Since 1973, the Chapter Presidents Conference has educated the presidents of Pi Kappa Alpha's chapters on how to improve chapter performance by teaching them how to become effective leaders, while giving them the personal skills to be successful in life.

- *"The organization and effectiveness of the Conference make me proud to say I am a Pike."*

A three-day leadership conference held every January for chapter presidents, this conference is by far the most intensive leadership program Pi Kappa Alpha offers. Workshop highlights include managing the rush program, risk management, membership development and leadership training.

- *"Excellent Conference! I'm excited to share my new-found knowledge with the rest of the chapter."*

For an SMC attending the 1994 Chapter Presidents Conference, there is no registration fee. Presidents are only responsible for travel and lodging. Chapters, house corporations and alumni associations are encouraged to help offset these costs to allow their chapter presidents to attend.

- *"It was a great learning experience for me and it will benefit my chapter immensely."*

Enjoy the magic of Memphis and the historic surroundings of the Peabody Hotel at Pi Kappa Alpha's 1994 Chapter Presidents Conference. For more information, call the Pi Kappa Alpha Memorial Headquarters at (901) 748-1868.

## Update

### Rush 2000 Update

*Chapter Objective: To pledge and initiate five additional men each year over the previous year's figure.*

The Rush 2000 program was adopted by the delegates at the 1992 National Convention as a means of providing Pi Kappa Alpha a plan for future growth. The overall goal of the program is to pledge and initiate, on a national level, 2000 more men in 1993-94 than were pledged and initiated in 1991-92. This national goal translates to the chapter objectives listed above. The tools to achieve this goal are provided through educational rush workshops at conferences, the rush chairman's manual, and rush assistance from chapter consultants.

September 1993 finds the two-year program at its halfway point. This past year, several chapters met their objectives by pledging and initiating five more men than they did in 1991-92. 14 chapters did even better by exceeding their objectives. The following chapters were recognized for their Rush 2000 accomplishments at the 1993 Officers Leadership Academy.

#### Rush 2000 Garnet Award

*(Pledged and initiated 5-10 more men than in the previous year)*

Tau (North Carolina)  
Alpha Iota (Millsaps)

Alpha Nu (Missouri-Columbia)  
Beta Beta (Washington)  
Beta Gamma (Kansas)  
Delta Alpha (George Washington)  
Delta Chi (Nebraska-Omaha)  
Iota Alpha (Wyoming)  
Iota Zeta (Randolph Macon)

#### Rush 2000 Gold Award

*(Pledged and initiated over 10 more men than in the previous year)*

Alpha Alpha (Duke)  
Alpha Eta (Florida)  
Delta Tau (Arizona State)  
Epsilon Epsilon (Toledo)  
Theta Lambda (Creighton)

The success of the above chapters' Rush 2000 programs comes from creative, aggressive techniques, persistence, and hard work. Every chapter of Pi Kappa Alpha is challenged to meet and exceed their Rush 2000 objectives. There are always more men out there who are worthy of PiKA and the experience it offers.

### Headquarters Adds Two Consultants To Busy Expansion Staff

Executive Vice President Raymond L. Orians (Memphis State, Delta Zeta '66) announces that two members of the Fraternity's 1992-93 consultant corps have remained on staff to serve Pi Kappa Alpha's 1993-94 expansion program.

Steven S. Heck (Kansas State, Alpha Omega '88) returns for a second year as expansion consultant. During the 1992-93 academic year, Heck was instrumental in a number of PiKA colonization efforts that included the Fraternity's first Canadian expansion effort in 20 years: the University of Western Ontario in London, Ontario. He also assisted in colonizations at Florida International University, George Mason University, and Illinois State University. He was also active in the recolonization of Zeta Omicron Chapter at California State University-Northridge.

Heck is currently in Tallahassee, Florida recolonizing Delta Lambda Chapter. He is also

Steven S. Heck

Jeffrey S. Brown

scheduled to take part in PiKA's tentative colonization at Yale University.

Jeffrey S. Brown (Southern Illinois, Iota Mu '90) was a chapter consultant in 1992-93, traveling the Golden West and Cumberland Regions. Aside from his chapter consultant duties, Brown

## *The Pi Kappa Alpha Fraternity*

*1992-93 was a milestone year for Pi Kappa Alpha. 4,428 men were initiated into the Fraternity, and the summer saw the passing of Past National President Roy D. Hickman. Above, flags at the Memorial Headquarters wave at half-mast in his honor.*

## *A letter from the National President*

Brothers:

The following 1992-93 Annual Report summarizes the vast amount of activity that took place during the 125th year of our great Fraternity. Although a handful of pages cannot fully depict the programs, services, and individuals that make up Pi Kappa Alpha, the information in the Annual Report does serve as an indication of Pi Kappa Alpha's place at the top of the Greek system.

During the past year, Pi Kappa Alpha furthered its commitment to staying on the leading edge of services and programs. Both chapter visits and rush visits increased last year. 1992-93 also saw Pi Kappa Alpha conduct one of its most active expansion calendars in recent years, including a colonization in Canada. Risk management was, once again, an area of strength for the Fraternity. Chapters continued to follow the Standards adopted at the 1988 National Convention and sought to educate themselves through various programs, including the Fraternity's 16 regional leadership conferences.

Rush was a major area of emphasis for Pi Kappa Alpha in 1992-93. The adoption of the *Rush 2000* program at the 1992 National Convention signaled that chapters and alumni alike were dedicated to making Pi Kappa Alpha the top rushing fraternity in the nation. ***Our average chapter size is the largest in the nation according to the latest fraternity ratings.*** This proves that at its halfway point, *Rush 2000* is making its mark on Pi Kappa Alpha.

Through the presence of men devoted to excellence, members of Pi Kappa Alpha are able to look back on a glorious 125 years. It is now up to Pikes, both undergraduates and alumni, to remember their obligation to the Fraternity, and see that future generations of Pikes will be able to look back on as fine a history.

Fraternally,

Tommy J. Turner  
National President  
1992-1994

## The Pi Kappa Alpha Fraternity

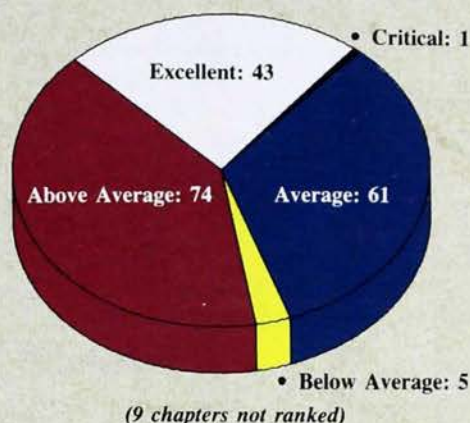

### Services

With over 290 chapter and colony visits, including special visits and rush visits, Pi Kappa Alpha's 198 chapters and colonies received an unprecedented level of service from the Memorial Headquarters.

In addition to conducting regular visits, chapter consultants as well as other services personnel were able to conduct visits focusing on rush, membership development, standards of conduct and leadership development. The services department of the Fraternity was also represented at every regional and national conference held last year.

While providing this level of service to existing chapters, Pi Kappa Alpha's chapter consultants assisted in the formation of the colonies discussed in the expansion section of this report.

Chapter Proficiency

Six mailings were sent out from the Memorial Headquarters during 1992-93 in search of alumnus volunteers who would serve on alumni advisory boards for various chapters. Alumni were asked to specify the areas in which they felt best qualified to advise, and invited to offer comments and suggestions.

Director of Services Scott A. Russell (Kansas, Beta Gamma '85) traveled to the University of South Florida and to Oklahoma University to train those alumni who volunteered for the advisory boards for Zeta Pi and Beta Omicron Chapters.

Finally, Russell performed a charter review for Eta Zeta Chapter at Middle Tennessee State University.

### Membership

Membership was one of Pi Kappa Alpha's top priorities during 1992-93. Average chapter size stood at seventy-one men per chapter.

Chapters worked tirelessly on their *Rush 2000* goals, with outstanding results.

## Risk Management

Pi Kappa Alpha continues to focus on the issue of risk management in the 90s. Another successful year was completed in risk education and monitoring claims.

Risk management sessions were held at the Fraternity's 1992 National Convention, the 16 regional leadership conferences throughout the school year, and the Chapter Presidents Conference. In addition, a new risk management manual was completed and introduced at the 1993 Officers Leadership Academy. A number of video tapes continue to be utilized by chapters in educating their members.

Pi Kappa Alpha was an innovator in the Greek world when our Fraternity adopted a self-retention program six years ago. The program allows the Fraternity to control its own destiny. Excess insurance is obtained to minimize exposure. Because of the program's success, the cost per active member is about 30% less than the average cost charged by the other major fraternities. Yet the coverage is the same or better. This track record has resulted in several excellent rated insurance companies providing competitive quotes.

Claims by year and amounts reserved each year are outlined in the chart at right.

A definite trend is being established since less claims and reserves have resulted over the last three years compared to the first three years. Risk management is working.

The actual claims paid versus reserves for the last six years are as follows:

## Claims by Year and Amounts Reserved

YEAR	# OF CLAIMS	RESERVES
1987-88	13	\$ 218,000
1988-89	15	212,000
1989-90	13	183,000
1990-91	6	27,000
1991-92	4	44,000
1992-93	8	62,000
<b>Total</b>	<b>59</b>	<b>\$ 746,000</b>

\*Number of claims and reserves are adjusted periodically as statutes expire and actual settlements are made. All dollar amounts are rounded to nearest \$1,000.

Claims Paid	\$ 554,000
Claims Reserved	192,000
<b>Total Claims</b>	<b>\$ 746,000</b>

These figures display that almost three-quarters of a million dollars in losses have been experienced. This is a significant amount. It serves as a constant reminder that risks do exist and need to be managed.

In summary, Pi Kappa Alpha continues to

provide liability protection to all chapters, house corporations and alumni associations, and their officers, members, landlords and employees. The cost of the program is below market and includes excess coverage from a nationally rated company. But the success of the program is derived from every chapter practicing effective risk management. More importantly, this success translates into a much safer environment for the members and guests of all chapters.

## Leadership Programs

During the past year Pi Kappa Alpha helped shape the leaders of the future through a wide array of leadership programs. These programs ranged from regional leadership conferences, open to all members, to the Chapter Presidents Conference, designed specifically for chapter SMCs. Altogether, the Fraternity's leadership programs reached over 3,000 student members. All of these programs received funding from the Pi Kappa Alpha Educational Foundation and were administered by the Memorial Headquarters staff.

### Regional Leadership Conferences

In the 1992-93 academic year, Pi Kappa Alpha conducted 16 regional leadership conferences which were attended by over 2,000 undergraduates. These conferences, organized by our regional presidents, provide the broadest base education of all our leadership programs. There is literally something for everyone at the regional leadership conference, from the chapter leader to the recent pledge. Some of the program highlights include risk management, rush, scholarship and financial management.

### Officers Leadership Academy

The 1993 Officers Leadership Academy was conducted at Memphis State University from July 23 through July 27, 1993. This program is perhaps the most comprehensive of all the Fraternity's leadership programs. It is aimed at training the major chapter officers but is open to other students as well. Chapters can send up to five members. Many chapters will send a mix of current leaders and budding underclassmen who will soon run the chapter. This year's academy was attended by 338 undergraduate students and 19 chapter advisors. These men received education on chapter management, leadership, diversity and other social issues, and personal development. Highlights of the academy included a cookout and reception at the Memorial Headquarters, an inspirational leadership talk from Will Keim, and the National Awards Banquet.

### Chapter Presidents Conference

Established in 1973, the Chapter Presidents Conference is a three day conference focused

on providing the SMC with the tools necessary to become an effective leader of his peers. It is possibly the most intense leadership program the Fraternity offers. The conference included leadership training, personal development and education on chapter management and campus social issues. The 1993 conference was attended by 157 chapter presidents, and was held at the Peabody Hotel in Memphis, Tennessee from January 7 through 10. The conference featured a motivating talk on ethical leadership by Brother Bill Byrne (*Iowa State, Alpha Phi '62*) and an inspirational closing address from National President Tommy J. Turner (*Texas Tech, Epsilon Gamma '67*).

### Speakers Program

The Pi Kappa Alpha Speakers Program enjoyed another successful year of providing speakers to chapters celebrating Founders Day and other significant events. The speakers involved in this program consisted mainly of Supreme Council members, national officers and prominent PiKA alumni. Chapters that qualified for the program received up to \$300 to offset the travel cost of bringing a speakers to the chapter. This year, the Speakers Program provided 15 speakers to qualifying chapters.

## Finances

The Fraternity's programs were supported by various sources of income. Some of the larger expenditures were in the areas of chapter and alumni services, risk management, and leadership programs.

The financial statement which follows illustrates that the risk management expen-

diture decreased from \$466,903 in 1991-92 to \$285,259 in 1992-93, for a net decrease of \$181,644. This decrease is the result of the closing of open claims. It is evident that this decrease has had a large effect on the net income for 1992-93.

In addition to the following income and

expense information, the Fraternity also had accounts receivable from chapters of \$169,892 at year's end.

## Housing

Housing is important to Pi Kappa Alpha's chapters. The role of the National Fraternity in this area is primarily that of a lender. Through the Chapter House Fund, administered by the Pi Kappa Alpha Housing Commission, loans are granted to qualifying chapters and house corporations.

The Housing Commission makes two types of loans, secured and unsecured. The unsecured loan is for furnishings and equipment. The secured loan is for the purchase, building or renovation of a chapter house. The maximum limit on an unsecured loan is \$25,000. The limit on a secured loan is

\$150,000 with a first mortgage, or \$100,000 with a second mortgage.

In the 1992-93 fiscal year, the Chapter House Fund committed, modified, refinanced and/or subordinated loans to:

Beta Upsilon (*University of Colorado*)

Delta Zeta (*Memphis State University*)

Delta Nu (*Wayne State University*)

Eta Zeta (*Middle Tennessee State University*)

Eta Phi (*University of Central Florida*)

Theta Phi (*Wichita State University*)

*The following loan applications are pending or soon to be received:*

Beta Theta (*Cornell University*)

Epsilon Mu (*East Carolina University*)

Eta Nu (*University of Northern Illinois*)

Theta Lambda (*Creighton University*)

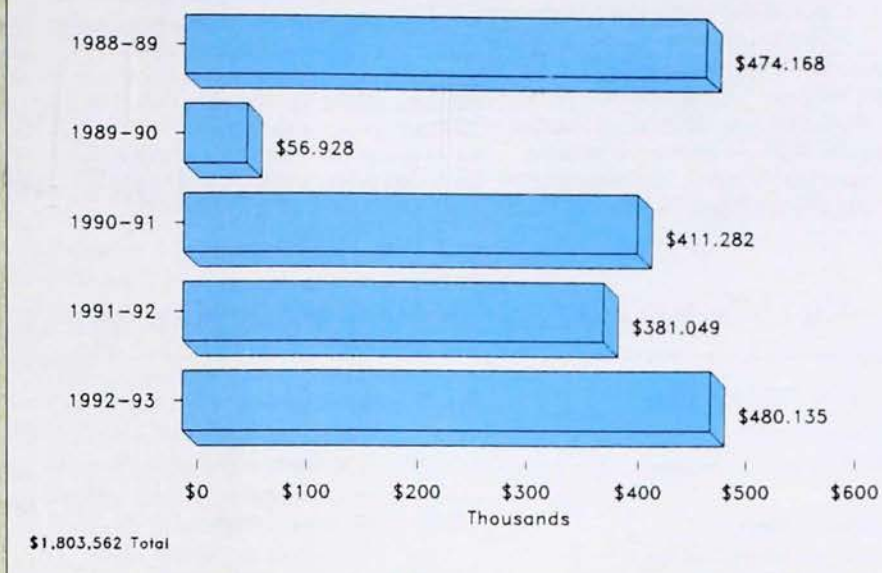

The Holding Corporation is a non-profit corporation created in 1963. The role of the Holding Corporation is to hold title to properties, both improved and unimproved, that have been acquired by the Fraternity. Please note, the Memorial Headquarters is not one

of these properties. The National Fraternity is not, nor does it desire to be, in the business of owning chapter houses. However, circumstances may occasionally occur when property is acquired. The Holding Corporation currently owns real estate at the following locations:

Alpha (*University of Virginia*)  
 .....[land only]  
 Alpha Theta (*West Virginia University*)  
 Delta Lambda (*Florida State University*)  
 Epsilon Delta (*University of North Texas*)  
 .....[land only]  
 Gamma Omega (*University of Miami*)  
 Zeta Mu (*University of Idaho*)  
 Theta Mu (*University of Massachusetts*)

## New Loans Committed Over the Last Five Fiscal Years

## Expansion

In the area of expansion, Pi Kappa Alpha is proud to report a record setting year. Over the course of 1992-93, there were four installations, nine colonizations, and one recolonization. The nine colonizations included the first Canadian effort in twenty years, expansion to the university and fraternity rich city of Boston, and added presence in the prestigious Ivy League.

Director of Expansion Steve Vincent (*Missouri-Columbia, Alpha Nu '83*) coordinated this year's aggressive program. Current Expansion Consultant Steve Heck and past Expansion Consultant Chris Hough were instrumental in the success of the program. Each colonization and recolonization is staffed by one expansion consultant and one chapter consultant. In addition to the colonization work, the expansion staff conducted nearly twenty visits to existing colonies to assist them in the attainment of their chartering goals and objectives.

Installations occurred at the University of Michigan (*Beta Tau*), the Johns Hopkins University (*Iota Tau*), the University of Southern California (*Gamma Eta*), and Georgia Southern University (*Iota Upsilon*). Each of these new chapters is already at or near the top of its Greek system in terms of

size, grade point average, and leadership positions on campus.

Colonizations took place at nine schools, as outlined in the chart on the preceding page. Immediate results were produced from all of the new colonies. Credit lies primarily with the members, but also with the alumni advisory boards. The tireless commitment of these advisors is greatly appreciated by both the colonies and the National Fraternity.

## Communications

During the 1992-93 academic year, Pi Kappa Alpha printed a total of 393,155 copies of the *Shield & Diamond*.

Also during 1992-93, *The Garnet and Gold — A Reference Manual of the Pi Kappa Alpha Fraternity* was revised: the previous edition was issued in 1989. The 1992 edition of the *Garnet and Gold* provides pledges and active members with information on current programs, traditions and history of the Fraternity.

*The Oak: A History of Pi Kappa Alpha* was revised in Spring 1992. The previous edition of *The Oak* was issued in 1986. *The Oak* was updated to include the Fraternity's history from 1984 through 1992.

15,000 copies each of the *Garnet and Gold* and *The Oak* were printed and are now available through the Memorial Headquarters.

made significant contributions to several Pi Kappa Alpha colonizations in 1992-93. He played a vital role in establishing a colony at Rockhurst College in Kansas City, Missouri, and at the University of Western Ontario. He also was involved in the recolonization of Zeta Omicron

Chapter at California State University-Northridge.

Brown is scheduled to assist in the colonizations at New Mexico State University and Old Dominion University.

## Chapter Consultants On The Road

Executive Vice President Orians announces the regional assignments of the 1993-94 chapter consultants:

Hap H. Deneen (*Santa Barbara, Iota Kappa '90*) is visiting the Delta Region, Founders Region, and the North Atlantic Region.

Joseph P. Egan (*Central Florida, Eta Phi '89*) is traveling to chapters in the Golden West Region, Great Plains Region, and Lone Star Region.

E. Michael Hoadley (*Illinois, Beta Eta '88*) is scheduled for visits to chapters in the Cumberland Region, Dixie Region, and Sunshine Region.

Bradley S. McLaughlin (*Ohio, Gamma Omicron '89*) is traveling to chapters in the Heartland Region, Midwest Region, and Rockies Region.

Todd W. Ross (*Texas Tech, Epsilon Gamma '89*) is traveling to the Arkoma Region, Carolinas Region, and Great Lakes Region.

Kevin T. Wampler (*Tennessee Tech, Theta Upsilon '89*) will serve as a special consultant, performing visits at chapters that need assistance in specific programming areas. He is also traveling to the Northwest Region.

Chapter consultants may perform visits outside of their assigned region if necessary, as well as possibly assist in expansion colonizations.

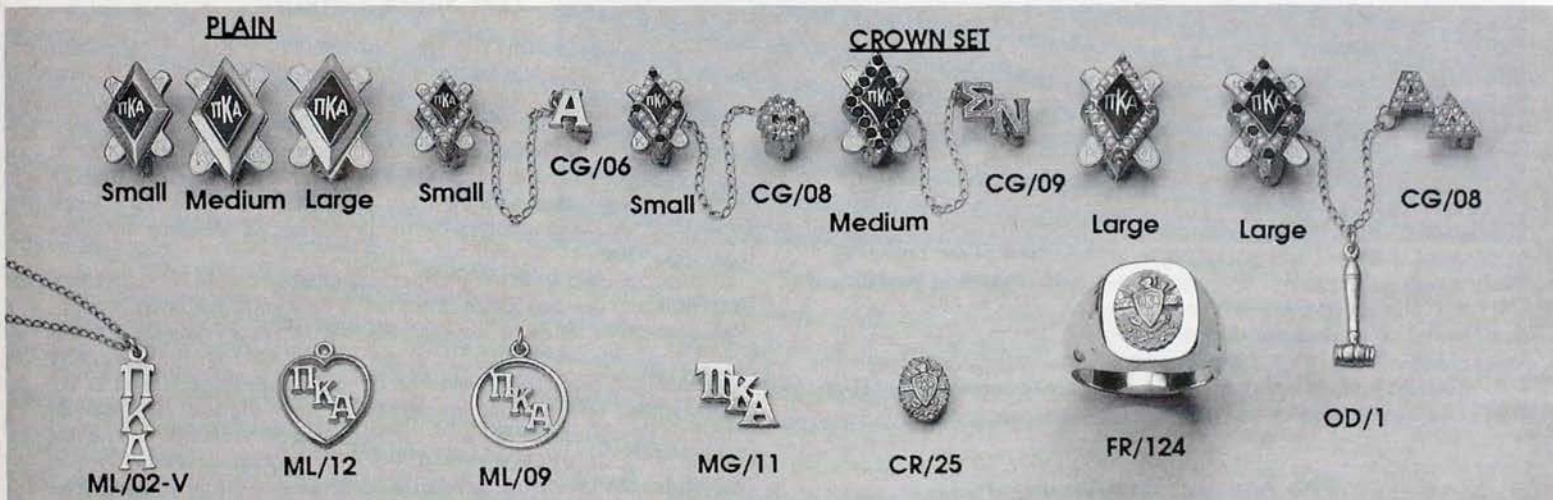

## Executive Vice President's Golf Skills Benefit Children's Hospital

Pi Kappa Alpha Fraternity Executive Vice President Raymond L. Orians (*Memphis State, Delta Zeta '66*) and three other amateur golfers teamed up with Ryder Cup member Lanny Wadkins to play in the Federal Express St. Jude Classic Celebrity Pro Am golf tournament on July 28, 1993. Proceeds from the Pro Am, which preceded the P.G.A. tournament at the Tournament Players Club in Memphis, went to St. Jude Children's Research Hospital in Memphis.

Orians was able to participate in the event through the generous support of F.O.R.E. (Friends of Ray Everywhere), a non-profit organization made up of supporters across the country. Orians' son, Jeff, served as his caddy for the day.

The highlight for Orians was the first hole, the #3 handicap. He was able to net a birdie on the hole after sinking a 25-foot putt. Orians' team shot a 56 (15 under par) and tied for fourth place out of 52 teams.

# A Legacy of Loyalty

*Pi Kappa Alpha is a tradition dating back to 1905 for Thomas W. Wade, Jr. and family.*

by Timothy J. McNary

When W. Eugene Wade was initiated into Zeta Chapter at the University of Tennessee on October 20, 1905, no one could have guessed what his membership in Pi Kappa Alpha would mean for the entire Wade family. Even today, the Wade family continues to feel the effect of an initiation ceremony that was conducted almost 88 years ago.

Several years after Eugene's entrance into Pi Kappa Alpha, his younger brother, Tom, was a student at the University of Tennessee. Following the footsteps of Eugene, Tom was initiated into Zeta Chapter in 1917. As his older brother had done, Tom would eventually serve the chapter as SMC.

27 years later, W. Eugene Wade, Jr. found himself on the campus of North Carolina State University. Following on the path of his father and uncle, he wanted to join a fraternity. He would reach the same decision they had years earlier — to pledge Pi Kappa Alpha. With his initiation into Alpha Epsilon Chapter in 1944, he was the third member of the Wade family to be brought into the bonds of PiKA.

In 1953, Thomas W. Wade, Jr. faced a tough decision. He had grown up attending UT football games, stopping by the Pike house with his father and becoming "indoctrinated by PiKA." Yet on the last day of rush, Wade was still trying to decide whether to pledge Pi Kappa Alpha or Sigma Alpha Epsilon.

Looking for advice, he phoned his father three times to discuss his dilemma. Wade was surprised by the advice from his father during their last phone conversation.

"He said 'I really think the thing for you to do is go ΣAE.' And the minute he said that, it was just like a flashbulb went off in my head. I knew I was going PiKA," Wade recalls.

It wasn't planned reverse psychology, but that's the way it worked out, according to Wade. Looking back on it, he realized his father had advised him to go ΣAE because he didn't want his son to feel that he must pledge PiKA simply because his father was a Pike.

## The Family Tree Grows

Upon his initiation, Thomas W. Wade, Jr. was the fifth member of his family to join PiKA. Charles I. Freeman, a cousin of the Wade family, was the fourth family member to join the Fraternity when he was initiated into Delta Delta Chapter at Florida Southern College in 1944.

At the 1956 National Convention in Mexico City, Wade was in attendance as a representative of Zeta Chapter and Tom Sr. was also on hand, along with his wife Patti, daughter Sally, and cousin Jean.

On the eve of the convention, Wade and Malcolm H. Colditz (*Tennessee-Knoxville, Zeta '53*) were having a drink at a bar in Mexico City. Wade's family was due to arrive the next day. The two men noticed two Pikes at a nearby table and introduced themselves. The other Pikes were from Beta Kappa Chapter at Emory University. Soon, the group was sharing a table.

Wade's father, Tom W. Wade, Sr., was initiated into Zeta Chapter at the University of Tennessee-Knoxville in 1917.

During the course of the conversation that evening, Wade asked the Beta Kappa Pikes a question. "How would you fellas like to date my good-looking sister and good-looking cousin?"

At the convention, Wade introduced the Pikes to Sally and Jean. J. Pitt Tomlinson III, a 1954 initiate of Beta Kappa, asked Wade's sister out on a date. Their introduction would ultimately forge yet another link in the chain between the Wades and Pi Kappa Alpha.

Two years after Mexico City, Sally Wade arrived at the 1958 Washington, D.C. Convention to take her own place in PiKA history. Dream Girl for Tau Chapter at the University of North Carolina, Sally was selected as one of three finalists for the National Dream Girl of the Fraternity.

Tomlinson and Sally were married in 1964, and have been happily married ever since. Along with this marriage, other ties were made between the Wade family and Pi Kappa Alpha. Following Wade into Zeta Chapter was his first cousin, William P. Pelham, who was initiated in 1954. C. Wilton Elder, a distant cousin, was initiated into Delta Zeta Chapter at Memphis State University in 1958. William W. Bevis, a second cousin, was initiated into Tau Chapter in 1960. William C. Penn, a distant cousin, was initiated into Epsilon Sigma Chapter at the University of Tennessee-Martin in 1961.

## The Super Group

Shortly after graduating from the University of Tennessee, Wade was named a district president for the National Fraternity. Following his term as district president in the 1960s, he began a period of inactivity with the Fraternity. The time-consuming tasks of handling his father's agribusiness in western Tennessee and the responsibilities of family life as he and his wife raised three children left time for little else. Although he was not as involved with the daily activities of the Fraternity, Wade spent those years often pondering the possibility of reuniting the Pikes from the 1950s.

In Summer 1985, with the clerical assistance of one of his daughters, Patti (who later married Rance D. Barnes, a 1990 initiate of Zeta Chapter), Wade sent out 20 letters to close friends from the Zeta Pikes of the 1950s to see if there was interest in organizing a reunion. 12 brothers immediately responded and led Wade to spearhead what has become known as the Super Group. The first reunion in 1985 brought together 62 brothers, a number of whom had not seen each other in 30 years or so. The last reunion of the Super Group was in 1990. 108 brothers and eight Dream Girls, from 18 states, came to Knoxville, Tennessee for the reunion. The gathering took place over Homecoming weekend and was featured on the front page of *The Knoxville Journal*.

"I've gotten more out of the Super Group than any other organization by far that I have been involved in," Wade said. "Certainly one of the highlights of our reunions has been the Special Dispensation Initiations of 11 fine men, many of them former very popular pledges who for one reason or another were not initiated as undergraduates."

Executive Director of the Pi Kappa Alpha Educational Foundation Jeffrey M. Abraham, along with several other national officers, attended the reunion. According to Abraham, the reunion was one of the best alumni gatherings in the history of the Fraternity. Much of the reunion's success was a result of Wade's constant correspondence with the members of the Super Group. Wade doesn't wait for the next reunion to begin the job of organizing Super Group activities. Throughout the year, he sends out

newsletters, writes letters and makes countless phone calls promoting the Super Group and Pi Kappa Alpha.

"They have the reunions every five years and it's not like he waits four years and starts up again, he's always working on it, always sending out newsletters and clippings. He's always talking to people about the reunion, even if it's three four, or five years away," Abraham said.

Wade's dream of reuniting Zeta Pikes from the 1950s for a one-time reunion has evolved into a group of 155 men who have renewed old friendships, strengthened their bonds with the Fraternity, and who are already making plans for the next reunion of the Super Group in 1995.

## Paying Back A Debt

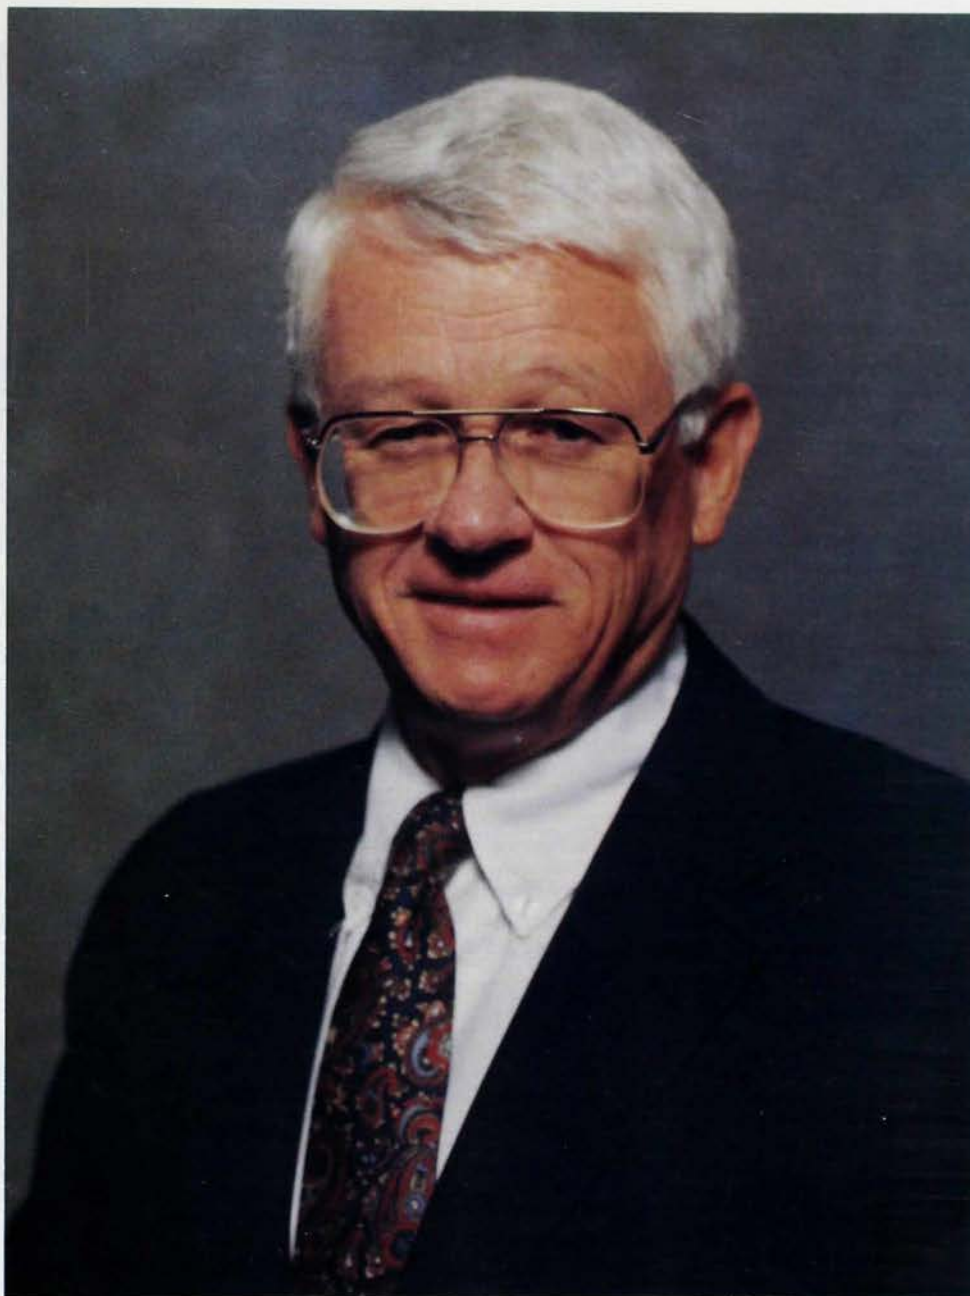

At about the time the Super Group began to hit its stride, Wade was deepening his involvement with the Fraternity on the national scene. His return to the national level of PiKA was solidified in 1989 when he was elected a trustee of the Pi Kappa Alpha Educational Foundation. Currently, Wade serves the Foundation as chairman of Pi Kappa Alpha's Annual Fund, which provides mostly unrestricted monies to the Educational Foundation. As chairman, he is the volunteer responsible for everything involved with the Fund, and supervises a committee with which he meets several times a year to discuss various ideas for improving the Fund's efforts.

At the helm of the Annual Fund, Wade has been a tireless supporter of the Educational Foundation, not only through his substantial financial contributions, but also through the vast amount of personal time he has spent serving as a spokesman for the Foundation and the Fraternity. Attention to the small details that help make the work of the Foundation successful is characteristic of his efforts with the Annual Fund. He writes a number of letters to Foundation contributors, maintains correspondence with the Memorial Headquarters, and always updates the Foundation and the Fraternity on various happenings of Pike alumni. Wade has become known as an individual willing take on necessary tasks for the betterment of PiKA.

"He is a doer. He is somebody to whom if an assignment is given, you know that it will be done and it will be done quickly, and generally very efficiently as well. He does a lot of things himself. He doesn't delegate," Abraham said.

For Wade, his hours spent with the Fraternity, whether at the local or national level, offer him the chance to pay back a debt he believes he owes to Pi Kappa Alpha. Much of the success he has accomplished in his personal life, as well as in his agribusiness and banking ventures, he attributes directly to the Fraternity.

During his undergraduate days, Wade was involved in a number of campus and chapter activities, including terms as SMC and rush chairman.

Thomas W. Wade, Jr. (Tennessee-Knoxville, Zeta '53)

"When I went to UT I was about as 'green' as any freshman ever was. I was very unsophisticated and I came from a very small Southern town. I was just not worldly by any stretch of the imagination. . . PiKA pushed me into a leadership position and I didn't know I had leadership ability," Wade said.

Paying back the Fraternity can be done in a number of different ways, he said. Alumni wanting to become more active with the Fraternity can simply contact their chapter or a nearby chapter and let the undergraduates know they are willing to get involved. Alumni can also get involved with a local alumni association, start a Super Group reunion of their own, or call the Memorial Headquarters and ask about volunteering their time and energy towards the Fraternity.

"If all alumni who were helped by PiKA would try to pay back some of what PiKA did for us, the results would be astronomical," Wade said.

Throughout his life, Wade has witnessed and participated in lifetime commitment to PiKA. He believes this philosophy must be passed on to the undergraduate members. To accomplish this, he said the Educational Foundation must "bridge the gap" between undergraduates and alumni and instill in them the lifetime commitment to Pi Kappa Alpha.

*Continued on following page*

## Beyond The Family Tree

When asked, Wade will tell you that he thinks often about his family and its relationship with Pi Kappa Alpha. Yet his work with the Super Group and the Foundation is indicative of a commitment to the Fraternity that goes well beyond his immediate family. Over the years, Wade has made many gifts to the Educational Foundation in memory of deceased brothers. Recently, he developed a new giving concept as a means of honoring living brothers.

Last fall he was making a contribution to the Foundation when he started thinking of a Zeta Chapter brother he had known and admired all his life. The brother was a decade ahead of him in the chapter and in perfect health, but Wade felt it would be a "good thing to do" to write a check to the Foundation in honor of that brother. Several days later, Wade received word that this honored brother had made a substantial gift in honor of Tom Wade, Sr.

"This is one of the nicest things that has ever happened to my family and me. We were touched."

## The Legacy Continues

In Fall 1990, Wade fully grasped the predicament he and his father had gone through in 1952 when it had taken several phone calls between father and son to determine the right decision following fraternity rush.

The situations of Thomas W. Wade, Jr. in 1953 and that of his son, Thomas W. Wade III (Will) in 1990 were remarkably similar. Both had grown up in an environment where PiKA was a vital presence. Both chose to attend the University of Tennessee. Both were brought up with a great awareness of life at Zeta Chapter long before they ever enrolled at UT. Both were seriously pursued by several other fraternities. And finally, both were advised by their fathers to make their own decision.

Looking back on that fall, Wade described the period as "a tough time for me and a tough time for Will. Just like my dad, I didn't want him to make a mistake because of me."

According to Will, his father understood the pressure he was facing. "My dad never pushed it on me. He would barely even mention the word (PiKA)."

With the decision of which fraternity to pledge entirely up to him, the similarities for father and son continued as Will decided to pledge Pi Kappa Alpha. "I felt like I fit in best here," Will said. Then on January 12, 1991, as his father had done for him 38 years earlier, Wade placed the badge of the Fraternity upon Will's chest at the completion of his initiation into the Fraternity. According to Will, being initiated into Pi Kappa Alpha and having his father there to take part in the moment was "a feeling of true gratification."

"It's hard to put into words. I had tears in my eyes. He had tears in his eyes," Will said.

Will's initiation into Pi Kappa Alpha meant that Pi Kappa Alpha will be a family tradition for yet another generation. In August 1993, Will continued another family tradition by being selected to serve as a national officer of the Fraternity. He was named as one of two undergraduate members who will serve as vice presidents on the Supreme Council of the Fraternity. The significance of Will serving on the Supreme Council was not lost on Wade: Tom Wade, Sr. served on that same governing body from 1960-62.

From left: Sally Wade (later Mrs. J. Pitt Tomlinson III), National President Grant Macfarlane, Mrs. Tom Wade, Sr., Administrative Assistant David A. Collins, Tom Wade, Sr., Tom Wade, Jr. and Field Secretary John Browning attend the Diamond Life Reception held at the 1958 National Convention.

Wade's son, Thomas W. Wade III, inherited the family legacy when he was initiated into Zeta Chapter in 1991.

"For (Will) to make it at this stage of the game is one of the most gratifying things to ever happen to me," Wade said.

To some, Thomas Wade, Jr.'s involvement with the Fraternity may seem to be simply the result of being in a family whose history has become interwoven with that of Pi Kappa Alpha. But although it may have been family that helped bring Thomas W. Wade, Jr. into Pi Kappa Alpha, it was the words that he uttered during his initiation over 40 years ago that brought him to his position with the Fraternity today.

"I took the vows seriously... I believe in the Ritual and what PiKA stands for," Wade said.

## Expansion

# Iota Upsilon Chapter: Georgia Southern University

## *GSU Chartering Ends Active Year for PiKA's Expansion Program*

On Friday evening June 25, 1993, 74 members of the Georgia Southern University Colony took their final step as a colony when they were initiated into Pi Kappa Alpha Fraternity as members of Iota Upsilon Chapter.

Expansion Consultant Jeffrey S. Brown (*Southern Illinois, Iota Mu '90*) and Colony Advisor John Weston Beaver (*Georgia, Alpha Mu '85*) brought the men from GSU into the ever-growing ranks of the Fraternity. Representatives from Theta Gamma Chapter at Georgia College, Epsilon Nu Chapter at Georgia State University, and Eta Sigma Chapter at West Georgia College assisted in the initiations.

One of the most emotional moments of the evening occurred during the initiation ceremonies when Robert Banks, Sr. (*Georgia State, Epsilon Nu '66*) took part in the initiation of his son, Robert W. Banks, Jr.

The following day, the newest brothers of PiKA continued their historic weekend at the Hyatt Regency in Savannah, Georgia. National President Tommy Turner (*Texas Tech, Epsilon Gamma '67*), Dixie Regional President D. Mark Anderson (*Wofford, Nu '76*), Director of Expansion Steven S. Vincent (*Missouri-Columbia, Alpha Nu '83*), and Expansion Consultant Brown completed the initiations and an explanation of the Fraternity's Ritual. After a small break, the brothers reassembled for the chartering banquet.

National President Turner delivered the keynote address. At the conclusion of his speech, Turner was presented with a gift of Eagle Creek Water in a crystal decanter. The decanter is now on display at Pi Kappa Alpha's Memorial Headquarters.

The crowd of over 300 was also able to see Iota Upsilon pay a lasting tribute to Chapter Advisor Beaver. The chapter named the Most Loyal Brother Award after Beaver in recognition of his dedication and continued service to the Pikes of Georgia Southern.

### Iota Upsilon's History

In Spring 1991, Max Gray Holland, Jr. (*Clemson, Eta Alpha '90*) had recently transferred to Georgia Southern. At GSU, he found himself on a campus without a Pike chapter, but he joined forces with Shawn Barber in hopes of acquainting the GSU Greek system with Pi Kappa Alpha.

The Lakeside Cafe is a popular spot on the GSU campus.

The Georgia Southern administration building and "Sweetheart Circle".

During Spring 1992, Expansion Associate Christopher M. Vining (*Central Florida, Eta Phi '88*) and Chapter Consultant Sean A. Brasili (*Middle Tennessee State, Eta Zeta '88*) arrived on behalf of the Memorial Headquarters to begin the Pi Kappa Alpha colonization process. Vining and Brasili began the task of recruiting every scholar, leader, athlete, and gentleman from the interest group formed by Holland and Barber. Bids were extended to 43 of the best men on campus on April 22, 1992. After a retreat was held to establish goals and a plan of action for these men, the colony was operating as a top notch group with its sights set on becoming a chapter of Pi Kappa Alpha Fraternity.

Continuing the precedent established by Pi Kappa Alpha chapters across the country, the colony made its presence as a fraternity felt on GSU's campus. In the academic arena, the colony ranked second out of 15 fraternities. Campus leadership also felt the impact — Pikes were represented in numerous campus activities ranging from student government to sports reporter for the local edition of CNN News. On the playing field, the colony was competitive in all campus sports, as the Pikes won or placed in all phases of athletic competition at Georgia Southern.

Above all, this new group of men quickly established a reputation for themselves as true gentlemen. The chapter received the Dean's Award for Community Service. The gold plated eagle which symbolizes the award took its place among various other awards garnered by the men during their first full year on campus.

### Georgia Southern's History

Georgia Southern University was founded in Statesboro, Georgia in 1908. The university consisted of 15 students, four faculty members and three buildings. For a time, beginning in 1929, GSU was known as South Georgia Teachers College, and then as Georgia Teachers College. The first fraternities chartered on campus in 1967 and 1968. In 1981, varsity football was reestablished after a 40 year absence. The football program proceeded to win four national titles in the next 12 years. □

# The 1993 Officers Leadership Academy

*Educating the Fraternity's Finest.*

by Timothy J. McNary

The 1992 National Convention was known as "PiKA's Place in the Sun." The same slogan could have applied to Pi Kappa Alpha's 1993 Officers Leadership Academy. As temperatures reached the upper 90s, 439 undergraduates, chapter advisors, national officers and guests of Pi Kappa Alpha gathered on the campus of Memphis State University from July 23-27 to take part in the Fraternity's "most comprehensive leadership and education program."

Pi Kappa Alpha's Officers Leadership Academy is held every two years during non-convention years. Each Academy is specifically designed to offer chapter's top officers and advisors the latest programming material from the leading faculty in the Fraternity and professional worlds. The 1993 Leadership Academy focused on leadership training, chapter programs, and social issues such as risk management and cultural diversity.

This year's Academy officially convened at Friday afternoon's opening session when Executive Vice President Raymond L. Orians (*Memphis State, Delta Zeta '66*) welcomed Academy participants and encouraged them to "take the opportunity to meet brothers from across the country." The opening session was followed by the Academy's first educational session, "The History of PiKA," led by Dr. Jerome V. Reel (*Tulane, Eta '57*). Reel is known to thousands of Pikes as author of *The Oak: A History of Pi Kappa Alpha*. This year's lesson in PiKA history was especially meaningful, as 1993 is the 125th anniversary of the Fraternity. Reel discussed the Fraternity from its founding in 1868 through the historical events of the 1992 National Convention.

Not wasting a moment, the model initiation took place immediately following "The History of PiKA." The model initiation is a traditional event of the Academy, national convention, and many of the Fraternity's regional leadership conferences. Like all initiations, it serves as a means of bringing a quality individual into the ranks of the Fraternity. Usually, the individual has not taken the traditional undergraduate path in joining Pi Kappa Alpha. This year's academy brought Charles G. Wilson into the bonds. Wilson is zoological director of the Memphis Zoo and Aquarium. As an undergraduate at Oklahoma State University, Wilson developed friendships with several members of Pi Kappa Alpha's Gamma Chi Chapter. As a result of his OSU ties, he was designated a special dispensation initiate of Gamma Chi Chapter.

Aside from the educational and programming activities that took place throughout the Academy, there was also plenty of time for undergraduate brothers to meet with national officers in a one-on-one setting or in small group discussions. Friday's Academy team meetings presented the first opportunities for undergraduates to interact with one another, and with

The Memorial Headquarters Barbecue is a traditional highlight of the Officers Leadership Academy.

a regional president and representative of the Memorial Headquarters' staff. The 16 teams met four times during the Academy to focus on improving rush methods. Teams discussed case studies and specific situations and developed plans for bettering Pi Kappa Alpha chapters' rush programs.

## Welcome to the Memorial Headquarters

On Friday evening, Academy participants boarded buses for a barbecue on the lawn of the Fraternity's Memorial Headquarters, preceded by a tour of Pi Kappa Alpha's Headquarters.

The barbecue offered a time to honor several brothers being inducted into Pi Kappa Alpha Educational Foundation's Order of West Range. The Order of West Range was established in 1986 and recognizes PiKA's most outstanding alumni. Recipients of the award have brought pride to Pi Kappa Alpha by excellence in their profession, by service to the community and/or in service to Pi Kappa Alpha. The first induction ceremony was for John F. McNair III (*Davidson, Beta '44*). McNair is the retired president and chief executive officer of Wachovia Bank of North Carolina, N.A. The next inductee, Otis A. Singletary, Jr. (*Millsaps, Alpha Iota '47*), was introduced by Dr. William R. Nester (*Cincinnati, Alpha Xi '47*) as "an outstanding educator and member of Pi Kappa Alpha." Singletary was president of the University of Kentucky from 1969-90. The last ceremony of the evening was the posthumous induction of George W. Denton (*Missouri-Columbia, Alpha Nu '42*). Denton was president of the Educational Foundation from 1984-87. During his presidency, the Foundation built Pi Kappa Alpha's second Memorial Headquarters. Denton's daughter, Lisa, accepted the award on behalf of her father.

Also at the festivities at the Memorial Headquarters, Delta Nu Chapter at Wayne State University and Theta Omicron Chapter at Indiana State University were honored for their assistance to the Foundation's fall Annual Fund phonathon. The friendly competition between the two chapters helped the Foundation complete its most successful Annual Fund campaign in its 45-year history. Over the course of the phonathon's 14 nights, the two chapters contacted 8,200 alumni from across the country who pledged over \$105,000. To date, over \$80,000 of the pledges has been collected. Theta Omicron was presented a plaque by the Educational Foundation for winning the phonathon competition. They generated over \$43,000 in contributions. Delta Nu was also presented with a special plaque for raising over \$38,000 in contributions.

The two outstanding individual volunteers of phonathon were presented with jeweled fraternity badges. Jonathan R. Anderson (*Indiana State*,

Denton (*Missouri-Columbia, Alpha Nu '42*). **Above right:** The Academy offered the opportunity for chapter officers and national officers to meet and exchange ideas.

*Theta Omicron '90* gathered over 80 donations totaling \$4,100. Allan D. Julian (*Wayne State, Delta Nu '93*) produced over 70 donations for \$2,700 in contributions.

Closing out Friday evening's activities was a change in the guard of the Educational Foundation. Foundation President Thomas C. Tillar, Jr. (*Virginia Tech, Epsilon '71*) presented incoming Foundation President Thomas E. Hussleman (*Miami-Ohio, Delta Gamma '49*) with the Foundation President's pin, signaling a new era of leadership.

Saturday morning's agenda began with a wide range of programming activities. Officers of many individual chapters divided up so they could attend as many of the seminars as possible, covering topics such as scholarship, alumni development, public relations and housing. The second team meetings were held immediately after the morning's programming sessions.

## 1993 Distinguished Achievement Award

Following lunch on Saturday, one of the Fraternity's coveted honors, the Distinguished Achievement Award was presented. 1993's Distinguished Achievement Award Winner recipient was Otis A. Singletary, who briefly addressed the Academy just a day earlier when he received the Order of West Range. Aside from his already-mentioned term as president of the University of Kentucky, Singletary has a long list of credentials firmly grounded in 40 years of experience on college campuses.

Following his undergraduate studies at Millsaps, Singletary went on to receive his masters and Ph.D. in history from Louisiana State University. During his presidency, UK's enrollment grew to approximately 23,000 students on campus and to over 22,000 students in the university's community colleges. He was honored by Kentucky's alumni association which presented him with its Alumni Service Award. This award is rarely given to an individual who is not a Kentucky alumnus. Today, Singletary is president emeritus of the University of Kentucky. As further evidence of his continual involvement with higher education, Singletary was president of Phi Beta Kappa from 1988-91. He is also a respected historian, having published several books and articles.

Singletary summed-up his career to the undergraduates by saying "I have never known another job I'd rather have. . . I wish that same good fortune for you."

Otis A. Singletary

The afternoon's events then consisted of a regional presidents workshop and an educational session devoted to risk management, which was led by National Vice President Daniel F. McGehee (*Southeast Missouri State, Epsilon Iota '63*). Risk management sessions, held at the Academy, the Chapter Presidents Conference, and Regional Leadership Conferences have been successful in educating chapters on the necessity of proper risk management (see the 1992-93 Annual Report, Page 8).

Two of Pi Kappa Alpha's most prominent alumni were honored with induction into the Order of West Range on Saturday Afternoon. The Florida State Seminoles' head football coach Robert C. Bowden (*Samford, Alpha Pi '49*), and United States Congressman C. Patrick Roberts (*Kansas State, Alpha Omega '55*) took their places in the distinguished group that is the Order of West Range. Bowden is second in victories amongst active college coaches and third in winning percentage amongst active college coaches. His 154-45-3 record at FSU has helped him achieve his status as one of college football's most recognized and respected coaches. Following his induction, Bowden spoke to the audience about his days as SMC of Alpha Pi in 1942 and how he "appreciated my association with Pi Kappa Alpha Fraternity."

Roberts was elected to the 97th United States Congress in 1980 from the 66-county district of Kansas, one of the largest districts in the country. He was elected to serve a seventh term in 1992. Roberts is a legacy of the Fraternity. His father, the late C. Wesley Roberts (*Kansas State, Alpha Omega '21*) was also a prominent alumnus of PiKA as well as a respected individual in the political arena. He was chairman of the Republican National Committee under President Dwight D. Eisenhower. Robert's son, David, (*Kansas State, Alpha Omega '93*) is the third generation of the Robert's family to continue the Pike legacy.

Induction into the Order of West Range was a "very humbling experience" for Roberts as his father was posthumously inducted into the Order of West Range during the same ceremony. This is the first time in the Order's history that father and son have been inducted at the same time.

## PiKA's Emphasis on Rush

Since the adoption of the Rush 2000 program at the 1992 National Convention, rush has become a prime focus of attention. At the Academy there was a general session, "Winning Rush in the 90s", and two sessions specifically designed for the rush chairmen of the chapters. The rush sessions were led by National Rush Director Thomas J. Handler

*Continued on next page*

(Illinois, Beta Eta '74). Handler emphasized that quality and quantity can be attained within the Fraternity and that the largest fraternities on campus are usually the best fraternities. There "is no single higher factor" than size, in determining a dominant fraternity according to Handler.

Rush chairmen met Saturday evening with Handler to discuss the specific responsibilities and challenges of their office. Chapter officer workshops were also conducted at this time for presidents, vice presidents, treasurers, membership educators, and risk managers. Later in the evening, members of Pi Kappa Alpha's colonies met with Director of Expansion Steven S. Vincent (*Missouri-Columbia, Alpha Nu '83*) for direction and input as they continue on the road to chartering.

## Personal Development

Diversity was the topic of discussion as Academy participants met for the first session on Sunday morning. Jason Thompson, coordinator of the multicultural resource center at the University of Wyoming, was the faculty leader of the session, "Tools to Diversity." Thompson designed the program "not to tell individuals what to think, but to encourage them to think."

Personal development workshops were offered on Sunday afternoon. Workshops were held on academic performance, job search/career planning, financial planning, graduate school, and HIV/AIDS 101 in a session entitled "What Every Person Should Know About Aids." Part II of the chapter advisor workshop was also held at this time.

Sunday evening presented the second part of the team meetings as well as regional meetings. The regional meetings allowed each regional president to meet with the chapters in his region to share thoughts and ideas on the upcoming year.

The Academy participants were in the home stretch as they began Monday's schedule of events. The final chapter officer workshops and chapter advisor workshop were held in the morning. After lunch, the teams wrapped up their final meeting and team members were able to take back a number of rush ideas they had learned from chapters across the country.

The last session of the Academy was presented by Will Keim, whose seminars have become amongst the most popular offered at Fraternity programs. Keim's called his seminar "25,000 Days". It was devoted to chapters' strengthening themselves and to motivating members to get the most possible out of life's experiences.

Once Keim ended the last seminar of the Academy, a group photo was taken of all the participants of the 1993 Officers Leadership Academy. Then it was back on the buses, this time to the Adam's Mark Hotel for the National Awards Banquet.

## The National Awards Banquet

The first award presented at the National Awards Banquet was the Powers Award. This award is presented annually to the most outstanding graduate of the Fraternity, based on his leadership and scholarship record. A scholarship applicable toward graduate school accompanies the award. This year, Curtis A. Kin, a 1993 initiate of Gamma Eta Chapter at the University of Southern California, received the award with a memorable speech. "Pi Kappa Alpha isn't in the skin," he said, "it's in the heart and mind." (See the Educational Foundation Annual Report, Page 25).

The final banquet was the setting for the last Order of West Range inductions. The brothers inducted at the final banquet were Robert C. Duke (*Texas, Beta Mu '45*), Louis A. Pritchett (*Memphis State, Delta Zeta '52*), Thomas E. Rast (*Alabama, Gamma Alpha '42*), L. Jack Van Fossen (*Cincinnati, Alpha Xi '56*), and Howard H. Bell (*Missouri-Columbia, Alpha Nu '46*). Duke is an attorney in Austin, Texas. He was appointed by Governor John Connally to serve Texas as deputy commissioner and general counsel of Office of the Regulatory Loan Commissioner. He retired in 1967 and entered in private practice in Austin. Pritchett was vice president of sales for Procter & Gamble. He was in charge of Procter & Gamble's sales operations world-wide. Rast is chairman of the board of Johnson-Rast & Hayes Company, Inc. It is the largest full-service real estate company in Alabama. Van Fossen is the president and chief ex-

ecutive officer of Red Roof Inns, the company's largest privately-owned and operated economy lodging chain. Bell was appointed first president and CEO of the American Advertising Federation. He received the AAF's Gold Medal Career Award in 1991.

## 1993 Loyalty Award

The final banquet also presented the opportunity for the Fraternity to pay tribute to a brother who has been actively involved in the day-to-day life of Pi Kappa Alpha for many years. Henry N.F. Minich (*Virginia, Alpha '51*) was selected the 1993 Loyalty Award winner. The honor was well-deserved as Minich has devoted years of work at the local and national levels. He was on the Gamma Omega House Corporation at the University of Miami and served as alumni advisory board president from 1965-76. On the national level he was the Fraternity's national chaplain from 1969-80. In 1980 he was appointed to Pi Kappa Alpha's Housing Commission. He retired in 1992 and was honored at the 1992 National Convention.

Henry N.F. Minich

Outside of his fraternal involvement, Minich is a specialist in the field of bio-medical ethics. He is on the executive board of the Episcopal Diocese of Southeast Florida and chairs its Liturgical Commission and Canons Committee. National President Thomas J. Turner (*Texas Tech, Epsilon Gamma '67*) presented Minich with the award and his thanks. "We have truly been blessed by your service, wit, and wisdom," Turner said.

In his acceptance Minich emphasized the need for involvement with the Fraternity and the need for brothers to always come back to the Fraternity.

The next item on the agenda was the presentation of the National Awards (For a complete listing of Award winners see page 12).

National President Turner closed the 1993 Officers Leadership Academy by expressing his gratitude to the brothers and guests in attendance. "I thank you for giving me the opportunity to be the president of the best Fraternity in the world," Turner said.

The banquet crowd of over 400 ended the evening with a stirring rendition of "Down In Old Virginy." Then it was back to Pi Kappa Alpha's chapters and colonies across the United States and Canada for the undergraduates of the 1993 Officers Leadership Academy. Equipped with the latest Fraternity programming and ideas, they were ready to take Pi Kappa Alpha into its next 125 years. □

# Roy D. Hickman, Past National President

*A pillar of the Fraternity, Hickman led Pi Kappa Alpha with a steady hand.*

**P**ast National President Roy D. Hickman died Wednesday, July 21, 1993, at the age of 91, in Birmingham, Alabama. He had been a resident of Birmingham since 1927. He is survived by his wife, Dorothy, and daughter, Mary Lynn.

In the preface of *The Oak: A History of Pi Kappa Alpha*, Dr. Jerome V. Reel (*Tulane, Eta '57*) includes Roy D. Hickman in a small group of men who, during the Fraternity's history, were "men of great talent who have given themselves over to the strengthening of this Fraternity." This group of men includes Robert Adger Smythe (*The Citadel, Lambda 1889*), Harvey T. Newell (*Millsaps, Alpha Iota '30*) and Robert D. Lynn (*Presbyterian, Mu '31*).

Executive Vice President Raymond L. Orians (*Memphis State, Delta Zeta '66*) fondly recalled Hickman as "one of the most, if not the most, dedicated, loyal members of the Fraternity."

Hickman began his long association with Pi Kappa Alpha when he was initiated as a member of Beta Delta Chapter at the University of New Mexico on March 1, 1922. A native of Chat-

tanooga, Tennessee, he arrived on the New Mexico campus in Albuquerque when the enrollment consisted of only 500 students. He became familiar with UNM when he spent several summers with an aunt and uncle who lived in Albuquerque.

To help finance his education, Hickman waited on tables in the school dining hall, sold yearbooks, and served as a student instructor in economics.

As an initiate of Beta Delta Chapter, he led the chapter as vice president and as president. Aside from his involvement with the Fraternity at UNM, he was also student body president, editor of the *Mirage* (the UNM yearbook), a varsity debater, and president of the New Mexico Club.

While editor of the *Mirage*, Hickman became acquainted with the Alabama Engraving Co. in Birmingham. Not long after his graduation, he went to work for the firm and would eventually become its chairman of the board. In 1971, he was awarded UNM's Zimmerman Award as one of the University's most distinguished alumni. The Zimmerman Award is presented to persons

who have achieved prominence in their chosen field or ventures.

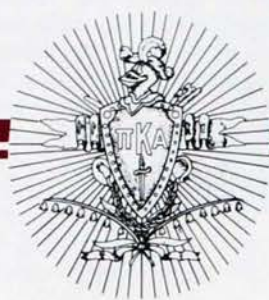

Members of Pi Kappa Alpha familiar with the history of the Fraternity during World War II know of the critical leadership that Hickman provided during the difficult days of the War. Following a stint as the national alumni secretary, he was elected national president of Pi Kappa Alpha in 1940.

Through the turbulent days of the War, he was a constant presence, serving as national president for six years. As members of the Supreme Council were called to active military duty, he immediately brought in Freeman H. Hart (*Hampden-Sydney, Iota '28*), author of *A History of Pi Kappa Alpha* and immediate past national president, to assume the role of executive secretary.

In 1942, the Supreme Council established two objectives: secure the finances of the Fraternity and ensure the continued operation of chapters. Under Hickman's guidance, the Supreme Council was able to accomplish both objectives. At the Fraternity's 1946 Victory Convention at Mackinac Island, the Council was able to report to the assembled delegates that the Fraternity had a surplus of \$50,000 in the General Fund

## 1992-1993 Annual Report

The Pi Kappa Alpha Educational Foundation, founded in 1948, is an independent, tax-exempt, beneficent, charitable, literary and educational organization with a 501(c)(3) IRS designation. It is governed by a 15-member board

of trustees composed of alumni of Pi Kappa Alpha Fraternity. Its daily operations are conducted by a professional staff located in the Pi Kappa Alpha Memorial Headquarters building in Memphis, Tennessee.

Its mission is "to enhance the lifelong Pi Kappa Alpha Fraternity experience for today's student and alumni brothers and those in generations to come and to assure the enduring prosperity of Pi Kappa Alpha Fraternity."

The Foundation is supported by tax-deductible charitable gifts from loyal alumni of Pi Kappa Alpha Fraternity and, in turn, it provides financial assistance for the educational programs of Pi Kappa Alpha Fraternity as well as direct financial assistance to the Fraternity's student members.

The information provided here summarizes Foundation activity from July 1, 1992 to June 30, 1993.

## Scholarships

During the 1992-1993 academic year \$23,750 was provided directly to student members of Pi Kappa Alpha Fraternity in the form of academic and leadership scholarships. A complete listing of scholarship recipients appears on pages 25-26.

## Honor Society Awards

The Educational Foundation provided cash awards to each of the following brothers who were inducted into either Phi Beta Kappa or Omicron Delta Kappa during 1992-1993. The awards are provided from the annual earnings of an endowment established by R. Craig Hoenshell (Delta Chi '63).

## A letter from the President of the Pi Kappa Alpha Educational Foundation

Thomas E.  
Husselman  
(Delta Gamma '49)

My Brothers:

It is a great honor for me to be President of the Pi Kappa Alpha Educational Foundation.

In this position, I follow the outstanding leadership and performance of three former presidents under whom I served

during my 6 years as trustee: Joe Turner, Bill LaForge and Tom Tillar. My pledge to Pi Kappa Alpha is to follow the foresight and dedication established in their tenures, and to ensure financial responsibility during my 2-year term.

The Foundation today is among the outstanding foundations within the interfraternity world and is constantly taking on new challenges. It is our duty and purpose as the fund-raising arm of Pi Kappa Alpha to provide funding for the undergraduate programs which make us truly unique. It is, therefore, the Foundation's responsibility to constantly search for new donors and larger gifts from our growing alumni body.

In our 125th year, we have seen a sizeable increase in the number of new donors, as well as the best results ever in our annual fund campaign. To all who participated, thank you. To all brothers who have not yet joined the ranks of loyal donors, your assistance is needed and will be appreciated.

During the next two years, it is my desire to visit every area of the Country where there are alumni interested in and capable of helping our quest. I will present the opportunities for giving provided by the Foundation, whether it be unrestricted gifts, chapter endowments or in the areas of planned and deferred giving. Further, I will show how every dollar of your donation benefits your desired end.

I look forward to serving as your Foundation President. Brothers, please be generous in your support of Pi Kappa Alpha.

Faternally,

Thomas E. Husselman  
President  
Pi Kappa Alpha Educational Foundation

## Powers Award

The Powers Award is given each year by the Educational Foundation to the Fraternity's most outstanding student member. The recipient of the Award in 1992-1993 was Curtis Kin (*Gamma Eta '93*). He received a handsome plaque and a \$1,000 check. Each of 5 finalists received checks in the amount of \$250. A comprehensive summary of Brother Kin's accomplishments appears on page 25.

## Student Loan Program

A total of \$46,250 was loaned to 26 student brothers during the year. An additional \$18,000 was distributed to students whose loans had been approved in the 1991-1992 year. As of June 30, 1993, the Educational Foundation had outstanding loans with 103 students totaling approximately \$193,000. The student loan program offers interest-free loans until a student leaves school, at which time the loan begins accruing interest at a rate of 8% annually.

## Educational Grants

Each year the Educational Foundation grants funds to Pi Kappa Alpha Fraternity to support the Fraternity's educational conferences and programs. Those programs address numerous issues facing today's

college students, including alcohol and drug abuse, sexual abuse, hazing and ethnic diversity. Several programs also address personal development issues and leadership training. During the 1992-1993 fiscal year the Foundation approved \$50,000 in grants. Additionally, the Foundation provided three continuing education grants.

## Order of West Range

Twelve alumni were selected for membership in the Foundation's Order of West Range. The Order was established in 1986 to recognize Pi Kappa Alpha alumni for their career accomplishments, their service to society and/or their service to Pi Kappa Alpha. Those selected in 1992-1993 were:

Howard H. Bell (*Alpha Nu '46*)  
S. Lew Burdette, Jr. (*Omicron '46*)  
Robert C. Duke (*Beta Mu '45*)  
John J. Lux (*Theta '53*)  
C. Pat Roberts (*Alpha Omega '55*)  
Larry J. Van Fossen (*Alpha Xi '56*)

### *Posthumous:*

## Fund Raising

### *Annual Fund*

The Foundation's annual fund campaign in 1992-1993 raised \$292,827.73, an increase of 25.9% from the previous year. These funds were generated through both direct mail and telemarketing efforts, as well as through personal solicitation. 6,116 gifts were received with the average gift totaling \$47.88. The number of gifts received was a 29% increase from the

previous year's total of 4,741 gifts. \$62,093.25 of the annual fund receipts was designated to the chapter endowment program.

### *Capital Campaign*

Gifts of \$22,566.07 were received from those alumni who had made pledges to The Campaign for Pi Kappa Alpha. Although the Campaign ended in 1990 numerous alumni have extended payment schedules. Additional gifts of \$7,875 were received from undergraduate chapters which had made commitments to the Campaign. As of June 30, 1993, 40 of the original 51 chapters which had made pledges to the Campaign had paid those pledges in full.

### *Major/Deferred Gifts*

Numerous major and/or deferred gifts were made to the Foundation in 1992-1993. These gifts were for a variety of purposes and were made using several different gift vehicles, including cash, stock, life insurance, trusts and bequests. Individual recognition of these gifts may be found in the donor roll pages following this section.

### *In Memory*

The Foundation received many gifts in memory of an individual member of Pi Kappa Alpha Fraternity. Listed here are the names of those for whom memorial gifts were received:

#### Matching Gifts

The following corporations provided matching gifts to the Foundation:

Household International  
 McCormick & Company, Inc.  
 Glaxo  
 Chase Manhattan Corporation  
 SeaLand  
 Arco Foundation

#### Affinity Card

The Foundation's affinity Visa card program generated \$19,750. At year end, 2,250 Pi Kappa Alpha alumni and students held cards.

## Endowment Fund

The Pi Kappa Alpha Educational Foundation Endowment Fund, which is managed by a 3-member commission of volunteer alumni, reported assets of approximately \$1.4 million at fiscal year end. The Fund had topped \$2.1 million earlier in the year but, at the direction of the Foundation board of trustees, approximately \$650,000 was withdrawn from the Fund to retire the first mortgage on the Memorial Headquarters building.

The Fund also saw a change in direction as W. Bram Govaars, II (*Gamma Delta '66*) succeeded retiring chairman John J. Lux (*Theta '53*), who stepped down after guiding the Fund's growth throughout the last three decades. R. Craig Hoenshell

(*Delta Chi '63*) also joined the commission, filling a vacancy created by the retirement of Garth C. Grissom (*Alpha Omega '49*). Thomas L. Wilkinson remains as the third commissioner.

During 1992-1993 the Fund divested itself of its position in individual securities and reinvested the Fund's assets into a variety of mutual funds. Annual earnings from the Fund are used to provide many of the Foundation's scholarships and grants.

## Board of Trustees

Five new members were added to the Foundation's board of trustees in 1992-1993. The new trustees were John F. McNair (*Beta '44*), Stanley F. Love (*Delta Iota '51*), Jack O. Snyder (*Beta Alpha '61*), William H. Dial (*Alpha Eta '27*) and William M. Byrne (*Alpha Phi '62*). The year also saw the retirement from the board of Thomas J. Turner (*Epsilon Gamma '67*), Phillip M. Lighty (*Gamma Xi '38*) and William H. Dial (*Alpha Eta '27*). William R. Nester (*Alpha Xi '47*) was recognized as a trustee emeritus upon completing his term on the board.

## Alumni Association

A listing of alumni associations may be found on page 54.

## Harvey T. Newell Memorial Library

Several alumni authors contributed their books to the Library during 1992-1993. Those names and book titles have appeared in previous issues of the *Shield & Diamond*.

## Freeman H. Hart Memorial Museum

The Foundation spent several thousand dollars in 1992-1993 restoring and preserving many of the Museum collection's most valuable pieces, including the Founders' portraits originally commissioned for the dedication of the Fraternity's first Memorial Headquarters. Additional funds were spent ensuring appropriate environmental conditions for the collection. Many alumni and chapters generously contributed memorabilia to the Museum.

## Curtis A. Kin

### *Recipient of the 1993 Powers Award*

Curtis Kin is a 1993 initiate of Gamma Eta Chapter at the University of Southern California in Los Angeles, California. He earned his bachelor's degree in international relations with a minor in business, and he will attend Stanford Law School in the fall.

Demonstrating excellent character and leadership abilities throughout college, Brother Kin became a member of Mortar Board, Order of Omega and Skull and Dagger, USC's oldest secret honor society. He served Gamma Eta Chapter as SMC, scholarship chairman, campus involvement chairman and co-installation chairman. On campus, Curtis

(*Gamma Eta '93*)

was an orientation counselor, a tour guide and a resident advisor. He also served the student senate as a member of the judicial council, parliamentarian and chairman of elections and recruitment.

Graduating with a 3.92 grade point average, Curtis was widely recognized for his extraordinary academic achievement. He was tapped into Phi Beta Kappa, Phi Kappa Phi, Golden Key National Honor Society, Alpha Lambda Delta Freshman Honor Society and Gamma Sigma Alpha, a Greek honor society for upperclassmen. He also received the USC Presidential Scholarship and a National Merit Scholarship.

#### *Powers Award Runners-up*

The following brothers were selected as runners-up for the 1993 Powers Award: Jon R. Anderson (*Indiana State, Theta Omicron '90*), David W. Cole (*Arkansas State, Delta Theta '92*), Lukas Haynes (*William and Mary, Gamma '91*), Stephen S. Scott (*South Carolina, Xi '90*) and Bret A. Stone (*California-Santa Barbara, Iota Kappa '91*).

# Introducing New Members of the Junior Founders Society and Sabre & Key Society

## Junior Founders Society

Honoring loyal alumni and friends who have contributed between \$25,000 and \$49,999.

### EDWARD A. PEASE

(Indiana University, Delta Xi '71)

Brother Pease is acting vice president for university advancement and general counsel for Indiana State University in Terre Haute, Indiana. One of Pi Kappa Alpha's most devoted brothers, he presently serves as chapter advisor for Theta Omicron Chapter, which recently won its thirteenth consecutive Smythe Award. He is also a charter member of the Educational Foundation's Oak Trust planned giving society. Brother Pease was honored with the Fraternity's Chapter Advisor of the Year Award in 1983 and he served as national vice president from 1984 to 1988 and national president from 1988 to 1990. He resides in Brazil, Indiana.

Edward A. Pease

F. Anderson Morse

ment Award and was inducted into the Foundation's prestigious Order of West Range in the same year. He served as a Foundation trustee in 1992. Brother Morse and his wife, Grace, live in Orlando and they have two children, Joan and Patricia. Dial's late brother, John (Alpha Eta '79), and his grandson, John Ruffier (Sigma '90), are also Pikes.

### F. ANDERSON MORSE

(College of William & Mary, Gamma '76)

Brother Morse is senior vice president and group executive for residential mortgages at The Riggs National Bank of Washington, D.C. A national vice president of the Fraternity since 1990, he served as president of the Founders Region for nine years, Gamma Chapter's advisor for nearly eleven years and colony advisor for Zeta Iota at Randolph-Macon College and Delta Alpha at George Washington University. Brother Morse was also founder and president of both the Gamma House Corporation and Gamma Alumni Association. He lives in Alexandria, Virginia. His father and brother-in-law are also Pikes.

### JOSEPH L. OTT

(Rhodes College, Theta '76)

Brother Ott is a partner in the Memphis, Tennessee, accounting firm of Ott & Associates.

A special dispensation initiate, he has served the Fraternity and the Foundation as national auditor since 1982. He has also served as treasurer of the Theta Chapter House Corporation. Brother Ott and his wife, Beth, have two children, David and Susan, and they live in Collierville, Tennessee.

### GARY W. WELCH

(Texas Tech University, Epsilon Gamma '59)

Brother Welch is a rancher and president and chairman of First State Bank in Riesel, Texas. He and his wife, Nancy, have four children, Lance (Epsilon Gamma '82), Cam (Epsilon Gamma '86), Cody (Epsilon Gamma '90) and Whitney. His brother, Bernard (Epsilon Gamma '56), is also a Pike.

## OAK TRUST

*The Oak Trust giving society was established in 1991 to recognize loyal alumni and friends who have named the Foundation as a beneficiary of real and/or personal property through a planned giving vehicle, such as bequests, life insurance and charitable remainder trusts. Planned gifts of \$10,000 or more qualify donors for membership in the Oak Trust. The following alumni became charter members of the Oak Trust between July 1, 1992, and June 30, 1993:*

Charles L. Dow (Gamma Alpha '64)  
 Burton Harres, Jr. (Epsilon Iota '71)  
 Dr. Robert A. Schluter (Gamma Rho '84)

*The following individuals made planned gifts prior to July 1, 1992, and are also recognized as charter members of the Oak Trust:*

Vernon Baxter (Beta Epsilon '25)  
 Cephas Brainerd, IV (Alpha Upsilon '12)  
 and Rose Brainerd  
 Michael L. Dever (Alpha Xi '61)  
 Ross L. Edwards (Psi '30)

 Reuel C. Stratton (Epsilon Alpha '53)  
 and Anita W. Stratton  
 Thomas L. Wilkinson (Eta Theta '71)  
 Quentin L. Richard (Gamma Beta '29)  
 and Gail Richard Zajic

*Those who have made or will make a planned gift of \$10,000 or more after July 1, 1993, will be recognized as a member of the Oak Trust in the 1993-1994 annual report.*

## Corrections

### CONGRESSIONAL FOUNDERS DAY

The June issue of *Shield & Diamond* listed an incorrect date for the next celebration of Congressional Founders Day in Washington, D.C. The correct date for next year's celebration is **Wednesday, March 2, 1994**.

■ An incorrect chapter and initiation date was given in the June *Shield & Diamond* for **Jack Sullivan**, pictured on page 24. Sullivan is a 1992 initiate of Iota Mu Chapter at Southern Illinois University.

■ The Native American Scholarship Fund, mentioned on page 35 of the June issue of *Shield & Diamond*, has changed its address since the publication of that issue. The new address is:

**Native American Scholarship Fund, Inc.**

## Pi Kappa Alpha Educational Foundation

*Your generosity does make a difference.*

Gifts to the annual fund provide support for the Foundation's many grants, loans and scholarships that benefit student members of Pi Kappa Alpha Fraternity. Gifts may also be restricted to an endowment supporting the chapter of your choice.

Gifts of all types may qualify a donor for one of the Foundation's annual giving clubs and/or cumulative giving societies.

- *The Century Club* recognizes donors contributing \$100 to \$249.
- *The Loyalty Club* recognizes donors contributing \$250 to \$499.
- *The President's Club* recognizes donors contributing \$500 or more.

The *Phi Phi Kappa Alpha Club* recognizes student brother donors. The Club's Garnet level recognizes student brothers contributing \$15 to \$24. The Gold level honors student brothers contributing \$25 or more.

All gifts to the Foundation's annual fund are tax-deductible. All donors receive the Foundation's *Horizons* quarterly newsletter.

## SMU Alum Furthers AIDS Research

His high school aptitude test indicated that he focus his career choice either in journalism, public relations or advertising. But Dr. Floyd E. Bloom (*Southern Methodist, Beta Zeta '55*) went on to pursue a career in medicine. He entered the Washington University School of Medicine after graduating cum laude from SMU. Making the decision to attend medical school has proven to be the right choice for Bloom and the entire medical establishment.

Today, Bloom leads a talented group of scientist as chairman of the Department of Neuropharmacology at the Research Institute, Scripps Clinic, in La Jolla, California. He and his group of researchers are committed to researching and developing methods of fighting diseases that affect the human brain. Currently, the clinic is working on approximately 15 projects, with three to five researchers involved on each project.

Many of Bloom's 19-hour days are spent examining the neurological impact of the human immunodeficiency virus (HIV), which wrecks the immune system and leaves it defenseless to acquired immune deficiency syndrome (AIDS). For this tireless researcher, the study of AIDS has presented him and his colleagues with a tremendous challenge. "This is as close to an all-out war of science against disease as I've seen in my time because of the devastating nature of the plague, and the fact that we can't totally control the rate of which it is being spread," he said.

The continued devastation that AIDS has caused on society have created a strong sense of urgency amongst the clinic's staff. According to Bloom, meetings are held two to three times a week to determine the rate of progress. Bloom likened himself to that of a coach "trying to identify what the obstacles are that are keeping us from getting to where we need to go and getting around them in whatever way we can."

Being involved in the battle against AIDS is a far cry from the world of journalism, but Bloom has hardly left his journalistic skills behind. He has written more than 14 books and 500 articles pertaining to his scientific studies.

While attending medical school, Bloom assumed that he would become a practicing physician following graduation. However, Washington's medical school was a "very research-oriented school" and he saw this area as an opportunity to make a significant contribution to medicine. Over 30 years later, he is still excited of the opportunity to contribute to the scientific world through his research.

After finishing his residency in anesthesiology at New York University Medical Center in June, they were transferred to Travis Air Force Base in northern California. Green will be an attending anesthesiologist at the David Grant USAF Medical Center.

Indiana State Pike Alumnus Receives Award  
From Lambda Chi Alpha Fraternity

Michael A. Hayes (*Theta Omicron '82*), assistant dean of students at DePauw University in Greencastle, Indiana, was the first recipient of Lambda Chi Alpha's Fraternity System Adviser of the Year Award. Hayes received the inaugural award at Lambda Chi Alpha's 24th Leadership Seminar Banquet on Saturday, June 26, 1993.

Hayes was recognized because of his outstanding interfraternal commitment to the fraternity systems at DePauw University and Miami University (Ohio). He was selected from more than 225 student development and fraternity professionals represented on campuses with Lambda Chi Alpha chapters and colonies.

"While we have certainly recognized leaders in the public and within the fraternity world, never before has Lambda Chi Alpha made such a deliberate effort to recognize the immediate efforts of an individual Greek professional on his or her campus," said Tom Helmbock, executive vice president of Lambda Chi Alpha. "The opportunities that a strong fraternity system present to our members are largely a result of exceptional leadership within student and Greek affairs...."

Hayes currently works as assistant dean of students at DePauw University. Previously, he was the director of Greek Life at Miami University in Oxford, Ohio. He serves the larger Greek community as editor for the Association of Fraternity Advisers, and is a member of its executive board. His Greek involvement extends through such organizations as the National Interfraternity Conference's Leadership Education Task Force, the National Panhellenic Conference Committee on Judicial Affairs, the College Fraternity Editors Association, and the National Association of Student Personnel Administrators.

Hayes began his Greek life as a member of Theta Omicron Chapter at Indiana State University, where he received his bachelor's and master's degrees. He and his wife, Holli, and daughter, Maggie, reside in Greencastle.

## Looking Back Pushes The Specialty Of Celebrity Licensing A Step Forward

As pop culture turns nostalgic, looking back to icons of 30, 40 and 50 years ago, Dean Barnhard's (*Miami, Gamma Omega '71*) business is growing.

Barnhard is one of what he says is a handful of lawyers in the United States representing the merchandising rights of both living and deceased celebrities. He is an attorney with Klineman, Rose, Wolf and Wallack and general counsel for Curtis Management Group, an Indianapolis-based sports and entertainment management group.

Through Curtis Management, Barnhard represents the estates of celebrities like James Dean, Bud Abbott and Lou Costello, and Babe Ruth. "Because of the nostalgia craze, there's more popularity for figures from the past," he said. "This area is growing and the law is trying to catch up with it."

A person's first right of publicity was established in 1903 and has been evolving since, Barnhard said. However, he explained, this right did not extend to deceased personalities and their families until recently.

Although a California court in 1979 said that there was no such thing as a descendible right of publicity, other courts have since ruled differently, according to Barnhard. And as merchandising has become a more crucial part of profit-making for the movie industry, more and more attention has been focused on this area.

"This specialty has evolved as the law has evolved," Barnhard said. It's not something that the law found easy to accept for years, and what we had to do was draw from other areas of law until we were finally able to twist and thread this together."

Barnhard served as counsel in a landmark case between Warner Bros. Inc., and the late actor James Dean's family and Curtis Management Group. Warner Brothers claimed that the Dean family and Curtis Management had defrauded it by merchandising Dean's likeness.

Other studios watched the case develop because, if Warner Brothers had won, it would have set the precedent that the studios owned all merchandising rights to classic movies of the '40s, '50s and '60s, Barnhard said. "The stakes for both sides were unbelievable." The Dean family and Curtis won.

The attorney has been with the local firm since graduating from law school, but he works primarily with clients in New York and Los Angeles.

## NEWS OF Bygone Days

**25 YEARS AGO...** "A huge white oak, last survivor of the Battle of New Market which fell last February 4, will be replaced with a young oak by the Pi Kappa Alpha Fraternity, the New Market Battlefield Park announced today." ... "Faced with the most challenging task ever undertaken in 100 years of existence, thousands of Pi Kappa Alphas from all over the country banded together in the spirit of brotherhood to successfully reach the quarter-million dollar Project Centennial goal which had been established in connection with Pi Kappa Alpha's 100th anniversary.

**50 YEARS AGO...** J. Gordon Hughes (*South Carolina, Xi 1893*), Grand Princes 1909-1917 entered Chapter Eternal ... A portrait of Founder Julian Edward Wood was unveiled at Delta Alpha Chapter at George Washington University. Wood's son, William E. Wood, was in attendance.

**75 YEARS AGO...** Founder Littleton Waller Tazewell (Bradford) entered Chapter Eternal on July 15, 1918 ... A member of Alpha Sigma Chapter wrote from France, during World War I, to the chapter's house mother: "Well, here we are, finally in France, la belle. We had a wonderful journey from the time we left South Carolina. The sea voyage was beautiful. All the way over the water was comparatively calm and placid, and the lurking danger of subs only added a thrill and a little spice of danger, and precluded any chance of boredom or ennui."

**100 YEARS AGO...** From the *Shield & Diamond's* first account of Sigma Chapter: "At last we have succeeded in placing Sigma at Vanderbilt University, and I have no doubt that it will be one of old Pi Kappa Alpha's leading chapters."

**OKLAHOMA PIKES CELEBRATE 'OKLAHOMA'** — Well known Oklahoma Pikes struck up "Down in Old Virginny" at a banquet in honor of the 50th anniversary of Rogers and Hammerstein's *Oklahoma!* opening on Broadway. The event was at Oklahoma City University's summer theater production of the show. From left: Dr. Harry Heath (*Gamma Upsilon '38*), retired dean of journalism at Oklahoma State University; Ridge Bond (*Gamma Upsilon '41*), who starred in *Oklahoma!* on Broadway in the lead role of "Curly"; J. Leland Gourley (*Beta Omicron '38*), OCU trustee and Oklahoma City newspaper publisher; John Williams (*Gamma Chi '68*), senior partner in the law firm of Williams, Box, Forshee, Synar & Bullard and legal counsel to Pi Kappa Alpha's Supreme Council; Richard Forshee (*Gamma Chi '71*), prominent Oklahoma City attorney; and J.R. Homesey (*Zeta Zeta '67*), prominent Oklahoma City attorney.

## Just Start Singing A Pike Song And Watch Them Gather!

Never underestimate the number of Pike alumni in any gathering of prominent people.

As a newspaper publisher and trustee for Oklahoma City University, I was on the program for a 50th anniversary tribute to the Broadway showing of *Oklahoma!* by OCU's summer theater.

The banquet and revival production of the Broadway hit featured Ridge Bond, who played the lead of "Curly" on the Broadway run. Also present was Dr. Harry Heath, former editor of the *Tulsa Tribune* and later dean of journalism at OSU.

Seeing Harry Heath, I decided to arrange for a picture of the dean and Bond for *Shield & Diamond*. When they were posing during the banquet, Bond started singing "It was down in Old Virginny. . ." and here came attorney John Williams to join in.

Pretty soon, another lanky lawyer, Richard Forshee, was in the chorus. Then up jumped another prominent Oklahoma City attorney, J.R. Homesey, saying, "I didn't know I had this many Fraternity brothers here."

So the sextette was ringing the rafters with the Fraternity song as the photographer snapped the picture. That's nearly 5% of the 150 guests present.

Try it the next time you're at a big time, high fashion event. Pikes are everywhere!

### **INTRODUCING THE OFFICIAL NECKTIE OF THE PI KAPPA ALPHA FRATERNITY**

Necktie: \$39.95, Bowtie: \$37.95  
To order, please call:  
(800) 77-PIKES

Crafted in English silk, the Pi Kappa Alpha necktie is steeped in tradition. The design is reflective of the simplistic yet powerful bonds of brotherhood. In the English "regimental tie" tradition, the silk threads have been dyed a deep garnet and rich old gold to symbolize the colors selected by the founders of the Fraternity. For 125 years, these colors have symbolized the tradition of excellence that is Pi Kappa Alpha.

Feel the tradition, the honor and the pride of Pi Kappa Alpha, and show off your true colors.

# RUSH 2000

**Rush 2000** is the National Rush Program aimed at increasing Pi Kappa Alpha's membership across the country. Rush is the lifeblood of all Pi Kappa Alpha chapters. If you know a young man who can both contribute to a chapter and develop himself through the Pi Kappa Alpha experience, we encourage you to fill out this recommendation form and send it to the Director of Services at the Memorial Headquarters, who will see that it is immediately forwarded to the appropriate chapter. We strongly encourage you to recommend legacies, as the consideration of sons, brothers, nephews and grandsons is an important aspect of the Pi Kappa Alpha recruitment process.

## Roy Hickman, Past National President — continued from page 21

at the end of the War and two new chapters had been installed: Delta Alpha at George Washington University and Delta Beta at Bowling Green University.

In a letter to Robert D. Lynn in 1968, A. Leo Hoegh (*Iowa, Gamma Nu '29*), who had been the first member of the Supreme Council called into military service during World War II, recalled the importance of Hickman's national presidency during the War years.

"Roy was a great leader in Pi Kappa Alpha. His dedication, loyalty, and aggressive leadership contributed to the strengthening of Pi Kappa Alpha. We were fortunate to have him during the trying times of World War II."

In 1964, Hickman's leadership skills again came to the assistance of the Fraternity when the Centennial Commission was established. He was co-chairman of the committee with Andrew H. Knight (*Samford, Alpha Pi '23*). The committee was instrumental in determining the site of the 1968 Centennial Convention, establishing memorials to commemorate the 100th anniversary of the Fraternity, and developing a quarter-million dollar fund raising effort to be used "for scholarship, leadership and citizenship."

The partnership of Hickman and Knight during the work of the Centennial committee was built on a friendship the two had established in the 1930s. Both men lived in Birmingham and had become friends through Pi Kappa Alpha's Birmingham alumni association and the local Rotary Club. Hickman and his wife, Dorothy, were exceptionally close to Andrew and Julia Knight and were "just like family to us" according to Knight. Knight's children, one of whom was named after Hickman, used the term "uncle" when referring to Hickman. Years later, during his term as president of Rotary International, Hickman introduced Roy Knight as his "adopted nephew" at an international Rotary

banquet in Switzerland. Knight spoke of his old friend as an individual who "made a tremendous impact" upon Pi Kappa Alpha.

Continuing a record of service to Pi Kappa Alpha that spanned decades, Hickman was a trustee of the Educational Foundation from 1975-78. He was an inductee of Pi Kappa Alpha Educational Foundation's Order of West Range, and also received both the Fraternity's Distinguished Achievement Award and the Loyalty Award. In 1988, Hickman took part in the dedication ceremonies for Pi Kappa Alpha's new Memorial Headquarters.

Hickman's presence in the Fraternity is evident every January during the annual Chapter Presidents Conference. In the late 1980s, Hickman, along with Mrs. Lucille Beeson, widow of Dwight Beeson (*Emory, Beta Kappa '20*), Andrew H. Knight, Thomas E. Rast (*Alabama, Gamma Alpha '42*), and numerous other supporters of the Educational Foundation established an endowment for the Chapter Presidents Conference that currently totals over \$100,000. This endowment, combined with contributions to the Annual Fund, allowed the Educational Foundation to contribute \$15,000 of the \$28,000 necessary to put on the 1993 Chapter Presidents Conference.

Pi Kappa Alpha was not the only organization to reap the rewards of Hickman's dedication. A Rotarian since 1935, he was a member and past president of the Birmingham Rotary Club. He was elected the 62nd president of Rotary International in 1972. As president, he spent a year travelling around the world on behalf of Rotary International. Prior to his Rotary presidency, he was the organization's third vice president, director, district governor, and committee chairman. He was a member of the Rotary Foundation Trustees from 1973-79, and was on its executive committee from 1974-76.

Roy D. Hickman became national president in 1940. This photo was taken during his acceptance speech.

Hickman was the third member of the Fraternity to be president of Rotary International. Luther Hodges, Jr. (*North Carolina, Tau '54*) and Richard L. Evans (*Utah, Alpha Tau '30*) both led Rotary in this capacity.

Throughout his years in Birmingham, Hickman was known as a man willing to take the extra steps to aid the community and was actively involved in a number of organizations. He was president of the Birmingham Chamber of Commerce, the Sales Executive Club, the American Ordinance Post, the Downtown Club and the Executives Club. He was past director of the National Tuberculosis Association and past president of the Alabama Tuberculosis Association. He served as civilian aide to the Secretary of the Army for the state of Alabama, and was a past chairman of the advisory board of the Salvation Army in Birmingham.

In January 1992, at the age of 90, Hickman responded to a birthday wish from Executive Vice President Orians. In that letter, he pointed out the significance that Pi Kappa Alpha had played in his life.

*Dear Ray:*

*Many, many thanks for your nice letter about my 90th birthday. I don't really feel 90, but the good Lord has permitted me this extravagance for years.*

*The Fraternity has been one of the reasons I have enjoyed life so much. I have met a lot of young men who later went on to prominence who started from the ritual of Pi Kappa Alpha.*

*I can truthfully say it has been a bedrock to me in principles and I owe a lot to those of you that are carrying on the purpose of this great organization of ours.*

*Fraternally Yours,*

*Roy D. Hickman*

The Supreme Council during World War II. Hickman (third from left) was president, 1940-46.
