## LEADERSHIP

## ***THE CHALLENGE OF CONSTRUCTIVE INNOVATION***

By National Vice President ROBERT V. WOLF

I have just completed my first thorough reading of our wonderful new third revision of *A HISTORY OF PI KAPPA ALPHA* by Brothers Blount and Hart. My purpose was not a satisfaction of curiosity as to the results of Brother Blount's recent efforts, nor was it intended to broaden my "engineer's-eye" view of the fraternity world in which we live. Instead, I was seeking a renewal in fraternalism and seeking answers to current questions by gaining a better understanding of the past. This reading and the background reasons for it have provided me with the bases for the thoughts that follow.

The history of Pi Kappa Alpha is a history of people; it is a history of its leaders on all levels. Leadership can concern itself with many different facets of many different problems. A leader may picture himself as a caretaker of the status quo; a leader may promote innovative schemes but refuse the formalized positions of leadership that may be offered to him; a leader may, because of his sincere, responsible dedication, be willing to accept the position of caretaker, be a loyal steward of his inheritance from the past, and, in addition, be willing to provide the innovative, constructive leadership that is needed in his time.

It is the last of the attitudes described above that is needed by today's fraternity leader; whether he be an alumni association officer, a national officer, or a chapter officer. Leaders, or potential leaders have the obligation to carry on the routine tasks of their offices to make sure that the fraternity is kept in good order in aspects of finances, membership, scholastic awareness and other of the "routine" challenges of operation. In addition, leadership needs to be exerted in the direction of constructive innovation, for in this way we may advance, grow, prosper and meet today's challenge to the college fraternity.

I recall the New Testament parable reported by St. Matthew that indicates the desirability of the good steward returning a greater number of talents than originally received. In the same way, our Pi Kappa Alpha leader is only effective if he turns over to his successor something greater than that which he received from his predecessor.

First, make sure that the strength of the past is retained, then lead in a direction such that the weaknesses of the past may be overcome and the brightness of the future is multiplied manifold. This is the fashion in which our fraternity has advanced and maintained relevancy in the past. Your present Supreme Council is dedicated to this; are you?

## Lynn Elected Moderator of the Presbyterian Church

The Rev. Dr. R. Matthew Lynn (Mu-Presbyterian College) was elected Moderator of the Presbyterian Church in the United States at the opening of its annual General Assembly on April 24, 1969. This is the highest ecclesiastical post in the Presbyterian Church. He will serve until the next General Assembly is convened in the late spring of 1970.

Dr. Lynn joins the illustrious company of Dr. George Summey (Beta-Davidson) who was Moderator in the early 1900's. Dr. Summey also served as Grand Chaplain of Pi Kappa Alpha.

Brother Lynn was born in Palatka, Florida in 1904. He received his Bachelor of Arts degree from Presbyterian College, Clinton, South Carolina, his Bachelor of Divinity degree from Union Theological Seminary in Richmond, Virginia, and his Doctor of Divinity degree from Austin College, Sherman, Texas.

Dr. Lynn is pastor of the First Presbyterian Church, Midland, Texas. He has served his denomination in many capacities of ecclesiastical leadership such as Moderator of the Synod of Texas, chairman of the Board of Christian Education of the Presbyterian Church, U.S., a member of its General Council, and its representative to the World Council of Churches.

Dr. Lynn has served several years as president of the Pi Kappa Alpha alumni association in Midland, Texas. His father, the late Dr. L. Ross Lynn was a member of Pi Kappa Alpha as are his brothers, Dr. Robert D. Lynn, former executive director and currently National Vice President and SHIELD & DIAMOND Editor, and Dr. Ross M. Lynn, member of the Scholarship Committee of the PiKA Memorial Foundation. His son, Dr. Robert T. Lynn, is also a member. Mrs. Lynn is the former Nona Joyce of Kansas City, Missouri. The Lynns have six children.

# PI KAPPA ALPHA CONTINUES GROWTH

## *installation of zeta tau chapter at Eastern Kentucky marks first national fraternity on campus*

February was the most outstanding month in the history of the Pi Kappa Alpha Colony at Eastern Kentucky University. On February 9, 1969, we were formally installed as Zeta Tau Chapter of Pi Kappa Alpha Fraternity by teams from Georgetown (Alpha Lambda), Transylvania (Kappa), and Kentucky (Omega). Also on hand for the ceremonies were Dr. Robert D. Lynn, Mr. John U. Field, Chapter Consultant Michael Trueman, and Dr. John Davidson and Mr. James Harris, two of the six PiKA's on Eastern's faculty. Our installation signified the first national social Greek letter fraternity on campus.

Initiated as charter members of the chapter were forty-four men—thirty-seven undergraduates, six alumni, and our faculty sponsor, Mr. Sydney Stephens. The initiated members are: Edward Anania, Dan Bailey, Bill Barker, Mike Blackburn, Jeff Bonnell, Rufus Brown, Bill Brown, Don Buehler, David Butler, Mike Catlett, Steve Collins, Bruce Elias, Butch Evans, David Fitzpatrick, Tom Goede-king, Gary Goodan, Dean Grisso, John Harless, Mike Kaylor, Carl Kloentrup, Tim Lanfersiek, Bruce Lange, Bruce Lewis, Jim Macy, Mike Mancik, Greg Marquis, Monte Martin, Marion Mattingly, Russ Mims, Jack Morrow, Chuck Ross, Frank Smart, Tim Speaks, Vern Town, Bill Wall, Bob Wheeler, and Tom Williams.

Alumni initiates of the Colony as chapter alumni are: Richard Dyer, Michael Johnson, David Krasinski, Ken Lawson, Ken Spurlock, and David VonHolle.

Following the afternoon installation at the First Christian Church in downtown Richmond, a banquet was held at the Holiday Inn. Dr. Robert Lynn was our distinguished speaker. Mr. Paul Seyfrit, Dean of Men and Interfraternity Council sponsor, and Mr. Stephen Wilburn,

President of Eastern's Student Government Association were also in attendance. The presidents of all fraternities and sororities on campus were invited to Sunday's banquet and were well represented.

The newly elected officers for the Spring Semester were installed at Sunday's installation ceremony. They are: SMC Michael Blackburn, IMC Frank Smart, Th.C. Tim Lanfersiek, SC Jeff Bonnell, and MC Bill Barker.

February 16 saw the beginning of the new chapter at a crucial time as Spring Rush began. After much hustling and door knocking, shaking hands and smoke-filled rooms, the brothers extended 28 bids to those men whom they felt were worthy to uphold the Fraternity's ideals. To our proud satisfaction all 28 bids were accepted and Zeta Tau now has 28 outstanding pledges. This constitutes the largest pledge class on campus for the second straight semester. Those men pledged are: Tom Alig, Mike Barnard, John Borin, Jim Branscum, Clay Burres, Keith Carroll, Jim Kennedy, Mike Creutzinger, Dann Dickey, Bob Ekle, Ron Elble, Ken Green, Gary Greer, Bill Howitz, Mike Lanfersiek, Eric Lindblom, George Luning, Dennis Martin, Paul McKee, Mike Niemeyer, John Roth, Bob Sears, John Sims, Trent Talmage, Dennis Tarvin, John Underwood, Louis Volk, Don Watts.

Another fact revealed during rush week was the overall grade-point-average of the chapter from last semester. A proud moment was had when learned we carried a 2.78 average.

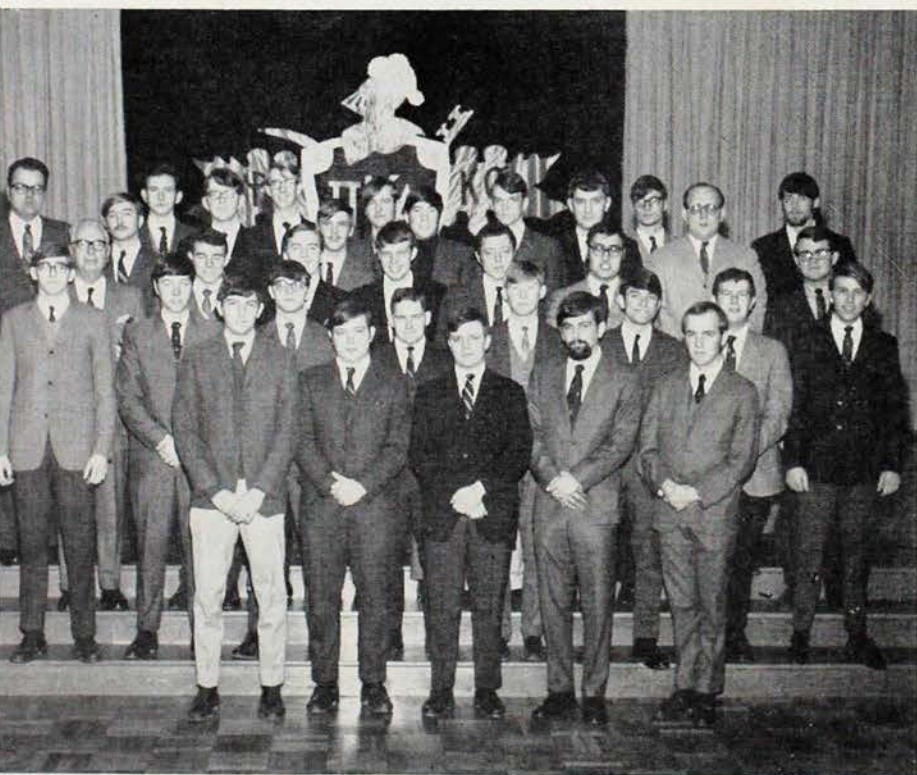

From the excitement of February the brothers of Zeta Tau now plunge wholeheartedly into upholding those ideals to which they have dedicated themselves. The brothers are looking forward to a rich and rewarding life as a vital part of Pi Kappa Alpha.

# *the birth of zeta upsilon chapter at Concord College*

On February 15, 1969, Zeta Upsilon Chapter of Pi Kappa Alpha Fraternity was chartered at Concord College, Athens, West Virginia; bringing to a climax two years of its life as a colony.

During the years following its formation in 1922 the Phi Delta Pi local fraternity lived up to its ideals of friendship, service, and loyalty. The most outstanding local fraternity on Concord's campus, Phi Delta Pi devoted its services to the college and the community. Over the years, Phi Deltas had more members in the Blue Key National Honor Society than any other fraternity.

On October 8, 1966, Phi Delta Pi was installed as Concord Colony of Pi Kappa Alpha. At this time twenty-nine men took the colony oath from the colonization team composed of an undergraduate delegation representing Pi (Washington and Lee), Alpha Theta (West Virginia University), and Delta Iota (Marshall University). National representatives Boone Vance, field secretary, and Bo Basham, District 5 President, took part in the colonization.

At this time the colony was given a list of seventeen requirements which were to be met during the colony period. Many of these were met immediately; others took a longer period of time for accomplishment. Finally, with all requirements completed, the colony was given its inspection.

On the evening preceding the inspection, a reception was given at the house of the colony sponsor, Mr. George Rose, for the purpose of getting acquainted with the inspection teams. Because of transportation problems, Alpha Theta chapter from West Virginia University was the only chapter able to attend, but the informal discussions clarified many of the details of the coming inspection. Also attending were Dan McGehee, Chapter Consultant for the colony, and District President Bo Basham.

The next day, November 17, after the arrival of the delegates from Epsilon Zeta (East Tennessee State University) and Pi (Washington and Lee) the formal initiation got under way in the student center conference rooms. Seated at the head table were Concord College President Joseph F. Marsh, a Phi Delta Pi alumnus; Dean of Men Dale Geiger; Bo Basham; Dan McGehee; George Rose, faculty sponsor; Doctor Arthur Benson; and Colony President Jerry Cooper. Questions were asked as to whether or not the colony had met its requirements. The future of the colony and the future of the college were discussed and after the discussion ended the delegates met in caucus. Two hours later, the colony was informed that it had unanimously passed its inspection.

The formal installment of the colony began Friday night February 14, 1969 with the initiation of each individual colony member into the brotherhood of Pi Kappa Alpha. The initiation was conducted by the visiting installation teams, Pi Chapter from Washington and Lee University, Epsilon Zeta from East Tennessee State University, and Delta Iota from Marshall University. Also present for the initiation were Brother McGehee, now Director of Chapter Services, and Brother Donald Dickson, past National President of Pi Kappa Alpha. Along with the colony members initiated were Dr. Arthur Benson, alumni sponsor, and Mr. George Rose, faculty advisor, and two colony alumni, Jim Hopkins and Guy Sutphin.

Saturday began with a breakfast for the installation teams, colony officers, sponsors, and visiting dignitaries. Later that afternoon the formal installation of the colony was held. The colony was designated Zeta Upsilon Chapter of Pi Kappa Alpha at Concord College. The colony's officers were also installed as the officers of Zeta Upsilon Chapter. The officers elected for the Fall '69 semester were: Greg Allen, S.M.C.; Dick Basham, I.M.C.; Watt Sammons, Th.C.; Ron Lane, S.C.; and Howie McNeal, Conductor. Aiding the installation teams and visiting dignitaries with the proceedings was Brother Bo Basham, the District President for our area.

The formal installation ended with a banquet at the Town-&Country Restaurant Saturday night. Our special guests were Dean of Faculty and Mrs. Davidson, Dean of Men and Mrs. Geiger, Brother Donald Dickson, Brother Bo Basham, Brother Dan McGehee, Dr. and Mrs. Benson, Mr. and Mrs. Rose, Mr. and Mrs. Baumhover, and the visiting installation teams. Brother Greg Allen, President of Zeta Upsilon Chapter, was the toastmaster for the evening. The speaker for the evening was Donald Dickson. After his inspiring speech, Brother Dickson presented certificates to each of the installation teams, an appreciation award to Dr. Benson, and a special award to Brother Jerry Cooper. Brother Cooper received the award for being one of the truly inspirational leaders in the striving of the colony to attain chapter status.

We, the brothers of Zeta Upsilon would like to extend our thanks to everyone who aided us in achieving our charter. We would especially like to express our gratitude to former National President Donald Dickson, Dean of Men Dale Geiger, and Alumnus Counselor Dr. Arthur Benson. We cannot express enough our appreciation to Brother Dan McGehee, whom we have deemed the "father of Zeta Upsilon."

## *image fact or fiction*

E. J. "Ted" Grojer, National Public Relations Director.

**QUESTION:** *Is the image you've created fact or fiction?*

**QUESTION:** *What were your motives in creating that image?*

Pi Kappa Alpha has a plan for improving its image.

Our P.R. Manual is the workbook from which chapters can plan their strategy for building their image. It's a mechanical process—if you start at A and follow all the steps, you should get to Z. And when that's done, you should have created an image and it ought to be a good image. People either think well of your chapter, think badly of you or don't think of you at all. In general, if you have taken all the steps, they should think well of you, BUT . . .

*Question: Is the image you've created fact or fiction?*

*Question: What were your motives in creating that image?*

Pi Kappa Alpha was founded principally to promote friendship and brotherly love. These are the basic foundation blocks of our association and the image of your chapter should build from these motives. The first rule of Public Relations is . . . "Do a good job and then tell the world about the good job you've done." Some people have a way of misinterpreting what this means. They are likely to recommend a good action just so they will have the chance to tell the world. Others have a way of coating reality so they end up telling the world how good a job they've done, when really there isn't anything meaningful to report.

Brotherly love, friendship, kind feeling . . . in one sense these are intangibles, difficult to measure and romantic to write about. Where is the reality? What are the manifestations of these concepts? Is our brotherly love meant only for members of PiKA or is it a way of life to be cultivated and radiated outward toward our fellow man?

When these questions are answered

properly, an image becomes a fact, not fiction. Brotherly love is like most meaningful concepts such as honesty, diligence, enthusiasm; it is best developed when it is practiced regularly. The harder we work at cultivating its spirit, the greater our capacity becomes. As this capacity develops within a chapter house, it is natural that it begins to permeate all of the associations of the brotherhood—this includes our campus and classroom associations and the community at large. In other words, for PiKA, "doing a good job" means fostering a growth in brotherly love.

A love that radiates among the membership and outward to our several publics. Once such a relationship has developed, the Public Relations job is greatly simplified. People notice an organization in which charity and love are the keystones. They generally think well of such an organization and are predisposed to accept it as a good citizen.

Pi Kappa Alpha is fortunate to have a few chapters that have achieved this ideal in brotherhood. Our National Fraternity is served proudly by the accomplishments of these chapters. You can spot them easily because they are generally outstanding in every area of activity in which fraternities are judged. They consistently rate high in the Smythe Award competition. The members in such chapters benefit greatly because the brothers help each other get the most out of their fraternity system; after all, they share a brotherly love for one another.

Utopia? Maybe. Worth striving for? Yes! Obtainable? Never completely, because each plateau in this endeavor for brotherhood opens new opportunities for achievement.

If your chapter isn't actively working toward this goal, it's your job to start today. Let your chapter's image be a fact.

## *something of value?*

Rev. Henry N. F. Minich, National Chaplain.

*Editor's Note: Father Minich is an Episcopal minister. He serves as chaplain and counselor to students at the University of Miami. He presents here the meanings of love and the meaning of true fraternalism.*

"Sure, I love my Mom and Dad," John blurted out, hands clasped between his knees, head hunched toward the floor, "but I've outgrown them. They're still all over me like I was some kind of baby or something! I'd do anything for them—but with Cindy, it's so different! I can't explain it. Why?"

Two hours later it was Ralph in the same chair, running his hands through a shock of black hair, "The guys at the house are the greatest! I really love those guys overhere. We've worked so hard to be number one on campus. We mean too much to each other. What can we do to save the house? I'll do anything to help—just tell me where to start."

The next day there sat Robin, tears streaming down her face. Through her sniffles she kept repeating, "But he said he loved me—and I believed him! How stupid can you get? Father, you once said at a session in the dorm, a girl will play at sex to get love, and a guy will play at love to get sex. I didn't dig you, and now look at me—my whole life ruined because I thought he was sincere and I was so desperate for his love and acceptance. What will come of me? What am I to do?"

Later that afternoon Charlie slumped in that seat, gazing out the window, with a glance every now and then at the crucifix that hangs on the wall. He was silent for a long time—then he spoke, almost in a whisper, "I just can't understand it. Sam was the greatest. Always interested in what you thought or how you felt. Now he's dead. It seems so pointless. Imagine him with that bum shoulder, jumping into a raging current just to pull out some jerk who's not worth the ground he takes up. What made him do it? Why did it have to be Sam? He loved life so much!"

We really throw it around don't we? We use "love" to describe all kinds of feelings—"I just love your hat," "I love chocolate ice cream," "I love you, Mom", "Come on, princess, why not, you know I love you." "Greater love has no man than this—that a man lay down his life for his friends." "If a man says I love God and hates his brother—he is a liar." Strong words compared to the way we talk about love? You'd better believe it! But these are Holy Words that give us a clue about life.

The Greeks had four words for our one to speak of love. The four people in my office, each, in their own way, said something about those four kinds of love. John was talking about affection, the kind of love that exists between parent and child. Ralph was caught up by brother-love—that love a fraternity man learns for his house and the guys with whom he shares the bonds. Robin had been smacked in the heart by erotic love which can be the expression of self-fulfillment, but too often leads to alienation and despair because it is selfishly misused. Sam gave his life because he loved life and man—that love is the sacrificial love which is best called by its Greek name, *agapē*. *Agapē* is the love that gives without thought of what is received in return.

Love is not a word or an idea to be taken lightly. It is really a verb that describes action. Love in every form is essential to fraternity life; affection, brother-love, self-fulfilling and self-sacrificing love. Without it—our commitment in  $\Phi\Phi\kappa\alpha$  is a hollow sham. With it we hold the highest ideal of fraternity life which will influence our relationships with parents, brothers, sweethearts, indeed—with all whom we encounter, for the rest of our lives.

# PERSPECTIVE OF A COLONY

BY NORRIS BOND

University of Southwestern Louisiana

There are thousands of men who go through the halls of Pi Kappa Alpha, and all of them can speak with pride about what it means to be a part of the fraternity. Of these thousands, only a relatively few have been associated with one of the vital aspects of our fraternity's organization—the colony system. One of the questions that we at the University of Southwestern Louisiana, as a colony, are most often asked is, "What is it like, being a member of a colony?"

Such a simple question should be relatively easy to answer, but it is not. Perhaps the reason is that the answer involves things that are sensed and felt instead of thought and spoken. In telling what it is like to be a member of a colony it is necessary to use terms like pride, excitement, and opportunity which are easy to understand, but almost impossible to explain. Being a colony member involves many of the same feelings that must be felt by anyone associated with Pi Kappa Alpha.

Probably the most prevalent factor in a colony is a sense of awe and mystery, reverence. No member of a colony can visit Pi K A chapters throughout the country without feeling that there is some unspoken communication, some invisible, binding force between men who proudly display Pike pins on their chest. No colony member can help but believe that there is some mystical, wonderful process involved in becoming a full fledged brother. Understanding and experiencing this mystery is the goal toward which all colony members are looking.

One word which is prominent in describing a colony is *work*. Colonies must both understand and experience the meaning of this word. They must work as hard or harder than regular members in every aspect of fraternity life. The national office sets requirements which must be met before a colony can become a chapter; not for the sake of seeing standards met, but as a means of finding men who are willing to work for things that are of value to them. With these requirements before them, colony members can never afford to slacken their efforts.

*Brotherhood* is one of the qualities for which Pi

Kappa Alpha was founded and a colony is one of the best places to find it. A colony is almost always smaller than a regular chapter, and consequently it is a closely knit group of men who have worked and laughed together. The closeness of the group leads to a sense of brotherhood which is very strongly developed.

*Opportunity* is another key word in describing a colony, for it has things to offer which no established group can match. Being a colony member offers a chance to get in on the ground level—to grow with the fraternity and not into it. It also means having the chance of being among the men who bring an organization for which they all hold deep feelings onto their college campus. In short, a member of an established chapter is proud of its heritage, but a member of a colony is making one. The challenge and excitement of being a part of history are things very special and real to the colony member.

*Pride* is a feeling which is a part of every Pi Kappa Alpha chapter, but the colony member knows a special meaning of the word. Of course there is the pride that each member must have in himself. There is also the pride that he feels when he realizes he may soon be a Pike. There is the same pride that all members have in our fraternity's history, its organization, and the accomplishments of its alumni. But there is also a tremendous sense of satisfaction that comes with knowing that he will someday be able to look back at a smoothly functioning chapter and be able to associate himself by the two magic words "charter member."

Reverence, work, brotherhood, opportunity, and pride are things which all Pikes feel for their fraternity. Therefore it is not difficult to understand what it means to be a member of a colony.

A colony is not so very different from a chapter. It is a group of men who believe in the principles for which Pi K A was founded over one hundred years ago. The difference, or more aptly stated, the object of a colony lies in the fact that it must prove that it is built of men who are worthy of the responsibility of carrying the name of Pi Kappa Alpha to even greater heights.

## ALUMNI ASSOCIATION UNDERWAY IN DETROIT

Detroit—April 9, 1969

Robert Lee, newly elected president of the Delta Nu House Corporation, owners of the local Pi Kappa Alpha Chapter House at Wayne State University, recently announced that his group is undertaking the formation of a Detroit Area Alumni Association.

Lee said, "The enthusiasm and interest shown by Detroit Area Pikes in the last two Founders' Day celebrations (Pikes from fifteen different chapters attended the Detroit Centennial Celebration) indicates a solid base of support for the association." Preliminary 1969 plans for the association include a full scale membership drive in conjunction with a moderate social schedule. Lee did add however, "that if the membership drive achieves the expected success, a broader range of social activities will be proposed."

The project will be under the guidance of the Delta Nu House Corporation Alumni Association Chairman, Michael Traeger, and the social Chairman Dennis Ford. Brother Traeger issued the following call to all Detroit Area PiKA's, "While the Delta Nu House Corporation has taken the initiative in beginning the association, one thing should be made clear, this association is for all PiKA's regardless of chapter affiliation. Only with the guidance and support of all Detroit Area Pikes can the association expect to achieve success. The purpose of the Delta Nu House Corporation is only to start the ball rolling. At the proposed formal chartering on Founders' Day 1970, I anticipate alumni from many different chapters will be proudly enrolled as charter members of the Detroit Area Alumni Association."

Any Detroit Area Pikes interested in the association are urged to contact Mr. Lee or Mr. Traeger in writing at, 28921 Birchlawn, Garden City, Michigan 48135.

### EQUITABLE LIFE ASSURANCE COMPANY PRESENTS VOLUMES TO THE NEWELL LIBRARY—by Paul G. Blount National Historian

The Equitable Life Assurance Society of the United States—the Insurance Company Founder William Alexander served for more than sixty-five years—has presented a two volume edition of the history of Equitable to the Newell Library in Memorial Headquarters at Memphis.

The two-volume history, entitled THE EQUITABLE LIFE ASSURANCE SOCIETY OF THE UNITED STATES, 1859-1964, was written by Pulitzer-prize winning author, Dr. R. Carlyle Buley.

The presentation is of interest for two major reasons: first, it represents an attempt to add to the Newell Library all major works by or about Pi Kappa Alphas; second, the history has numerous references—over seventy—to William Alexander and throws new light on one of the six Founders of Pi Kappa Alpha. The new material will be incorporated in an article to appear in a future issue of the SHIELD & DIAMOND.

Pictured is the presentation of the history being made by Rodney L. Enochs, Secretary of Equitable Life, to Lawrence J. Moreau, immediate past president of the New York City Chapter Alumni Association of Pi Kappa Alpha.

The portrait of William Alexander in the background was painted by Ernest L. Ipsen in 1930. It hangs in the Executive Committee room of the Board of Directors of Equitable, on the 38th floor of the Home Office Building in New York. (The only other portrait or picture in the room is of Grover Cleveland, former President of the United States, and former Chairman of the Trustees, to vote the majority of Equitable stock in 1905-1908.)

# THE PI KAPPA ALPHA MEMORIAL FOUNDATION 1969

THE ENTRANCE TO THE PI KAPPA ALPHA MEMORIAL HEADQUARTERS BUILDING, 577 UNIVERSITY BOULEVARD, MEMPHIS, TENNESSEE

## WHAT IS THE MEMORIAL FOUNDATION?

The Pi Kappa Alpha Memorial Foundation was conceived and established as the agency through which the fraternity could most effectively implement its programs of scholarship, leadership and citizenship. Its purposes are:

- To stimulate academic endeavor through chapter libraries and tutorial programs.
- To promote scholarship by providing graduate fellowships for resident counselors.
- To provide financial assistance to individuals and colleges through loans and grants.
- To perpetuate the memory of great fraternity deeds and personalities.
- To preserve and display valuable historical material.
- To provide a memorial headquarters building honoring the Pi Kappa Alpha Gold Star members who died for our country.
- To preserve the American way of life.

The Foundation was chartered in 1948 by the state of Tennessee as a not for profit corporation. Today there are 5,335 members of Pi Kappa Alpha who have contributed twenty-five dollars or more to the Foundation and have thereby qualified for membership.

## GROWTH OF THE MEMORIAL FOUNDATION

More than \$105,000.00 in scholarships, loans, grants and awards have been made during the past ten years. Resident Counselors at the local chapter are given fellowships to promote scholarship and leadership; loans and grants are made annually to individuals and colleges. Awards are made to individuals in the form of Phi Beta Kappa Keys and to chapters in the form of library books. During 1968-69 the Pi Kappa Alpha Memorial Foundation awarded a total of \$13,820.00 and invested several thousand dollars for future programs of the Foundation.

## HOW CAN YOU SUPPORT THE MEMORIAL FOUNDATION?

The support of the Memorial Foundation should be the concern of every Pi Kappa Alpha. Members of the Fraternity and their relatives who contribute \$25.00 or more are entitled to full membership privileges in the Foundation. It is your opportunity to invest in the educational development of selected young men and worthwhile scholastic

programs in keeping with our objectives. To encourage all brothers to take this opportunity, the Foundation has outlined the following membership achievement plan:

A IKA who cumulatively contributes \$100 or more becomes a member of the DIAMOND LIFE CHAPTER. The first 2,000 members will be permanently listed in the Diamond Life Chapter Room of the Memorial Headquarters in Memphis.

A IKA who cumulatively contributes at least \$500 becomes a member of the GUARDIAN CHAPTER, and a IKA who cumulatively contributes \$1,000 or more becomes a member of the SENIOR GUARDIAN CHAPTER.

Currently there are 57 members of the Senior Guardian Chapter, 105 Guardian Chapter members and 1,969 members of the Diamond Life Chapter. 3,204 additional Pi Kappa Alphas have contributed \$25.00 to become voting members of the Foundation. Many more brothers are adding to their contributions by answering the annual Roll Call. Listed on the following pages are the names of new members of the Diamond Life, Guardian, and Senior Guardian Chapters of the Memorial Foundation.

## THE 1968-1969 ROLL CALL

One of the main ways to contribute to the Memorial Foundation is through the Roll Call, Pi Kappa Alpha's annual alumni solicitation. The 1968-69 Roll Call has been one of the most successful in the Fraternity's history. This year approximately 2,400 contributions were received totaling over \$37,500 (445 of these were new contributors). In addition to the regular Roll Call solicitation, a special mailing went out to contributors of \$100 or more. This accounted for 315 contributions totaling \$10,000. As a result of the 1968-69 Roll Call, 56 new Diamond Life Chapter members and six new Guardian members have been added to the rolls since December 1, 1968.

A century of great progress has just been completed by our Fraternity. Through the strengthening and continuation of the Memorial Foundation, IKA's challenges both current and future will be met effectively. It's not too late to join with the hundreds of Pi Kappa Alphas who have helped launch a greater CENTURY II by contributing to the Fraternity's programs of Scholarship, Leadership and Citizenship. Help write the next chapter in the history of Pi Kappa Alpha!

# NEW DIAMOND LIFE MEMBERS

Individuals contributing \$100 or more to the Memorial Foundation are designated as Diamond Life Chapter Members. The first 2000 members will be permanently listed in the Diamond Life Chapter Room at the Pi Kappa Alpha Memorial Headquarters in Memphis.

**Harry Dent** (Μ-Presbyterian), former GOP state chairman in South Carolina, is now a member of President Nixon's administrative staff.

## Rufus Cromwell Branch

Pi Kappa Alpha lost a loyal son and an outstanding personality when Rufus Cromwell Branch (Ζeta-Tennessee) passed away on February 27, 1969, as a result of a heart attack. A longtime supporter of ΠΚΑ, Brother Branch contributed to both the Alpha Zeta and Zeta house funds and was a member of the Diamond Life Chapter and Centennial Medallion Club of the Memorial Foundation.

Brother Branch was born in Millington, Tennessee and received a law degree from the University of Tennessee, where he was captain of the football team in 1911.

His influence in the sports world was wide-spread. His participation and leadership in sports spanned more than 60 years, and was climaxed in 1966 when he was selected by the Memphis chapter of the National Foundation and Hall of Fame to receive the Foundation's Americanism award for contributing most to football in the southern area.

He was an avid supporter of both the Arkansas and Tennessee football teams, and personally provided athletic scholarships for both universities. He was a member of UT's Athletic Committee and Development Council, and was a member of the Liberty Bowl selection committee.

A leader in Arkansas political circles for many years, Branch served as a delegate to the last three Democratic national conventions. He had been closely associated

with Senator J. William Fulbright (D-Ark.) and former Arkansas Governor Orval Faubus.

Following a life-long yen to farm, Branch purchased the now famous Black Cat Plantation near Joiner, Arkansas, after World War I. Besides his extensive land holdings, he had varied business interests in Eastern Arkansas and was a director of the First National Bank of Osceola, Arkansas. He was a former director of the Memphis Branch of the Federal Reserve Bank of St. Louis and the Farm Credit Board of that city. He had served on numerous agricultural committees, including the national "Committee of 100", a group of farmers who helped write the original Agricultural Adjustment Act in the early Roosevelt days.

Brother Branch was a captain and instructor in the Aviation Corps during World War I. He was a Mason and a member of the American Legion.

Porter Cantrell, lifelong friend, college roommate, and fraternity brother of Branch's said that despite his national prestige, Rufus was comfortable to be around. Wrote a reporter for the *Memphis Commercial Appeal*, "Rufus enjoys people and people enjoy Rufus. He makes friends easily and keeps them forever".

Chapter House Commissioner Grant Macfarlane (AT-Utah) (center) is presented the coveted Distinguished Exchangite Award of the Exchange Club of Salt Lake City by Dr. Louis P. Gebhardt, first recipient of the award, while Mrs. Macfarlane looks on. Brother Macfarlane received this honor in recognition of his loyal service to the legal profession, the Democratic Party, the Pi Kappa Alpha Fraternity, and to the National Exchange Club of which he served as President in 1955. Music for the program was provided by a IIKA Quartet and a tribute to this outstanding brother was made by Richard L. Evans (AT-Utah). Macfarlane served as IIKA National President from 1956-58.

Former District President #19 Gary Sallquist (ΔX-Univ. of Nebraska-at-Omaha) has been selected as one of Omaha, Nebraska's outstanding young men. He is staff supervisor with Massachusetts Mutual Life Insurance Co., and was recently featured in a LIFE magazine ad as a member of his company's 1969 President's Club, for selling over one million dollars worth of life insurance.

Auburn University Army ROTC Cadet Lt. Col. William T. Anton (TB-Nebraska) has been named National Commander of the Pershing Rifles, a national organization of crack drill teams with headquarters at the Univ. of Nebraska where the units were first formed some 75 years ago. Anton, as National Commander, will transfer to the University of Nebraska to assume his new rank as Cadet Major General.

Robert J. Woltering (AN-Mo.-at-Columbia) has been appointed editorial director of "Music City News", world's largest country and gospel music newspaper, published in Nashville, Tenn. He has been advertising director for the publication for the last three years and will now head both departments. Circulation of the newspaper reaches 38 foreign countries as well as all 50 states.

Michael D. Moore (ΔX-Univ. of Nebraska-at-Omaha) was selected as one of the two young men from Omaha, Nebraska, to be included in the 1969 edition of "Outstanding Young Men of America". Brother Moore is currently serving as IIKA District President #19.

Richard M. Hufnagel (BA-Penn State) has been admitted to the partnership of the New York Stock Exchange firm of Singer, Deane & Scribner. Brother Hufnagel is former SMC of his chapter and is currently president of the Penn State IIKA alumni group.

*Editor's Note: This statement was formulated by a group of educational administrators, trustees and foundation officers who met April 4-5, 1969, in Chicago under the auspices of the American Council on Education. Dr. Logan Wilson is president of the foundation. This statement is reprinted for the information of our readers because of its relationship to the university campus today.*

The unprecedented, comprehensive, and often unpredictable changes that are taking place in this age both disturb and alarm large segments of our society. Most of the changes and attendant alarms affect the operations of our institutions of higher learning. They are also related to the values, concerns, and behavior of our young people. In coming to grips with the compelling issues, all who would think seriously about them must recognize that present-day society—in America and in many foreign lands—is in serious trouble on many fronts. We see around us racial conflict, continued poverty, and malnutrition midst unparalleled prosperity and seemingly unlimited promise. We are confronted by pollution of our environment, decay of our cities, the continuation of wars and the threat of war, and everywhere a vague but widespread discontent with the general quality of life.

These problems affect all of society, not the university alone or the young alone. We must all be concerned to deal intelligently and responsibly with these problems that are neither the exclusive discovery, nor the sole responsibility of the young. Yet the depth of feeling among young people in many countries today about the issues, their general dissatisfaction with the slow-moving ways of society, and the extreme behavior of a small minority of students are evidence of the profound crisis that involves our entire society and, specifically, the university community.

The university itself has often become the immediate target of student discontent, sometimes couched as legitimate complaints about the deficiencies of the universities, sometimes devised as a softening-up exercise for assault on the wider society.

How to deal with campus crises arising from the widespread protests has become a major public issue and the cause of confused and angry debate. That there should be deep anxiety about the course of the conflict and its possible outcome is understandable. No social, racial, or age group that perceives itself and its values to be seriously threatened will fail to strike back. Increasingly there are backlash temptations to enact strong, often ill-considered, and largely futile measures to cope with a youth rebellion that none of us fully comprehends, not even the youth themselves.

Certain balanced judgments are proper to make, however, as we search for understanding and solutions:

1. It is important for the public to understand that, despite the nationwide publicity given to student disorders, the great majority of American campuses have remained peaceful. On campuses where conspicuous disorders have occurred, educational programs generally have gone along their normal ways. Most students and faculty have continued to carry on their regular work. In the

# AMERICAN COUNCIL ON EDUCATION DECLARATION ON CAMPUS UNREST

ON  
T  
main, good teaching and good research, as traditionally defined, have been uninterrupted.

2. On the undisturbed campuses and among the majority of orderly students, however, there are widely shared discontents which extremists are at times able to manipulate to destructive ends. Moreover, even in the absence of violence, there has developed among some of the young a cult of irrationality and incivility which severely strains attempts to maintain sensible and decent human communication. Within this cult there is a minute group of destroyers who have abandoned hope in today's society, in today's university, and in the processes of orderly discussion and negotiation to secure significant change. Students and faculty are increasingly aware of the true nature of this group and are moving to deal with its destructive tactics. The necessity to deal with extremists, however, is placing an extraordinary burden upon the whole educational enterprise and upon those who man it. Consequently, universities are having to divert their energies and resources from central educational tasks in order to deal with student unrest in its various forms.

3. The spectacular events precipitated by the extremists should not be allowed to obscure the recent accomplishments of those students, faculty, and administrators who have serious interest in constructive changes in society and in the university. They have broadened the curriculum and improved teaching. They have moved toward a more open and participating pattern for university governance. And they have begun to make the work of universities more meaningful in dealing with the problems of society. Those efforts must continue. Reform and self-renewal in higher education are ongoing imperatives.

4. Meanwhile, the speed and scale of social change have imposed many kinds of demands upon educational institutions for which their programs, their capabilities, and their funding are not always adequate. Moreover, universities are increasingly asked to perform functions for society, particularly in reshaping the behavior, values, and life-styles of the young, on which the family and other social institutions have already had major influence—or lack of influence. Some of society's expectations for universities are quite unrealistic. Insofar as these expectations can be dealt with, they involve a sharing of responsibilities among diverse social institutions. Many of society's demands require new resources and fresh approaches to old and new problems.

5. Recognizing the right of and even the necessity for constructive dissent—and allowing for inevitable arguments over what is in fact constructive—certain axioms must be accepted as basic to the operation of any university:

- a. Disruption and violence have no place on any campus. The academic community has the responsibility to deal promptly and directly with disruptions. If universities will not govern themselves, they will be governed by others. This elementary reality is increasingly becoming understood by

all components of the university community. Student and faculty groups, including the American Association of University Professors and the National Student Association, have recently joined in efforts to improve disciplinary procedures and to formulate clear and realistic codes for dealing with misconduct, and more particularly with violence and disruption. Also, by involving students and faculty effectively in the governance of the university, it can be demonstrated that there are better ways of getting views considered and decisions made than by disruption.

- b. The historic concern of the university community with academic freedom needs to be restated, reaffirmed, and vigorously defended against all, within or without the university, who would obstruct the right of scholars to investigate, teachers to teach, or students to learn. This reiteration is not to claim for the university special privileges that put it above the law or that free it from critical public appraisal—rather it affirms that the university must maintain a basic institutional integrity to function as a university.
- c. Violations of criminal law must be dealt with through the ordinary processes of the law—and universities must attempt to deal with disruptive situations firmly before they reach the stage of police action. Governmental attempts to deal with these problems through special, punitive legislation will almost certainly be counter-productive. Meanwhile, students and faculty whose consciences demand that they express dissent through law violation must be prepared to accept the due processes and the penalties of the law. They should not be encouraged to expect amnesty from the effects of the law. Such an expectation would be the ultimate use of the *in loco parentis* concept against which many young activists passionately protest. Nor should they expect amnesty from academic discipline, which is the most effective sanction in disruptive incidents.

6. The education community needs to undertake a far more comprehensive effort than ever before attempted to study the underlying bases of youthful discontent and alienation and the broad social problems to which they are related. As social critic, the university must help society understand and solve such problems.

7. All universities should give particular attention to a continuing search for ways, including new social inventions, by which the life of rationality and civility, shared concern, and mutual respect may be supported and strengthened within the university community. The survival of the university and its long-term contribution to society depend upon the ability of the institutions to make their everyday life reflect that spirit and pattern.

OF FRIENDSHIP

*By Executive Director Garth Jenkins*

"Rush is down on my campus!" This comment is not an isolated one today. It is heard frequently from an increasingly large, more disturbingly so, number of chapter representatives. Compare this with the statistics in the remarks of Fred Turner in the March SHIELD & DIAMOND having to do with the growth of the fraternity system. What does this tell us?

On many campuses where there are IKA chapters located, the number of men who participated in formal rush activity was as much as 50% of last year's figures. Fewer pledges, by some 28%, have been reported to the Memorial Headquarters this year than last. Should this not bother us? Is it merely a passing phenomenon, attributed to a general feeling of campus unrest, and will it pass as soon as "things settle"? Can it be dismissed so easily, with our assurance that this concept of the group experience which has lasted for so long will surely withstand this test?

Can this attraction (or lack of it, more appropriately) be shrugged off so conveniently? I think not. Why are we not attracting potential members (rushees) of high quality? If what we have is so good, why is not the world flocking to us to become a part of this good thing we have? The problem seems to lie in the fact that we think we know the value of the fraternity experience but we cannot convince "outsiders" of this. Our good words and exhortations alone during rush are apparently not good enough any longer.

What more is needed? We must demonstrate to the world—be

it campus community or larger city—that participating in the Pi Kappa Alpha experience is of value to the prospective member; is worth his time and effort. The rushee *expects* the fraternity man to say that belonging to a fraternity is good. Apparently the rushee now wants more—he wants to *see* what the fraternity, Pi Kappa Alpha, has to offer—to *see* if it can mean something to his college experience. No longer will our eloquent arguments during rush suffice.

What, then, must Pi Kappa Alpha do to convince the prospective member that our Fraternity is relevant to their needs? We must live every day, every minute of it, as if we were rushing someone. Indeed we are! Our pledge programs must reflect the genuine concern for the dignity of the individual, a cardinal requisite of campus values today. Our chapter activity must demonstrate an awareness of and commitment to intellectual fulfillment and social awareness as a complement to the college or university. Our non-private life outside of the confines of our house, lodge, or room must show to our various publics that we really do care about being a relevant part of the educational process.

We will, therefore, perpetuate ourselves only if we change ourselves with the initiative for doing so. The advice of Benjamin Franklin bears repeating: "So what signifies wishing for better times; we make these times better if we better ourselves. There are no gains without pains."

The responsibility is ours alone—the world waits for no man. Let's have a good rush this Summer and next Fall!

## Epsilon Alpha Chapter Pins Housemother

Early this year, Epsilon Alpha and its newly "pinned" housemother, Mary Griswold, were the subjects of a feature story in one of Connecticut's capital city newspapers. It all started with a very special night the brothers had planned for her, with SMC Brian Winter and Pledgemaster Dave Carman cooking a dinner of chicken cooked in sherry, wild rice, Waldorf salad, Rhine wine, and brandy and sherbert for dessert. Following supper, all the brotherhood gathered in the living room by the piano where Mary, our cook, confessor, and second mother for 12 years, was presented with a Pi Kappa Alpha pin by Ric Aasen, our Social Chairman, in a little ceremony accompanied by a group of the brothers singing a song especially composed for the occasion by Brother David Angelica, our Songmaster.

*Epsilon Alpha Chapter at Trinity College, in a surprise ceremony, "pinned" their housemother of 12 years, Mrs. Mary B. Griswold.*

We were all pleasantly surprised the next morning when *The Hartford Courant* carried a front page article and picture telling of the aid, comfort, and devotion Mary has given our chapter over the years, and of our little celebration honoring her. We received many comments and compliments on our efforts, and were even the subject of two letters to the editor from men in the Hartford area praising us.

The fund-raising campaign for our new house, begun last fall, has started to take effect. With upwards of \$5,000 already raised by means of an undergraduate assessment, numerous contributions from friends, and some expected large donations from alumni, plus a college loan, we are nearing the \$100,000 in pledges, mortgages, or cash needed to begin construction on the \$130,000 structure. Architect Charles A. King has rendered the plans for the new house which will consist of an Alumni

Living Room, new kitchen facilities, a recreation room, and enlarged dining quarters to accommodate 65 brothers.

In keeping with our chapter's fine record of campus leadership, Epsilon Alpha is again in an outstanding position in academic and intramural competition. With our house compiling an average of a B, and our former SMC Dave Seidel having been elected to Phi Beta Kappa, we are near the top in the unofficial house standings. In intramurals, we are presently holding down an unofficial second place. Our fantastic bridge players were tops on campus again, and defeated the faculty in a close match for the second year in a row.

In the always-small second semester rush, we pledged three men: Richard Wyland, Robert Davidson, and Bruce Foxley. They already have made great contributions to the house as pledges, and the brothers eagerly are looking forward to their initiation.

With our social chairmen Jack Luxemburg and Ric Aasen showing the way, we have had some great parties at EA, including Winter Weekend, on which almost the entire brotherhood bussed to Massachusetts and spent the week-end at a ski-lodge.

Leading us in these and other endeavors this semester are our officers: Brian Winter, SMC; Pete de Saint Phalle, IMC; Henry Burke, SC; Tom Sager, ThC; and Gerry Cordis, MC.

## Spring Semester Very Successful For South Carolina Pikes

Brothers and Pledges of Xi chapter have had a very successful spring semester thus far, highlighted by the presence of National President Garth C. Grissom at our Founders' Day banquet.

In addition to Brother Grissom, William P. Donelan Jr., an alumnus of Xi and Region IV Vice-President, and William P. Donelan Sr., a re-founder of Xi, were in attendance along with many other alumni to help make the affair a memorable one for all concerned.

Xi had a good rush this spring even though the prospects were few in number. Out of only 120 boys rushing 15 fraternities, we pledged the six best boys in the bunch. We expect to pick up several more in Open rush.

Nine men from the previous pledge class were initiated into the bonds of Pi K A this month, bringing our chapter total to 52. Since we will only lose two brothers to Spring graduation, we are in fine shape

to stay strong next fall.

Greek Week at South Carolina saw PiKA's active in all phases of the activity. SMC David Williams served on the IFC Greek Week committee and alumnus William P. Donelan, Jr. was a speaker and group discussion leader. Pi Kappa Alpha made a good showing in the annual Greek Games again this year, with a fourth-place finish in the chariot race and a third-place finish in the foot race. Brother Matt Godek captured his second consecutive wrestling title, as he fought off 14 other wrestlers to be the last man in the circle in a furious but funny battle.

Two Brothers of Xi have been elected to notable campus positions, and we are justifiably proud of these men. SMC David Williams was elected Vice-president of the Interfraternity Council and Brother Bill Booth was chosen President of Alpha Phi Omega national service fraternity at Carolina.

At the recent Greek Awards Banquet, Xi PiKA's were awarded the All-Sport trophy for the academic year 1967-1968. In this year's trophy race we are in second place for total points, but plan a strong showing in spring sports. Presently we are undefeated in basketball. Brothers Mike Perkins and Bobby Heald share the top scoring honors. Brother Heald was Greek Athlete-of-the-Year last year and is the current ACC tennis champion.

PiKA's at South Carolina recently finished a major house project. Under the supervision of House Manager Matt Godek, the entire interior was painted, the carpet shampooed, every trophy polished and all furniture cleaned and repaired. Brothers and Pledges alike put in long hours on what we feel was a very worthwhile and successful project.

## Vanderbilt PiKA's Hold Founders' Day Celebration

Sigma Chapter held its annual Founders' Day celebration March 15 at the Biltmore Hotel. The active chapter was particularly pleased by the large number of alumni present, among whom were Brothers George Patton ('32), Howard Pardue ('34), Ed Kirkpatrick ('40), John Fitzgerald ('66), and Caddy Coddington ('68). The excellent dinner was followed by a round of speeches presided over by past SMC Robert Thompson. Current SMC Larry Ahern spoke on the present state of the chapter. Sigma's Alumnus counselor, Bob Moore, ('57) introduced the main

speaker, Brother John Green ('54), a Vice-President of the Holiday Inns of America, who discussed the close relation between active-alumni cooperation and the well-being of the fraternity. Honored at the banquet was the current pledge class, consisting of Tommy Cross, Jasper, Ala.; Harry Haddad, Munford, Tenn.; Robert Nelson, Houston, Tex.; Branch Connelly, Kingsport, Tenn.; Dan Morgan, Spartanburg, S. C.; Rich Rhoda, Suffern, N. Y.; Richard Chestnut, Gaylesville, Ala.; Jo Jack, Garland, Tex.; Rob Liddon, Corinth, Miss.; Mitch Irwin, Jacksonville, Fla.; Randy Tillman, Natchez, Miss.; and Bart Leathers, Nashville, Tenn. These are a fine group of men who hold great promise for Sigma chapter in particular and the fraternity in general. Also honored was Sigma's new faculty advisor, Dr. Steven Langa, who was initiated on the sixth of April.

The year so far has been one of outstanding achievement, particularly in the areas of house improvement and intramural sports. House improvements, directed by House Managers Rod Phelan and Pete Richardson and supervised by Improvements Chairman Don Hyde, have made the house a far more pleasant place to be in and to look at. Among the improvements completed thus far have been a new carpet and a new, improved lighting system for the living room, while the house has been repainted from top to bottom. Other improvements are scheduled for the months to come.

Sigma's intramural program has been equally successful and considerably more spectacular. Pike teams made it to the quarterfinals in football, the finals in basketball, and won the championship in volleyball. Rusty Trenary was voted Most Valuable Player in football, while George Briggs won similar honors in basketball. Sigma stands third out of sixteen currently in intramural standings.

However, this is not to say that our chapter is only prominent in sports and industrial arts. Pikes hold more than their share of campus offices: John Seward is President of the Junior Class, Rod Phelan is President of the Student Court, Richard Chestnut has been elected to the Honor Council, and Mike Spain, Billy Akin, Danny Platt, Mitch Irwin, Branch Connelly, and Tom Moore are varsity or Freshman cheerleaders.

### Zeta Gamma Hosts Second Annual PiKA Basketball Tournament

The weekend of March 15th and 16th, Zeta Gamma Chapter of Eastern Illinois University hosted its second annual Pi Kappa Alpha Invitational Basketball Tournament. This year's tournament consisted of eight teams, an expansion of the four team tourney of last year. Participating chapters included: Beta Eta of Illinois, Beta Phi of Purdue, Delta Sigma of Bradley, Delta Xi

of Indiana, Epsilon Beta of Valparaiso, Epsilon Iota of Southeast Missouri State, Zeta Delta of Parsons, and Zeta Gamma.

The tournament weekend got into full swing with a dance at the Student Union Friday night. Miss Vicki Duncan (Delta Zeta) was crowned queen of the tournament at the dance. Saturday morning and afternoon, the first and second rounds of the double elimination tourney were played. Saturday night, a party was held for the participating chapters. Sunday, the championship, third place, and consolation championship games were played. For the consolation championship, Purdue outlasted Parsons 47-40; for third place, Valparaiso whipped Illinois 66-49; and for the championship, Southeast Missouri State overpowered Eastern Illinois 66-47. The scoring title went to Dick Briars of Valpo, who averaged 27 points a game.

Besides enjoying themselves on the court, the brothers here at Zeta Gamma and of the other visiting chapters made the most of their time off the court. The tournament provided an excellent opportunity to meet as well as get to know many brothers from nearby chapters.

### Alpha Nu Chapter Active In Campus Politics

Alpha Nu chapter, University of Missouri at Columbia, is making a name for itself in student politics thanks to the efforts of brothers Dave Howard, Carl Smith, and Mike Lewis, new officers of the Individual Party. Dave is the Party's Co-Chairman, Carl has been appointed to a post on the steering committee, and Mike was elected the Credentials coordinator of the organization. Having these men in office (along with unanimous membership within the house itself) gives us a very

good chance of capturing critical offices in the campus elections this coming spring.

Newly elected chapter officers are: David Lupardus, SMC, Dan Stookey, IMC, Jim Veazey, SC and Housemanager, Dave Howard, ThC, Larry Jensen, Assistant ThC, and Charles Hanor, Scholarship Chairman. These men are an asset to the efficient operation of our chapter here at Columbia.

At Christmas the brothers and pledges of Alpha Nu took time off to ring bells for the annual Salvation Army "Tree of Lights" drive for the underprivileged. In spite of the weather, people were quite generous and we collected a considerable amount of money for the charity.

Alpha Nu cooperated with the other chapters in our district in the installation ceremonies for the St. Louis colony on March 1. Our Founder's Day celebration was the following Saturday, March 8, 1969. Mr. A. Wellborne Moise, PiKA's National Alumni Secretary, was featured speaker.

Since September fourteen new men have been brought into the bonds of Pi Kappa Alpha. They are: Tim Travis, Larry Jensen, Mike Faust, Steve Moore, Eric Juhre, Bob Ferris, Mike Bredeman, Mac Steiger, Rich Riek, Lynn Allen, Carl Smith, Mike Lewis, Chuck Gathman, and Chuck Schneider.

### New IKA Frat House Completed on University of Pennsylvania Campus

Beta Pi chapter is proud of two events which have added prestige and stature to our fraternity on Pennsylvania's campus.

The first accomplishment is the completion of our new fraternity house. It has room to sleep 36 brothers and has the most modern kitchen facilities of any house on campus. The basement has a rathskeller, party room with built in draining system, laundry room, and game room. The first floor consists of the kitchen, dining room, president's office, TV room, chapter room, coat room, and waiting room. The second and third floors each have eighteen double

bedrooms. The active brotherhood would like to take this opportunity to thank each and every alumnus for his help.

The second event which capped off the semester was the election of Miss Monica Byorick as Homecoming Queen and Miss University of Pennsylvania as a result of a campus wide election. Our chapter sponsored Miss Byorick, who is an honor student and sophomore in the Oral Hygiene program at the University.

### **Gamma Mu Maintains Outstanding Scholastic Standing**

Gamma Mu, according to the 1967-68 scholarship record sent out by the national Fraternity, received the highest award in the university category for its outstanding academic average. In the overall rankings we were second to Epsilon Phi. We had the highest average among the twelve fraternities here at New Hampshire. This past semester was no exception. The results haven't been made yet, but you can bet that we'll be among the leaders if not tops again. Because of our hard work we were the recipient of an IFC award given annually to that fraternity here at New Hampshire that has maintained the highest scholastic standing. Bob MacEwen was elected to Tau Beta Pi engineering honor society on the basis of his outstanding 3.7 accumulative average in electrical engineering.

Aside from our scholastic standing Gamma Mu has continued to be the leader in campus politics. Jose Fernandez, Carmen Frattaroli, and Lew Chaiken are the presidents of the senior, junior, and sophomore classes respectively. Pip Robinson, Bob MacEwen, and Kevin Barry are the treasurers of the senior, junior, and sophomore classes respectively. Chris Holmes is vice-president of the sophomore class. Carmen Frattaroli is also the treasurer of the Student Senate and president of the inter-class council.

Elected to Sophomore Sphinx, an organization whose function is to instill the ideals and spirit of our school into the incoming freshman class, were Chris Holmes and Chris Hart.

Through the great effort of the Brothers of Gamma Mu, Sue Parzych of Alpha Xi Delta Sorority was chosen Homecoming Queen for 1968-69.

Rush went very well this past semester as compared to the other fraternities on our campus. Our pledge class is composed of a spirited and outstanding group of young men. They are sure to be a tremendous asset to our chapter in the future. Those involved in extracurricular activities are Bob Quinn—gymnastics team, Ric Schumacher—track team, and Marty Martin—varsity soccer. The pledge class did very well academically with Pete Volkert leading the way with a perfect 4.0 grade point average.

Through the efforts of our devoted and ambitious athletic chairman Don Congdon, we finished fifth in intramurals for the first semester. Don has done a great job in strengthening our house spirit.

To celebrate Founders Day we went to the Concord Highway Hotel in Concord, New Hampshire. The evening began with a banquet followed with speeches by SMC Mike Weisel and Alumni President Karl Broekhuizen. Also, we had the presentation of the Bill Zimmerman Award, which means a lot to all of us. This award is given annually to that active who most exemplifies the ideals of the Pi Kappa Alpha Fraternity. Last year's recipient Chuck Doleac presented the coveted award to this year's recipient Lane Lacey. The evening of festivities was capped by a dance with entertainment provided by a band from Boston.

Gamma Mu's newly elected officers are SMC Mike Weisel; IMC Carmen Frattaroli; ThC "Dick" Miner; and SC Dave Martin. Through the leadership of these capable men the coming year should prove to be even more outstanding.

### **Delta Delta Pikes Make Fine Showing in Campus Athletics**

Delta Delta Pikes hold a well-respected position in Florida Southern College athletics, with over one-third of the brotherhood participating in varsity sports. Randy Lewis, John Wilcox, and Bob Dillon were tapped as Greek All-Stars after a tough gridiron battle to topple the undefeated Sigma Chi's, 18-6. Basketball proved somewhat less fruitful with IKA producing only one all-star, Bob Egger. Bob is also the director of the entire men's intramural program, having succeeded Bob Dillon.

Florida Southern's Baseball squad will be shooting for its tenth consecutive winning season assisted by the speed and hitting of three Pikes. Page Fullington and his big brother, Randy Lewis, set the pace in hitting as the #1 and #2 men on the team. Fullington ended last season with a .397 batting average, 20th among the nation's small colleges in hitting, and with a 29 game hitting streak established a new school record, previously held by a Pike. Brother Lewis placed 12th in the nation in stolen bases and rounded out last season as the team's #2 hitter with a .322 BA. In addition, Pledge Terry Cummings is battling hard for the #2 slot on the mound this year.

On this year's crew team, Brothers Brian Weaver, John Wilcox, Charles Hood, and John Runner hold four of the eight positions on Southern's varsity crew schell.

Doug Seegmiller and Dean Shimer hold the #2 and #4 slots on the varsity tennis squad. Seegmiller excelled consistently to capture his position as co-captain.

The Varsity Golf team is led by Glen Phipps, taking a 3 stroke handicap and filling this year's spot as captain and assistant coach.

Brother Carl Beverly and Pledge Albert Misan hold down two of the eleven positions on the varsity and junior varsity soccer squads. Brother Beverly has maintained his senior position on the varsity squad for three years. Pledge Misan, a freshman from Rio de Janeiro, Brazil, stands a short 5'2", yet battles with the big boys in his slot on the junior varsity squad.

Encouraging well-roundedness in its members, Delta Delta has strived to maintain its position off as well as on the ball field. Past SMC Bob Dillon, recently tapped for WHO'S WHO IN AMERICAN COLLEGES, has, in addition to his election as Vice President of O.D.K., founded a chapter of the Order of Omega, a honorary Greek Order founded nationally by Brother Pat Halloran, IKA National Rush Director. Brother Dillon was chosen this year for Southern's Greek Hall of Fame. In addition, Dillon and Yale Wedig, also a past SMC, have received special commendations for IFC service.

Delta Delta's current SMC, Craig Brenner, has upheld the tradition of IKA leadership on campus. Having actively participated in S.G.A. as senator, Supreme Court Justice, and Chairman of the Constitution and By-Laws Committee, Brenner was recently tapped by O.D.K. Bob Egger and John Runner both hold the position of S.G.A. Senators, with Carl D'Agostino, presently Delta Delta's rush chairman, serving as President of the Sophomore Class.

Delta Delta's current officers include: SMC Craig Brenner, IMC Bob Clark, ThC Dean Shimer, S.C. Doug Seegmiller, MC Carl Beverly, and Pledge Master Larry Stahl. Hosting the District #9 Convention this year, the brothers and pledges are looking forward to welcoming our brothers from all over the state of Florida.

### **Delaware Chapter Presents "Distinguished Service Award" To Senator Williams**

On March 18th SMC Michael Levitsky, ThC Ervil Francis, SC Edward Carr, and Thomas Runnels traveled to Washington, D. C. to present the Honorable John J. Williams (ΔH-Delaware) with the chapter's Distinguished Service Award. Williams, Senior Republican Senator from Delaware, was given the award for his outstanding representation of PiKA in the Senate and for his many years of service to his state and country. Honored at receiving the award, Sen. Williams talked at length with the delegation on political matters ranging from farm subsidies to the negative income tax.

Delta Eta is doubly honored this Spring as Melvin Slawik was chosen Delaware "Man of the year." Brother Slawik is a State Senator and is very active in work concerning intra-city problems in Wilmington, Delaware.

Delta Eta welcomes its newest initiates:

Leigh Arthur Rood Bandekow, Scott Earle Downing, O. Shannon Russell, and Richard Thomas Stouffer. New officers are: SMC Michael Levitsky, IMC Richard Stouffer, ThC Ervil Francis, MS Edward Carr, MC Charles Burris.

In alumni notes David Lloyd is now serving his country in the Army, William Jones is stationed in Germany, Alfred Haden has entered the seminary in Chester, Pa., Russell Mattison has enlisted with the Air Force, and Fred Wehle and Dale Olm have returned to the University to continue their academic careers.

The Delta Eta House Corporation reports that plans are progressing very well for the purchase of our new Chapter House. The new house will more than double the capacity of our present house, as well as provide quarters for a House Mother, and over an acre and a half of land for athletics and relaxation.

Our past ThC, Vincent Di Leonardo, has been elected treasurer of the newly re-organized Interfraternity Government. This is a great honor for him and our chapter.

Graduating this month from the University and into greater service with PiKA are: James Elwanger, David Elzey, William Leedom, Claude Hastings, Philip Philips, and Douglas Randolph.

Brother Geoffrey Robert Coleman became "permanently pinned" to Elizabeth Claire Stanford on March 29, and they are now living at 26 Marvin Drive, Apt. B-3, Newark, Del. 19711.

## The Rise of Delta Sigma

After sacrificing brotherhood for the complete existence of social aspects and campus prestige, coupled with a lack of awareness of the internal structure of the fraternity, Delta Sigma had only 17 brothers remaining in 1967. Since that time, Delta Sigma has been undergoing a steady up-hill fight to achieve prestige on campus without sacrificing its bonds of brotherhood.

This year we have taken trophies in house decorations (2nd place), stunt show (1st place), blood drive (1st place) and campus carnival (2nd place). This in itself was amazing after the 1967 incident. However, Delta Sigma has accomplished more than just the winning of awards.

In 1967 only one brother out of 17 participated in campus activities. Today there are 36, with many in positions which will help younger members to expand their education. Currently there are two brothers serving as committee chairmen of the Student Center Board, a IKA is business manager of the school paper, and we have members on the Lecture Arts Committee and Homecoming Committee.

Our chapter has inaugurated something novel at Bradley—the Pi Kappa Alpha Mess-Up Serenade—in which the brothers write their own "special lyrics" to already

established music. This is quite popular with the sororities on campus.

We at Delta Sigma are proud of these accomplishments. In less than two years we have built a strong structure from a very shaky foundation of 1967. Delta Sigma is rising again!

## IKA's Take Top Awards During Univ. of Nebraska at Omaha's "Greek Week"

The brothers of Pi Kappa Alpha of the University of Nebraska at Omaha take great pride in their achievements of the past year. This was pointed up at the annual Greek Week Banquet, where the Pikes took more than their share of trophies and awards. The most disappointing aspects was that only four first-place trophies were won in intramurals. That was the only disappointment of the night, however, as the rest of the night was all IKA. Bob Voller won the award for the pledge with the highest grade average with a 3.78, and Steve Heck won the IFC award as the Outstanding Pledge. The most treasured award was yet to be won. The Scholarship Cup, which has traditionally become a Delta Chi possession, was again won by the Pikes with the highest average achieved by a fraternity on the Omaha campus with a 2.68.

Twenty-six pledges successfully completed pledge training from the fall semester and have been initiated. They are: Doug Andrews, Rich Armstrong, Jim Costello, Brian Dauner, Mike David, Charlie Doubek, Steve Duffield, Bob Frederick, Dick Gilbert, Chuck Goodwin, Rich Graham, Larry Hansen, Steve Hansen, Steve Heck, Mike Jefferies, Neal Kimmel, John Kurbel, John Lemen, George McGinty, Roger McClendon, Ken Nehaus, John Reber, Gary Reiss, Van Richards, Bruce Shoneboom, and Bob Voller.

Second semester pledges at Delta Chi are John Ballan Robert Blair, Joe Bartley, Steve Block, Paul Carter, Jeff Damgaard, Bob Eddinger, Enrique De La Guardia, Ed Hamel, Bill Kruse, Dan Park Stan Stednitz and Jim Walkenhorst.

The brothers of Delta Chi have elected the following officers for the coming year: President Dennis V. Moorlegheem, Vice-president Herb Wehner, Secretary Bob Hayes, Treasurer Ed Hanna and Pledge trainer Rich Kniewel.

Delta Chi chapter was pleased to be host to the members of IKA chapters of District 19 at a one day leadership clinic on March 22.

## IKA's at North Texas State Work To Regain Lost Status

Just three years ago, in the fall of 1965, Epsilon Delta was a leading chapter on

*Epsilon Delta Chapter House at North Texas State University.*

the North Texas University campus. However, due to an unfortunate incident, Epsilon Delta was suspended for two years.

In the fall of 1967, seven men returned to gather up the pieces and attempted to rebuild the chapter to the structure it once had. Our Brothers had no house or money to use for rush, so they rushed out of their apartments and whenever else they could. With the assistance of the National Headquarters and alumni support they were able to have two extremely successful rush parties.

We were also able to acquire a house. Then we had a place to gather, and most important we had a place to hold rush. Epsilon Delta was able to pledge 14 men that fall. At that time Epsilon Delta also displayed its leadership potential when Mike McKinley was elected vice-president of the IFC.

The next summer the chapter was also very successful; we pledged 12 of the finest men on campus, and held a Founders' Day banquet and Dream Girl Spring Formal. Together with Kappa Delta sorority, we gave a party for the less gifted children of Denton State School.

As our chapter got larger, our house was unable to accommodate many of the Brothers, so we were able to acquire a larger house. It was nothing to look at and was virtually an eyesore to the neighborhood. However, we have changed the house one-hundred per cent since we moved in. We now have wall-to-wall carpeting. The interior has been sheet-rocked and repainted by our members. The exterior has also been painted and we are now in the process of having showers installed. The house still needs some more work, but we see no reason why we cannot do it. On the other hand, we are looking toward the future when we will be able to build on the land we own located one block from campus.

During the summer, we were also able to purchase a 1927 American La France firetruck. It has recently been painted metalflake red, and has become a popular object on the North Texas campus.

We have come a long way since the fall of 1967, and we are looking forward to the future. We see no reason why our chapter cannot retake the leadership it once had on this campus.

## **IKA's at East Tenn. State Univ. Rank First in Scholarship on Campus**

Epsilon Zeta's annual Calendar Girl Ball was held January 11. The calendar this year was the best ever and early sales reflected this. Ed Layne has done an outstanding job and deserves a sincere thank-you from all of us.

Scholarship-wise, Fall Quarter was another success for our Chapter. We finished first among all fraternities with a 2.3 overall for actives and pledges. All-Sing was held late in January and we finished third in Large Group competition. Brother Sid Oakley conducted again this year and worked hard and long to produce good results.

The weekend of February 14, 1969, Brothers Larry Scott, Jim Wilson, Nick Hart, Fred Whitson, and Buzzy Wright went to Concord College, Athens, West Virginia, for the purpose of installing and initiating Zeta Upsilon Chapter. Thirty-five men were initiated. Chapters also represented were Pi (Washington & Lee) and Delta Iota (Marshall). Brother Scott was appointed Undergraduate Coordinator.

We initiated sixteen new brothers into Epsilon Zeta in January. The new Ingress program presented at the National Convention this past summer was observed by SMC Pat Trimboli and Larry Scott. They brought back with them many new and fresh ideas. Nick Hart incorporated this into our program and initiation was a rewarding experience for all concerned.

At this point, IKA is in second place in IFC intramural standings, one point behind the Sigma Phi Epsilons. Our basketball team, led by Mike Cassell, was a 100% improvement over last year, finishing in second place. Earlier in Fall Quarter our cross-country team finished third. The IFC cup is within reach now and we plan to make it ours this year.

The chapter has been very active in several public and campus service projects. We participated in the inauguration of the new ETSU president, sponsored a Christmas party for underprivileged children, and recently participated in a Heart Fund drive.

Along with all these activities there have been continuous improvements added to the house. The most recent was the installment of a new \$1500 heating system.

The newly elected officers for 1969 are: SMC Nick Hart, IMC "Buzzy" Wright, Th.C. Wayne Ferguson, and SC Barry Haynes.

Epsilon Zeta wishes to pay tribute to her brothers who graduated this past fall quarter. These include Steve Bishop, Frank D. McLane, Melvin Sword, Robert Rainey, and John Rice. Their brotherhood and advice will be greatly missed, but as always, Epsilon Zeta moves onward.

## **Eastern New Mexico Pikes Prominent in Campus Activities**

Several Brothers of ET are prominent in campus activities involving both the student body and the fraternity system on the Eastern campus. Brother John Koontz was recently elected President of the Interfraternity Council; Art Martin received a ROTC scholarship which will pay for his educational obligations during his junior and senior years at ENMU; Frank Lavato, Art Martin and Tom Frasier are active in student government as senators; and Dave Wetzel is serving as head of the Board of Activities and gives the Pikes added support from behind the scenes.

The Founders' Day Banquet was a big success as usual, and a dance after the Banquet honored the new active members. John Whiteside, District President and an alumnus of ET, was guest speaker.

Officers for this semester are the following: SMC, John Koontz; IMC, Bill Maute; SC, Ron Humphreys; ThC, Art Martin; and Jody Barnett was appointed MC. The pledges initiated into the bonds of brotherhood were Charlie Fisher and George Banister.

Nine men constitute the spring semester pledge class; they include: Bob Hamilton, Sandy Pasquale, George Banister, John Bartlett, Jim Slode, Dale Head, Mark Burdick, Larry Jensen, and Bob Longwell.

## **Delta Gamma Chapter Crowns New Dream Girl**

This year has been a good one for Delta Gamma. We feel that we have started to move up socially and academically.

Our house came out ahead on grades this year. There were two 4.0's for the fall trimester and the other brothers fared very well. Consequently, the chapter was above the all men's average for the fall trimester.

We held our Dream Girl formal in April. Our Dream girl this year is Miss Teddi Hebing, pinmate of brother Daniel Peplin. Social chairman Rick Martin has done a commendable job.

The fall pledge class of twenty-one fine young men were all activated this winter trimester. This class was the largest fall pledge class on campus. The IKA Ingress policy was used and the chapter found it was a very successful method of pre-initiation.

We were very "fired" up for this year's winter rush. We pledged thirty-seven young men. Under the Ingress program we find this class is rapidly becoming a very fine one. The Ingress program is the most effective way we know of to give the pledge an understanding of the meaning of Pi Kappa Alpha.

Officers for next year have been elected, and are: David Hatalsky, SMC; Dale Strawhacker, IMC; Rick Grile, SC, and Greg Hardwick, pledge master. Brother David Aselyne, an active member of the student senate, is running for student sen-

ate vice president for next year. We wish him lots of luck.

This year we were very fortunate in acquiring a fire truck. This was a donation of Mr. Rod Helwig, father of brother Jim Helwig.

During Greek week, our chapter sponsored the annual Pi Kappa Alpha track meet.

In intramurals our basketball team ran into some hard luck, but our volley ball team, lead by John Liebersbach, went to the semi-finals.

All in all we feel this year has been a good one and we plan to keep moving ahead in the years to come.

## **Illinois Pikes Take Homecoming Trophy for 4th Consecutive Year**

This year, the Pikes at Illinois paired with Alpha Phi Sorority and constructed a homecoming float which took second place honors. Countless hours were spent on the project headed by Brother Dick Wiand. This marks the fourth consecutive year that Beta Eta has taken either a first or second place award in homecoming floats or house decorations.

In intramurals we finished second on campus in football. Under the superb leadership of quarterback and captain, Chuck Schierer, Pikes were undefeated until the championship game, when we were defeated in a close game, 13-6. Brother Schierer was also elected to the all I.M. basketball squad, adding to our intramural accomplishments.

A new endeavor for Illinois Pikes this year is our Little Sisters of the Shield and Diamond. During the past two semesters, we have selected thirty women from the best seventeen sororities on campus for this program. The highlight of our first year of activities with our new Little Sisters was a picnic held in the spring at Lake of the Woods.

This year our Founders' Day Banquet was one of the best ever at Illinois. Paul Halter was chairman of the events which included the banquet, a film on the national history of IKA, and a dance. The fabulous success of the celebration was added to by the presence of many brothers and their dates from Zeta Gamma at Eastern Illinois who came for the annual event.

Our biggest social event of the year was our Spring Formal, known as the Old South Ball. In the tradition of the Old South, we were dressed in confederate uniforms as we delivered the invitations on horseback to the sororities.

We here at Beta Eta wish all of our Brothers across the nation a happy and successful summer.

## Epsilon Phi "Strives for Betterment"

Epsilon Phi chapter at State College of Arkansas is again having a successful year. Shortly after the installation of John Boyeskie as SMC, Steve Creek as IMC, Steve Floyd as SC, and Bob Fraser as ThC, Epsilon Phi initiated 14 pledges as new brothers into the chapter. James Boston, James Brown, Richard McCauley, Jean Bumgardner, Randy Crowell, Scotty Moon, Ronnie Hill, David Floyd, Raymond Dupuy, Gary Williamson, Tom McKinney, James Wilson, Wayne Lemley were the pledges initiated. Mr. Leroy Henderson was initiated as a new chapter sponsor. Since spring rush has arrived, the chapter has taken 14 well rounded men as new pledges. New pledges include Rusty Cranford, Mike Cummins, Larry Alford, Randy White, Paul Tollett, Bobby Hill, Ronnie White, Blake Browning, Rick Wilbanks, Ronnie Jones, Lee Davidson, David Wingfield, Robert Stevens, and Glen Acres. These new members and additional pledges will help Epsilon Phi keep her top rating on the State College campus.

In other fields, Epsilon Phi is again ahead in intramurals on campus. The standings show an almost sure win of the Sweepstakes Trophy again, the award we have won eight of the last nine years. We are also well represented by brothers on the various school teams, with at least one brother in each sport and several gaining all-conference honors. Besides sports, the men of Pi Kappa Alpha are well represented in campus activities. Included in the membership are several Student Senate members, presidents and vice-presidents of organizations and classes.

The social life at Epsilon Phi has also been well rounded. Included are several parties that ranged from a "coat and tie affair" to a "goat roast." The rush parties for both semesters were very successful as were the "smokers" and other rush functions. Coming up will be the "Dream Girl Formal" with Miss Brenda Ridings as the dream girl.

Financially, Epsilon Phi has been striving to get ahead and stay there. Each member is trying harder to be punctual with his dues, and as a result, the debt we had incurred on chapter room furniture has been paid along with other obligations. Presently, we now have more money for doing things that are both enjoyable for the members and necessary for the fraternity to function.

After having several brothers attend the National Convention the past summer, we have seen a few of the areas that we were falling short in. Several committees were formed for revision of the constitution, financial considerations and other items. All in all, Epsilon Phi is striving for betterment of the chapter and Pi Kappa Alpha.

## Gamma Xi Hosts Districts #27-A and B Convention

On March 1, 1969, the seven chapters of Districts 27A and 27B met at the home of Gamma Xi in Pullman Washington, to commemorate Pi Kappa Alpha's 101st year of brotherhood, and to strive to strengthen the already firm bonds of fraternalism, found there-in.

After the opening convocation, the Convention plunged immediately into the business at hand. One of the first topics considered was "Racism as it affects the Fraternity". This rather abrupt departure from the traditional classes found at most district conventions, was necessitated by the relevance of this vital issue to our Fraternity. In addition to Bob Dixey, SMC of Gamma Xi, it was chaired by Dean Robert G. Kinney and Doctor Robert C. Day, of Washington State University. Doctor Day is a sociologist and an expert in the field of race relations. Dean Kinney, Assistant Dean of Men, in charge of fraternities at Washington State, did a very fine job of bringing the sometimes rather deep ideas of Doctor Day down to a level which we could all apply to our own lives. After nearly two hours of discussion and debate, the delegates moved to do something concrete to improve the racial situation in our fraternity. With this in mind, a resolution was sent to the National Office, in hopes that our fraternity might take the lead in the spreading of the ideas and ideals of Pi Kappa Alpha.

After a break for lunch, at which time the seven district Dream Girls met the judges who would select the District Dream Girl for 27A and 27B, concurrent classes on Finances, Public Relations, Ingress, and Pledge Training were held. Delegates could choose any three.

The Finance class was run by Beta Nu and stressed the importance of keeping the chapter's credit good. They presented their own financial program and asked for suggestions from other chapters on how it could be improved.

The class on Public Relations was run by Zeta Nu. As a young chapter, it has had to concentrate more than most chapters on this vital area of spreading the good name of Pi Kappa Alpha at Eastern Washington State College. Jim Wolfe, SMC, expressed a preference for silent Public Relations rather than loud and boisterous Public Relations. The main point of the class was that by stressing such practical considerations as good scholarship and social awareness, a chapter's public relations will, for the most part, take care of itself.

Lance Parker, representing Zeta Mu, did a superb job of presenting the class on Ingress. A pioneer in this rather recent aspect of fraternalism, he pointed out the fact that Ingress is not an isolated week, but is rather the culmination of the Pledge Program. He also stressed the importance of adapting it to the particular group going through the pledging program.

On the subject of Pledge Training, Gamma Pi, winner of the National Pledge

Training Award, showed further the liberal movement of our fraternity. Instead of treating the pledge as a sub-human being with no rights, the emphasis is put on the need to prepare the pledge for active membership. By having him do something for the fraternity rather than having the fraternity do everything to and for him, this can be more successfully accomplished.

Next on the agenda was a banquet, at which district awards were presented by District President Richard Davis. Doctor George Watkins, III, past National Secretary, was master of ceremonies. Featured speaker was Rulen (Bunny) Clark, past National Vice-President. Awards went to Gamma Pi for chapter proficiency, Beta Beta for overall improvement, and Beta Nu for scholarship. In addition Earl Nelson, Gamma Xi, received the Distinguished Service Award for his long and tireless dedication to Pi Kappa Alpha.

After the banquet, most delegates attended a semi-formal Dream Girl Dance, at which Miss Janice Cunningham, Delta Rho, was crowned District Dream Girl. Miss Ann Ashford, Beta Nu, was chosen as alternate. Dates for those unable to bring their own were provided by Gamma Xi.

It is felt by almost all who attended, that the convention was a definite success. In mere attendance, it surpassed most conventions of recent years. The enthusiasm and dedication shown by the delegates was even more noticeable than the fine attendance, however. An atmosphere of pride in the traditions of Pi Kappa Alpha, and confidence that our Fraternity will continue to grow and improve, pervaded all that was undertaken. Much of this pride and confidence was enhanced by the very structure and organization of the convention. The hard work and dedication of convention chairman John Horne of Gamma Xi was very apparent in every aspect of the convention.

## Seton Hall Colony Participates In Community Service Project in Newark

The Pi Kappa Alpha Colony at Seton Hall University recently conducted a drive to sell tickets for the Newark Police Athletic League's Third Annual Benefit Basketball Game.

The brotherhood began working in conjunction with the PAL last September when we took twenty-five boys from the organization to a Seton Hall Football Game. Since our effort was deeply appreciated, we inquired about giving future assistance to the league. Captain George Hemmer, President of the Police Athletic League suggested that we sell tickets for the benefit game. President Tim McManus divided the brothers and pledges into teams that covered the various areas of Newark where the tickets were sold to the merchants. Participation of one hundred percent enabled the brotherhood to present

## Western Michigan Pikes Elect New Officers

On March 17, 1969, EΨ chapter at Western Michigan University elected its new executive board for the fall semester. Greg Zimmer was elected SMC, Don Miller IMC, Scott Peterson SC, Brad Moore ThC, and Doug Michael house manager.

The Sheridan Motor Inn in Battle Creek, Michigan was the scene of EΨ's Dream Girl ball of 1969. Our Dream Girl for this year is Cindy Edmonds, pin-mate of brother Art Nash. Cindy is a Junior honors student and an active member of Phi Mu sorority.

The brothers of EΨ are very pleased with one of the best semesters on the record. The winning of the IFC scholarship award with an overall average of 2.71 and the second largest pledge class out of 20 fraternities on campus were among the achievements of which the brothers are proud. Brothers Dave Heineke and Bob Hylland did their part toward the award. Both pre-med students had perfect 4.0's for the semester.

The pledge class of Winter 1969 is remodeling the house chapter room for their project. Among the improvements to be made are barn wood panelling, a hanging ceiling, and carpeting.

The brothers are looking forward to a great summer with five social events planned for the summer weekends, including a canoe trip on the Muskegon River, and weekends at several of the brothers'

summer cottages.

The brothers are looking forward to a great summer and a good fall rush with all events planned for the summer to include plans for summer rush, with contacts to be made by the brothers in their home towns.

## Zeta Nu Chapter Wins 3rd Consecutive IFC Championship

The men of Zeta Nu again successfully defended their IFC Football Championship. The Garnet and Gold defeated the men of Lambda Chi Alpha 13-7 to win their third consecutive IFC Championship.

Zeta Nu Chapter House at Eastern Washington State College.

Zeta Nu made the IFC Basketball finals, but this time the tables were turned with Lambda Chi Alpha squeaking out a narrow victory.

At the current time, our bowling teams are in the class of the intramural leagues. Team number one is nine games out in front in their league, while team number two is tied for first in their league. These standings, plus even a mediocre showing in softball, should bring the Intramural Supremacy Trophy to Zeta Nu.

Several selections have taken place here at Zeta Nu since our last correspondence. First and foremost was the election of officers for the following year. They are: SMC—Donald J. Walker, IMC—Daniel Putt Nichols, SC—James L. Weaver, ThC—Daniel Bosch.

Our Dream Girl for the ensuing year has also been chosen. Miss Sue Obde was crowned at the Annual Dream Girl Dance which was held at the North Shore Lodge in Coeur D'lene, Idaho.

Brother Bill Odell, an alumnus of Zeta Nu, has become the new faculty advisor for this chapter. This was brought about by the transfer of our former advisor, Major John Galucci to Viet Nam and the addition of Brother Odell to the Faculty of Eastern Washington State College.

At the present, the men of Zeta Nu are preoccupied with playing soccer before and after dinner daily in an effort to get in shape for the upcoming IFC Bedrace. We hope to regain the trophy which we lost last year.

Plans are now in the making for the annual Weekender which will be held at Priest Lake, May 23-25. This should be one of the best ever from the looks of the plans currently on the drawing board.

## 1969 Is "Year of the Pike" at Univ. of South Florida

The "Year of the Pike" at Zeta Pi Chapter, University of South Florida, began auspiciously with an outstanding intramural and academic record for the first quarter of the 1968-69 academic year. Fifteen fine pledges, with thirteen being eligible for initiation also was an exceedingly fine record.

Academically Zeta Pi Chapter ranked second on the campus, with a 2.559 grade point average. This was well above the all-men's average of 2.350, and represented the greatest improvement of any fraternity on the campus.

Athletically the Pike gridders, mostly sun-tanned veterans of last year's championship team, completed an undefeated season while rolling up 140 points to the opponent's 12. After compiling the athletic points for all sports for Quarter I, Zeta Pi emerged first place in all leagues in overall intramural points.

Zeta Pi Chapter for the first time organized a Pledge Retreat, which was held at the University-owned Chinsegut Hill Mansion, about forty miles north of the University. The purpose of this Retreat was to provide an atmosphere conducive to an understanding of Pi Kappa Alpha, and a familiarization with the goals, objectives, and standards of the Fraternity.

Along with scholarship and athletics, Zeta Pi has a fine social schedule, which is expected to make a well-balanced fraternity, with excellence in all phases of fraternity operation, and to make this year truly the "Year of the Pike."

Zeta Pi Chapter is proud to have the following Pikes on the staff and faculty of the University of South Florida: Dr. John Lawrence, Epsilon Iota; Dr. Louis Jurgensen, Gamma Nu; Mr. Terry Runkle, Delta Upsilon; Dr. George Vanover, Epsilon Lambda; Mr. Frank Irvin, Alpha Mu; Mr. Paul Donovan, Delta Lambda; Mr. Vance Jennings, Beta Omicron; Mr. Robert Grindey, Swim Coach USF, Zeta Pi Chapter; and Colonel Kermit J. Silverwood, Pres. Dist. 9, Alpha Omega.

## Zeta Rho Acquires Antique Fire Engine

This fall the Alpha Pledge Class presented the chapter with a 1931 Chevrolet fire engine. Besides having only 1400 miles

on it, this beauty was supplied with four firemen's suits, two driving lamps, 200 feet of hose, and an antique crank siren.

We started our first semester as an active chapter by winning the first place Greek Week trophy. The height of Greek Week was a 28.4 mile walk for development. All the Pikes who participated finished. Other activities included the Greek games, sale of Greek Week pins, and the Greek Week banquet.

### Southwest Louisiana Colony Visits IKA Memorial Headquarters

The morning was calm, clear and about 65 degrees, not unusual for Southwest Louisiana. But something was different about this particular morning. An indescribable excitement filled the air, for today the Pi Kappa Alpha colony at the University of Southwestern Louisiana would visit Memorial Headquarters.

Memphis, heart of the Mid-South, was almost a dream to most of us down in "Cajun Country." Memphis, 450 miles north, would today become a reality.

On the way to Memphis we passed through Jackson, stopping to visit Alpha-Iota chapter at Millsaps. Talking to initiated members of Pi Kappa Alpha, who one day would be our brothers, was very rewarding to all of us. We were mutually rewarded because to the Pikes at Millsaps we were probably the first members of a "colony" they had met.

We finally arrived at our destination at 4:00 P.M.; a good feeling overcame us all while viewing the road sign which read, "Welcome to Memphis, Tennessee." We drove along Parkway Blvd., turned right onto University Ave., and there it stood, the Memorial Headquarters of the Pi Kappa Alpha Fraternity. It had been just a picture in the *Garnet and Gold Pledge Manual*, but now it looked at us, true to life.

The next morning we took the official tour of the building. Throughout the tour we saw things that are mentioned in the Pledge Manual now being brought to life, giving us a better understanding of all that we had read. Probably the most gratifying thing we saw was the original manuscript of the minutes of the first meeting and the Preamble.

To top off our visit to Memphis we stopped at Theta and Delta Zeta Chapters and continued to obtain advice on operation of a successful colony, and later, a successful chapter.

Our visitation to Memorial Headquarters was a new and rewarding experience; a visit that will remain with us forever. The colony members at U. S. L. are looking forward to a return trip to Memphis, this time as initiated members of Pi Kappa Alpha.

### Iowa State Chapter Takes Top Honors in Veishea Parade

With a quarter of a million people watching on statewide television and an additional fifty thousand along the parade route, the 1969 Iowa State University Veishea parade was highlighted by a float depicting the characters and scenes made famous by Walt Disney and constructed as a tribute to the great producer by Alpha Phi Chapter of Pi Kappa Alpha along with Alpha Delta Pi sorority. That night at the awards ceremony the judges agreed with the crowd's reaction by naming "A Tribute to Walt Disney" as the top float out of the 30 entries in the parade and winner of the Sweepstakes Trophy.

To attain this long-sought goal, hard work, long hours, and money were combined. The design for the 100 foot float was devised by John Glad. His sketches and plans for the float were finished by the first week in March and construction began immediately under the direction of Mark Zirkelbach. Randy Miles, Tom Rockne, Kevin Bieg, John Thurber, and Paul Eckhart were all instrumental in the construction of the masterpiece and mainly through their efforts the framework was completed by April. Then it was time to begin the serious work paper macheing and after asking Disney Studios for pictures of their more famous scenes, the building of the characters could begin.

One of the main assets of the float was some of its revolutionary ideas used. Each one of the different scenes was placed on a huge saucer, the largest having a diameter of 16 feet.

The first section of the float had a puppet show with Pinocchio as the leading character, followed by another saucer depicting "Jungle Book." Peter Pan and Captain Hook fought it out on a realistic pirate ship that rocked in the waves and shot candy with its cannons to the small children. Behind them were Grumpy, Dopey and Snow White next to a detailed dwarf's cottage. The Snow White scene was set on an angled saucer, constantly spinning so that everyone could see the scene. The last section was Sleeping Beauty's castle, fully

equipped with a fire-breathing dragon and a witch.

By capturing the Sweepstakes trophy for Veishea, the top event on campus, and coupled with a second place finish in Greek Week activities two weeks earlier, Pi Kappa Alpha has vaulted into the top spot at Iowa State.

### Alpha Kappa Turns To Baseball

In the spring, so it is said, a young man's fancy turns to baseball. Here at the University of Missouri at Rolla, six such young men represented Pi Kappa Alpha on the varsity baseball team. Brothers Don Albert, Steve Biederman, Jerry Callahan, Phil Colombatto, Tom Frisbee, and Dennis Miera were all lettermen on this year's squad. Brother Albert, the team's right fielder, was selected as captain for the 1969 season. Brother Frisbee was the ace pitcher on the staff, and with Brothers Callahan in left field, Colombatto at shortstop, Biederman at second base, and Miera behind the plate, Alpha Kappa comprised two-thirds of the starting lineup.

This year's District 20-B Convention was held here in Rolla, with Alpha Kappa hosting Epsilon Iota chapter from Southeast Missouri State, Alpha Nu from Missouri University at Columbia, and the two colonies from Southwest Missouri State and the University of Missouri at St. Louis. National Vice-President Robert V. Wolf, District President Duane Christensen, and Chapter Consultant Roger Eklund were in attendance. Group discussions were held on such subjects as Ingress, rush, scholarship, and leadership. Alpha Kappa was the recipient of the trophy given to the outstanding chapter in the district.

On the campus activity scene, Brother Keith Wedge was named one of the top six men on campus. Keith is the editor-in-chief of the yearbook and has held numerous offices in various campus organizations.

**NEW LEADERSHIP EXPERIENCES  
FOR A NEW ERA OF FRATERNITY**

Plans are now being completed for the 1969 Pi Kappa Alpha Leadership School which is to be held in August in the beautiful Central Towers residence hall on the campus of Memphis State University. This affair will be important to each undergraduate member and chapter because this leadership seminar has adopted a new format of instruction so that Pi Kappa Alpha's young leaders will be better equipped to help their chapters meet the challenges of CENTURY II.

**LEADERSHIP TRAINING IN THE AREAS OF:** Pledge Education—Ingress, Purposes and Procedures of Rush, Chapter Financial Management, Fraternity Image—Real or Imagined, and Educational Awareness of the Chapter. In addition, there will be a tour of the Memorial Headquarters, with an opportunity to discuss problems of your chapter with the resident staff.

**ATTENDANCE:** WILL BE VOLUNTARY, as opposed to the required attendance at all Leadership Schools on convention years. On the other hand, the Supreme Council is hopeful that all chapters will see fit to send several representatives. This is an excellent opportunity for you to meet the IKA National Officers and Supreme Council, all of whom will be on hand for the occasion.

**LOCATION:** Central Towers, a privately owned, high-rise, air-conditioned residence hall on the Memphis State University campus, has been selected as the site for the school. With few exceptions, the entire conference will be self-contained in this handsome facility. This includes sleeping, eating, and meeting classes.

**EXPENSES:** Since this is a voluntary-attendance affair, no travel expenses will be allotted to those who attend. The registration fee, however, will be provided by the National Fraternity for one man from each chapter or colony. This fee includes food and lodging from Sunday evening through Wednesday noon. Others who attend will pay a \$30.00 fee.

If you are planning to attend TURNPIKE 1969, send your registration forms in today to avoid last minute confusion. If you are desirous of obtaining registration forms or other information, please contact the Memorial Headquarters without delay.
