PROJECT CENTENNIAL PROGRESS DISCUSSED BY SENATOR EVERETT DIRKSEN, HONORARY CHAIRMAN, WITH MARTY BULLARD, IKA DIRECTOR OF PUBLICATIONS AND ALUMNI AFFAIRS; WYATT A. STEWART, PROJECT CENTENNIAL COORDINATOR; AND RON P. TATE, PRESIDENT OF MEMPHIS ALUMNI ASSOCIATION.

OFFICIAL CALL TO CENTENNIAL CONVENTION

TO: Student Chapters, Student Members, Alumni Associations, and
Alumni Members

GREETINGS:

The 100th Anniversary National Convention of our Fraternity will be held in Richmond, Virginia, August 25-29, 1968. The John Marshall Hotel will serve as convention headquarters. The official business of our Fraternity will be transacted at that time by the duly elected delegates.

The National Leadership School will be held at the University of Virginia, Charlottesville, Virginia, August 21-25, 1968.

This Centennial Convention will mark a historic occasion in the life of our Fraternity. Relatives, pledges and friends are urged to participate in these events which will pay tribute to our rich heritage. Virginia, the mother of presidents, is also the birthplace of Pi Kappa Alpha.

Come, join us as we stroll down The West Range, as we visit Room 47 West Range where the dreams of Pi Kappa Alpha became a reality, as we feel the impact of the great personalities who once walked the lawn, and as we view the re-enactment of Pi Kappa Alpha history.

Make your plans now to partake of Pi Kappa Alpha fellowship at its finest—once in a lifetime, yes, even, once in a century!

Come to Charlottesville! Come to Richmond!

Yours fraternally,

Donald Dickson

PiKA's Present Copy of Fraternity's History to School Libraries

In commemoration of Pi Kappa Alpha's Centennial Year, the Fraternity was pleased to offer to each undergraduate chapter a copy of the HISTORY OF PI KAPPA ALPHA for presentation to their college libraries as a gift on March 1, 1968, the 100th Anniversary of the Fraternity's Founding.

A special bookplate on the inside cover of each HISTORY gave the presentation date and the name of the school library.

Approximately 60 chapters presented the HISTORY to their college libraries.

PiKA Executive Director Garth Jenkins presents to SMC John Barteld (ΔN-Wayne State) a HISTORY for the chapter to donate to the Wayne State Univ. Library on March 1, 1968. Both Pi Kappa Alpha and Wayne State University are celebrating their 100th Anniversary this year.

100 YEARS OF BROTHERHOOD

As we begin our centennial year, I know it will be a great one for all of us in Pi Kappa Alpha. We shall have proof that a democratic brotherhood can exist, and grow, and improve over a period of 100 years. All this, despite the cynic's sneer. We recognize every man needs a fraternity, just as he needs ideals and faith. It is our responsibility, as older members, to preserve our institution, and to provide the attractive conditions which encourage young college men to join us.

CHAPTER NEWSLETTERS

Considering the large volume of material that necessarily had to be published in this centennial year, pre-convention issue of the Shield & Diamond magazine, it was reluctantly decided that it would not be feasible to include the chapter newsletter section of the magazine.

However, many of the newsletters submitted for publication in the June issue consisted of reports on the various chapter's 100th anniversary Founders' Day celebrations and much of this information is included in the Centennial Founders' Day feature starting on page two of the magazine.

The Fraternity was founded at the University of Virginia, March 1, 1868, by Julian Edward Wood, Littleton Waller Tazewell, James Benjamin Sclater, Jr., Frederick Southgate Taylor, Robertson Howard, and William Alexander.

The magazine is published each March, June, September, and December. Copy deadlines are: January 1, April 1, June 1, and October 1.

It is mailed without charge to all members of the fraternity. Please promptly report changes of address—include both old and new addresses.

Direct all correspondence and changes of address to: The Shield and Diamond Magazine, 577 University, Memphis, Tennessee 38112.

the winter-quarter pledge class. To make the event more noteworthy, the pledges had constructed a 10-foot birthday cake on the chapter's fire truck and paraded it around the campus. The following evening the Dream Girl Formal and Banquet were held in honor of the Centennial Anniversary. Guest speaker was one of the chapter's own founders. The brothers, in full dress Confederate uniforms, graced the Dream Girl and other chapter pinmates with the IKA Dream Girl song. It was said that "the warmth of the occasion could be felt without a single word."

Ohio University was well prepared for the occasion by preliminary gestures and student newspaper advertisements. There were also newspaper articles, radio coverage, and five window displays on campus the week before the celebration; each portrayed a different facet of IKA on the national as well as local level. The highlight of the preliminaries was the campus delivery of invitations to the brothers' dates by two actives in uniform riding horses.

Beta Theta at Cornell had as its main speaker Mayor Jack Kiely of Ithaca, New York, who declared March 1, 1968, to be "Pi Kappa Alpha Day." IKA National President Donald Dickson was among the dignitaries present.

In another part of the country, Dr. Harry Sparks, President of Murray State University in Kentucky, also declared March 1 "Pi Kappa Alpha Day." A key to the city was presented to IKA by Murray Mayor Holmes Ellis in commemoration of the Fraternity's Centennial Year.

The festivities began February 27 with a rush smoker, and continued to March 1, when a copy of the HISTORY OF PI KAPPA ALPHA was presented to the MSU Library. That night the IKA Centennial Ball was held, and the following day a parade wound its way through the campus. A banquet at the local Holiday Inn followed that night. Mr. John Ed Pearce, editor of the LOUISVILLE-COURIER-JOURNAL, was guest speaker. On Sunday all

alumni and members of Epsilon Lambda Chapter attended church together.

The activities were well covered by all local radio and news media. Hundreds of bumper stickers promoting the Centennial Year were distributed, and many ads in the student newspaper paid tribute to IKA on its 100th Anniversary.

The Birmingham Alumni Association, along with the men of Delta, Upsilon, Alpha Pi, and Gamma Alpha Chapters, had such noteworthy guests at their function as Andrew Gainey (AI-Millsaps), IKA National Music Director; and Roy D. Hickman (BΔ-New Mexico), Co-Chairman, IKA Centennial Commission. Robert H. Lakamp (BII-Pennsylvania), Special Assistant to the

Harold Rainville, distinguished IKA alumnus, addresses Gamma Rho celebration in Evanston, Ill.

Pi Kappa Alpha National President Donald Dickson is pictured above at the Beta Theta-Cornell Founders' Day activities.

President, J. C. Penney Company, delivered the keynote address. Several hundred Pikes attended the celebration.

Prominent IKA's were in abundance at the Spokane Alumni Association's celebration. John U. Yerkovich, past National President, delivered the Founders' Day address, and received a standing ovation from all present. Dr. George T. Watkins, IKA National Secretary, addressed the gathering briefly to remind the undergraduate members of Gamma Xi, Zeta Nu, and Zeta Mu, who were also present, of the heritage left them by those who had graduated previously. He challenged everyone to continue to build upon the rich heritage of IKA. Robert J. Hilliard, IKA National Pledge Training Director, spoke honoring the charter members of Gamma Xi. The

William R. Rock, president of the Richmond Alumni Association; R. A. "Buster" Bynum, President of District #4; and IKA National President Dickson are among those at the head table during the Richmond celebration.

Spokane Alumni Association president and emcee for the dinner, Mel Smith, reported on the association's efforts in behalf of Project Centennial and urged all alumni to help reach the organization's goal. Brother Smith was among those who received the IKA Distinguished Service Award. The evening ended with an announcement that A. D. Harlan (AZ-Arkansas) had been chosen as one of the committee who will select Pi Kappa Alpha's Distinguished Achievement Award Winner for 1968.

Many of the University of Idaho administrators and faculty members attended the Zeta Mu Centennial and Dream Girl formal banquet and dance March 2. Among those present were Dr. and Mrs. Ernest W. Hartung, President of the University; Dr. and Mrs. H. Walter Steffens, Academic Vice President; Mr. and Mrs. Charles O. Decker, Dean of Students and six other Deans of the University.

Over eighty persons attended the Alpha Chi Founders' Day dinner March 9. Executive Director Garth Jenkins told the gathering, "IKA must bridge old ideals with the new realities of college life and society in general to become a 'now' Fraternity." Former IKA Field Secretary Anthony Felicetti was presented with the "Outstanding Alumnus Award."

An invitational open house for the faculty marked the beginning of Gamma Pi's Founders' Day celebration February 29. Several Oregon professors were invited to attend the celebration which was highlighted by the presentation of a copy of the IKA HISTORY to the University library. Three areas of the chapter house contained displays, the theme of which were "Pi Kappa Alpha, a Progressive Fraternity." They compared the Fraternity as it was 100 years ago to what it is today. The chapter room was divided into two parts, one representing historical and the other modern IKA. The living room contained a gala trophy display, while the pledge room was set up to represent Gamma Pi Chapter since 1931, the year it was chartered. An exhibition of IKA manuals and publications was shown as well.

and Linfield College met in Portland with the Portland Alumni Association for their annual Founders' Day banquet. The featured speaker was Senator Wayne Morse (BΞ-Wisconsin).

Members of the Florida Southern College Chapter and the Lakeland Alumni Association sponsored a banquet and dance on March 2 at the chapter house. John E. Horne (ΓA-Alabama), Chairman of the Federal Home Loan Bank Board and ΠKA National Secretary, was the speaker. One sidelight of this celebration was the initiation into Delta Delta Chapter of J. C. Sargeant, Jr., a prominent Lakeland, Florida businessman who attended FSC and the University of Florida.

Pikes at Millsaps College began their celebration with the initiation of 14 new men into the bonds of brotherhood. The Founders' Day Open House and banquet, which were also attended by the brothers of Beta Chapter, were described as "showing the true spirit of Pi Kappa Alpha's 100 years of brotherhood." Featured speakers were Paul Hardin, Registrar of the College, and Pat McNease, president of the Jackson, Mississippi Alumni Association. A Model Pledge Award and an Outstanding Service Award were presented during the event.

Delta Nu and Beta Tau Chapters, along with the men of the University of Michigan Colony, attended the Detroit-area Centennial Founders' Day banquet, held March 8 at the Detroit Statler Hilton Hotel. Recognition of special guests included Edward N. Cole (ZA-General Motors), and George Russell, (BX-Minnesota), President and Vice Chairman of the Board of General Motors Corp., respectively. Executive Director Garth Jenkins again gave the keynote address.

The festivities of Delta Psi Chapter were highlighted by the attendance of John J. Sparkman (ΓA-Alabama), U. S. Senator from Alabama, and a member of the ΠKA "Committee of 100."

Concord College Colony held their Centennial banquet in Princeton, West Virginia. Among the leading dignitaries present were the Dean of Men of Concord and Joseph Marsh, President of the College. Marsh, an alumnus of the old local Fraternity, will be initiated into ΠKA on charter day. The banquet marked the end of a week's parties and celebrations, and the beginning of the second century of growth and development of ΠKA. Everyone

present at the Colony's celebration was inspired by the Centennial promotional film, convention literature, and other parts of the program.

The two Memphis Chapters, Theta and Delta Zeta, along with the Memphis Alumni Association, held their Founders' Day banquet March 9 at the Holiday Inn Rivermont. Dr. Paul Blount (EN-Georgia State), ΠKA National Historian, was the main speaker. Over 200 guests enjoyed the evening's events.

Joint Founders' Day ceremonies were held by the St. Louis Alumni Association, Alpha Nu and Epsilon Iota Chapters, and the University of Missouri-St. Louis Colony. University of Missouri at Rolla Chancellor Dr. Merl Baker was presented a copy of the HISTORY for the school's library. An impressive candlelight ceremony was held for the 300 ΠKA's and guests present. Charles L. Freeman (BA-Wash. Univ.), former ΠKA National President, was featured speaker, along with Dean McNeal (ΑΩ-Kansas State), Executive Vice President of the Pillsbury Company. Several men from the Colony at Southwest Missouri State College also attended the event. A proclamation issued by Southeast Missouri State College President Mark Scully designated March 1, 1968 as "Pi Kappa Alpha Day" on campus. Extensive news coverage marked their Centennial observance.

Zeta Gamma Chapter on the Eastern Illinois University campus held a banquet with 300 parents, guests, and ΠKA's in attendance. The night was highlighted with speeches by Quincy Dounda, EIU President and Charlie Freeman. To top off the celebration, Zeta Gamma conducted its first ΠKA Invitational Basketball Tournament, which was held in conjunction with Epsilon Iota, Epsilon Beta, and Beta Eta Chapters. All profits went to the March of Dimes.

R. H. Clark (AT-Utah), past ΠKA National Vice President and All-American football player, gave the address at the joint Founders' Day celebration of Alpha Xi Chapter and the Southland Hall Alumni Association in Cincinnati.

The University of Mississippi held its Founders' Day banquet Sunday, March 3. Dr. James D. Hardy (ΓA-Alabama) was the keynote speaker. During the ceremonies a list of resolutions were adopted commemorating the late Earl Watkins, an alumnus of Gamma Iota and former Executive Director.

Gamma Theta, at Mississippi State University, held its banquet in honor of the first initiates of their chapter. Brad Dye, Jr. (ΓI-Mississippi), Director of the State of Mississippi Agricultural and Industrial Board, was guest speaker.

Gamma Upsilon's Founders' Day observance was a memorial to the late Dr. Oliver S. Hodge, former State Superintendent of Schools for Oklahoma. Local ΠKA's turned out in droves to celebrate the 100th Anniversary of the Fraternity. Alumni attendance was up 60% from last year, as nearly 100 people attended the social hour and dinner. Joe C. Scott, former ΠKA National President, gave an inspiring message, followed by a hilarious speech delivered by Pat Pugh, who came to the festivities with Brother Scott. The event was enlivened by awarding door prizes, and pledges sold raffle tickets in an effort to help raise money for a color TV.

Pictured above right is the Gamma Theta Chapter House decorated in honor of IKA Centennial. Centennial Commissioner Dick Bills (below) joins in the fun at Epsilon Gamma's Founders' Day.

Richard L. Evans, past president of Rotary International and an AT alumnus, was guest speaker at the Utah event. Fifty-year membership certificates were awarded in conjunction with the celebration.

Both Western Kentucky's Founders' Day activities, which took place March 1 at the Manhattan Towers, and the San Fernando Valley State College celebration were well-covered by both the local and school newspapers. Jack Shippman ($\Delta\Delta$ -Florida Southern), vice president of Shoppers Charge Service, was featured speaker at the Zeta Epsilon event, while the San Fernando Pikes shared a birthday cake and good cheer with the other Greeks on campus. Their dinner was highlighted by guest speakers Dr. Louis A. Breternitz, Zeta Omicron adviser, and Boyd Olsen, former SMC of Alpha Tau Chapter.

The Seattle Alumni Association highlighted its ceremonies with the presentation of the "Everett Fenton Award" to Herbert Metke (BB-Washington) for his outstanding qualities of leadership to the fraternity and community.

Gamma Epsilon Pikes and the Logan, Utah Alumni Association sponsored a joint Founders' Day banquet March 1, with 130 local IKA's and guests in attendance. Pi Kappa Alpha was the first national fraternity on the Utah State campus.

Gamma Chi's Founders' Day activities coincided with the beginning of construction on its new chapter house

which the chapter hopes will be completed next year.

Garth Grissom ($\Delta\Omega$ -Kansas State), IKA National Counsel, was guest speaker at the joint Founders' Day celebration of Delta Omicron, Delta Chi, Zeta Delta, Alpha Phi, Gamma Nu, and Gamma Beta Chapters, of which Delta Omicron was the host chapter. More than 170 IKA's attended the festivities which were held at the Hotel Kirkwood, Des Moines, Iowa.

The Grand Ballroom of the University of Kentucky Student Center was the setting of the Founders' Day celebration attended by Kappa, Omega, and Alpha Lambda Chapters, with representatives of Epsilon Lambda, Zeta Epsilon, and Alpha Kappa Pi local also in attendance. Senator John Sparkman ($\Gamma\Lambda$ -Alabama) and former Kentucky Governor A. B. Chandler (K-Transylvania) shared the spotlight as both gave inspiring speeches to the 350 Pi Kappa Alphas and guests present.

As can be seen from the foregoing Founders' Day reports, the undergraduate members and alumni of Pi Kappa Alpha held the largest, most significant Founders' Day celebrations in the history of our Fraternity. Obviously, every chapter and Alumni Association worked diligently to make its individual celebration a success. The large number of clippings received by the Memorial Headquarters was a good indication that Pi Kappa Alphas all over the country were successful in telling the world of our Fraternity's 100th Anniversary.

Thomas Jefferson

The University of Virginia

and

PI KAPPA ALPHA

By PAUL G. BLOUNT, Ph.D.
National Historian

*Dr. Paul G. Blount (EN-Georgia State),
PiKA National Historian.*

As Pi Kappa Alphas move into their centennial year, they should become more aware of the origins of their fraternity. As they move nearer in time to the Leadership School at the University of Virginia, in August, 1968, and to the national convention which follows at Richmond, Pi Kappa Alphas are more aware that the lines: "It was down in old Virginnny where Pi K A began" is more than a convenient poetic statement.

In having its origins at the University of Virginia in 1869, Pi Kappa Alpha owes a debt to Thomas Jefferson, the third president of the United States, who for his epitaph chose to be remembered for these three creations: author of the Declaration of American Independence, of the statute of Virginia for religious freedom, and father of the University of Virginia.

It is futile to argue the effect of environment; on the other hand, it would be unrealistic to argue that there is no effect. Certainly the Founders of Pi Kappa Alpha—Frederick Southgate Taylor, Littleton Waller Tazewell (Bradford), Julian Edward Wood, James Benjamin Sclater, Jr., Robertson Howard, and William Alexander—were well aware of the fact that they were of *the University*. The ideals of Thomas Jefferson motivated them; perhaps his own prose style influenced their elegant style reflected in the preamble of Pi Kappa Alpha. Ideals of Jefferson and of the Founders live on today, no matter how much the fraternity has grown and changed since those first days of the founding. What were the ideals—these Jeffersonian principles which have been a part of the mainstream of thought of Pi Kappa Alpha and are still admirable principles to motivate leaders of the fraternity today,

First of all, Mr. Jefferson was an aristocrat of the new America who, throughout his life, in this country and abroad, mingled with the best minds and best families of two continents. His mother had been a Randolph, of an old aristocratic family of the Virginia lowlands. Yet his father, Peter Jefferson, was of Albemarle County, then frontier wilderness of Virginia, and from him Jefferson

got a fierce liberalism in politics that made him unafraid of change.

Jefferson was an idealist and his example fosters idealism. He left the practice of law because lawyers "question everything, yield nothing, and talk by the hour." He was to declare: "I have sworn upon the altar of God eternal hostility against every form of tyranny over the mind of man." An elder son, he got passed in the Virginia legislature laws that were not in the interests of oldest sons of prominent families. He revised the penal code of Virginia; he got passed a law prohibiting future importation of slaves.

All his life he was a scholar. His relaxation, in high office, was to read Greek. He knew Latin, French, Anglo-Saxon, and in his youth he studied Gaelic, in order to be able to translate the Ossian poems (which later proved fraudulent; Jefferson wrote the perpetrator of the fraud, MacPherson, for the originals!). He had knowledge of, and in a practical way made use of, mathematics and science.

He was of strong character. At the same time, he loved good living and social pleasures—he was an expert at dancing and music; he spent so heavily on dress and fine horses during his first year at William and Mary that he censured his own extravagance in an accounting to his ward. It is of credit to Jefferson that in an age that had an almost psychopathic addiction to gambling—the gentry of Williamsburg were no exception—Jefferson never played cards and never gambled. Although he welcomed intellectual debate, he could later boast that he was never part of a personal quarrel.

Jeffersonian principles—and his example—motivate a strong interest in community affairs (an example lived up to by early leaders of Pi Kappa Alpha.) The year 1779 saw Jefferson governor of Virginia; in 1783, he was in the Continental Congress, where he was the prime mover in founding the present U. S. monetary system. The years 1784-1789 were spent in France; the last four years he was a minister. In 1789 he became the

first secretary of state in Washington's administration. In 1796 he was elected Vice President of the United States, when John Adams became the second president. In 1800, Jefferson became the third president, after his old antagonist, Alexander Hamilton, threw his support to Jefferson when Jefferson and Aaron Burr had tied the vote. As president, Jefferson initiated the Louisiana Purchase which expanded the boundaries of the United States. The Lewis and Clark expedition to the Pacific under Jefferson's direction, would further extend his country's boundaries. He refused a third term as president, following Washington's example, and returned to Charlottesville to his beloved Monticello ("Little Mountain"—a word of Jefferson's own coinage)—the home he had built and overseen with loving care in his youth.

At the close of his life, Jefferson returned also to a passion of his youth—education. The University of Virginia became "the passion of his old age."

By 1825, one year before his death, the University of Virginia opened its doors with an enrollment of sixty-eight students. Although the University would change, Jefferson's dream had been realized.

He had a great impact on the students of the University. At his death, one student wrote:

I never saw young men so deeply affected by any circumstances in my life—Most of us had been personally acquainted with Mr. Jefferson and had experienced in his house that hospitality which he so liberally extended to every one who visited him, our grief for him therefore was not of that vague kind which we feel for *great* men who have been beneficial to their country but with whom we had no acquaintance—we felt for him as for a friend, as for the father of this institution over which he had ever watched with parental solicitude, (Elizabeth Cometti, *Jefferson's Ideas on a University Library*, Charlottesville: University of Virginia, 1950, p. 13.)

Certainly the Founders of Pi Kappa Alpha were aware of this heritage—an inheritance still keenly and proudly felt by alumni of the University of Virginia in 1968.

The Founders at Alpha chapter imitated Jefferson. Like him, they looked among "aristocrats" on the campus for new initiates. They were extremely selective and conservative in whom they initiated. Yet, like Jefferson, the Founders were aristocrats who accepted change: Epsilon chapter at Virginia Military Institute (then Virginia Agricultural and Mechanical College) was founded in 1873 to "polish diamonds in the rough." Aristocratic Alpha cooperated, and Alpha made many moves to expand the fraternity, knowing full well growth meant change.

The University of Virginia—Jefferson's University—was not an easy school. Intellectual standards were so high that often half of the students dropped out after the first year.

Recognizing the need for scholarship early in the fraternity, Founder Taylor moved that "each chapter" of the fraternity was to present "a golden prize" to the brother who "excelled his brother members in his studies." Taylor wrote Robert Adger Smythe in 1891:

Serpentine Wall, University of Virginia.

"Our members were always gentlemen and most of them ranked high as good students."

Jefferson's strong interest in community affairs is certainly reflected in the lives of the Founders: Frederick Southgate Taylor spent a long and useful life in business in Norfolk, Virginia; Littleton Waller Tazewell also served in business in Norfolk, Virginia; newspapers eulogized both men at their deaths for their services to the community. Julian Edward Wood lived out a useful life in his chosen profession of medicine in Elizabeth City, North Carolina. Robertson Howard was a distinguished lawyer in St. Paul, Minnesota. William Alexander served in insurance—Equitable Life—for more than sixty years and wrote ten books on the subject of insurance.

These Founders of Pi Kappa Alpha reflect the best traditions of their university and the man who founded it—Thomas Jefferson. His ideals and theirs are still there, to motivate us in this Centennial year.

Actors Wanted!

If you are an experienced actor, a would-be actor or just a stage devotee—and are going to Leadership School in August—here's your big chance!

Actors are wanted to play roles in the dramatization of "The Founding", to be presented to the big pre-Centennial Convention audience at the University of Virginia on Saturday night, August 24.

You can have a lot of fun playing Frederick Southgate Taylor or Corporal Julian Edward Wood, the V.M.I. flag bearer, or some other part in this Centennial play. Write and tell us about yourself and your stage or TV experience. Please give college address and summer address.

NOTES FROM THE NATIONAL HISTORIAN

Customs and Traditions at Mr. Jefferson's U. of Va.

Since we will be at Charlottesville, at the University of Virginia for Leadership School in August, some knowledge of traditions and customs there should be useful and interesting to all Pi Kappa Alphas who are aware of their heritage from Mr. Jefferson's University, where Pi Kappa Alpha was founded in 1868.

The following is a comment on customs from the *Jeffersonian*, a publication printed annually by the University of Virginia YMCA—Daniel L. Gibbes, (Ξ, South Carolina), is faculty advisor:

UNIVERSITY CUSTOMS. Entering students are accepted as individuals with dignity and serious purpose. University students have never practiced nor condoned hazing as a device for inducting incoming students into the customs and traditions of University life. A sincere, mature, and dignified friendliness prevails between student and student and between students and faculty. Students accept as natural the traditional custom here of speaking to those they know or recognize. This is not a snobbish impersonal custom but one that is quite natural for communities of the size and composition of the University.

GREETINGS. "Gentlemen" is the universal mode of address. When passing a group of students, when sitting down at a table or upon entering a room with others, it is customary to use the greeting "Gentlemen". A professor is never addressed as "Professor". He is called "Mr.", or if a Ph.D., either "Mr." or "Dr." according to his particular preference.

UNIVERSITY TRADITIONS. *The three most influential traditions prevailing in University life today are: 1. a deep and abiding respect for the individual and an insistence that the individual accept responsibility for his decisions and actions, 2. an un-*

mistakable emphasis and insistence upon the individual accepting the honor system as a way of life, 3. an emphasis on good taste and good manners.

COATS AND TIES. Several generations of University students have accepted and passed on to their successors the tradition of wearing *coats and ties* to class and in other appearances about the Grounds. The tradition is not based on a slavish love for an outmoded past, but is rooted in the belief that to dress neatly and acceptably for any occasion is a sign of individual maturity, self discipline, and good taste.

The following is student slang, quoted from the *Jeffersonian*:

ALL-NIGHTER. To stay up all night studying is to have an "all-nighter."

BAD INK. A letter from home.

DOWN THE ROAD. A road trip whose destination is a girls' school; To Roll and Roll 'em—other terms with identical meaning.

FIRST YEAR MEN. The term "Freshman" is never used in referring to undergraduate students who are in their first year at the University; the term "First Year Men" is always used. (The terms "Sophomores," "Juniors," and "Seniors," are never used in referring to upper-classmen.)

FRESHMAN. A term that has come into use in connection with athletic teams; e.g., one speaks of Freshman Football team.

GRADES. Grades are identified as follows: Ace for "A"; Bag for "B"; Hook for "C"; Dog for "D"; Flag for "F". Zip is an imprecise term used to indicate either a zero or a very low grade on a quiz. Zip seems a successor term for Bust of another student generation.

GRADUATE. Never used as a verb. One may be a graduate of the University, but he does not graduate; he takes a degree.

GROUND. The University Grounds are never called "campus".

LAWN. "Lawn" is what at places where they say "campus" would be called "quadrangle." "Quadrangle" is never used.

MAMMA NEWK'S. Newcomb Hall, especially the dining areas.

MR. JEFFERSON. The accepted way to refer to the University's founder and Charlottesville's and Albemarle's most distinguished citizen.

POODAH. Helpful or correct information that will help in preparing for quizzes and exams; i.e. old quizzes. Poodah is probably derived from expressions: "correct poop" or "hot poop".

ROACH. A car; used interchangeably with Wheels.

SHAPED UP. One is "shaped up" when they make a good appearance and conform to the customs and traditions of the University; shape-up session—a gathering of fraternity pledges for the purpose of instruction.

TEAM. Term used to denote groups of people engaged in a single activity—"Tube team," "Flick team."

THE UNIVERSITY. The term used by students, faculty, and alumni when referring to the University of Virginia.

TWEED. (noun) A person who maintains an expensive wardrobe; super-tweed, (superlative); Tweedy (adjective).

The December issue of *Shield and Diamond* carried an article about "Chicken Little" (a miniature apartment) and the "annex" (a two story house) at Vanderbilt — privately owned in the midst of the campus on fraternity and sorority row. The owner, Mrs. Rita Templeton, resisted offers from Vanderbilt to sell the property needed for expansion of the university. Her decision was important to members of Sigma chapter at Vanderbilt because for a long time Mrs. Templeton had rented the property to Pi Kappa Alphas only and a tradition was established.

At the first of the year, Mrs. Templeton died of cancer and her heirs have now sold the property to Vanderbilt. Pi Kappa Alphas will be allowed to remain in Chicken Little and in the annex until the end of this academic year; then the houses will be torn down and the area will probably be made into parking lots.

"Chicken Little" and the Annex will exist then only in the memory of Pi Kappa Alphas at Vanderbilt. And another tradition vanishes.

Headquarters

Hosts Open House in Celebration of 100th Anniversary

The Pi Kappa Alpha Memorial Headquarters in Memphis was the setting of an open house Friday, March 1, 1968, in celebration of the Fraternity's 100th Anniversary.

Executive Director Garth Jenkins (ΓΦ-Wake Forest) and the staff of the Memorial Headquarters were hosts for the occasion. Refreshments were served from 4 to 6 p.m., and guests were given a tour of the building, where posters and brochures encouraging attendance at the 1968 Leadership School in Charlottesville and the Centennial Convention in Richmond, Virginia, were prominently displayed. Samples of promotional materials concerning the Convention were available to all guests.

A large gathering of local PiKA's together with various business and civic leaders attended the event.

Also present were Joe Neeley (Zeta - Tennessee), PiKA District President #13; and William Crosby (ΑΙ-Millsaps), former PiKA Assistant Executive Director. Delta Zeta and Theta chapters located in Memphis were also well represented.

Special guests included Miss Louise Horn, Executive Secretary of Phi Mu Sorority, along with other administrators from the Sorority's National Office which is also located in Memphis. The Deans from Southwestern University, Mrs. T. E. Watkins, wife of former Executive Director Earl Watkins, and Mrs. Paul Isbill, former assistant to the editor of the *Shield and Diamond*, were also able to attend.

Several telegrams and letters from various chapters and other Fraternity and Sorority National Headquarters were received congratulating Pi Kappa Alpha on its 100th anniversary.

Receptionists (l to r) Micki Hargis, Chris Roberts, & Donna Visconti.

PI KAPPA ALPHA GAINS THREE NEW CHAPTERS ON 100TH ANNIVERSARY

Perhaps of all the activities taking place in conjunction with our Fraternity's 100th anniversary celebration, among the most significant were the installations of three new Pi Kappa Alpha Chapters. The installation of these "Centennial Chapters", ZΠ (Univ. of South Florida), ZP (Univ. of North Dakota), and ZΣ (Florida Institute of Technology), on March 1, 1968, brought the total number of active undergraduate chapters in our Fraternity to 142.

Zeta Pi Centennial Chapter at the University of South Florida, Tampa, was officially installed March 2-3, 1968. Conducting the initiation and chartering ceremonies were John Horne, ΠΚΑ National Treasurer; James K. Mueller, Assistant Executive Director; Colonel Kermit J. Silverwood, President, District #9; and Initiation Teams from the University of Florida (ΑΗ), Florida State University (ΔΑ), and Stetson University (ΔΥ).

Chartering ceremonies began with the initiation of 42 undergraduate colony members on Saturday, March 2. Three outstanding Florida citizens were also initiated at this time: Paul Antinori, State Attorney; Dean Young, Co-Author of the "Blondie & Dagwood" comic strip series; and Robert Grindley, Coach of the USF Swim Team. Two Pikes who transferred to USF and who helped the colony to obtain its charter, Don Crank (ΔΟ-Drake) and John Smith (ΑΗ-Florida), were also made charter members of the chapter.

On Sunday morning the ceremony continued at the Forest Hills Methodist Church where John Horne presented Pete Kenning, President of Zeta Pi, with a Centennial Charter. Afterwards, the new brothers were told the true meaning of the symbols and ritual of Pi Kappa Alpha.

The official chartering ceremony and Founders' Day banquet were held at the University Center Ballroom at USF Sunday afternoon. Among the many distinguished guests present were: Dr. & Mrs. John S. Allen, President of USF; Dr. & Mrs. Herbert J. Wunderlich, Vice-President of Student Affairs; Dr. & Mrs. Charles M. Wildy, Dean of Men; and Dean of Women, Margaret Fisher. Representatives

from the various sororities on campus and officers of the Tampa Bay ΠΚΑ Alumni Association were also present.

The banquet program included the presentation of gifts to Zeta Pi and the Initiation Teams, special certificates to Alpha Eta and Delta Lambda, and a showing of the color film "Join the Virginia Adventure". Master of Ceremonies Pete Kenning and guest speaker John Horne shared the spotlight for the program.

The brothers of Zeta Pi are confident that the rest of the year will be a continuing success as more Pikes assume key roles in campus activities. The men of the new chapter all agreed, "It is a great honor for us to know that Zeta Pi Centennial Chapter has been an outstanding addition to the 'Greatest National Fraternity'."

Among the various activities which preceded the installation of Zeta Rho Chapter at the University of North Dakota, Grand Forks, was the arrival of the initiating teams from (ΑΦ) Iowa State and (ΔΟ) Drake. Friday evening, March 1, the initiation of individual members began. By midnight all 28 men had been initiated into the bonds of brotherhood.

The next day the chapter moved to a local church where official

presentation of the charter and installation of the Chapter took place. The group then returned to the chapter house to prepare for their first Founders' Day banquet, which held special meaning for the 28 men of Zeta Rho. The banquet was held at the Westward Ho Motel, where several speeches were given by distinguished guests. A. Wellborne Moise, ΠΚΑ National Alumni Secretary, delivered the main address.

Moise extended to the men of Zeta Rho a challenge to become the number one fraternity chapter, both on campus and nationally. He then challenged them to look to the future and to work with spirit toward the goals each man has set for himself. Brother Moise stated that the new initiates had taken a giant step—a truly great step—but one that is only minute in comparison to those yet to be taken.

Layne O'Neill, colony president, received the first chapter award as Outstanding Active, while newly initiated John Hovel captured the Outstanding Pledge Award. Awards were also presented to Brother O'Neill and George Gagnon for their outstanding service to the colony, and to ΠΚΑ Field Secretary Bernie Basch for the help and encouragement he accorded the chapter during their colonization period.

Two special plaques were received by the men of Zeta Rho—the first was engraved with the ΠΚΑ Crest, and was presented by their Dream Girl on behalf of the Pikettes; the second was engraved with congratulations from the men of (ΓΨ) Louisiana Tech.

The Chartering formal Saturday evening brought to a close the festivities. The men of Zeta Rho all agreed it was a fitting conclusion to a special weekend that bonded them together in the true meaning and worth of brotherhood.

Zeta Sigma at the Florida Institute of Technology in Melbourne became the 142nd chapter of Pi Kappa Alpha during an exciting celebration on Founders' Day. When they became a colony on October 15, 1967, the men of FIT answered the challenges facing them and proved to all that they were ready to become brothers in Pi Kappa Alpha.

Alpha Chapter at the University of Virginia in Charlottesville, birthplace of Pi Kappa Alpha, commemorated the 100th anniversary of the Fraternity in Founders' Day ceremonies March 1 and 2, 1968.

The celebration began Friday at the University with a reception from 4:30 to 6 p.m. at Alumni Hall. Approximately 250 people attended including University officials, student and civic leaders, and alumni from throughout the Old Dominion. A banquet followed at the Thomas Jefferson Inn in Charlottesville, with Donald Dickson, PiKA National President, serving as featured speaker.

Saturday was highlighted by a dinner and dance at Richmond's John Marshall Hotel, which will be the site of the 1968 Centennial Convention in August. The celebration was a state-wide affair, with all active chapters from District IV, as well as the Richmond Alumni Association, participating.

Among the over 200 guests present for this occasion were Senator William Spong Jr. of Virginia, an active alumnus of the Fraternity; Co-Chairman of the Centennial Commission Andrew H. Knight; 1968 Centennial Convention Chairman, Sam H. Flannagan; and District President #4, R. A. "Buster" Bynum. Brother Dickson again delivered a Founders' Day address.

In other Founders' Day ceremonies near Charlottesville, Andrew H. Knight and Douglas B. Gregory, president of Omicron chapter at the University of Richmond, placed a wreath on the grave of Founder James Benjamin Sclater Jr. in Hollywood Cemetery.

During special ceremonies at the Friday night Banquet, Donald Dickson, in honor of the founding of Pi Kappa Alpha on the University of Virginia campus, and on behalf of the Supreme Council and all brothers of PiKA, presented to Edgar F. Shannon Jr., President of the University of Virginia, a priceless gift of four original manuscripts relating to the University's early history.

The manuscripts, which were first

presented to Pi Kappa Alpha by Brother Dickson's father, Robert E. Dickson, were all written from the University of Virginia, and are enumerated as follows:

1. July 20, 1827, John Lewis to his wife Jean W. Lewis, Spottsylvania County, Virginia; the oldest known cover in existence from the University;
2. A cover dated December 30, 1838—a letter from student R. B. Gooch to his father, Col. C. W. Gooch, Postmaster, Richmond, Virginia, describing the Christmas season spent at school;
3. A cover dated January 15, 1841—a letter from George B. Conway to his friend B. Taylor Thornton describing his "tickets" in Ancient Languages, Natural Philosophy, and Mathematics;
4. A November 1, 1854 record of daily attendance in class sent to R. T. Taylor, Esq., of Port Gibson, Mississippi, on behalf of A. B. Taylor, student, who was never absent.

Brother Dickson asked that these covers be displayed in the Interfraternity Council Room during the ensuing six months, and that the letters be studied for historical value and details.

President Shannon, in turn, gave the manuscripts and the text of the

presentation speech to the Curator of Manuscripts at the University, so that they may be permanently preserved in the archives of that institution. During the anniversary period of Pi Kappa Alpha, the curator has arranged for special exhibits in the Alderman Library and in the Interfraternity Council Room that PiKA redecorated as a Centennial gift to the University.

These exhibits will be of special interest during the PiKA Leadership School, which will be held on the University of Virginia campus August 21-25.

Dean Runk of the University then accepted the next presentation from Dickson, which were the pictures of PiKA's six Founders. The pictures of the Founders, recently restored by the Fraternity's Centennial Commission, served as Pi Kappa Alpha's commemorative gift to Room 47, West Range, where they will remain as a permanent memorial to the very beginnings of the Fraternity.

Following the presentations, a speech was given by Brother Dickson, in which he paid homage to the Founders, and in which he cited the greatness of Pi Kappa Alpha today.

Among those seated at the head table at the Richmond Founders' Day celebration are: (l to r) Senator William B. Spong Jr.; Centennial Commission Co-Chairman Andrew H. Knight; Mrs. William R. Rock; IIKA National President Donald Dickson; and R. A. "Buster" Bynum, President of District #4.

This is the "anticipated" year, month, and day when we realize 100 years of existence; a dream becomes fact—we have reached the Century Mark—it is now.

FOUNDERS' DAY ADDRESS MARCH 1, 1968 UNIVERSITY OF VIRGINIA

PRESENTED BY
PI KAPPA ALPHA
NATIONAL PRESIDENT
DONALD E. DICKSON

At this particular moment—the now—the today—the year of our Lord one thousand-nineteen-hundred and sixty-eight—we pause to pay homage to those who have gone before.

This is the anticipated to—year, month, and day when we realize 100 years of existence; a dream becomes fact — we have reached the Century Mark — it is now.

At this particular moment, let us all take justifiable pride in our reputation and tradition and proclaim a victory over time and events and circumstances. Vive la IKA!

Perhaps it has never occurred to you, but I think it is interesting to note that over these 100 years, Pi Kappa Alpha's have initiated more than two men *every* day, or one man for *every* 11 hours of our Fraternity's life.

However, allow me to temper that pride and boast and ask each of you — is it enough? Our reputation and our tradition and our longevity? I submit to you, after thousands of miles of travel and thousands of Fraternity and University contacts—no! No; not if we are to achieve a realistic semblance of the greatness we claim for Pi Kappa Alpha.

Greatness, in an institution today, depends upon its responding with vigor and relevance to the needs of its day, when it is holding itself up to unsparing standards of performance, and when its morale and vitality are high.

This, then, is greatness.

Is Pi Kappa Alpha great? Do we fit the aforementioned definition? I think not. Except, in the too-rare instance when a group of brothers in all too-few chapters are bound together in an all-out pursuit of excellence, and succeed, do we achieve the elusive greatness we all desire.

We were founded these 100 years ago at this university, itself marked for greatness by its founders, by

undergraduates. The ideals are the same, the goals are the same, and it still remains primarily an organization for the undergraduate. When greatness, and it is not unobtainable, comes to Pi Kappa Alpha—in total—it will come on the thrust of undergraduate enthusiasm, desire, ambition, and search.

Ron Moore, SMC of Alpha Kappa Chapter, recently wrote: "The traditions and ideals of Pi Kappa Alpha are the building blocks of the Fraternity's success. The day they are lost from sight will most certainly be the day the Pi Kappa Alpha Fraternity becomes a forgotten institution. Therefore, let us, undergraduates and alumni, look forward to the upholding of the traditions and status of Pi Kappa Alpha. Let us establish 'friendship on a firmer and more lasting basis'. Let us promote 'brotherly love and kind feeling'. Let us continue to 'successfully accomplish our object'."

From those building blocks has arisen a monument of 79,000 souls from the beginning six; from one chapter to 142; from a tiny spark to a great light of promise.

If that promise is today to be realized to its fullest potential and the mantle of greatness is ever to be placed on $\Phi \Phi \kappa \alpha$, then it is for you, the undergraduates, to echo the demand of your leadership to meet the needs of your day on this campus and 141 like yours, to uphold rigid standards of dignity and morality, and to charge into the future with vigor and vitality in the search for excellence.

What else is worthy of your time and effort?

History tells us much, and tonight ghosts of the past walk the "grounds"—listen with me, if you will, to the sounds of greatness they have left in the March winds: one of the immortal six (history does not tell us which one) states—"Then let's form a Fra-

ternity"; as early as 1887 in Louisville the Iota delegate insisted that—"We do not limit the latitude nor longitude of place where we may establish chapters."; Howard Bell Arbuckle describing Theron Rice at the Junior Founders' meeting in 1889—"He stirred the hearts of all present as he told why we had come together to save the life of our Fraternity"; On this date, March 1, 1890, three seldom thought of brothers joined with Theron Rice to formally re-establish the silent Alpha Chapter—their names? Joe McAllister, Frank Magruder, John W. Fishburne; however, listen to Free Hart as he talks of service—"The challenging appeal of Pi Kappa Alpha always centers in the great amount of services rendered without compensation by many of its loyal alumni, often without recognition or honors."; Robert H. Webb coined a phrase in 1900 that lives today—"Pi Kappa Alpha means congeniality based upon character."; in May of 1910 northern extension (or expansion as we know it) began at Cincinnati because of the motion of John W. Hudson: "Active chapters shall be confined to reputable colleges and universities throughout the United States."; William Alexander stated our principle:—"The spreading oak upon which we look today with wonder and pride could never have grown from the seed of any weed."; the dramatic moment during his farewell address when Robert A. Smythe struck the hearts of every brother with his plea "To preserve this grand old Fraternity."; and my beloved contemporary, Earl Watkins, telling me on these very "grounds":—"I live for Pi Kappa Alpha. I would die for it."

From these voices of the past, we return to today. Tonight we are over 79,000 strong. Tonight we will add three new Centennial Memorial chapters at the University of North Dakota, the University of South Florida, and the Florida Institute of Technology. Tonight we will symbolically relive the spirit of the founding with the initiation of six new brothers into Alpha Chapter.

Pi Kappa Alpha has been placed into your trust with true faith and love, it has been nurtured and preserved through every hardship imaginable, but it has been worth it to

them all for they know that one day you too will know:

*"There is a destiny that
makes us brothers,
None goes his way alone.
All that we pour into
the lives of others,
Comes back into your own."*

What else—what else is worthy of your time and effort? Nothing if you are truly embraced in the bonds of $\Phi \Phi \kappa \alpha$.

Gentlemen, I give you your Fraternity. Thank you.

THREE NEW CHAPTERS

Continued from page 13

Initiation took place late in the evening of March 1, with Harry W. Steele, $\Pi \kappa \alpha$ Director of Housing & Chapter Finance, supervising the ceremonies. Brothers from ($\Delta \Delta$) Florida Southern and ($\Gamma \Omega$) University of Miami provided the Initiation Teams. Both of these chapters were presented with Outstanding Service Awards for their part in the creation of Zeta Sigma.

On Saturday, March 2, the formal installation of the men began. Presiding over the occasion was Garth Grissom, $\Pi \kappa \alpha$ National Counsel. Other participants were Brother Steele, Carl W. Bollum, Sr., President of the Cape Kennedy Alumni Association, Richard A. Lawrence, Jr., Alumnus Counselor, and the men from Delta Delta and Gamma Omega. Many of the school's top administrators were initiated into Zeta Sigma, including Dr. Jerome P. Keuper, President of FIT; Dr. John Edward Miller, Vice-President for Academic Affairs; Mr. Ray A. Work, Jr., Dean of Student Affairs; and Mr. William H. Rose, Director of Student Activities.

Following the ceremonies, pictures were taken and interviews were given to local newspapermen. The Centennial banquet took place later that evening with Carl Bollum as master of ceremonies. 25 and 50 year certificates were presented to various qualified alumni present. William Osborne, President of Zeta Sigma, delivered a speech on the chapter's progress in the last year; then presented Brothers Bollum and Lawrence with Distinguished Service Awards.

The movie concerning the Pi Kappa Alpha Centennial Convention at Richmond this August was shown by Brother Steele, who later presented to the chapter its gavel and ballot box. Garth Grissom, guest speaker for the occasion, gave an inspiring message about the true meaning of Pi Kappa Alpha. The brothers closed the celebration by singing "The Dream Girl of $\Pi \kappa \alpha$."

HEARS DICKSON, CITES ALUMNI

By LEIF ROBERTS (EII, Sam Houston)

One hundred seventy-eight Pikes attended the annual convention of District 23 of Pi Kappa Alpha at the Student Union Building of the University of Houston on Saturday, the 9th of March. Eight chapters were represented: Alpha Omicron, Southwestern University; Beta Mu, The University of Texas; Epsilon Eta, University of Houston; Epsilon Kappa, Lamar Tech; Epsilon Omicron, Stephen F. Austin; Epsilon Pi, Sam Houston; and Zeta Theta, Southwest Texas. The meeting was a high success. The morning workshop was excellent. The volleyball tournament was competitive. The banquet was inspiring. The highlights of the convention were the Kickoff Session and the banquet. Chief Justice Spurgeon E. Bell (BM-Texas) of the First Court of Civil Appeals in Houston brought a message highlighting the values through life of being a member of Pi Kappa Alpha. Don Dickson, National President, brought an inspiring address to the banquet on "The Second Hundred Years Challenge". In this address, Brother Dickson graphically pointed out the problems facing Pi Kappa Alpha and the entire Greek world for the next hundred years. He emphasized the individual responsibility of every member of Pi Kappa Alpha to meet these problems.

Another highlight of the convention was the recognition of distinguished Pi Kappa Alpha alumni. These citations included Chief Justice Spurgeon Bell, Beta Mu, for outstanding service in the field of Law; Cortland W. Davis, for extended, outstanding and loyal service as

Alumnus Counselor for Epsilon Pi at Sam Houston State; the Honorable Jack Ogg, Epsilon Eta, in recognition of his contribution to State Government as a member of the Texas Legislature. The awards were presented respectively by Don Flournoy, SMC, Beta Mu; Charles Brown, SMC, Epsilon Pi and Bill Sullivan, SMC, Epsilon Eta.

The Master of Ceremonies for the banquet was Giles Whitten, Epsilon Eta and President of the Houston Alumni Association. The theme of the convention was "The Next One Hundred Years". The assembly discussion focused on the changes to be expected and the responsibility of everyone concerned. Other awards at the banquet were: First Place Volleyball, Alpha Omicron, Southwestern, for the fourth straight year. Second Place Volleyball, Zeta Theta, Southwest Texas. Epsilon Omicron of Stephen F. Austin State and Epsilon Pi of Sam Houston State also received citations for their excellent work in support of the state-wide Muscular Dystrophy Campaign. Scholarship Awards were shown, and will be awarded when the National Interfraternity Council releases the official chapter standings for the year 1966-67. District 23 also gave an award to the University of Houston for its outstanding job as host of the convention. President Don Dickson congratulated District President Brick Lowry for the success of the convention.

At the Kickoff Session, Brother Dickson was presented a Silverbelly 3X Beaver Stetson hat as a present from Beta Mu of the University of Texas.

Chief Justice Spurgeon E. Bell (BM-Texas) the First Court of Civil Appeals at Houston is cited as distinguished alumnus of IKA in honor of his contribution to the profession of law. The presentation was made by National President Dickson at District #23 banquet, at the Univ. of Houston, March 9, 1968 (left). Don Dickson presents citation to the Honorable Jack Ogg (EH-Houston) in recognition for his contribution to State Government as a member of the State Legislature (center). Alpha Omicron receives trophy for winning 1st place in the Volleyball Tournament, from Dr. Wallace E. Lowry, District President #23 at D.P. Convention held in Houston March 9, 1968 (right).

THE PI KAPPA ALPHA COMMITTEE OF ONE HUNDRED

By K. D. PULCIPHER, *Secretary*
The Centennial Commission

One Hundred distinguished members of Pi Kappa Alpha form the Centennial Committee of 100, spearheading the 100th anniversary of the Fraternity.

Through the years, Pi Kappa Alpha has had the honor of counting among its membership scores of eminent educators, United States Senators and Congressmen, bishops, attorneys, surgeons, All-America football players, actors, playwrights, movie stars and producers, business executives and others who attained recognition in many fields.

Many of these men have been listed in *Who's Who* and similar directories of men and women of distinction. But before the computer age it was a costly and time-consuming task to keep current the Fraternity's personal information on some 60,000 living members.

One of the proposals in the first meeting of the Centennial Commission in 1964, however, was the compilation of a roster of living members who have attained careers of distinction. These men were to be named as outstanding examples of success in their chosen fields, examples which younger men might emulate in their own attainment of a successful life.

The undergraduate chapters were canvassed for names of outstanding members. Every chapter was checked and rechecked until it submitted its roster of outstanding men. Alumni chapters were combed for men of distinction. Alumni with wide Fraternity acquaintance were checked for names of distinguished IKA's.

Reference books and directories were carefully examined for clues to successful members. Hundreds of hours of research were devoted to the task of tracking down any suggestion that a man of prominence with a name similar to that on IKA records might be the same man. Literally hundreds who had risen to success in their own communities were identified as IKA's previously unrecognized. The result was a gratifying surprise.

From a card file of well over 1,000 names finally selected, the task of picking 100 representative leaders began. They represented some 40 different occupations and came from all over the United States and several foreign countries. The final selection was made by members of the Supreme Council, the Centennial Commission and the executive staff of the Fraternity's National Headquarters.

Each man received a personal letter from the National President, advising him of his selection. He was informed that there would be no meetings, as such, of the Committee of 100 (which appealed to many), that they would not be besieged with requests for time or money, but that they would be asked to do one thing: support, encourage and promote the observance of the Fraternity's 100th Anniversary.

In addition, they were urged to attend, if possible, the Centennial Committee of 100 Luncheon at the Richmond Convention on Monday, August 26. The entire Committee will be honored at that time and the speaker of the occasion will be Richard L. Evans, the "Spoken Word" of the *Mormon Tabernacle Choir*.

Among those on the Committee of 100 are four Federal judges, eight educators, nine eminent surgeons and physicians, two nationally known coaches, three editors, three high military officers, five outstanding bankers, six college presidents, eight high Federal, state or municipal officials, nine distinguished U.S. Senators and Congressmen, 17 Vice Presidents and 27 Presidents or Chairmen of the Board of nationally known companies, including Alcoa, General Motors, Allied Chemical, Georgia-Pacific Corporation, Esso International, American Smelting, Curtis Publishing, Montgomery Ward, Ingersoll-Rand, Campbell Soup, Anaconda Copper, Beneficial Finance, Coca-Cola, Arvin Industries, and Western Electric.

A handsome 24-page brochure containing pictures and brief biographies of the men who compose the Committee of 100 has been published. A copy can be obtained from Memorial Headquarters in Memphis. A copy will also be presented to each member of the Fraternity attending the Committee of 100 Luncheon in Richmond on August 26.

While the Committee of 100 brochure is not an all-inclusive "Who's Who" of IKA notables, it does present a careful cross section of men who today represent IKA leadership. The brochure itself is an interesting history of success. It was written largely by Richard G. Baumhoff, (BA-Washington Univ., St., Louis), former National Editor of *The Shield and Diamond*, retired editorial executive of *The St. Louis Post-Dispatch*.

I was asked as your National Music Director, to "Come up with something for a 'Centennial March'". My first thought of course was for a new set of lyrics, appropriately alluding to our first hundred years, etc. However, I'm not gifted poetically, and had to give this up. (Any poetic Pikes are

These we have known in col- lege days, we'll know them to the last.

Pi Kap-pa Al - pha High thy praise was sung in songs of yore:

herewith urged to attempt this, and all of us will be grateful, for we always need new and better songs!) I next sought to find the set of words we already had that I felt to be best suited for a *march*, (in this century, or the next) and chose these, as published in this issue with the music. Those who have our "Broth-

ers, Sing On" PiKA record (obtainable from National Headquarters for a special price this year of \$1.50) will recognize this as one of the songs, recorded on it. However, when I first wrote the song, we recorded it with more of the feeling to be found in the song "Exodus". This new arrangement is to be sung

in unison, at a march tempo, more like the feeling in the song "When Johnny Comes Marching Home".

So, Brothers, I hope this new song will be used and enjoyed by all, and learned by those who are coming to convention, where we will use it to "sound off" loud and clear.

PROJECT CENTENNIAL

PI KAPPA ALPHA'S QUARTER MILLION DOLLAR CHALLENGE FOR PROGRESS WITHIN REACH

Several years ago the Memorial Foundation, the Centennial Commission, and the Supreme Council made the decision to commemorate Pi Kappa Alpha's 100th Anniversary by having a one-quarter million dollar fund drive under former National President Ralph Yeager's (ΑΞ-Cincinnati) leadership. Part of this decision was based on the fact that at this important stage in our history we should not be content that our organization had become one of the foremost leaders in the fraternity world. Nor, could we be satisfied in the knowledge that Pi Kappa Alpha had produced more than a proportionate share of this nation's great statesmen and leaders in the fields of business, industry and education.

Instead the thought was, that we must look to the future and envision a broad new roll for Pi Kappa Alpha in the ever growing field of higher education. In order to insure a sound future, Project Centennial became a reality.

The major objectives of Project Centennial include:

- Greatly expanded programs of Scholarship, Student Loans, and Research Grants to be administered by the Memorial Foundation for the benefit of many deserving and needy PiKAs.
- Expansion of the Fraternity's administrative facilities to provide greater service and support to PiKA's 142 chapters and 79,000 members across the nation.
- Cultural contributions to honor Pi Kappa Alpha's founding and to insure that the rich heritage found in our past will not be overlooked in the quest for excellence in future attainment.

In order to accomplish these objectives the campaign was organized and chapter and city goals were set. Soon Chapter Chairmen were appointed and the Project Centennial Committee planned fund-raising trips to the major metropolitan areas throughout the country. These trips, through the capable leadership of Leo A. Hoegh (TN-Iowa), Advance & Special Gifts Chairman, proved to be highly successful.

The majority of our undergraduate chapters have voluntarily participated by contributing \$10.00 per man to this worthy endeavor. These chapters will be recognized and honored at our Centennial Convention for their participation in Project Centennial. To date, the results of this fund-raising effort have been most gratifying and have brought a total of \$234,580.00 to the Memorial Foundation.

SIZE OF MEMORIAL FOUNDATION DOUBLES THROUGH PROJECT CENTENNIAL EFFORT

The Memorial Foundation since the beginning of Project Centennial has shown tremendous growth as indicated by the increase of Diamond Life Members from 785 to 1678; Guardian Members from 29 to 82; and, Senior Guardian Members from 14 to 41. This indicates a total growth of over 2,200 Memorial Foundation members since the beginning of Project Centennial. Previous recorded high for Memorial Foundation memberships in a one year period was 410 in 1966.

DIRKSEN APPEALS TO NON-CONTRIBUTORS DURING RECENT VISIT TO MEMPHIS

During a recent visit to Memphis, at which time the progress of Project Centennial was discussed (see cover photo), Brother Everett M. Dirksen (ΔΣ-Bradley), National Honorary Chairman for Project Centennial, stated that our \$250,000 goal is clearly within reach. He appealed to those who have not yet contributed to Project Centennial to take advantage of this opportunity and send in their contributions in order that the most challenging task that Pi Kappa Alpha's Memorial Foundation has undertaken would be successfully concluded.

All checks should be made payable to the Pi Kappa Alpha Memorial Foundation and sent to 577 University Boulevard, Memphis, Tennessee, 38112.

JACKSONVILLE FIRST TO EXCEED 100% MEMPHIS AND NEW YORK

CONTINUE TO LEAD

The objectives of Project Centennial continue to be presented to alumni groups across the country. As a result, 33 of the 35 alumni associations with Project Centennial goals have now surpassed the 50% mark in pursuing their ultimate objectives.

Jacksonville, Florida, is the first city to exceed its goal by obtaining 108% of its aim. Memphis and New York City continue to lead all cities in total contributions. New York has realized \$11,560 of its \$15,000 goal, while Memphis lacks but \$900 to attain its \$10,000 objective.

Chicago, Birmingham, Los Angeles, Washington, D.C., Atlanta, and the Dallas-Fort Worth area alumni have all raised in excess of \$5000 for the development of Pi Kappa Alpha's programs of leadership, scholarship, and citizenship.

Leo A. Hoegh (TN-Iowa), Advance & Special Gifts Chairman, continues to be optimistic in stating that all cities are now in a position to reach their goals before the Centennial Convention in August. To contribute to your city's program, mail your pledge to Project Centennial, in care of the Pi Kappa Alpha Memorial Foundation in Memphis, and it will be credited to your city's alumni association.

The following cities are listed in order according to the amount of the individual goals which the local alumni have established.

Members of the Project Centennial committee including Edison B. Allen, Special Advisor; Leo A. Hoegh, Advance & Special Gifts chairman; and Wyatt A. Stewart, Project Centennial co-ordinator meet with National Editor Robert D. Lynn to discuss final plans for the Centennial campaign.

PROJECT CENTENNIAL SUPPORTERS

The names listed include only those whose contributions and/or pledges were received prior to March 25, 1968. Contributors of additional funds will be listed in the September SHIELD & DIAMOND.

COMMITTEE OF 100 CHALLENGES FRATERNITY TO REACH QUARTER MILLION DOLLAR GOAL BY RAISING \$40,000 AMONG ITS RANKS

Chester M. Brown (AN-Missouri), Chairman of the Board of Allied Chemical, recently announced that the Committee of 100 has already raised \$40,000 and hopes this will be a challenge to the rest of the Fraternity in helping to reach its total goal of \$250,000 as soon as possible.

It is amazing to think that 100 PiKA's most distinguished alumni have raised almost 20% of the Project Centennial Goal. The money will count toward a "Committee of 100 Scholarship."

Brother Brown and several members of the Committee of 100 decided that by establishing such a scholarship fund they would be able to lend leadership and support to the Fraternity's 100th anniversary commemoration.

Brother Brown has stated, "I believe that we as members of the 'Committee of 100' will be of real service to the Fraternity—and to many young men in the future."

TWO CHAPTERS BOAST CONTRIBUTIONS IN EXCESS OF \$8000 AS OTHER CHAPTER PERCENTAGES CONTINUE TO RISE

Alpha Tau (Utah) and Alpha Nu (Missouri) have made unprecedented gains in the amount paid toward their Project Centennial Chapter Goals, as each boasts over \$8000 in contributions to date. Zeta Alpha (General Motors Institute), Gamma Beta (Nebraska), Beta Chi (Minnesota), Gamma Nu (Iowa) are still on top percentage-wise, with over 200% of their goals realized.

Fifty-nine chapters have surpassed the 75% mark, while a total of 94 have achieved the half-way mark in their chapter goal contributions.

Encourage Project Centennial support and put your chapter over its goal by the Centennial Convention in August.

PiKA "Happy" Chandler Keynote Speaker at SEIFC

The Buena Vista Hotel in Biloxi, Mississippi, was the site of the annual Southeastern Interfraternity Conference held February 29-March 2, 1968. The University of Southern Mississippi was the host university, with Pi Kappa Alpha Michael Morris (ΔM-U. of So. Miss.) serving as SEIFC President.

PiKA's were in abundance as more than 300 undergraduate representatives from some 107 college interfraternity councils joined together with college administrators and representatives from over 60 national college fraternities to discuss every area of interfraternity responsibility.

A. B. "Happy" Chandler, (K-Transylvania) was a featured speaker at the Convention. The former Governor of Kentucky and past Commissioner of Baseball was the first recipient of the PiKA Distinguished Achievement Award. Brother Chandler recently was named a member of the University of Kentucky Board of Trustees.

Among the other notable banquet speakers were Louis Roth, 1968 President of the National Interfraternity Conference; Dr. Frank A. Rose, President of the University of Alabama; Dr. Darrel Troxel, Dean of Fraternity Affairs at Oklahoma State University; and Robert F. Bonitati, Northeast Regional Director of the National Republican Congressional Committee.

Mayor Daniel Guice of Biloxi "kicked off" the convention by presenting keys to the city to the featured speakers.

Panel participants at the SEIFC included two other PiKA's—Executive Director Garth Jenkins (ΓΦ-Wake Forest); and Tom Watson (ΔZ-Memphis State), former IFC President and undergraduate member of The National Interfraternity Conference Executive Committee and presently Student Union Program Director at Memphis State University.

Through seminars and panel discussions, outstanding undergraduate leaders of the fraternity world gained practical knowledge in the many varied phases of the college fraternity and interfraternity council operation and structure. In addition to sponsoring the annual conference, SEIFC publishes a monthly magazine, THE COMMUNICATOR. Leading fraternity executives, college administrators, and undergraduates contribute articles to this publication on all phases of fraternity operation and interfraternity involvement. THE COMMUNICATOR Convention Issue featured articles by two Pi Kappa Alpha's, Mike Morris and Tom Watson.

Luedke Elected Vice President Of N. W. Ayer Ad Agency

William J. Luedke, FP, a graduate of Northwestern with majors in journalism and economics, has been elected a vice president of N. W. Ayer & Son, Philadelphia advertising agency.

Luedke has been in the Ayer Plans & Marketing Department since 1951. Earlier he was with Lever Brothers where he was product manager of the Pepsodent division and active in the testing and development of new products. Before that he spent seven years with the O'Cedar Corporation, advancing to vice president in charge of advertising and sales promotion.

IKA TRIUMVIRATE

One of the three oldest living past national officers, J. Lorton Francis, (AX-Syracuse), now 78, sends word that he would like to attend the Centennial Convention but his health does not permit the trip to Richmond from his home in Fort Lauderdale, Fla.

J. Gray McAllister, (I-Hampden-Sydney), the oldest living IKA, is Honorary Chairman of the Virginia Centennial Committee, heading the great Centennial program during the current year. John U. Fields, (K-Transylvania), past Grand Secretary 50 years ago, is still active in IKA affairs.

Brother Francis, one of the famed triumvirate of Robert Adger Smythe, John R. Perez and Francis during the roaring 20's, was a charter member of Alpha-Chi at Syracuse University, where he graduated in 1913. Perez was Grand Princeps from 1917 to 1930 and Smythe was Grand Treasurer from 1889 to 1933.

Keenly interested in IKA from his chapter's petitioning days, Lorton Francis, a native of Hoboken, N.Y., began attending national conventions early and in 1920 was elected Grand Secretary, succeeding John U. Field. Francis served until 1929. He was an influential delegate to the National Interfraternity Conference from 1920 to 1932. He also was a member of the NIC Executive Committee and the expansion committee which sponsored the first national gathering of local college IFC's.

Francis was a communications engineer with the New York Telephone Company and held numerous important positions with that company until he retired in 1943. He and Mrs. Francis, who recently celebrated their 54th wedding anniversary, have lived in Florida since.

Mrs. Francis reports that Brother Francis is still interested in the many IKA activities about which she reads to him from *The Shield & Diamond* and frequently recalls the days when he was active on the IKA national scene.

Winners of J. Wayne Johnson Memorial Awards Announced

Winners of the J. Wayne Johnson Memorial Awards for outstanding leadership were announced Feb. 24, 1968, at the Memphis State-Loyola Basketball game. The first five recipients of the awards, presented by the MSU Alumni Association through its Annual Fund, were Barbara Hall, John Robilio (ΔZ -Memphis State), Linda Payne, Irene Barfield, and Steve deMontmollin, all students at Memphis State.

R. M. Robison, Executive Dean of Students and chairman of the awards selection committee, made the presentations. The winners received cash awards of \$100 and plaques of recognition for their achievements in outstanding leadership contributions to the university. Their names will be engraved on a perpetual trophy to be placed in the new student services building on campus.

Wayne Johnson, a member of Delta Zeta Chapter at Memphis State, was the school's first costumed Tiger mascot. The lieutenant died in a fiery helicopter crash May 30, 1967, while on a classified mission for the Navy in Arizona. A 1964 graduate of MSU, Johnson originated the mascot idea and, after designing the first uniform, served as mascot for three years, 1960-62.

While at Memphis State, Brother Johnson was vice-president of Pi Sigma Epsilon sales fraternity and received the outstanding senior award from Pi Kappa Alpha social fraternity. He also served as vice-president of PiKA.

On hand for the announcement of the winners were Mr. and Mrs. J. Clark Johnson of Memphis, parents of Wayne. Representatives of Delta Zeta chapter took part in the award ceremonies. Mr. and Mrs. Johnson, along with a group of PiKA alumni from MSU, presented a check to the MSU Annual Fund as the initial donation for the Johnson Award.

"Wayne was an active and involved student with a real dedication to Memphis State", said Wyatt A. Stewart, a Memphis State alumnus now associated with the PiKA Memorial Headquarters. "We are attempting to reward student participation of this type through the J. Wayne Johnson Memorial Awards."

A committee of alumni and administrative personnel acted as judges for the awards. Marty Bullard, Director of Publications & Alumni Affairs for the PiKA Memorial Headquarters, along with Brother Stewart, who is Co-Ordinator for Project Centennial, were on the awards committee and were instrumental in selecting the winners.

Contributors to the MSU Second Annual Fund, sponsored by the Alumni Association, may designate their donations to be used for the Johnson Award.

St. Louis Founders' Day Celebration included the following participants: (l to r) Duane D. Christensen, president, District 20-B; Dean McNeal (Speaker); William Richard Byron, president St. Louis Alumni Assn.; Jim Dollar, SMC Alpha Kappa; John Walker, SMC, Alpha Nu; Stan Herman, president St. Louis Colony.

William Hunter's Daughter Was First Co-ed in America

Seventy-five years ago this spring a young man of 16 was initiated into Zeta Chapter. He was 15 years of age when he entered the University of Tennessee in September of 1892—and when he entered the Chapter Eternal on June 27, 1966 at the age of 89 William Kennedy Hunter was one of the oldest members of Pi Kappa Alpha. "Bill" Hunter was born in Knoxville on October 3, 1876, the son of Thomas Conrad Hunter and Sophie Kennedy Hunter, members of two of the pioneer families in East Tennessee. The University was still under strict military discipline when Bill enrolled. It had been founded in 1794 as Blount College and was later called East Tennessee College and East Tennessee University before becoming The University of Tennessee in 1879. Bill roomed in old South College, the last remaining structure on "The Hill" today of what was once a group including also East College, West College, and Old College—where Ayres Hall now stands. Fraternity meetings were held in this dormitory (now used for classrooms and labs) and for this reason South College is dear to Zeta Chapter, which now has a beautiful new home in Fraternity Park. One of Bill Hunter's most cherished possessions was his 50-year Certificate of Membership in Pi Kappa Alpha. He graduated from the University in the Class of 1896 while still only 19. His widow is hostess at the Governor William Blount Mansion, which is the oldest frame house west of the Appalachian Range. Built in 1792, it was the home of the soldier-statesman and signer of the Constitution of the United States for whom Blount College was named. His daughter, Barbara Blount, was the first co-ed in America and her student days at what is now the University are memorialized by a women's residence hall named in her honor.

Edward J. MacCormack

The Pi Kappa Alpha Fraternity was saddened by the loss of a dedicated brother when Edward J. MacCormack (IT-Denver) passed away December 13, 1967, in Broomfield, Colorado.

Brother MacCormack, who was always very active in fraternal and civic affairs, was manager of the Broomfield Chamber of Commerce at the time of his death.

A proposal is now underway to name the baseball athletic field at Broomfield senior high school in memory of Brother MacCormack, in recognition of his work with the youth of that community.

Milo J. "Mike" Warner

Pi Kappa Alpha lost a loyal son on January 5, 1968, when Milo J. "Mike" Warner (AP-Ohio State) suffered a heart attack at the age of 76.

Brother Warner, noted Toledo attorney, achieved wide prominence when he became the National Commander of the American Legion in 1940. His multitudinous activities took him into high circles of the Ohio Republican party, made him an advisor to President Roosevelt in World War II, and introduced him to England's King George VI.

In 1918, Brother Warner was wounded in action in World War I in France for which he was awarded the Purple Heart and the French Legion of Honor. As Commander of the American Legion, he made speeches throughout the country, with preparedness for war as the theme of his appeals.

Always active in Pi Kappa Alpha, Brother Warner's extensive legal advice aided greatly in the transition of the ΠΚΑ War Endowment Fund to the Memorial Foundation. He was president of the Foundation at the time of acquisition of the land from Southwestern University on which the ΠΚΑ Memorial Headquarters now stands. Warner served as trustee of the Memorial Foundation from 1948-50, and as President in 1949-50.

The Fraternity honored him with its Distinguished Achievement Award, which is presented each year to the alumnus member who has made the most distinguished record in his vocation, profession, or field of public service, in 1941.

Brother Warner was active in civic affairs, including the Boy's Club of Toledo and the Toledo Area Council of the Boy Scouts.

The Brothers of Pi Kappa Alpha and all who knew him are saddened by his loss.

L. Theodore Bellmont

Pi Kappa Alpha lost a loyal son when L. Theodore Bellmont (Z-Tennessee), one of the founders of Beta Mu Chapter at the University of Texas, died December 27, 1967, in Austin, Texas.

Brother Bellmont had a rather illustrious career in the sports program at the University of Texas, serving as director of athletics there for 39 years. While serving in that capacity, he helped organize the Southwest Athletic Conference and established the "T" Association for Longhorn lettermen. He conceived and organized a drive to build Memorial Stadium, and after it was completed, helped launch the now famous Texas Relays.

Brother Bellmont's outstanding contribution to University of Texas athletics was formally recognized in 1957 when he was named one of the first four members of the Longhorn Hall of Honor.

HERB MILLER MEMORIAL FUND ESTABLISHED

The alumni of Alpha Phi Chapter at Iowa State have established the HERB MILLER MEMORIAL FUND in memory of Brother Herb Miller's lifetime of service to Pi Kappa Alpha. Herb served faithfully as a Chapter House Commissioner for more than 25 years and as secretary-treasurer of the Alpha Phi House Corporation from 1910 until his death in 1967.

The HERB MILLER MEMORIAL FUND, which is organized within the structure of the Pi Kappa Alpha Memorial Foundation, has established the following objectives:

1. To establish an appropriate award in memory of Herb Miller.
2. To help the Pi Kappa Alpha Memorial Foundation further its programs of scholarship, leadership, and citizenship.

It is sincerely hoped that those who knew or worked with Herb Miller will want to honor him with a token of their appreciation by giving to this fund. Contributions payable to the PiKA Memorial Foundation can be mailed to Gary A. Wicklund, 633 40th Street, S.E., Cedar Rapids, Iowa, 52403. All gifts are tax deductible and can be credited to the contributor's own Chapter's Project Centennial Goal.

This excerpt from a letter from Herb's sister best expresses our desire to honor Brother Herb Miller:

"I was so pleased to receive your letter and deeply moved by your plan for such an appropriate memorial for Herb. He gave so much time to the study of the financial operations of his Fraternity; and it is so good to know that this will be encouraged and continued in his name. I can't think of anything that could be more suitable. He valued so highly the many honors bestowed upon him; and this is certainly a fitting climax, which he would have appreciated so much, and which we gratefully accept for him."

Loyal Alumnus Patterson Dies

Pi Kappa Alpha has lost a man whom we have been proud to call brother. The Rev. William Sanford Patterson passed away January 29, 1968, at the age of 85. Not only by Pi Kappa Alpha, but also by Davidson College, will he always be remembered for his generosity and concern, especially in connection with the more than \$50,000 which he gave for the construction of a fraternity court to house the 12 national fraternities on campus.

Born in Winston-Salem, North Carolina on May 16, 1882, Brother Patterson attended the Winston public schools and entered Davidson College, the class of 1903. After graduation and a one year teaching stint, he entered Union Theological Seminary in Richmond, Va.

His first call to preach the gospel was from the Greenbrier Presbytery where he became the pastor of the Presbyterian Church in Berkley, W.Va. Mr. Patterson also served churches in Gloster, Miss.; Lakeland, Fla.; Madison, Fla.; Prattville, Ala.; Clover, S.C.; and Lowell, N.C. Retiring from the active pastorate in 1944 because of poor health and moving to Davidson, N.C., he served as Temporary Supply Minister for churches in the surrounding area.

Important church positions which Mr. Patterson filled were Moderator of the Synod of Florida, the Stated Clerk of the East Alabama Presbytery and also the Kings Mountain Presbytery, and the Secretary of Stewardship for the Synods of Florida and Alabama. In 1925 he was one of the delegates from the Presbyterian Church, U.S., to the Presbyterian World Alliance, at Cardiff Wales. Eight times he was selected by his Presbyteries to go as a Commissioner to the General Assembly.

Rev. W. S. Patterson (deceased) (right) with President of Davidson College, D. Grier Martin, discussing plans for Fraternity Court.

Mr. Patterson always had time to give to the civic affairs of the community. He was a Scoutmaster and the Chairman of the Red Cross, and a member of various civic clubs. At one time he served as President of the York County, S.C. Historical Society.

Mr. Patterson will certainly be remembered longest for the more than \$50,000 which he gave in 1957 to begin a new fraternity court. This money was used to start a \$400,000 facility for the college's 12 national social fraternities. Each house provides meeting and recreational rooms, house mother's apartments, and kitchen and dining facilities. Several colleges have used this new court as a model in constructing fraternity housing.

Mr. Patterson was always devoted to Pi Kappa Alpha at Davidson College. Each Homecoming he and his wife returned to Davidson, never failing to visit the brothers in whom he maintained an active interest. His wife was known to say that he would rather go to Davidson than to go to Heaven. In 1958 he dedicated this house.

On his visits to the PiKA house he enjoyed reminiscing about old times and the early days of the fraternity. One of his favorite stories was about the time in 1901 that the fraternity sent out five bids and all were accepted.

In the back of the house flowering shrubs and other plants from his home can be seen.

Pi Kappa Alpha and Davidson College will always be indebted to Mr. Patterson for taking a deep interest in fraternities at Davidson College. It was he who began the modern era in fraternity life here.

Patterson Fraternity Court built in 1958, named for Rev. and Mrs. William S. Patterson (Beta-Davidson), who donated more than \$50,000 toward building this modern court. It includes chapter houses for all 12 national fraternities at Davidson.

Gamma Iota Chapter Presents Earl Watkins Resolutions

On the 100th Anniversary of Pi Kappa Alpha, the Directors of the Gamma Iota Alumni House Corporation presented to Mrs. Earl Watkins, wife of the late Executive Director, a list of resolutions which cited Brother Watkins as having "always demonstrated a true spirit of Brotherhood." The resolutions were presented at the Gamma Iota chapter's Founders' Day celebration at the University of Mississippi, where Brother Watkins spent his undergraduate days.

WHEREAS, Earl Watkins affiliated with Pi Kappa Alpha at the University of Mississippi in 1947; and

WHEREAS, as a pledge and active in Gamma Iota Chapter he demonstrated loyalty to all members of the fraternity; and

WHEREAS, as an alumnus he contributed time, energy, and financial support to the Chapter; and

WHEREAS, he was the leader in establishing the Gamma Iota of Pi Kappa Alpha Alumni House Corporation; therefore be it

RESOLVED, by the Directors of the Gamma Iota of Pi Kappa Alpha Alumni House Corporation, on Founders' Day, March 3, 1968, at the University of Mississippi, that Brother Watkins always demonstrated a true spirit of Brotherhood; and be it

RESOLVED, that Brother Watkins promoted and led to strengthen the position of Gamma Iota on the Ole Miss campus; and be it

RESOLVED, that Brother Watkins was available for counsel whenever Chapter or individual member need arose; and be it

RESOLVED, that Brother Watkins promoted and led to completion the construction of the Gamma Iota Chapter House by encouraging undergraduate and alumni support; and be it

RESOLVED, that Brother Watkins' life served as an example for all who worked with him; and be it

RESOLVED, that the Directors pledge to continue the work of Brother Watkins in order that Gamma Iota Chapter may maintain its leadership position locally and nationally; and be it

RESOLVED FURTHER, that this resolution be recorded in the Minute Book of the House Corporation, a copy given to Mrs. Earl Watkins, and a copy sent to the National Office to be published in THE SHIELD AND DIAMOND.

lack of enthusiasm, a "Golden Anniversary Convention" in 1918 had great appeal for the delegates, and upon being put to vote, a motion to hold a "Golden Anniversary" convention in 1918 carried overwhelmingly. Interestingly enough, one of the reasons advanced in favor of moving the biennial convention ahead to even years, was to anticipate the "Centennial Convention" in 1968.

The Jacksonville convention was held in late April or early May. The delegates had scarcely returned to their respective schools when the U. S. declared war against Germany. It goes without saying that there was no "Golden Anniversary" convention in 1918.

Founders' Day Celebration Memorializes Hodge

Governor Dewey Bartlett ordered all flags at the Oklahoma Capitol to be flown at half-mast "as a tribute to the many years of service, loyalty, and perseverance that Dr. Oliver S. Hodge (TY-Tulsa) gave to his native state of Oklahoma." Brother Hodge died of a heart attack on January 14, at the age of 66.

Brother Hodge received his B.A. degree from Tulsa University in 1929 and his M.A. and Ph.D. degrees from the University of Oklahoma in 1933 and 1937 respectively. Dr. Hodge progressed rapidly through positions of responsibility and professional education. He was elected State Superintendent of Schools in 1947 and held that post with dignity and honor until his death.

He devoted many hours of loyal service to IIKA throughout his life. The beautiful Garnet & Gold spray of flowers from the Oklahoma Alumni Association was a fitting expression of sorrow and appreciation. A memorial plaque of appreciation was presented to Mrs. Hodge.

Joe C. Scott, former National President of IIKA was the principal speaker at the Tulsa Founders' Day banquet which served as a memorial to Brother Hodge.

Why Pi KA Did Not Celebrate Its Golden Anniversary

W. A. McKinney (BT, Kansas) has called the editor's attention to an all but forgotten chapter in the history of our fraternity. Brother McKinney was Beta Gamma's delegate to the 1917 convention held in Jacksonville, Florida. In due course there came up for discussion the time and place for the next biennial convention. In the course of the discussion some delegate, perhaps Brother McKinney himself, suggested that the next meeting be moved ahead one year to 1918 in celebration of the Golden Anniversary of the fraternity's founding.

Recollections of Brother McKinney:

Back in those days Brother Robert Adger Smythe ruled the national headquarters, including finances, of the fraternity, with what seemed to us then an "iron hand." Brother Smythe called attention to the fact that to hold what was then a biennial convention, one year ahead, would call for doubling the chapter dues, which of course would meet with opposition. Despite Brother Smythe's
