonies. Attending the banquet, along with members of the colony and Alumni Association, were Dr. John Allen, President of USF, Dr. Roberta Shearer, Hostess for the colony, and Mrs. Phyllis Marshall, Director of Student Organizations.

Eight members of the colony attended District No. 9's Convention held at the University of Miami. The Convention gave an opportunity to the colony members to become acquainted with PiKA Brothers from the five chapters in District No. 9, and to gain valuable instruction concerning the efficient operation of a fraternity.

The colony participated in Greek Week by participating in the Greek Sing with "PiKA Honeymoon", "She Wore a Yellow Ribbon", and the "Fraternity Toast." The colony also presented a skit entitled "Life at the Big University" during the week's activities. In addition, the colony built a Greek chariot and participated in the Greek Chariot Race.

The annual service project was in coordination with "The Big Brothers of Tampa" in which the entire colony took thirty children from orphaned families for a day's outing at the USF riverfront, at which games were played, and other entertainment was made available to the boys. The day ended with a picnic-style lunch. The day was considered a success by all the members, and it is planned to have this event an annual affair. Money-raising projects for the trimester included the donut sale by the pledges, coke sale during Gasparilla Day, and a car wash. The projects netted approximately $200, with the funds to be used for our nationalization. The Faculty Advisor for the colony is Dr. Louis Jurgensen, Chairman of the Accounting Department, and alumnus of Gamma Nu, University of Iowa.

MIKE BLANNER
University of South Florida Colony

Parish Stars In NIT Basketball

The Pikes at Gamma Epsilon are having a good year in all areas of collegiate endeavor. The highlight of Winter Quarter was the Playboy Party. At this event the lovely Sue Holdaway, Alpha Chi Omega, was named Playmate. Chairman of the event was Randy Pond.

At present PiKA is in first place in intramurals with three sports left. Thus far we have taken first place in wrestling and Winter Carnival. Men placing in wrestling competition include Bob Furstenau, Leon Holland, Max Bessanger, and Kent Wood. In Winter Carnival our main guns were Chuck Biddulph and Jack Mooney in the slope events and Curt Loosli and

On a southern get-acquainted tour, National President Don Dickson was the guest speaker February 6 at a dinner sponsored by Delta Delta Chapter of Florida Southern College, Lakeland, Florida. At left, he chats with Florida Southern College President Charles T. Thrift; Delta Delta president D. R. Ward; and Col. Kermit Silverwood, District President #9, University of South Florida.

Kent Wood in the cross country competition.

Scholarship, always strong at Gamma Epsilon, is in good shape. Spring and Fall quarters PiKA was first and we expect to take the scholarship trophy for the fourth straight year.

An unusually strong rush during Winter quarter resulted in the pledging of fourteen men during informal rush in addition to the forty-seven men pledged in formal rush Fall quarter.

Pikes that are competing in intercollegiate athletics at Utah State this year include men in many sports. Jack Mooney, Chuck Detwiller, Jeff Bahr and Duane Baird played varsity football this year, while pledges Ron Munns, Steve Dunn, Paul Jepson, Terry Lewis, Terry Littledike, and Bob Neil were on the Frosh squad. In basketball Allen Parish and David Olsen played varsity with Paul Jeppson and Ron Munns in the freshman ranks. Parish in the first round of the National Invitational Tournament scored twenty-three points and pulled down eighteen rebounds in the Aggies 78-76 loss to Rutgers. Varsity trackmen include Don Swabb, Dave Stoner, Joe Bonanno and Bruce Stransky.

The Chapter officers include: Gary Johnson, S.M.C.; Jack Mooney, I.M.C.; Bruce Jorgenson, S.C.; Andy Hilverda, Social Chairman; Dick Addams, Intramural Chairman and Niel Grotegut, Rush Chairman.

ROGER TENNANT
ΓΕ, Utah State

Alabama Emphasizes Scholarship Program

Gamma Alpha has made giant strides in scholarship and is stressing this above all else. We enjoyed the fellowship derived from competition with other fraternities on campus in atheltics and in other fields of endeavor. The pledge program has been revamped and with the "Ingress" program recommended by National, we feel that we will have a better and stronger pledge class. We were also busy with redecorating the House. We plan to refurnish the Chapter Room and our basement.

With the legislation passed by National, we decided too that it was past time to develop some positive and concrete program to help improve the scholastic standing of the fraternity. This semester we have a higher percentage of members of the pledge class who have made the necessary grades for initiation. Even the atmosphere around the house seemed to reflect the attitude that more concern and emphasis was placed on grades than before.

We have begun using the "Ingress" pledge training program. This introspective or "looking inward" approach will help each pledge realize the sincere purpose of Pi Kappa Alpha, and the ideals which support our great fraternity. This program enables the pledge to visualize the great concepts of Pi Kappa Alpha.

We are currently engaged in a "clean-up, fix-up" program. We will panel the walls of the Chapter Room and acquire new furnishings.

ΓΑ, University of Alabama

Lamar State Emphasizes Public Relations

Epsilon Kappa chapter has had a fine year on campus with several outstanding programs. Public relations, sorority functions, and individual and chapter excellence have been emphasized.

This fall we began a chapter of "Little Sisters of the Shield & Diamond" with five charter members. These girls worked with outstanding spirit and did much for our chapter. In the Spring we took seven new pledges to "Little Sisters" and sororities represented now are ΖΤΑ, ΑΔΠ, ΔΖ, ΑΧΩ, and ΚΔ. Our sorority committee sponsors serenades for brothers pinned and sends flowers to those dropped or pinned.

The Pikes are well represented with one-third of the membership in Blue Key Honor fraternity. Our members are Joe Dyer, Ray Premeaux, George Thomas, John Thompson, Mike Mason, Bill Coffey, Doug Shannon, and Bill Johnson. This year's selection for Who's Who in American Colleges includes George Thomas, John Thompson, Bill Johnson, and Ray Premeaux.

On the IFC, the school's representatives for the past two years to N.I.C. have been PiKA's. In 1965 Joe Trum was delegate to Washington and in 1966 Ray Premeaux went to New Orleans for the N.I.C. The current president of the Freshman Honor Society is Wayne Sullivan. Pikes have held this position three of the past four years. Phi Kappa Phi has two Pike members, George Thomas and John Thompson.

We initiated eighteen men from our fall pledge class and an outstanding faculty member through special dispensation, Mr. Charles Turco of the Biology department. He is a real asset to our chapter.

A tradition begun this year is a charity football game in pads between Pi Kappa Alpha and Alpha Tau Omega. We received outstanding publicity in all media.

New officers for 1967-68 are Mike Dorgan, SMC; Butch Arnold, IMC; Pat O'Reilly, Th.C.; and Dick Fuller, SC.

EK, Lamar State

Michigan Colony Grows Steadily

Pi Kappa Alpha is beginning to flourish on the University of Michigan campus. Pikes have pledged eight good men during winter rush. They are Ralph Brennecke, Grosse Pointe, Mich., Tom Douglas, Valpariso, Ind., Fred Langschwager, Saginaw, Mich., Don Morandini, Melvindale, Mich., Jack Reynolds, Columbus, Ohio, Roger Smith, Sylvania, Ohio, Terry Smith, New Philadelphia, Ohio, and Dan White, Gladwin, Mich. This gives us a total of nineteen pledges and we are growing strong.

Professor Don Douglas is our Faculty Advisor.

Eleven of our members and pledges attended the District 16 convention in Bowling Green, Ohio. A team of actives visited the Zeta Lambda chapter at Adrian College on March 19.

On March 1, we had a very successful party with our Big Brother chapter, Delta Nu at Wayne State. On April 1 we celebrated community service day by painting for an orphanage. Our Dream Girl Ball was held April 8.

RICHARD J. REID

Pi KA Colony

SMC Lon Bernth is Co-Captain of the Championship Baseball team at the Univ. of Omaha.

Omaha is Five-Year Winner in Scholarship

The presentation of awards at this year's Greek Week Banquet was once again very fruitful for Pikes at Omaha University. For the fifth consecutive year ΠΚΑ captured the coveted Greek Scholarship Trophy.

This year Delta Chi set an all-men's campus record with a 2.59 grade point. Brother Herb Wehner won the award for the highest pledge grades for the campus with a 3.46.

Led by intramural directors Rick Albaugh and Herb Wehner, Pikes gained the other major campus trophy, the Intramural Sweepstakes Award. Efforts from all the brothers helped ΠΚΑ place first in volleyball, four-mile relay, basketball, indoor track, outdoor track, wrestling, and golf and second in football, swimming, and archery.

On February 26, 1967, Delta Chi welcomed into the bonds of brotherhood Rich Kniewel, Fernando Mesa, Tom Giandinoto, and Herb Wehner.

SMC Lon Bernth is co-captain of O.U.'s championship baseball team. Other Pikes on the team are Ron Bernth, Lon's brother, Harold Lenz, and Gary Paparello.

Our sponsor, Dr. Donald Manson of the Speech and Dramatics Department, headed the O.U. varsity College Bowl team on national television. Our pledges are: John Carstens, Gary Skalberg, Jim Perkins, Dennis Vanmoorleghem, Ray Buell, John Burns, Larry Carles, Bob Hayes, Doug Engen, Larry Sterba, Gary Paporello, Ken Pelan, and Jack Cranford, and Frank Vidlak.

Tom Helligso
ΔX, Omaha University

Norris Elected Linfield Student Body President

The 1966-1967 school year has found the Delta Rho Chapter of Pi Kappa Alpha in a leadership role on the Linfield College Campus in student government, rush activities, social events, and fraternity activities.

The election of student body officers placed three brothers in high offices in the Associated Students of Linfield College. Jim Norris became Student Body President, Mike Stephenson became the Treasurer, Homer Roundesvedt was elected Director of Student Affairs.

The plans for a new fraternity house to be built soon and a spirited pledge class have produced a renewed spirit of brotherhood and fraternalism for Delta Rho. This has given us a special concern for excellence in everything that we set out to do. The interest in our idea of a fraternity row has helped to bring new spirit into the other fraternities as well as ours.

Officers for the spring semester are: Jeff Stephenson (SMC), Roger Eklund (IMC), Tom Leithead (SC), and Jim Johnson (Th.C).

The brothers of Delta Rho are proud of our new housemother, Mrs. Crow. She attends all our social functions and Sunday evening meals and brings to us a touch of home. She is interested in all of our problems and accomplishments. We are also proud of a little girl whom our chapter has just adopted. She lives in Mexico. Many of the brothers are sending her letters and are helping to brighten the life of a lonely little girl.

Our chapter is again planning a district convention and a district leadership school. Other plans include May Day activities and community projects.

Jeff Milligan
ΔP, Linfield College

Idaho Pikes Stress Co-operation

Group activity, as well as individual effort, has characterized this year at Zeta Mu. On September 24, the brotherhood of Zeta Mu initiated the following nine men into the bonds: Bruce Allen, Eastview, Calif.; Tom Carson, Kansas City, Mo.; Larry Hancock, Caldwell, Idaho; Darrell Hanson, Weippe, Idaho; Wade Rumney, La Salle, Colo.; Bruce Thomas, Soda Springs, Idaho; Don Talmadge, Osburn, Idaho; Bon Vance, Rolling Hills, Calif.; and Pete Siinrud, Alderwood Manor, Wash.

Tapped for Alpha Kappa Psi, the mens' professional business fraternity, were Brothers John Pederson and Tom Cunningham. Initiated into the Intercollegiate Knights were: Bruce Allen, Dana Diest, Wade Rumney, and Bob Vance.

Pi Kappa Alpha built the Homecoming float "Tony Tiger" in cooperation with Alpha Phi. It won second place. The pledges built the house decoration which won third place in the Dad's Day contest. A new serenade policy went into effect this year when the Pikes serenaded five sororities on their respective Founders' Days. The Pledge Dance, "Satan's Cellar", and the Christmas Fireside and dinner, highlighted the social activities of the Chapter this semester. The house also bought a 1924 Seagraves fire engine which we hope to restore this spring. Col. James L. Remlinger, Head of the Army ROTC on this campus, was initiated as our faculty advisor and member of the housing corporation for the Chapter.

Field Secretary Lance Perkins spoke at the annual I.F.C. retreat where he presented the theory of PiKA's "Ingress" pre-initiation program to the representatives of the sixteen other fraternities at Idaho. Our present pledge program is being built around the merits of "Ingress."

Craig Thompson
ZM, Univ. of Idaho

Georgia Chapter Pledged Forty-five

Following the second half of a divided rush season, the brothers of Alpha Mu welcomed forty-five new pledges into our home at the University of Georgia. Much of this success was a result of an active rush program led by Brother Mike Wheelus of Atlanta.

Ten neophytes were initiated into the bonds of Pi Kappa Alpha in October. They were as follows: John Robert Owens, William Edgar Barfield, Dale Lawrence Karacostas,

James Kendall Powers, James Hugely Zachry, John Coleman Forrester, Kenneth Harry Davis, George Eugene Ivey, Joel Dennis Hammond, and Charles Raymond Jeffords.

Current officers at Alpha Mu are as follows: SMC Mike Sullivan, IMC Charles Chambliss, ThC Norman Smith, SC Ronnie Sorrow.

Miss Chris Benetiz, Kappa Alpha Theta from Coral Gables, Florida, is our 1966-67 Dream Girl.

Jack Jackson, an outstanding alumnus and member of Alpha Mu's housing corporation, donated various shrubs to landscape the front of our new home. Jack's untiring efforts are gratefully appreciated for his help in making the Pi K A house the largest and most beautiful of twenty-three houses on campus.

Brother Ray Jeffords, captain of the University of Georgia basketball team, sustained a knee injury early in the season. Although unable to play, Ray has actively supported the team from the sidelines and will return to the center position later in the season.

The football season proved profitable for Alpha Mu as well as the Bulldogs. A skin was won from Alpha Delta chapter at Georgia Tech and, another from Beta Zeta chapter at S.M.U. for the Cotton Bowl victory.

During January, Field Secretary Vance visited Alpha Mu and gave a guiding hand in improving various chapter programs.

RICHARD S. BRUCE
AM, Univ. of Georgia

Arizona Pikes Emphasize Scholarship

Gamma Delta chapter at the University of Arizona brought the fall semester to a close with high rankings in academics and intramural sports. Pikes finished third academically and were among the first five in the intramural standings of the twenty-nine fraternities on campus.

S.M.C. Don Thompson, as rush chairman of the University IFC, attended the National Interfraternity Conference annual meeting at New Orleans, Louisiana. Other chapter leaders were Bob Berry, I.M.C.; Lloyd Wilbur, S.C.; Bill Zar, Th.C.; and Tom Seward, house manager.

Judy Snodgrass, Gamma Delta Dream Girl.

The social highlight this fall was the annual Christmas Formal where Miss Judy Snodgrass, Kappa Kappa Gamma, was chosen Pi Kappa Alpha Dream Girl. Throughout the semester Pikes hosted numerous sorority exchanges and after-game parties. This fall saw the increased growth and activity of Pikettes, our women's auxillary.

Pikes were well represented in varsity and freshmen athletics with men participating in all major sports. Gary Gomez, an outstanding varsity wrestler, also served as a varsity cheerleader. Tom Adams, who was elected student senator last spring, was chosen Speaker pro tem of the Student Senate. Al Butkus was appointed chairman of the student Rallies Committee after being selected as a member of the Traditions Committee on campus.

Outstanding work in Community Service was done this semester as ΠΚΑ worked for the University Community Service Award again this year. Pikes donated the most blood of any organization in the Campus Blood Drive. Pledges contributed the most money (earned in the community) among the twenty-nine pledge classes participating in Help Week, an annual fund-raising event sponsored by the university for charity, and collected the greatest amount of canned food for the annual Christmas food drive.

The members journeyed to San Diego, California by chartered bus for the last weekend of the semester where they were most graciously entertained by the Pikes at San Diego State College.

Gamma Delta looks forward to another active semester in the spring while anticipating a new addition and remodeling of the chapter house. This will be completed this summer.

GEORGE L. WILCOX
ΓΔ, Univ. of Arizona

New Colony Established At Nicholls State

On February 11, 1967, a new Colony was established at Nicholls State College in Thibodaux, Louisiana. Teams from Eta (Tulane), Alpha Gamma (LSU), and Gamma Psi (Louisiana Tech) participated in the colonization, along with National Vice President Guyton Watkins and Assistant Executive Director Bill Crosby. A reception honoring the new Colony was held immediately after the ceremonies.

Griner Award to Be Given at Georgia Tech

As a memorial to Brother Robert L. Griner, the Georgia Tech Pikes will present an award to the most outstanding pledge each year. The award has been established in the honor of Robert L. Griner, a new initiate who was killed in an automobile accident last summer. With this award we hope to recognize outstanding pledges and instill the spirit of an exceptional pledge as exemplified by Robert Griner.

Under the most capable leadership of SMC Bobby Lord and Rush Chairman Carey Brown, our chapter completed a most successful rush. Nearly 500 rushees visited the house during the first two days of open house. After two weeks of 100% chapter effort, 38 new pledges were received.

As rushees became pledges, John Hnat, pledgemaster, began instilling the ideals of our fraternity in the new pledges.

Alpha Delta is proud of its Fullbright Scholarship Student, Harry Hauptmann, presently living in the chapter house. Harry is from Munich, Germany, and will be studying math at Georgia Tech for the year.

HOWARD GRAINGER
AΔ, Georgia Tech

High Point Wins In Basketball

Our championship in basketball moved us within ten points of first place in the Fraternity Intramural League.

Delta Omega's new officers are: SMC Steve Laney, IMC Forrest Dover, SC Jennings Austin, and Th.C. Virgil Reid. A retreat is planned in July in order to prepare a program for the coming year.

During homecoming the alumni of the classes of 1958 and 1959 made special visits to the chapter. Our Dream Girl party was held May 5-6 at Willimore Springs.

Tentative results indicate that two brothers will hold offices in the Student Government Association, with Forrest Dover as president and Jim Coston as Treasurer.

JAMES COOK
ΔΩ, High Point

Beta Beta Pledges Achieve High Grades

The men of Beta Beta chapter are currently well pleased following the success of thirteen out of our twenty fall quarter pledges in achieving better than a 2.0 grade point average. Our recent initiates were: Daniel W. Brady on October 31, and on January 6, John H. Asmundson, John C. Barber, Ralph C. Foss, Steven L. Holms, Alan O. King, Fred R. Norelius, Randal J. Odermann, and Bruce W. Palmer. This success is credited to a more selective fall rush to the new *Ingress* program and to the type of pledge-training which naturally accompanies it. Total time normally used in line-ups was voluntarily spent by the pledges in doing projects, in studying, and in an effort to aid our most important house project. If any other chapters have been hesitant in trying out the new program, the brothers from Beta Beta chapter can vouch for its merits.

Winter quarter has seen a renewed emphasis on informal rush due to several vacancies left by those who had low grades and chose to take up residence elsewhere. Our accomplishments have contributed toward strengthening our position in our fine Greek system here.

STEPHEN W. BURHANS
BB, Univ. of Washington

(optional) Members, pledges and friends enjoy the new Zeta Beta firetruck at Delta State College.

Pikes Produce Leaders at Delta State

Individually and collectively, the men of Zeta Beta Chapter have made themselves known in the world of leadership and scholarship at Delta State College. PiKA has placed leaders in all three branches of the Student Government Association. SGA vice-president John Almany, who also serves as president of the senate, and treasurer Steve Cwickiel are serving in the executive branch, Joe Cox, Men's Judiciary Council president is serving in the judicial branch. Jimmy Crocker and Phil Ricks are president pro tem and parliamentarian, respectively, of the Senate. In positions of class leadership, Phil Ricks is Freshman class president and Pat Chambless is junior class vice president. Pi Kappa Alpha is also represented on the Interfraternity Council by Charles Cascio, Joe Cox, John Almany, and Doug Murrell, who serves as vice-president.

Scholastically, Zeta Beta has seven men in departmental honor societies and general scholastic and leadership organizations: Sidney Law is a member of Beta Beta Beta, national science recognition society; Dan Hackett and Philip Sherman are members of Pi Gamma Mu, national social science honor society; Joe Cox, Doug Murrell, Jimmy Crocker and Dan Hackett are members of Omicron Delta, local men's leadership society petitioning national Omicron Delta Kappa; Ruff Turner is a member of Kappa Pi, national art society; and Joe Cox and Dan Hackett have been chosen for Who's Who Among Students in American Universities and Colleges. Brother Hackett, a past president of Wesley Foundation, has also been awarded Merit Scholarship for graduate study at Saint Paul School of Theology in Kansas City, Missouri.

Brothers Ruff Turner and Philip Sherman are the only remaining charter members of Zeta Beta Chapter, which was the last chapter at which the late Dr. Freeman H. Hart officiated during the installation ceremony December 15, 1963. Brother Turner is an art major from Hollandale, has been SMC twice and is a member of Kappa Pi. Brother Sherman is an accounting major and has been on the Dean's List consistently. He is a faculty scholar, a Newman Club member and plans to enter the University of Mississippi Law School in September.

SMC Joe Cox, IMC Don Campbell, ThC Rodney Sanders, and SC Phil Ricks were at the helm of lead-

ership for the spring semester. The annual Christmas benefit party was held this year with Delta Delta Delta Sorority. Intense interfraternity competition for the Scholarship Trophy and the Athletic championship are now being waged. Last year PiKA won the athletic cup and is currently in first place in retaining the cup for 1967. Pikes still hold the record for winning the Scholarship Trophy for four consecutive semesters.

TOM LORD
ZB, Delta State

Four Iowa Pikes Tour Europe

The U.S. State Department sponsored a University of Iowa Symphony Band tour of Western Europe and the Soviet Union. The Gamma Nu's on the European tour were Steve Seymour, Jim Johnson and Gary Barkey. Max Hawkins, Gamma Nu alumnus, was business manager for the tour. The band spent two months touring Western European countries and one month in the Soviet Union.

One of the highlights of the tour took place in Moscow. The band was entertained at the home of U.S. Ambassador Floyd Kohler. Present at the reception were representatives of the Soviet government, dignitaries from selected embassies, American foreign service officers and Russian students.

This winter the chapter sponsored a basketball clinic for local elementary and junior high school students. The first half was devoted to teaching the fundamentals of basketball and the second half finished with a tournament.

Ted Grofer, National Public Relations Officer, was guest speaker for the Gamma Nu Chapter Annual Re-

(l to r) Max Hawkins, Gamma Nu-Iowa, is shown here dispensing rubles to Brother Gary Barkey in Moscow.

Steve Seymour is shown here at the Berlin Wall during the Univ. of Iowa Concert Tour.

treat. The retreat is an opportunity for the chapter to step back and pinpoint problem areas and suggest possible remedies. Pi Kappa Alpha is pioneering this method of chapter self-evaluation on the U. of I. campus.

Receiving individual campus honors were Dave Peters, who was elected secretary of the Interfraternity Council, and Gil Hitchcock, who was elected captain of the swimming team.

STEVE SEYMOUR
ΓN, Univ. of Iowa

Delaware Chapter Receives Fine Support

The success story that has been occurring for Pi Kappa Alpha on the University of Delaware campus is the result of the efforts of many people other than the brothers of the undergraduate chapter. Several alumni as well as non-members have been instrumental in the growth of the chapter from the twelve-man group of two years ago to the present revitalized and spirited organization of forty-four brothers.

One of the most important persons in the life of the Fraternity is Dr. Gordon Bonner, associate professor of business administration and the chapter's faculty advisor. Since volunteering his services to the advisory post in the fall of 1965, Dr. Bonner has unselfishly devoted his time and energy to the chapter's expansion. He has guided and participated in the establishment of improved Fraternity-University relations and in the quest for new housing. His solid advice in times of crisis and keen wit at moments of pressure have made him an appreciated and valuable asset to the growth of the chapter.

Two alumni have stood out for several years for their devotion to Pi Kappa Alpha and its goals—Scotty Clarke and George Palmer. These two are greatly respected and admired alumni brothers who are central in the movement of the chapter toward new housing. Although their attempts to make our dream home a reality have time and again been thwarted, they have not accepted defeat. Despite the discouraging problems, these two men among the many interested alumni have continued to work toward the long-sought housing goal that is now approaching reality.

A final group that deserves recognition is the Mother's Club. At Delta Eta, the Mothers, under the leadership of Mrs. John Tallman have been working closely with the brotherhood in order to improve the appearance of the present chapter house. Through their donations and innovations, the mothers have supplied us with three needed items, a complete set of handmade curtains for the living and music rooms, thirteen matched, wooden chairs for the meeting room, and new carpeting for the living room. Their efforts are beyond what most chapters could either boast or expect of their Mothers' Clubs.

It is difficult to express fully the great debt that we owe to these and the many other people, alumni, neighbors, and university officials alike, for their interest in Pi Kappa Alpha. Their sustained belief in the capabilities of the chapter and efforts in its behalf have made our success possible.

LARRY CLIFTON
Δ-H, Delaware

Southwestern State Renders Community Service

Anyone who wants anything done right around Weatherford, Oklahoma, or Southwestern State College is sure to call on Zeta Zeta Chapter for a job well done. If a young blind girl needs a seeing-eye dog to ease her handicap, we raise the necessary money. If an alum brother, an intern at the University Hospital in Oklahoma City, asks our chapter to participate in a blood drive by pledging twenty pints of "Pike Spirit," we very graciously agree. In fact, we more than met Brother Hal Vorse's request by responding with thirty-eight pints, nearly double our original quota.

(Continued on Page 28)

PROJECT CENTENNIAL AND YOU . . .

A Personal Challenge

Are *YOU* concerned about the future of Pi Kappa Alpha? Do *YOU* wish to see that the principles and ideals, which PiKAs' have held so dear for generations, are spread to the youth of today and the generation of tomorrow? Can *YOU* not fail to recognize that the principles taught and the warm associations derived through the bonds of Phi Phi Kappa Alpha have helped to mold finer scholars, more capable leaders, and more useful and responsible citizens?

If you can answer these questions in the affirmative, then you are among the thousands of Pi Kappa Alpha's loyal members across the nation who wish to see our great fraternity and its programs for progress propelled with vigor and determination into Century II . . . and therefore *YOU* are personally committed to Project Centennial.

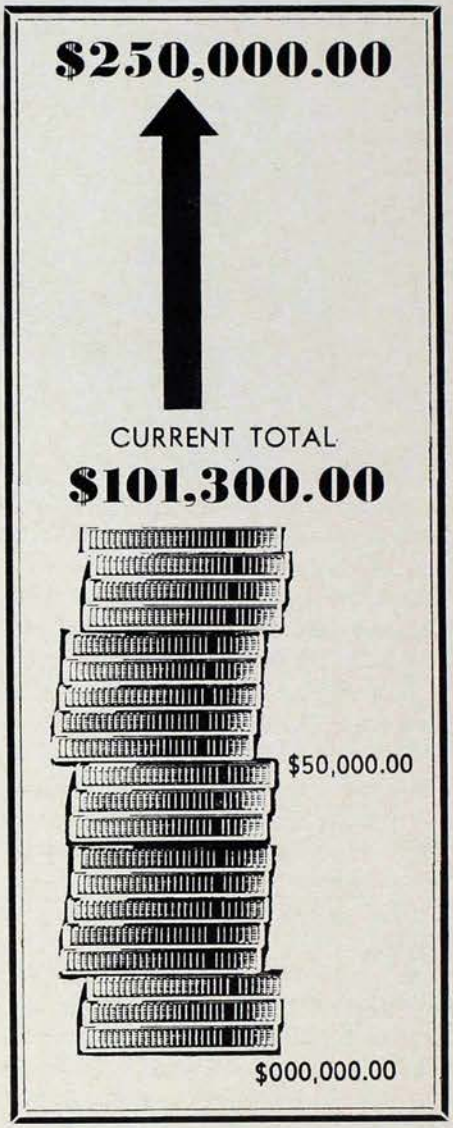
When we as brothers in Pi Kappa Alpha pause next year to celebrate the Fraternity's 100 years of achievement, we will not be content that our organization has become one of the foremost leaders in the fraternity world. Nor will we be satisfied to acknowledge the fact that our great brotherhood has produced more than a proportionate share of this country's great statesmen and leaders in the field of business, industry and education. We will, instead, be looking to the future, and in so doing we will see that the goals set forth in Project Centennial are basic to the challenge of the expanding excellence of our fraternity.

The Project Centennial effort, which was conceived in the minds of the Supreme Council, the Centennial Commission, and such prominent PiKA leaders as Senator Everett Dirksen, Honorary Chairman; Ralph F. Yeager, General Chairman; Leo A. Hoegh, Advance and Special Gifts Chairman; Edison B. Allen, Special Advisor; and Earl Watkins, PiKA Executive Director, now deceased, envisions a broad new role for PiKA in the ever growing area of higher education.

Among the foremost objectives of Project Centennial is the provision of funds for the establishment of a greatly expanded scholarship program which, through a system of grants, scholarships, and fellowships based on need and individual attainment, will extend the rich rewards of higher education and fraternal affiliation to the growing number of young men who might not otherwise share in these benefits. Cultural contributions will also be made in honor of Pi Kappa Alpha's founding and to insure that the rich heritage found in our fraternity's past will not be overlooked in the quest for excellence in future attainments. An expansion of the Memorial Headquarters is also foreseen to facilitate more efficient administration of the affairs of our ever-growing organization. This facility will also provide accommodations for training classes, student seminars, conferences, and assemblies for the use of fraternal and civic groups to further their educational and cultural purposes.

And so, with these noble purposes and plans for the future, Pi Kappa Alpha through Project Centennial makes a challenge to *YOU* as an alumnus or undergraduate member. *Will you do your part in the shaping of the Pi Kappa Alpha of tomorrow by supporting this exciting program TODAY?*

Project Centennial Passes $100,000 Mark After 9 Months of Concentrated Effort.



One contribution counts three ways! Your gifts to PROJECT CENTENNIAL will not only count toward your prior Memorial Foundation giving record, but will also be credited to your chapter and your alumni association, both of which will compete as units for the best percentage of contributions to PROJECT CENTENNIAL.

Join the Medallion Century Club!

Those brothers who contribute or pledge $100.00 or more to the Memorial Foundation for PROJECT CENTENNIAL will receive a CENTENNIAL MEDALLION as evidence of their support.

Roy Charles Announces Gamma Chapter 1st to reach P. C. goal

In early March, Roy R. Charles, Gamma Chapter Chairman, (The College of William and Mary) announced that his chapter had attained 100% of its Project Centennial goal. This event highlighted the initial success of Project Centennial this year in that the members of Gamma Chapter received credit for being the first of Pi Kappa Alpha's 158 active and silent chapters to reach their fund-raising goal.

After making a generous contribution to Project Centennial himself, Charles started early in his personal solicitation of other Gamma alumni. The response was tremendous.

GAMMA NU ALSO LEADS

Also sharing in early Project Centennial honors was Gamma Nu Chapter (University of Iowa) and Chapter Chairman W. H. Bartley. Bartley was second to announce that his chapter had reached its goal with a total of $2,265 in contributions. Since that time the alumni and undergraduate members of Gamma Nu have given additional funds in the amount of $1,275, thus honoring themselves and their chapter with the distinction of having made the largest total chapter contribution to date.

After examining a list of Gamma Chapter's Project Centennial contributions—Chapter Chairman Roy R. Charles was the first to announce that his chapter had attained its Project Centennial goal.

Has Your Chapter Reached Its Project Centennial Chapter Goal?

Project Centennial Co-Ordinator Wyatt Stewart brings Epsilon Omega members up-to-date on Project Centennial's progress and informs SMC Andy Tompkins what is involved in becoming a Centennial Chapter.

Dirksen and Dickson ask for 100% effort

Project Centennial's Honorary Chairman Everett Dirksen and Pi Kappa Alpha's National President Donald Dickson urge that each undergraduate chapter participate in Project Centennial by voting NOW to become a "Centennial Chapter." To date, forty-three chapters have responded by pledging $5.00 per year for each member and pledge during 1967 and 1968.

Many of the chapters that are now participating have raised money by utilizing special fund-raising projects such as car washing, spaghetti suppers and open parties.

The leaders of Pi Kappa Alpha are greatly encouraged by the current undergraduate participation in Project Centennial, and they anticipate that each chapter will vote to become a "Centennial Chapter" by June 1, 1967.

Each "Centennial Chapter" will receive a certificate of appreciation and will have their name inscribed on a special bronze plaque listing the supporters of Pi Kappa Alpha's quarter-million dollar challenge for progress.

Advance and Special Gifts Campaign Has Raised Over $85,000.00

In the spring of 1966 the Project Centennial Committee composed of Senator Everett M. Dirksen (Delta Sigma), Ralph Yeager (Alpha Xi) and Edison Allen (Eta), selected Leo A. Hoegh (Gamma Nu), one of PiKA's most dedicated and distinguished alumni, to lead the Advance & Special Gifts Campaign for Project Centennial. Since accepting this position Brother Hoegh has raised over $85,000 through his extensive travels and personal solicitations on behalf of Project Centennial.

To date, Hoegh, the former governor of Iowa, has visited PiKA's in 19 major cities across the United States. Tours have been made on the West Coast, in the South, and in the East; visits are now being planned to cities in the Midwest and Southwest.

Currently, the city of Memphis is leading the way with $10,000.00 in contributions; however, Birmingham, Spokane, and Portland are following closely with large advance gift totals.

Brother Hoegh has given generously of his own time, having logged some 18,000 miles of air travel while bringing the message of Project Centennial to over 3,000 brothers. However, time does not permit him to see everyone—therefore, he makes the following personal plea:

Dear Brothers:

On March 1, 1968, we will celebrate our 100th Birthday. In recognition of this fact—Project Centennial was undertaken.

Our Objective is to provide funds for:

1. A permanent Scholarship Fund. ($100,000).
2. Enlargement of our National Headquarters. ($125,000).
3. Cultural and scholastic contributions for suitable memorials at the University of Virginia—the site of our Pi Kappa Alpha founding. ($25,000).

Through generous giving by many PiKAs, we have now obtained $101,300 of the $250,000.

MAY I URGE YOU To Fill In the Pledge Card (attached to the preceeding page). WHEN You Do—Please keep in mind these points.

1. WEIGH CAREFULLY WHAT PI KAPPA HAS GIVEN TO YOU.
2. Remember your Pi Kappa Alpha leaders, all of whom are rendering services without compensation, have led the way with gifts from $100 to $2,500.
3. No professional solicitors are used—therefore, your gift is NET to the fraternity objectives.
4. YOUR GIFT IS TAX DEDUCTIBLE.
5. THIS IS A SOUND INVESTMENT FOR THE FUTURE OF PI KAPPA ALPHA.

We need hundreds of $100 to $500 pledges to put us over the top. We can only do it with your help. Please give this matter your serious consideration today.

Thanking you, I am . . .

Leo A. Hoegh

Leo A. Hoegh

GIFTS OF STOCKS

The Internal Revenue has ruled that a contribution of stock is deductible to the extent of the fair market value of the stock at the date of donation, and NO taxable gain is recognized by the GIVER from the gift of appreciated stock to PiKA Memorial Foundation. Therefore, stocks costing you $100 —now worth $500—can be given the fraternity—and you pay no tax on the appreciated value, but can take a $500 deduction for contributions.

Leo Hoegh, Advance and Special Gifts Chairman, explains the goals and objectives of Project Centennial to the Memphis area Alumni Association. Seated at the head table (l to r) Eddie Allen, Project Centennial Advisor, Tom Wade, Sr., 50 year member, Jack McNeil, President Memphis Alumni Association, Tom Garrott, past Memorial Foundation president, now deceased, T. A. Bickerstaff, Committee of 100 and Harold Trinner, Theta Chapter Project Centennial Chairman.

(Continued from Page 23)

The aforementioned activities are performed. The achievements speak well of themselves by their display of the traditional character and honor so characteristic of a Pi Kappa Alpha.

Our chapter established one of the finest scholastic records ever compiled locally. Due to an enthusiastic support by the entire chapter to improve ourselves scholastically, we earned a 2.67 over-all average, tops on this campus, and we hope to rate well on the national level. No member or pledge had lower than a "C" average.

At the Founder's Day banquet held March 5 in Oklahoma City, Zeta Zeta Chapter was well-represented by eight of our members, led by SMC David Browning. The banquet was a tremendous success in providing an opportunity for the various chapters in the state to congregate and strengthen the fraternal ties.

After initiating twenty outstanding men this semester, Spring Rush was held, resulting in a pledge class of fifteen men. One of the most capable and popular campus leaders, David Day, was elected to serve as president. He will lead effectively and enthusiastically.

GEORGE H. STEED, JR.
ZZ, Southwestern (Okla.) State

New Hampshire Builds House Addition

On June 22, 1964, Gamma Mu chapter at University of New Hampshire was completely razed by fire. The alumni corporation of Gamma Mu immediately purchased the old Kappa Delta sorority house across the street from the original chapter house. The new house has a capacity of approximately twenty under crowded conditions. This is half the capacity of our former chapter house. The smaller house made it necessary for almost half of the brotherhood to live elsewhere in university housing and apartments. Thoughts immediately turned to enlarging the new house. This fall, the dreams of the brotherhood were realized in the form of a new wing which doubled the size of the original structure.

Under the direction and planning of Richard Dudley of Concord, the architect, and the constant surveillance of the alumni corporation, the contractor began work late in October. The $45,000 addition was completed in May. It houses eighteen more brothers, with six three-man study rooms on the second floor and a deck on the third floor. The brothers have plans for finishing off the deck into five more sleep and study rooms. The first floor includes a new, spacious, living room, powder room for guests and a two-room suite for our house parents. The basement will extend the present party and recreation room. New landscaping and parking facilities will accompany the addition.

This year, Gamma Mu had the pleasure of sponsoring the University of New Hampshire Winter Carnival Queen. Miss Mary Jane Owen of Alpha Chi Omega sorority was chosen from nine candidates to be the queen of the U.N.H. Winter Carnival weekend.

New officers for 1967 are: S.M.C., Michael Hartson; I.M.C., Charles Doleac; Th.C., John J. Wooley III; S.C., Robert Robinson; and Pledge Master, James Downs.

DON S. CLARK
ΓM, New Hampshire

Sketch by Richard Whitney of Gamma Mu house including proposed addition.

Beta Theta Celebrates Fiftieth Anniversary

Beta Theta Chapter at Cornell University observed a grand climax to 50 years of PiKA brotherhood in the form of a day-long Founders' celebration on April 15.

Highlighting the events of the day was National President Donald Dickson's presentation of certificates to 50 year members of Pi Kappa Alpha.

The gala affair was rounded out by a banquet dinner and dance. Many alumni of Beta Theta attended together with the undergraduate members and their parents.

GMI Chapter Works For New House

Zeta Alpha Chapter has set the construction of a new chapter house by 1970 as its goal. The plans for this house have been drawn up and it is now necessary to increase the membership to a point where it will be financially feasible. Plans have been made to redecorate the interior of the present house to make it more attractive for rushing purposes. Four formal rush parties have been scheduled in Indiana, Michigan, and Canada for the fall semester. We hope to obtain seventy new freshmen for the fall semester.

Our present pledge class had the third highest average on campus last semester and are striving to be first this semester. Pledge Long is active on the Publications and Social Councils and Pledge Pirog is active on the Athletic Council and is our Junior Inter-Fraternity Council Representative.

John Christie and Pledge Bill Ferris won the ski-tournaments in "A" and "B" sections respectively. It is hoped that by losing only one player from last years championship softball team and by picking up several replacements, we will be able to repeat

as softball champions again this year.

To represent us at the Sweetheart Ball this year, Miss Sandy Smith of Oshawa, Ontario, was selected as our chapter sweetheart. Our representative for national dream girl is Miss Sandy Miller of Birmingham, Michigan.

GRANT GREENWOOD
Z-A, General Motors Institute

Alumni Decorate Ole Miss House

Upon arrival for Rush this fall the brothers of Gamma Iota noticed that the House had a new look. Thanks to alumni contributions and especially the work of Brother Earl Watkins, new carpets had been installed and the furniture refinished. A number of the brothers also got together to make repairs and repaint the interior of the house.

This year Gamma Iota pledged 42 outstanding young men during formal and informal rush. Of this group, David Dean of Jackson, Mississippi was elected freshman cheerleader by his fellow classmates. H. A. Moore of Hattiesburg received the Model Pledge Award. He and Pledge Kent Howell of Grenada, Mississippi, became members of the Committee of 100, a religious emphasis organization. On the gridiron, Bobby Wade finished third in the Southeastern Conference in offensive rushing and is presently on the Ole Miss Baseball Squad. Ole Miss expects to see much action next year from Terry Collier of Weir in the quarterback slot for the Rebels. Pledge Bobby Day represents the Ole Miss Golf Team while Jeff Minor of Jackson is on the baseball squad. David Waldrep of Greenville, South Carolina, was elected Campus Senator and Bill McGinnis was initiated into the Society for Advancement in Management.

Our successful rush this season is mainly the result of the support we have received from alumni all over the state. We are greatly indebted to them for the recommendations and expenditures they made to set up rush parties for our summer rush caravan. We regret one of these fine brothers, Paul Jones (ΓA, will be leaving us next fall. He is our faculty advisor and a Spanish professor at Ole Miss and has given us fine support in all phases of campus and fraternity life. We will miss him greatly.

We are especially proud of Lt. William M. Dalehite, Jr., who was recently awarded the Silver Star for bravery while serving with the 25th Infantry in Viet Nam.

Representing the active chapter on the campus during the year has been All SEC and All IIKA Doug Cunningham of Louisville, Mississippi. Doug was recently selected by the Jackson, Mississippi Touchdown Club as one of the seven most outstanding Mississippi athletes. Doug was also chosen as Honorable Mention All America in football and was elected by the student body as "Mr. Ole Miss." Joe Schmelzer, junior from Jackson, Mississippi, was elected Secretary of the I.F.C. He was also elected Ole Miss delegate to the National Inter-Fraternity Conference in New Orleans. Mack Lowery, sophomore from Jackson, served as varsity cheerleader. Lester Smith, Mike Phillips, Newton Gill, Jerry Marlar, and Larry Cunningham became members of Scabbard and Blade, honorary military organization. Gill was also tapped for ODK, leadership organization on campus. Jerry Marlar served as Wing Commander of the Air Force ROTC detachment at Ole Miss. Honor Student Lester Smith was elected to serve in the Campus Senate.

Other campus leaders include: Bill Rose of Shelby, who was appointed Sports Editor for the campus newspaper. John Maxwell of Pickens and Weir Kyle of Durant are members of the University Singers and are both active in all Ole Miss theatrical productions.

On November 16, 1966, the officers elected were: Gerald Burnett, SMC, Meridian; Danny Richardson, Carthage, IMC; and Ken Conner, Columbus, ThC. Appointed officers were: Weir Kyle, SC, Durant; Mack Lowery and Carl Summer, both of Jackson, Rush Chairmen; Mike Phillips, Gulfport, Pledge Master.

For the second successive year, PiKA at Ole Miss won the overall fraternity Basketball Championship. The PiKA "Reds", proclaimed by former Ole Miss Varsity Basketball coach "Country" Graham to be the best intramural basketball team he has ever seen, have lost but one basketball game in the past 3 years.

On the social scene Pi Kappa Alpha is unsurpassed on the Ole Miss Campus. The fall semester began with chapter "Swaps" with the Tri Deltas, Chi Omegas, Kappa Kappa Gammas, Kappa Deltas, Phi Mu, and Delta Gammas. A Date Supper was followed by a Christmas Party for the underprivileged children of Oxford with our little sisters, the Tri Deltas. Next came a candlelight serenade down Sorority Row and then an Easter Egg Hunt for children of the faculty. About 70 of these children attended to make it a great success.

The notable weekend parties consisted of our annual Roman Ball, the Bohemian Brawl, Red and Blue Weekend, Christmas Party, and our final Playboy Party. During the year Gamma Iota has been host to the pledge classes of Southeastern Missouri University and East Illinois State, who came for weekend visits.

JOE J. SCHMELZER
ΓI, Univ. of Mississippi

Guyton Watkins Speaks At Southern Missiissppi

Delta Mu Chapter at the University of Southern Mississippi was pleased to have National Vice-President Guyton Watkins as featured speaker at our Founders' Day Banquet on March 10. Brother Watkins spoke on the upcoming Centennial Celebration and the history of the founding of the Fraternity. Other special guests at the banquet were Jason Niles, District

National Vice-President Guyton Watkins, Founders' Day speaker at Delta Mu

11 president and University officials. Representatives from Alpha Iota (Millsaps) and Gamma Theta (Miss. State) presented reports of their respective chapters for the past year.

Tony Cain, SMC, presented five Distinguished Service Awards to individuals who have contributed outstanding service to Delta Mu. Those receiving the awards were: Dr. James Treadwell Davis; James McQuiston, faculty advisor; Thomas R. Nance, president of Delta Mu Alumni Association; Ken McCarty, House Corporation Chairman; and "Mom" Bonnie Gibson. The highlight of the evening was the presentation by Don Smith, Pledge Class President, of a portrait of Mrs. Gibson, which will be hung in the lounge of the new house.

Preparations for the new house are progressing rapidly. A Hattiesburg builder has recently been awarded the contract for construction of the house. The contract states August 1, 1967 as the required completion date. The plans of the house feature an enclosed patio with a heated swimming pool. The pool will give Southern Pikes the distinction of having one of the two fraternity house swimming pools in the state of Mississippi. We were lucky enough to be given first choice for the location of house on the new Fraternity Row which is being built.

We have initiated twenty-five men into the brotherhood:

Ken Avery, Don Presutti, Steve Coker, Robert McCormick, Billy Ammons, John Madden, Marc Fentress, Tony Engels, Tommy Scott, Mike Stein, Buddy Beavers, Wayne Adkison, Ronnie Barrick, Glen Canty, Dennis Carraway, Richard Cartledge, Ronnie Irby, Earl LaGraize, Scott Middleton, John Morrow, Jeff Murray, Mike Powell, Don Smith, Joe Stoessel, Bragg Williams, Mac Brooks and George Gibon Currie.

Chapter elections were held recently with Tony Cain being selected SMC. Other officers are Wayne Adkison, IMC; Tommy Scott, SC and MS; Audley Taylor, Th.C.; Scott Middleton, Pledge Master; Don Smith, House Manager; and Jack Bridges, MC.

We are especially proud of our scholastic achievement for the Winter Quarter. After being below the All Men's Average for two years we improved our grades such that we were Number One of nine fraternities on campus.

On March 9 we observed "Mom" Gibson Day. That night we held a surprise party for "Mom" and serenaded her with "Honeymoon" and "How'd Ya Like to Be a ΠΚΑ." During the afternoon members and pledges were seen on campus placing "Keep Off Your Grass" Signs and measuring possible parking spaces for a plan to be presented to the administration to alleviate the parking problem on campus.

Delta Mu is also doing well in intramurals this year. We lost one basketball game this season which broke our victory string at sixty-three straight wins in Fraternity League play. Our softball, golf, and tennis teams are expected to make a fine showing in the strong Fraternity League.

FRANK C. JOFFRION
ΔM, Univ. of Southern Mississippi

Southern Missouri Membership Reaches 87

Fall rush saw Epsilon Iota pledge 28 outstanding men, the largest pledge class on campus. With the completion of Spring Rush, 24 new pledges were added, and our pledge class numbered 27 with senior pledges. Our growth is evident in our chapter enrollment, 87 actives and pledges, which is the largest enrollment in our chapter's history.

Our fall pledge class presented the chapter with an unusual and most appreciated gift. An antique, hand-carved, high-backed chair for use by the S.M.C. was given to the actives at the Spring Rush Banquet. This chair was part of the French Exposition in the 1904 World's Fair held in St. Louis, Missouri.

Alumni were proud of Epsilon Iota when they returned for our Founders' Day Celebration. Our lounge had been improved by the addition of a bright new wall to wall carpet, a new color television, trophy cases to complement our seven-foot coat of arms, and the many trophies recently acquired. The halls and the chapter room had also been painted by the pledges.

The brothers and pledges of our

This float "A Miner Mistake" won 1st place for our chapter at Southeast Missouri State. The Indians were victors over the Miners of Rolla.

chapter can always be found in the membership of important committees and other organizations on campus. We participate in an annual charity drive, usually the Heart Fund. We provide a good percentage of the student leaders used every year for assisting freshmen and transfer students new to our campus, and always help on such important committees as the Homecoming Steering Committee, the Freshman Orientation Steering Committee, and the Student Activities Council.

Ray Overmann is now the corresponding secretary of the Student Assembly, and four other brothers presently serve on this body. Gleen Casey serves as president of Alpha Phi Omega service fraternity while also serving as I.M.C. of the chapter. Ron Colyer was business manager of our college newspaper, and Tim McKinna is the Greek reporter for the Sagamore, our College yearbook. For their outstanding activities on campus, Jim Carlton, Joe Hammons, and Ron Colyer were among those selected to represent our campus in Who's Who in American Colleges and Universities.

PiKA was number one in many activities on campus this year. We received a beautiful four-foot traveling trophy as well as a handsome permanent trophy for attaining first place in the Homecoming float competition. Our 1928 fire truck led the torchlight pep rally prior to the Homecoming festivities. We also won first place in the All-Greek Sing. For having the largest percentage and number participating in a Blood Drive, we received another first place trophy. In sports, we have taken first place in basketball, and Tim McKinna and Jim Emas captured first place in the singles and doubles competition

in tennis. We are presently defending our first-place position in volleyball. We expect to receive the All-Sports trophy presented yearly by IFC.

PiKA is represented in the varsity sports. Dave Jeffers and Pledge Jim Crayne are on the tennis team, and Joe Lynch and Pledge Larry Stewart were on the swim team. Wally Winkler, Dennis Pelsma, and Jim Glastetter are on the baseball team, Pledge Gary Bond competed in cross country competition, and John Shoush played on the Junior Varsity basketball squad.

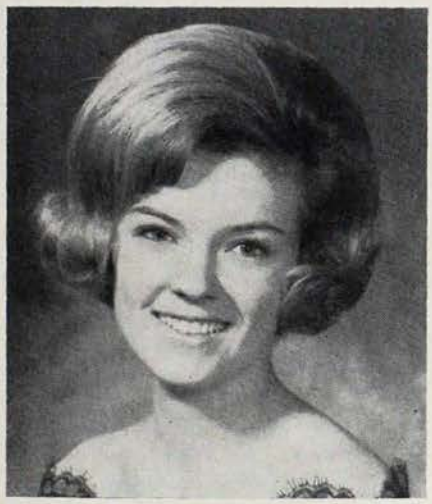
MICHAEL SABO
E-I, Southeast Missouri

Eastern New Mexico Wins In Intramurals

Epsilon Tau has recently initiated nine new brothers into the bonds. These men are John Koontz, Jim O. Kuhrt, Gregg Williams, Terry Boone, Harry Cassady, Robbie Walters, Tim DeJoris, Paul Klein, and Mike McAfee.

Epsilon Tau is doing well in intramurals this year by winning football, tug-o-war, and placing high in wrestling. Jim Falkenstine is doing well as intramural manager.

Our Pike-o-ettes sponsored for the second year the most successful all-school social function, the Playboy



Kathy Blean, Epsilon Tau Dream Girl

Club. The club featured bunnies, live entertainment, a band, and selection of the Playmate of the year. Proceeds from the dance will be used to buy a gift for the house.

During the festivities on April 8th, Kathy Blean was named Dream Girl for 1967. Kathy is a Chi Omega pledge, a Pike-o-ette, and is pinned to Brother Wayne Tirey. Tony Urban and Carol Booten were chosen as attendants to Kathy.

Officers for 1967 are Barry Crutchfield, SMC; Jed Delap, IMC; Bob Wilson, ThC; Steve Cantrell, SC; and Mike Valentine, pledge master.

DENNY JARRED
ET, Eastern New Mexico

Oklahoma Chapter Completes Service Projects

In ceremonies March 10, 1967, Gamma Chi chapter initiated seventeen men into membership of Pi Kappa Alpha. As one of the most energetic pledge classes to come through the chapter in recent years, the group showed outstanding unity as they completed such projects as an airplane polish, the cleaning of the grounds at Lincoln Park Golf Course in Oklahoma City, a civic project of painting house numbers on the curbs of Stillwater residents, and a house project of building a new trash receptacle.

The class was led by Dean Henderson, Harper, Kansas freshman, pledge president, and Richard Hovis and Kent Patterson, pledge masters. Other initiates include: Richard Haynes, El Reno, model pledge; Bob Vautrain, Sweeny, Texas; George Kuykendall, Tulsa; Gary Brackeen, Shawnee; John MacLennan, Tulsa; Larry Schuelein, Sand Springs; Carter Hallmark, Tulsa; George Williams, Oklahoma City; Harry Evans, Tulsa; Terry Young, Tulsa; Gary Dickinson, Kirkwood, Missouri; Colin Smith, Tulsa; Bill Plotts, Bloomington, New Jersey; Marty Malone, Tulsa; and Pat Tarman, Tulsa.

The new officers include: Richard Hartmeyer, Sand Springs, SMC; Ed Houghland, Tulsa, IMC; Chet Willey, Caldwell, Kansas, SC; Nick Hunter, Tulsa, ThC and Larry Heckman, Tulsa, MC.

Other chapter officers are: Terry Johnson, Tulsa, MS; Rob Reid, Pauls Valley, Alumni Secretary; Jim Simmons, Sand Springs, Rush chairman; Dick Reif, Tulsa, House Manager; Russ Leverenz, Madison, Wisconsin, Kitchen Manager; Terry Young, Tulsa, Shield and Diamond Correspondent, and Ron D'Elia, Oklahoma City, Pledgemaster.

TERRY YOUNG
ΓX, Oklahoma State

Western Kentucky Occupies Chapter House

At the end of the spring semester, 1966, we lost twenty-two brothers through graduation and the military; Zeta Epsilon chapter members were meeting in a room in the student center; and we had practically no material assets, save our charter and our PiKA pins.

Upon returning to school last fall we moved into our first house and began a complete renovation of the building and grounds. The house has been remodeled in the Colonial Williamsburg style and is the finest looking house on campus. It contains accommodations for twenty-four brothers, and includes two living rooms with color T.V. and stereo. There is a chapter room and a recreation room. Further plans include remodeling the basement into a dining room and party room. The work on the house involved many hours of hard work by the brothers.

Our fall rush program netted twenty-six fine pledges. Twenty-three of these men were recently initiated into the bonds.

Keeping up with Pike tradition, we recently purchased a 1936 Ford Fire Truck that has been keeping the campus "buzzing." We had a picture on the front page of the local newspapers of Western Kentucky University President Kelly Thompson and Mrs. Thompson as they rode on our truck to the Western-Eastern Kentucky Homecoming basketball game. Our truck also made a rather unscheduled emergency run to the Bowling Green Hospital during finals week, as we took a coed there following an accident in one of the nearby girls' dorms.

With our house, new members and fire truck—all garnered within a few month's time—we were off to our finest start in our brief two-year history as a Pike chapter.

We began the second semester with the pledging of fourteen men, the second highest number on campus.

At our Founder's Day banquet, we were honored to have two outstanding

speakers, National Historian Paul Blount, and Kentucky State Representative Kenneth Harper, an alumnus of Omega chapter.

A recently organized group that is quite dear to our hearts, the "Pikettes," our "Little Sisters," is composed of girls who are pinned, lavaliered, engaged, or married to brothers. There are thirty girls in the chapter group.

Officers for the Fall semester were Jim Howard, SMC; Mike Holian, IMC; Thomas Spillman, ThC; and Truman Whitfield, SC. Our Spring semester officers are David Voll, SMC; Larry Foley, IMC; Tom Spillman, ThC; and Dave Stoppelwerth, SC.

Our housemother is Mrs. Sophia Vance, of Medford Lakes, New Jersey.

We invite all brothers who are in Bowling Green to stop by and visit with us. Our address is 1366 College Street.

J. N. Howard
ZE, Western Kentucky Univ.

Joan Swett, Beta Theta Dream Girl

Cornell Pledges Visit Alumni

Interfraternity Council Weekend festivities came to a climax at Beta Theta with the election of our 1967 Dream Girl, Joan Swett. Balloting and coronation ceremonies took place at the chapter house during a formal ball on March 3. Joan is from Maplewood, New Jersey and a senior at Elmira College. She's a biology major and expects to complete training in medical technology at George Washington University.

Several of us enjoyed the following weekend in New York City while attending the annual District I convention. We may have won the 1967 man-miles award. Among the stimulating topics presented were expansion, ritual, rushing and pledging. Beta Theta pledges, interested in PIKE as a national body, turned out in good numbers among our convention delegates. The pledge class of 26, quite large this year and a tribute to Rush Chairmen John Ross and Steve Cragan, will also visit alumni in their home towns, thus bringing them closer to full participation in chapter activities.

Correction: New Harkness, coach of Cornell's American championship hockey team, is not a Beta Theta alumnus.

We wish for all of you a long, enjoyable, summer vacation.

Steve Perrello
BΘ, Cornell University

San Fernando Colony Is On the Move

In October of 1965, a new colony of Pi Kappa Alpha was begun at San Fernando Valley State College located in Nothridge, California. Adopting the motto "ON THE MOVE", the new colony soon became a familiar group on campus. Only four weeks after it's inception, the colony received special recognition for it's second place entry in the "C" float division during homecoming.

The spring semester found the colony accepting the Alpha pledge class. These men and the acquisition of a house had the charter members moving at top speed. Centered around the new house, the men launched a social calendar with an event that had the campus talking for weeks. The theme was Vietcong, complete with a mock village and battlefield. The lucky sorority was the Tri-Delts. The semester closed with the Alpha pledges completing their help weekend in the new house in Tarzana.

In May of '66 the first annual Dream Girl Ball was held at the International Hotel. The men began to feel the spirit and brotherhood that is Pi Kappa Alpha. The summer saw an abbreviated social calendar.

In the fall of 1966 the semester got underway with the occupation of the colony's third house, ideally located across the street from the campus, the installation of the Beta pledge class, and the formation of the Sisters of The Diamond. Homecoming saw the "Pike" plane fly away with second place in the "B" division. PiKA book drive saw the collection of some 3000 books which are on the way to our servicemen in Vietnam.

Pi Kappa Alpha and Theta Sigma Tau participated jointly in carolling over the Christmas holidays.

The colony has contributed in many ways to the development of it's school. They have had one student body president, two vice-presidents, a senator, other Associated Student officials and varsity athletes. It also competes in the intramurals and is rated third on campus in sports. The Beta pledge class currently holds a 2.7 average and is working for the dean's trophy in scholarship. The active chapter is at present above the all men's average.

Through the help and guidance of National officials and alumni, such as Lance Perkins, Glenn Thompson, and Don Holland, the colony has come a long way since it's inception in 1965. With brothers like Dan Hoover. Bob Strathern, Gary Dilworth, Gary Morrison, Chris Latham, Gary Hirsch, Flip Nakamura, and George St. Johns, the colony is working diligently for nationalization which they hope will come by the summer of 1967.

The Valley State College Colony of Pi Kappa Alpha began its's own traditional "Dream Girl" festivities in May of 1966 with the annual Dream Girl Ball. The dinner and dance was held at the World-Famed International Hotel in Los Angeles. The previous month had been spent nominating women from the campus, one of which was to become the Dream Girl for 1966. Those nominated were: Judi Johnson, Lynn Buchanan, Sally Marquard and Josette Castonguay. Those who attended were attired in formals and tuxedos. Miss Josette Castonguay was crowned Dream Girl 1966.

Jo is a political science major. She is the president and a founder of the "Sisters of the Diamond", and a member of Delta Delta Delta.

We decided to make the Dream Girl selection a year-'round program. In the summer we contacted other women's groups on campus and asked them to submit photographs of three of the girls in their group. From these the men of the colony selected twelve "Dream Girls" and put together the 1966-67 Pi Kappa Alpha Dream Girl Calendar, each of the selected girls representing a month of the year. With distribution of 3000, it was received well on the campus. A reprint was necessary. Local shops received excellent advertising and Charlestons supplied the women with beautiful outfits.

Photographs of these lovely girls adorn the walls of our house. District President Ray Bradford flew in from Northern California to be the principal speaker for a banquet in their honor. The men and women turned out lovelier and more handsome than before! ! !

When Vice-President Hubert Humphrey visited our campus in the fall of last year he received one of our calendars.

STEVE SCHROEDER
San Fernando Valley State College Colony

Maryland Chapter In Football Playoff

Delta Psi wound up its football season with an enviable record of ten wins and two losses. The past football season was highlighted by the best offensive and defensive playing Delta Psi has witnessed in many years.

Heading the offensive team was quarterback Michael Headman who threw eighteen touchdown passes. Mike's favorite receiver, an all I.F.C. candidate, was Joseph Headman, his brother, who played split-end and caught fifteen of the eighteen touchdown bombs thrown.

James F. Carter

Robert Cunningham

Two brothers of Delta Psi chapter, James Fleming Carter and Robert Earl Cunningham, both age twenty-one, were killed in an automobile accident in College Park, Maryland on March 10, 1967.

James Carter was a graduate of Dulanby High School, Baltimore, Maryland. He attended the University of Maryland from September, 1963, to his death, and has been an active member of Pi Kappa Alpha since September 1964. James was a mainstay of the chapter and held several offices.

Linda Reid, Alpha Chi Dream Girl.

Robert Cunningham, a resident of Baltimore, Maryland, was a graduate of Woodlawn High School and Catonsville Junior College. Since his initiation into Delta Psi, Bob had shown an extraordinary willingness to accept responsibility. It was primarily due to Bob's efforts as Bid Chairman that Delta Psi now has its largest and best Spring pledge class.

James Carter and Bob Cunningham's lives were devoted to helping others. Their death was a deep tragedy and their memory will be cherished by their friends and brothers.

Delta Psi is presently experiencing its greatest growth. Nine pledges were initiated from the fall semester: Michael Collier Roberts, Silver Springs, Barry Alan Black, Manchester, Stephen Jay Loewinger, Bowie, Paul Richard Kratzer, Riderwood, Robert Earl Cunningham, Baltimore, William Lee Bransford, Wheaton, Louis Edward Jazcksits, Baltimore, Richard James Klau, Bowie, Lewis Paul Ward, Parkville.

We were able to pledge an unprecedented twenty-seven members for the spring pledge class.

CHARLES A. SINLOCK
ΔΨ, Maryland

Holmes Named Mr. Volunteer At Martin

Two of the Epsilon Sigma Pikes were elected as Campus Leaders, Paul Blaylock and Bob Holmes, while Nicky Dunagan took top honors as Mr. Volunteer of 1967.

Turning out equally well for the Pikes was the Miss University of Tennessee, Martin Contest. The Pikes candidate, Miss Linda Sue Workman, won the contest easily.

Brother Tommy Rainey, past ThC and present Social Chairman, was initiated into Alpha Kappa Psi, an honorary Business fraternity.

As a rush party for the Winter Quarter, Epsilon Sigma held a Casino Party at the house. The house was decorated like a casino, and different game tables were set up throughout the house. Each couple was given a certain amount of play money to spend however they wanted to at the different games. There was roulette, poker, Black Jack, craps, and for the couples that lost all their money, there were Rook tables upstairs. There were prizes given to the three couples that had the most money at the end of the party.

As a fund raising project to help pay for the newly acquired fire engine, the pledges held a slave sale. Each sorority was notified and was asked to participate. Each pledge was auctioned off to the highest bidding sorority to do work for them. It was a successful project thanks to good participation by the sororities.

In celebration of Founder's Day this year, a banquet was held in honor of Brother Tom Wade, Sr. who is now in his fiftieth year of service to ΠΚΑ. Brother Wade was given a plaque which was hand carved by

Brother Bill Holston. On the plaque was carved the coat of arms along with Brother Wade's name and the words "Fifty Years."

Also attending the banquet was National President Don Dickson who gave a very stirring speech on service to ΠΚΑ. He also spoke about the Centennial Convention. Brother Dickson was also given a hand carved plaque by Brother Holston. District President Joe Neeley attended along with local alumni and officers. Epsilon Sigma was very honored to have so many distinguished guests at its banquet.

At the District Convention this year, Epsilon Sigma won the District President's Award for having the most man-miles traveled. There were twenty-two brothers present from Epsilon Sigma at the convention which was held at Theta Chapter in Memphis.

Ten new brothers were initiated in April. They are: Barry Allison, Ken Bernadini, Bill Byars, Chuck Criswell, Paul Glass, Ray Goodgine, Monty Irvin, Randy Reynolds, Skip Trevethan, and Ronnie Wolfe.

JACK O'HEARN
E-Σ, U. of Tenn at Martin

Epsilon Chi Initiates Thirteen

On February 16, 1967, thirteen men were initiated into the brotherhood: Paul Smith, Steve Terbovich, Terry Kuntel, Ron Cox, Terry Nelson, Lynn Fuller, Bob Conrad, Tom Swan, Rick Kitchell, Don Carlstrom, Tim Heinen, Bruce Coffman, and Bob Balderston. Also Mr. Gary Brockway was selected our new faculty advisor and was initiated on March 14, 1967. Second semester rush brought thirty-five pledges.

Formal house dedication was April 15, 1967. Harry W. Steele, Chapter Financial Advisor from Memphis, was the guest speaker.

The Pikes from Epsilon Chi won the 1967 Delta Tau Delta Invitational Basketball Tournament at Baker University in Baldwin, Kansas. Members of the championship team were Ron White, voted Most Valuable Player, Ken Kunstel, All-Tournament choice, Tom Reeves, Paul Smith, Steve Queen, Garry Bond, Claude Kyle, Ron Cox, Phil Jacoby, and Dave Keeney.

In January, we purchased a 1937 Ford firetruck from the town of Louisburg, Kansas.

DAVE KEENEY
EX, Kansas State College

Upsilon Demonstrates Golden Touch

Auburn Pikes lengthen the list of successful accomplished projects. With an all-out effort, we were able to win the All Campus Fund Drive in the fraternity division. This drive collects money to contribute to over 20 different charitable organizations. Our projects of selling work raffle tickets and shining shoes in the girl dormitories earned over $950 which was 10% of the total amount earned in the whole drive.

Janet Mitchell, Upsilon Dream Girl

February 24 saw 15 new brothers added to Upsilon's roll. Ingress, which was first tried this year by the Pikes, was very successful and is highly recommended by both the Auburn Administration and the Interfraternity Council. The success of this week has been proven by the responsibilities the new brothers have taken on campus and in the chapter.

This quarter the scholastic standing of Upsilon continued to improve. Official results have not been posted but a straw poll of 75 brothers showed a marked improvement over Fall Quarter. One reason for this has been the completion of a large study-hall-quiz file room made possible by the work of Robert Guthrie. The room includes paneling, a wall to wall carpet, xerox copier, and a table that will accommodate 20 people comfortably. To our knowledge, we are the only chapter with anything like this and it already has showed favorable results.

For the first time in six years the "Plainsman Pike", our alumni newsletter, was published. The paper included Upsilon activities during the past quarter plus news of our alumni.

The 1967 "Dream Girl Formal" was held on February 17 at the Ralston Hotel in Columbus, Ga. The highlight of the evening was the presentation of our new Dream Girl, Janet Mitchell. Janet is from Lineville, Ala. and is presently pinned to Bob Brogden.

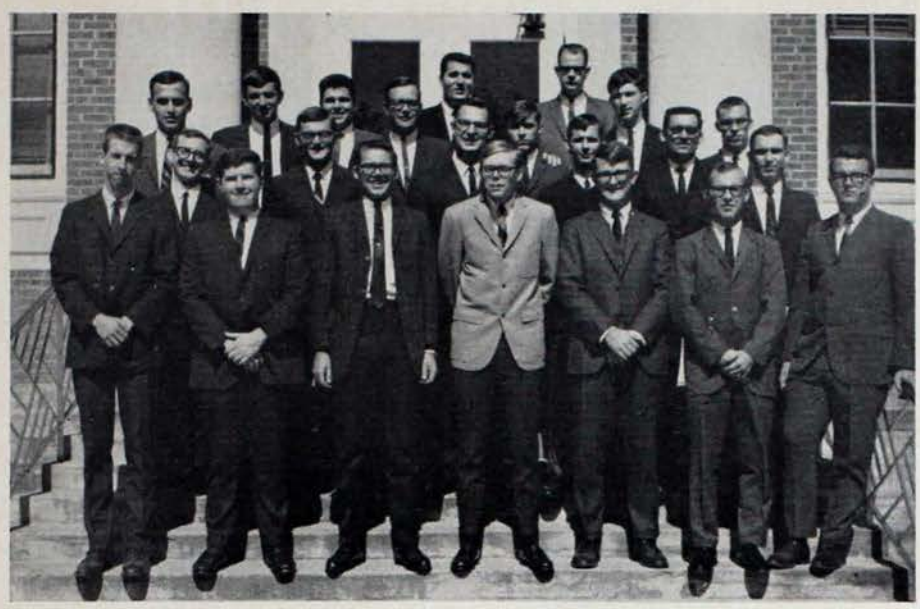
We have set our goals high for the events before us in the Spring Quarter. These include: the Blood Drive for soldiers in Viet Nam, the Alpha Psi Rodeo, Spring Rush, our house party in Florida, and student government elections. Upsilon, Auburn's Most Spirited Fraternity, is ready for a successful Spring Quarter.

RODNEY E. NOLEN
Y, Auburn University

Alpha Xi Chapter Weissenberger and Roberts Achieve Distinction

Glen Weissenberger and Chuck Roberts have brought distinction to

Zamie Wiggers (Delta Delta Delta) Dream Girl of Alpha Xi Chapter



Brothers participating in the colonization ceremonies on October 8, 1966 at Concord College were, (first row, l to r) Dave Baxter, Jim Hopkins, Frank Gieske, Roger Yost, Otis Mann, William Clark, and Jack Plymale. (second row) Alden King, Mike Norris, Larry Lane, Jim Cutlip, Clarence Blankenship, and John Coffey. (third row) Jim Caruth, Al Steele, Charles Beach, Franklin J. Parker, V. H. Crabtree, Leslie Peters, and Robert Nugen; (fourth row) John Gentry and Glen Pruitt. Not pictured: Ed Payne, Guy Sutphin and John Cassett. The ceremonies were led by Booney Vance, Bo Basham and brothers from Epsilon Zeta Chapter (East Tenn. State), Delta Iota (Marshall) and Pi Chapter (Washington & Lee).

Alpha Xi Chapter at the University of Cincinnati. Glen, president of the University of Cincinnati Interfraternity Council, was also elected president of the Great Lakes Interfraternity Conference at its annual meeting in Michigan. It is one of four such regions within National Interfraternity Conference.

Chuck Roberts, a slender speedster, has been acclaimed as a potential olympic athletic; his goal has been set for the 600 yard dash in the 1968 games in Mexico City. He has run this race within three seconds of the world's record. Brother Roberts also has his eye on major league baseball.

Concord College Colony members and guests are (l to r) James Hopkins, Dr. Joseph F. Marsh, president of Concord College, Joe Parker, Dean Dale Gieger, John Cassett and Clarence Blankenship.

Concord College Colony Increases Membership

On October 22, Concord College held its annual Homecoming Day, the theme being "The Roaring Twenties." Beginning the festivities was a parade of floats. The float of the Phi Delta Pi Colony of Pi Kappa Alpha, "Brewing a Victory," we are proud to announce, won the first prize trophy.

We are quick to congratulate the Concord Mountain Lion football team who captured the WVIAC championship and finished eighth in the nationwide small-college NAIA ratings with a fine 9-1-0 slate. Also, we are very proud of one of our own Pi Kappa Alpha Colony brothers, Guy Sutphin, a pintsize fullback who scored 24 points and gained over 300 yards in limited action for the Mountain Lions this fall.

On Halloween Night the Colony celebrated its 44th birthday. The celebration was climaxed by the 43d annual "Pumpkin Parade" through Athens, lighting the way with candle-burning pumpkins and marching to the drum's roll and the trumpet's blare. On December 2, the annual CABARET DANCE was held in the College Center Ballroom, highlighting the Colony's activities for the fall semester. In addition, two highly successful socials were held at a local center.

Formal initiation for six new colony members was held at the Athens Methodist Church on December 7. Initiated were: Peter McDearmon (Best Pledge for the fall semester), Bob Koziel, Donald Hatfield, Ralph Hannah, Richard Gruver, and Joe Bill Buckberry. Attending the initiation and the formal banquet following was Concord College President, Joseph F. Marsh, an alumnus of the Phi Delta Pi Colony of Pi Kappa Alpha. Also attending the banquet was Concord's Dean of Men, Dale Geiger.

We are proud to announce that Professor Robert Crawford, member of Concord's faculty, is faculty advisor and Athletic Director Robert Kyle (Alpha Theta, West Va.) is Alumnus Counselor.

Newly elected officers for the spring semester are: Charles Beach, President; Eddie Lee Payne, Vice-President; John Coffey, Secretary;

Mike Norris, Treasurer; Clarence Blankenship, Corresponding Secretary; Jim Cutlip, Assistant Correspondence Secretary; Al King, Sergeant-at-Arms; and Bob Koziel, Assistant Sergeant-at-Arms.

The Phi Delta Pi Colony of Pi Kappa Alpha has enjoyed a fruitful semester.

Phi Delta Pi Colony
Concord College
Athens, West Virginia

Richmond Pikes Plan for Centennial

Capping a successful rush season the Omicron Pikas pledged sixteen fine gentlemen. The brothers were able to see the spirit and enthusiasm of the pledge class rise when they received their pledge pins. They went about their pledge training periods successfully and the pledge project culminated in the raising of money to tile the chapter room of the lodge. This is part of the beautification program started by the chapter in preparation for the Centennial Convention to be held here.

Pika is now #2 at the University of Richmond. But as the saying goes, we try harder. Just a very few points out of first place, Omicron is now engaged in several sports which could push us into first place in the intramural standings. Presently we are undefeated in basketball with a 10-0 record going into the finals. Brothers Saul, Payne, Salmon, Shepard, Weatherholtz, and Pennell have done a commendable job this season. Brother Hurst is the coach. Tennis and badminton are just beginning. Omicron should move into the one spot. Our soccer team came in second losing the #1 spot in the finals by a 1-0 score. Lewis, Payne, Turner, and Johnson are team members. In football we were fourth. In cross country Brother Weatherholtz came in first and the fraternity team earned second place. Brothers Pulley and Easley captured second place in the badminton doubles.

Our Scholarship Chairman, Brother Swallow has instituted a mandatory pledge study hall. Omicron started a file system for scholarship improvement. Leading the way in scholarship this year for Omicron is Brother Gregory who has maintained a perfect 4.0 through this last semester. Brothers Wright, Pulley, and Brooks made "Intermediate honors" in Phi Beta Kappa. Also Brother Payne was tapped into Omicron Delta Kappa. Six brothers were inducted into honorary fraternities.

Omicron was host for the All-Virginia Pika Ball which was held on April 22. The Richmond Alumni Association co-sponsored the ball.

On Founder's Day Omicron held a dinner with the Richmond Alumni. Also on Founder's Day several brothers and pledges held a wreath laying ceremony at the grave of James Benjamin Sclater, Jr.

Through the leadership of our SMC, Brother Wright, Omicron has embarked on a rebuilding program. To better increase our relations with the alumni, we are publishing an alumni bulletin under the editorship of Brother Burnett.

SAMUEL A. LEISHEAR
O, University of Richmond

One Third of UNC Pledges on The Dean's List

Tau Chapter continued to raise its scholastic rank on campus by emphasizing scholarship. In the pledge class alone, *one-third made Dean's list or better.*

For the brothers of Tau Chapter, the spring semester at the University of North Carolina was an eventful one. It began with the pledging of twenty-one freshmen in February and ended with a Parents' Day in mid-May, heralded by the mothers and fathers as highly successful. Another highlight of the semester was a Banquet attended by many of the area Alumni.

Jane English, Tau Dream Girl

The PiKA intramural teams had impressive winning records in each sport again this year. The basketball, softball, and tennis teams all reached the finals in their respective divisions. Noland Leonard was elected Co-captain of the 1967 U.N.C. championship baseball team while Chip Chamberlain and John Willardson captured first place in the swimming event of the annual Grail Mural Championships.

The officers who ably led Tau Chapter through another successful year were: Tom Hunter, S.M.C., Greensboro; Jim Harrell, I.M.C., Elkin; and Steve Hayes, Th.C., Winston-Salem. Bryce Beard, Tau's representative, led delegations to attend a special series of seminars on rush, pledge training, and alumni relations sponsored by the campus Inter-Fraternity Council. We benefitted from them as evidenced by our success in all three areas this semester.

As another successful year ends for the Tau PiKAs, a bit of thanks should be given to some of those who have helped to make us tops on campus. We want to especially thank Mrs. Elizabeth Wright, our housemother, for doing such an excellent job.

MIKE JONES
T, Univ. of North Carolina

IIKA Leads Fraternity System at Louisiana State

Gamma Psi Chapter at Louisiana Polytechnic Institute has leaders among all phases of campus life with student government, intramurals, and varsity athletics being well represented.

This year, eight Pikes hold positions on the Student Senate, governing organization of the campus, out of fifteen positions open to men students. Luther Horton and Spike McKinney represented the sophomore and junior classes, respectively, as class president. Luther is also serving as a vice-chairman of Southern Universities Student Government Associations and State Coordinator of SUSGA for Louisiana. Brother Horton is a candi-

date for Chairman of SUSGA while also serving the chapter as rush chairman and playing varsity tennis. George Levert served as IFC President.

Gamma Psi is very active in varsity athletics. In football Paul Clark and Bob McKinnon were captains of the team while other brothers backed them up. Paul and Bob both received All-Conference honors. Malcolm Smith was a leader on the GSC championship basketball team while serving as junior class vice-president. He is also the intramural tennis singles champion. On the baseball team, six of the starting players were Pikes. All-Conference performers Ed Walker, Rob Marrus, and Rennie Howard led the Tech team to ten straight victories while finishing second in the league.

Even though so many brothers participate in varsity athletics and, therefore are ineligible for intramurals, Gamma Psi had still managed to win the overall intramural championship fifteen out of the last sixteen times. This year we are well on our way to a new school and possibly national intramural total points record. This is based on overall championships in football (8-0), horseshoes, volleyball (8-0), and table-tennis. The softball team is undefeated and last year's championship tennis team has not lost a match in two years. We are looking forward to the intramural track meet with unusual depth and a probable championship team.

Great improvement was made in scholarship with two brothers, Dewey Corley and Richard Akin, making perfect 4.00 averages. Brother Corley, our current SMC, is a Junior Senator and one of the leaders of Tech's Air Force ROTC unit which received recognition as the nation's top AFROTC Detachment. Gamma Psi has four brothers in Tau Beta Pi, honorary engineering society; three in *Who's Who in American Colleges and Universities;* and two in Omicron Delta Kappa, national leadership society. Rennie Howard is president of Wesley Foundation, while our Dream Girl, Miss Gayle Ford, was chosen Miss Louisiana Tech.

Two satisfying achievements of the past year were victories in Sing Week and the annual Greek Weekend competitions.

Margie Brown, Beta Kappa Dream Girl

We are looking forward to much co-operation from the newly formed Alumni Association and to another great year for Pi Kappa Alpha.

DENNIS SANFORD
ΓΨ, Louisiana Tech

Clark Named Woodrow Wilson Fellow at Emory

Numerous, diversified activities have kept Beta Kappa, Emory University, moving at a swift pace during the past months. Alumnus Brother Ben B. Blackburn was elected United States Congressman (Republican) from the 4th congressional district, Georgia.

In January, sixteen of Beta Kappa's pledges visited National Headquarters at Memphis. All the pledges learned a great deal about our heritage, and we hope to do this every year.

Lovely Miss Margie Brown, a Kappa Kappa Gamma, was crowned Dream Girl for the second straight year at our Dream Girl Formal. Pikes were the first fraternity here to begin the spring social season with our second annual Spring Registration Party for all Emory students.

Beta Kappa has also been active in the field of academics. Senior Dave Clark has received a Woodrow Wilson Fellowship and a National Science Foundation Grant. Dave presented a paper before the American Mathematical Association, on March 30, at St. Petersburg, Florida.

In athletics, Pikes were number one in their division in basketball and second in soccer. We are hoping for top honors in softball.

Leading our chapter this quarter are: Ken Thomas, SMC; Bobby Cook, IMC; Walter Strickland, SC; and Ken Gaines, ThC.

WORLEY WHIDDEN
BK, Emory University

Elardo Receives Nedrow Award At Arkansas State

Outstanding members were recently named for the Delta Theta Chapter. The awards were presented at the Founders Day-Parents Day Banquet held March 19. Mike Kelley was named outstanding senior. Sammy Elardo received the W. W. Nedrow award. It is presented yearly to an outstanding brother who has rendered superior service to the chapter. It includes a one-hundred dollar scholarship. The award was named for the Past President of District 13, Doctor W. W. Nedrow who is a brother of Delta Theta and is now the Dean of the Graduate School at Arkansas State University.

Dalton Markin won the Best Intramural athlete award this year. Dan Buckley won the Best Pi Kappa Alpha Varsity Athlete Award. Brother Buckley is a defensive tackle on the Indian Football team. Max Bobbitt received the best grade point average trophy this semester, having earned a 3.75 in a 4.00 system. Slayden V. Hunt won the Outstanding Junior Award.

The Delta Theta Pikes have a cumulation of 250 points and are almost a sure cinch to win the intramural trophy this year. The next closest competitor is in second place with 170 points. Competition in track and softball are the only two remaining sports to compete in.

In the Pi Kappa Alpha sponsored All-Greek Fraternity Tournament held recently on campus, Delta Theta finished second. The tournament features the best in intramural basketball and is the highlight of the seasons basketball activity. PiKA was the only fraternity to place two men on

the All-Greek team. They are brothers Charles Kruse, now president of Delta Theta, and Dalton Markin. The team is selected by coaches.

Remodeling of the Fraternity Suite was another successful project this year.

Richard Lynn Farr
ΔΘ, Ark. State University

Southwest Texas Aids Cerebral Palsy Drive

In order to help provide for stronger public relations as well as to further our image on campus and in the community, our chapter headed up a community-wide drive for Cerebral Palsy Research, sponsored a party for the college band and for the nationally famous precision dance team, the Strutters.

For two weeks in November every member of PiKA here at Southwest Texas State worked wholeheartedly in Cerebral Palsy Research by soliciting donations for the national annual drive in the city. This community-wide drive was supervised by Mr. Jerry Moore of Southwestern Life Insurance who is also our alumnus counselor.

Each member was assigned to a section of the city and solicited donations from door-to-door. Donation kits were placed in busy shopping areas throughout the city to increase the effectiveness of the campaign.

According to Jim Lucas, our SMC, all men in the chapter participated fully in the drive. We will continue such civic drives in the future. The donations collected will help finance research in this crippling disease which afflicts children at an early age. By continuing such drives we hope to give constructive service to the campus and community, and most importantly, we are endeavoring to assume civic responsibility.

To improve campus relations we sponsored a party for the Southwest Texas State Band and Strutters. Bob LaDouceur, our social chairman, organized a party for the band the night before the band and Strutters were to present half-time activities for the Houston Oiler-San Diego Charger pro football game.

All the Pikes traveled in a caravan to Houston early that morning. We were honored that evening by members of our college administration such as Dr. Martin Juel, the Dean of Students, Mrs. Marjorie Stewart, the Dean of Women, and Mr. Floyd Martine, the Dean of Men.

At the football game the next day during half-time many brothers were honored to talk to brother Lance Alworth, a Pike who is one of the greatest ends in pro football today.

Gil Hernandez
Z-Θ, Southwest Texas State

Beta Omicron Initiates Pass 1000

Beta Omicron chapter passed the 1000 mark initiating 15 new brothers on March 19, bringing our total to 1010 brothers.

Our newest brothers are: Curtis Scott Falgatter, Colin Preston Odom, Lee Franklin Rakestraw, Kenneth Edward Slezak, Peter Francis Mosca, Michael Charles Tobin, Michael Victor Mecca, Robert Dunlavy Coconower Jr., James Henry Steele Jr., David Pemberton Hail, Robert Norman Houston, Patrick Henry Keating, Robert E. Myers, William Michael Council, and James Leland Gourley Jr.

We know they will be worthy additions to our growing membership.

On February 4, our pledges took their walk-out to Memphis to visit our national office. They were accompanied by approximately 30 brothers. We were shown our headquarters and then spent an enjoyable weekend in Memphis.

On March 5, our chapter organized a statewide Founder's Day Banquet at the Oklahoma Sheraton Hotel in Oklahoma City. Many alums were on hand, and the turnout to hear National Vice-President Watkins speech was excellent.

During April construction began on a new addition to our chapterhouse. The wing will cost approximately $70,000. It will consist of a new living room, club room, and T.V. room all featuring built-in furniture, plus a sunken fireplace, large patio area, and a barbeque pit.

Scholastically, PiKA had a 2.39 overall last semester finishing 10th out of 25 fraternities.

In intramurals our "A" volleyball team finished third, while our "B" team received a trophy for winning first place. Our softball team is still undefeated and with the high finishes in bowling, golf, swimming and table tennis expected, chances for a spot in the top three overall intramurals are good.

With our annual Dreamgirl Ball in April and our Roman Toga Party in May, the highlights of our social season, spring is even more welcome.

Bill Whitehurst is our candidate for our yearbook man-of-distinction. He is also BMOC and was named to Who's Who as was David Confer. Ray Haynes was named to the PiKA All-American football team after playing defensive end for Oklahoma's Big Red. Steve Stocton is leading our tennis team to victory, and Larry Nicolai is a standout on our swimming team. Doug Wintermute is chairman of the Miss O. U. Pageant which will pick a girl to represent the University of Oklahoma at the statewide Miss Oklahoma Pageant.

This year has been one of the best for Beta-Omicron. This is due to the attitude of the brothers and the leadership of Doug Wintermute, Arlington, Va., senior, who has served as S.M.C. for two consecutive terms. His loyalty to and devotion for Pi Kappa Alpha has made the true difference.

Assisting Doug this semester were Biff Bigbie, Ardmore, Okla., Jr.; I.M.C.; Ken Clark, junior, Oklahoma City, Okla., S.C.; Jeff Wynn, Dodge City, Kansas, junior, Th.C.; Harold Stansberry, junior, Okla. City, Social Chairman; Dave Cummins, Hollis, Okla., sophomore, rush chairman; and Randy Kirchner, Jacksonville, Fla., junior, Pledge Master.

Beta Eta Celebrates 50th Anniversary

The Beta Eta Chapter of Pi Kappa Alpha had an outstanding 50th anniversary celebration in March. Richard G. Western, SMC and Larry Howell, Chairman of the 50th Anniversary Committee, planned and directed the affair.

Past National President Charles L. Freeman was the speaker. He commended the chapter for its resurgence

Saundra Almond, Zeta Xi Dream Girl.

in quality, in quality of brotherhood, in fraternity-university partnership, and the contributions of the Beta Eta alumni to the University of Illinois and to the communities in which they now reside.

K. D. Pulcipher, Secretary of the Pi Kappa Alpha Centennial Commission, an outstanding alumnus of the chapter, presented the Centennial plans and programs to the assemblage. Brother Pulcipher is former National Editor and former National Secretary.

University of Illinois Dean Stewart Minton traced the growth of the present chapter, commended its present leadership and urged continued effort toward its worthwhile goals.

There were 200 in attendance, including 70 alumni and 4 charter members.

Western Carolina Serves Community

The brothers of Pi Kappa Alpha Colony at Western Carolina College enjoyed the holiday season rewarded by the knowledge that they brought pleasure to some of the less fortunate people of the college community. The brothers provided baskets of food and toys and presented them to a number of needy families before leaving for vacation.

The year gone by—our first as Colony members of Pi Kappa Alpha —is one that will always be remembered by this young group of men. Our first Dream Girl, Miss Saundra Almond of Albemarle, North Carolina, was crowned in April at Camp Rockmont, after being selected from a court of eleven lovely girls. Saundra is engaged to Brother Larry Shoe, also of Albemarle.

Our officers during the previous year have done a tremendous job for us. Riley Oakley, from Roxboro, North Carolina, has given endless amounts of time to the advancement of the fraternity as our president. Jim Beddingfield, acting as vice-president; Brothers Ricky Odom and Dick Lankford, recording and corresponding secretaries respectfully; and Brother Phil Brown as treasurer have all done well.

We look back with pride at our winning the blood drive, the scholarship award, the hospital expansion drive, and second in the annual homecoming display competition. A new singing group, the Sweatermen, formed from the ranks of the brotherhood, won high recognition in the college's annual talent show. This was also the year that Phil Brown from Jacksonville, North Carolina, was named to *Who's Who In American Colleges and Universities;* and Bud Leete and Larry Saunders were elected to membership in Alpha Phi Sigma National Honorary Fraternity.

Sigma Phi Kappa fraternity at Western Carolina was established March 27, 1965 with 15 original members. It became a colony of Pi Kappa Alpha March 20, 1966. The standards for size, scholarship, leadership and financial ability, which were made prerequisite to chartering, were fulfilled and the date of chartering was February 12, 1967. Leadership qualities were developed under the guidance of Faculty Adviser Dr. Frank Maturo.

Western Carolina, founded in 1889, is located at the juncture of the Blue Ridge and Smoky Mountains, 52 miles west of Asheville, North Carolina.

Bud Leete
ΖΞ, Western Carolina Colony

Nebraska— Gamma Beta Chapter

Pi Kappa Alpha is once again represented on the University of Nebraska campus, Lincoln, Nebraska. On March 5, 1967, Gamma Beta Chapter's charter was reestablished. It was originally chartered March 1, 1924 during World War II.

In the fall of 1965, a PiKA colony was established with a nucleus of 23 members from the University of Omaha. They limited the colony pledges to men of high caliber and strong scholarship.

The University of Nebraska was chartered in 1869. Today the university is comprised of ten colleges, covers three campuses, has over 100 major buildings, and has an enrollment of more than 17,500 students. Nebraska is famous for its outstanding football teams. There are 27 national fraternities and 17 sororities. The administration endorses and supports the fraternity system.

Re-charter members are: Don Gilbert,, Bob Boumann, Norm Slader, Jim Maguire, Jay Brezezinski, Bob Carter, Bill Down, Frank Empkey, Wayne Grabow, James Grasso, Neal Hansen, John Hendry, Tom Johnson, Jim Klinker, Bob Lever, Keith Landwehr, Bob Laible, Craig Mahel, Chuck McGinn, Logan Mayfield, James Merten, Bruce Miner, Doug Osborn, James Powell, Karl Quinten, Dave Schroeder, Rick Seaman, Bob Tupper, Jon Ulbright, Al Underwood, Tom Watson, Max Maust, Bill Kathrein, Harry Ahlmann, and Mike Baldwin.

Colorado State Enlarges Chapter

"How'd you like to be a PiKA" was the theme of the spring quarter at Colorado State University as Epsilon Theta Chapter carried out its most extensive rush program in years. The program, which counted on the tradition of the Fraternity to sell the chapter, was successful as the Chapter will return next year in greater strength than last fall.

The spring quarter included the wedding of Brother Don Pitchford April 1. The wedding was preceded by a surprise bachelor's party given by the Chapter.

Spring quarter found a rash of pinnings which raised the question, "Who has more PiKA jewelry, the chapter or the sororities?"

Our outstanding social event was the Dream Girl Formal held late in May to take advantage of good mountain weather. The dance was preceded

by a day of activity at Harmony Guest Ranch in Estes Park, Colorado.

Gamma Pi Takes Proficiency Trophy

Number One in District 27! That's what Gamma Pi was named last February when the district leadership conference was held at Ellensberg, Washington. SMC Rod Shipley and eight of Gamma Pi's top men gratefully accepted the handsome Gamma Xi Alumni Proficiency Trophy, which had been won by Gamma Xi for the last three years.

A number of accomplishments and refinements in chapter administration and efficiency contributed to this achievement. On a campus of 21 fraternities, Gamma Pi rose to fifth in scholarship, fifth in Intramurals, and is currently the sixth largest fraternity at the University. Among several brothers who hold positions on campus, Steve Rudd was recently elected Secretary-Treasurer of IFC, the only non-senior to hold an elected office in IFC for next year!

Gamma Pi also took pride in its part in "Greek Focus," sponsored by IFC and Panhellenic. Greek Focus was a week-long series of programs, panels and discussions designed to bring together the Greeks and the people of Eugene to discuss and debate problems of contemporary society—air and water pollution, religion, and discrimination. Included in the program was an "Old Pro" session for all fraternity officers. Former National President John Yerkovich was the speaker. Featuring speakers from throughout the Northwest, it was the first time a program of this magnitude and caliber had been attempted. It drew considerable praise from the community and state. Chairman for the entire week was Brother Mark Dennett. Two other Pikes, Rod Shipley and Al Fowler, were in charge of finances and TV production, respectively.

Maintaining a strong reputation for campus activities, the Pikes took 2nd place in the Homecoming Sign contest last fall, and are currently working on the Canoe Fete with the Alpha Phis, and singing in the Spring Sing with the Alpha Delta Pi's for Mothers' Weekend.

One of Gamma Pi's most prized accomplishments this year was the formation of a Dad's Club during Dads' Weekend. Dad Elmer Carlson of Portland, Oregon, was elected President by a group of enthusiastic fathers before dinner at the chapter house. The whole chapter is expecting lots of good times and a closer, more meaningful relation with the Dads of Gamma Pi as a result of the Club.

In addition, Gamma Pi is eagerly awaiting further developments in the possible formation of an Alumni Association in Eugene. At a large alumni dinner winter term, attended by District President Bob Johnson, an apparently strong affirmative feeling was established among the alums toward such a project. More alumni get-togethers are on the drawing board right now, to further strengthen alumni ties.

All these things, some accomplished, some still in the potential stage, have made the year an exciting and challenging one. A bright future? With more hard work from within, and continued support from the outside, it seems almost inevitable.

SCOTT BARKHURST
ΓΠ, University of Oregon

Rensselaer Has Political Leaders

Another year of rushing is now past history and Gamma Tau has again taken one of the finest pledge classes on the Rensselaer campus. Working under a new system, that of having open houses and contact with freshmen first semester and formal rush second semester, we did a tremendous job of rushing. Ably led by senior Al Cowell, the whole house gave him 100% confidence and cooperation and we again took men who will continue to make us one of the top political as well as athletic houses on campus. It should also be noted that the pledge grades were above the all men's average in a continuing effort to improve our scholarship.

The pledges are eagerly awaiting Greek Week when they will get their first big chance to work for the house. This is also the political week at this campus and ΠΚΑ will be well represented. Bill Criss will be running for President of the Union, the second highest office on campus, now occupied by Brother Kent Shell. Bill is very optimistic and is doubly enthused by the expected opening of the new three million dollar Union May 1. Our other political hopefuls include Tom Francis running for junior class secretary, Pledge Boyd Doty running for sophomore class vice-president and Pledge Mike Hess running for sophomore class representative. The party leadership is in the capable hands of our own Bill Okulicz.

ΠΚΑ is again a very dominant part of the sports picture here. We have six men out for the lacrosse team: Dean Barner, Joe Quackenbush, Tom Tough, Paris Zirkenbach, Art Lennox, and Bruce Tarpley. The team last year posted a fine 9-1 record and they hope to repeat it this year. Joe Slack is representing us on the baseball diamond while Oscar Kirsten, Bill Rixon, Tom Lindenmuth, and Frank Wroblewski are running track. In intramurals we won the basketball championship, have a very good chance at winning our league in volleyball and are doing well in handball.

The upcoming social events include Soiree and Parents Weekend. We expect many parents and alumni.

ΓΤ, Rensselaer

Rinke Named Senior Class President

Winning the Harvey T. Newell, Jr., Award for Greatest Overall Chapter Improvement 1965-66 highlighted the past year for the Brothers of Delta Nu at Wayne University.

The New Year saw a change in administration as Pat Donofrio took over as S.M.C. and James Shepard as I.M.C. Elected also mid-year were Joe Bulat, S.C., and incumbent Nick Fontana as pledgemaster.

Mid-year saw also a resurgence of ΠΚΑ's in campus and community activities. Dwight Rinke, past S.M.C., was elected to the presidency of the senior class. Dwight is serving also as production director of the Miss East Detroit Pageant, a Miss America Preliminary, and will be assisted by many of the brothers in the pro-

duction of that pageant. John Kotwick, current Th.C. and another past S.M.C., was elected to the vice-presidency of the senior class and at the same time took over as vice-president of MacKenzie Men's Union.

On the sports scene David Krupski finished his second season with the football team. David was honorary captain of the homecoming game and had the honor of presenting the autographed homecoming football to another Brother, Pat Flynn, who was elected Homecoming King. Delta Nu was represented on the feminine side of the homecoming court also as Dream Girl Marsha Elliott, ADII, took a seat there.

January 24 was the initiation date for fourteen men at Delta Nu: Michael Bohde, Louis Fox, Ronald Gallinat, James Grenwick, David Gullet, Stephen Hausner, Mark Janusch, Mike Klein, Charles Kluka, David Kotowski, Rick McCann, Donald Mickus, Michael O'Leary, and Charles Welsh.

Chuck Kluka is the co-captain of the Track Team, the youngest man ever to hold the position in the history of the University Louis Fox is serving as co-captain of the Fencing Team with Brother Don Parshal.

DWIGHT RINKE
ΔN, Wayne State University

Dr. Walton Named Case Chapter Adviser

Epsilon Pi began the spring semester by asking Dr. Alan G. Walton of the Case Chemistry Department to be our new faculty advisor. With Dr. Walton's acceptance, we now have a man not only interested in ΠΚΑ, but also eminently qualified to fill the post. Dr. Walton received his B.S. from Nottingham University in England, in 1957, and his Ph.D. at the same institution in 1960.

While at Nottingham, Dr. Walton was a member of the school's cricket team, while also participating, on the bass, in a modern jazz group, and the chamber orchestra. From 1960 to early 1962, he did his post-doctorate work at Indiana University, and then came to Case in the Fall of 1962.

Since that time he has been appointed an associate professor, while heading numerous administrative commissions. In addition to this, he has written over 40 scientific papers, and is about to publish his first book on Precipitates.

In other actions, we pledged another solid class. Following last spring's pledge class of 36, of which 28 were activated, our rush technique landed 39 more good men, active in all areas of Case's extracurricular activities. Thus, it was with satisfaction that Tom Northrop joined the ducks of Cleveland's Wade Pond. Epsilon Xi finished third scholastically among the 12 Case fraternities. This and the many improvements made on our house this past year make us a strong contender for the President's Improvement Award for 1967.

On the athletic scene, we are all cheering for Brother Dick Lisska in his drive to the 1972 Olympics in weightlifting. Dick has the desire and potential, and is working-out regularly with Brothers Hoff, Halter, Hartley, and Moon in his bid. Already a leader in intramurals, Epsilon Xi promises to finish strong in track, tennis, and softball, as the brothers are sustaining a growing pride in themselves and the house. We'll soon be Number One!

PATRICK D. MCCABE
E-Ξ, Case Institute

University of Iowa's Perennial Dream Girl

One of Gamma Nu's greatest assets is our housemother, Mrs. John Collins of Kansas City. A former Delta Gamma here at Iowa, she has demonstrated her capabilities in numerous areas. With an interest in interior decorating, she has initiated many improvements within the physical structure, and her business abilities have helped to make the kitchen budget a profitable enterprise this year. However, it is her outward and pleasing personality that has caused her room to always be occupied with bridge players, Brothers and their dates, other housemothers, and out-of-town guests. Our appreciation for her was shown at our Dream Girl Banquet when the Chapter presented her a gift with an inscription that reads - - "Gamma Nu's Perennial Dream Girl."

New Mexico Chapter Second in Scholarship

Beta Delta has made great strides scholastically this year. With a 2.49 chapter average, the Pikes have risen to second place among U.N.M. fraternities. We are especially proud of this accomplishment, and are looking forward to even greater achievements in this and all other areas of campus life here at New Mexico.

Our annual Founders' Day banquet was held on March 1 at the Hilton Hotel here in Albuquerque, with over 150 Pikes from around the state in attendance, making this year's celebration one of the best. Highlights of the event included a report on the upcoming Centennial and the presentation of special awards. Ron Pennington was presented with a plaque for being the active with the highest grade point last year (3.75), and Fred Hultburg was given a plaque for being the outstanding intramural athlete from Beta Delta.

Highlight of this spring was the Dream Girl Formal held on March 11. A dinner preceded the dance at which lovely Miss Marijo Rymer of Kappa Alpha Theta sorority was crowned Dream Girl. Over one hundred people attended this wonderful affair.

Beta Delta Chapter is proud to announce that the formal pledging of nineteen charter members for the Pikettes auxiliary. Led by President Nora Birge, the Pikettes have already given a dinner for the chapter, and are planning numerous other events. We are indeed fortunate to have such a fine group of girls promoting the Pikes at U.N.M.

Beta Delta chapter announces the initiation of eight new brothers: Bill Wellborn, Tom Miller, Ken Hernandez, Dick Foy, Tom Balestri, Ray Baca, Maury Towne, and Geoff Griswold. This brings our active chapter strength to 55 members. In addition, we have a fine second semester pledge class of 19 men, under the direction of Pledge Trainer David Williams.

GEORGE L. HILLER
BΔ, New Mexico

Connecticut Secretary of State Addresses Trinity Pikes

Founder's Day at Epsilon Alpha was celebrated late this year due to a

snow storm that was part of New England's worst winter in over a decade. A dinner and speech by Mrs. Ella Grasso, Connecticut Secretary of State, was originally scheduled for Tuesday, March 14, but it had to be postponed until May 2nd. Mrs. Grasso is one of Connecticut's most prominent Democratic office holders, and is often cited as a possible successor to the now Senator Thomas Dodd.

Larry Ach, John Cooper, and Dewey Loberg are second semester pledges. All three are outstanding athletes. Pledge Ach and Pledge Loberg have been strong contributors to the swimming and fencing teams respectively, and Pledge Cooper has been skiing in Vermont on weekends. Pledge Cooper is also interested in drama and has worked on staging and lighting for the Trinity Jesters.

For the first time in recent Epsilon Alpha history, a Trinity faculty member was initiated into the Fraternity. Mathematics Instructor Robert A. Conover became a brother on April 5th. He is one of Trinity's youngest professors having just earned his MA from Rutgers University.

On May 6th the brothers took their annual trip with the children of the American School for the Deaf of West Hartford. This year's picnic was at Mystic Seaport, a reconstructed colonial fishing village in Southern Connecticut.

PiKA again took honors in intramural swimming and squash. Brother Bob Freedman placed first in the Individual Medley event. We were able to capture second place on campus in swimming. In squash several outstanding brothers helped to assure PiKA a place in the playoffs for first place.

Scholastically Epsilon Alpha placed third among the fraternities for first semester grades. On the twelve point system we were less than one point below the Dean's List cutoff of eight, and a whole point above the all-college average.

June 4th was graduation day for twenty brothers of Trinity's chapter. After four years of work this certainly was a climactic day. The speaker this year was Senator Charles Percy of Illinois. Most of those graduating plan to pursue graduate study next year.

Best wishes for a great summer to you from all here in Hartford, Connecticut.

GILBERT G. CAMPBELL
EA, Trinity College

Gannon Chapter Dedicates Rooms

Epsilon Upsilon recently dedicated two newly remodeled rooms in the chapter house in memory of the chapter's two deceased brothers. The chapter room, located on the ground floor, was dedicated to Bill Taylor, killed in an auto accident in October, 1966. The room was remodeled in spring of 1966 by the pledge class of which Bill was a member. The living room of the house was dedicated to Art Gaedecke, a past SMC of the chapter, who was killed in an auto accident in May, 1965 while on active duty with the Navy in Rhode Island. The fireplace in that room was recently rebuilt by Art's parents in memory of their son.

Highlight of the spring semester was the visit of National President Don Dickson and District President Herb Helt for the chapter's Founder's Day banquet. After the banquet, Brother Dickson was guest of honor at a reception at the chapter house with the Gannon College faculty. Brother Dickson officially hung the new sign in front of the chapter house.

Joe Karwowski elected SMC in February, Denny Garpetti, IMC; Ray Glowaky, re-elected SC; Andy Sutika, ThC; Rich Courtney, MS and Brian Schatz, MC. The chapter welcomes its new advisor, Mr. Alphonse Wedzik, assistant registrar at the college.

Fifteen members attended the district convention at the University of Maryland. The brothers had a chance to renew acquaintances with the other brothers of the district.

The chapter is now involved in the Intramural Volleyball tourney with seven teams entered. Intramural Ping Pong was recently completed, with Epsilon Upsilon taking the championship. The new pledge class has two teams entered in the competition.

The chapter took highest average on campus of the four fraternities last semester. This is an indication of the rise in prestige on campus for Epsilon Upsilon since the chapter had the lowest of the four averages only the semester prior.

The brothers recently voted to contribute to the education of a child in Appalachia. Long range plans include bringing the child, hopefully a boy, to Erie for a weekend sometime next year.

The chapter is now completing plans for the renovation of the third floor of the house. Now merely a plastered attic, it will be converted to three rooms, increasing the capacity of the house from eighteen to twenty-four men.

RICH COURTNEY
EY, Gannon College

Miami Chapter Has "Ingress Week"

Gamma Omega had several important happenings this year that should be of interest to all brothers.

The chapter employed the newly-initiated *Ingress Week* program in January. It was highly successful and accomplished its aim of creating a strong brotherhood in the pldege class and of also strengthening the ties of brotherhood among the actives. Many house improvements were made, also. The chapter room was renovated, a flag pole erected, the walls painted, plus many other items that added even more beauty to Gamma Omega.

Our chapter played host to the district convention in March, which started off with a pool party and hot dogs. The convention was held in the modern Memorial building on Miami's campus where the representatives from the five chapters in Florida including two colonies and a prospective colony in Jacksonville, discussed their problems. There was a banquet with several speakers including Field Secretary Hubert Vance and District President Kermit Silverwood.

Thus, with the employment of Ingress Week, a good showing at the district convention, and with thirteen newly initiated brothers and sixteen fine pledges to spirit Gamma Omega, the chapter is continuing to improve. Phi Phi Kappa Alpha is very much in evidence in the halls of this chapter.

Steven Vesperman (ZA-General Motors) to Joyce Jurn, Snover, Mich.

William Volk (EE-Toledo) to Cincy Micheles, Oct. 22, 1966, Romulus, Mich.

Joseph R. Volz (AΞ-Cincinnati) to Gay Jackett (KAΘ), July 9, 1966.

Charles L. Ward (ΔΨ-Maryland) to Barbara McKelvy, Aug. 6, 1966.

Thomas H. Watson (B-Davidson) to Gwendolyn Thomas, Dec. 27, 1966, Youngstown, Ohio.

David L. Weidner (ΔE-Chattanooga) to C. Wilson Hunt (ΠBΦ), July 2, 1966, Chattanooga, Tenn.

George C. Welch, Jr. (ΔΩ-High Point) to Gretchen Wampler, Nov. 26, 1966, Harrisonburg, Va.

William K. Widmaier (BY-Colorado) to Marylouise Menke, Aug. 14, 1966, Eaton, Colorado, now residing Greeley, Colorado.

William W. Wilkes (ΓT-Rensselaer) to Kennette E. Harrison, June 18, 1966, Baton Rouge, La.

Edward Charles Witthoefft (I-Hampden-Sydney) to Karen Lee Diedrick, June 11, 1966, Richmond, Va.

Lt. Florian Henry Yoste, III (ΓI-Miss.) to Mary Suzanne Williams, Sept., 1966, Philadelphia, Miss., now residing in Denver, Colo. where Lt. Yoste is stationed with the Air Force.

Volan D. Youngblood (EH-Houston) to Sandra Macko, Sept. 3, 1966, Katy, Tex.

Bruce Bafus (ZM-Idaho) to Caryne Montgomery, Spokane, Wash., now residing Moscow, Idaho.

Russell H. Beahm (BB-Washington) to Ruth Ann Sollars, Aug. 6, 1966, Pullman, Wash.

Dr. John Clyde Beard, Jr. (ΓΘ Miss. State & ΓI-Mississippi) to Ursula Paulig Kranepfuhl of Dusseldorf, Germany, February, 1967, Indianola, Miss.

Edward M. Bice, Jr. (ZΘ-Southwest Texas State) to Susan Greene, Dec., 1966, San Antonio, Tex.

John P. Charneski (EA-Trinity) to Jean Ellen Pelletier, Jan. 28, 1967, now residing in Plainville, Conn.

Roy Coon (ZM-Idaho) to Frances White, Dec., 1966, Lewiston, Idaho, now residing Moscow, Idaho.

Woody R. Cunningham (EΠ-Sam Houston State) to Cheryl Kay Long, Dec. 29, 1966.

James Edward Diekmann (AK-Missouri at Rolla) to Mary Jo Hagan, Jan. 21, 1967, St. Louis, Mo.

William Dorcik (ΔΞ-Indiana) to Rolene Brown, June, 1966, Denver, Colo.

Robert Doyle (BK-Emory) to Karen Nelson, Dec. 17, 1966, Atlanta, Ga.

Dennis John Drag (BΦ-Purdue) to Leslie Ann Piatak (ΦM), Feb. 4, 1967, Gary, Indiana.

Robert Clayton Duncan (AK-Missouri at Rolla) to Judy Jane Jett (AXΩ), Feb. 4, 1967, Poplar Bluff, Mo.

Lawrence M. Fettig, Jr. (BΦ-Purdue) to Karen Thrawl, Jan. 21, 1967, Elwood, Ind.

James Fink (BΔ-New Mexico) to Marijo Rymer, (KAΘ), March 27, 1967, Albuquerque, N. M.

Dennis R. Fleenor (ZN-Eastern Wash. State) to Mary Emmons, Dec. 15, 1966, Coeur d'alene, Idaho.

Woody Fogg (ΓM-New Hampshire) to Deborah Bannon, Nov. 26, 1966, York, Maine.

Gerald A. Grabcheski (ΓΛ-Lehigh) to Starr L. Hawkins, April 1, 1967, Riverdale, N. Y.

GART RUPERT GRAHAM (AK-Missouri at Rolla) to Beth Kay Fleischmann (XΩ) Dec. 18, 1966, Wichita, Kan.

JAMES LEROY HAGEMAN (ZE-Western Kentucky) to Beccy Roach (KΔ) August 26, 1966, Frankfort, Ky.

THOMAS A. HARRIS (ZK-Ferris State) to Sherleen Stahl (ΔZ) Sept. 3, 1966, Monroe, Mich, now residing Big Rapids, Mich.

RALPH HEADLY (EX-Kansas State of Pittsburg) to Marilyn Hodgson, Aug. 14, 1966, Iola, Kan.

JOHN HEXTER (EX-Kansas State of Pittsburg) to Sherry Johnson (ΑΣΑ) June 11, 1966, St. Louis, Mo.

A. GERRY HODGES (Y-Auburn) to Natalie Cordele, Dec. 23, 1966, Birmingham, Ala.

MICHAEL D. JARVIS (ZN-Eastern Wash. State) to Susan Lysocker (XΩ) Nov. 11, 1966, Cheney, Wash.

HARRY L. JONES (AZ-Ark.) to Marilyn Munger (ΔΔΔ), July 30, 1966, Enid, Okla.

PAUL R. JAECK, JR. (ΔΨ-Maryland) to Doris Rae Salathe, Jan. 27, 1967, Wash., D. C.

JOHN ALLEN KELLEY (BΦ-Purdue) to Sandra Jane Benz, Jan. 21, 1967, Indianapolis, Ind.

JIM KIMBALL (ZM-Idaho) to Karen Smoots, Oct. 8, 1966, Coeur d'Alene, Idaho, now residing Moscow, Idaho.

1ST. LT. WALTER F. KIRCHOFER (BΣ-Carnegie Tech) to Marjorie Ruth Little, Jan. 7, 1967, Aschaffenburg, Germany.

LAWRENCE L. LAUDE (BΣ-Carnegie Tech) to Janet Higgins, Nov. 19, 1966, Pittsburgh, Pa.

CAROL MAYHOOD (EX-Kansas State of Pittsburg) to Dorenda Walker, June 2, 1966, Columbus, Kan.

TERRY MITTS (EX-Kansas State of Pittsburg) to Karen Lee Lightfoot, Aug. 27, 1966, Columbus, Kan.

GARY NICKALAUS (EX-Kansas State of Pittsburg) to Martha Shannon, Sept., 1966, Iola, Kan.

CRAIG NORMAN (ΔΞ-Indiana) to Lisa Brubeck, Indianapolis, spring of 1966.

JAMES G. NORMAN (AZ-Ark.) to Mary Jean Gentry, Sept. 3, 1966, Searcy, Ark.

WILLIAM R. ODELL (ZN-Eastern Wash. State) to Nancy Hilton, (XΩ) June 11, 1966, Cheney, Wash.

GEORGE P. OLSEN (ΔΛ-Georgetown, Ky.) to Sharon Jane Eighmen (KΔ) Jan. 28, 1967, Drexel Hill, Pa.

T. NOE OSBORN (ΔΓ-Colorado) to Dede Bergerhouse, Dec. 28, 1966, now residing New York, N.Y.

WILLIAM M. PARKER (Y-Auburn) to Mary Petranka, Dec. 20, 1966, Montgomery, Ala.

DENNIS PECKINPAUGH (BΔ-New Mexico) to Lynne Marie Franchinni (ΠΒΦ) Dec. 23, 1966.

PAUL PELOQUIN (ΓM-New Hampshire) to Laurette Duford, Jan. 28, 1967, Durham, N. H., now residing Dover, N. H.

PHILIP LESTER PHILLIPS (ΔH-Delaware) to Ardean Hackett, Dec. 3, 1966, Wilmington, Dela.

ROBERT PRINGLE (ZK-Ferris State) to Sue Ellen Gilbert, Jan. 14, 1967, Bay City, Mich., now residing Saginaw, Mich.

LARRY PUGH (EΓ-Texas Tech) to Sandra Hughes, Nov. 12, 1966, Lubbock, Tex.

GARY QUINN (ZE-Western Ky.) to Pat Saunders, Feb. 1, 1967, Bowling Green, Ky.

TOMMY WAYNE REEVES (EΣ-Tennessee at Martin) to Linda Dell Harrison, Dec. 17, 1966, Memphis, Tenn.

TERRY LEE RINE (ΓX-Okla. State) to Mary Fleet Brown, Aug. 27, 1966.

JERRY SACHSE (EΓ-Texas Tech) to Linda Dearmond, Oct. 7, 1966, Childress, Tex.

LAWRENCE R. SCAMAHORN (ZN-Eastern Wash. State) to Judy Betts, Aug. 15, 1966, Spokane, Wash.

JOHN SCHUELLER (ΔO-Drake) to Judy Bryant, Dec. 20, 1966.

CHARLES SCOTT (ZΘ-Southwest Texas State) to Wynthia Daryll Crawford, May, 1966, Houston, Tex.

PICK SCRUGGS (ΓI-Miss.) to Jody Shelton (ΔΔΔ) Dec. 21, 1966.

RICHARD L. SHARKEY (BE-Carnegie Tech) to Kathleen Ann Irr, Feb. 18, 1967, Pittsburgh, Pa.

VICTOR SPIVEY (EΓ-Texas Tech) to Connie Kahanic, Sept. 10, 1966, Lubbock, Tex.

GARY F. START (BB-Wash.) to Susan Farrar, Jan. 7, 1967, Coeur d'Alene, Idaho.

CHARLES STECKER (ΔX-Omaha) to Beverly Wood, Dec. 3, 1966, Omaha, Neb.

RALPH W. SULLIVAN, II (AK-Missouri at Rolla) to Frances Virginia Cox, Jan. 27, 1967, Birmingham, Ala.

CHARLES D. THOMAS (ΔΞ-Indiana) to Diane O'Keefe (ΔΔΔ) June, 1966, now residing Fort Dix, Md.

ROBERT A. WEINHEIMER (ΔΞ-Indiana) to Judith L. Mayer, Oct. 22, 1966, Camillus, N. Y.

GEORGE W. WESTMORELAND (AZ-Ark.) to Sheryl Nau (ΔΔΔ) Aug. 13, 1966, Hot Springs, Ark.

JACK ALAN WIESENTHAL (BΦ-Purdue) to Ellen Jane Cunningham, Aug. 20, 1966, Indianapolis, Ind.

TOM WOLFE (BΔ-New Mexico) to Jane Hammond (ΠΒΦ) Oct. 1966.

DAVID A. WOODS (BB-Wash.) to Lynn Torrence, Oct. 18, 1966, Sequim, Wash.

LARRY WRIGHT (EΓ-Texas Tech) to Marilyn Walurath, Sept. 10, 1966, Houston, Tex.

DIRECTORY

NATIONAL OFFICERS

SUPREME COUNCIL

NATIONAL PRESIDENT—Donald Dickson, ΔB
175 Beechwood, Avon Lake, Ohio 44012

NATIONAL VICE PRESIDENT—Guyton H. Watkins H, Box 850, New Iberia, La. 70561

what is your Program of Progress *for* ΠΚΑ's Century II

In the September, 1965, issue of *The Shield and Diamond*, President Charles L. Freeman pointed out that the Virginia Centennial presents a tremendous challenge to Pi Kappa Alpha as it reaches the threshold of Century II.

Quoting the preamble inscribed at the beginning of the Fraternity's Constitution nearly 100 years ago—"for the promotion of brotherly love and kind feeling" —President Freeman asked this question:

"What can Pi Kappa Alpha do to promote friendship and kind feeling not only within its own ranks, but throughout the nation and the world?"

He invited all ΠΚΑ's, undergraduate and alumni, to submit their thoughts on this question in the form of a re-statement of Fraternity Objectives for the next 100 years.

The Centennial Commission has announced awards of $100, $75 and $50 for the three statements submitted by undergraduates adjudged the most meaningful statements of such a new focus on the future.

Every undergraduate is invited to enter this competition. Alumni are likewise invited to submit their ideas on the mission of Pi Kappa Alpha for the next 100 years. These goals for the future, the Centennial Commission believes, call for a still broader concept of service by Pi Kappa Alpha to its members, to this nation and to men of good will everywhere.

Here is one statement, looking to the future, expressing a broad concept of Pi Kappa Alpha responsibility in the years ahead:

For Century II, Pi Kappa Alpha seeks to cultivate in its members and among all men high individual standards and personal good conduct in our relationships with others.

Within this Fraternity, it is our serious endeavor to achieve intellectual levels that will assure increasing development of our American society.

We pledge our dedication to the restoration of universal respect for American law and American law enforcement agencies with due regard for human rights, individually and collectively.

We further pledge our Fraternity's support, severally and collectively, to the development of American citizenship responsibilities in all segments of our society.

To encourage the fulfillment of these objectives, we here restate and renew our faith and endeavor in—

Strict adherence to the principles of our Fraternity in individual social conduct.

Personal responsibility for the maintenance of property rights, their preservation and conservation.

Compliance with the obligations inherent in membership in the Pi Kappa Alpha Fraternity, both as individuals and as a social and intellectual force in the community.

Your thoughts, your feelings and your statement of ΠΚΑ Objectives for the future are invited and should be sent to CENTURY II Essay Contest, Centennial Commission, Pi Kappa Alpha National Headquarters, 577 University Boulevard, Memphis, Tenn. 38112.
