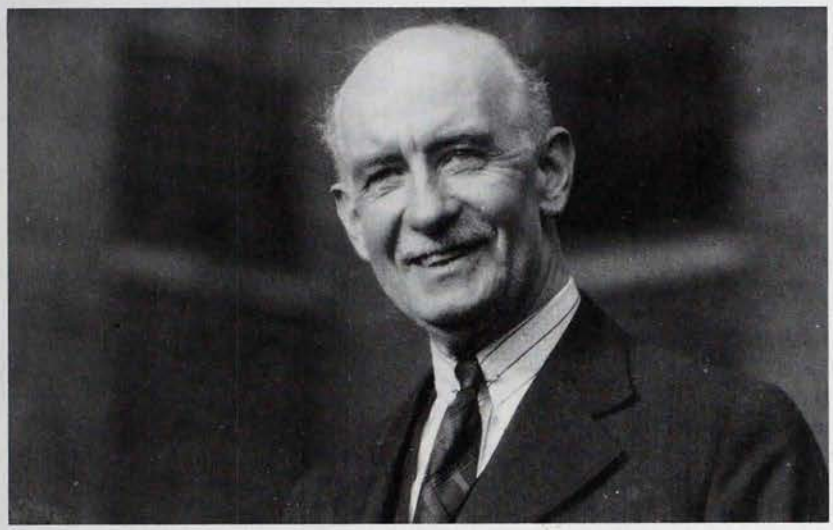
Fraternity's Magazine Remains Constant In 102nd Year of Publication



Above photo: **Robert Adger Smythe *(Lambda 1889)* created the Fraternity's magazine to promote brotherhood and communication among the members of Pi Kappa Alpha.**

Robert Adger Smythe started the Pi Kappa Alpha *Journal* on December 13, 1890 for the purposes of brotherhood and communication among the members of the Fraternity. He wanted each member to receive the magazine and keep abreast of the growth, unity and pride of Pi Kappa Alpha.

■ One of the Greek world's finest magazines, the *Shield & Diamond* is still published with that original commitment. Produced with you in mind, it contains stories about your chapter, your alumnus brothers, your Fraternity on the national level, and current issues facing Pi Kappa Alpha. We take pride in bringing you the very best in Greek publications.

Every Member's Magazine

■ As a member of Pi Kappa Alpha, you are entitled to receive the *Shield & Diamond* for the rest of your life.

■ When you joined the Fraternity, a portion of your initiation fee paid for your lifetime subscription to the Fraternity's magazine. That was our agreement then, and it still stands. *But we need your help to keep our records current.*

Update Your Address

■ If you're receiving your copy of the *Shield & Diamond* now, it will keep coming to you. To continue receiving the Fraternity's magazine, all you need do is keep us informed of your current address. If you've moved, or are planning to do so, use the Reader Survey provided on the back of this cover wrap, or call the Memorial Headquarters at 901/748-1868 to update your address.

What If I Don't Read the *Shield & Diamond?*

■ If you don't read the *Shield & Diamond,* please consider saving Pi Kappa Alpha the cost of printing and mailing your issue. You may choose to delete your name from the magazine's circulation list, while still remaining a member on the Fraternity's master mailing list. You can do so with the Reader Survey provided on the back of this cover wrap, or by calling the Memorial Headquarters at 901/748-1868.

■ If you should change your mind in the future, we will be happy to put your name back on the *Shield & Diamond* circulation list.

Please return your Reader Survey today!

Tell Us What You Like Or Dislike

If you are a regular reader of the *Shield & Diamond*, please take a few moments to let us know what you like or dislike about the magazine.

What are your favorite features? What do you look for first when reading the *Shield & Diamond*? Would you like more alumni news? More undergraduate news?

Your responses will help us tailor Pi Kappa Alpha's magazine to the tastes of its readers.

Like the *Journal* of Robert Smythe's time, today's *Shield & Diamond* is designed to keep you informed of the growth, unity and pride of Pi Kappa Alpha. After 102 years, the magazine's mission remains constant. With your help, we can achieve that objective!

■ ***The Shield & Diamond is yours for life...***

...You don't have to return this survey to continue receiving your magazine.

■ ***We would like your help...***

...To update our records.

...To mail the Shield & Diamond only to those members interested in receiving it.

...To maintain our level of excellence and better serve our readers.

■ ***Please take a moment fill out the Reader Survey on the back of this cover wrap and return it to the Memorial Headquarters today.***

Thank you for your help!

The Pi Kappa Alpha Fraternity presents

The 1993 Chapter Presidents Conference

An Investment In Our Future!

"The Mississippi Delta begins in the lobby of the Peabody Hotel and ends on Catfish Row in Vicksburg.

The Peabody is the Paris Ritz, the Cairo Shepheard's, the London Savoy of this section.

If you stand near its fountain, where ducks waddle and turtles drowse, ultimately you will see everybody who is anybody in the Delta..."

Since 1973, the Chapter Presidents Conference has educated the presidents of Pi Kappa Alpha's chapters on how to improve chapter performance by teaching them how to become effective leaders, while giving them the personal skills to be successful in life.

A three-day leadership conference held every January for chapter presidents, this conference is by far the most intensive leadership program Pi Kappa Alpha offers. Workshop highlights will include managing the rush program, risk management, membership development and leadership training.

For an SMC attending the Chapter President's Conference, there is no registration fee. Presidents are only responsible for travel and lodging. Chapters, house corporations and alumni associations are encouraged to help offset these costs to allow every chapter president to attend.

Enjoy the magic of Memphis and the historic surroundings of the Peabody Hotel at Pi Kappa Alpha's 1993 Chapter Presidents Conference. For more information, call the Pi Kappa Alpha Memorial Headquarters at (901) 748-1868.

1992-93 Consultant Corps Joins Headquarters Staff

Executive Vice President Raymond L. Orians announces the addition of the 1992-93 Chapter Consultant Corps to the Memorial Headquarters staff. Two expansion consultants have also been added to the staff, and one Memorial Headquarters staff member has been named to a new position with the Educational Foundation.

1992-93 Chapter Consultants

Jeffrey S. Brown *(Southern Illinois University, Iota Mu '90)* graduated with a bachelor of science in marketing in May 1992. He was a founding member of Iota Mu and served the chapter as IMC, rush chairman, and alumni relations chairman. He was also an IFC representative. His memberships include the American Marketing Association, the Accounting Society, and the Phi Eta Sigma Academic Honor Society.

Matthew P. Dey *(Clemson University, Eta Alpha '89)* graduated in May 1992 with a bachelor of science degree in political science and a minor in economics. As an undergraduate, Dey served the chapter as SMC and rush chairman. He was chairman of the 1990 Clemson University First Friday Parade. Dey was also a member of the Tiger Brotherhood Honor Society and the Clemson University Student Alumni Council. He was involved in the Collegiate Brotherhood for Youth.

Larry W. Eby *(Southeast Missouri State University, Epsilon Iota '88)* graduated in December 1991 with a bachelor of science degree in mass communications. As an undergraduate, Eby served Epsilon Iota as SMC and pledge educator. He was also Heartland regional vice president and a delegate at the 1990 National Convention. Eby was a member of Order of Omega and served on IFC. He was on the Dean's List and received the Outstanding Student Leader Award.

William A. Green *(Wayne State University, Delta Nu '88)* graduated in May 1992 with bachelor of arts degrees in public relations and journalism. As an undergraduate, Green served the chapter as SMC. He was a member of the Student Newspaper Publications Board and served on the Wayne State Board of Governors. He was also a member of the Public Relations Student Society of America and made the Dean's List on four separate occasions.

Troy C. Ihlanfeldt *(Northwestern University, Gamma Rho '90)* received his bachelor of science degree in communication studies in June 1992. As an undergraduate he served Gamma Rho as executive vice president during his junior and senior years. During his sophomore year he served the chapter as corresponding secretary. Ihlanfeldt served as the undergraduate representative to the planning board at the 1990 National Convention.

Mickey Ryan *(Arkansas State University, Delta Theta '89)* served his chapter as SMC for two terms and for one term as secretary. He was a member of the honor roll, a member of the Union Board Concert Committee and of the Presidential Traffic Control Committee.

Two Consultants Join Expansion Team

Joining Director of Expansion Steven S. Vincent for the coming year's expansion efforts are Steven S. Heck and Christopher S. Hough.

Steven S. Heck *(Kansas State University, Alpha Omega '88)* graduated in December 1991 with a major in finance. Heck served Alpha Omega as SMC, pledge educator, philanthropy chairman, public relations chairman, and as a member of the rush advisory board. He was a member of Alpha Kappa Psi Business Honorary; the College of Business Council; the IFC Alcohol Task force; and the student senate. Heck received the Alpha Omega Leadership Scholarship.

Christopher S. Hough *(University of Pittsburgh, Gamma Sigma '89)* received his bachelor of arts degree in rhetorical communications. As an undergraduate, Hough served the chapter as IMC, rush chairman, social chairman, and public relations chairman. He was IFC rush chairman. He was also vice president of the Panther Scuba Club.

Annual Fund Director Appointed

Philip D. Spessard *(Hampden-Sydney College, Iota '88)*, who served the Fraternity as a chapter consultant during 1991-92 has been appointed by Educational Foundation Executive Director Jeffrey M. Abraham to serve as Annual Fund Director for the upcoming year.

Spessard graduated in 1991 with a B.A. in political science. He served Iota Chapter as SC and alumni relations chairman, and also worked to organize the 100th Anniversary celebration of the Fraternity's refounding at Hampden-Sydney. While in school, Spessard worked in the Student Admissions Committee and the Student Development Committee.

The Pi Kappa Alpha Educational Foundation

Gifts to the annual fund provide unrestricted support for the Foundation's program of grants, loans and scholarships. A gift to the new chapter endowment program may be restricted to an endowment supporting the chapter of your choice.

Please use the back of this form to designate what kind of gift you wish to make.

Any type of gift may qualify a donor for one of three annual giving clubs.

- *The Century Club* recognizes donors contributing $100 to $249.
- *The Loyalty Club* recognizes donors contributing $250 to $499.
- *The President's Club* recognizes donors contributing $500 or more.

The Phi Phi Kappa Alpha Club recognizes undergraduate and graduate student brothers contributing at two levels. The Garnet level recognizes student brothers contributing $15 to $24. The Gold level honors those student brothers contributing more than $25.

All gifts to the Foundation's annual fund or chapter endowment program are tax-deductible. All donors receive the Foundation's *Horizons* quarterly newsletter.

A letter from the National President

Brothers:

Could it possibly be true that yet another year has passed? As I grow older, it seems the pages of the calendar flip faster and faster. Likewise, as our annual report indicates, with each passing year Pi Kappa Alpha continues to prosper, improving consistently, and providing leadership for the entire Greek World.

The following annual report summarizes the many accomplishments of the Fraternity during the past year. Of course, no report like this can ever reflect the grand scope of programs and services provided by the Fraternity. Nevertheless, I believe that upon reading the following pages, you, like me, will feel that sense of pride that comes in knowing that Pi Kappa Alpha remains among that handful of truly outstanding national fraternities. Whether discussing our chapter development program, our innovative approaches to risk management, our nationally recognized expansion program, or our state-of-the-art leadership conferences, ΠΚΑ truly stands as a leader.

While the past year has been an exceptional one, much remains to be done. I trust the information presented here will serve as a springboard for each of us as we begin yet another year in *phi phi kappa alpha.*

Fraternally,

Jerry W. Askew
National President

Supreme Council Goals 1990-1992

Well run organizations such as Pi Kappa Alpha must have a plan to implement and a target to shoot for if they wish to be successful. Yearly, and even quarterly, goals and objectives have been established on the chapter level. In the process of pursuing these goals, the undergraduate members gain the valuable experiences that make up their Fraternity education.

Just as Pi Kappa Alpha's chapters achieved success through goals and objectives, the same was true of Pi Kappa Alpha at the national level. The 1990-92 Supreme Council established goals and objectives which appeared in various issues of the *Forum* and the *Alumni Advisor.* These goals and objectives represented the direction in which the Fraternity was headed.

The National Fraternity's current programs (outlined later in this report) and operations are manifestations of the goals and objectives. As these goals and objectives are refined and redefined in future years, so too will be the programs of the Fraternity, but one thing will remain consistent: Pi Kappa Alpha's commitment to providing the most educational fraternity experience available.

1990-92 GOALS

I. Ethics & Values

GOAL:

To promote integrity, good citizenship, and leadership by example, and inculcate respect for oneself, honor and duty toward others and responsibility for our brothers.

***Supreme Council Goals** — continued from previous page*

Objectives:

1. Emphasize good citizenship.
2. Instill a sense of responsibility for one's own behavior as well as that of his brothers.
3. Formalize opportunities to discuss ethics and values.
4. Stress scholastic excellence and reward academic performance.
5. Develop structured leadership programs.
6. Instill in our members the importance of one's conducting oneself as a gentleman at all times.

II. Risk Management

GOAL:

To continue promoting effective risk management practices.

Objectives:

1. Raise the consciousness level of individuals regarding the tremendous harm which can result from poor risk management in all activities, both individually and corporately.
2. Instill a sense of responsibility for one's conduct as well as that of others, including emphasis on the importance of conducting oneself as a gentleman at all times.
3. Evaluate the Fraternity's risk management policies continually.
4. Educate our membership about the risks associated with alcohol in an effort to reduce its use.
5. Maintain and develop sound risk management resources for chapter use.
6. Formally recognize sound risk management practices.

III. Alumni Support

GOAL:

To broaden the volunteer base of alumni support.

Objectives:

1. Develop chapter advisory boards at all chapters and colonies.
2. Enhance/create mechanisms for additional formal involvement by alumni with undergraduate chapters.
3. Develop lifelong commitment early in membership.
4. Identify geographic areas in need of alumni enhancement and development and then work to achieve this enhancement.
5. Identify alumni willing to volunteer.

IV. Fraternity Growth

GOAL:

To maintain growth sufficient to position Pi Kappa Alpha among the top three fraternities in the National Interfraternity Conference in terms of average chapter size and top five in terms of active chapter size.

Objectives:

1. Increase the existing average chapter size to 80 by July 1, 1992.
2. Establish a minimum of 10 new chapters or colonies per year.
3. Elevate the importance of legacies in the rush program.
4. Establish strategies to combat restrictions on membership recruitment.

V. Chapter Operations

GOAL:

To strengthen our chapters' internal operations through enhanced programming and broader training.

Objectives:

1. Develop an internal chapter management model.
2. Identify and regularly evaluate and update major chapter program models.
3. Improve and/or develop program guides for training chapter officers and committee chairmen.
4. Increase the involvement of volunteer alumni in specific chapter programs.
5. Make the formal four-year Membership Education program a hallmark throughout all chapters.
6. Maximize the beneficial impact of chapter officer transition.
7. Increase the meaningful use of Ritual in all chapters.
8. Provide opportunities for interchange among those chapters that are doing well with those that need help in particular areas.

VI. Financial Health

GOAL:

To insure the longterm financial health of the Fraternity.

Objectives:

1. To realize a 10% annual increase in Foundation support for Fraternity programs.
2. To keep a below-market cost of insurance to undergraduates while maximizing subsidies for the Fraternity programs.
3. To keep undergraduate dues at or below 75% of the total budget.
4. To use annual surpluses to endow Fraternity programs.
5. To develop a 10-year financial model which is reviewed and updated annually.

Leadership Programs

Pi Kappa Alpha built future leaders through its comprehensive leadership programs. These leadership programs ranged from regional leadership conferences, open to all members, to the Chapter Presidents Conference, designed specifically for chapter SMCs. In all, these varied programs reached from 2,500 to 3,000 members in 1991-92. The programs were largely funded by the Pi Kappa Alpha Educational Foundation and administered by the Memorial Headquarters staff.

The 1991-92 academic year was one of the best ever for Pi Kappa Alpha's sixteen regional leadership conferences. The attendance increased and the participants were hungry to learn from the first rate conference programming. Over 2,200 undergraduates, more than twenty percent of Pi Kappa Alpha's undergraduate membership, attended regional leadership conferences. Each of the conferences had educational sessions on risk management, membership development, rush, scholarship, values and ethics, and a variety of other issues facing today's college students.

OFFICERS LEADERSHIP ACADEMY

The Fraternity conducted the 1991 Officers Leadership Academy from July 27-31 on the campus of Memphis State University. The Officers Leadership Academy is possibly Pi Kappa Alpha's most comprehensive educational program aimed at providing leadership training for SMCs, IMCs, ThCs, rush chairmen, membership development chairman, and chapter advisors. The Academy featured education on chapter management, leadership, social issues, and personal development. Some of the highlights included an anti-hazing presentation from Eileen Stevens, chairman of C.H.U.C.K. (Committee to Halt Useless College Killings), an inspiring leadership talk from Kyle Rote, Jr., and an enthusiastic initiation of Brother Horace Grant. The Academy was attended by 356 undergraduate members and 24 chapter advisors.

CHAPTER PRESIDENTS CONFERENCE

The Chapter Presidents Conference was established in 1973. The Conference was designed for the chief officer of the chapters. The 1992 Conference focused on giving the chapter president the tools necessary to become an effective leader in his chapter and on campus. Held at the Peabody Hotel in Memphis Tennessee on January 9-12, it was attended by 164 SMCs. These men saw among other programs, a motivating leadership talk from Dr. Will Keim, an eye opening risk management session delivered by Supreme Council Vice President Dan McGehee, and a riveting play about acquaintance rape entitled *But I Said No,* performed by the Offstage Theatre.

SPEAKERS PROGRAM

In just its third year of existence, the Pi Kappa Alpha Speakers Program enjoyed a successful year. This program provided speakers to chapters celebrating special Founders Days and other significant events. The speakers involved in the program consist mainly of Supreme Council members, national officers, and prominent ΠΚΑ alumni. Chapters that qualified received up to $300 toward the travel cost of bringing a speaker to the chapter. This year Pi Kappa Alpha provided nineteen speakers to qualifying chapters including the 100th anniversaries of Xi *(University of South Carolina),* Omicron *(University of Richmond),* and Pi *(Washington & Lee University)* Chapters. Speakers were also provided at the 75th anniversaries of Beta Eta *(University of Illinois)* and Beta Theta *(Cornell University)* Chapters.

Risk Management

Pi Kappa Alpha enjoyed one of its best risk management years in 1991-92. Chapters and their advisors are to be congratulated. Risk management is working.

Standards of the Fraternity in the areas of alcohol and drug abuse, hazing, sexual abuse and house safety were adopted at the 1988 National Convention and are enforced today. An addition to these Standards, one which prohibits the purchase of alcohol with chapter funds and thus suggests that all social functions be "bring your own beer or alcohol," has been endorsed by the Supreme Council and was adopted by the 1992 National Convention. This policy has already been adopted by many universities and/or local interfraternity councils throughout the country. Most claims against chapters have involved injuries related to chapter-purchased alcohol being served to members or their guests.

Education is the key to proper risk management. Risk management and legal liability sessions were provided at the 1991 Officers Leadership Academy and the sixteen regional conferences held throughout the year. A highlight of the 1992 Chapter Presidents Conference was a play performed by a group of actors from Charlottesville, Virginia entitled *But I Said No.* The play was a very real and sensitive look at sexual abuse. Chapters educated their members and pledges utilizing a thorough library of video tapes available through the National Fraternity.

Pi Kappa Alpha has completed its fifth year of its self-retention program providing liability protection to all chapters, house corporations and alumni associations, and all their officers, members, advisors, and employees. It is a unique program in the Greek world which gives the Fraternity control over its own destiny. Many other fraternities are not able to provide blanket coverage to their chapters either because they cannot obtain insurance or because the cost is prohibitive. Pi Kappa Alpha has renewed its programs for 1992-93 while keeping the cost below market.

As shown in the table below, only three claims were experienced in 1991-92, the least amount in the program's five year history. However, the outstanding reserves had to be increased by $144,000, or seventy-seven percent, during 1991-92, because exposure to prior claims was more serious than originally thought. The number of claims, amount of losses and a claim summary comparison are shown below.

The figures display evidence that risk management is working. The Fraternity can be proud of this accomplishment. Yet Pi Kappa Alpha must continue to provide quality risk management programs to its chapters and their members which the chapters must implement. Only through these untiring efforts will the Fraternity maintain its leadership position in this area and truly demonstrate some key ingredients of brotherhood: the safety and well being of our fellow man.

Top Gainers in Pledgings

Membership

Pi Kappa Alpha continued a strong push for membership throughout the 1991-92 year. Average chapter size stood at seventy-four men per chapter.

The charts on these pages illustrate the top gains made this year by chapters in pledgings and initiations.

For the year 1991-92, the top ten chapters in total membership were:

Chapter	Total Membership
Alpha Eta *(Florida)*	2,725
Alpha Tau *(Utah)*	2,253
Upsilon *(Auburn)*	2,231
Zeta *(Tennesseee-Knoxville)*	2,130
Beta Mu *(Texas)*	2,046
Alpha Zeta *(Arkansas)*	1,902
Alpha Mu *(Georgia)*	1,842
Gamma Theta *(Mississippi State)*	1,764
Gamma Epsilon *(Utah State)*	1,763
Beta Phi *(Purdue)*	1,710

Intensive rush efforts resulted in successful pledgings for Pi Kappa Alpha. The top chapters in pledgings for 1991-92 are:

Chapter	Total Membership
Iota Mu *(Southern Illinois)*	71
Gamma Delta *(Arizona)*	58
Eta Phi *(Central Florida)*	58
Alpha Theta *(West Virginia)*	57
Beta Eta *(Illinois)*	55
Theta Omicron *(Indiana State)*	55
Beta Mu *(Texas)*	54
Zeta Gamma *(Eastern Illinois)*	53
Upsilon *(Auburn)*	52
Epsilon Iota *(Southeast Missouri State)*	52
Omega *(Kentucky)*	51
Delta Theta *(Arkansas State)*	51
Eta Sigma *(West Georgia College)*	48
Eta Tau *(Austin Peay State)*	48
Gamma Omicron *(Ohio)*	47
Eta Nu *(Northern Illinois)*	47
Iota Iota *(Michigan State)*	47
Theta Delta *(Francis Marion College)*	46
Iota Alpha *(Wyoming)*	46

Housing

Housing is important to Pi Kappa Alpha's chapters. The role of the National Fraternity in this area is primarily that of a lender. Through the Chapter House Fund, administered by the Pi Kappa Alpha Housing Commission, loans are granted to qualifying chapters and house corporations.

The Housing Commission makes two types of loans, secured and unsecured. The unsecured loan is for furnishings and equipment. The real estate loan is for the purchase, building or renovation of a chapter house. The maximum limit on an unsecured loan is $25,000. The limit on a real estate loan is $150,000 with a first mortgage, or $100,000 with a second mortgage.

In the 1991-92 fiscal year, the Chapter House Fund committed loans to:

Beta Nu *(Oregon State University)*

Gamma Omega *(University of Miami)*

Delta Zeta *(Memphis State University)*

Zeta Chi *(Southwest Missouri State)*

Eta Upsilon *(University of Texas at Arlington)*

Since the last Convention, the Chapter House Fund also modified or refinanced loans to:

Alpha Delta *(Georgia Technological University)*

Alpha Rho *(Ohio State University)*

Beta Omicron *(University of Oklahoma)*

Beta Chi *(University of Minnesota)*

Eta Zeta *(Middle Tennessee State University)*

The following loan applications are pending or are soon to be received:

Alpha Chi *(Syracuse University)*

Beta Upsilon *(University of Colorado)*

Delta Nu *(Wayne State University)*

Epsilon Alpha *(Trinity College)*

Epsilon Mu *(East Carolina University)*

Theta Phi *(Wichita State University)*

The Holding Corporation is a non-profit corporation created in 1963. The role of the Holding Corporation is to hold title to properties, both improved and unimproved, that have been acquired by the Fraternity. Please note, the Memorial Headquarters is not one of these properties. The National Fraternity is not, nor does it desire to be, in the business of owning chapter houses. However, circumstances may occasionally occur when property is acquired. The Holding Corporation currently owns real estate at the following:

Alpha *(University of Virginia)* [land only]

Alpha Theta *(West Virginia University)*

Gamma Omega *(University of Miami)*

Delta Lambda *(Florida State University)*

Epsilon Delta *(University of North Texas)* [vacant land]

Zeta Mu *(University of Idaho)*

Theta Mu *(University of Massachusetts)*

Services

In the past year, Pi Kappa Alpha provided its undergraduates with the best chapter services in the fraternity world. Increased numbers of chapter visits, rush visits, and sample programming manuals made 1991-92 a productive year for all chapters of Pi Kappa Alpha.

The chapter consultant program provided more chapter visits than ever before. In 1991-92, six chapter consultants were able to conduct 290 chapter visits. This was an increase of twenty visits from the previous year. The consultants were able to visit sixty-three percent of the chapters twice during the school year. The increased number of visits led to better communication between the chapters and the Memorial Headquarters.

As the National Fraternity once again placed an emphasis on membership development, part of the consultants' visits were devoted to rush. Twenty schools were identified for rush visits. The consultants educated and assisted the chapters in 3-7 day visits. The results of this program proved to be successful.

While the number of consultant visits grew, the Headquarters staff updated chapter programs. Printed material, including sample pledge education and Ingress programs were developed during the year. These materials represented the continual growth of the membership development program.

A great deal of emphasis was placed in the area of alumni involvement. In the 1991-92 year, fifteen alumni advisory boards were developed. These advisory boards were established through the alumni advisory board mailing service provided by the Memorial Headquarters. The regional presidents proved a tremendous force; eight of the fifteen alumni advisory boards were established by regional presidents.

Expansion

Pi Kappa Alpha made great strides in the area of expansion during 1991-92, establishing colonies at the University of Southern California, the University of Michigan, DePaul University, the University of Connecticut, Johns Hopkins University, and Georgia Southern University. These colonies joined ranks with the existing colonies at the University of Montana, the University of Denver, and the University of Oregon.

Installed as chapters in 1991-92 were Iota Rho at St. Joseph's University and Iota Sigma at James Madison University.

Past Director of Expansion Rick Stonerook coordinated the year's active expansion program. Past Expansion Associates Chris Davies and Chris Vining were instrumental to the expansion process. Aside from hands-on colonization work, the expansion team, in conjunction with the chapter consultant program, conducted nearly twenty visits to existing colonies to assist them in attaining their chartering goals.

The return of Pi Kappa Alpha to USC and Michigan signaled several things. First, the Fraternity felt a sense of commitment to the alumni of these silent chapters as well as to the universities. Second, the Fraternity maintained its desire to place colonies at prominent institutions. Third, the Fraternity could achieve immediate success at these institutions. The Beta Tau Colony at Michigan numbered over fifty men and achieved a 3.1 GPA. The Gamma Eta Colony at USC numbered over ninety men and also achieved a 3.1 GPA.

Immediate results were also seen at the four colonies established in the Spring of 1992. All four colonies were assisted by established alumni advisory boards. The aid given

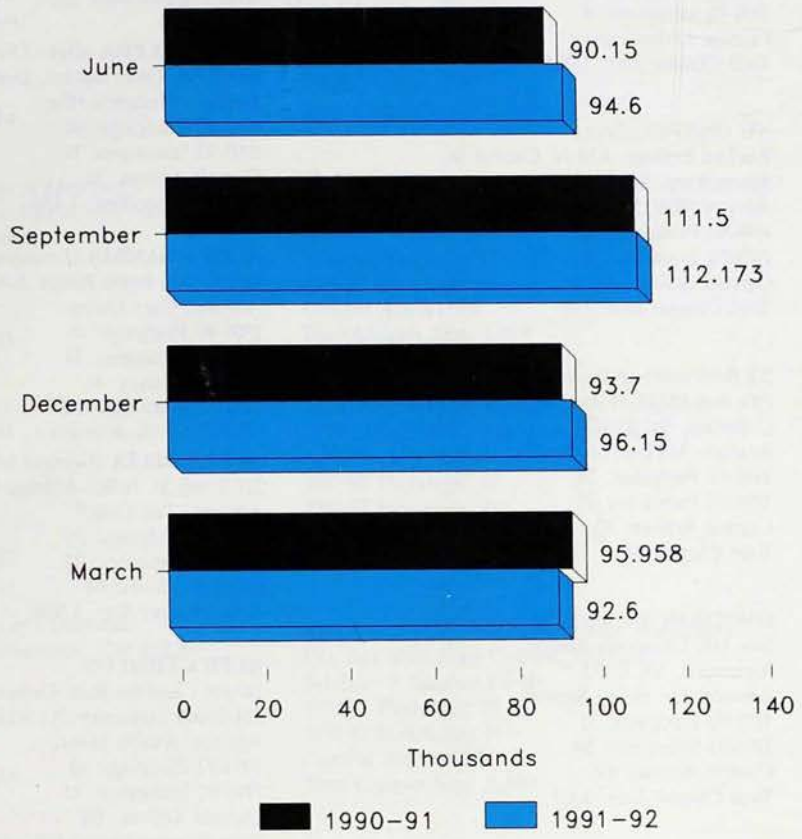
by these advisory boards emphasized the need for alumni support in achieving successful results at the undergraduate level. The assistance of these alumni advisory boards was appreciated by both the colonies and the national staff.

There was little doubt in 1991-92 that Pi Kappa Alpha was the expansion leader in the Fraternity world. As our newest colonies proved, recruiting men of character through the recommendation process, and working with devoted alumni and cooperative university officials, allowed the colonies to be successful from their first day of existence.

Communications

During the 1991-92 academic year, the Pi Kappa Alpha Fraternity printed a total of 395,523 copies of the *Shield & Diamond* magazine; 4,215 copies more than were printed during the 1990-91 academic year.

Comparison of Shield & Diamond Press Runs



At the annual meeting of the College Fraternity Editors Association, held July 9-12, 1992 in Albuquerque, New Mexico, the *Shield & Diamond* was awarded second place honors in the four-color cover category.

4,000 copies of the current edition of *Garnet and Gold* were ordered in November 1991. Work is in progress on a revised edition of *Garnet and Gold.*

National Historian Dr. Jerome V. Reel, Jr. visited the Memorial Headquarters on March 27-29, 1992 to conduct research for the latest revision of *The Oak.* Eight years have elapsed since the last revision of the Fraternity's history. The current supply of *The Oak* is estimated to last through January 1993.

Introducing Rush 2000

Rush 2000 is the National Rush Program aimed at increasing Pi Kappa Alpha's membership across the country.

The Rush 2000 program was unanimously adopted by the delegates to the 1992 National Convention. The overall goal is to increase annual pledgings and initiations by 2000 each by the 1994 Convention at Innisbrook in Tampa, Florida. Each chapter is challenged to increase its annual pledgings and initiations by at least five men in 1992-93, and again in 1993-94. Accomplishing these objectives will help chapters maintain a competitive edge on campus. Likewise, individual members will benefit from a larger and more diverse membership which will broaden their horizons.

Rush 2000: Pi Kappa Alpha's Vision for the Future.

Rush is the lifeblood of all Pi Kappa Alpha chapters. If you know a young man who can both contribute to a chapter and develop himself through the Pi Kappa Alpha experience, we encourage you to fill out this recommendation form and send it to the Director of Services at the Memorial Headquarters, who will see that it is immediately forwarded to the appropriate chapter.

We strongly encourage you to recommend legacies, as the consideration of sons, brothers, nephews and grandsons is an important aspect of the Pi Kappa Alpha recruitment process.

Hard Work Pays Off For PiKA Expansion Efforts

Four Colonies look forward to Chartering

DePaul University

The establishment of a Pi Kappa Alpha colony at DePaul University in Chicago, Illinois, was the culmination of two years of expansion work. The university was first investigated immediately following the 1990 National Convention in Chicago. After gaining approval from DePaul's Greek Council, the expansion team began the colonization in February 1992. An alumni reception was hosted by past Expansion Associates Chris Davies *(Indiana State, Theta Omicron '85)* and Chris Vining *(Central Florida, Eta Phi '88)*. Approximately twenty-five alumni attended and offered their assistance.

Forty rush recommendations were gathered from campus organizations, faculty, and members of the university administration. While some men were selected from these recommendations, most of the original twenty-two colony members came from subsequent recommendations from the colony's initial members.

An alumni advisory board was formed with past Chapter Consultant Craig Stoehr *(Minnesota, Beta Chi '85)* serving as colony advisor. In addition, a housing corporation was created to assist the colony in housing development.

At the conclusion of the colonization, a retreat was conducted by Davies, Vining, Stoehr, and other members of the advisory board. The colony set a goal of sixty members, a GPA goal of 3.2, and a community service goal of 1,500 man hours.

At the end of last Spring, the membership was at twenty-eight men — the largest fraternity on campus. The colony's GPA was 3.12 and the members were involved with the community and area alumni.

University of Connecticut

The expansion groundwork was laid at the University of Connecticut, in Storrs, Connecticut, almost ten years ago.

Past Directors of Expansion Scott Bell *(Central Florida, Eta Phi '81)*, Todd Mudd *(Missouri-Columbia, Alpha Nu '81)*, Kevin Knaus *(Kansas State, Alpha Omega '82)*, and Kevin Virta *(Western Michigan, Epsilon Psi '83)* all assisted immediate past Director of Expansion Rick Stonerook *(Colorado, Beta Upsilon '88)* in securing Pi Kappa Alpha's place at UCONN. Mudd was instrumental in the development of the UCONN expansion policy.

Past Expansion Associate Chris Vining and past Chapter Consultant Greg Cohen *(Emory, Beta Kappa '88)* arrived on the Connecticut campus in March 1992. The national staff members' first responsibility was to host a reception for those alumni offering assistance to the colonization. Although few alumni live in the Storrs area, thirteen alumni attended. An alumni advisory board was established and trained during the four week colonization. In addition, a housing corporation, led by Mike Groff *(Toledo, Epsilon Epsilon '64)*, was appointed to aid the colony in acquiring housing.

Following the reception of 125 recommendations from sororities and other campus entities, interviews were conducted, and forty-one colony members were selected. The national staff members were greatly assisted by three Pi Kappa Alpha transfers to UCONN. Following the departure of the expansion team, the colony recruited eight additional men.

The colony retreat was conducted by Vining, Cohen, and Colony Advisor Tom Blonski *(Trinity College, Epsilon Alpha '86)*. The colony established the goals of a 3.0 GPA, 1,500 community service hours, a top intramural program, and a full implementation of the membership education program.

The colony took the first steps toward these goals when it achieved a 3.02 GPA and became active in the local community.

Johns Hopkins University

Johns Hopkins University in Baltimore, Maryland became a prime target for expansion this year following an investigation by past Expansion Associate Chris Davies. After numerous phone calls and meetings, Pi Kappa Alpha was slated for colonization in Spring 1992.

Davies and past Chapter Consultant Paul Snider *(Mississippi State, Gamma Theta '88)* arrived at Johns Hopkins in April to begin the colonization. Approximately fifteen alumni attended the reception held by the national staff.

That reception resulted in the forming and training of an alumni advisory board and a housing corporation.

The rush effort selected forty-four original colony members. Further rush efforts brought the total to fifty members, making Pi Kappa Alpha the third largest of thirteen fraternities on campus. The colony established a goal of seventy-five men.

At the colony retreat, conducted by Davies, Snider, and Colony Advisor Jim Van Horn *(Drake, Delta Omicron '75)*, the members set several other goals, including a GPA of 3.2, involvement in at least one other campus organization by all members, cultural diversity, and 2,750 man hours of community service.

Georgia Southern University

Georgia Southern University in Statesboro, Georgia, was first considered for expansion in the early eighties. After a successful presentation by past Chapter Consultant Sean Brasili *(Middle Tennessee State, Eta Zeta '88)*, Pi Kappa Alpha was given approval for a Spring 1992 colonization. Brasili and past Expansion Associate Chris Vining arrived in Statesboro in time for the spring quarter.

An alumni reception was attended by ten interested members of Pi Kappa Alpha. West Beaver *(Georgia, Alpha Mu '85)* was appointed colony advisor. A solid advisory board was also established by these supportive alumni.

Intensive recruitment effort brought fifty men into the colony, including campus leaders, varsity athletes and club athletes. The colony rush chairman also had a list of seventy-five potential members at the end of the colonization.

Near the end of the three week colonization period a colony retreat was conducted by Vining, Brasili, and several members of the alumni advisory board. Goals set included membership of 100 men at the time of chartering, continual rush, a 3.0 GPA, and a 100% membership retention rate. □

Doing the Unexpected

Bill Byrne has made a career of going against the grain.

When he was twenty-five years old, Bill Byrne *(Iowa State, Alpha Phi '62)* decided he wanted to be a stockbroker. At that time, Bill Byrne was an assistant manager at a retail furniture store in Storm Lake, Iowa, and had no professional experience in the stock market. Although he lacked that experience, Byrne's appetite for reading had ignited his interest in the stock exchange.

Sticking to his plan, the newly married Byrne and his wife, Lynne, moved to Sioux Falls, South Dakota, in a car that was not paid for, and with $350 in savings.

Byrne spent his first seven weeks in Sioux Falls searching for a firm to give him a chance. He was turned down by several firms because "I was too young or whatever." Byrne finally got his chance with Dain Bosworth, Inc., and made the most of his opportunity.

Four years later, at the age of twenty-nine, Byrne became the youngest New York Exchange Branch Manager in America. How was Byrne able to take such strides in the stock market?

"To some extent I proved myself as a producer. It is a sales business among other things, but that's fundamentally what it is."

He may have entered the stock market lacking experience, but Byrne was well versed in the pursuit of investment opportunities. As a nineteen-year-old, Byrne and his future wife spent many of their dates researching franchises. He did not put aside his investigative practices as he secured his place on the New York Stock Exchange. Three years into his career at Dain Bosworth, Byrne targeted Taco John's, a Mexican fast food franchise, as a business worthy of investment.

Byrne and his business partner, Dean Neese, decided to locate the stores in Des Moines, Iowa. "It could have been a gas station or tire dealership or any number of things, it just turned out to be fast food. After looking at all these franchises over the years, I found one that I related to on one hand, that was relatively inexpensive on the other, and that I thought I could make good connections with, and was futuristic in the context of ethnic food," Byrne said.

Byrne and Neese were able to open their franchise in the Des Moines area while they still offered a unique product to the city. "People in the Midwest couldn't tell an enchilada from a taco for the most part, and I couldn't either. But I wasn't looking for food service — I was looking at the benefits of the franchise concepts which I considered then, and now, as a form of entrepreneurial insurance. Not that it guarantees success, but the odds are improved," Byrne said.

The odds for success of Taco John's of Iowa, Inc., were in Byrne's favor. He currently has

A L U M N U S

F E A T U R E

twelve stores in Des Moines and one in Ames, Iowa. His restaurants are responsible for the employment of over 200 people.

Seeing such opportunities for success, Byrne left the stock market behind in 1977. "I left it (the stock market) to become an entrepreneur, to purchase the franchising way of life, but more importantly the *entrepreneurial* way of life, and to have the sense to develop some other businesses."

The desire to broaden his role as an entrepreneur led to the founding of The Byrne Companies, Inc. in 1977 in Sioux Falls. The Byrne Companies specializes in human resource assessment and training services at both the personal and corporate level.

Living up to his entrepreneurial beliefs, Byrne continued to look for new ventures. He became a part of an investment group that started a weekly newspaper. The paper was not a success, and he eventually became the sole stockholder.

Byrne, who grew up on an Iowa farm, "drew on my farm background and discovered that the region I lived in did not have a publication that served the agri-business." While the farm industry was suffering its worst depression in fifty years, Byrne went ahead with the idea of starting the *Tri-State Neighbor* in 1983.

"If I would have called one-hundred people into my conference room and said, 'should I start an agri-business at this time and in this agriculture economy?', ninety-nine of them would have told me I was plumb crazy," he said.

Not being afraid to go against traditional business thinking has been a constant attribute for Byrne, and this characteristic has served him well. He is founder and president of Dakota Publishing, Inc., and the *Tri-State Neighbor* has a circulation of 74,000 readers in four states.

The success of the *Tri-State Neighbor* supports Byrne's belief in one of his "habits of wealth."

"One of my favorite habits is when everyone else zigs, I zag. That is. . .the time to start a business is when no one else wants to start one," Byrne said.

Success has also allowed Byrne the chance to support people in the Sioux Falls community. In 1989, a South Dakotan who had moved to Hollywood was looking for capital from Sioux Falls residents. The film, *From Hollywood to Deadwood,* was small, yet Byrne agreed to help market the film. His involvement soon led to his serving as the film's executive producer.

"That was an opportunity for me to give something back also. These folks, about ten years my junior, deserve success as much as anybody I've ever found. And, I was merely one of those instruments basically, that provided them the opportunity to get that done. I feel real good about it. It was a good film — I did not make money on it, lost money on it in fact, but I gave something back to the process and I feel good about that," Byrne said.

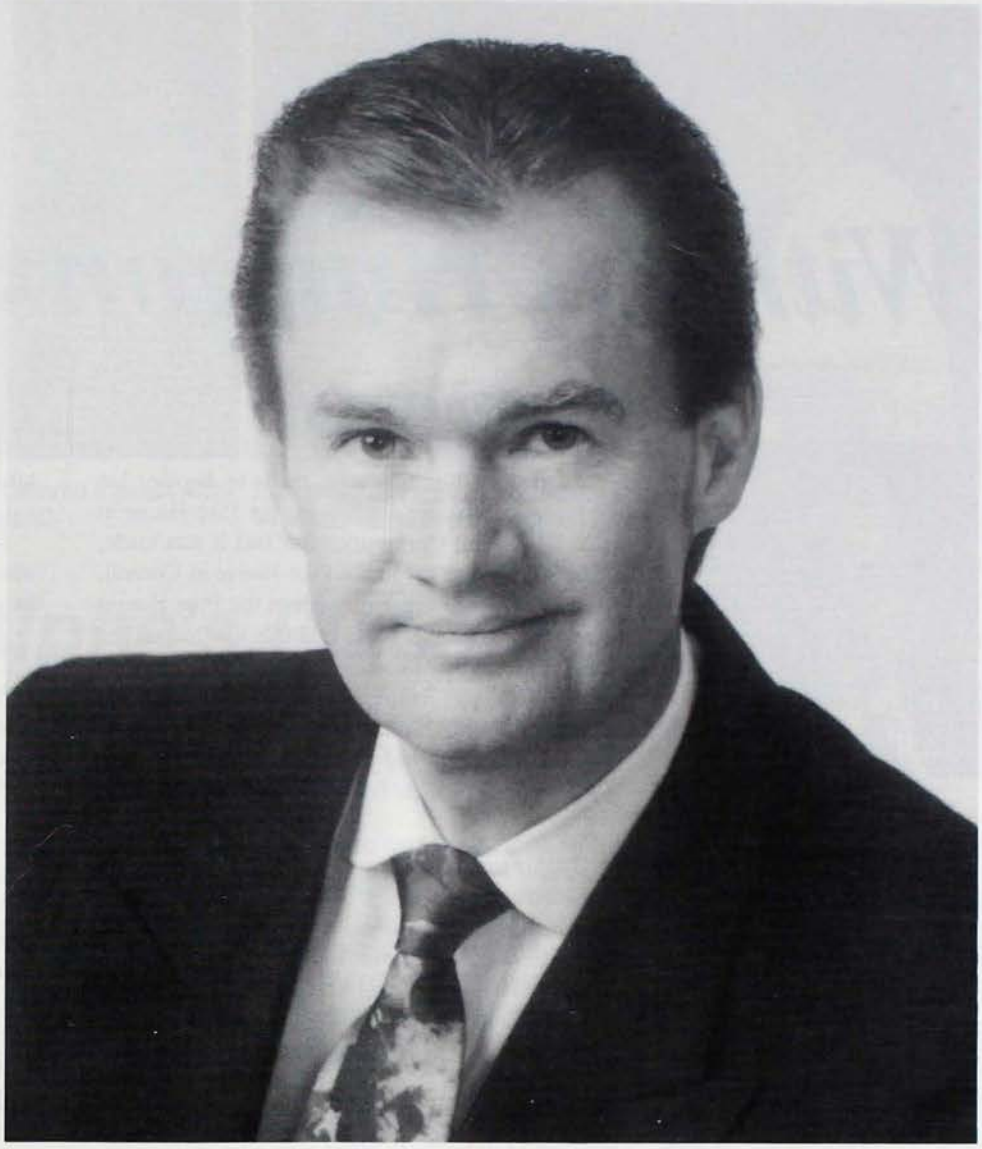
The opportunity to offer his advice and expertise as an entrepreneur led Byrne to one of his latest projects. Byrne had been encouraged by several people to consider the possibility of writing a book on his business philosophies.

He had done some writing for columns and business series, but had never approached the task of writing a book. Then, in February of 1990, Byrne had just shared his insight and perspectives with a gentleman who repeated the same sentiment. The gentleman told Byrne, "you should really write a book and put some of that stuff down."

This type of encouragement led Byrne to question the possibility of writing a book. He sat down at his second home in Keystone, Colorado with the intention of just writing a chapter to see if a book was a serious possibility. He proceeded to complete the chapter.

"Indeed, it went well and I knew I had a book in me and frankly when I finished book number

by Timothy J. McNary



Bill Byrne ***(Iowa State, Alpha Phi '62)***

one, I had some assurance that I had another book in me," Byrne said.

The end result was Byrne's first book, *Habits of Wealth,* subtitled "111 proven entrepreneurial strategies for achieving and leading in the '90s". The book recently went through its second printing.

"It's great to write a book and have people buy it. The bigger thrill is to learn that it is being used. It is impacting organizations and impacting people, and for that, I am grateful," Byrne said.

Associated Press Business Analyst John Cunniff gave the following critique of *Habits of Wealth.*

> "The book is authentic, detailed, precise, perceptive, witty, clear, wise, practical, anecdotal and hard-nosed, replete with first hand advice, insights and observations based on experience."

The acceptance of *Habits of Wealth* has brought a vast amount of exposure to Byrne. He has been interviewed by publications such as *Entrepreneur, Money* and *Newsweek* magazines, as well as *The Wall Street Journal.* Then, on June 29, 1992, something happened to Byrne that he described as "a calling card that will be with me until the day I die."

June 29, 1992, was the day that Byrne and his wife appeared on the cover of Fortune magazine. *Habits of Wealth,* as well as the success of Byrne's companies ($1 million in annual profit), were featured in *Fortune*'s cover story on the wealthiest one percent in America.

According to Byrne, *Fortune* was initially interested in him because they liked *Habits of Wealth.* He met with one of *Fortune*'s contributing editors and they discussed his ideas. Byrne met with *Fortune* on three separate occasions. He described his experience by saying that it was *Habits of Wealth* that got him into *Fortune,* but the fact that he had something worthwhile to say got him on the cover.

Byrne and his wife were the first couple on the cover of *Fortune* in many years. Byrne talks of Lynne as a "critical dimension in my life." This area of his life serves as a source of pride as much as does his professional accomplishments. "I'm proud of my personal life as well as my professional life," he added.

Being on the cover of a magazine that has over 790,000 readers has also allowed Byrne to become reacquainted with some Fraternity brothers. He said he spoke with some brothers with whom he had lost touch with over twenty years ago.

Byrne became involved with Alpha Phi Chapter as a freshman. For a college freshman coming from the town of Fonda, Iowa, life at Alpha Phi was a learning experience with lifelong benefits for Byrne.

"I believe it gave me an important and early appreciation in life that *people* were important. And I mean that in the context of business and social. I learned a lot from the people around me, from my brothers. I'm in debt for having grown up with them, so to speak."

Byrne's college experience would go beyond Alpha Phi Chapter. A telecommunications major at Iowa State, he transferred to the University of Nebraska-Omaha to take a job at a radio station. He graduated from the University of Omaha with a bachelor of arts degree in 1967. While he was at Nebraska-Omaha he affiliated with Delta Chi chapter.

Having achieved success in so many areas, it might be assumed that Byrne has plans to slow down in the future.

Well, once again when everyone is expecting him to "zig," Byrne plans to "zag." Byrne is an adamant believer that the years between forty-five and fifty-five are "the perfect combination of experience and youth and I believe indeed that those of us in that spectrum of age are at our peak."

When asked what he has planned in the next few years, Byrne tells the story of a friend who posed the question to him of what he planned to be doing five years from now.

"My response was the same as it is now, and that is 'Gosh, I really have no idea.' And for me to answer some other way would betray my entrepreneurship. I take planning seriously. I am a strong planner, strategically and otherwise, and I believe I do better than my competition in many ways because we conceive and execute those plans. There are so many opportunities that I am facing today, so many things coming from so many different directions so rapidly that I couldn't possibly tell you what new directions I'll be going in, in six months frankly, let alone today, let alone five years," Byrne said. □

Without Horizons

Rev. Simon A. Simon
(Delta Chi '54)

The Rev. Simon A. Simon has served as Pi Kappa Alpha's national chaplain since 1980, and is pastor of the First Presbyterian Church in Jerseyville, Illinois. Simon is a personal and family counselor, and a member of the Jersey County Medical Ethics Board, the Jersey County AIDS Task Force, and the Tri-County AIDS Task Force. He also serves as a member of Pi Kappa Alpha's Speakers Bureau.

So there it was in Peoria, of all places. It was really a beautiful sign, made by Brother Ian Brown. He made it for the Pike House at Cornell University. Now that it was made, the sign had to get to the Pike House at Cornell, where it would gracefully adorn the Pike House, announcing to all the world that this was indeed the house of the Pikes. Brother Josh Bernstein, another Cornell Pike, was willing to pick up the sign on his way home from the National Convention in Phoenix, but the sign had to end up somewhere other than Peoria for Josh to pick it up.

By this time, Josh, with visions of Moses in the wilderness leading him on, was wandering in the Western desert on his way to Phoenix. Ian and his family have been very close friends of mine for many years. They called and asked me if there was a way for the sign to go forward — or had the sign reached its horizon?

We live surrounded by a series of horizons. Horizons are the end places — the points at which we cannot, or think we cannot go any further. Just as the sky and the earth meet, appearing to be the end place, so we face horizons in every aspect of our lives.

Had the sign reached its horizon? No, there was a way to extend this horizon. The sign would travel to Cornell by way of Springfield, Illinois and Jerseyville, Illinois, where Josh would pick it up.

The Fall issue of *Shield & Dimaond* comes at a time that is a beginning time for many of us. Where are our horizons? What limitations have we set for ourselves? The challenge I set before us is to commit to extending as many horizons as we possibly can. Often we will find ourselves feeling very much like the ancient Israelites, who, upon leaving slavery in Egypt, came to the Red Sea. This became an instant horizon for them — an end place. They could not go forward. They looked to the rear and saw the advancing army of the Egyptians, eagerly preparing to slaughter all of them. Another horizon. Moses, on their behalf, went to the Lord. The word of the Lord came to Moses. "Tell the people to go forward." This is a good word for all of us as we approach Fall of 1992. "Tell the people to go forward."

To go forward — to extend a would-be horizon — takes courage and daring. Whether for the Fraternity or for one's career or family or personal life, go forward with daring. Be willing to risk in order to succeed. Be willing to venture into the unknown and the difficult, so that our horizons will be extended. It takes daring! But daring without direction is dangerous. We need direction in our daring. Direction simply means having goals; having a focus on where we need to be or want to end up. My son would ask me as we were travelling: "When we get where we are going, will we know where we are?" Being able to answer "yes" means having direction with our daring.

And, finally, we need to go forward with faith. Faith in ourselves, faith in God, and faith in our Fraternity. Faith is necessary to remove horizons — to extend the end places of our vision — to remove the limits. There are very few horizons that cannot be removed. Faith in Someone and Something beyond ourselves enables us to believe in the possibility of going beyond our horizons.

A brief news account told the story of a 20-year old student who biked for 45 days across our country, through mountain passes, the scorching flats of the West and Midwest, and the traffic-clogged East. In Maine, he was asked by a reporter what his next project was. He said he would float by raft on the Mississippi River from Minneapolis to New Orleans. The reporter asked why. This was his reply, "What's the use of living if you aren't curious about what lies over the horizon?"

So the call is to go forward, beyond our horizons. Go forward with daring, with direction, and with faith. After five days of surviving a blizzard, being lost, and with frozen feet, a young woman was asked how she survived. Her answer should be an incentive to all of us as we strive to go forward. She said that she knew she had to stay on her feet. What saves a person is to take a step. Then another step. It is always the same step, but you have to take it. So brothers, take the step, and the next step forward. Who knows how many horizons may be extended? □

Pi Kappa Alpha's Place in the Sun

The 1992 National Convention

by Timothy J. McNary

"Phoenix: PiKA's Place in The Sun."

Throughout the past year, undergraduates and alumni of Pi Kappa Alpha had read this slogan as plans were made for the Fraternity's 1992 National Convention at the Pointe Hilton on South Mountain in Phoenix, Arizona. They were there in force, ready to take their place in the sun as the 1992 National Convention's opening session began on Saturday afternoon, August 1, at four o'clock.

Pi Kappa Alpha's biennial National Convention determines the course of the Fraternity over the next two years. This is done through the legislative sessions where delegates vote on all proposed changes to the Constitution and Laws and Ritual of the Fraternity.

Legislative sessions are also the arenas in which the new Supreme Council and national president are elected. Convention is also the venue that recognizes the accomplishments of various chapters and individuals for their service to the Fraternity.

Aside from these activities, the convention is the site of Supreme Council meetings, regional president meetings, regional caucuses, various commission, Foundation and committee meetings, as well as numerous educational sessions. The convention is a momentous event not only because of the legislative action, awards recognition and meetings, but because it unites brothers from around the country. The National Convention is a reunion for many men, and it is also a time when brothers establish new friendships over the course of the convention.

Having only four days to accomplish the tasks of the convention, the agenda was packed with activities. Once the opening session was underway, time became a valuable commodity.

Executive Vice President Raymond L. Orians *(Memphis State, Delta Zeta '66)* and Executive Director Kevin E. Virta *(Western Michigan, Epsilon Psi '83)* welcomed the participants and introduced the Fraternity's staff and national officers at the beginning of the opening session. The next order of business was the distribution of the Chapter Excellence Awards. Thirty-six chapters took home the first awards of the 1992 National Convention. *(See Annual Report, pages 6-13, for a complete listing of Chapter Excellence Award recipients.)*

A memorial service was conducted by National Chaplain Reverend Simon A. Simon *(Nebraska-Omaha, Delta Chi '54)* and 1991 Loyalty Award recipient Colonel Kermit J. Siverwood *(Kansas State, Alpha Omega '27)*. Silverwood led the service in honoring those members of Pi Kappa Alpha who have passed away since the 1990 National Convention.

Arizona Attorney General Initiated

The next step on the agenda was the model initiation. This year's model initiate was Arizona Attorney General Grant Woods. He was elected attorney general in 1990. Woods has developed a reputation for playing a leading role in fighting crime due to his presence at trials, sentencings, and appellate courts in Arizona and throughout the country.

At the conclusion of the initiation ceremony, Woods spoke to the brothers on what it meant to be initiated into the Fraternity. He described the initiation as "a great honor," and went on to commend the Fraternity on its strong sense of values. Woods closed out his speech by promising to live by the ideals of Pi Kappa Alpha in both his public and private lives.

Saturday evening's events continued with SMC and chapter advisor workshops. The final gathering of the night was the committee meetings which met to prepare for the upcoming legislative sessions.

National President Jerry Askew *(North Carolina, Tau '73)* opened the first legislative session on Sunday morning. This session consisted of presentations from the various committees of Pi Kappa Alpha.

Workshops followed the legislative session. There were educational sessions for SMCs, alumni associations, treasurers, and vice presidents. Rush programs were the topic of one workshop.

Jeffrey Glasheen Receives Powers Award

The Pi Kappa Alpha Educational Foundation hosted a luncheon on Sunday afternoon to pay tribute to undergraduate members and alumni of Pi Kappa Alpha. Jeffrey Glasheen *(Drake, Delta Omicron '89)* was selected to receive the 1992 Powers Award. The Powers Award is given to the most outstanding graduate of the Fraternity, based on his leadership and scholarship record. Glasheen said Pi Kappa Alpha was special to him because it allowed him "to become the most well rounded individual I could." *(See page 39 for biographical information.)*

The Order of West Range

The Educational Foundation then presented the Order of West Range to Garth Grissom *(Kansas State, Alpha Omega '49)*, R. Craig Hoenshell *(Nebraska-Omaha, Delta Chi '63)*, Grant Macfarlane *(Utah, Alpha Tau '17)*, and C. Robert Yeager *(Kentucky, Omega '29)*. Macfarlane and Yeager

were inducted posthumously. (Hoenshell, Macfarlane, and Yeager were profiled in the June issue of *Shield & Diamond.* Grissom will be profiled in the December issue of the magazine).

Upon acceptance of his Order of West Range Award, Hoenshell stated the personal impact of Pi Kappa Alpha when he said, "On March 1, 1868, six young men met and forever changed my life."

The Educational Foundation also gave those in attendance the opportunity to see a gathering of past national presidents who had served the Fraternity as far back as 1948. Those past national presidents in attendance were Andrew H. Knight *(Samford, Alpha Pi '23)* (1948-50), Garth C. Grissom (1968-70), Gary Sallquist *(Nebraska-Omaha, Delta Chi '57)* (1970-72), Richard F. Ogle *(Alabama, Gamma Alpha '61)* (1976-78), William R. Nester *(Cincinnati, Alpha Xi '47)* (1978-80), Virgil R. McBroom *(Illinois, Beta Eta '25)* (1980-82), William N. La Forge *(Delta State, Zeta Beta '69)* (1984-86), Gary Menchhofer *(Cincinnati, Alpha Xi '65)* (1986-88), and Edward Pease *(Indiana, Delta Xi '71)* (1988-90).

The afternoon's events began with an educational session titled *Understanding & Appreciating Differences on Campus.* The session, designed to create awareness and understanding of cultural diversity, was conducted by Lin Inlow, the University Ombudsman at Georgia State University.

The hectic pace continued as committee members met to discuss proposed legislation materials. Sunday's committee meetings were critical because Monday's legislative session would hear the majority of the proposals.

Sunday's first round of committee meetings were completed and regional presidents then led their regional caucuses. This was a time for each of the sixteen regions to meet separately and discuss matters concerning the chapters in their regions.

Loyalty Award Presented to Joseph A. Pavelka

Sunday evening's agenda witnessed some of the most memorable moments of the convention. At the National President's Banquet, the Fraternity recognized Joe Pavelka *(Nebraska, Gamma Beta '34)* as the recipient of the 1992 Loyalty Award. Since his first days as a member of Pi Kappa Alpha, Pavelka has remained a dedicated and active part of the Fraternity. As an undergraduate, he served Gamma Beta as treasurer, secretary, house manager, and social chairman. On the alumnus level, Pavelka began to assist Delta Alpha Chapter at George Washington University in 1941. Starting in 1953, he began service to the newly chartered Delta Psi Chapter at the University of Maryland. He has been a director of the Delta Psi Foundation, Inc. for almost 40 years. He was also treasurer of Delta Psi's foundation for a number of years.

Pavelka became president of the Washington D.C. Area Alumni Association in 1970. He has served as president since that time, and is responsible for coordinating the prestigious Congressional Founders Day which honors brothers who serve in the United States Senate and House of Representatives.

In 1980, Pavelka had open heart surgery. This did absolutely nothing to hinder his involvement with Pi Kappa Alpha. Since 1980, he has attended six national conventions and eleven Founders regional leadership conferences. He has only missed one regional conference when it conflicted with Delta Psi's homecoming. What is the motivation of our 1992 Loyalty Award Recipient?

"I still go on that theory, once a Pike, always a Pike," Pavelka said.

The banquet also set the stage for National President Jerry Askew to bid farewell to his two years as national president. Executive Vice President Ray Orians gave a moving introduction as he paid tribute to Askew's integrity.

Askew opened his remarks by telling the audience "the last two years have been an exciting, exciting, adventure for me." He then went on to thank the Supreme Council and the national staff of the Fraternity, and gave special thanks to Ray Orians "for being a friend and a brother."

Askew spoke of his acceptance speech at the 1990 National Convention in which he "shared a vision of Pi Kappa Alpha as a moral force."

"As I traveled across the country, I realized I was not alone in my vision," Askew said. Looking back on his college years as a member of Tau Chapter at the University of North Carolina, he spoke of how important Pi Kappa Alpha was to him. "I knew that I found a home. I knew that I found a family. I knew that my life would be changed forever."

Askew closed his speech by asking the brothers to join him in a renewed commitment to Pi Kappa Alpha, and letting them know that "Pi Kappa Alpha must never, never die."

John J. Lux, Henry N.F. Minich Retire

The final event of the banquet was Pi Kappa Alpha's tribute to John J. Lux *(Rhodes College, Theta '53)* and Reverend Canon Henry N.F. Minich *(Virginia, Alpha '53),* who were retiring after many years of service to the Fraternity.

John J. Lux was recognized for his forty-two years of work with Pi Kappa Alpha. Lux served the Fraternity as national auditor for thirty years, and was a trustee and chairman of the Memorial Foundation. His latest area of service was as chairman of the Educational Foundation's Endowment Fund.

Lux made a lasting contribution through the establishment of the John J. Lux Scholarship. The Lux Scholarship is available to students who meet the following qualifications:

- Student must be an undergraduate majoring in accounting.
- Student must have completed his junior year by the end of the current term.
- Student must have achieved at least a 3.0 cumulative GPA in his major and his general course work.

Jack Lux retired after forty-two years of service to Pi Kappa Alpha in many capacities. He is the founder of the John J. Lux Scholarship.

Housing Commissioner Richard Ralph *(left)* congratulated the Rev. Canon Henry N.F. Minich on his years of service to Pi Kappa Alpha.

Once eligibility is established, the Foundation also considers academic leadership in the Fraternity, on campus, and in the community.

Canon Minich retired after twelve years as a commissioner on the Housing Commission. He served as national chaplain from 1969 until 1980. Canon Minich was presented several gifts of appreciation by chairman of the Housing Commission, Richard Ralph *(California-Berkeley, Alpha Sigma '53)*. Minich encouraged members to always remain involved with Pi Kappa Alpha.

Although the banquet ended late in the evening, there was still work to be done. Round two of the day's committee meetings convened immediately after the banquet.

Two full days and nights of the convention were completed. On Monday morning, participants took a break from the agenda and enjoyed a morning of free time.

Convention attendees had various choices of activities available at the resort. Most people made their way to the tennis courts, or to the volleyball courts, or to the four-man scramble golf tournament sponsored by the Valley of the Sun Alumni Association. Others took advantage of the Phoenix sunshine and headed for the nearest swimming pool.

By afternoon, it was time to come in from the hot temperatures and get back to work. Monday afternoon started off with a full docket of educational sessions. The topics discussed were rush, risk management, alumni associations, and the second part of the chapter advisors workshop.

1992-94 Supreme Council Elected

The delegates then made their way into the legislative session. This session was highlighted by the election of the new national president and Supreme Council. They are:

Thomas J. Turner *(Texas Tech, Epsilon Gamma '67)*, National President

F. Anderson Morse *(William and Mary, Gamma '76)*, Vice President

Charles L. Dow *(Alabama, Gamma Alpha '63)*, Vice President

Daniel F. McGehee *(Southeast Missouri State, Epsilon Iota '63)* Vice President

Mike S. Risk *(Iowa State, Alpha Phi '70)*, Vice President

John Michael Williams *(Oklahoma State, Gamma Chi '69)*, Legal Counsel

Jerry W. Askew *(North Carolina, Tau '73)*, Past National President

Later in the convention, the Supreme Council appointed two new undergraduate vice presidents. They are:

Bradley C. Smith *(Iowa, Gamma Nu, '90)*, Undergraduate Vice President

Derek A. Sprague *(Montana State, Gamma Kappa, '90)*, Undergraduate Vice President

At the conclusion of the legislative session it was time once again to head back into committee meetings. The meetings were followed by another session of regional caucuses.

While many individuals participated in meetings and educational sessions, there were also those who took the opportunity to renew old Fraternity friendships. One of those groups consisted of Beta Mu Chapter members from the University of Texas. The reunion was organized by past Order of West Range recipient and film and television actor T. Morgan Woodward *(Texas, Beta Mu '49)*. The reunion brought together Beta Mu chapter brothers from the late 1940's, including another film and television actor (and Woodward's college roommate), Fess Parker *(Texas, Beta Mu '48)*.

Tuesday was the last full day of convention activities, and there was much to be done before Tuesday evening's National Officers Banquet. A significant number of proposals were passed at the third legislative session. Three key proposals passed were: the prohibition of the purchase of alcohol with chapter funds and a non-alcoholic rush program *(see details on page 30)*, as well as the *Rush 2000* membership program *(see page 22 for further details.)*

1992 Distinguished Achievement Award

Tuesday's Memorial Headquarters Awards Luncheon paid tribute to yet another distinguished alumnus of Pi Kappa Alpha, a number of outstanding chapters, and an untiring volunteer of the Fraternity.

Arizona was an appropriate setting for 1992's Distinguished Achievement Award recipient. Thomas H. Davis began his affiliation with Pi Kappa Alpha as a 1938 initiate of Gamma Delta Chapter at the University of Arizona.

On January 29, 1935, the sixteen-year-old Davis accomplished a feat that began a lifelong career. This career would make him one of Pi Kappa Alpha's most notable alumni. On that day, Davis made his first solo flight in a Taylor E-2 airplane. As an undergraduate, Davis would give flight lessons in his spare time.

He returned to his hometown, Winston-Salem, North Carolina in 1939. He worked for Camel City Flying Service, Inc., as a sales manager. In 1940, the name of the company was changed to Piedmont Aviation, Inc. Davis became vice president, treasurer, a director and principal stockholder of the company. In 1941, Piedmont became the first fully-certified Civil Aeronautics Administration approved aircraft and overhaul shop between Washington and Atlanta.

In June 1943, at the age of twenty-five, Davis was elected president, treasurer, and director of Piedmont. He was appointed by the Governor to the North Carolina Aeronautics Commission. Davis was elected chairman of the board and chief executive officer of Piedmont in 1981, and served in that position until his retirement in 1983. At the time of his retirement, Davis was elected chairman of the executive committee. He was elected a director of USAir, Inc., after its merger with Piedmont in 1987.

Davis found the Distinguished Achievement Award to be a humbling honor. "I wish I could measure up to all that it means," he said.

Davis still keeps his commercial pilot's license. As for that Taylor E-2

that he used for his first solo flight fifty-eight years ago, Davis restored the plane and still flys it from time to time. Over fifty-eight years later, Davis enjoys flying "as much as ever." The same can be said for his association with Pi Kappa Alpha.

The next event of the afternoon was one that serves as a goal for many chapters around the country — the annual programming awards. *(See Annual Report, pages 6-13, for a complete listing of this year's winners.)*

William Carls Named Chapter Advisor of the Year

The Memorial Headquarters Awards Luncheon also provided the chance to spotlight the Chapter Advisor of the Year. This year's recipient was William Carls, chapter advisor of Iota Delta Chapter at Rose-Hulman Institute of Technology. He is a 1985 initiate of Theta Omicron Chapter at Indiana State University.

Carls, who currently serves as director of housing at Indiana State, gradually began his involvement with Pi Kappa Alpha when Theta Omicron was a new face on the ISU campus over thirteen years ago.

He became the chapter advisor at Rose-Hulman four years ago. Carls was the first president of the Iota Delta House Corporation. In 1989 he received the Iota Delta Alumni Award. He was elected the Midwest Chapter Advisor of the Year in 1988 and 1990.

He said he views himself "in a coaching position" as chapter advisor. Carls pointed out that he aids the chapter by providing support, encouragement, and guidance.

The final legislative session installed the Supreme Council for 1992-94. Once the installation of officers was completed, sights were set on the final item of the agenda — the National Officers Banquet.

The final banquet began with the "duck walk," the traditional entrance of past and present national officers entering the banquet room single file to the enthusiastic cheers of the delegations and guests at the banquet. The last officer to be introduced was new National President Thomas J. Turner, who was greeted with a rousing welcome by the over 640 people in attendance.

National President Thomas J. Turner

Pi Kappa Alpha's new national president has an extensive history with the Fraternity. Beginning with his initiation at Epsilon Gamma Chapter at Texas Tech University in 1967, Turner has been visible at the many levels of Pi Kappa Alpha. He served terms as vice president, rush chairman, and pledge trainer for Epsilon Gamma. As an alumnus, he served as chapter advisor for Epsilon Gamma from 1974-78. Turner was Lone Star regional president from 1978-80. He was on the nominating committee at the 1980 National Convention in New Orleans, and served as legal counsel to the Supreme Council from 1980-84. Turner was elected a Supreme Council vice president in 1984, and served in that capacity through 1988. He then served the Pi Kappa Alpha Educational Foundation as a trustee during 1988-92. He acted as parliamentarian at the 1992 National Convention.

Professionally, Turner practices law as a partner with Turner, Medina & O'Neal, P.C. in Lubbock, Texas. He is a member of the State Bar of Texas, the American Bar Association, American Trial Lawyers Association, Texas Trial Lawyers Association and the State Bar of Texas Committee on Lawyer Advertising. He is a director of the Texas Trial Lawyers Association.

As he began his acceptance speech, Turner told the audience how he approached his first time at the podium as national president: "I realize that what I say to you needs to come from the heart."

Turner then proceeded to address the crowd. Throughout his speech, he stressed the need for honesty and sincerity among the brothers. "I challenge you men to do the hard things, the courageous things," Turner said. He pledged to the audience that "We will strive to make certain that we do the right thing."

The banquet soon brought the convention to an end as Past National President Jerry Askew toasted the Fraternity and the events of the 1992 National Convention were relived in a video presentation.

The following day, the convention participants left Phoenix knowing they had helped set the Pi Kappa Alpha's direction for the next two years. The efforts and accomplishments of these two years will culminate with the 1994 National Convention at the Innisbrook Resort in Tampa, Florida.

Legislation from the 1992 National Convention

Delegates to the 1992 National Convention adopted two important pieces of legislation affecting the use of alcohol by the chapters.

Dry Rush was adopted by the Convention for the following reasons:

- The climate at institutions of higher education has become such that the use of alcohol in membership recruiting activities is de-emphasized;
- Pi Kappa Alpha recognizes the benefits of recruiting members from the standpoint of a commitment to the ideals central to the Fraternity;
- Pi Kappa Alpha has been a leader in establishing standards and practices that reflect the Fraternity's greater awareness of society's expectations regarding the responsible and appropriate use of alcohol;
- Many Pi Kappa Alpha chapters have adopted very successful rush programs that do not include the serving of alcohol;
- Pi Kappa Alpha will continue to lead the way in setting such standards; and
- The 1990 Convention passed a resolution advocating dry rush.

Therefore, it was resolved that all chapters of Pi Kappa Alpha will implement and adhere to a non-alcoholic *formal* rush program.

Additionally, the Convention ruled that henceforth, alcohol may not be purchased with chapter funds. This decision was made for the following reasons:

- The National Fraternity, local chapters and chapter officers may be held directly liable for lawsuits against the chapter and the National Fraternity; and
- The liability of the National Fraternity and its chapters is of concern.

Therefore, it was resolved that no alcoholic beverages may be purchased through the chapter treasury nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter.

In 1988 and 1990, the convention delegates adopted the Standards for Retention of Membership, Officer Status and Chapter Charter in Good Standing in order to demonstrate that Pi Kappa Alpha is genuinely concerned with and committed to the advancement of the Fraternity's high ideals. These two new resolutions will be added to the Standards.

The Memorial Headquarters staff will be working to educate chapters in this area through seminars at regional conferences and the 1992-93 Chapter Presidents Conference.

Pi Kappa Alpha Educational Foundation

Alumni supporting scholastic achievement, leadership training and personal development since 1948.

Broadening the base of support for Foundation programs. . .

The Pi Kappa Alpha Educational Foundation continues to expand its base of support from alumni and undergraduate brothers. This is key to our mission of serving our Fraternity to keep it on the cutting edge of leadership on campuses across the Country. Each year, we have more and more brothers demonstrate their appreciation for the Pi Kappa Alpha experience by sending a gift, obtaining a PiKA Visa card, attending an alumni association event or joining a chapter advisory board to directly influence the lives of our student brothers.

The past year was one of significant achievement for our Foundation. You can be especially proud of the support that was contributed and of the ways in which it was applied to strengthen the Fraternity. Here are a few of the highlights. . .

- Contributions to the 1991-92 annual fund climbed 18.7 percent, with an average gift of $49.
- A new giving society was created to attract early gifts from undergraduate brothers — called the Phi Phi Kappa Alpha Club.
- The trustees of our Foundation reviewed the holdings of the Freeman H. Hart Memorial Museum at the Memorial Headquarters and initiated a program of restoring and better preserving the artifacts that have been donated by alumni.
- A new chapter endowment program was established whereby alumni may designate all or a portion of their gifts to their own chapter's endowment administered by the Foundation. Earnings from each endowment will be used for scholarships and grants to chapter members.
- Grants were made to the Fraternity to support the chapter presidents conference, regional leadership conferences, officers leadership academy, and a speakers program for selected campuses and awards were presented to outstanding student and alumni brothers.
- Loans to undergraduate and graduate students on the basis of financial need were increased from $25,500 the previous year to more than $64,000 in 1991-1992.

Thomas C. Tillar, Jr.

On behalf of the trustees of our Foundation, I wish to express our deep appreciation to all who contributed to the Foundation in 1991-92. Your continued support and encouragement of others to join you will broaden the base of support even further in the future.

Best wishes in phi phi k a,

Thomas C. Tillar, Jr.

The Annual Report

The Pi Kappa Alpha Educational Foundation, founded in 1948, is an independent, tax-exempt, beneficent, charitable, literary and educational organization with a 501(c)(3) IRS designation. It is governed by a 15-member board of trustees composed of alumni of Pi Kappa Alpha Fraternity. Its daily operations are conducted by a professional staff located in the Pi Kappa Alpha Memorial Headquarters building in Memphis, Tennessee.

Its mission is "to enhance the lifelong Pi Kappa Alpha Fraternity experience for today's student and alumni brothers and those in generations to come and to assure the enduring prosperity of Pi Kappa Alpha Fraternity."

The Foundation is supported by tax-deductible charitable gifts from loyal alumni of Pi Kappa Alpha Fraternity and, in turn, it provides financial assistance for the educational programs of Pi Kappa Alpha Fraternity as well as direct financial assistance to the Fraternity's student members.

The information provided here summarizes Foundation activity from July 1, 1991, to June 30, 1992.

Scholarships

Over $23,000 was provided directly to student members of Pi Kappa Alpha Fraternity during 1991-92 in the form of academic and leadership scholarships. A complete listing of scholarship recipients appears on pages 39-40.

Honor Society Awards

Through the generosity of former Foundation Trustee R. Craig Hoenshell, the

1991-1992 Annual Report

Foundation provided cash awards to the following student members of Pi Kappa Alpha Fraternity who were inducted into Phi Beta Kappa or Omicron Delta Kappa honor societies during 1991-92.

Omicron Delta Kappa:

Stephen Scott *(Xi '90)*
Joseph P. Egan *(Eta Phi '89)*
Clark Drowatzky *(Theta Phi '89)*
Fred Reherman *(Epsilon Mu '88)*
Keith Tilghman *(Epsilon Mu '89)*
Shane Rasner *(Alpha Iota '90)*
Christopher Lawing *(Iota Sigma '92)*
Myrle Grate, III *(Alpha Pi '89)*
Gerald O'Doherty *(Delta Chi '90)*

Powers Award

The 1991-92 Powers Award, given each year to the Fraternity's most outstanding student member, went to Jeffrey Glasheen of Delta Omicron Chapter. A more complete summary of Brother Glasheen's accomplishments appears on page 39.

Fred A. Anderson Award

The Foundation awarded a $1,250 grant in 1991-92 to the Indiana State University Interfraternity Council to help underwrite the cost of bringing Will Keim to their campus. An extremely popular and effective campus speaker, Will Keim met with various groups and spoke to students about positive, ethical leadership on today's college campus. The Anderson Award is given annually to an interfraternity council at a campus which hosts a previous year's Smythe Award-winning chapter.

Student Loan Program

The Foundation provided 32 student members of Pi Kappa Alpha with $64,000 in loans during 1991-92. An additional 62 students and recent graduates still had active loans as of June 30th. The student loan program offers interest-free loans until a student graduates or leaves school, at which time the loan accrues interest at a rate of 8% annually.

Educational Grants

During 1991-92, over $45,000 was provided to Pi Kappa Alpha Fraternity in the form of educational grants to support the Fraternity's educational conferences and programs which addressed a variety of issues, including leadership training and personal development as well as risk management issues relating to alcohol and drug abuse, sexual abuse, hazing and ethnic diversity.

The Foundation also fulfilled a $5,000 pledge to the National Interfraternity Conference Foundation by presenting a check to the NIC Foundation in December of 1991 in recognition of Dr. William R. Nester's year of service as president of NIC. Brother Nester is a past national president of Pi Kappa Alpha and a past Educational Foundation president.

Order of West Range

Twelve alumni were selected for membership in the Order of West Range, the Foundation's most prestigious honor. Those selected were:

R. Craig Hoenshell *(Delta Chi '63)*
Otis A. Singletary, Jr. *(Alpha Iota '43)*
Harold D. Herndon *(Beta Gamma '22)*

Edward N. Cole *(Zeta Alpha '64)*

Several inductions of previous years' recipients also took place during the year.

Fund Raising

Annual Fund

The Foundation's annual fund campaign in 1991-92 raised $232,541.48, an increase of 18.7% from 1990-1991, through both direct mail and telemarketing efforts. The average gift size was $49.05 an increase of 14.3% from last year. Of those totals $44,772.83 was contributed to the Foundation's newly-established chapter endowment fund program. 4,741 gifts were received from 4,117 alumni, indicating that numerous alumni made multiple gifts during the year.

Capital Campaign

Additional gifts of $23,429.66 were received from those alumni who had made

Affinity Card

Finally, the Foundation's affinity credit card program, which is offered via Dominion Bank, generated $20,026.53. At year end, 2,413 Pi Kappa Alpha alumni and students held cards and 74.8% of those cards were actively used during the year.

Endowment Fund

The Pi Kappa Alpha Educational Foundation Endowment Fund, which is managed by a 3-member commission of volunteer alumni, reported assets of approximately $1,700,000 at fiscal year end. The portfolio included investments in equities, mutual funds and fixed income instruments. Annual earnings from the Fund are used to provide several of the Foundation's scholarships and grants.

Board of Trustees

Three new members were added to the Foundation's board of trustees in 1991-92. The three new trustees are Marvin D. Dennis *(Beta Eta '55)*, Franklin S. Forsberg *(Alpha Tau '28)* and Phillip E. Goodman *(Alpha Nu '45)*.

Alumni Associations

A listing of alumni associations may be found on page 20.

Harvey T. Newell Memorial Library

Numerous alumni authors donated their books to the Library during 1991-92. Also received were a variety of books written about members of Pi Kappa Alpha.

Freeman H. Hart Memorial Museum

The Foundation received several important Fraternity artifacts from alumni throughout the year. The board of trustees also endorsed an effort to preserve the collection based on recommendations from Memphis-area museum experts.

Jeffrey M. Glasheen

Recipient of the 1992 Powers Award

Jeffrey is a 1989 initiate of Delta Omicron Chapter at Drake University in Des Moines, Iowa. Jeffrey, who graduated with a bachelor of arts degree in biology in May 1992, will pursue a medical degree at the University of Pennsylvania School of Medicine in Philadelphia, Pennsylvania.

As an undergraduate, Brother Glasheen served Delta Omicron Chapter as SMC, pledge educator, and assistant pledge educator. He also chaired the philanthropy, fund-raising and alumni relations committees. He also represented Pi Kappa Alpha in the interfraternity council and on the IFC's rush rules and scholarship policy revision committees.

In the fall of 1988 Brother Glasheen ran cross country on Drake's Division I Cross Country team. In the spring of 1989 he ran track and field for Drake. He was named to the Missouri Valley Conference Commissioner's Lists for all-conference academic performance in 1988 and 1989. He was also named Drake University's Student Athlete Award winner for the 1988-1989 school year.

Graduating with a 4.0 grade point average, Jeffrey was tapped for membership in Phi Beta Kappa, Beta Beta Beta (a national award for proficiency in biology), the Order of Athena (a Greek scholastic honorary) and Alpha Lambda Delta. He was also on the President's List for eight semesters and a recipient of the Founder's and Presidential Scholarships, as well as numerous other scholarships.

Powers Award Runners-up

The following brothers were selected as runners-up for the 1992 Powers Award: Brian J. Freyberger *(Theta Omicron '88, Indiana State University)*, Brian W. Hite *(Epsilon Theta '89, Colorado State University)*, Scott P. Moore *(Iota Gamma '87, University of Nebraska at Kearney)*, Mark C. Wahle *(Iota Nu '90, Saint Louis University)*, John D. Weber *(Beta Delta '90, University of New Mexico)*.

Introducing new members of the Pi Kappa Alpha Educational Foundation's donor recognition societies

The Educational Foundation maintains giving societies to recognize loyal alumni whose support of the Foundation has surpassed certain levels. Those giving societies are the Shield and Diamond (cumulative contributions between $1,000 and $2,499), Lily of the Valley (cumulative contributions between $2,500 and $4,999), Garnet and Gold (cumulative contributions between $5,000 and $9,999), Sabre and Key Society (cumulative contributions between $10,000 and $24,999), Junior Founders Society (cumulative contributions between $50,000 and $99,999), Founders (cumulative contributions between $25,000 and $49,999) and the 1868 Society (cumulative contributions greater than $100,000)

The following alumni and friends entered various giving societies during fiscal year July 1, 1991 to June 30, 1992. Due to space limitations in this issue of the Shield & Diamond magazine, some new members of giving societies will be recognized in the December issue of the magazine.

The Junior Founders Society

Honoring loyal alumni and friends who have contributed between $25,000 and $49,999.

Benjamin F. Stradley
(University of Missouri-Columbia, Alpha Nu '21)

Prior to his retirement in 1964, Brother Stradley, who died in January of 1978, was treasurer and director of Phillips Petroleum Company. Brother Stradley provided for the Foundation through the B.F. Stradley Unitrust, the proceeds of which were awarded to the Foundation in April of 1992. Brother Stradley is also a member of the Foundation's planned giving society, The Oak Trust.

Thomas E. Husselman
(Miami-Ohio, Delta Gamma '49)

Brother Husselman is president of MATCO, Inc., a manufacturer's representative agency located in Zionsville, Indiana. Pi Kappa Alpha Educational Foundation

Alumni supporting scholastic achievement, leadership training and personal development since 1948.

September 1992

Dear Brother:

Last year, the Pi Kappa Alpha Educational Foundation. . .

. . . *provided over $45,000 in grants to the Fraternity and its sixteen regions to support leadership development programs.*

. . . *granted over $64,000 in loans to undergraduate and graduate student brothers in need of assistance to continue their studies.*

. . . *awarded over $23,000 in scholarships to student brothers to support and recognize outstanding leadership and academic performance.*

In addition, the Foundation launched the chapter endowment program, a program aimed at endowing leadership and scholarship awards and grants at every PiKA chapter in the Country. This program will create a sound and permanent footing from which our Fraternity and its individual chapters will grow and prosper.

While we look with pride on the past year, we also look with excitement at the year just underway. Undergraduate and graduate student Pikes are returning to college campuses across the Country. Many of them are thankful because the Pi Kappa Alpha Educational Foundation was able to loan them money for tuition. Many more will look to the Foundation in the coming year and years for similar help. Just as many will be rewarded for their leadership and educational excellence with an alumnus-funded, Foundation-administered scholarship or grant.

This is the time of year when the Foundation launches its annual fund-raising effort. If you are one of the many brothers honored in this issue for your gift last year, we thank you. Your support made a difference. If you are one of the many students who joined the Phi Phi Kappa Alpha Club during the past few months, thank you as well. You will be recognized in a special section of the December *Shield & Diamond*. Please take a moment today to renew your support of the Educational Foundation and its annual fund.

We hope that all of you will consider a gift to help Pi Kappa Alpha this year. A strong start is crucial to the success of the 1992-1993 annual fund. Your gift today will ensure that we can fund programs at a higher level.

This issue of the *Shield & Diamond* presents the annual reports of the Fraternity and the Foundation and honors last year's donors to the Foundation. It also tells the story of a *great* Fraternity and Foundation. We sincerely hope that you will consider what special role you and the Educational Foundation can play in the Fraternity's continued success.

Fraternally,

Thomas C. Tillar, Jr., President
Pi Kappa Alpha Educational Foundation

P.S. Please use the attached envelope to make your special gift to the Pi Kappa Alpha Educational Foundation's annual fund or chapter endowment program. As a donor, you will be kept up-to-date on the progress of your Foundation through *Horizons*, a newsletter published quarterly and exclusively for the Foundation's loyal donors.

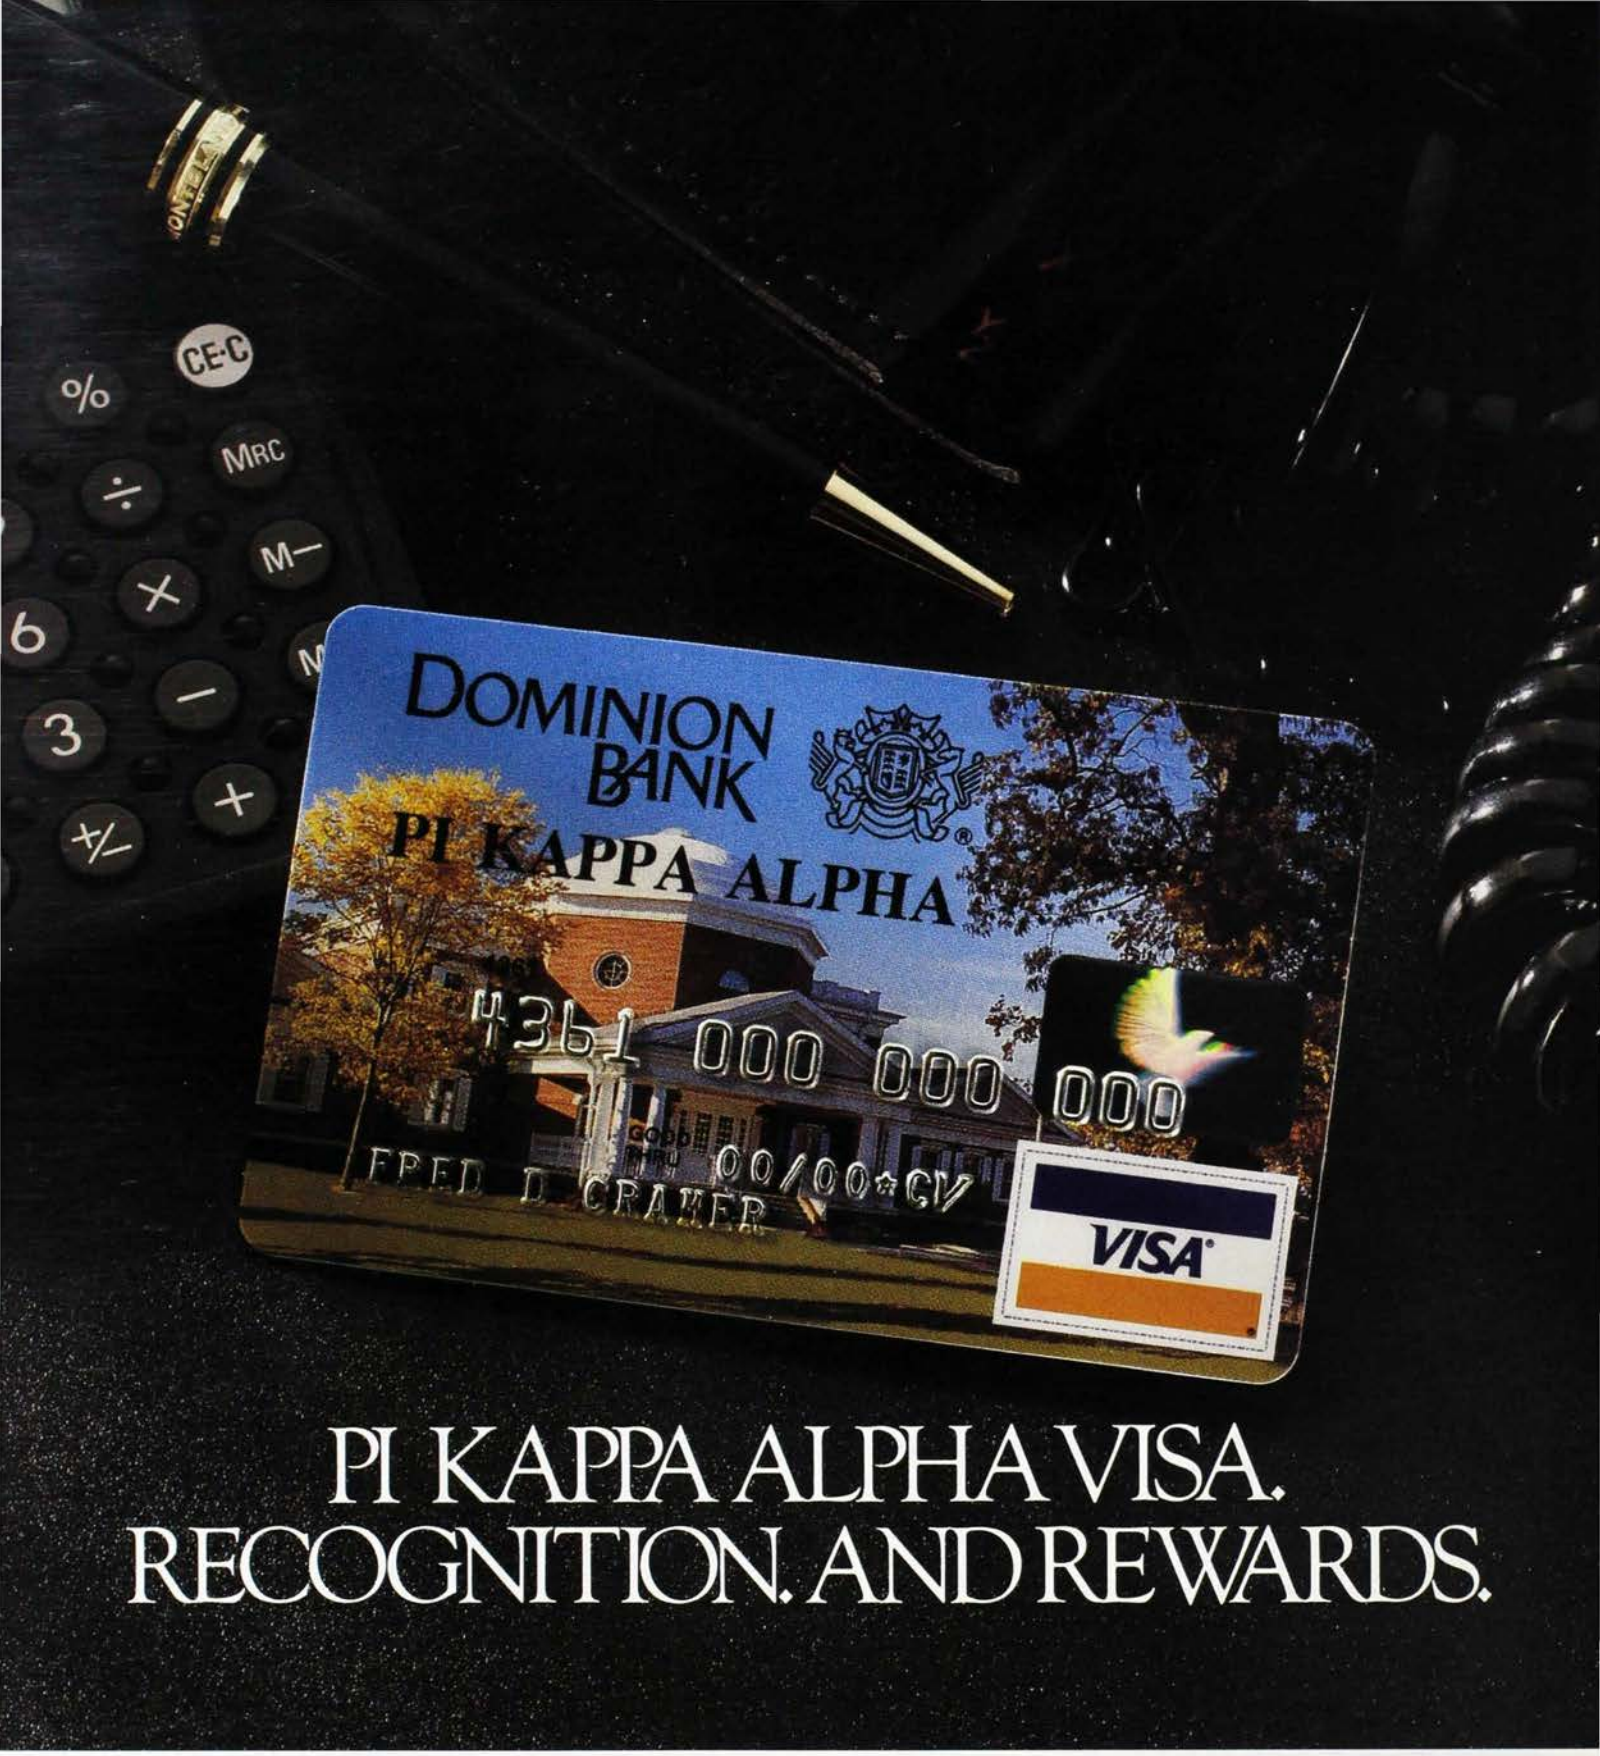
CORRECTIONS:

The June 1992 issue of *Shield & Diamond* listed **Arnold D. Dyre *(Mississippi, Gamma Iota '64)*** in Chapter Eternal. The June 1991 issue of *Shield & Diamond* listed **John M. Hunt *(Hampden-Sydney, Iota '27)*** in Chapter Eternal. Happily, Brothers Arnold D. Dyre and John M. Hunt are still living. *Shield & Diamond* regrets these errors.



PI KAPPA ALPHA VISA. RECOGNITION. AND REWARDS.

Now you can have your own distinctive Visa card, custom-designed for Pi Kappa Alpha. Use it at home. Or around the world. With some very special advantages. No annual fee the first year. Only $15 annually after that. And a low interest rate of only 17.39% APR. There's no finance charge on current card purchases when you pay your balance in full each month. And no charge for additional cards.

Every time you use your Pi Kappa Alpha Visa, Dominion Bank will make a contribution to The Pi Kappa Alpha Educational Foundation. The Foundation also receives a portion of your annual fee after the first year. Call 1-800-933-0121 for a Visa application. This card puts money into your Fraternity. And savings in your pocket.
